VOL: 55

YEAR: 1987-1988

PAGES: 1-439

Tuesday - March 24, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Kenneth Michalove and Councilman Walter R. Boland.

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - MARCH 17, 1987 MEETING

1. Consideration was given to the approval of the minutes of the March 17, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - MARCH 23 - 29, 1987 - "NATIONAL GUARD WEEK"

1a. Mayor Bissette read a proclamation proclaiming the week of March 23 - 29, 1987, as "National Guard Week".

Mayor Bissette presented the proclamation to Chief Warrant Officer Ronnie Metcalf and First Lieutenant Diane McKinnis with the local National Guard.

PROCLAMATION - MARCH 25, 1987 - "GREEK INDEPENDENCE DAY: A CELEBRATION OF GREEK AND AMERICAN DEMOCRACY"

2. Mayor Bissette read a proclamation proclaiming March 25, 1987, as "Greek Independence Day: A Celebration of Greek and American Democracy".

RESOLUTION NO. 87-47 - RESOLUTION HONORING ASHEVILLE HIGH SCHOOL'S WOMEN'S BASKETBALL TEAM, 4-A STATE CHAMPIONSHIP 1986-87

2a. Mayor Bissette read a resolution honoring Asheville High School's Women's Basketball Team for winning the State 4-A Girls' State Championship for 1986-87.

Mayor Bissette recognized Coach Witherspoon, Asheville High School Principal O. L. Sherrill and the seniors from Asheville High School's Women's basketball team.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-48 was unanimously adopted.

Complete text of Resolution No. 87-48 will be found in Resolution Book No. 16 at page 300.

RESOLUTION NO. 86-49 - RESOLUTION OF APPRECIATION TO CAPTAIN R. DEAN PLEMMONS

3. Consideration was given to a resolution of appreciation to Captain R. Dean Plemmons.

Mayor Bissette said R. Dean Plemmons has faithfully served the City of Asheville since 1960, being promoted to Captain in 1985. His retirement became effective January 1, 1987.

Mayor Bissette presented Captain Plemmons with a wooden plaque with his badge attached.

Chief John Rukavina spoke relative to Captain Plemmons' service with the City of Asheville and his appointment of Captain Tom Brooks as a replacement for Captain Plemmons.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-49 was unanimously adopted.

Complete text of Resolution No. 87-49 will be found in Resolution Book No. 16 at page 301.

RESOLUTION NO. 86-50 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AMENDMENT TO THE MEMORANDUM OF UNDERSTANDING BY AND BETWEEN THE CITY OF ASHEVILLE AND SUNBELT HISTORIC PROPERTIES LIMITED PARTNERSHIP FOR THE WALL STREET PROJECT

4. Consideration was given to a resolution authorizing the Mayor to execute an amendment to the Memorandum of Understanding by and between the City of Asheville and Sunbelt Historic Properties Limited Partnership for the Wall Street Project.

Mayor Bissette said the City of Asheville and Sunbelt Historic Properties Limited Partnership entered into a Memorandum to Understanding dated December 10, 1985, setting forth the responsibilities of each party with regard to a redevelopment project for the Wall Street area. The parties now desire to amend that Agreement. The primary change to the Memorandum of Understanding is for the City to take over construction of the Parking Garage.

Upon inquiry of Ralph Bishop, the City Manager said the Parking Garage would be constructed with revenue bonds and the debt service for the revenue bonds would be paid by parking garage revenues.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-50 was unanimously adopted.

Complete text of Resolution No. 87-50 will be found in Resolution Book No. 16 at page 302.

MUNICIPAL AGREEMENT - NORTH CAROLINA DEPARTMENT OF TRANSPORTATION - HENDERSONVILLE ROAD

5. Mayor Bissette said the resolution authorizing the Mayor to enter into a municipal agreement with the North Carolina Department of Transportation for the improvement of U.S. 25 South from I-40 to the Blue Ridge Parkway is being deleted from the agenda today.

Mayor Bissette said the Hendersonville Road widening is the Number One State Project priority in this area. He said the North Carolina Department of Transportation has requested that the City of Asheville provide approximately 25% of the right-of-way cost for the improvements, which is estimated at $4,622,000 which means the City will be asked to pay over $1,000,000 in right-of-way costs. He said it is Council's feeling that this percentage is high, higher than other municipal agreements with the North Carolina Department of Transportation. He said members of Council would like to discuss in detail with the North Carolina Department of Transportation the requested percentages. He said this improvement will not only benefit Asheville residents but also Biltmore Forest, and to a greater extent, Buncombe County residents. He said members of Council feel this request is unfair.

Vice-Mayor Frank noted that the $1,000,000 is approximately $.06 on the tax rate and a substantial cost to City taxpayers.

APPROVAL OF AMENDMENT TO THE WATER AUTHORITY BUDGET

6. Consideration was given to a motion approving an amendment to the Water Authority budget.

Mayor Bissette said as provided in the Water Agreement the budget of the Water Authority and amendments thereto must be approved by City Council and the Buncombe County Commissioners. The Water Authority amended the Fiscal 1986/87 budget to establish a contribution to the City for the Bee Tree agreement in the amount of $432,000.00. Funding is provided for East Asheville Park in the amount of $432,000.00. He said this was part of an agreement to replace one of the City's parks which was removed when the new water treatment plant was put in place at Bee Tree Reservoir. He said negotiations have been held with the Water Authority, the National Park Service, and a satisfactory resolution to the problem has finally been resolved.

Councilman Tisdale moved for the approval of the amendment to the Water Authority budget to establish a contribution for the Bee Tree Agreement in the amount of $432,000.00. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1625 - BUDGET ORDINANCE AMENDMENT TO PROVIDE PUBLIC HOUSING MODERNIZATION (IMPROVEMENTS AT DEAVERVIEW APARTMENTS)

7. Consideration was given to a budget ordinance amendment to provide public housing modernization.

Mayor Bissette said this budget ordinance amendment will provide funds to the Housing Authority for energy conservation and safety improvements at the Deaverview Apartments Public Housing Modernization

project. $60,000 of CDBG Contingency account will be used to fund the project. He said the total project would be $228,000, mainly to replace windows and insulation at Deaverview Apartments. He said funding would be provided with $74,000 from the federal government; $94,000 from CDBG Maintenance Reserves from the Housing Authority; and $60,00 from CDBG Contingency Funds.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

Ralph Bishop requested a copy of the ordinance.

Vice-Mayor Frank moved for the adoption of Ordinance 1625. This motion was seconded by Councilman Tisdale.

On a roll call vote of 5-0, Ordinance No. 1625 passed on first and final reading.

Complete text of Ordinance No. 1625 will be found in Ordinance Book No. 11 at page 126.

REVIEW OF PUBLIC IMPROVEMENT SIDEWALK PROJECT

8. Mayor Bissette said the City staff and consultants have prepared the April contract for the public improvement bond project. The April contract will include reconstruction of existing sidewalks that are within one quarter of a mile of schools and community centers.

Gary McGill, consultant, presented the sidewalk project showing the streets involved in the April contract. He said this would be the first contract to be let resulting from the bond referendum. He said this contract would be advertised this week and the contract awarded in April. He said 40 streets would be involved in this particular contract which is spread around the City. He said the main areas to be covered would be sidewalks that are within one quarter of a mile of schools and community centers. He said the contract relative to street resurfacing and reconstruction would be let in September to allow for utility coordination.

APPROVAL OF CONSENT AGENDA

Resolution No. 87-51

A. Consideration of a resolution authorizing the Asheville Housing Authority to acquire parcels of land located in Clingman Avenue adjacent to the Asheville Parks, Recreation, and Public Facilities Department's Maintenance Shop.

HIGHLIGHTS: This resolution will authorize the Asheville Housing Authority to acquire parcels of land located on Clingman Avenue adjacent to the Asheville Parks, Recreation and Public Facilities Department's Park Maintenance Shop.

FISCAL IMPACT: This acquisition has been included in the 1986-87 capital improvements budget.

Resolution Book No. 16, page 303.

Resolution No. 87-52

B. Consideration of a resolution authorizing the Mayor to execute on behalf of the City of Asheville a contract with the Housing Authority of the City of Asheville for a public housing modernization project.

HIGHLIGHTS: The Housing Authority of the City of Asheville has requested funds from the City to cover a portion of the cost for a window replacement project at the Deaverview Apartments project. The project includes the installation of energy efficient windows and security screens. This project would benefit 160 low income families by reducing utility costs and making their homes more comfortable and safe.

FISCAL IMPACT: $60,000 of CDBG contingency funds will be used to fund a portion of the total $228,159.95 project cost.

Resolution Book No. 16, page 304.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the Consent Agenda was unanimously adopted.

RALPH BISHOP - FUNDING FOR RIVERFRONT PARK - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop spoke to members of Council relative to funding for the Riverfront Park and relative to lottery sales in the City of Asheville.

CLAIMS - CAROL ANN MARTIN (SANITATION) - GLEN ANDERSON (SEWER) - MARY BAILEY (STREETS) - KATHRYN M. HORNE (INSPECTIONS) - CYNTHIA J. REDMAN (INSPECTIONS)

The City Manager presented claims received from Carol Ann Martin, Glen Anderson, Mary Bailey, Kathryn M. Horne, and Cynthia J. Redman.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:00 p.m.

Mayor

City Clerk

Tuesday - March 31, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Acting Corporation Counsel Patsy Brison; City Manager Douglas O. Bean; and City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William F. Slawter

INVOCATION

The invocation was given by Vice-Mayor Mary Lloyd Frank.

APPROVAL OF THE MINUTES - MARCH 24, 1987 MEETING

1. Consideration was given to the approval of the minutes of the March 24, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

RESOLUTION NO. 87-54 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE SCHOOL BOARD (ERBY R. OGLESBY)

1a. Consideration was given to a resolution appointing Dr. Erby R. Oglesby as a member of the Asheville School Board for a term of four years from and after the first day of April 1989, or until his successor is appointed and qualified.

Mayor Bissette read the resolution.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, Resolution No. 87-54 was unanimously adopted.

Complete text of Resolution No. 87-54 will be found in Resolution Book No. 16 at page 307.

RESOLUTION NO. 87-55 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE SCHOOL BOARD (DAVID R. HILLIER)

1b. Consideration was given to a resolution appointing David R. Hillier as a member of the Asheville School Board for a term of four years from and after the first day of April 1989, or until his successor is appointed and qualified.

Mayor Bissette read the resolution.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 87-55 was unanimously adopted.

Complete text of Resolution No. 87-55 will be found in Resolution Book No. 16 at page 308.

Mayor Bissette noted that a large number of very qualified applicants expressed interest in the Asheville School Board. He said he felt the Asheville School Board was one of the most important boards the Council makes appointments to. He said he felt members of Council had made two excellent appointments to the Asheville City School Board.

Mayor Bissette commended Dr. Donald Jones, Superintendent of the Asheville City School System, for his dedication and service to education and the City of Asheville. He said the City of Asheville is indebted to Dr. Jones for his services and, on behalf of the City Council, wished him the best in his future endeavors.

Vice-Mayor Frank was excused from the meeting due to illness.

PUBLIC HEARING - FILING OF APPLICATION FOR GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964 AS AMENDED

RESOLUTION NO. 87-53 - RESOLUTION AUTHORIZING THE FILING OF AN APPLICATION WITH THE DEPARTMENT OF TRANSPORTATION, UNITED STATES OF AMERICA FOR A GRANT UNDER THE URBAN MASS TRANSPORTATION ACT OF 1964 AS AMENDED

2. A public hearing was held relative to authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

Mayor Bissette said this resolution will authorize the Mayor to file an application with the U. S. Dept. of Transportation to aid in financing the operating assistance of the Asheville Transit Authority pursuant to Sec. 9 of the Urban Mass Transportation Act of 1964. The project will be for the period of July 1, 1987 through June 30, 1988.

Mayor Bissette opened the public hearing at 4:18 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Carl Owenby, with the Asheville Transit Authority, said this grant is an annual operating assistance grant received from the Department of Transportation; United States of America.

Mayor Bissette closed the public hearing at 4:21 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-53 was unanimously adopted.

Complete text of Resolution No. 87-53 will be found in Resolution Book No. 16 at page 305 and 306.

PUBLIC HEARING - REZONING PROPERTY LOCATED OFF SWEETEN CREEK ROAD (MR. GEORGE MOROSANI

ORDINANCE NO. 1626 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED, PETITION OF MR. GEORGE MOROSANI, PROPERTY LOCATED OFF OF SWEETEN CREEK ROAD

3. A public hearing was held relative to rezoning Lot 93, Sheet 55, Ward 7, from R-5 Residential District to CS Commercial Service District.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held February 18, 1987, considered the petition of Mr. George Morosani, Agent for Mr. David Knapp, Owner, that Lot 93, Sheet 55, Ward 7, be rezoned from R-5 Residential District to CS Commercial Service District. The property is located off Sweeten Creek Road. After review and discussion, the Commission voted to recommend to City Council that Lot 93, Sheet 55, Ward 7, be rezoned from R-5 Residential District to CS Commercial Service District.

Mayor Bissette opened the public hearing at 4:24 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the property in question is located on Sweeten Creek Road behind Morosani's mini-warehouses at 1130 Sweeten Creek Road. By the use of a map, he reviewed the location of the property in question and the accesses to be used.

Mr. Emrick said the Planning and Zoning Commission recommended approval of the rezoning without any stipulations.

Mayor Bissette closed the public hearing at 4:27 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

Councilman Michalove moved for the adoption of Ordinance No. 1626. This motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1626 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1626. This motion was seconded by Councilman Tisdale, and carried on a voice vote of 5-1 with Councilman Price voting "no".

On a roll call vote of 6-0, Ordinance No. 1626 passed on second reading.

APPROVAL OF CONSENT AGENDA

4. Consideration was given to a motion approving the Consent Agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 87-56

A. Resolution authorizing the Data Processing Director to sign user agreements for the Asheville/Buncombe Regional Criminal Justice Information System.

HIGHLIGHTS: New criminal justice agencies desire to use the facilities of the Asheville/Buncombe Regional Criminal Justice Information System. The Asheville Police Department and the Buncombe County Sheriff's Department desire to continue to offer the use of the facilities. This resolution will authorize the Data Processing Director to sign user agreements for the criminal justice agencies who qualify under any applicable laws, regulations or standards of the North Carolina Division of Criminal Information.

FISCAL IMPACT: The Data Processing Division bills all user agencies in full for services rendered. The revenues and expenditures are included in the City's FY 86/87 and 87/88 budgets.

Resolution Book 16 - page 309

Resolution No. 87-57

B. Resolution approving and adopting a standard schedule for the retention and disposition of electronic data processing public records and any subsequent additions, deletions or amendments to the State's municipal records retention and dispositions schedule.

HIGHLIGHTS: Resolution No. 85-100 adopted and approved the Municipal Records Retention and Disposition Schedule issued in June, 1984, by the North Carolina Department of Cultural Resources, Division of Archives and History. This resolution will approve and adopt a standard schedule for the retention and disposition of data processing public records as submitted by the North Carolina Department of Cultural Resources, Division of Archives and History; and other changes to the State's Municipal Records Retention and Disposition schedule as they are made.

Resolution Book 16 - page 310

C. **Motion relative to bids received for two-way portable and mobile radios.**

HIGHLIGHTS: Sealed bids were invited to furnish twelve (12) portable radios to the Police Department; one (1) portable radio to Parks, Recreation and Public Facilities Department; six (6) mobile radios to the Public Works Department; and four (4) portable radios to the Fire Department. Two bids were received. John Miall, Employee Services Manager, recommends the acceptance of the bid from Motorola C & E, Inc. as the lowest bid meeting specifications.

FISCAL IMPACT: $25,389.00 - Funds for the purchase of these radios are provided in the individual budgets of each requesting department.

D. **Motion that the City Council of the City of Asheville hereby expresses its commitment to the Head of Montford Redevelopment Plan as adopted by City Council on March 17, 1987 by directing that a majority of the CDBG entitlement funds for the next three years (if available from HUD) be used for activities in Montford. Provided, however, that the actual commitment for expenditures of CDBG funds shall be in accordance with HUD regulations and other applicable law.**

Resolution No. 87-58

E. **Consideration of a resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement by and between Glave Newman Anderson Architects, P.C., and the City of Asheville for architectural services for the Wall Street Parking Garage.**

HIGHLIGHTS: The City of Asheville has entered into an agreement with Sunbelt Historic Properties Limited Partnership wherein the City will construct a parking garage complex in the Wall Street Redevelopment Project. This resolution will authorize the City Manager to execute on behalf of the City of Asheville an agreement with Glave Newman Anderson Architects, P.C. for architectural services for the Wall Street Parking Garage.

FISCAL IMPACT: Funding for this agreement in the amount of $181,100 comes from Wall Street Project funding.

Resolution Book 16 - page 311

Upon motion of Councilman Price, seconded by Councilman Michalove, the consent agenda was unanimously approved.

RESOLUTION NO. 87-59 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AMENDMENT TO THE UDAG GRANT AGREEMENT FOR THE PACK PLAZA REDEVELOPMENT PROJECT

The City Manager said the City of Asheville and the United States Department of Housing and Urban Development entered into a grant agreement for an Urban Development Action Grant for the Pack Plaza Redevelopment Project and the City and the Department now desire to amend the grant agreement. He said this amendment deals with technical changes in order to deal with timetables relative to the project. He said this amendment will allow the release of UDAG funds.

Upon motion of Councilman Michalove, seconded by Councilman Bratton, Resolution No. 87-59 was unanimously adopted.

Complete text of Resolution No. 87-59 will be found in Resolution Book No. 16 at page 312.

AUTHORIZATION OF FINAL SETTLEMENT RELATIVE TO STEPHENS LEE RECREATION CENTER REROOFING SERVICES

At the request of the Acting Corporation Counsel, Patsy Brison, Councilman Tisdale moved to authorize final settlement of a claim against Sunbelt Roofing Services, Inc. for damages to the ceiling at Stephens-Lee Recreation Center in the amount of $7,000.00. This motion was seconded by Councilman Boland and carried unanimously.

CLAIMS - DIANA GLOVER (SANITATION)

The City Manager presented a claim received from Diana Glover.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

LAWSUIT - JERRY N. JONES VS. CITY OF ASHEVILLE BOARD OF ADJUSTMENT

The City Manager said the City was served on March 26, 1987, with a lawsuit involving Jerry N. Jones vs. City of Asheville Board of Adjustment relative to an appeal from the Board of Adjustment decision.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

REVEREND JAMES WILLS - COMMENT RELATIVE TO BARFIELD STREET

Reverend James Wills of 23 Barfield Street spoke to members of Council relative to the condition of Barfield Street. He said in connection with the Montford Redevelopment Plan, 2" of asphalt has been recommended for Barfield Street. He suggested that the hill on Barfield Street be pushed down before resurfacing and that the street be widened to at least 12'.

Mayor Bissette requested that the City Manager review the Montford Redevelopment Plan as it relates to Barfield Street and Reverend Wills' request for improvements.

STEVE WILBURN, PRESIDENT NAACP - COMMENTS RELATIVE TO AFFIRMATIVE ACTION PLAN

Steve Wilburn, President of the NAACP, requested information relative to the status of the Affirmative Action Plan, why it has been on hold; and when a public hearing would be held relative to the plan.

Mayor Bissette, responding to Mr. Wilburn, said the Affirmative Action Plan was put on hold at the request of the Equal Opportunity Employment Committee pending receipt of proposed changes to the Civil Service Law from the City's consultant, Don Hayman, former employee of the Institute of Government. He said it was his understanding that Mr. Hayman would be finalizing his recommendations relative to the Civil Service Law this week.

Dorothy Arrowood, of 126 Vance Crescent, questioned whether or not the City would be hiring an overall recruiter for affirmative action as recommended by the Equal Opportunity Employment Commission.

Mayor Bissette, responding to Ms. Arrowood, said the City Council has not yet approved the affirmative action plan but, when it is considered, this recommendation would also be considered.

MATTHEW BACOATE, COMMENTS RELATIVE TO ASHEVILLE CITY SCHOOL BOARD APPOINTMENTS

Matthew Bacoate, of 67 Clingman Avenue, President of the Central Asheville Concerned Citizens Association, expressed appreciation to members of Council for their appointments to the Asheville City School Board. He said he felt these appointments would maintain equitable representation on the school board in our community.

RALPH BISHOP - COMMENTS RELATIVE TO PROPOSED ANNEXATION AND LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the proposed annexation study and lottery sales in the City of Asheville.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:00 p.m.

Mayor

City Clerk

Tuesday - April 7, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Councilman Bratton led the audience in a moment of silent prayer.

APPROVAL OF THE MINUTES - MARCH 31, 1987 MEETING

1. Consideration was given to the approval of the minutes of the March 31, 1987 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - APRIL 11-18, 1987 - "COMMUNITY DEVELOPMENT WEEK"

2. Mayor Bissette read a proclamation proclaiming April 11-18, 1987 as "Community Development Week".

Marvin Verria, Community Development Director, briefly outlined the purpose of Community Development Block Grant Funds. He said Community Development Week will create public awareness for the need of Community Development Block Grant Funds. He encouraged Council members to request the legislators to continue to support the Community Development Block Grant Funds. He said a vote would be taken in the House on April 8, 1987, regarding Community Development Grant Funds.

Councilman Price moved that the appropriate City staff person contact our local Congressman or representative to encourage his support relative to Community Development Block Grant Funds. This motion was seconded by Councilman Boland and carried unanimously.

PROCLAMATION - APRIL 12-18, 1987 - "MEDICAL LABORATORY WEEK"

3. Mayor Bissette read a proclamation proclaiming April 12-18, 1987, as "Medical Laboratory Week".

Mayor Bissette presented the proclamation to Susan McConnell, Western North Carolina Coordinator for "Medical Laboratory Week".

PROCLAMATION - WEEK OF APRIL 13, 1987 - "SPECIAL POPULATIONS WEEK".

4. Mayor Bissette read a proclamation proclaiming the Week of April 13, 1987, as "Special Populations Week".

Mayor Bissette presented the proclamation to Grace Walker, Special Programs Director for the YWCA.

Mrs. Walker said in connection with "Special Populations Week" a swim meet would be held on April 14, 1987, at the YWCA, and the track meet would be on April 16th at T. C. Roberson High School.

PROCLAMATION - APRIL, 1987 - "CABLE TELEVISION MONTH"

5. Mayor Bissette read a proclamation proclaiming April, 1987, as "Cable Television Month".

Mayor Bissette presented the proclamation to Joe Haight, General Manager of Asheville Cablevision.

Mr. Haight introduced his Senior Management Team from Asheville Cablevision.

Doug Benton, Marketing Director with Asheville Cablevision, outlined the events that would take place during "Cable Television Month".

PUBLIC HEARING - CLOSING GEORGE WASHINGTON CARVER AVENUE, HAID STREET, GULLY STREET, PORTIONS OF MAX STREET, KNOB STREET AND GRAIL STREET AND AN UNNAMED ALLEY

6. A public hearing was held relative to a resolution to close George Washington Carver Avenue, Haid Street, Gully Street, portions of Max Street, Knob Street and Grail Street and an unnamed alley.

Mayor Bissette said a petition has been filed by The Housing Authority of the City of Asheville requesting that certain streets and a public alley be permanently closed to public use. The streets and public alley are under the sole and exclusive authority and control of the City of Asheville and are not under the authority and control of the North Carolina Department of Transportation. The permanent closing of these streets and public alley would not be either detrimental to or contrary to the public interest or the property rights of any individual. By permanent closing of these streets and public alley, no individual owning property in the vicinity would be deprived of ingress and egress to his property.

Mayor Bissette opened the public hearing at 4:37 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Mayor Bissette said it was noted in the pre-Council work session that the public hearing should be continued due to a legal matter that should be concluded before closing of the streets.

Ed Vess, with The Asheville Housing Authority, said one property owner adjoining the streets to be closed had not been notified.

Vice-Mayor Frank moved to continue the public hearing relative to a resolution to close George Washington Avenue, Haid Street, Gully Street, portions of Max Street, Knob Street and Grail Street and an unnamed alley until April 28, 1987, without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

ORDINANCE NO. 1626 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED, PETITION OF MR. GEORGE MOROSANI, PROPERTY LOCATED OFF SWEETEN CREEK ROAD

7. Consideration was given to the third reading of Ordinance No. 1626, an Ordinance amending Ordinance No. 322, known as "an Ordinance providing for the zoning of the City of Asheville," as amended, petition of Mr. George Morosani, property located off Sweeten Creek Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held February 18, 1987, considered the petition of Mr. George Morosani, Agent for Mr. David Knapp, Owner, that Lot 93, Sheet 55, Ward 7, be rezoned from R-5 Residential District to CS Commercial Service District. The property is located off Sweeten Creek Road. After review and discussion, the Commission voted to recommend to City Council that Lot 93, Sheet 55, Ward 7, be rezoned from R-5 Residential District to CS Commercial Service District. This ordinance passed first and second reading at the March 31, 1987 meeting.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1626 passed on third and final reading.

Complete text of Ordinance No. 1626 will be found in Ordinance Book No. 11 at Page 127.

APPROVAL OF CONSENT AGENDA

8. Consideration was given to a motion approving the consent agenda.

Mayor Bissette said the following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item scheduled for approval on the consent agenda may be considered separately.

Resolution No. 87-60

A. Resolution of Intent to close unnamed alley between Ridgeway Avenue and Toxaway Street and calling a public hearing on the question for May 12, 1987.

HIGHLIGHTS: A petition has been filed by Paul A. Bradish and Marion Kuykendall requesting that an unnamed alley between Ridgeway Avenue and Toxaway Street be permanently closed to the public use. This alley is under the sole and exclusive authority and control of the City of Asheville and is not under the authority of NC DOT. Permanent

closing of this unnamed alley would not be either detrimental to or contrary to the public interest or the property rights of any individual and no individual owning property in the vicinity of this alley would be deprived of ingress and egress to his property.

FISCAL IMPACT: None

Resolution Book No. 16 - Page 313

Resolution No. 87-61

B. Resolution authorizing the City Manager of the City of Asheville to enter into an agreement with Asbes-Tec, Inc., to remove asbestos from the hot water tank and pipe in Fire Station #7, Library and Recreation Center in North Asheville.

HIGHLIGHTS The City desires to replace the hot water tank in the Fire Station, Library and Recreation Center in North Asheville in accordance with the laws of the State of North Carolina. This resolution will authorize the City Manager to enter into an agreement with Asbes-Tec, Inc. for the removal of the asbestos from the hot water tank and pipes of the Fire Station, Library and Recreation Center.

FISCAL IMPACT: Total amount - $3,695.00

Resolution Book No. 16 - Page 314

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, the Consent Agenda was unanimously approved.

CANCELLATION OF CITY COUNCIL MEETING - APRIL 21, 1987

9. Mayor Bissette noted that the Asheville City Council meeting scheduled for April 21, 1987, would be cancelled due to the Easter holidays.

CERTIFICATE OF APPOINTMENT - THE HOUSING AUTHORITY OF THE CITY OF ASHEVILLE (LOGAN DELANY)

10. Mayor Bissette announced the appointment of Mr. Logan D. Delany as a member of The Housing Authority of the City of Asheville to serve the unexpired term of Jesse Ray, Sr., term expiring June 11, 1989, due to Mr. Ray's resignation.

INTRODUCTION OF CHARLES PENNY - ASSISTANT CITY MANAGER

11. City Manager, Doug Bean, introduced Charles Penny, Asheville's new Assistant City Manager.

CLAIMS - MARCIA BROWN (SANITATION)

12. The City Manager presented a claim received from Marcia Brown.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - ASHEVILLE POLICE DEPARTMENT - LOTTERY SALES

13. Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 4:50 p.m.

MAYOR

CITY CLERK

Tuesday - April 14, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean and Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Wilhelmina Bratton.

APPROVAL OF THE MINUTES - APRIL 7, 1987 MEETING

1. Consideration was given to the approval of the minutes of the April 7, 1987 meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - APRIL 19-25, 1987 - "CONSUMERS WEEK"

2. Mayor Bissette read a proclamation proclaiming April 19-25, 1987, as "Consumers Week".

Mayor Bissette presented the proclamation to Norma Messer with the Better Business Bureau.

PROCLAMATION - WEEK OF APRIL 20, 1987 - "SECRETARIES WEEK"

2a. Mayor Bissette read a proclamation proclaiming the week of April 20, 1987, as "Secretaries Week".

RECOGNITION OF STREET DEPARTMENT EMPLOYEES - SNOW REMOVAL

2b. Mayor Bissette recognized several street department employees who were involved in the recent substantial unexpected snowstorm all of which worked hard and long hours in the snow and ice removal.

Clark Brown, Public Works Director, introduced the employees who oversee the operation of snow and ice removal.

ORDINANCE - AMENDING CHAPTER 27 (TAXICABS)

3. Consideration was given to an ordinance amending Chapter 27 (Taxicabs) of the Code of Ordinances of the City of Asheville.

Mayor Bissette said the Legal Department had met with taxicab owners and operators relative to amending the Taxicab Ordinance. He said they had requested a delay in consideration of this ordinance for approximately four weeks.

ORDINANCE NO. 1627 - AN ORDINANCE AMENDING SECTION 28-81.2(B) OF ARTICLE IV, SPEED REGULATIONS, OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

4. Consideration was given to an ordinance amending Section 28.81.2(b) of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Bissette said this ordinance will lower the speed limit on Chiles Avenue from 35 m.p.h. to 20 m.p.h.

Bob McDonald, Traffic Engineer, said after investigation and review of the request to lower the speed limit on Chiles Avenue from 35 m.p.h. to 20 m.p.h., it would be his recommendation that Council institute the 20 m.p.h. on Chiles Avenue.

Kathryn Agger, of Chiles Avenue, said many of her neighbors have also requested the 20 m.p.h. speed zone because of the traffic flow patterns, no sidewalks, very narrow streets, and the speed on the street being too high for safety.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1627. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1627 passed on first reading.

RESOLUTION NO. 87-62 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT WITH TRACONEX, INC., OF SANTA CLARA, CALIFORNIA, FOR THE PURCHASE OF TRAFFIC SIGNAL EQUIPMENT FOR THE CITY OF ASHEVILLE

5. Consideration was given to a resolution authorizing the City Manager to execute a contract with Traconex, Inc., of Santa Clara, California, for the purchase of traffic signal equipment for the City of Asheville.

Mayor Bissette said this action will provide for the manufacture and delivery of closed-loop traffic signal equipment for forty-five (45) intersections in Asheville's Central Business District. Three (3) bids were received and evaluated, and based upon that evaluation, the firm of Traconex, Inc. is determined to be the most responsive bidder. It is anticipated that equipment delivery will be mid-summer, with the City's Traffic Engineering Division beginning the installation of this equipment immediately upon delivery. Engineers estimate the fiscal impact to be $386,000. Of this amount, approximately 65% or $180,460 will be the City's portion of the total project cost.

Bob McDonald, Traffic Engineer, said the new equipment will allow for new traffic signal installations at 45 intersections in the downtown area with four major control areas. He said this would allow the change of sequence and traffic patterns during heavy traffic demands in order to move traffic more efficiently. He said it is his recommendation that the bid of Traconex, Inc. in the amount of $277,630 be accepted. He said the bid is subject to approval of the North Carolina Department of Transportation.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 87-62 was unanimously adopted.

Complete text of Resolution No. 87-62 will be found in Resolution Book No. 16 at page 315.

RESOLUTION NO. 87-63 - RESOLUTION APPROVING THE SELECTION OF WACHOVIA BANK AND TRUST CO., N.A. AND FIRST UNION NATIONAL BANK FOR UNDERWRITING AND FINANCIAL ADVISORY SERVICES RELATED TO FUNDING FOR THE WALL STREET AND RANKIN AVENUE PARKING GARAGES

6. Consideration was given to a resolution approving the selection of Wachovia Bank and Trust Co., N.A. and First Union National Bank for underwriting and financial advisory services related to funding for the Wall Street and Rankin Avenue Parking Garages.

Mayor Bissette said City Council has determined the need for the Wall Street and Rankin Avenue Parking Garages to support downtown development. Altenate methods for funding the garages have been explored. An arrangement which calls for the issuance of Certificates of Participation has been selected as the most appropriate funding method. Investment banking services must be utilized to implement this funding. Proposals have been received from seven organizations. This resolution will authorize the selection of a financial advisor to provide underwriting, investment banking, and related financial advisory services incident to the funding of the Wall Street and Rankin Avenue Parking Garages. This action will ultimately result in a gross debt of approximately $6,500,000, the net proceeds of which will be used to build or acquire the Wall Street and Rankin Avenue Parking Garages. It is anticipated that net parking revenues will be used to pay the debt service on this obligation.

The City Manager noted that the staff had analyzed seven different proposals for financial advisory services. He said it is his recommendation that the City select the proposals of Wachovia Bank and Trust Co., N.A. and First Union National Bank. He said First Union and Wachovia have agreed to work together on the advisory services.

Upon inquiry of Ralph Bishop, the City Manager said the financial advisory services would be paid out of bond proceeds.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 87-63 was unanimously adopted.

Complete text of Resolution No. 87-63 will be found in Resolution Book No. 16 at page 316.

RESOLUTION NO. 87-64 - RESOLUTION AUTHORIZING THE CITY MANAGER TO APPLY FOR A JUSTICE ASSISTANCE ACT GRANT THROUGH THE NORTH CAROLINA DEPARTMENT OF CRIME CONTROL AND PUBLIC SAFETY

7. Consideration was given to a resolution authorizing the City Manager to apply for a Justice Assistance Act Grant through the North Carolina Department of Crime Control and Public Safety.

Mayor Bissette said this resolution will authorize the filing of an application for a Justice Assistance Act Grant. These funds will allow the Asheville Police Department to establish a Victim Assistance Program to insure that victims of crime or their survivors receive all of the community services that are available and/or necessary to the victim to regain their physical and emotional well being. Grant revenues - $24,905 to be matched by the City from existing personnel salaries.

Upon motion of Councilman Bratton, seconded by Councilman Boland, Resolution No. 87-64 was unanimously adopted.

Complete text of Resolution No. 87-64 will be found in Resolution Book No. 16 at page 317.

RESOLUTION NO. 87-65 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT FOR DEVELOPMENT OF AN FY 1986 COST ALLOCATION PLAN

8. Consideration was given to a resolution authorizing the City Manager to sign an agreement for development of an FY 1986 Cost Allocation Plan.

Mayor Bissette said this resolution will authorize the City Manager to execute an agreement with David M. Griffith and Associates, Ltd., for the development of cost allocation plans which allocate audited FY '86 costs. The contract amount of $6,500 is included in the FY '87 budget.

The City Manager said this was an annual contract for the cost allocation plan at the same cost as previous years. He said this plan is particularly needed for the Community Development Block Grant funding.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 87-65 was unanimously adopted.

Complete text of Resolution No. 87-65 will be found in Resolution Book No. 16 at page 318.

RESOLUTION NO. 87-66 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A FEDERAL AVIATION GRANT AGREEMENT, PROJECT NO. 3-37-0005-08

9. Consideration was given to a resolution authorizing the Mayor to execute on behalf of the City of Asheville a Federal Aviation Grant Agreement, Project No. 3-37-0005-08.

Mayor Bissette said the Federal Aviation Administration has offered a grant agreement to the Asheville Regional Airport Authority in the amount of $595,296.00. He said the City of Asheville and the County of Buncombe are co-sponsors of the grant agreement and the FAA requires each sponsor to execute the grant agreement. He said the project would consist of installing terminal security video system; replace radios for CFR vehicles; obstruction removal, Runway 16 Approach; overlay parallel taxiway and north apron connecting taxiway; and to install an MITL.

Upon motion of Councilman Boland, seconded by Councilman Tisdale, Resolution No. 87-66 was unanimously adopted.

Complete text of Resolution No. 87-66 will be found in Resolution Book No. 16 at page 319.

Mayor Bissette introduced the new Airport Manager, Mr. Jim Parker.

RESOLUTION NO. 87-67 - RESOLUTION OF INTENT TO AUTHORIZE AN EXCHANGE OF PROPERTY WITH UNITED STATES CELLULAR, INC.

10. Consideration was given to a resolution of intent to authorize an exchange of property with United States Cellular, Inc.

Corporation Counsel Slawter said this agreement with United States Cellular, Inc. will provide for a lease of City-owned property located at White Fawn Reservoir and Brown Mountain Reservoir in exchange for two radio communications towers to be constructed at those locations by United States Cellular, Inc. at their expense. He said action would be taken on this resolution, after due notice to the public, at the regular Council meeting on April 28, 1987.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-67 was unanimously adopted.

Complete text of Resolution No. 87-67 will be found in Resolution Book No. 16 at page 320.

RESOLUTION NO. 87-68 - RESOLUTION APPOINTING A MEMBER TO THE ASHEVILLE REGIONAL AIRPORT AUTHORITY (STEVE WOODY)

11. Consideration was given to a resolution appointing Steve Woody as a member of the Asheville Regional Airport Authority.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-68 was unanimously adopted.

Complete text of Resolution No. 87-68 will be found in Resolution Book No. 16 at page 321.

COUNCILMAN BOLAND - COMMENTS RELATIVE TO WESTERN NORTH CAROLINA TOMORROW TASK FORCE REPORT RELATIVE TO OUTDOOR ADVERTISING

12. Councilman Boland commented on the recent report of the Western North Carolina Tomorrow Task Force relative to outdoor advertising. He said the Task Force consist of 17 County organizations and has recommended legislation concerning outdoor advertising in relation to economic and environmental concerns. He said the report proposes legislation and guidelines for outdoor advertising. He requested that the City staff obtain copies of the report for all members of Council.

ANNOUNCEMENT OF CANCELLATION OF COUNCIL MEETING FOR APRIL 21, 1987

Mayor Bissette noted that the regularly scheduled Council meeting for April 21, 1987 has been cancelled due to the Easter holidays.

CLAIMS - JOYCE LANNING (WATER) - JEFFREY CLONNINGER (STREETS) - ROSEMARY STEARNS (STREETS) - ROBERT J. BROWN (STREETS)

The City Manager presented claims received from Joyce Lanning, Jeffrey Clonninger, Rosemary Stearns, and Robert J. Brown.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO THE ASHEVILLE POLICE DEPARTMENT AND LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the Asheville Police Department and lottery sales in the City of Asheville.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:00 p.m.

Mayor

City Clerk

Tuesday - April 28, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Kenneth Michalove.

APPROVAL OF THE MINUTES - APRIL 14, 1987 MEETING

1. Consideration was given to the approval of the minutes of the April 14, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

PROCLAMATION - MAY 1-7, 1987, "RESPECT FOR LAW WEEK"

2. Mayor Bissette read a proclamation proclaiming May 1-7, 1987, as "Respect for Law Week".

Mayor Bissette presented the proclamation to David Gantt, President of the Optimist Club.

PROCLAMATION - APRIL 28 - "DEPARTMENT OF PARKS, RECREATION AND PUBLIC FACILITIES VOLUNTEER RECOGNITION DAY"

3. Mayor Bissette read a proclamation proclaiming April 28 as "Department of Parks, Recreation and Public Facilities Volunteer Recognition Day".

Mayor Bissette presented the proclamation to Ray Kisiah, Director of Parks, Recreation and Public Facilities, Donnie Luke and Bill Ashe, with the Asheville Volleyball Club.

PROCLAMATION - APRIL 26 - MAY 2, 1987 - "AMERICAN HOME WEEK"

4. Mayor Bissette read a proclamation proclaiming April 26 - May 2, 1987 as "American Home Week".

Mayor Bissette said he had presented the proclamation to Diana Schommer, with the Asheville Board of Realtors. He said in connection with American Home Week, the Asheville Board of Realtors had completely remodeled an elderly person's home in Oakley and commended the Asheville Board of Realtors for this project.

PROCLAMATION APRIL 26 - MAY 3, 1987 - "DAYS OF REMEMBRANCE OF THE VICTIMS OF THE HOLOCAUST"

5. Mayor Bissette read a proclamation proclaiming April 26 - May 3, 1987 as "Days of Remembrance of the Victims of the Holocaust".

Mayor Bissette presented the proclamation to Rabbi Elliot H. Pearlson, Congregation with the Beth Israel Synogogue.

PROCLAMATION - MAY 1, 1987 - "LOYALTY DAY"

6. Mayor Bissette read a proclamation proclaming May 1, 1987 as "Loyalty Day".

Mayor Bissette presented the proclamation to Mr. & Mrs. Paul Quinn.

PROCLAMATION - APRIL 26 - MAY 2, 1987 - "COMMUNITY DEVELOPMENT WEEK"

6a. Mayor Bissette read a proclamation proclaming April 26 - May 2, 1987, as "Community Development Week".

Mayor Bissette presented the proclamation to Kenneth R. Reeves, County Extension Director for Buncombe County.

PUBLIC HEARING - CLOSING OF GEORGE WASHINGTON CARVER AVENUE, HAID STREET, GULLY STREET, PORTIONS OF MAX STREET, KNOB STREET AND GRAIL STREET, AND AN UNNAMED ALLEY

RESOLUTION NO. 87-69 - RESOLUTION TO CLOSE GEORGE WASHINGTON CARVER AVENUE, HAID STREET, GULLY STREET, PORTIONS OF MAX STREET, KNOB STREET AND GRAIL STREET, AND AN UNNAMED ALLEY

7. Consideration was given to a resolution to close George Washington Carver Avenue, Haid Street, Gully Street, portions of Max Street, Knob Street and Grail Street, and an unnamed alley.

Mayor Bissette said a petition has been filed by the Housing Authority of the City of Asheville requesting that certain streets and a public alley be permanently closed to public use. The streets and public alley are under the sole and exclusive authority and control of the City of Asheville and are not under the authority and control of the North Carolina Department of Transportation. The permanent closing of these streets and public alley would not be either detrimental to or contrary to the public interest or the property rights of any individual. By permanent closing of these streets and public alley, no individual owning property in the vicinity would be deprived of ingress and egress to his property. This public hearing was continued from the April 7, 1987 meeting.

Mayor Bissette opened the public hearing at 4:40 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing, and the affidavit of publication.

Larry Holt, Deputy Executive Director of the Housing Authority, said all property owners adjacent to the streets to be closed had either joined in the petition for the closing, or been notified by certified mail of Council's intention to close these streets. He said the East End Valley Street Neighborhood Association had joined in the recommendation to close the streets.

Mayor Bissette closed the public hearing at 4:42 p.m.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-69 was unanimously adopted.

Complete text of Resolution No. 87-69 will be found in Resolution Book No. 16 at page 322 and 323.

RESOLUTION NO. 87-70 - RESOLUTION NAMING GEORGE WASHINGTON CARVER STREET AND EXTENDING SECTIONS OF OTHER STREETS IN THE EAST END/VALLEY STREET REDEVELOPMENT AREA

8. Consideration was given to a resolution naming George Washington Carver Street and extending sections of other streets in the East End/Valley Street redevelopment area.

Mayor Bissette said the East End/Valley Street Community Improvement Program has resulted in the closing of portions of Max Street, Knob Street and Grail Street and all of George Washington Carver Avenue, Haid Street and Gully Street. The configuration of the remaining streets has been altered in connection with the community improvement program. Plats have been recorded in the Office of the Register of Deeds setting forth the configuration of the newly developed streets, including a newly proposed George Washington Carver Street. It is desirable to name the streets as shown on the recorded plats.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Larry Holt, Deputy Executive Director of the Housing Authority, said the street names had been reviewed and approved by the East End/Valley Street Neighborhood Association.

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 87-70 was unanimously adopted.

Complete text of Resolution No. 87-70 will be found in Resolution Book No. 16 at page 324.

PUBLIC HEARING - CLOSING UNNAMED ROAD BETWEEN PATTON AVENUE AND OLD HAYWOOD ROAD

RESOLUTION NO. 87-71 - RESOLUTION TO CLOSE AN UNNAMED ROAD BETWEEN PATTON AVENUE AND OLD HAYWOOD ROAD

9. Consideration was given to a resolution to close an unnamed road between Patton Avenue and Old Haywood Road.

Mayor Bissette said a petition has been filed by Mary R. Thrash, owner of property adjoining an unnamed roadway, between Patton Avenue and Old Haywood Road, asking that said unnamed road adjoining Lots 1-3/4 and 89 of Ward 5, Sheet 24, and Lots 72 and 73 of Ward 5, Sheet 29, of the Buncombe County Tax Maps be permanently closed to public use. The unnamed roadway is under the sole and exclusive authority and control of the City of Asheville and is not under the control and authority of the North Carolina Department of Transportation. The permanent closing of said unnamed roadway will not be either detrimental to or contrary to the public interest or the property rights of any individual and no individual owning property in the vicinity of the unnamed roadway will, by the permanent closing of the roadway be deprived of reasonable means of ingress and egress to his property.

Mayor Bissette opened the public hearing at 4:45 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication.

Larry Ward, Public Works Assistant Director, said the road to be closed is a dirt road which had never been paved or opened.

Mayor Bissette closed the public hearing at 4:46 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-71 was unanimously adopted.

Complete text of Resoution No. 87-71 will be found in Resolution Book No. 16 at page 325.

PUBLIC HEARING - CLOSING OF AN UNNAMED ALLEY BETWEEN PICKWICK ROAD AND AN UNNAMED ALLEY IN REAR OF LOTS FRONTING PICKWICK ROAD

RESOLUTION NO. 87-72 - RESOLUTION TO CLOSE AN UNNAMED ALLEY BETWEEN PICKWICK ROAD AND AN UNNAMED ALLEY IN REAR OF LOTS FRONTING PICKWICK ROAD

10. A public hearing was held relative to a resolution to close an unnamed alley between Pickwick Road and an unnamed alley in rear of lots fronting Pickwick Road.

Mayor Bissette said a petition has been filed by David L. and Mary G. Evers, owners of property adjoining an unnamed alley between Pickwick Road and an unnamed alley in the rear of property fronting Pickwick Road, asking that said unnamed alley adjoining Lots 146 and 148 of Ward 8, Sheet 2, of the Buncombe County Tax Maps, also shown as Lots 11 and 12 of Plat Book 5, Page 79 of a plat recorded in the Register of Deeds Office of Buncombe County, be permanently closed to public use. The unnamed alley is under the sole and exclusive authority and control of the City of Asheville and not the North Carolina Department of Transportation. The permanent closing of said unnamed alley will not be either detrimental to or contrary to the public interest or the property rights of any individual and no individual owning property in the vicinity of the unnamed alley will be deprived of reasonable means of ingress and egress to his property.

Mayor Bissette opened the public hearing at 4:48 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication.

Larry Ward, Public Works Assistant Director, said this property has a very steep terrain and has never been opened as a road.

Mayor Bissette closed the public hearing at 4:50 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-72 was unanimously adopted.

Complete text of Resolution No. 87-72 will be found in Resolution Book No. 16 at page 326.

ORDINANCE NO. 1628 - AN ORDINANCE AMENDING CHAPTER 13 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO AUTHORIZE THE CITY MANAGER OR HIS DESIGNEE TO EXTEND ANNUAL DATES FOR CURBSIDE PICKUP OF LEAVES

11. Consideration was given to an ordinance amending Chapter 13 of the Code of Ordinances of the City of Asheville to authorize the City Manager or his designee to extend annual dates for curbside pickup of leaves.

Mayor Bissette said this ordinance will amend Chapter 13 of the Code of Ordinances of the City of Asheville to authorize the City Manager or his designee to extend the period for collection of loose leaves on an annual basis as he may deem appropriate, giving consideration to prevailing weather conditions and other appropriate factors.

The City Manager said this amendment would modify the present ordinance which states leaves will be picked up from October 15th through December 15, and from March 1st through May 1st, to allow an extention of the period for collection of loose leaves at the discretion of the City Manager or his designee.

Councilman Price moved for the adoption of Ordinance No. 1628. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1628 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1628. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1628 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the seconded reading of Ordinance No. 1628. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1628 passed on third and final reading.

Complete text of Ordinance No. 1628 will be found in Ordinance Book No. 11 at page 129.

ORDINANCE NO. 1627 - AN ORDINANCE AMENDING SECTION 28-81.2(b) OF ARTICLE IV, SPEED REGULATIONS OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE

12. Consideration was given to the second reading of Ordinance No. 1627, ordinance amending Section 28-81.2(b) of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.

Mayor Bissette said this ordinance will lower the speed limit on Chiles Avenue from 35 m.p.h. to 20 m.p.h. This ordinance passed first reading at the April 14, 1987 meeting.

Mayor Bissette said this ordinance was previously read on first reading and would not be re-read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

On a roll call vote of 7-0, Ordinance No. 1627 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1627. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Ordinance No. 1627 will be found in Ordinance Book No. 11 at page 128.

Councilman Michalove suggested that a 30-day warning period be given to travelers on Chiles Avenue.

Councilman Tisdale requested that the Asheville Transit Authority be notified of the speed limit change.

RESOLUTION NO. 87-73 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A CONTRACT AND ANY CHANGE ORDERS WITHIN THE BUDGETED AMOUNT WITH PAVING ENTERPRISES, INC. FOR THE PROJECT KNOWN AS STREET AND SIDEWALK IMPROVEMENTS CONTRACT I

13. Consideration was given to a resolution authorizing the City Manager to execute on behalf of the City of Asheville a contract and any change orders within the budgeted amount with Paving Enterprises, Inc. for the project known as Street and Sidewalk Improvements Contract I.

Mayor Bissette said on April 23, 1987, bids were received for work to be performed under Street and Sidewalk Improvements Contract 1. Three bids were received; Paving Enterprises, Inc. - $2,784,550.00; Taylor & Murphy - $3,062,003.00; APAC Carolina, Inc. - $3,347,695.00. Gary McGill of McGill Associates, P.A., Consulting Engineer hired for this project, has reviewed and evaluated the bids and recommends award to the low bidder, Paving Enterprises, Inc. in the amount of $2,784,550.00. Clark Brown, Director of Public Works, concurs in this recommendation. This resolution will authorize the City Manager to execute the contract and any change orders within the budgeted amount with Paving Enterprises, Inc. for the project known as Street and Sidewalk Improvements Contract 1. Funding for this project will be provided from the Public Improvement Bond Fund.

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, Resolution No. 87-73 was unanimously adopted.

Complete text of Resolution No. 87-73 will be found in Resolution Book No. 16 at page 327.

APPROVAL OF THE CONSENT AGENDA

NOTE: The following items are of a routine nature and they have been previously reviewed by the members of the City Council. Therefore, by unanimous vote to approve these items, the City Council may, pursuant to the procedures established in Ordinance No. 1008, adopt all of the items with one motion without the full reading and/or separate motion adopting each individual item. Upon the request of a citizen, a member of the City Council, and/or a member of the City staff, any single item schedule for approval on the consent agenda may be considered separately.

Resolution No. 87-74

A. Resolution authorizing the City Manager to execute an agreement between the City of Asheville and United States Cellular Corporation for construction of a new communications tower at Brown Mountain Reservoir.

HIGHLIGHTS: This resolution will authorize the City Manager to execute an agreement on behalf of the City of Asheville with United States Cellular Corporation providing for a lease of City-owned property located at Brown Mountain Reservoir in exchange for a radio communication tower to be constructed by United States Cellular Corporation at their expense.

FISCAL IMPACT: The cost of the tower is approximately $56,000.00.

Resolution Book No. 16 - page 328.

Resolution No. 87-75

B. Resolution authorizing the City Manager to execute an agreement between the City of Asheville and United States Cellular Corporation for construction of a new communications tower at White Fawn Reservoir.

HIGHLIGHTS: This resolution will authorize the City Manager to execute this agreement on behalf of the City of Asheville with United States Cellular Corporation providing for a lease of City-owned properted located at White Fawn Reservoir in exchange for a radio communication tower to be constructed by United States Cellular Corporation at their expense.

FISCAL IMPACT: The cost of the tower is approximately $76,500.00.

Resolution Book No. 16 - page 329.

Resolution No. 87-76

C. **Resolution authorizing the City Manager to execute an indenture conveying a sewer line easement to the Buncombe County Board of Commissioners for the Venable Industrial Site Sewer Connector.**

HIGHLIGHTS: The City Council of the City of Asheville desires to grant to the Buncombe County Board of Commissioners a sewer line easement for the "Venable Industrial Site Sewer Connector". This resolution will authorize the City Manager to execute said easement.

FISCAL IMPACT: None

Resolution Book No. 16 - page 330.

Resolution No. 87-77

D. **Consideration of a resolution authorizing the Mayor to execute on behalf of the City of Asheville an agreement and any amendments with CH2M Hill Southeast Inc. for engineering services for a sewer study to be completed by June 30, 1987.**

HIGHLIGHTS: The services of a consulting engineer are required to evaluate the condition of the City's sewers and the advantages and disadvantages of a transfer of operation and maintenance responsibility. This resolution will authorize the Mayor to execute an agreement and any amendments with CH2M Hill Southeast Inc. for a sewer study to be completed by June 30, 1987.

FISCAL IMPACT: $25,442.00 - funding available in Sewer Master Plan contingency funds.

Resolution Book No. 16 - page 331.

E. **Motion relative to bids received for herbicide for Public Works, Street Division and Parks, Recreation and Public Facilities Department.**

HIGHLIGHTS: Sealed bids were invited to furnish the estimated 1987 season requirements of 350 gallons of herbicide for the Public Works, Street Division and Parks, Recreation and Public Facilities Department's annual treatment of undesirable vegetation and right-of-way maintenance program. Seven bids were received. Purchases will be made on an as needed basis at the unit price of $72.45 per gallon. Clark Brown, Public Works Director and Ray Kisiah, Director of Parks, Recreation and Public Facilities Department have reviewed the bids and both concur to award this contract to the low bidder, Southern States, Inc., Asheville, North Carolina.

FISCAL IMPACT: $25,357.50 - Adequate funding in FY 1986-87 operating budget of the Public Works Department - Street Division. Parks, Recreation and Public Facilities Department - funds budgeted in FY 1986-87 Park Maintenance budget.

F. **Motion to schedule a public hearing relative to an ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville," as amended, rezoning property on Vanderbilt Road from R-3 Residential District to R-1 Residential District for May 19, 1987**

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held March 25, 1987, discussed the request of Asheville City Council that consideration be given to rezoning certain lots on Vanderbilt Road from R-3 Residential District to R-1 Residential District. After review and discussion, the Commission voted to recommend to City Council that Lots 58-1/2, 56-1/2, 56-1/4 and a portion of Lots 54 and 53-1/2, Sheet 4, Ward 7, be rezoned from R-3 Residential District to R-1 Residential District.

FISCAL IMPACT: None

G. **Motion to schedule a public hearing relative to the site plan of Sunset Pointe Condominiums to be located on Town Mountain Road for May 12, 1987.**

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held April 8, 1987 reviewed the site plan of Sunset Pointe Condominiums to be located on Town Mountain Road. The site plan was prepared by Freeman, Wells and Major, Architects, for W. R. Martin Corporation, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following: 1) compliance with Erosion Control Ordinance and Erosion Control Plan; 2) compliance with height ordinances, Ordinance 1514, restriction of structural heights in R-1 and R-2 zones, and Ordinance 1558, concerning protection of mountain ridges; 3) indicate adequate road access in accordance with Article 6, Group Developments, and contingent upon the driveway on the west side of the existing parking lot being taken from the area where there is a legal easement; 4) insuring that appropriate legal document be provided, prior to project going to City Council, that addresses restriction of development on rest site, restriction of tree cutting and color of buildings; 5) adequate fire protection; 6) compliance with parking requirements; 7) establishment of a Liaison Committee between developer and Grove Park-Sunset Homeowners Association; 8) compliance with Buffering Ordinance.

FISCAL IMPACT: None

H. **Motion to schedule a public hearing relative to a site plan of the proposed expansion of Autohaus of Asheville, Inc. at 2 Kenilworth Knoll for May 19, 1987.**

HIGHLIGHTS: The Asheville Planning and Zoning Commission at a meeting held April 8, 1987, reviewed a site plan of the proposed expansion of Autohaus of Asheville, Inc., at 2 Kenilworth Knoll. The site plan was prepared by David Alton,

Architect, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to compliance with the Erosion Control Ordinance.

FISCAL IMPACT: None

I. **Motion to schedule a public hearing relative to a site plan of Wall-Mart Discount City to be located on Hendersonville Road for May 19, 1987.**

HIGHLIGHTS: The site plan was prepared by Gray Engineering Consultants, Inc. for Wyatt Development Company, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1) erection of a 6' high chainlink fence beginning at Southwest corner and continuing around perimeter to intersection of Hendersonville Road at Northwest corner; 2) submission of sign package in accordance with Zoning Ordinance; 3) removal of access to Peachtree Road; 4) closing of Oak Street; and 5) compliance with Erosion Control Ordinance.

FISCAL IMPACT: None

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the consent agenda was unanimously approved.

RESOLUTION NO. 87-78 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE CONTRACTS AND THE PURCHASING DIRECTOR TO MAKE PURCHASES UP TO THE STATUTORY LIMITS REQUIRED FOR FORMAL BIDDING UNDER CHAPTER 143 OF THE NORTH CAROLINA GENERAL STATUTES

15. Consideration was given to a resolution authorizing the City Manager to execute contracts and the Purchasing Director to make purchases up to the statutory limits required for formal bidding under Chapter 143 of the North Carolina General Statutes.

Mayor Bissette said the North Carolina General Statutes permit the awarding of bids for purchases and other activities up to a certain statutory amount before a formal bidding process is required. He said this resolution will authorize the City Manager to execute the contracts and the Purchasing Director to make purchases up to those statutory limits in order to confirm the actions of these individuals and in executing agreements and making purchases.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 87-78 was unanimously adopted.

Complete text of Resolution No. 87-78 will be found in Resolution Book No. 16 at page 332.

CLAIMS - HEWITT PRESS (SEWER) - VIRGINIA CANTOR (STREETS) - MICHAEL HARRIS (POLICE)

16. The City Manager presented claims received from Hewitt Press, Virginia Cantor, and Michael Harris.

COMMENTS BY R. L. BAILEY - STORM DRAINAGE ON CHEROKEE ROAD

17. Mr. R. L. Bailey spoke to members of Council relative to a major storm drainage problem he is having on Cherokee Road.

After discussion, Mayor Bissette instructed the City Manager to look into the concerns of Mr. R. L. Bailey.

COMMENTS BY HAROLD BLANKENSHIP - HARNETT STREET - DRAINAGE PROBLEMS

18. Harold Blankenship, of 51 Harnett Street, spoke to members of Council relative to a drainage problem which he had spoke to Council and City staff about previously, at the corner of his property beside the new Vance School. He said the catch basin at the corner of his property and Vance Elementary School, to carry the water from the ball field is not adequate.

Mayor Bissette instructed the City Manager to look into the concerns of Harold Blankenship at 51 Harnett Street.

RALPH BISHOP - LOTTERY SALES

19. Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:10 p.m.

Mayor

City Clerk

Tuesday - May 5, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma Price and Councilman Kenneth Michalove.

INVOCATION

The invocation was given by Mayor Louis Bissette.

APPROVAL OF THE MINUTES - APRIL 28, 1987 MEETING

Consideration was given to the approval of the minutes of the April 28, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

I. PROCLAMATION

A. LAW ENFORCEMENT OFFICERS WEEK" - MAY 10 - 16 AND MAY 15 AS: PEACE OFFICERS MEMORIAL DAY"

Mayor Bissette read the proclamation and presented a copy to Chief Fred Hensley.

B. "SMALL BUSINESS WEEK" - MAY 10 - 16, 1987

Mayor Bissette read the proclamation and presented the copy to Bob Kendrick, Manager of Small Business Development, Chamber of Commerce.

C. "NATIONAL BARRIER AWARENESS DAY" - MAY 7, 1987

Mayor Bissette read the proclamation and presented a copy to Herbert Reith, representative from the Mayor's Committee on Employment of the Handicapped.

D. "DRINKING WATER WEEK" - MAY 4 - 8, 1987

Mayor Bissette read the proclamation and presented a copy to Harold Huff from Water & Sewer Services Department.

II. PUBLIC HEARINGS

None scheduled.

III. OLD BUSINESS

A. RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE IMPROVEMENT OF U. S. 25 SOUTH FROM I-40 TO THE BLUE RIDGE PARKWAY.

Mayor Bissette said action relative to this resolution would be postponed until a later date.

IV. NEW BUSINESS

RESOLUTION NO. 87-79

A. RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR PROJECT 8.1909316(I-40AJ)

This resolution will authorize the Mayor to execute a municipal agreement with the NCDOT for improvements to the interchange of I-40 and US 25A. NCDOT agrees to acquire right-of-way and construct the project.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 87-79 was unanimously adopted.

Complete text of Resolution No. 87-79 will be found in Resolution Book No. 16 at Page 333.

V. CONSENT AGENDA

None Scheduled

VI. OTHER BUSINESS

A. RESOLUTION NO. 87-80 - RESOLUTION OF INTENT TO CLOSE CERTAIN ALLEYS AND PORTIONS OF AN ALLEY BOUNDED ON THE NORTH BY WALNUT STREET, ON THE EAST BY RANKIN AVENUE, ON THE SOUTH BY COLLEGE STREET, AND ON THE WEST BY HAYWOOD STREET

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, Resolution No. 87-80 was unanimously adopted.

Complete text of Resolution No. 87-80 will be found in Resolution Book No. 16 at Page 334, 335 and 336.

B. PHILLIP WERTHEIMER OF 182 BROOKWOOD ROAD

Mr. Wertheimer spoke to members of Council relative to the paving of the dirt portion of Elk Mountain Scenic Highway. He said the City should either blacktop this portion of Elk Mountain Scenic Highway or reimburse him for the expenses he has incurred in controlling the dust problem.

After discussion, Mayor Bissette instructed the City Manager to look into Mr. Wertheimer's request and report back to members of Council.

C. RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

CLAIMS - JEANNE O'CONNOR (STREETS), GEORGE JENKINS (WATER), NANCY JARRETT (WATER), RICHARD BUSH (SANITATION), DWIGHT BARNHILL (WATER)

The City Manager presented claims received from Jeanne O'Connor (Streets), George Jenkins (Water), Nancy Jarrett (Water), Richard Bush (Sanitation), and Dwight Barnhill (Water).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 4:45 p.m.

MAYOR

CITY CLERK

Tuesday - May 12, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Norma Price, Kenneth Michalove, Walter R. Boland; George M. Tisdale; Corporation Counsel William F. Slawter; Associate City Manager/City Clerk William F. Wolcott, Jr., and Deputy City Clerk Carol Hensley.

Absent: City Manager Douglas O. Bean.

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF THE MINUTES - MAY 5, 1987 MEETING

Consideration was given to the approval of the minutes of the May 5, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

I. PROCLAMATIONS

A. RESOLUTION NO. 87-81 - RESOLUTION IN MEMORIUM OF FRANK COXE

Mayor Bissette read a resolution in memorium of Frank Coxe, former Vice President of First Union National Bank and civic leader, who recently passed away.

Upon motion of Councilman Tisdale, seconded by Councilman Boland, Resolution No. 87-81 was unanimously adopted.

Complete text of Resolution No. 87-81 will be found in Resolution Book No. 16 at page 33[illegible].

B. RESOLUTION NO. 87-82 - RESOLUTION COMMENDING ASHEVILLE JUNIOR HIGH SCHOOL ODYSSEY OF THE MIND TEAM

Mayor Bissette said Asheville Junior High School had a team to place first in both the Western Regional and the State levels of Odyssey of the Mind competition. He said they will now represent Asheville City Schools and the State of North Carolina in the World Odyssey of the Mind finals.

Mayor Bissette recognized Shelly Smith, sponsor for the Asheville Junior High School Odyssey of the Mind Team, and the team members.

Upon motion of Vice Mayor Frank, seconded by Councilman Price, Resolution No. 87-82 was unanimously adopted.

Complete text of Resolution No. 87-82 will be found in Resolution Book No. 16 at 33[illegible].

C. **RESOLUTION NO. 87-~~84~~ 83 - RESOLUTION COMMENDING ASHEVILLE JUNIOR HIGH SCHOOL HISTORY DAY TEAM.**

Mayor Bissette said Asheville Junior High students participated in all categories of the History Day in North Carolina and won first and second places in the group projects Junior Division.

Mayor Bissette recognized Mrs. Helen Edington, sponsor for the Asheville Junior High School History Day Team, and the team members.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 87-~~84~~ 83 was unanimously adopted.

Complete text of Resolution No. 87-~~84~~ 83 will be found in Resolution Book No. 16 at page ~~338~~ 340.

II. PUBLIC HEARINGS

A. **PUBLIC HEARING - SITE PLAN OF SUNSET POINTE CONDOMINIUMS TO BE LOCATED ON TOWN MOUNTAIN ROAD.**

Mayor Bissette said the Asheville Planning and Zoning Commission, at a meeting held April 8, 1987, reviewed the site plan of Sunset Pointe Condominiums to be located on Town Mountain Road. The site plan was prepared by Freeman, Wells and Major, Architects, for W. R. Martin Corporation, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the site plan to City Council subject to the following: 1) compliance with the Erosion Control Ordinance and Erosion Control Plan; 2) compliance with height ordinances, Ordinance No. 1514, Restriction of Structural Heights in R1 and R2 zones, and Ordinance No. 1558 concerning protection of mountain ridges; 3) indicate adequate road access in accordance with Article 6, Group Developments, and contingent upon the driveway on the west side of the existing parking lot being taken from the area where there is a legal easement; 4) insuring that appropriate legal document be provided, prior to the project going to City Council, that addresses restriction of development on rest of site, restriction of tree cutting and color of buildings; 5) adequate fire protection; 6) compliance with parking requirement; 7) establishment of a liaison committee between developer and Grove Park - Sunset Homeowners Association; 8) compliance with buffering ordinance.

Mayor Bissette opened the public hearing at 4:15 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission reviewed and approved the site plan for the Sunset Pointe Condominiums with a number of contingencies. He said the Erosion Control Plan was submitted and approved by the City Engineering Department. He said based on information provided, the developers have complied with height

ordinances, Ordinance No. 1514, restriction of structural heights in R1 and R2 zones and Ordinance No. 1558 concerning protection of mountain ridges. He said as shown on the plans, the entrance will be on the west side of the existing parking lot. He said a Development Rights Easement has been presented to the Corporate Counsel which addresses restriction of development on the rest of the site, restriction of tree cutting and color of the buildings, and would be binding on the existing owner, as well as future owners of the property. He said the fire protection plan has been presented and approved by the Asheville Fire Department. He said the parking requirement is in compliance, and the developers have agreed to the establishment of a liaison committee between the developer and the Grove Park - Sunset Homeowners Association. He said the developers also agreed to, and have shown on the plans, a 20' buffer from Overlook Castle, which would be planted or left natural.

Albert Sneed, Attorney for the developer, outlined the history of the proposed project, stating that when the developer first purchased the property, the zoning allowed ten units per acre or 220 units total; however, the developer had first submitted plans consisting of 196 units. He said in the meantime, the City Council changed the law limiting heights on buildings and remanded the project back to the Planning and Zoning Commission. He said the developer reworked the plans and is proposing 48 condominium units. He said the City also down-zoned the property to allow for only six units per acre instead of ten units per acre. He said the project was turned down by City Council, Council then passed a "Hillside Ordinance", again down-zoning the property, and the developer has again submitted another plan for Council's consideration which is in total compliance with all codes and ordinances of the City of Asheville.

Mr. Sneed said the developer will be furnishing 50,000 gallons of water on-site at all times for fire protection, as recommended by the Asheville Fire Department. He said 14 acreas of the land have been dedicated, by an easement, for no further development whatsoever. He said the developer has also agreed to restrictions on the color of the buildings and tree cuttings. He said the North Carolina Department of Transportation has approved a driveway entrance to the proposed project. He said water and sewer services are adequate to service the proposed units. He said the Erosion Control Plan submitted to, and approved by, the City Engineering Department meets and exceeds all requirements of the City's Erosion Control Ordinance. He said the residents had expressed concern relative to additional water runoff which they felt would be created by this project. He said with the Erosion Control Plan as outlined, the current water runoff problem would be somewhat corrected after the project is complete.

Alan Freeman, Architect for the project, presented a three dimensional model of the proposed project.

Mr. Sneed indicated that the developer has made a number of concessions to satisfy the concerns of residents in the area, including the removal of one story of the buildings. He said the buildings will not be higher than a two-story house. He said a detailed landscaping plan would be submitted and a new sewer line would be installed at the developer's expense extending 450' off their property. He said the Erosion Control Ordinance requires a capacity for a 10-year storm and their plan provides for the capacity of a 25-year storm.

Bob Dungan, Attorney for the Sunset Ridge Homeowners Association, expressed concerns relative to the proposed road access. He said they would recommend that, if approved, the road access be on the east side of the property rather than the west side. He said the potential problems with having the road access on the west would be erosion control, a dangerous "S" curve, and visability problems. He said almost no tree cutting would be required if the developer uses the east side for the road access. He said the residents of Sunset Ridge Homeowners Association do not want the developers to use their pool for the 50,000 gallon reservoir for fire protection purposes.

George Saenger, Attorney for the Grove Park - Sunset Mountain Association, spoke in opposition to the project stating that the project was originally denied by members of Council in June, 1986, because the project was improper. He said they also felt the fire protection is not adequate for the project, and there would be many problems concerning erosion control in the area.

Max Haner, Secretary for the Grove Park - Sunset Mountain Association expressed concerns relative to the project citing erosion control and fire protection problems.

Kenneth Pankow, Engineer hired by the Grove Park - Sunset Mountain Association to review the project, said he had reviewed the erosion control plan for the proposed project. He said he felt the engineering plans are inadequate and in comparing the group development check-off list, there are many inadequacies. He said the trees on the model presented are out of scale. He said one of the major problems would be the storm water runoff and erosion control. He said the developers failed to take into consideration three old storm water control structures presently on the property of which two are filled in and cannot be used. He said when the developers started clear cutting at the Tiara Apartments in 1984, without a permit, the water runoff in the area tremendously increased. He said he has requested the revocation of the Provisional Grading Permit due to several problems including very steep slopes, and retention bases that will have too great of a slope which would cause additional problems with runoff. He also commented that the plan shows dumpsters and buildings within 12' of the Overlook Castle property of which the developer has indicated a 20' buffer. He said in his opinion, the storing of the 50,000 gallons of water for fire protection on-site is not adequate. He said the water would only last approximately 17 minutes, and it would take two to four hours to fight a fire in such a complex. He also indicated that there is an existing sanitary sewer line on the property, probably serving the Tiara Apartments, that the developer shows construction over.

Upon inquiry of Councilman Michalove, Verl Emrick, Director of Planning, said all three questions raised by Mr. Pankow, being the sanitary sewer, erosion control, and fire protection concerns have been reviewed by the Planning Department, the Fire Department, and the Water & Sewer Services and Engineering Department.

Albert Sneed, responding to concerns expressed by the individuals, said the developer has not and will not mislead anyone regarding the project. He said the developers attempted to meet with the Grove Park - Sunset Mountain Association; however, the residents would not listen. He said the developers would be bound by the 20' buffer zone from the Overlook Castle and the height limitations. He said the complex would comply with all laws and ordinances of the City of Asheville. He said the Erosion Control Plan engineered to a 25-year storm would improve current problems with runoff. He said all plans were properly presented and in order.

Upon inquiry of Councilman Price, Mr. Freeman, Architect, and Mr. Sneed said the dumpster shown on the plan within the 20' buffer zone would be moved and the buffer zone would be completely clear. They also indicated that the developer would be willing to work with the residents in any way possible to eliminate problems.

George Jenson, Engineer for the proposed project, said he had reviewed all concerns expressed by Mr. Pankow and the residents. He said he used the "rationale formula" in designing the Erosion Control Plan. He said the plan is designed to control silt and water runoff in the area. He said the main areas of the property to be disturbed would be the parking areas, the entrance, and the retention areas. He said he discussed all points outlined by Mr. Penkow with Dale Pennell in the Engineering Department. He said, in his opinion, there would be no problems with the proposed plans, and the water runoff will not be at a greater velocity than currently exists.

Chief John Rukavina, with the Asheville Fire Department, said after review of the plans, the Fire Prevention Bureau has recommended that 50,000 gallons of water be stored on-site without obstruction or interference to meet appropriate standards and appropriate level of protection for the project. He said the storage of the 50,000 gallons would be used for the initial fire attack flow, giving an opportunity to mobilize additional sources. He said the building would be constructed according to all building code requirements, and considering all factors, the conplex would be relatively safe for fire protection. He also indicated that the road access proposed would be adequate for fire apparatus.

Councilman Michalove requested that he be excused from the meeting due to an out-of-town meeting. Vice-Mayor Frank moved to excuse Councilman Michalove from the meeting. This motion was seconded by Councilman Price and carried unanimously.

Harold Huff, Director of Water, Sewer and Engineering Department, said the water plans for the proposed project had been approved by the Asheville Buncombe Water Authority on April 18, 1987. He said his department has not received plans for sewer facilities but felt that after reviewing the plans, they would be adequate. He said a soil erosion permit was issued on April 8, 1987, after an intensive review of the Erosion Control Plan. He said the City's Erosion Control Ordinance is a model ordinance within the State and is very stringent. He said the Erosion Control Plan submitted by the developer is probably the most comprehensive plan submitted to the Engineering Department within two

years. Mr. Huff said the rationale method used by the engineer for the project is the most widely and accepted used method in designing an erosion control plan.

Mr. Jensen, Engineer for the project, said he felt that major inadequacies of erosion control in the area is due to the State not providing erosion control measures.

Gary Hobbs, 106 Old Toll Road, spoke in opposition to the proposed project stating that major runoff problems occurred after the developer cleared land at Sunset Ridge. He presented photographs showing damages that have occurred at his residence since the developer had cleared land on Sunset Ridge.

Harvey Haywood, 12 Sunset Summit, also expressed concern relative to the proposed plans for erosion control for the project.

Peter Gentling, 241 Old Toll Road, spoke in opposition to the project, citing increased water runoff problems that would be created by the development of the project.

Cecil Patterson, Sunset Ridge Condominiums, spoke in opposition to the project.

Francis Manley, 310 Town Mountain Road, spoke in opposition to the project also stating that Phil Green with the Institute of Government had reviewed the plans for the project and indicated the project should not be approved.

Loran and Kela Wells, of 710 Town Mountain Road, owners of "Overlook Castle", spoke in opposition to the project stating that the project is not in harmony with the district.

Ray and Lola Myers, 4 Crowningway Drive, spoke in opposition to the project.

Barbara Pate, 30 Sunset Summit, spoke in opposition to the project stating that the complex would create additional problems for residents in the area as far as storm drainage is concerned.

John Lehman, 410 Sunset Ridge, requested that if the project is approved that the entrance to the project be on the east side of the building. He also felt there was a lack of communication between the residents in the area and the developer of the proposed project.

Bonnie Scully, 17 Bluebrier Road, said she felt the proposed project would cause a large amount of water damage to her property. She said she felt Council should have some accountability for the damages.

George Saenger, Attorney for the Grove Park - Sunset Mountain Association, again appealed to members of Council not to approve the project. He said the project, in the form presented, is no different than the project Council denied over a year ago. He also stated that the developer's corporation charter is in a state of suspension.

Albert Sneed reiterated that the residences in the area is not going to get more water run-off from this project. He said in his opinion, this complex is the best use for the area. He said a developer could put in single-family residences which would call for more extensive road work and land disturbance. He said the developer is not going to use the Sunset Ridge Condominiums swimming pool for the 50,000 gallon water storage. He asked for an alternate approval for the access road to be in the rear of the building which would require another erosion control plan be submitted. He said the developers would like the alternate approval to put the access road on the east side of the property but did not want to be made to put the road on the east side. He said the only reason the developer's corporate charter may be in a state of suspension is due to the filing of a franchise tax. He said there is no evidence of fraud relative to the corporation. He said the project is being constructed by a partnership with W. R. Martin Corporation and the U. S. Shelter Corporation of Greenville, South Carolina.

Upon inquiry of Councilman Price, Mr. Sneed said the corporation would own and pay taxes on the undeveloped 17 acres.

Mayor Bissette closed the public hearing at 7:59 p.m.

Upon motion of Councilman Boland, seconded by Councilman Bratton, Council adjourned to executive session to discuss a legal matter concerning Sunset Pointe Condominiums site plan.

The Council went back into open session at 8:52 p.m.

Upon inquiry of Councilman Bratton, W. R. Martin said there is no other reason that his corporation charter is in a state of suspension other than the filing of a franchise tax.

After a good deal of thought and lengthy deliberations, Councilman Boland moved to approve the site plan of Sunset Pointe Condominiums located on Town Mountain Road contingent upon the following conditions being satisfied prior to the issuance of a zoning permit: 1) entrance road to be located along the roadbed on east side of site; 2) compliance with erosion control ordinance and erosion control plan with prior approval of amended plan; 3) compliance with height ordinances, Ordinance No. 1514, Restriction of Structural Heights in R-1 and R-2 Zones, and Ordinance No. 1558 concerning protection of mountain ridges; 4) ensuring that appropriate legal documents be provided that addresses restriction of development on the rest of site, restriction of tree cutting and trimming, color of buildings and landscape plan (to be approved by City staff); 5) adequate fire protection as approved by the Asheville Fire Department; 6) compliance with parking requirements; 7) establishment of a liaison committee between developer and Grove Park-Sunset Homeowners Association and Sunset Ridge Association; 8) compliance with buffering ordinance with nothing permitted in buffered area on southern property line; 9) prior approval of water and sewer line plans with the replacement of the existing 4" line; 10) tree plantings of 6' to 8' trees on the west side as shown on the plans. This motion was seconded by Councilman Tisdale and carried unanimously, with Councilman Michalove being excused.

Mayor Bissette said members of Council pledge a thorough monitoring system of this site plan and in the making of immediate storm water improvements in the area. He said the City staff is in the process of completing a storm water master plan and improvements should begin in the near future.

B. PUBLIC HEARING - TO CLOSE UNNAMED ALLEY BETWEEN RIDGEWAY AND TOXAWAY STREET

RESOLUTION NO. 87-84 - RESOLUTION TO CLOSE UNNAMED ALLEY BETWEEN RIDGEWAY AVENUE AND TOXAWAY STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

Mayor Bissette said a petiton has been filed by Paul A. Bradish and Marion Kuykendall requesting that an unnamed alley between Ridgeway Avenue and Toxaway Street be permanently closed to public use. This alley is under the sole and exclusive authority and control of the City of Asheville and is not under the authority of the NCDOT. Permanent closing of this unnamed alley would not be either detrimental to or contrary to the public interest or to the property rights of any individual and no individual owning property in the vicinity of this alley would be deprived of ingress and egress to his property.

Mayor Bissette opened the public hearing at 9:01 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette noted that members of Council were briefed relative to the closing during the pre-Council work session.

There being no further comments, the Mayor closed the public hearing at 9:02 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Price, seconded by Councilman Tisdale, Resolution No. 87-84 was unanimously adopted.

Complete text of Resolution No. 87-84 will be found in Resolution Book No. 16 at page 340.

III. OLD BUSINESS

None scheduled.

IV. NEW BUSINESS

A. APPROVAL OF THE BIDS FOR ONE EACH ASPHALT PAVER, ASPHALT ROLLER, AND STREET FLUSHER

Mayor Bissette said staff recommends of acceptance of the following low bids for one self-propelled asphalt paver, one self-propelled vibratory roller and one street flusher for the Public Works Department, Street Division. Six (6) bids were received.

Self Propelled, Rubber Tired Asphalt Paver - Arrow Equipment, Inc., Greensboro, North Carolina, for a "Blow-Knox" in the amount of $101,445.00.

Self-Propelled, Tandum Vibratory Roller - Recommend to re-bid once specifications are revised to meet the new "Standard Specifications for Roads and Structures" as published by the North Carolina Department of Transportation.

Street Flusher - A. E. Finley and Associates, Inc., Charlotte, North Carolina, for a 1987 "Ford" cab and chassis with a Hydrostatic flusher body in the amount of $52,769.00.

Councilman Price moved to approve the bids for an asphalt paver and street flusher as recommended by the Public Works Department. This motion was seconded by Councilman Boland and carried unanimously.

V. CONSENT AGENDA

A. RESOLUTION NO. 87-85 - RESOLUTION AUTHORIZING THE CITY MANAGER TO SIGN AN AGREEMENT WITH POINSETT SELF-INSURANCE SALES AND SERVICE, A SUBSIDIARY OF POINSETT FEDERAL SAVINGS AND LOAN ASSOCIATION FOR THE PURPOSE OF PROVIDING LOSS PREVENTION SERVICES TO THE CITY OF ASHEVILLE UNDER ITS SELF-INSURANCE PROGRAM OF WORKERS' COMPENSATION AS REQUIRED BY THE REINSURER

Mayor Bissette said the City of Asheville is a self-insured municipality for purposes of Workers' Compensation and in order to secure reinsurance for specific and aggregate excess liabilities, the various reinsurance markets require the services of an outside loss prevention consultant. Poinsett Self-Insurance Sales and Service has provided such services in the past in a cost effective and efficient manner, and has provided the City with a responsible quotation for the services for the contract period March 27, 1987 through March 26, 1988. This resolution will authorize the execution of such an agreement.

Resolution Book 16 at page 342.

B. RESOLUTION NO. 87-86 - RESOLUTION APPOINTING MRS. SHIRLEY A. MCCULLOUGH AS A MEMBER OF THE ASHEVILLE-BUNCOMBE HISTORIC RESOURCES COMMISSION

Mayor Bissette said the term of Mrs. Shirley A. McCullough as a member of the Asheville-Buncombe Historic Resources Commission will expire on July 1, 1987. This resolution will reappoint Mrs. McCullough to the commission for a term of three years, term expiring July 1, 1990, or until her successor has been duly appointed and qualified.

Resolution Book 16 at page 343.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, the Consent Agenda was unanimously approved.

VI. OTHER BUSINESS

A. MOTION - SCHEDULING PUBLIC HEARING - COMMUNITY DEVELOPMENT NEEDS AND FINAL STATEMENT OF CDBG OBJECTIVES FOR 1987-88 - MAY 26, 1987

Councilman Price moved to schedule a public hearing relative to the community development needs and final statement of CDBG objectives for 1987-88 for May 26, 1987. This motion was seconded by Councilman Boland and carried unanimously.

B. MOTION - MAYOR AUTHORIZED TO EXECUTE DOCUMENTS ON BEHALF OF THE CITY OF ASHEVILLE EXCEPT EASEMENTS FROM ADJOINING PROPERTY OWNERS IN CONNECTION WITH THE WALL STREET PROJECT

Councilman Price moved that the Mayor be authorized to execute documents on behalf of the City of Asheville accepting easements from adjoining property owners in connection with the Wall Street Project. This motion was seconded by Vice-Mayor Frank and carried unanimously.

C. CLAIMS - CARMEL SUTTLES (POLICE)

The Assistant City Manager presented a claim received from Carmel Suttles.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 9:15 p.m.

Mayor

William F. Holcomb
City Clerk

Tuesday - May 19, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: City Clerk William F. Wolcott and Councilman Norma Price (Councilman Price, representing the City of Asheville, is attending National Association of Regional Councils Meeting

INVOCATION

The invocation was given by Councilman George Tisdale. He requested that the audience stand for the Pledge of Allegiance to the Flag.

APPROVAL OF THE MINUTES - May 12, 1987 MEETING

Consideration was given to the approval of the minutes of the May 12, 1987, meeting.

Mayor Bissette announced the approval of the minutes as submitted.

I. PROCLAMATIONS

A. RESOLUTION NO. 87-87 - RESOLUTION OF APPRECIATION TO NEIGHBORING FIRE DEPARTMENTS, RESCUE/SUPPORT AGENCIES AND AREA BUSINESSES

Mayor Bissette read the resolution stating that the Asheville Fire Department was recently confronted with a major fire on April 29, 1987, at Asheville Terrace Apartments. He said many neighboring fire departments, rescue/support agencies, and area businesses rendered their services.

Mayor Bissette recognized those individuals in attendance at the meeting who helped with the fire and expressed the City of Asheville's appreciation for their assistance and dedication to the City of Asheville.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution 87-87 was unanimously adopted.

Complete text of Resolution No. 87-87 will be found in Resolution Book No. 16 at Page 344.

II. PUBLIC HEARINGS

A. REZONING PROPERTY ON VANDERBILT ROAD FROM R-3 RESIDENTIAL DISTRICT TO R-1 RESIDENTIAL DISTRICT

ORDINANCE NO. 1629 - AN ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE" AS AMENDED, PROPERTY ON VANDERBILT ROAD.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held March 25, 1987, discussed the request of Asheville City Council that consideration be given to rezoning certain lots on Vanderbilt Road from R-3 Residential District to R-1 Residential District. After review and discussion, the Commission voted to recommend to City Council that Lots 58-1/2, 56-1/2, 56-1/4 and a portion of Lots 54 and 53-1/2, Sheet 4, Ward 7, be rezoned from R-3 Residential District to R-1 Residential District.

Mayor Bissette opened the public hearing at 4:15 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Julia Cogburn, with the Planning Department, said the properties recommended for rezoning are located on Vanderbilt Road on the perimeter of the Biltmore Forest town limits. She said two of the properties extend to Hendersonville Road; however, the Commercial Highway zone facing Hendersonville Road would not be rezoned. The portion to be rezoned includes vacant property and three single-family dwellings. She said the properties conform to R-1 zoning regulations.

Bob Musselwhite, Town Manager for Biltmore Forest said the property proposed to be rezoned is on the perimeter of the Biltmore Forest town limits, and three single-family dwellings exist on the properties. He said property owners previously felt they were a part of Biltmore Forest, and that the R-1 zoning would protect their property from any other use other than single-family dwellings. He requested favorable consideration of the rezoning.

Upon inquiry of Councilman Tisdale, Mr. Musselwhite said on a short-term basis, Biltmore Forest and the residents feel the rezoning would protect their properties; however, on a long-term basis, the Town of Biltmore Forest and the residents would like the boundaries adjusted to allow the properties to be included in the Biltmore Forest town limits. However, in order to change the boundary limits, he said, the legislature would have to take such action.

Councilman Tisdale said since the Town of Biltmore Forest and the residents are still interested in changing the boundaries to allow these properties to be included in the Biltmore Forest town limits, he felt the request was not unreasonable and should be investigated.

Mayor Bissette closed the public hearing at 4:20 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

Councilman Michalove noted that, as a matter of record, that the boundary adjustments for Biltmore Forest town limits is not a matter for consideration at today's Council meeting, even though Mr. Musselwhite suggested that the boundaries be changed on a long-term basis.

On a roll call vote of 6-0, Ordinance No. 1629 passed on first reading.

B. SITE PLAN OF WALL-MART DISCOUNT CITY TO BE LOCATED ON HENDERSONVILLE ROAD.

Mayor Bissette said the site plan was prepared by Gray Engineering Consultants, Inc. for Wyatt Development Company, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1) erection of a 6' high chainlink fence beginning at Southwest corner and continuing around perimeter to intersection of Hendersonville Road at Northwest corner; 2) submission of sign package in accordance with Zoning Ordinance; 3) removal of access to Peachtree Road; 4) closing of Oak Street; and 5) compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:24 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date of the public hearing and the affidavit of publication.

Al Kopf, with the Planning Department said a Wall-Mart Discount City Shopping Center is proposed to be located on Hendersonville Road on property formally occupied by Nettlewood Nurseries. He said the property consist of 23 acres, and is zoned Commercial Highway District. He said the developer proposes 175,000 square feet of retail space with a major retail store, as well as 16 other retail stores. He said parking exceeds Zoning Ordinance requirements. He said access to the project would be off Hendersonville Road, and this has been approved by the North Carolina Department of Transportation. He said the Planning and Zoning Commission had recommended approval of the project contingent on the erection of a six-foot fence beginning at the Southwest corner and continuing around the perimeter to the intersection of Hendersonville Road at the Northwest corner. He said, as shown on the plans, the developer is proposing the removal of the access to Peachtree Road and the closing of Oak Street. He said the developer had submitted and received approval for their erosion control plan.

Jim Price, with Wyatt Development Company, spoke in support of the project. He also requested that Council allow the developer to stop with the chainlink fence at the Oak Street location. He said they do not wish to have the complex look like a detention center, and people living in the rear of the development may want to walk to the shopping center. He said the developer is in conformance with the Group Development regulations, and a 20 foot buffer is planned around the property. He said he felt the fence is an overkill of protection. He said a plan has been formulated with a tree line drive with trees also planned for the interior of the parking lot. He said it is the developer's desire to have the complex both functional and appealing.

Eugenia Gibson of 1640 Hendersonville Road said her property adjoins the proposed complex, and she requested that a buffer and fence be required around the project to control vandalizm and trash.

Mayor Bissette closed the public hearing at 4:37 p.m.

Vice-Mayor Frank moved for the approval of the site plan for Wall-mart Discount City as recommended by the Planning and Zoning Commission including the six-foot high chainlink fence beginning at the Southwest corner and continuing around the perimeter to the intersection of Hendersonville Road at the Northwest corner and to include tree plantings within the interior of the parking area. This motion was seconded by Councilman Boland and carried unanimously.

C. SITE PLAN OF THE PROPOSED EXTENSION OF AUTOHAUS OF ASHEVILLE, INC. AT 2 KENILWORTH KNOLL.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held April 8, 1987, reviewed the site plan of the proposed expansion of Autohaus of Asheville, Inc. at 2 Kenilworth Knoll. The site plan was prepared by David Aiton, Architect, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:49 p.m.

The Deputy City Clerk presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication.

Al Kopf, with the Planning Department, said the proposed extension is an addition to the existing buildings for Autohaus of Asheville. He said the project will consist of 6,000 sq. ft. to be used by another dealership.

David Aiton, Architect for the project, spoke in support of the proposed expansion. He said the only reason the site plan had to be presented to Planning and Zoning Commission and to City Council is that it is over the 5,000 sq. ft. limit.

Mayor Bissette closed the public hearing at 4:51 p.m.

Vice-Mayor Frank moved for the approval of the site plan of the proposed expansion of Autohaus of Asheville, Inc. at 2 Kenilworth Knoll as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

III. OLD BUSINESS

A. RESOLUTION AUTHORIZING THE MAYOR TO ENTER INTO A MUNICIPAL AGREEMENT WITH THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION FOR THE IMPROVEMENT OF U.S. 25 SOUTH FROM I-40 TO THE BLUE RIDGE PARKWAY

Mayor Bissette said the North Carolina Department of Transportation has prepared and adopted plans to make certain street and highway improvements with the City under Project No. 8.1900801. These plans consist of the improvement of U.S. 25 south from I-40 to the Blue Ridge Parkway in Asheville. The Department of Transportation and the City propose to enter into an agreement in which the City agrees: 1) to affect the necessary adjustment of any utilities under franchise without cost to the Department of Transportation; and 2) to provide for the adjustment of any municipally owned utilities without cost to the Department of Transportation. The Department of Transportation will acquire the right-of-way and construct the project according to the project plans. The City will reimburse the Department of Transportation 25% of the right-of-way cost for the project in nine (9) equal annual installments to begin on October 15, 1987.

Mayor Bissette said this matter was previously discussed by members of Council, and members of Council felt the requested 25% of the right-of-way costs for the project to be paid by the City of Asheville was extremely high. He said the Council had previously directed the Mayor and the City Manager to negotiate with the North Carolina Department of Transportation relative to the percentage being requested. He said in talking with the North Carolina Department of Transportation, the City Manager and the Mayor were presented with percentages charges to other cities for rights-of-way participation, which indicated that the City of Asheville was not being singled out with such a high percentage in requested right-of-way cost. He said in the meantime, Representative Hunter of McDowell County and Representative Nesbitt of Buncombe County has introduced a bill in the General Assembly requesting that municipalities be exempt from all right-of-way cost participation. He said after discussion, Council had previously requested that no action be taken on the municipal agreement relative to Hendersonville Road until after action is taken on the proposed bill. He said the North Carolina Department of Transportation has requested that the City, in order to go forward with the widening of Hendersonville Road, authorize the execution of the municipal agreement with the understanding that if the bill pending in legislation is adopted, the City of Asheville would be exempt from right-of-way costs on this project.

Mayor Bissette said, contrary to newspaper reports, he did not say Asheville City Council would take this action on the municipal agreement but, however, he would recommend its approval. He said he would recommend approval of the resolution with the stipulation that if the bill passes, that the City would be exempt from the right-of-way cost since the Hendersonville Road widening has been the number one priority under the Transportation Improvement Program, and the citizens of the area are in dire need of this project.

Councilman Tisdale, disagreeing with Mayor Bissette's recommendation, said he felt this was the highest request percentage-wise right-of-way participation. He said the widening of Hendersonville Road would be of benefit to the City of Asheville as well as Buncombe County, Hendersonville County, and Biltmore Forest. He said he would also like to see Hendersonville Road widened but the cost should be shared equitably.

Councilman Tisdale said he would not be in favor of supporting this resolution, and felt the Council members should wait until a decision is made on the pending bill before taking action on the municipal agreement.

Councilman Boland said he felt this was a complex issue, and it would be premature for Council to approve a resolution. He also suggested that Council wait until a decision is made on the proposed bill.

Vice-Mayor Frank said in talking with the Legislature, Council's delay in taking action on the municipal agreement will not delay the project. She said the requested right-of-way cost of $1,155,500.00 is equal to 6 cents on the tax rate, and felt members of Council should wait until a decision is made on the proposed bill.

Councilman Michalove noted that the Hendersonville Road widening has been a number one priority for a long time, and felt the adoption of this resolution would speed up the process for the widening of Hendersonville Road.

Councilman Bratton said she felt the resolution is a fair compromise and would allow the project to go forward.

Councilman Michalove moved for the adoption of the resolution. This motion was seconded by Councilman Bratton, which motion failed on a 3-3 deadlock vote with Councilman Boland, Vice-Mayor Frank, and Councilman Tisdale voting "no".

IV. NEW BUSINESS

A. ORDINANCE NO. 1630 - AN ORDINANCE AMENDING CHAPTER 13 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO PROVIDE A MISDEMEANOR PENALTY FOR VIOLATIONS OF PROVISIONS OF CHAPTER 13 (LITTERING)

Mayor Bissette said Section 13-9 of the Code of Ordinances of the City of Asheville currently provides that "any person continuing to violate any provision or requirement of any section or subsection of this chapter after notice of violation has been issued to him, or any person willfully failing, refusing or neglecting to comply with any such provision or requirements, shall, in addition to any other remedy, be issued a citation in which a penalty of fifty dollars ($50) shall be assessed for each offense with each and every day of violation being a distinct and separate offense. Upon failure to pay said penalty, a civil action may be instituted to enforce collection of same. The Council desires to amend this subsection to provide for a misdemeanor penalty for such violations in lieu of civil penalties.

Mayor Bissette said this amendment will be comparable with the County's ordinance and allow for a strong standardized enforcement in dealing with violators of Chapter 13 of the Code of Ordinances dealing with litter.

Councilman Boland noted that this is only one step in broading the enforcement of the Litter Ordinance. He said the City staff is now reviewing the current ordinance for amendments and will recommend the utilization of all departments in looking for problems relating to litter.

Evelyn Wyatt of the Montford community presented the following list of concerns that need to be addressed in amending the Litter Control Ordinance. 1) Setting trash out on wrong day; 2) dumping; 3) collecting or storing rubbish on property; 4) mowing of property; 5) automobiles on blocks without wheels, motors, etc.; 6) neglected fences, (maintain them or take them down); 7) neglect of sidewalks and property between sidewalk and gutter; 8) maintenance of property (including rear and sides).

Jim Cairnes of 209 Cumberland Avenue also requested a revision of the Housing Ordinance that would allow for demolition of houses without taking a one to one and a half year process.

Willamay Blankenship of 141 Cumberland Avenue requested that Council look into the problem of litter under the Chestnut Street Bridge.

Councilman Boland moved for the adoption of Ordinance No. 1630. This motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1630 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1630. This motion was seconded by Vice-Mayor Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1630 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1630. This motion was seconded by Vice-Mayor Frank, and failed on a deadlock vote of 3-3 with Mayor Bissette, Councilman Boland, and Councilman Tisdale voting "no".

Councilman Boland said he felt uncomfortable in adopting a ordinance on three readings on one particular day without giving the public an opportunity to respond.

V. CONSENT AGENDA

A. RESOLUTION 87-88 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A RIGHT-OF-WAY ENCROACHMENT AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND THE NORTH CAROLINA DEPARTMENT OF TRANSPORTATION

Resolution Book No. 16, Page 345

B. RESOLUTION 87-89 - RESOLUTION OF INTENT TO CLOSE A PORTION OF DALE STREET AND CALLING A PUBLIC HEARING ON THE QUESTION FOR JUNE 23, 1987

Resolution Book No. 16, Page 346

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the Consent Agenda was unanimously approved.

VI. OTHER BUSINESS

A. RESOLUTION NO. 87-90 - RESOLUTION AUTHORIZING THE TRANSFER OF LOTS D AND E AS INDICATED ON A SURVEY FROM THE CITY OF ASHEVILLE TO THE ASHEVILLE HOUSING AUTHORITY (SMALL LOTS LOCATED NEAR STEPHENS LEE RECREATION CENTER)

Mayor Bissette said there are several small lots located near Stephens Lee Recreation Center which are of no apparent benefit to the City of Asheville, and the Asheville Housing Authority desires to purchase this property from the City of Asheville for the Dollar A Lot Program. He said this resolution would authorize the Mayor to execute the documents necessary to transfer these lots from the City of Asheville to the Asheville Housing Authority.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 87-90 was unanimously adopted.

Complete text of Resolution No. 87-90 will be found in Resolution Book No. 16 at Page 347.

B. REQUEST TO INVESTIGATE MANOR PROPERTY

Councilman Michalove requested that the City Manager give members of Council a status report relative to the Manor property on Charlotte Street.

c. STATUS REPORT ON HOUSES IN MONTFORD AREA

Vice-Mayor Frank requested that the City Manager give members of Council a status report relative to the condemnation of houses in the Montford area.

D. RESOLUTION NO. 87-91 - RESOLUTION REQUESTING THAT THE GENERAL ASSEMBLY NOT ENACT ANY LEGISLATION WHICH WOULD PREVENT THE USE OF AMORTIZATION ON NON-CONFORMING SIGNS

Linn Brown, of 62 Macon Avenue, requested that members of Council adopt a resolution in opposition to a bill being proposed to take away local authority and control which would prevent the use of amortization of non-conforming signs. She said she felt this was an intrusion by the legislature on the powers of local governments.

Councilman Boland read the resolution stating that the City of Asheville has been developing a comprehensive planning strategy known as Alternatives of Asheville which has included the goals, objectives and ideals of many Asheville citizens. He said a major section of the Alternatives plan calls for greater regulation of signs within the City's jurisdiction including a significant recommendation which would establish an amortization schedule for all non-conforming signs inside and outside of the protective federal aid highway corridors. He said the General Assembly of North Carolina is processing a bill (HB1145) which would effectively prohibit the use of the amortization schedule by removing non-conforming signs. He said this resolution would request that the General Assembly not enact any legislation which would prevent the use of the amortization of non-conforming signs for

the following reasons: 1) the General Assembly would be removing a valuable, court-proven tool to improve the aesthetic quality of our mountain area, a quality which is critically important to our way of life and our economy; and 2) the removal of amortization would seriously impact the City's ability to effectively and practically remove non-conforming signs over a reasonable period of time.

The City Manager noted that the League of Municipalities is in opposition to the proposed bill.

Councilman Boland moved for the adoption of Resolution No. 87-91. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Complete text of Resolution No. 87-91 will be found in Resolution Book No. 16 at page 348.

Councilman Boland said he felt the City Council should adopt a resolution of intent to support the federal highway logo program. He said he would like to see this program accelerated.

E. REPORT RELATIVE TO INTERGOVERNMENTAL SERVICES COMMITTEE MEETING

Vice-Mayor Frank noted that the Intergovernmental Services Committee met today at 12:30 p.m. She said she would be giving members of Council a progress report on the meeting in the near future.

Councilman Bratton said since the County has approved the implementation of the 911 emergency number, she suggested that the Mayor coordinate with the County recognition to Scott Fowler for bringing the 911 emergency number to Council's and County Commissioner's attention.

F. EEO TASK FORCE MEETING

Councilman Boland noted that he had met with the City Manager and the Director of Personnel, and a meeting of the Equal Employment Opportunity Task Force has been scheduled for June 1, 1987 at 3:00 p.m.

G. REPORT RELATIVE TO STORM DRAINAGE ON HARNETT STREET

Upon inquiry of a citizen on Harnett Street, the Mayor said the City Manager is in the process of presenting a report to members of Council relative to the repair of emergency storm drainage problems. He said the Vance School area will be included in that report.

H. CLAIMS - EDITH OWENBY (WATER) - GRETA CLARK (PARKS & RECREATION)

City Manager presented claims from Edith Owenby and Greta Clark.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

I. RALPH BISHOP - ASHEVILLE POLICE DEPARTMENT - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the Asheville Police Department and lottery sales in the City of Asheville.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:20 p.m.

MAYOR

CITY CLERK

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland, Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter, City Manager Douglas O. Bean, and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF THE MINUTES - MAY 19, 1987 MEETING

Consideration was given to the approval of the minutes of the May 19, 1987, meeting.

Mayor Bissette announced approval of the minutes as submitted.

I. PROCLAMATIONS

A. MONTH OF JUNE, 1987 - "PROJECT ZETA, SAY NO TO DRUGS"

Mayor Bissette read a proclamation proclaiming the month of June, 1987 as "Project Zeta, Say No To Drugs". Mayor Bissette presented the proclamation to Mabel Hopkins, Past President of Beta Lambda Zeta Chapter of Zeta Phi Beta Sorority, Inc. He said the Council is very appreciative of what the Sorority is doing about a very serious problem in our community.

SPECIAL PRESENTATION

A. GEORGE HUMPHRIES - PRESENTATION ON BICENTENNIAL ACTIVITIES

Mayor Bissette introduced George Humphries, Chairman of the Asheville-Buncombe Bicentennial Committee. Mr. Humphries reviewed the organizational structure of the Bicentennial Commission from the national level to the local level. He said the purpose of the Bicentennial Commission is to promote, educate, and generate interest in The Constitution. He said the Committee will kick off the 3-year celebration on August 17th with an exhibit at City/County Plaza which will include a draft of The Constitution, an original Magna Carta, and an copy of the Declaration of Independence. He said other activities are planned throughout the 3-year celebration. He extended an invitation to anyone interested in ensuring the success of the celebration in our community to join the Bicentennial Committee.

Mayor Bissette thanked Mr. Humphries for all the hard work he had put into the Committee.

Councilman Price suggested that Mr. Humphries contact Mrs. Tom Dabney to see if she would be interested in serving on the Committee.

Councilman Tisdale suggested that Mr. Humphries contact Mr. William Cecil and see if he would be interested in serving on the Committee.

II. PUBLIC HEARINGS

A. TO RECEIVE PUBLIC COMMENTS ON THE COMMUNITY DEVELOPMENT NEEDS AND FINAL STATEMENT OF COMMUNITY DEVELOPMENT BLOCK GRANT OBJECTIVES FOR 1987-88

RESOLUTION NO. 87-92 - AUTHORIZING SUBMISSION OF A FINAL STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS FOR 1987-88

Mayor Bissette said this public hearing is being held to receive public comments on the community development needs and final statement of Community Development Block Grant Objectives for 1987-88. He said at the conclusion of the public hearing, the City Council will adopt a resolution authorizing the submission of the final statement of objectives and projected use of funds of Community Development Block Grant Entitlement Funds for 1987-88.

Mayor Bissette opened the public hearing at 4:30 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication

Scott Dedman of Pisgah Legal Services spoke in support of proposed budget for Community Development Funds. He said the budget shows strong support for housing for low and moderate income families. He also recommended that the Economic Development Program for the YMI be considered for funding.

Mayor Bissette closed the public hearing at 4:35 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Vice Mayor Frank, seconded by Councilman Price, Resolution No. 87-92 was unanimously adopted.

Complete text of Resolution No. 87-92 will be found in Resolution Book No. 16, page 349.

III. OLD BUSINESS

A. Second reading of Ordinance No. 1629, an ordinance rezoning property located on Vanderbilt Road from R-3 Residential District to R-1 Residential District.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held March 25, 1987, discussed the request of Asheville City Council that consideration be given to rezoning certain lots on Vanderbilt Road from R-3 Residential District to R-1 Residential District. After review and discussion,

the Commission voted to recommend to City Council that Lots 58-1/2, 56-1/2, 56-1/4 and a portion of Lots 54 and 53-1/2, Sheet 4, Ward 7 be rezoned from R-3 Residential District to R-1 Residential District. He said this ordinance passed on first reading on May 19, 1987.

O. Claude Smith, resident of 296 Vanderbilt Road and owner of Lot 56-1/2, spoke in opposition to the proposed rezoning. He said when he checked into the building permit for a cabinet shop being built behind his property, the permit indicated it was an extension of an existing building. He said he inquired whether this could be done in a R-3 zone, and was assured that it would make no difference if it was in a R-1 zone. He said, in his opinion, there was no rational reason for City Council to request the rezoning. In addition, he said, there is a growing concern that City Council not "spot zone" and that the property adjacent to these lots are not zoned R-1. He also said he didn't believe City Council had adequately investigated services rendered by the City of Asheville to the lots in question prior to requesting that the lots be rezoned. He said if the City of Asheville failed to take action on the rezoning, it might encourage Biltmore Forest to work more closely with the City of Asheville on changing the boundaries.

Upon inquiry of Councilman Tisdale, Mr. Smith confirmed that he is the owner of Lot 56-1/2 and that part of his property is within the boundaries of the City of Asheville and Biltmore Forest and that he pays taxes to both municipalities.

Councilman Tisdale said the purpose of the rezoning is to protect the residential aspects of Vanderbilt Road.

Councilman Price questioned whether or not the surrounding property, which is located within the boundaries of Biltmore Forest, has zoning equivalent to that of the R-1 Residential District proposed by the City of Asheville.

Mayor Bissette assured Mr. Smith that Biltmore Forest was anxious to change the boundaries. He said changing the boundaries is a more complicated process and would require action by the General Assembly.

Councilman Michalove moved to postpone the second reading of Ordinance No. 1629 until June 9, 1987, to request that the City Manager obtain a report from the Inspections Division relative to the cabinet shop, that the City Manager meet with Mr. Smith regarding services, that the City Manager obtain a clear report on where taxes are being paid, and to request the City Attorney to render an opinion on the question of spot zoning.* This motion was seconded by Councilman Price and carried unanimously. *and for the City staff to contact the property owners involved, particularly being Mrs. Taylor and Mrs. Anderson.

Mayor Bissette requested that the Biltmore Forest also be contacted so the Council would have the benefit of hearing from them prior to the second reading scheduled for June 9th.

B. THIRD READING OF ORDINANCE NO. 1630, AN ORDINANCE AMENDING CHAPTER 13 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEIVLLE (LITTERING) TO PROVIDE A MISDEMEANOR PENALTY FOR VIOLATIONS OF THE PROVISIONS OF CHAPTER 13

Mayor Bissette said Section 13-9 of the Code of Ordinances of the City of Asheville (Littering) currently provides that "any person continuing to violate any provision or requirement of any section or subsection of this chapter after

notice of violation has been issued to him, or any person willfully failing, refusing or neglecting to comply with any such provision of requirements, shall, in addition to any other remedy, be issued a citation in which a penalty of fifty dollars ($50) shall be assessed for each offense with each and every day of violation being a distinct and separate offense. Upon failure to pay said penalty, a civil action may be instituted to enforce collection of same. The Council desires to amend this subsection to provide for a misdemeanor penalty for such violations in lieu of civil penalties. He said this ordinance passed on first and second reading on May 12, 1987.

On a roll vote of 7-0, Ordinance No. 1630 passed on third and final reading.

Complete text of Ordinance No. 1630 will be found in Ordinance Book No. 11 at page 131.

IV. NEW BUSINESS

A. PRESENTATION OF THE CITY OF ASHEVILLE BUDGET FOR 1987-88 AND SCHEDULING A PUBLIC HEARING RELATIVE TO THE BUDGET FOR JUNE 9, 1987

Mayor recognized City Manager Doug Bean for presentation of the Budget.

City Manager Doug Bean presented copies of the proposed budget to the Mayor and Members of City Council. He gave a detailed summary of each fund included in the budget. He said the proposed 1987-88 Budget of $45,483,509 maintains the current tax rate of 68 cents per $100 valuation. Mr. Bean recognized the work Department and Division Heads had done in putting together their budget requests and thanked Bob Wurst and the staff of the Audit and Budget Department for their efforts. He said Bob Wurst had gone beyond the call of duty in putting the budget together. He thanked the Council for their support and the many hours they had devoted to reviewing the budget.

Councilman Price moved to schedule a public hearing on the 1987-88 Budget for June 9, 1987. This motion was seconded by Councilman Boland and carried unanimously.

B. ORDINANCE NO. 1631 - BUDGET ORDINANCE AMENDMENT - TO APPROPRIATE LOCAL FUNDS FOR INTEREST REDUCTION COST OF NCHFA HOME IMPROVEMENT LOAN PROGRAM

Mayor Bissette said this budget ordinance amendment will appropriate $10,564 of General Fund revenue for the required interest reduction cost of the North Carolina Housing Finance Agency (NCHFA) Home Improvement Loan Program. The City's participation in this program will leverage $70,000 of NCHFA funds for owner occupied housing rehabilitation loans. He said local funds will be provided from the General Fund non-department contingency account.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1631. This motion was seconded by Vice Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1631 passed on first and final reading.

Complete text of Ordinance No. 1631 will be found in Ordinance Book 11 at page 132.

C. RESOLUTION NO. 87-93 - RESOLUTION AUTHORIZING THE MAYOR TO SIGN AN AGREEMENT BY AND AMONG THE CITY OF ASHEVILLE, THE COUNTY OF BUNCOMBE, AND THE STATE OF NORTH CAROLINA TO ESTABLISH THE METROPOLITAN ENFORCEMENT GROUP (MEG) TO ENFORCE DRUG LAWS IN ASHEVILLE AND BUNCOMBE COUNTY

Mayor Bissette said the City of Asheville, the County of Buncombe, and the State of North Carolina have joined together in a cooperative program to enforce the drug laws of the State of North Carolina through the establishment of the Metropolitan Enforcement Group (MEG). This program will provide a successful and economical approach to enforcing drug laws in Buncombe County. Manpower will be provided by the City, the County, and the State for the operation of this program. He said Buncombe County Commissioners have already approved the agreement and it has been signed by their Chairman. He said he hopes this program will provide the enforcement manpower we need to put teeth in our drug laws.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety unless there was a specific request to do so.

Ralph Bishop inquired whether or not lottery laws could be included in the drug enforcement agreement.

Upon motion of Councilman Boland, seconded by Vice Mayor Frank, Resolution No. 87-93 was unanimously adopted.

Complete text of Resolution No. 87-93 will be found in Resolution Book No. 16 at page 350.

D. BIDS - REHABILITATE AND REPOWER FIFTEEN (15) 30-FOOT GMC TRANSIT COACHES FOR THE ASHEVILLE TRANSIT AUTHORITY

Mayor Bissette said bids were received on April 24, 1987 to rehabilitate and repower fifteen (15) GMC Transit Coaches for the Asheville Transit Authority. Two bids were received - ABC Bus Manufacturing, Faribault, Minnesota, in the amount of $800,055.00; and Midwest Bus Rebuilders Corporation of Owosso, Michigan, in the amount of $804,750.00. Don Heaton, ATA Manager, and Carl Ownbey, ATA Planner, have reviewed the bids for technical compliance to specifications and find that the low bid submitted by ABC Bus Manufacturing, Inc. does meet specifications. He said this purchase is approved by UMTA Project No. NC-90-X030 and funds are available in Account No. 67-916-0740-916 for this work.

Carl Ownbey, Planner for Asheville Transit Authority, said these buses are 1969 models, are totally city-owned, and this work is expected to extend the life of the buses another 5-7 years.

Vice Mayor Frank moved to award the bid to the low bidder, ABC Bus Manufacturing in the amount of $800,055.00. This motion was seconded by Councilman Tisdale and carried unanimously.

V. CONSENT AGENDA

A. APPROVAL OF BIDS FOR COMPUTER WORK STATIONS, HARDWARE, AND SOFTWARE FOR THE GENERAL ADMINISTRATION, FINANCE, AND PLANNING DEPARTMENTS

B. APPROVAL OF BIDS FOR SKID STEER LOADER AND MULTI-PURPOSE BUCKET/PARKS DEPT.

C. RESOLUTION NO. 87-94 - AUTHORIZING THE CITY MANAGER TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND BETWEEN THE CITY AND BUNCOMBE CONSTRUCTION COMPANY FOR CONSTRUCTION OF AN ADDITION TO THE ASHEVILLE TRANSIT AUTHORITY

Resolution Book 16, page 351.

D. RESOLUTION NO. 87-95 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE AN AGREEMENT BY AND AMONG THE NORTH CAROLINA HOUSING FINANCE AGENCY AND FIRST FEDERAL SAVINGS AND LOAN ASSOCIATION FOR THE HOME IMPROVEMENT LOAN PROGRAM

Resolution Book 16, page 352.

Upon motion of Councilman Price, seconded by Vice Mayor Frank, the Consent Agenda was unanimously approved.

VI. OTHER BUSINESS

A. COUNCILMAN PRICE - RESOLUTION REQUESTING NORTH CAROLINA GENERAL ASSEMBLY NOT TO PASS HB 1145 PROHIBITING THE USE OF THE AMORTIZATION SCHEDULE OF REMOVING NON-CONFORMING SIGNS

Councilman Price said she noticed in last week's minutes that Council had adopted a resolution requesting that the North Carolina General Assembly not pass HB 1145 prohibiting the use of the amortization schedule of removing non-conforming signs. She inquired about the timeframe and possibility of Council adopting an ordinance relative to non-conforming signs.

Mayor Bissette requested that the City Manager give Council a report next week on exactly what HB 1145 is doing and what alternatives the Council might have.

B. CLAIMS - JUDITH RICE (WATER), EARL CARSON (SANITATION), AND RALPH CONGDON (CIVIC CENTER)

The City Manager presented claims received from Judith Rice (Water), Earl Carson (Sanitation), and Ralph Congdon (Civic Center).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

C. LAWSUITS - HOUSING AUTHORITY OF THE CITY OF ASHEVILLE VS. SIDNEY M. SCHOCHET AND WIFE, MARY P. SCHOCHET, ET AL

The City Manager said the City was served with a summons in connection with a lawsuit involving the Housing Authority of the City of Asheville vs. Sidney M. Schochet and wife, Mary P. Schochet, et al (condemnation of property - East End/Valley Street Project).

Mayor Bissette referred the summons to the Corporation Counsel for investigation and recommendation.

D. RALPH BISHOP - ASHEVILLE POLICE DEPARTMENT - LOTTERY SALES

Ralph Bishop addressed the Council relative to the Asheville Police Department and the lack of enforcment relative to lottery sales in the City of Asheville.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:25 p.m.

MAYOR

CITY CLERK

Tuesday - June 2, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott.

Absent: None

INVOCATION

The invocation was given by Vice-Mayor Mary Lloyd Frank.

APPROVAL OF THE MINUTES - MAY 26, 1987 MEETING

Consideration was given to the approval of the minutes of the May 26, 1987, meeting.

Mayor Bissette announced the approval of the minutes with several noted corrections.

PRESENTATION BY ASHEVILLE HOUSING AUTHORITY - PAYMENT IN LIEU OF TAXES

Mrs. Earl Shook, member of the Asheville Housing Authority, and David Jones, Executive Director of the Housing Authority, presented Mayor Bissette with a check in the amount $54,929.29, less $7,433.67 for collection of sanitation services, as payment in lieu of taxes. Mrs. Shook noted that the Housing Authority has refunded over $225,000.00 to the City as payment in lieu of taxes since 1951.

I. PROCLAMATIONS

A. MONTH OF JUNE, 1987, AS "RAPE PREVENTION MONTH"

Mayor Bissette proclaimed the month of June, 1987 as "Rape Prevention Month". He said a copy of the proclamation would be forwarded to the Rape Crisis Center.

B. JUNE 5 - 7, 1987, AS "UNITED STATES POSTAL SERVICE CAREER AWARENESS"

At the request of the United States Postal Service, Mayor Bissette proclaimed June 5 - 7, 1987 as "United States Postal Service Career Conference Days".

C. JUNE 1 - 6, 1987, as "MANAGEMENT WEEK"

Mayor Bissette proclaimed June 1 - 6, 1987 as "Management Week".

Mayor Bissette presented the proclamation to Wilma Momkes and Tom Parker, with the Chapter Relations of the National Management Association.

RESOLUTION NO. 87-96 - RESOLUTION HONORING ASHEVILLE HIGH SCHOOL'S MEN'S TENNIS TEAM, 4-A STATE CHAMPIONSHIP 1987

Mayor Bissette read a resolution honoring Asheville High School's Men's Tennis Team for winning the 4-A State Championship in Chapel Hill on Thursday, May 28, 1987.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-96 was unanimously adopted.

Complete text of Resolution No. 87-96 will be found in Resolution Book No. 16 at Page 353.

Mayor Bissette recognized Brigitte Worden, coach for the men's tennis team, and tennis team members John Bristow and Todd Bagley.

ORDINANCE NO. 1632 - BUDGET ORDINANCE AMENDMENT APPROPRIATING FUNDS FOR LAND ACQUISITION FOR WALL STREET PROJECT

The City Manager noted that the City is in the process of closing on properties for the Wall Street Parking Garage and it is necessary to appropriate the funds to purchase the properties. He said the funding would be $500,000 from general revenue sharing and $325,000 from the sale of airport (WCI) properties, however, this would be reimbursed by bond proceeds. He said the closing cost for the Wall Street project is $778,779.50.

Councilman Boland moved for the adoption of Ordinance No. 1632. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1632 passed on first and final reading.

Complete text of Ordinance No. 1632 will be found in Ordinance No. 11 at page 133.

II. PUBLIC HEARINGS

A. PUBLIC HEARING RELATIVE TO CLOSING CERTAIN ALLEYS AND PORTIONS OF AN ALLEY IN THE BLOCK BOUNDED ON THE NORTH BY WALNUT STREET, ON THE EAST BY RANKIN AVENUE, ON THE SOUTH BY COLLEGE STREET AND ON THE WEST BY HAYWOOD STREET.

Mayor Bissette said the City Council deems it in the best interest of the City to permanently close the alleys. Said alleys are under the sole and exclusive authority and control of the City of Asheville and are not under the authority and control of the North Carolina Department of Transportation. The closing will not be either detrimental or contrary to the public interest of the property rights of any individual in the vicinity of the alleys and the closing will not deprive any individual of reasonable means of ingress and egress to his property.

Mayor Bissette opened the public hearing at 4:23 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

The City Manager, by the use of a map, showed the location of the alleys proposed to be closed for the construction of the Rankin Street Parking Garage.

Albert Sneed, Attorney representing Daniels Business Service, Inc., said his client owns property in the vicinity of the alley proposed to be closed. He said his client does not want to stand in the way of the construction of the parking garage; however, the closing of the alley would be detrimental to his client's property rights and would deprive him of ingress and egress to his business.

He said his client has used the proposed alley for purposes of ingress and egress for many years for shipping and delivery of goods.

Alfred Miller, former owner of Daniels Business Service, said he had also used the alley for shipping and delivery since 1924.

Bill Culbertson, employee of Daniels Graphics, said tractor-trailer rigs use the alley and have used the alley daily since 1951 for delivery of printing goods.

David Aiton, with Danie Johnson Architects, showed members of Council drawings as to how the alley is currently used by Daniels Business Service.

Jim Daniels, owner of Daniels Business Service, said if the alley in question is closed there won't be room for the tractor trailer rigs to approach his business. He said if the trucks cannot approach the business, the business will cease to exist and if the businesses aren't there, there will not be the need for a parking deck downtown.

John Tyson, legal counsel for Revco Drugstores, owner of property at 19-20 Haywood Street stated that his client owns property adjoining the alley proposed to be closed. He said his client has occupied that building for 18 years and has used the alley for delivery and service. He said it is his understanding that the plan calls for the narrowing of the alley that handles the large trucks delivering to the rear entrance to the Revco drugstore fronting Haywood Street and the rear of the old Bon Marche building farther up Haywood. He said the closing of the alley or the narrowing would be a violation of the public interest and deprive the individual property owners of ingress and egress.

Lou Millen, owner of T. S. Morrison Company, spoke in support of the construction of the Rankin Street Parking Garage.

John Powell, Attorney representing Frank Laughran Estates and owner of Bon Marche buildings, expressed concern over the narrowing of the alley that services the rear of the old Bon Marche buildings.

Bill Duckworth, rental agent for the Laughran heirs, and Myers Arnold, said the alley in question is a major direct access to the rear of several businesses. He said he felt the alley and proposed parking deck could be engineered in some way to allow the property owners ingress and egress to their property.

Betty Kdan, with High County Crafters on Haywood Street, asked members of Council whether or not she would be able to use the stairway during construction of the parking garage.

John Cooper, with Enwright Associates, said his company had completed the design for the Rankin and Wall Street Parking Decks. He said he had looked into all the problems expressed by the businesses and into several alternatives to those problems. He said any of the alternatives would be impractical and extremely expensive to the City.

A lengthy discussion was held relative to the alternatives to closing the alley and resolving the problems of existing businesses in the area.

Councilman Michalove moved to continue the public hearing for one week without further advertisement giving the City Manager and Enwright Associates an opportunity to discuss alternatives and solutions to the existing businesses' concerns. This motion was seconded by Councilman Boland and carried unanimously.

At the request of Councilman Boland, Mr. Daniels said he would solicit alternative ideas from architects of his choosing and present the findings at next week's meeting.

Mayor Bissette requested that John Cooper give members of Council a cost estimate on a "notch" in the deck that would allow Daniels' trucks to maneuver in the alley and also cost estimates for widening the alley.

III. OLD BUSINESS

None scheduled.

IV. NEW BUSINESS

A. ORDINANCE NO. 1633 - ORDINANCE AMENDING **PARKING RATES ESTABLISHED IN THE ASHEVILLE CODE OF ORDINANCES SECTION 28-128 AS AMENDED**

Mayor Bissette said this ordinance will amend the entire Section 28-128 as amended in order to allow for the establishment of a new policy regarding rates to be charged for off-street parking. He said this ordinance would be effective at 12:00 p.m. on June 30, 1987.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be re-read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

Councilman Boland moved for the adoption of Ordinance No. 1633. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1633 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1633. This motion was seconded by Vice-Mayor Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1633 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1633. This motion was seconded by Vice-Mayor Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1633 passed on third and final reading.

Complete text of Ordinance No. 1633 will be found in Ordinance Book No. 11 at page 134.

B. RESOLUTION NO. 87-97 - RESOLUTION ESTABLISHING POLICY REGARDING RATES TO BE CHARGED FOR ALL OFF-STREET PARKING IN THE CITY OF ASHEVILLE

Mayor Bissette said the City Council has established a downtown parking enterprise fund for the purpose of accounting for downtown parking as a self-supporting operation. Parking rates should be adequate to support the cost for providing parking services and should be reviewed periodically to determine if they are adequate and competitive. A new rate schedule for off-street parking will be in effect July 1, 1987. The rate schedule will be incorporated in the City's fees and charges manual for reference and be reviewed and adopted annually with the fees and charges manual.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-97 was unanimously adopted.

Complete text of Resolution No. 87-97 will be found in Resolution Book No. 16 at page 354.

C. RESOLUTION NO. 87-98 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE A LEASE ON BEHALF OF THE CITY OF ASHEVILLE FOR PROPERTY AT ASHEVILLE REGIONAL AIRPORT FOR WIND SHEAR TOWER

Mayor Bissette said the Federal Aviation Agency desires to construct, as a safety aid, a series of Wind Shear Towers in and around the Asheville Regional Airport. One of the towers is to be located on City of Asheville property adjacent to the airport. The FAA requests a lease to be executed for this 20' x 20' piece of property. The FAA has further requested that since this additional safety aid is in the best interest of the Asheville Regional Airport and the City of Asheville that there be no monetary consideration in the form of rental. This resolution will authorize the Mayor to execute said lease agreement.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Michalove, seconded by Councilman Bratton, Resolution No. 87-98 was unanimously adopted.

Complete text of Resolution No. 87-98 will be found in Resolution Book No. 16 at page 355.

D. RESOLUTION NO. 87-99 - RESOLUTION IDENTIFYING AREAS AS BEING UNDER CONSIDERATION FOR ANNEXATION BY THE CITY OF ASHEVILLE

Mayor Bissette said pursuant to Part III, Article 4-A of Chapter 160A of the General Statutes of North Carolina, this resolution will identify areas that the City of Asheville is considering for future annexation.

Verl Emrick, Director of Planning, by the use of a map, outlined the boundaries around the City that will be considered for annexation in the next three years.

Upon motion of Councilman Michalove, seconded by Councilman Boland, Resolution No. 87-99 was unanimously adopted.

Complete text of Resolution No. 87-99 will be found in Resolution Book No. 16 at page 356.

E. RESOLUTION NO. 87-100 - RESOLUTION DIRECTING THE CITY CLERK TO ADVERTISE AN OFFER FOR THE LEASE OF PROPERTY BY THE CITY OF ASHEVILLE TO THE ASHEVILLE-BUNCOMBE DEVELOPMENT CORPORATION IN CONNECTION WITH THE CONSTRUCTION OF THE WALL STREET AND RANKIN AVENUE PARKING GARAGES

Mayor Bissette said the City of Asheville has negotiated an offer to lease property to the Asheville-Buncombe Development Corporation. The offer provides for the lease of property upon the condition that the Asheville-Buncombe Development Corporation cause to be constructed upon each of said properties, a parking garage complex, both of which will be leased to the City by the Asheville-Buncombe Development Corporation, with the lease payments to be based upon the expenses incurred by Asheville-Buncombe Development Corporation in connection with the garages. He said this resolution will direct the City Clerk to advertise a notice of the negotiated offer.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 87-100 was unanimously adopted.

Complete text of Resolution No. 87-100 will be found in Resolution Book No. 16 at page 357.

V. CONSENT AGENDA

None scheduled.

VI. OTHER BUSINESS

PUBLIC HEARINGS SCHEDULED

CHEROKEE PLACE SHOPPING CENTER US 74 - FAIRVIEW ROAD - SITE PLAN

MILKCO, INC. - 220 BEAVERVIEW ROAD - SITE PLAN

STOWAWAY WAREHOUSES - WILMINGTON ROAD - SITE PLAN

Councilman Price moved to schedule public hearing for the Cherokee Place Shopping Center site plan, Milkco, Inc. site plan and the Stowaway Warehouses on Wilmington Road site plan for June 16, 1987. This motion was seconded by Councilman Tisdale and carried unanimously.

CIVIL SERVICE BOARD ELECTION RESULTS

The City Manager noted that an election was held on Thursday, May 28, 1987, by the employees of the Classified Service and George Bancroft and David Ward, were elected as members of the Civil Service Board.

REQUEST OF PLANNING & ZONING COMMISSION RELATIVE TO AMORTIZATION OF NON-CONFORMING SIGNS

Councilman Price moved to ask the Planning & Zoning Commission to make a recommendation to City Council concerning the feasibility of amending the zoning ordinance to provide for the amortization of non-conforming signs. This motion was seconded by Councilman Boland and carried unanimously.

WAYNE WARREN - ASHEVILLE POLICE DEPARTMENT

Wayne Warren, with the Asheville Police Department, spoke to members of Council relative to the salary levels of employees of the Asheville Police Department. He said a survey was conducted which revealed that the Asheville Police Department topped 22% in the loss of personnel in the past 17 months. He said the Asheville Police Department is losing experienced personnel and 89% of the employees stated pay as the #1 reason for leaving. He said he feels service to the citizens of Asheville is being hampered by the loss of this experienced personnel. He said the majority of the officers leaving are staying in the law enforcement career but are leaving for more money. He said this was going to have a long-term effect on the City of Asheville. He said at present two-thirds of the bureau has less than five years experience. He requested that Council consider these facts in the upcoming budget.

Upon inquiry of Councilman Tisdale, Mr. Warren said he was speaking as President of the Police Benevolent Association.

Mayor Bissette told Mr. Warren Council would look into his concerns.

CLAIMS - CHARLES SMITH (STREETS) - WILLIAM BLOUNT (TRAFFIC ENGINEERING) - CARRIE SIRCEY (WATER)

The City Manager presented claims received from Charles Smith, William Blount, and Carrie Sircey.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - GERRI LYNN MOORE VS. CARL LEROY DAVIS AND THE CITY OF ASHEVILLE (BODILY INJURIES RESULTING FROM AUTOMOBILE ACCIDENT)

The City Manager said the City was served with a lawsuit on May 29, 1987, as a party in the Geri Lynn Moore vs. Carl Leroy Davis and the City of Asheville case regarding bodily injuries resulting from an automobile accident.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 7:20 p.m.

Mayor

City Clerk

Tuesday - June 9, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Mary Lloyd Frank

INVOCATION

The invocation was given by Councilman Wilhelmina Bratton.

APPROVAL OF THE MINUTES - JUNE 2, 1987 MEETING

Mayor Bissette announced the approval of the minutes of the June 2, 1987 meeting with several noted corrections.

INTRODUCTION OF ANNA WARREN, MISS ASHEVILLE

Barbara Pate introduced Anna Warren, Miss Asheville.

Mayor Bissette and members of Council wished Miss Warren the best in the upcoming Miss North Carolina pageant.

II. PUBLIC HEARINGS

A. PUBLIC HEARING - CITY OF ASHEVILLE BUDGET FOR FISCAL YEAR 1987-88

Mayor Bissette opened the public hearing at 4:15 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing, and the affidavit of publication.

The City Manager noted that the budget was presented on May 26, 1987, along with the budget message.

David Anders, President of the Firefighters Association, speaking on behalf of all fire department personnel and retirees, spoke to members of Council relative to the pension and disability fund and pay inequities. Mr. Anders read the following statement:

June 9, 1987

Dear Council Member:

Our request concerning pay and retirement benefits were given to you April 7, 1987. Since that time the City Manager has promised to investigate our concerns.

The fire personnel are fully aware the City of Asheville operates under a council/manager form of government and personnel matters are the responsibility of the City Manager. We fully intend to support him under our existing system, however, records show the city's policy has constantly discriminated against fire employees for over thirty years and developing policy is the responsibility of the Council.

Given the above factors, the public hearing of the 87-88 budget, and that it has been over two months since we made our original requests, we bring our petition before you.

City's Contribution Less

From 1939 to 1955 both the City of Asheville and the Fire Department Employees contributed 2% of the gross salary to the Firemen's Pension and Disability Fund. In 1955 the fire employees contributions were increased to 5% and the city dropped their contribution to zero in 1956 and 1957 (see Attachment 1). For 15 years (1956-1971) the city contributed approximately 1.2%. Attachment 1 shows the city contributed zero to the pension during the fiscal year 69-70. A statement of receipts and disbursements for the Firemen's Pension Fund, December 31, 1970, shows the city actually withdrew $12,598.57 from the account. No other city department retirement program suffered such neglect and abuse.

Firemen's Relief Fund

The Firemen's Relief Fund was established in 1908 by Chapter 118 of the North Carolina General Statutes. The law required that fire insurance companies, doing business in cities with organized fire departments, pay fifty cents (50¢) of every one hundred dollars worth of premiums to the Firemen's Relief Fund to be disbursed for the benefit and welfare of retired fire fighters.

The City of Asheville had Section 118-7 amended in 1959 by Chapter 759 of the 1959 Session Laws of the North Carolina General Assembly (Attachment 2), which required that all funds in excess of ten thousand dollars be paid to the Asheville Firemen's Pension and Disability Fund each year.

Statements of Receipts and Disbursements, Firemen's Pension and Disability Fund, which were submitted to the City Council each year, reveal that relief fund monies were never deposited in the Pension Trust Fund until 1977. Cross checking with figures from Attachment 1, along with the additional information from the yearly statements support this conclusion (see Attachment 3).

The city was in violation of the amendment to G.S. 118-7 and no other city employees were required to suppliment their retirement program beyond the amount deducted from their salary. The city has discriminated against fire department employees for twenty years by taking this money.

Disability Retirement

In 1979 the fire department employees voted to transfer to the Local Government Employees Retirement Ststem (LGERS). The Fire Retirement Committee asked that the city make up the difference anytime LGERS was less than the old pension. Fire fighters who have been disabled receive approximately 47% retirement based on thirty years service time credit. Just recently the police transferred to LGERS and the council has agreed to suppliment disabled retirees up to 70% of their salary at the time of retirement. Since both retirement plans were the same, why has the City of Asheville given fire fighters less consideration?

Present Employees

When fire department employees transferred to LGERS, we were required to pay our way. Other city employees were transferred with little or no money involved. Since 1979 the city has been paying into two retirement plans for all other city employees. Again, city policy has been to discriminate against fire department employees with only one retirement plan. We ask again, why are fire department employees given less consideration than all other city employees?

Minimum Retirement

Just recently this City Council voted to increase police pensions to a minimum of $400.00 per month and officers widows to $200.00 per month. We have retired fire fighters drawing less than $200.00 each month and widows less than $75.00 without Social Security. This Council is aware that both fire and police retirement plans were identical and set up at the same time. Why were retired fire fighters given less consideration?

Comparison of Pay

Comparisons of pay and benefits obtained from fire department administrators in nine cities in North Carolina show Asheville as the lowest paid department. Cities, the approximate size of Asheville, such as

Chapel Hill and High Point, start fire fighters at close to $2,000.00 more per year. Overall average for beginning pay is 17.4% higher than Asheville. Hendersonville, with only two stations, start fire fighters at $14,780.00, $1,230.00 more than Asheville. The majority of the cities contacted have some type of longevity compensation and most cities are paying into an additional retirement plan for their employees. This is not true in Asheville.

It should be pointed out that this is fiscal year 86-87 comparisons on pay. Even if we were brought up to these averages, given that all departments were expecting from 3.5% to 6% raises, we would still be below average July 1, 1987.

Requests

1. We request the city return the money taken between 1959 and 1979 ($166,996.79 plus interest) to the local relief fund account. The city recently bought out the Law Enforcement Officers Retirement (LEO) at a much greater cost. Why should fire department employees be given less consideration than other city employees.

2. We ask the city keep faith with fire employees in the pension subsidy request. This was intended to include disability as well as normal retirement. Our disabled retirees are now making 47% of salary where under the old plan they made 70%. Disabled police will receive 70%.

3. We request the city meet with fire employees and work out an additional retirement program. All city employees except fire fighters have two (2) retirement plans.

4. We request that all retired employees be brought to a minimum of $400.00 each month and their widows to $200.00. This was done for other department employees.

5. We request that this Council develop policy to bring fire department employees to a midpoint average of pay, using cities in North Carolina the approximate size or larger than Asheville. This was done when determining the salary for the City Manager.

(1) The figures in this colu are total Fire Dept. payrolls for fiscal years listed. These payrolls include some personnel not covered by the Firemen's Pension Fund and therefore, cannot be used to compute figures shown in Column 4. Column 4 figures are actual contributions deposited into the Firemen's Trust Fund taken from financial records and audit reports of the City of Asheville.

(2) Firemen covered by the Asheville Firemen's Pension Fund contributed 2% of their gross pay until FY '55 when changes in the Pension Law raised that figure to 5%.

Attachment # I

Sec. 2. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 3. This Act shall be in full force and effect on and after July 1, 1959.

In the General Assembly read three times and ratified, this the 4th day of June, 1959.

H. B. 994 CHAPTER 759

AN ACT TO AMEND G. S. 118-7 RELATING TO THE DISBURSEMENT OF FUNDS BY TRUSTEES OF THE FIREMEN'S RELIEF FUND OF THE CITY OF ASHEVILLE IN BUNCOMBE COUNTY.

The General Assembly of North Carolina do enact:

Section 1. G. S. 118-7, as the same appears in Replacement Volume 3B of the General Statutes, is hereby amended by adding at the end of said Section a proviso which shall read as follows:

"Provided, that the board of trustees duly appointed under G. S. 118-6 shall be required to pay over to the Asheville Firemen's Pension and Disability Fund on July 1st of each year all sums entrusted to said trustees in excess of the sum of ten thousand dollars ($10,000.00)."

Sec. 2. All laws and clauses of laws in conflict with this Act are hereby repealed.

Sec. 3. This Act shall become effective upon its ratification.

In the General Assembly read three times and ratified, this the 4th day of June, 1959.

H. B. 1012 CHAPTER 760

AN ACT TO AMEND G. S. 7-70 RELATING TO THE TERMS OF SUPERIOR COURT IN PERQUIMANS COUNTY.

The General Assembly of North Carolina do enact:

Section 1. That portion of G. S. 7-70, as the same appears in the 1957 Cumulative Supplement to Volume 1B of the General Statutes, which fixes the terms of Superior Court to be held in Perquimans County is hereby amended to read as follows:

"Perquimans—The fifth Monday before the first Monday in March to continue one week for the trial of civil cases only; the first Monday after the first Monday in March to continue one week for the trial of civil cases only; the sixth Monday after the first Monday in March; the eighth Monday after the first Monday in September."

Sec. 2. That portion of G. S. 7-70, as the same appears in the 1957 Cumulative Supplement to Volume 1B of the General Statutes, which authorizes the Chief Justice to assign the judge holding the courts of the first judicial district to hold terms of court on certain specified weeks is hereby amended by deleting from line four thereof the words "the first Monday after the first Monday in March" and inserting in lieu thereof the words "the fourth Monday before the first Monday in March".

ASHEVILLE FIREMEN'S PENSION AND DISABILITY FUND
1959 - 1971

RECEIPTS		DISBURSEMENTS	
1959 Balance on Hand	$ 34,710.13	1959-1971 Pension Paid	$700,106.61
1959-1971 City Contribution	119,904.27	1959-1971 Custodian Bond	126.69
1959-1971 Firemen's Contribution	519,566.01		$700,233.30
1959-1971 Interest	31,422.93		
Investment N.C. National Bank	83.33		
Proceeds from U.S. Bond Matured	50,538.71		
	756,225.38		
Minus 1970 City Take Back	-12,598.57		
	$743,626.81		

1959-1971 Receipts without adding in N.C. Firemen's Relief Fund	$743,628.81
1959-1971 Total Disbursements	700,233.30
Balance	$ 43,393.51

1971 Statement of Receipts and Disbursements show a balance of $12,419.19. The difference in these totals can be explained by the fiscal and calendar year-end totals.

Contribution figures are from Attachment 1, using the Fiscal years 58-59 through 70-71. Attachment 1 came from a City Managers report to the council in 1977. Figures for Balance on Hand, Interest, U.S. Bonds and Custodian Bond came from Statement of Receipts and Disbursements, Firemen's Pension and Disability Fund, which are calendar year totals from 1959-1971. Obviously the year-end total would not match. Consquently, we used 1959-1971 yearly totals to show that the N.C. Firemen's Relief Fund money was never deposited into the Asheville Firemen's Pension and Disability Fund. Total relief fund monies received by the city during 1959-1971 came to $109,834.61. Had this money been placed into the pension fund the balance would have been in excess of $150,000.00.

Mayor Bissette said the City Manager is presently looking into these concerns and would have a report to members of Council very soon. He said it is the Council's desire to treat all employees fairly.

Upon inquiry of Councilman Boland, Mr. Anders said fire department personnel are requesting an 18% increase in salary which would be comparable to other cities in North Carolina.

Council instructed the City Manager to work up a position paper on the concerns expressed by Mr. Anders.

Councilman Michalove moved to budget the contribution to the Chamber of Commerce in the amount of $80,447 ($37,542 for tourist and promotion and $42,905 for economic development) and $100,000 to be budgeted for a special Economic Development Program contingent upon the funds not being expended until detail plans, budgets, and contracts are approved by Council. Further, that $26,834 be budgeted for minority business development contingent upon the funds not being expended until agencies working in this field come up with detailed plans, budgets, and contracts which is to be approved by Council. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Tisdale requested a report from the City Manager on all funds being spent on economic development in the City of Asheville.

Councilman Boland said he felt the $100,000 investment to economic development through the Economic Development Summit would return many dollars to the City of Asheville. He also noted that the City would have representatives on the Economic Development Council to carry forth specific plans.

Councilman Michalove's motion carried unanimously.

Ralph Bishop spoke in opposition to the City of Asheville budget for 1987-88 and the appropriation for economic development as indicated by Councilman Michalove.

Mayor Bissette closed the public hearing at 5:08 p.m.

III. OLD BUSINESS

A. SECOND READING OF ORDINANCE NO. 1629 REZONING PROPERTY ON VANDERBILT ROAD FROM R-3 RESIDENTIAL DISTRICT TO R-1 RESIDENTIAL DISTRICT)

Mayor Bissette said the Asheville Planning & Zoning Commission at a meeting held March 25, 1987, discussed the request of Asheville City Council that consideration be given to rezoning certain lots on Vanderbilt Road from R-3 Residential District to R-1 Residential District. After review and discussion, the Commission voted to recommend to the City Council that Lots 58½, 56½, 56¼, and a portion of lots 54 and 53½, Sheet 4, Ward 7, be rezoned from R-3 Residential District to R-1 Residential District.

Councilman Tisdale requested that the following letter be made a part of the Council minutes:

May 26, 1987

The Honorable George Tisdale
Councilmember, City of Asheville
City Hall
Asheville, NC 28807

Dear Mr. Tisdale:

On behalf of the Biltmore Forest Town Board and the people of Biltmore Forest, I would like to thank you again for your vote to rezone the area in question on North Vanderbilt from R3 to R1. This will allow a much less dense development and more compatible use for this area that is so important to our Town.

At a City Council meeting in the not too distant future, representatives of the Town would like to formally request that the area in question be made a part of Biltmore Forest's jurisdiction. This request is based on a part history of cooperation on such matters between the municipalities in which on two occasions the City has received either land area or legal jurisdiction from the Town, in order to facilitate Asheville's purposes in planning and tax base development. In that spirit we hope that you will favorably receive our request in order to help us further our purposes of neighborhood protection.

Again, it was my pleasure to appear before the Council at your request.

Sincerely,

Robert R. Musselwhite
Town Administrator/Manager

cc: The Asheville City Council
Mayor Canie B. Smith
Commissioner Robbie W. Hambright
Commissioner E. Glenn Kelly
Commissioner Robert B. Armstrong
O. E. Starnes, Jr., Town Counsel
Douglas O. Bean, City Manager
William F. Wolcott, Jr., Associate City Manager
Verl R. Emrick, Jr., Director of Planning

Claude Smith, resident of 296 Vanderbilt Road and owner of Lot 56½, again spoke in opposition to the rezoning.

J. D. Anderson, Jr., acting on behalf of his mother, Maude Anderson, owner of property in question, said he felt there was a lot of controversy over the services received from Biltmore Forest and the City of Asheville.

Mayor Bissette said a study was conducted relative to the services provided to the residents on Vanderbilt Road under consideration. He said the study revealed the following; the City of Asheville provides garbage collection and fire and police protection to the property owners on Vanderbilt Road; fire protection is provided to the property owners; however, since January 1984 to

the present, no fire calls have been received from the three property owners. Police protection is provided by the City of Asheville by a mutual aid agreement between the Asheville and Biltmore Forest police; if a call comes in from one of the property owners, an Asheville patrol car will be dispatched; however, if a Biltmore Forest patrol car is in the area and hears the call, the officer will proceed to the resident and remain there until the Asheville police officer arrives; the cooperative arrangement also applies to calls on Hendersonville Road; the way the boundary lines are drawn, the property owners pay property taxes to Biltmore Forest and Asheville; and a small strip of land in front of 294, 296, and 300 Vanderbilt Road is located in Biltmore Forest.

He said an inspection of the property at 479 Hendersonville Road, known as the Cooper House Builder of Custom Cabinets, was made to determine if the use of the property was in compliance with the zoning. This property does abut the property of Claude Smith on Vanderbilt Road; however, the Cooper Custom Cabinet business is located in a Commercial Highway zoned district, which does permit a retail and cabinetmaking business. The Cooper property has natural green buffer, and the property owner agreed to install in the rear of his cabinet shop an 8 foot high section wooden fence along the length of his building before receiving his certificate of compliance.

He said it is the opinion of Bill Slawter, City Attorney, that the rezoning of the property on Vanderbilt Road would not be considered as spot zoning. He said the property owners on Vanderbilt Road were contacted by the Planning Department in reference to the rezoning. Bob Musselwhite, Town Manager of Biltmore Forest, was also contacted and informed that the rezoning issue would be on the June 9, City Council agenda.

Mayor Bissette noted that the rezoning would not adversely affect the property owners in question and that services would be provided to these residents from the City of Asheville.

Bob Musselwhite, Town Manager of Biltmore Forest, said they are attempting to abate the problem as to the jurisdiction of the Town of Biltmore Forest and the City of Asheville in this particular area. He said he felt the rezoning would be beneficial to both sides in order to protect the property; however, Biltmore Forest is still interested in having the boundary lines change to include this property in the Town of Biltmore Forest.

Charles Grimes, of 303 Vanderbilt Road, spoke in support of the rezoning of the properties in question.

Councilman Michalove left the meeting, unexcused, in order for all to carry an "aye" vote for him.

On a roll call vote of 6-0, Ordinance No. 1629 passed on second reading.

B. RESOLUTION NO. 87-101 - CONTINUATION OF PUBLIC HEARING RELATIVE TO CLOSING CERTAIN ALLEYS AND PORTIONS OF AN ALLEY IN THE BLOCK BOUNDED ON THE NORTH BY WALNUT STREET, ON THE EAST BY RANKIN AVENUE, ON THE SOUTH BY COLLEGE STREET, AND ON THE WEST BY HAYWOOD STREET

Mayor Bissette said the City Council deems that it is in the best interest of the City, to permanently close the above-named alleys. Said alleys are under the sole and exclusive authority of the City of Asheville and are not

under the authority and control of the North Carolina Department of Transportation. The closing will not be either detrimental to or contrary to the public interest or the property rights of any individual in the vicinity of the alleys, and the closing will not deprive any individual reasonable means of ingress and egress to his property. He said action on this matter was postponed from the June 2, 1987, meeting.

Mayor Bissette said the City staff and engineers had worked with Mr. Jim Daniels, with Daniels Business Services, to work out a solution to allow trucks to back up to his loading docks and they appear to have reached a satisfactory arrangement. He said Mr. Daniels has agreed to construct a new loading dock to allow trucks to angle into his property rather than backing straight back from the alley they now use to make contact with the existing loading dock which is parallel to Rankin Avenue. He said engineers have also worked out an agreement whereby the alley behind the Bon Marche building and Revco Drugstore can be redesigned and the entrances widened to solve the problems of tractor trailers serving the rear of their businesses.

John Powell, Attorney representing Bon Marche, asked if tractor trailer trucks could make a turn off Haywood from Walnut Street.

It was noted that Walnut Street may have to be made a one-way street.

Councilman Tisdale expressed a concern relative to closing the alley and tractor trailers not being able to use the alley behind these businesses and the City being sued for the loss of their businesses.

Mr. Powell indicated that the Laughrin heirs do not oppose the construction of the parking garage but would object if it was impossible to get a large tractor trailer into the loading dock in the rear of their businesses.

David Swann, with Wachovia Bank, spoke in favor of the parking garage. He said parking is very much needed in the downtown area.

Roy Birchfield, with Penney's Department Store, spoke in favor of the parking garage. He encouraged members of Council to work with the property owners around the proposed parking garage to accommodate their needs.

W. C. Johnson spoke in support of the parking garage.

Chuck Tessier also spoke in support of the parking deck.

Ralph Bishop spoke in opposition to the parking garage in the downtown area.

Councilman Bratton spoke in support of the parking garage and also left the meeting at 5:55 p.m., unexcused, and ordered that her vote be carried as an "aye" vote on all following issues.

Debbie Cash spoke in favor of the parking garage but expressed concern about the large tractor trailers not being able to service the downtown businesses.

Lou Millan, of T. S. Morrison Company, spoke in support of the parking garage.

Sam Davis, with Southeastern Historic Developers, developers for the Wall Street project, said the need for parking in the downtown area is essential if retail businesses are to thrive. He commended the City staff on solving engineering problems with adjoining property owners.

Don Martell, owner of the Penney's building, spoke in favor of the parking deck.

Ben Kanner, owner of the Flat Iron Building, said he felt the proposed parking deck is very much needed in the downtown area.

Councilman Price moved for the adoption of Resolution No. 87-101 closing the alleys in question. This motion was seconded by Councilman Boland.

Upon inquiry of Councilman Tisdale, Corporation Counsel Slawter said he did not feel the City would be subject to a lawsuit, under the current arrangements relative to the closing of the alleys.

Mr. Powell said if his client could use the alley off Walnut to get to their loading dock in the rear of their building, they would be satisfied.

Councilman Price's motion carried unanimously on a 6-0 vote.

IV. NEW BUSINESS

A. RESOLUTION 87-102 - RESOLUTION STATING THE INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF AN AREA TO THE SOUTH OF THE EXISTING CORPORATE LIMITS, AND FIXING THE DATE OF A PUBLIC HEARING ON THE QUESTION OF ANNEXATION FOR JULY 28, 1987

Mayor Bissette said members of Council were previously furnished copies of the Resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Verl Emrick, Planning Director, outlined the area proposed for annexation. Mr. Emrick said the next step in annexation would be the adoption of the plan for services for the area, hearings held within the communities and a public hearing before the Asheville City Council. He said the ordinance if adopted on August 1, 1987 would be effective one year after adoption, or August 1, 1988.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-102 was unanimously adopted.

Councilman Boland moved to amend Resolution 87-102 to state that the public hearing would be held at the Asheville Civic Center or another appropriately advertised location. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 87-102 will be found in Resolution Book No. 16 at page 361.

B. RESOLUTION 87-103 - RESOLUTION STATING THAT THE INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF AN AREA LYING TO THE WEST OF HENDERSONVILLE ROAD, AND FIXING THE DATE OF A PUBLIC HEARING ON THE QUESTION OF ANNEXATION FOR JULY 28, 1987

Mayor Bissette said members of Council were previously furnished copies of the Resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Verl Emrick, Planning Director, outlined the area proposed for annexation. Mr. Emrick said the next step in annexation would be the adoption of the plan for services for the area, hearings held within the communities and a public hearing before the Asheville City Council. He said the ordinance if adopted on August 1, 1987 would be effective one year after adoption, or August 1, 1988.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-103 was unanimously adopted.

Councilman Boland moved to amend Resolution 87-103 to state that the public hearing would be held at the Asheville Civic Center or another appropriately advertised location. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 87-103 will be found in Resolution Book No. 16 at page 362.

C. RESOLUTION NO. 87-104 - RESOLUTION STATING THE INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF AN AREA TO THE WEST OF THE EXISTING CORPORATE LIMITS, AND FIXING THE DATE OF A PUBLIC HEARING ON THE QUESTION OF ANNEXATION FOR JULY 28, 1987

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Verl Emrick, Planning Director, outlined the area proposed for annexation. Mr. Emrick said the next step in annexation would be the adoption of the plan for services for the area, hearings held within the communities and a public hearing before the Asheville City Council. He said the ordinance if adopted on August 1, 1987 would be effective one year after adoption, or August 1, 1988.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-104 was unanimously adopted.

Councilman Boland moved to amend Resolution 87-104 to state that the public hearing would be held at the Asheville Civic Center or another appropriately advertised location. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 87-104 will be found in Resolution Book No. 16 at page 363.

D. RESOLUTION 87-105 - RESOLUTION STATING THE INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF A PORTION OF THE AREA GENERALLY KNOWN AS THE OTEEN AREA, AND FIXING THE DATE OF A PUBLIC HEARING ON THE QUESTION OF ANNEXATION FOR JULY 28, 1987

Mayor Bissette said members of Council were previously furnished copies of the Resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Verl Emrick, Planning Director, outlined the area proposed for annexation. Mr. Emrick said the next step in annexation would be the adoption of the plan for services for the area, hearings held within the communities and a public hearing before the Asheville City Council. He said the ordinance if adopted on August 1, 1987 would be effective one year after adoption, or August 1, 1988.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-105 was unanimously adopted.

Councilman Boland moved to amend Resolution 87-105 to state that the public hearing would be held at the Asheville Civic Center or another appropriately advertised location. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 87-105 will be found in Resolution Book No. 16 at page 364.

E. RESOLUTION 87-106 - RESOLUTION STATING THE INTENT OF THE CITY OF ASHEVILLE TO CONSIDER THE ANNEXATION OF A PORTION OF THE AREA GENERALLY KNOWN AS THE HAW CREEK AREA, AND FIXING THE DATE OF A PUBLIC HEARING ON THE QUESTION OF ANNEXATION FOR JULY 28, 1987

Mayor Bissette said members of Council were previously furnished copies of the Resolution and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Verl Emrick, Planning Director, outlined the area proposed for annexation. Mr. Emrick said the next step in annexation would be the adoption of the plan for services for the area, hearings held within the communities and a public hearing before the Asheville City Council. He said the ordinance if adopted on effective August 1, 1987 would be effective one year after adoption, or August 1, 1988.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-106 was unanimously adopted.

Councilman Boland moved to amend Resolution 87-106 to state that the public hearing would be held at the Asheville Civic Center or another appropriately advertised location. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 87-106 will be found in Resolution Book No. 16 at page 365.

Harry Burnette, at 776 Haw Creek Road, spoke in opposition to the annexation in the Haw Creek area stating that this annexation would be detrimental to the Haw Creek Fire Department.

Mayor Bissette said all concerns of residents would be considered during the public hearing process.

V. CONSENT AGENDA

A. SCHEDULING OF PUBLIC HEARING RELATIVE TO REZONING PROPERTY LOCATED ON FAIRWAY DRIVE, KNOWN AS THE CARMELITE PROPERTY FOR JUNE 23, 1987

B. SCHEDULING OF PUBLIC HEARING RELATIVE TO AMENDING ORDINANCE NO. 322 (ASHEVILLE ZONING ORDINANCE) TO INCLUDE PROVISION FOR AMORTIZATION OF NONCONFORMING SIGNS FOR JUNE 30, 1987

C. SCHEDULING PUBLIC HEARING RELATIVE TO THE SITE PLAN OF THE PROPOSED LEISURE RIDGE CONDOMINIUMS TO BE LOCATED ON FAIRVIEW ROAD AT VISTA FOR JUNE 30, 1987

D. SCHEDULING OF PUBLIC HEARING RELATIVE TO REZONING PROPERTY LOCATED ON HAYWOOD ROAD AND NEVADA AVENUE, MR. NICK APOSTOLOPOULOS, PETITIONER FOR JUNE 30, 1987

E. ANNOUNCEMENT OF REAPPOINTMENT OF MRS. ANNETTE COLEMAN AS A COMMISSIONER FOR THE ASHEVILLE HOUSING AUTHORITY

Mike Summey requested that members of Council delay scheduling the public hearing relative to nonconforming signs at this time. He said he felt the present sign ordinance provides a grandfather clause for nonconforming signs and any additional amendments are not needed. He also indicated that the Supreme Court, this afternoon, made a decision that municipalities cannot take private property for public use and felt that decision would have an impact on the amortization of nonconforming signs.

Upon motion of Councilman Price, seconded by Councilman Boland, the consent agenda was unanimously approved.

COUNCILMAN PRICE REQUESTS RELATIVE TO TOWING VEHICLES FOR IMPROPERLY PARKED

Councilman Price requested that the City Manager look into the towing of vehicles where they are improperly parked.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:50 p.m.

Mayor

City Clerk

Tuesday - June 16, 1987 - 4:00 p.m.

Regular Meeting

Present: Vice-Mayor Mary Lloyd Frank, Presiding; Councilmen Wilhelmina Bratton, Walter R. Boland; Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor W. Louis Bissette (Death of Mother-in-Law)

INVOCATION

The invocation was given by Councilman Michalove.

APPROVAL OF THE MINUTES - JUNE 9, 1987 MEETING

Vice-Mayor Frank announced the approval of the minutes of the June 9, 1987, meeting with several noted corrections.

I. PROCLAMATION

II. PUBLIC HEARINGS

A. PUBLIC HEARING RELATIVE TO THE SITE PLAN OF THE PROPOSED EXPANSION OF STOWAWAY WAREHOUSES ON WILMINGTON ROAD

Vice-Mayor Frank said the Planning & Zoning Commission has recommended to the City Council that the site plan of the proposed expansion of Stowaway Warehouses located on Wilmington Road be approved subject to the following: (1) placement of fire hydrant near the entrance; (2) buffering; and (3) compliance with Erosion Control Ordinance. The site plan was prepared by J. Bertram King, Architect, for Burleson Construction Company, Johnson City, Tennessee, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance.

Vice-Mayor Frank opened the public hearing at 4:10 p.m.

The City Manager presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this project is an expansion of an existing development on Wilmington Road. He said six additional warehouses consisting of 2,000 sq. ft. each would be placed on the south end of the property toward Haywood Road. He indicated that members of Council had requested buffering along the property line adjacent to the T. C. Smith property on Haywood Road and tree plantings fronting the I-240 connector. He said they also requested plantings on the steep 1:1 slope. He said there would be no additional signage on the property.

Charles Allen, Developer, said his company would be willing to work with the City staff and members of Council for a satisfactory landscaping plan in order to deal with appearance, the steepness of the slope, and erosion control.

Vice-Mayor Frank closed the public hearing at 4:15 p.m

Councilman Price moved to approve the site plan of the proposed expansion of the Stowaway Warehouses on Wilmington Road subject to the conditions outlined by the Planning & Zoning Commission and, further, that the developer submit a landscaping plan acceptable to the City staff and reviewed by the Asheville City Council. This motion was seconded by Councilman Boland and carried unanimously.

B. PUBLIC HEARING RELATIVE TO THE SITE PLAN OF THE PROPOSED CHEROKEE PLACE SHOPPING CENTER TO BE LOCATED ON U.S. 74 - FAIRVIEW ROAD

Vice-Mayor Frank said the Planning & Zoning Commission has recommended to the City Council that the site plan of the proposed Cherokee Place Shopping Center to be located on U.S. 74 - Fairview Road be approved subject to (1) resolving sewer line connection; (2) buffer to be located on Carolina Power and Light Co. property; and (3) compliance with the Erosion Control Ordinance. The site plan was prepared by Carroll Hughes, Spaceplan, for Mishu and Tatum Corporation, Knoxville, Tennessee, Developer, and submitted in accordance with the Asheville Zoning Ordinance.

Vice-Mayor Frank opened the public hearing at 4:20 p.m.

Verl Emrick, Director of Planning, said he had conveyed Council's concerns to Mr. Hughes relative to continuing the public hearing for two weeks. He said Mr. Hughes has requested that Council continue with the public hearing today and requested approval of the project contingent upon the sewer problems being resolved.

Jim Gerard, with M & M Development Company from Knoxville, Tennessee, told members of Council that prior to obtaining an option to purchase the property, the Water and Sewer Department indicated that there was sufficient water and sewer available to service the proposed site. He said he had recently consumated the sale at $1.2 million. He said it was only in the last couple of weeks that he was informed that the sewer facilities were not sufficient to service the project but in all likelihood some arrangement could be worked out due to possible future curtailments of developments in that area. He said he was also given an alternative to tie into an existing sewer at the golf course. He said his company would be willing to participate economically with the new sewer line even though this will place a financial burden on the project. He requested approval of the site plan due to a tight construction schedule. He said this proposed project would benefit the City of Asheville by providing 250 construction positions, 400 permanent positions, property taxes in the amount of $45,000, water service fees in the amount of $10,000 per year with a total development cost of over $5,000,000. He said he was obligated, under leases, to open the shopping center in April. He requested that Council proceed with approval contingent upon the sewer problems being resolved in a satisfactory arrangement by the developer and the City.

Verl Emrick, Director of Planning, said the proposed project is located across the intersection from the existing River Ridge Shopping Center. He said the project would consist of 107,000 sq. ft. which would include a Roses, Bi-Lo, Revco, Burger King, and other retail stores.

Councilman Price requested that the developer participate financially and install sidewalks along thoroughfares in front of the development.

Upon inquiry of members of Council, Mr. Gerard said his company would risk participating with the City in the new sewer line in the amount of $50,000 to $60,000 and would be receptive to working with the City in relation to sidewalks on the thoroughfares even though this was not planned for the development, not required by the ordinance, and no funds were budgeted for this expenditure.

Carroll Hughes, Architect for the project, answered questions from members of Council relative to the problems relating to sewer facilities.

Councilman Tisdale requested that the following letter be included in the minutes relative to the developer being informed that the 27" sewer line was not completely full and could be used for this project:

May 13, 1987

Spaceplan
39 Patton Avenue
Asheville, NC 28801

Attention: G. Carroll Hughes, AIA
Project Architect

Re: Cherokee Place Shopping Center (Fairview Road)
M & M Development Corporation

Dear Mr. Hughes,

As per your letter of May 8, 1987 we are forwarding the following letter regarding the availability of water and sewer. It is our understanding that the project will generate approximately 19,800 GPD of water demand and wastewater flows.

WATER AVAILABILITY

Attached, please find a copy of our flow tests conducted on May 12, 1987, and an attached flow chart. It is our opinion that we have sufficient water supply to meet this domestic demand. Please be advised that the flow tests are for information purposes only and further analysis may be necessary regarding sprinkler demand.

SEWER AVAILABILITY

As per previous discussions with yourself, George Jensen, and other representatives of the developer, we have concerns about a direct connection into the existing 12" sanitary sewer system that immediately serves the proposed project site on the south side of the Swannanoa River. This sewer is running in a surcharged condition on almost a continual basis. We are presently evaluating the condition of this sanitary sewer and what the costs would be of a relief sewer.

However, we have done some preliminary flow monitoring on the 27" sanitary interceptor that runs on the north side of U.S. 74 through the Buncombe County Golf Course. Based upon our monitoring there appears to be capacity in this line to accept the wastewater from the project.

As such if the problems in the 12" line cannot be resolved then we would recommend that a direct connection be made into the 27" interceptor.

This letter is only to advise of the availability of water service and wastewater collection in the vicinity of the project site. The developer should be advised to follow the appropriate procedures of the Asheville-Buncombe Water Authority and the Metropolitan Sewer District, and the City of Asheville with respect to the project.

Very Truly Yours,

Paul R. Gilewicz, P.E.
Engineering Division Manager

PRG/mm

Enc.

xc: Harold Huff
Verl Emrick
Tom Tarrant
Lane Roberts
William Mull

Paul Gilewicz, with the City Engineering Department, said after further investigation, the 27" line is no longer available for further sewer taps.

Upon inquiry of Councilman Michalove, Mr. Gilewicz said it would take approximately six to eight months to write specifications bid, and construct the proposed sewer line.

Upon motion of Councilman Michalove, seconded by Councilman Price, Council went into recess at 5:10 p.m.

Council reconvened at 5:45 p.m.

Vice-Mayor Frank closed the public hearing at 5:48 p.m.

Councilman Price moved to approve the site plan of the proposed Cherokee Place Shopping Center to be located on U.S. 74 - Fairview Road contingent upon the recommendations of the Planning and Zoning Commission, and further that the developer participate in an amount up to $60,000 for sewer line improvements and $6,000 for sidewalk installations. Further, that the sidewalk installation be contingent upon North Carolina Department of Transportation approval, and that a perpetual easement be obtained from Carolina Power & Light Company by the developer for the area to be buffered. This motion was seconded by Councilman Tisdale and carried unanimously.

C. PUBLIC HEARING RELATIVE TO THE SITE PLAN OF THE PROPOSED EXPANSION OF MILKCO, INC. AT 220 DEAVERVIEW ROAD

Vice-Mayor Frank said the Planning & Zoning Commission has recommended to the City Council that the site plan of the proposed expansion of Milkco, Inc. at 220 Deaverview Road be approved subject to: 1) that access to the lower gravel parking area be intercepted with a perpendicular driveway a minimum of 50' off adjacent property line; and 2) compliance with the Erosion Control Ordinance. The site plan was prepared by Hampton, Hintz and Associates for J. Cole Construction Company, as submitted in accordance with the Asheville Zoning Ordinance.

Vice-Mayor Frank opened the public hearing at 5:50 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project is to be an expansion of an existing building in the amount of 14,000 square feet. He said Planning and Zoning had recommended approval of the project subject to several conditions outlined by the Vice-Mayor.

Upon inquiry of Councilman Tisdale, Mr. Emrick said there had been no opposition expressed relative to the expansion of the project.

Vice-Mayor Frank closed the public hearing at 5:52 p.m.

Councilman Boland moved to approve the site plan of the proposed expansion of Milkco, Inc. at 220 Deaverview Road subject to the recommendations outlined by the Planning & Zoning Commission. This motion was seconded by Councilman Price and carried unanimously.

III. OLD BUSINESS

A. ORDINANCE NO. 1634 - AN ORDINANCE ADOPTING THE BUDGET AND FIXING THE TAX RATE OF THE CITY OF ASHEVILLE FOR THE FISCAL YEAR 1987-88

Vice-Mayor Frank said this ordinance would adopt the budget and fix the tax rate of the City of Asheville for Fiscal Year 1987-88 maintaining basic service levels and establishing a tax rate at 68 cents per 100 assessed valuation.

Vice-Mayor Frank said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Tisdale moved for adoption of Ordinance No. 1634. This motion was seconded by Councilman Michalove.

On a roll call vote of 6-0, Ordinance No. 1634 passed on first and final reading.

Complete text of Ordinance No. 1634 will be found in Ordinance Book No. 11 at Page 135-138.

B. RESOLUTION NO. 87-107 - RESOLUTION APPROVING THE EXECUTION OF MUNICIPAL FACILITIES LEASE AGREEMENT AND RELATED MATTERS FOR PROPERTIES FOR THE RANKIN AVENUE/WALL STREET PARKING GARAGES

Vice-Mayor Frank said this resolution will authorize the City Manager to execute the necessary documents for the leasing of properties to the Asheville-Buncombe Development Corporation for the construction of the Rankin Avenue and Wall Street Parking Garages.

Vice-Mayor Frank said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-107 was unanimously adopted.

Complete text of Resolution No. 87-107 will be found in Resolution Book No. 16 at Page 366-368.

C. ORDINANCE NO. 1629 - THIRD READING OF ORDINANCE NO. 1629 - REZONING PROPERTY ON VANDERBILT ROAD FROM R-3 RESIDENTIAL DISTRICT TO R-1 RESIDENTIAL DISTRICT

Vice-Mayor Frank said the Asheville Planning & Zoning Commission at a meeting held Marck 25, 1987, discussed the request of Asheville City Council that consideration be given to rezoning certain lots on Vanderbilt Road from R-3 Residential District to R-1 Residential District. After review and discussion, the Commission voted to recommend to City Council that Lots 58 1/2, 56 1/2, 56 1/4, and a portion of Lots 54 and 53 1/2, Sheet 4, Ward 7, be rezoned from R-3 Residential District to R-1 Residential District. She said this ordinance was previously read on first and second readings and would not be reread in its entirety.

Claude Smith, of 296 Vanderbilt Road and owner of Lot 56 1/2, again spoke in opposition to the rezoning and the manner in which the rezoning was handled. He also requested that a fence be erected between his property and the adjacent cabinet shop, and that the cabinet shop be made to come into compliance with all zoning regulations.

Councilman Tisdale requested that the following letter be included as a part of the minutes:

June 10, 1987

The Honorable Louis Bissette
Mayor, City of Asheville
Asheville City Hall
Asheville, NC 28807

Dear Mayor Bissette:

In response to Councilwoman Price's question concerning prior contact with the property owners in question, I have enclosed a copy of a March 7, 1986 letter that was sent to the lot owners in question. In addition, I have made a further mailing to the neighborhood to bring them up to date on matters as they presently stand. Copies are enclosed.

Again, speaking for Mayor, Town Commission, and Biltmore Forest Residents, we appreciate your passage of the rezoning of this area on its second reading.

Sincerely,

Robert R. Musselwhite
Town Administrator

RRM/tmb

pc: Vice Mayor Frank
Councilman Boland
Councilman Tisdale
Councilwoman Bratton
Councilwoman Price
Councilman Michalove
Mayor Canie B. Smith
Commissioner Robbie W. Hambright
Commissioner E. Glenn Kelly
Commissioner Robert B. Armstrong
O. E. Starnes, Jr., Town Counsel
Douglas O. Bean, City Manager
William F. Wolcott, Jr., Associate City Manager
Charles Penny, Assistant City Manager
Verl R. Emrick, Jr., Director of Planning

Charles Grimes, of 303 Vanderbilt Road, spoke in support of rezoning the property to R-1 Residential District.

Francis Gilman, of 305 Vanderbilt Road, spoke in support of rezoning the property to R-1 Residential District.

On a roll call vote of 6-0, Ordinance No. 1629 passed on third and final reading.

Complete text of Ordinance No. 1629 will be found in Ordinance Book No. 11 at Page 130.

IV. NEW BUSINESS

A. ORDINANCE NO. 1635 - BUDGET ORDINANCE AMENDMENT TO APPROPRIATE FUNDS FOR STORM DRAINAGE IMPROVEMENTS ON SOUTH GROVE AND BLANTON STREETS

Vice-Mayor Frank said this budget ordinance will provide funds to install a 24" drainage pipe and junction boxes in the South Grove and Blanton Street area due to the failure of an existing 18" drainage pipe which has created a health and safety hazard to the residents. She said the project cost will be $40,000.00 which would be provided from land sale revenue received from the East Riverside Renewal Area.

Vice-Mayor Frank said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Bratton moved for the adoption of Ordinance No. 1635. This motion was seconded by Councilman Boland.

On a roll call vote of 5-1, Ordinance No. 1635 passed on first and final reading with Councilman Michalove voting "no".

Complete text of Ordinance No. 1635 will be found in Ordinance Book No. 11 at Page 139.

B. APPROVAL OF BIDS FOR DISPOSAL PARCELS IN THE EAST END/VALLEY STREET COMMUNITY IMPROVEMENT PROJECT

Vice-Mayor Frank said the Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East End/Valley Street Community Improvement Project.

Parcel	Reuse	Price	Bid	Redeveloper
91	Residential	$7,500	$8,000	Quick
92	Residential	6,600	6,900	Cruell
93	Residential	6,500	6,751	R & R Associates
95	Residential	4,100	4,351	R & R Associates
96	Residential	4,300	4,600	WNC Habitat
100	Residential	5,700	5,951	R & R Associates

Vice-Mayor Frank said Disposal Parcels 93, 95, 96 and 100 of the East End/Valley Street Area are to be developed with single family homes for resale. The eventual purchasers of the completed homes will be able to obtain the Incentive Housing Subsidy. She said Disposal Parcels 91 and 92 are located in the East End/Valley Street Area and are residential lot sales for single family structures under the Incentive Housing Program.

Councilman Tisdale moved to approve the sale of the disposal parcels as recommended by the Housing Authority. This motion was seconded by Councilman Price and carried unanimously.

C. RESOLUTION NO. 87-108 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN ENCROACHMENT AGREEMENT WITH ACE APPLIANCE COMPANY, INC. AND B & W ENTERPRISES

Vice-Mayor Frank said Ace Appliance Company utilized a warehouse located at 110 Riverside Drive for storage of appliances. The loading dock access on the rear of the building is across private property, and the property owner desires to use the property for building purposes which will eliminate Ace Appliance Company access across this property. Ace Appliance Company has requested permission to encroach upon the right-of-way of Riverside Drive in order to construct a new loading dock. Investigations of the site by City personnel have indicated that this encroachment will not interfere with traffic flow.

Vice-Mayor Frank said members of Council were previously furnished copies of the resolution and the encroachment agreement and it would not be read in entirety.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-108 was unanimously adopted.

Complete text of Resolution No. 87-108 will be found in Resolution Book No. 16 at Page 369.

D. RESOLUTION NO. 87-109 - RESOLUTION ESTABLISHING POLICY REGARDING THE RATE TO BE CHARGED FOR SEWER MAINTENANCE SERVICE

Vice-Mayor Frank said this action would establish a sewer maintenance user fee as required by the Water Agreement. She said this action should generate revenue of approximately $1,588,000.00 annually with an average cost of approximately $4.20 per month to a residential customer.

Councilman Price noted that this action relative to the establishment of a sewer user fee is part of the Water Agreement. She said the amount of revenue that would be generated from the maintenance user fees would be equivalent to 9 1/2 cents on the tax rate.

Councilman Michalove noted that the maintenance charge would have been implemented one way or another, if not by the City, then the Metropolitan Sewerage District if the sewer lines had been turned over for maintenance to that agency. He also indicated that it is his understanding that the County is also establishing a new sewer user fee.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 87-109 was unanimously adopted.

Complete text of Resolution No. 87-109 will be found in Resolution Book No. 16 at Page 370.

E. REPORT BY COUNCILMAN TISDALE - INTERGOVERNMENTAL SERVICES COMMITTEE

Councilman Tisdale noted that the Intergovernmental Services Committee met today and discussed the upcoming tax rate for the City of Asheville and the County of Buncombe; the increase in tipping fees by the County in the amount of 44% which would be an increase of $110,000.00 for the City totaling $360,000.00; the forming of an Economic Development Commission with the County participating on a contractural basis; and the Water Agreement, which he called a tax equity agreement.

Councilman Boland said during the Intergovernmental Services Committee meeting, a discussion was held relative to the County using 1 cent of their tax rate for economic development, and a discussion relative to school consolidation which would be a topic at their next meeting in July.

Councilman Tisdale and Councilman Boland said they felt the Intergovernmental Services Committee provides a relaxed, informal atmosphere for communication with the County of Buncombe and there were many advantages to keep the committee meeting on an ongoing basis.

REQUEST OF MONTFORD COMMUNITY CLUB RELATIVE TO ISSUANCE OF ABC PERMITS FOR TWO LOCATIONS IN THE MONTFORD AREA

Jim Cairnes, of 209 Cumberland Avenue and President of the Montford Community Club read the following petition.

June 8, 1987

Acoholic Beverage Control Board
Raleigh, North Carolina

We, the undersigned, residents of the Montford Historic District of Asheville, N.C., do hereby declare our total and unwavering opposition to the granting of a license/permit to sell alcoholic beverages at the Miller Cab Service/Miller Grocery, located at 102 Montford Ave., Asheville, N.C.

The Miller Cab Service/Grocery is located in a residential area of the Montford Historic District and is also located directly across the street

from the playground of the William Randolph Elementary School. This area has been declared a blighted, redevelopment area by the City of Asheville, has an approved redevelopment plan in place, and is awaiting final release of HUD monies to implement this plan. We consider the approval of a permit for this location as a further blighting influence on the neighborhood and a contradiction to the purpose of the redevelopment plan.

The applicant has operated a cab service in this location but we consider that he has not and is not operating a legitimate grocery store. We further question the wisdom of granting an alcoholic beverage permit to an applicant engaged in public transportation services. We also feel that the close proximity to the school playground would create an undesirable atmosphere for the children using the school playground.

We petition the Alcoholic Beverage Control Board to deny any permit/license for sale of alcoholic beverages by the applicant, Miller Cab Service/Grocery, 102 Montford Avenue., Asheville, N.C.

Mr. Cairnes also requested that the City of Asheville investigate as to whether this particular business was grandfathered under the zoning ordinance and when a grocery permit was issued to this location. He said he felt a grocery business would constitute a change in zoning in this area and this would not be a bona fide neighborhood grocery store. He also said the owner of the Miller Cab Company has been given numerous violations relative to litter. He said it is his understanding that the State ABC Board would be holding a hearing relative to the issuance of the ABC permit within the next two to three weeks.

A discussion was held relative to the requirement of the zoning ordinance that a location serving beer and wine license be 250' from any building. It was also noted that the State's requirement is that a location serving beer and wine be 50' from any school property.

Trudy Carey, 290 Montford Avenue, also requested Council's endorsement of the Montford Community Club's petition. She also requested that Council do anything in their power to deny a beer and wine license to a proposed grocery store at 235 Montford Avenue.

Dr. Gene Rainey, of 19 Reynolds Place, owner of property in the Montford Area and a member of the Montford Community Club, requested that Council pass a motion endorsing the Montford Community Club's petition in the denial of a permit for a beer and wine permit for 102 Montford and 235 Montford Avenue and that the City pursue any zoning violations.

Councilman Boland moved that the City Council of the City of Asheville hereby endorses and expresses its support for the petition of the Montford Community Club to the North Carolina Alcoholic Beverage Control Commission in opposition to applications pending before the Commission for issuance of ABC permits for locations 102 Montford Avenue and 235 Montford Avenue in the City of Asheville, and further that the City Manager is hereby directed to investigate the business operations at said locations to ensure compliance with applicable provisions of the Code of Ordinances of the City of Asheville, further that a copy of the motion be sent to the North Carolina Alcoholic Beverage Control Commission in Raleigh and to Mr. William D. Williams, Superintendent of District 10, the local State ABC Office. This motion was seconded by Councilman Price and carried unanimously.

Councilman Tisdale also requested that the Montford Community Club request the same action from the Asheville City School Board.

CLAIMS - JOANN NESMITH (WATER) - FRED EGGERTON (SANITATION) - FRED WHITTEMORE (SANITATION) - LOIS CHILLEBEAUX (STREETS) - LEWIS GREEN (DOWNTOWN DEVELOPMENT) - KEVIN SHAW (PARKS)

The City Manager presented claims received from Joann Nesmith, Fred Eggerton, Fred Whittemore, Lois Huillebeaux, Lewis Green and Kevin Shaw.

Vice-Mayor Frank referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Vice-Mayor Frank adjourned the meeting at 7:00 p.m.

MAYOR

CITY CLERK

Tuesday - June 23, 1987 - 4:00 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Walter R. Boland, Kenneth M. Michalove, Norma T. Price, and George M. Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Wilhelmina Bratton (broken foot)

INVOCATION

At the request of Councilman Tisdale, the audience stood for the pledge of allegience to the flag. The invocation was given by Councilman Tisdale.

APPROVAL OF THE MINUTES - JUNE 16, 1987 MEETING

1. Consideration was given to the approval of the minutes of the June 16, 1987, meeting with one minor correction.

I. PROCLAMATIONS

II. PUBLIC HEARINGS

A. PUBLIC HEARING RELATIVE TO REZONING PROPERTY LOCATED ON FAIRWAY DRIVE, KNOWN AS THE CARMELITE PROPERTY

ORDINANCE NO. 1636 - AN ORDINANCE AMENDING ORDINANCE 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE," AS AMENDED, REQUESTS TO CITY COUNCIL THAT COMMISSION CONSIDER REZONING PROPERTY ON FAIRWAY DRIVE (CARMELITE PROPERTY)

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held May 13, 1987, reviewed the requests of City Council that the Commission consider rezoning a portion of Lot 61, Sheet 15, Ward 8, from OI Office Institutional District to R-2 Residential District. The property is located on Fairway Drive and is known as the Carmelite property. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 61, Sheet 15, Ward 8, be rezoned from OI Office Institutional District to R-2 Residential District.

Mayor Bissette opened the public hearing at 4:15 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville City Council had requested that the Planning and Zoning Commission consider rezoning a portion of Lot 61 from OI Office Institutional District to R-2 Residential District when a site plan for the Cloister Condominiums project was approved. He said the property on which the project would be built was split zoned. He said the Planning and Zoning Commission recommended the R-2 Residential District in order to have consistent zoning. He said this rezoning would have no effect on the proposed development as approved.

Mayor Bissette closed the public hearing at 4:17 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

Councilman Price moved for the adoption of Ordinance No. 1636. This motion was seconded by Councilman Michalove.

On a roll call vote of 6-0, Ordinance No. 1636 passed on first reading.

B. PUBLIC HEARING RELATIVE TO CLOSING A PORTION OF DALE STREET

RESOLUTION NO. 87-110 - RESOLUTION TO CLOSE A PORTION OF DALE STREET IN THE CITY OF ASHEVILLE, NORTH CAROLINA

Mayor Bissette said a petition has been filed by Christ Fellowship Church requesting that a portion of Dale Street be permanently closed to public use. Said portion is under the sole and exclusive authority and control of the City of Asheville and is not under the authority and control of the North Carolina Department of Transportation. The closing will not be either detrimental to or contrary to the public interest or the property rights of any individual owning property in the vicinity of the portion to be closed. The portion to be closed is described as "lots bordering the portion of Dale Street are Lots 11, 20½, and 247 of Ward 5, Sheet 214, and Lot 1 of Ward 5, Sheet 9 of the Buncombe County Tax Maps." A 20 foot utility easement shall be established along the existing sanitary sewer line crossing the above described property and Dale Street. In accordance with the North Carolina General Statutes, a public hearing is required before the street is closed.

Mayor Bissette opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public, setting the time and date for the public hearing and the affidavit of publication.

Clark Brown, Director of Public Works, said the petitioner controls both sides of the property on the portion of Dale Street proposed to be closed.

Councilman Price suggested that if the resolution is adopted, that there be a provision that the Christ Fellowship Church construct a 50 foot cul-de-sac for emergency type vehicle use.

Robert Hyatt, of Dale Street, spoke in opposition to the closing. He also inquired as to why another ramp from Brevard Road could not be installed to this property rather than to close Dale Street.

Mayor Bissette informed Mr. Hyatt that the City of Asheville does not have authority to build a road over their property without first condemning the land.

Mr. Hyatt said he felt the closing of Dale Street would endanger the property rights of individuals on Dale Street.

Howard T. Watkins, of 45 Dale Street, also spoke in opposition to the closing of a portion of Dale Street.

Mayor Bissette noted that the Christ Fellowship Church was only requesting that the road be closed at their property line.

Mr. Watkins said he felt Dale Street should continue to remain open to Amboy Road.

Robert Hyatt offered the Christ Fellowship Church a 20 foot right-of-way on his property in order to keep Dale Street open.

Alan Bragwell, Pastor of the Christ Fellowship Church, said due to the topography of the land, the architect had requested that the building be constructed in the middle of Dale Street where it is proposed to be closed. He said the church proposes to erect a barricade at this location, then open a private road through to old Amboy Road. By the use of a map, Mr. Bragwell showed members of Council the location proposed to be closed.

Upon inquiry of members of Council, Mr. Bragwell said there would be no problem with the church installing a 50 foot cul-de-sac if required.

Mayor Bissette closed the public hearing at 4:38 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the resolution would be furnished one at no cost.

Councilman Price moved for the adoption of Resolution No. 87-110 with the provision that Christ Fellowship Church construct a 50 foot cul-de-sac to City standards that would then be dedicated to the City of Asheville. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Complete text of Resolution No. 87-110 will be found in Resolution Book No. 16 at page 371 and 372.

III. OLD BUSINESS

Mayor Bissette said the following resolutions deal with approving the report of plans for extension of City services into several areas proposed for annexation. He said North Carolina General Statutes 160A-49 requires that the governing body approve a report of plans for an extension of City services at least 30 days prior to the date of the public hearing on the question of annexation which is scheduled for July 28, 1987.

Verl Emrick, Director of Planning, said this is the next step in concluding the annexation process. He said the plans for extension of these areas would be made a part of the resolution. He said the plan along with water and sewer maps would be available in the City Clerk's office for inspection by the public June 26, 1987.

Councilman Tisdale requested that the City Manager ask the County of Buncombe if they would like to review the plans for services for the proposed annexation areas. He also requested that the Planning staff meet with the various volunteer fire departments to go over the plans for services.

Mayor Bissette noted that the Planning staff would be holding community meetings relative to annexation on July 7th at the Haw Creek Elementary School, July 9th at Sand Hill Elementary School, and July 10th at T. C. Roberson High School.

Harry Burnette, of 776 Haw Creek Road, Chief for the Haw Creek Volunteer Fire Department, requested that members of Council attend the community meeting at the Haw Creek Elementary School to hear the residents' concerns regarding the Haw Creek Volunteer Fire Department and concerns that the area known as Chunns Cove will be without fire protection.

Upon inquiry of members of Council, Chief John Rukavina said North Carolina General Statutes provide that volunteer fire departments can provide fire protection coverage in newly annexed areas. He said a five year contract could be executed with the Haw Creek Fire Department to make up for lost revenues the fire department would experience by this annexation, or the City of Asheville could assume the indebtedness the Haw Creek Fire Department would have by annexation taking 80% of their revenue. He also addressed the concern of the Chunns Cove area which lies outside both the Asheville Fire Department and Haw Creek Fire Department districts. He said Haw Creek Volunteer Fire Department is presently providing service to the Chunns Cove area at no cost but a concern has been expressed as to what will happen after this annexation. Chief Rukavina suggested that members of Council bring this to the attention of the County Commissioners.

A. **RESOLUTION NO. 87-111**

RESOLUTION APPROVING THE REPORT OF PLANS FOR THE EXTENSION OF MUNICIPAL SERVICES INTO THE AREA TO THE SOUTH OF THE EXISTING CORPORATE LIMITS PROPOSED FOR ANNEXATION

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-111 was unanimously adopted.

Complete text of Resolution No. 87-111 will be found in Resolution Book No. 16 at page 373.

B. **RESOLUTION NO. 87-112**

RESOLUTION APPROVING THE REPORT OF PLANS FOR THE EXTENSION OF MUNICIPAL SERVICES INTO THE AREA LYING TO THE WEST OF HENDERSONVILLE ROAD PROPOSED FOR ANNEXATION

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-112 was unanimously adopted.

Complete text of Resolution No. 87-112 will be found in Resolution Book No. 16 at page 374.

C. **RESOLUTION NO. 87-113**

RESOLUTION APPROVING THE REPORT OF PLANS FOR THE EXTENSION OF MUNICIPAL SERVICES INTO THE AREA TO THE WEST OF THE EXISTING CORPORATE LIMITS PROPOSED FOR ANNEXATION

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, Resolution No. 87-113 was unanimously adopted.

Complete text of Resolution No. 87-113 will be found in Resolution Book No. 16 at page 375.

D. RESOLUTION NO. 87-114

RESOLUTION APPROVING THE REPORT OF PLANS FOR THE EXTENSION OF MUNICIPAL SERVICES INTO A PORTION OF THE AREA GENERALLY KNOWN AS THE OTKEN AREA PROPOSED FOR ANNEXATION

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 87-114 was unanimously approved.

Complete text of Resolution No. 87-114 will be found in Resolution Book No. 16 at page 376.

E. RESOLUTION NO. 87-115

RESOLUTION APPROVING THE REPORT OF PLANS FOR THE EXTENSION OF MUNICIPAL SERVICES INTO A PORTION OF THE AREA GENERALLY KNOWN AS THE HAW CREEK AREA PROPOSED FOR ANNEXATION

Upon motion of Councilman Boland, seconded by Vice-Mayor Frank, Resolution No. 87-115 was unanimously approved.

Complete text of Resolution No. 87-115 will be found in Resolution Book No. 16 at page 377.

IV. NEW BUSINESS

A. RESOLUTION NO. 87-116 - RESOLUTION AWARDING THE BIDS AND AUTHORIZING EXECUTION OF THE CONTRACTS FOR CONSTRUCTION OF THE WALL STREET AND RANKIN AVENUE PARKING DECKS

Mayor Bissette said on June 11, 1987, separate bids were received for the general work, electrical wiring and installation, plumbing and gas fittings and accessories, and heating, ventilating, air conditioning and accessories components for construction of the Wall Street and Rankin Avenue Parking Decks. He said three bids were not received for each of the electrical wiring and installations, plumbing and gas fittings and accessories, and heating, ventilating, air conditioning and accessories components for the project. He said the City, therefore, rebid those components and those second bids were received on June 22, 1987.

Mayor Bissette said members of Council were previously furnished copies of the Resolution and it would not be read. He said any individual requesting a copy of the resolution would be furnished one at no cost.

The City Manager presented the bid tabulations for the parking decks stating that the total bids for the two parking decks is $25,000 under estimates. He said the bids have been reviewed by the consultant, Enwright Associates, Inc. and Enwright recommends that the bids be awarded for the combined projects to the lowest responsible bidders as follows:

General Work	
Freeman and Wood Construction Company	$3,627,000
Plumbing and Gas Fittings and Accessories	
Easley Mechanical, Inc.	102,660
Heating, Ventilating, Air Conditioning and Accessories	
Asheville Heating and Cooling, Inc.	23,800
Electrical Wiring and Installations	
Starr Electrical Company, Inc.	269,200
TOTAL	$4,022,600

The City Manager noted that Dixie Construction Company submitted the low bid for the mechanical and electrical portions but would only accept if they were awarded the general contract.

The City Manager said revenue bonds would be sold beginning July 14 for financing of the parking decks.

Steve Warren, Attorney representing Dixie Construction Company, objected to the awarding of the contracts to Freeman and Wood Construction Company. He said his client based his opposition on the fact that Freeman and Wood Construction Company failed to fill in the blank for expected date of completion relative to the Rankin Avenue Parking Deck. He said Freeman and Wood Construction Company gave the City a completion date of 266 days after the bids were formally opened.

Mr. Warren said Dixie Construction Company presented a total bid of $3.8 million with a completion date on the Wall Street project of 210 days and 300 days for the Rankin Avenue Parking Deck. He said his client objects because the Freeman and Wood Construction Company bid does not comply with the Public Building Contractor's Statutes, North Carolina General Statutes 143-129. He said that statute specifically states that among other things, bidders must specify a time for completion. He said in requesting the bids the City had presented the bidders a form which specified that the Wall Street Parking Deck be completed within 210 days and the time for completion on the Rankin Avenue Parking Deck had been left blank for the bidder to fill in, however, the instructions were, relative to the Rankin Avenue Parking Deck, that time was of essence and the completion time would be a factor in consideration. He said his client would contend that the Freeman and Wood Construction Company bid did not comply with the statutes and therefore, would not constitute a valid bid. He said he felt his client is the lowest bidder because they submitted the lowest responsive bid.

Upon inquiry of Mr. Warren, the City Manager said Freeman and Wood Construction Company had given the City of Asheville a time of completion of 266 days during the same meeting in which the bids were opened.

The City Manager noted that in the AIA Instructions to Bidders there is a provision that the City has a right to waive informalities or irregularities on bids.

Mr. Warren said it would be his client's position that the statutes will not allow the City to waive any informalities or irregularities. He said modification of sealed bids are inadmissible, and Freeman and Wood did not have a valid bid under North Carolina General Statutues.

Upon inquiry of Ralph Bishop, Mayor Bissette said the parking decks would be constructed with revenue bonds.

Tommy Parker of 486 Windswept Drive Project Manager for Dixie Construction Company for the Wall Street Project, said when Dixie Construction Company was awarded the work on Wall Street they hired local people and spent local money. He said at first Dixie Construction Company had a contract with the Wall Street developers to construct the parking deck, therefore, Dixie Construction Company kept all the employees for that reason. He said the employees were never notified that the parking deck was being turned over to the City of Asheville for construction since Dixie Construction Company had a contract with the developer. He said they now feel they are losing construction of the parking deck for the second time. He said two contractors working in one particular area will be impossible.

Upon inquiry of Mr. Warren, Mayor Bissette said the contracts for the parking decks would be signed seven days after the award of bids.

After discussion, Vice-Mayor Frank moved for the adoption of Resolution No. 87-116. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 87-116 will be found in Resolution Book No. 16 at page 377.

B. ORDINANCE NO 1637 - BUDGET ORDINANCE AMENDMENT FOR MATCHING FUNDS FOR FEDERAL GRANTS FOR HISTORIC RESOURCES COMMISSION

Mayor Bissette said the Historic Resources Commission has been awarded two federal survey and planning grants totaling $7,000. The Historic Resources Commission has Department and City Manager approval to contract with a consultant to develop design review guidelines for Biltmore Village and the Downtown and to write several National Register nominations. The grants have a cash match requirement of $6,000. This budget amendment will allocate that $6,000 cash match. The State Historic Preservation Office needs certification of the matching funds. He said this budget amendment will allow the cash match to be made available from nondepartmental contingency funds.

Councilman Boland moved for the adoption of Ordinance No. 1637. This motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1637 passed on first and final reading.

Complete text of Ordinance No. 1637 will be found in Ordinance Book No. 11 at page 141.

C. ORDINANCE NO. 1638 - ORDINANCE AMENDING SECTION 28-52(B) OF CHAPTER 28 OF THE CODE OF ORDINANCES OF THE CITY OF ASHEVILLE TO INCLUDE MURDOCK AVENUE AND MARTIN LUTHER KING DRIVE AS STREETS WHERE TRUCK TRAFFIC IS PROHIBITED

Mayor Bissette said this ordinance will prohibit truck traffic on Murdock Avenue, requested by the Claxton community group, and Martin Luther King Drive, requested by Mr. Larry Holt, on behalf of the residents of the area. He said the Traffic Engineer has recommended that these streets be added to the ordinance prohibiting truck traffic.

Councilman Price moved for the adoption of Ordinance No. 1638 restricting truck traffic on Murdock Avenue from Hillside Street to Evelyn Place until the completion of the construction at Grove Park Inn and to include Wilburn Road off Patton Avenue to Johnson Boulevard in Wilshire Park. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 6-0, Ordinance No. 1638 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1638. This motion was second by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1638 passed on second reading.

Councilman Price requested that the City staff look into restricting truck traffic on Murdock Avenue to determine if the language in the ordinance is sufficient to comply with the agreement of Grove Park Inn for construction traffic.

V. CONSENT AGENDA

A. SCHEDULING PUBLIC HEARING RELATIVE TO REZONING PROPERTY LOCATED AT 169 and 171 DRUID DRIVE FROM R-3 RESIDENTIAL DISTRICT TO CH COMMERCIAL HIGHWAY DISTRICT FOR JULY 14, 1987

SUMMARY: The Asheville Planning and Zoning Commission considered the petition of Mr. Peter Wilson et al that Ward 6, Sheet 13, Lots 27 and 41 be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located at 169 and 171 Druid Drive. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. The petitioner, Mr. Peter Wilson, has appealed the decision of the Planning and Zoning Commission, by letter dated June 8, 1987, and has requested that Council hold a public hearing relative to the rezoning request.

B. SCHEDULING PUBLIC HEARING RELATIVE TO REZONING PROPERTY LOCATED ON N.C. 81 ACROSS FROM SAYLES-BILTMORE BLEACHERS FROM R-2 RESIDENTIAL DISTRICT TO CH COMMERCIAL HIGHWAY DISTRICT FOR JULY 14, 1987

SUMMARY: The Asheville Planning and Zoning Commission considered the petition of Mr. Charles Ashton that Ward 8, Sheet 15, portion of Lot 87, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on N.C. 81 across from Sayles-Biltmore Bleachers. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. The petitioner, Mr. Charles Ashton, has appealed the decision of the Planning and Zoning Commission, by letter dated June 15, 1987, and has requested that Council hold a public hearing relative to the rezoning request.

C. SCHEDULING PUBLIC HEARING RELATIVE TO REZONING PROPERTY LOCATED ON CLINGMAN AVENUE FROM R-3 RESIDENTIAL DISTRICT TO CS COMMERCIAL SERVICE DISTRICT FOR JULY 14, 1987

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held June 3, 1987, considered the rezoning petition, plus lots in an area north of Hilliard, west of Clingman and southeast of West Haywood Street for possible inclusion in the Commercial Service District. The Commission voted to recommend to City Council that Ward 4, Sheet 3, Lots 22, 26, 27, 28, 29, 31, 32½, 34, 36, 36¼, 37, 38, 237, 240, 241, and 252 be rezoned from R-3 Residential District to CS Commercial Service District.

D. SCHEDULING PUBLIC HEARING RELATIVE TO REZONING PROPERTY LOCATED AT 243 EMMA ROAD FROM LI LIGHT INDUSTRIAL DISTRICT TO CH COMMERCIAL HIGHWAY DISTRICT FOR JULY 14, 1987

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held June 4, 1987, considered the petition of Mr. Ernest Porshia that Lots 23 and 24, Sheet 37, Ward 6, be rezoned from LI Light Industrial District to CH Commercial Highway District. The property is located at 243 Emma Road. After review and discussion, the Commission voted to recommend to City Council that Lots 23 and 24, Sheet 37, Ward 6, be rezoned from LI Light Industrial District to CH Commercial Highway District.

E. APPROVAL OF BIDS RECEIVED FOR ONE ASPHALT ROLLER FOR PUBLIC WORKS DEPARTMENT

SUMMARY: Four (4) bids were received for an asphalt roller for the Public Works Department. It is recommended to award this purchase to the low bidder, Arden Equipment Company, Arden, North Carolina, in the amount of $42,812.00.

F. RESOLUTION 87-117 - RESOLUTION REQUESTING A LOCAL WARNING WEATHER RADAR FOR WESTERN NORTH CAROLINA

SUMMARY: Incomplete and inaccurate forecasts produce unnecessary losses in lives, in property, in business, school and public agency closings, in air and ground transportation navigation, and in other productive activity. This resolution will join with other local agencies requesting the acquisition of a local warning radar by the National Weather Service.

Resolution Book No. 16 at page 377.

Upon motion of Councilman Michalove, seconded by Councilman Price, the Consent Agenda was unanimously approved.

VI. OTHER BUSINESS

A. RESOLUTION NO. 87-109 - SEWER MAINTENANCE CHARGE - RESCINDED

Councilman Tisdale moved to rescind Resolution No. 87-109 which established a sewer maintenance charge of $.70 per 100 cubic feet of water consumed effective July 1, 1987, and that the City Council place reconsideration of the establishment of a sewer maintenance charge on its agenda in two weeks. This motion was seconded by Councilman Boland and carried unanimously.

B. CLAIMS - VIOLA WILLIAMS (SEWER) - BRAD HAYES (WATER) - CLINT SLUDER (WATER)

The City Manager presented claims received from Viola Williams, Brad Hayes, and Clint Sluder.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

C. BILL SOUTHWICK - 60 GREELEY AVENUE - PERMIT FOR KEEPING GOAT

Bill Southwick, of 60 Greeley Avenue, spoke to members of Council relative to his problem in obtaining a permit to keep a goat in the City of Asheville. He presented a petition with approximately 64 signatures of neighboring property owners stating that they did not have a problem with the Southwick's keeping of a goat. He said the reason for keeping the goat is as a pet and for clearing a steep bank. He said according to the Code of the City of Asheville only milking goats can be kept inside the City of Asheville with a permit. He said his goat is a gelding and requested that the City amend the ordinance to include geldings.

The Corporation Counsel was instructed to review the ordinance to determine the feasibility of adding geldings as a permitted animal to be kept inside the City of Asheville with a permit.

It was noted that the Corporation Counsel would report back to Council relative to amending the ordinance in two weeks.

Upon inquiry of Mr. Southwick, Mayor Bissette said the City Manager would be requested to temporarily hold off issuing a citation to Mr. Southwick for the removal of the goat.

RALPH BISHOP - ASHEVILLE POLICE DEPARTMENT - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the Asheville Police Department and lottery sales.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:05 p.m.

Mayor

City Clerk

Tuesday - June 30, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Kenneth M. Michalove, Norma T. Price, and George Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Mary Lloyd Frank, Councilman Wilhelmina Bratton, and Councilman Walter Boland.

INVOCATION

The invocation was given be Councilman Norma Price.

APPROVAL OF MINUTES OF JUNE 23, 1987 MEETING

Mayor Bissette announced the approval of the minutes of the June 23, 1987 meeting as submitted.

I. PROCLAMATIONS

A. National Therapeutic Recreation Week - July 5 - 11, 1987

Mayor Bissette proclaimed the week of July 5 - 11, 1987 as National Therapeutic Recreation Week at the request of Terry Lynn Imershein, Regional State Representative for the Therapeutic Recreation Division of the N. C. Parks and Recreation Society.

II. PUBLIC HEARINGS

A. Public hearing relative to rezoning property located at Haywood Road and Nevada Avenue from R-3 Residential District to CS Commercial Service District.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held May 13, 1987, reviewed and recommended that a portion of Lot 2-1/4, Sheet 11, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District.

112

Mayor Bissette opened the public hearing at 4:30 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Due to the absence of three Council members, Councilman Price moved to continue the public hearing relative to rezoning property located on Haywood Road and Nevada Avenue until July 14, 1987, without further advertisement. This motion was seconded by Councilman Tisdale and carried unanimously.

B. Public hearing relative to proposed Leisure Ridge Condominiums to be located on Fairview Road at Vista.

Mayor Bissette said the Asheville Planning and Zoning Commission on May 13, 1987 reviewed and recommended approval of the site plan subject to: 1. Lowering the fence, removing plastic strips and that the fence be green and the plantings be on the exterior; 2. Compliance with Erosion Control Ordinance; 3. Placement of fire hydrant; and 4. That street be constructed to city standards.

Mayor Bissette opened the public hearing at 4:21 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the developer is proposing a thirty-three (33) unit condominium project on a five (5) acre tract. He said the facility is proposed for elderly citizens. He said a community building is planned which will have a nurse available. He reviewed the conditions specified by the Planning and Zoning Commission.

A discussion was held relative to the developer, Mr. Burl Lance, participating in the cost of sidewalk installations in front of the proposed development from property line to property line.

Mr. Lance indicated that he would be willing to participate in the cost of the sidewalk installations.

Janet McCraw, of 30 Vista Street, spoke in opposition to the project citing the lack of sidewalks on Fairview Road, high traffic volume on Fairview Road, and the overcrowding of the schools in the area. She cited high traffic counts taken by the City of Asheville and the North Carolina Department of Transportation. She commented on the poor site visibility at the intersection of Vista Street coming into Fairview Road.

Wendall Bailey, property owner in the area, requested that if Council approves the project that the developer be required to provide a fence around the project at least 6' high, to be green in color; that a row of trees be planted between the fence to be installed and the adjoining property owner's fence; that the

developer dedicate a 10' right of way to the city for sidewalk installations; that the existing large trees in front of the property be retained; that the fencing and plantings be in place prior to construction; and that occupancy be restricted to individuals above 18 years of age. He cited traffic conditions and overcrowded schools as reasons for his opposition.

Corporation Counsel Slawter said Council does not have the authority to impose restrictions on condominium declarations. Therefore, in his opinion Council could not restrict the individuals purchasing the units with regard to age limits. He said Council has authority to regulate the construction of the project.

Mayor Bissette closed the public hearing at 5:03 p. m.

Councilman Price moved to approve the site plan of the proposed Leisure Ridge Condominiums to be located on Fairview Road at Vista subject to the conditions outlined by the Planning and Zoning Commission; that the developer dedicate a 10' right-of-way for sidewalk installation; that the developer provide the materials for the construction of the sidewalks from property line to property line; that the fencing and plantings be in place prior to construction and following proper grading of the project; and that as many large trees as possible be retained. This motion was seconded by Councilman Tisdale and carried unanimously.

Mayor Bissette noted that Fairview Road is a state system street and the concerns of the residents should be brought to the attention of the North Carolina Department of Transportation for possible improvements and inclusion in the Transportation Improvement Projects.

C. **Public hearing relative to amending Ordinance No. 322, Asheville Zoning Ordinance, to include provision for amortization of nonconforming signs.**

Mayor Bissette said the Asheville Planning and Zoning Commission on June 3, 1987, considered City Council's request to investigate the feasibility of amending Ordinance No. 322, to include provision for amortization of nonconforming signs.

Mayor Bissette opened the public hearing at 5:08 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette announced that due the number of Council members absent the public hearing relative to amortization of nonconforming signs will be continued until July 14, 1987.

Leah Karpen of Weaverville said the N. C. General Assembly is presently considering legislation relative to the amortization of nonconforming signs and their action may make Council's proposed ordinance invalid. She said Council should consider this action by the General Assembly.

114

Lynn Brown of 62 Macon Avenue said she would be making formal comments at the public hearing on July 14, 1987; but she did want Council to note the number of individuals at the meeting today in support of the proposed ordinance that may not be at the July 14th public hearing.

Councilman Tisdale moved to continue the public hearing relative to amending the Zoning Ordinance for the amortization of nonconforming signs until July 14, 1987 without further advertisement. This motion was seconded by Councilman Michalove and carried unanimously.

III. OLD BUSINESS:

A. **Second reading of Ordinance No. 1636, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, rezoning property on Fairway Drive (Carmelite Property).**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held May 13, 1987, reviewed the request of City Council that the Commission consider rezoning a portion of Lot 61, Sheet 15, Ward 8, from O-I Office Institutional District to R-2 Residential District. The property is located on Fairway Drive and is known as the Carmelite Property. After review and discussion, the Commission voted to recommend to City Council that a portion of Lot 61, Sheet 15, Ward 8, be rezoned from O-I Office Institutional District to R-2 Residential District. This ordinance was read on first reading on June 23, 1987.

Mayor Bissette said this ordinance was previously read on first reading and will not be read in its entirety.

On a roll call vote of 4-0, Ordinance No. 1636 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1636. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1636 passed on third and final reading.

Complete text of Ordinance No. 1636 will be found in Ordinance Book No. 11 at page 140.

B. **Third reading of Ordinance No. 1638, an ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville to include a portion of Murdock Avenue, Martin Luther King Drive, and Wilburn Road as streets where truck traffic is prohibited.**

Mayor Bissette said the ordinance will prohibit truck traffic on Murdock Avenue, from Hillside to Evelyn Place, requested by the Claxton Community Group, and Martin Luther King Drive, requested by Mr. Larry Holt, on behalf of the residents of this area, and Wilburn Drive off Patton Avenue. The Traffic Engineer has recommended that these streets be added to the ordinance prohibiting truck traffic.

Mayor Bissette said this ordinance was previously read on first reading and will not be read in its entirety.

Councilman Price moved to amend Ordinance No. 1638 to include the entirety of Murdock Avenue, and a portion of Wilshire Drive from Wilbur Road to Johnson Blvd. This motion was seconded by Councilman Michalove and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1638 passed on third and final reading.

Complete text of Ordinance No. 1638 will be found in Ordinance Book No. 11 at page 142.

C. Report from Corporation Counsel relative to amending the Animal Control Ordinance to include keeping of gelding goat in the City of Asheville.

Mayor Bissette said a request was received at the June 23, 1987 from Bill Southwicke at 30 Greely Street to amend the Animal Control Ordinance to permit the keeping of a gelding goat in the City of Asheville.

Corporation Counsel Slawter said the existing Animal Control Ordinance provides for the keeping of milking goats in the City of Asheville provided a permit is issued by the Animal Control Officer. He said, as instructed by Council, he had prepared an amendment to the Animal Control Ordinance to allow for the keeping of a gelding goat in the City of Asheville provided a permit is issued by the Animal Control Officer if Council so desires to amend the ordinance. He said he would assume that milking goats were permitted under the ordinance due to the perceived need for goat milk.

Herman Rector of 59 Greely Street spoke in opposition to the proposed amendment to allow for the keeping of goats in the City of Asheville. He said he had complained about the goat being kept at 30 Greely Street for the past year. He said a goat can be a nuisance and has an odor. He said the goat at 30 Greely Street has been kept illegally. He said property values in the area have decreased since the goat has been in the area. He said the goat has been loose on three (3) different occasions. He presented a map showing the property in the area as well as comments relative to the goat at 30 Greely Street from surrounding property owners. He said there is no possible way the goat can be kept 150' from a residence as required by the Animal Control Ordinance. He reminded Council that if the

ordinance is amended goats would be allowed all over the City of Asheville.

Charles Penny, Assistant City Manager, said Mr. Southwicke was under the impression Council was not going to discuss this matter until July 7, 1987. He said since Mr. Southwicke is not present for the discussion he would report Council's action to Mr. Southwicke.

After discussion by members of Council, the public, and the Animal Control Officers, it was Council's decision not to amend the ordinance to allow for the keeping of gelding goats and that Mr. Southwicke be given two (2) weeks to have the goat removed from 30 Greely Street.

Councilman Price requested that the Corporation Counsel review the current Animal Control Ordinance and ordinances from other cities dealing with potentially dangerous dogs. She said she had received a number of complaints from residents on Winfred Street, off Carrier Place, about the keeping of potentially dangerous pit bull dogs.

IV. NEW BUSINESS:

None Scheduled

V. CONSENT AGENDA:

A. **Approval of bids received for Street Sweeper for the Public Works Department, Street Division.**

SUMMARY: Recommendation for award to Bruder/Sharper, Inc., Madison, North Carolina, in the amount of $80,671.40 for one (1) self-contained street sweeper for Public Works Department, Street Division.

B. **Resolution No. 87-118 - Resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company, property located at the Asheville Airport.**

SUMMARY: Carolina Power and Light Company has requested that the City execute a right-of-way easement on property belonging to the City of Asheville located at the Asheville Regional Airport, bounded by lands of Henderson County on the North and U. S. Highway I-26 on the East, Fanning Bridge Road on the South and Airport Road on the West, for the purposed of updating an existing electric power line.

Resolution Book 16 - Page 378

D. **Resolution No. 87-119 - Resolution appointing member to the Asheville-Buncombe Crime Stoppers Committee.**

SUMMARY: This resolution will appoint Elliott Eki as a member of the Asheville-Buncombe Crime Stoppers Committee for a term of three years, term expiring June 10, 1990.

Resolution Book 16 - Page 379

E. Resolution No. 87-120 - Resolution appointing member to the Tourism Development Authority.

SUMMARY: This resolution will appoint Steve Miller as a member of the Tourism Development Authority for a term of three (3) years, term expiring August 30, 1990.

Resolution Book 16 - Page 380

F. Resolution No. 87-121 - Resolution authorizing the City Manager to execute contract with McGladrey, Henderickson, and Pullen for a computer study and development of a long range Data Processing Plan.

SUMMARY: Proposals were received to develop a long range plan for Data Processing for the City of Asheville. Data Processing Director and Data Processing Executive Steering Committee recommends the acceptance of the proposal from McGladrey, Hendrickson, and Pullen in an amount not to exceed $32,500.

Resolution Book 16 - Page 381

G. Resolution No. 87-122 - Resolution authorizing the City Manager to execute an agreement between the City of Asheville and Hewitt-Coleman and Company for the purpose of providing administrative services to the City's program of self-insured workers' compensation.

SUMMARY: This will place administrative services of workers' compensation with Hewitt-Coleman and Company, effective June 27, 1987. This proposal was selected and endorsed as the superior proposal by the Asheville-Buncombe Insurance Advisory Committee.

Resolution Book 16 - Page 382

H. Scheduling public hearing relative to the site plan of the proposed Federal Express Facility to be located on Patterson Mill Road for July 14, 1987.

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held June 10, 1987 reviewed and approved the site plan subject to:

1. That the final landscape plan be approved by the Planning and Zoning Commission.

2. That in conjunction with final landscape plan, developer consider holding pavement parallel to I-240 twenty feet off property line except as needed for ingress and egress, and that ingress and egress off Patterson Mill Road be other than commercial use.

Upon motion of Councilman Price, seconded by Councilman Tisdale, the consent agenda was unanimously approved.

OTHER BUSINESS

OTIS STREET PARKING LOT - RATES INCREASED

Councilman Tisdale moved to increase the monthly rate for parking at the Otis Street Parking Lot from $15.00 to $20.00 per month, effective July 1, 1987. This motion was seconded by Councilman Price and carried unanimously.

PARKING GARAGE BIDS - RANKIN AVENUE - WALL STREET - RESCINDED

The City Manager said due to threatened litigation by Dixie Construction Company relative to the bids awarded for the Rankin Avenue and Wall Street Parking Garage he would recommend that Council rescind their action of June 23, 1987 awarding the General Contract to Freeman and Wood and to re-bid the General Contract.

Councilman Michalove moved to rescind the action taken by Council on June 23, 1987 awarding the General Contract for the Rankin Avenue and Wall Street Parking Garages to Freeman and Wood Construction Company. This motion was seconded by Councilman Tisdale and carried unanimously.

Councilman Price moved to reject all bids received for the General Contract for the Rankin Avenue and Wall Street Parking Garages. This motion was seconded by Councilman Tisdale and carried unanimously.

The City Manager said the General Contract would be re-bid and bids would be received on July 14, 1987. He said the same bond schedule would apply with these dates.

COUNCIL MEETING OF JULY 7, 1987 - CANCELLED

Mayor Bissette announced that the Council meeting scheduled for July 7, 1987 would not be held due to the July 4, 1987 holiday.

REPORT FROM HAROLD HUFF, DIRECTOR OF WATER AND SEWER SERVICES RELATIVE TO WATER AUTHORITY BUDGET

Mr. Huff reported that he had attended the Buncombe County Commissioner's meeting today and the Board of Commissioners voted unanimously not to adopt the Water Authority Budget as submitted. He said the Commissioners desire to have the budget amended to include two and one-half (2-1/2) percent of gross revenues for the County to reflect the significant prior contribution of the County to the water system. He said upon advice from the Legal

Counsel, the Commissioners said they would be willing to approve a budget containing the 2 1/2 percent of gross revenues earmarked for the County or an interim (31-day) budget.

Mayor Bissette said as instructed by Council he had written to the Commissioners informing them that Council stood behind their first communication, dated April 7, 1987 in which Council would be willing to discuss the Water Agreement with the County Commissioners; however, Council would not be willing to discuss autonomy, or a reduction in payments. He said he had also informed them that Council would discuss a return on the County's investment, and wanted to discuss the excessive increase, by the County, of landfill tipping fees and charges for tax collection services. He said in his opinion the City Council has been ready and willing to discuss the Water Agreement with the County. He said he had hand delivered the letter to Chairman Ratcliff on Friday, June 26, 1987 and has received no response from that letter.

Councilman Price moved that Council go into Executive Session to discuss a legal matter. This motion was seconded by Councilman Tisdale and carried unanimously.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:15 p. m.

MAYOR

CITY CLERK

120

Wednesday - July 1, 1987 - 5:00 P.M.
Emergency Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Kenneth M. Michalove, Norma T. Price, and George Tisdale, Walter R. Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Mary Lloyd Frank and Councilman Wilhelmina Bratton.

ADOPTION OF INTERIM FY 1987-88 BUDGET FOR THE ASHEVILLE/BUNCOMBE WATER AUTHORITY

Mayor Bissette read the following letter addressed to Ralph D. Morris, Jr., Chairman of the Asheville-Buncombe Water Authority:

July 1, 1987

Mr. Ralph Morris, Jr.
Chairman
Asheville-Buncombe Water Authority
P. O. Box 7148
Asheville, North Carolina 28807

Dear Ralph:

Yesterday, at a formal meeting of the Board of Commissioners the Board,, upon review and consideration of the budget for the Asheville-Buncombe Water Authority, declined to approve the budget as submitted. The Board of Commissioners voted unanimously to have the budget changed to include two and one-half (2-1/2) percent of gross revenues for the County to reflect the significant prior contribution of the County in the development of the water system.

Understanding the urgent need for immediate action towards adoption of a budget, the Commissioners will, upon review and consideration, approve either a FY 1987-88 budget containing the aforementioned 2-1/2 percent of gross revenues earmarked for the County or an interim (31-day) budget. The interim budget might be considered to provide the time necessary to develop the revised budget.

Sincerely,

R. Curtis Ratcliff
Chairman of the Board

/mmp
cc: Mr. Harold Huff
Water Authority Board Members

[illegible] had not personally received notification from the County Commissioners on their action.

Upon inquiry of Councilman Michalove, Corporation Counsel Slawter said the Water Authority does not have the authority to grant requests of the County of Buncombe without violating the Water Agreement.

Harold Huff, Director of Water and Sewer Services, presented Resolution 87-15, Resolution Adopting and Appropriating an "Interim" FY 1987-88 Budget for the Asheville-Buncombe Water Authority adopted by the Authority on July 1, 1987. He said the budget, in the amount of $1,370,030.00, represents one months operation plus capital needs for the administration of the Water System.

Upon inquiry of Mayor Bissette as to whether or not bond covenants were violated by not approving the Water Budget, the Corporation Counsel said he would leave that question up to the bond attorneys, Mr. Aperans.

Councilman Tisdale moved that the Council concur in the adoption of the Asheville-Buncombe Water Authority's resolution, Resolution No. 87-15, adopting and appropriating an "Interim" FY 1987-88 Budget for the Asheville-Buncombe Water Authority. This motion was seconded by Councilman Boland and carried unanimously.

Mayor Bissette adjourned the meeting at 5:30 P.M.

MAYOR

CITY CLERK

Tuesday - July 14, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, and George Tisdale, Wilhelmina Bratton; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland.

INVOCATION

The invocation was given be Mayor Bissette.

APPROVAL OF MINUTES OF REGULAR MEETING OF JUNE 30, 1987 AND EMERGENCY MEETING OF JULY 1, 1987

Mayor Bissette announced the approval of the minutes of the regular meeting of June 23, 1987 and the emergency meeting of July 1, 1987, as submitted.

I. PROCLAMATIONS

A. August 17 and September 20, 1987 - "Roads to Liberty" and "Liberty Spectacular"

Mayor Bissette proclaimed August 17 and September 20, 1987 as "Roads to Liberty" and "Liberty Spectacular" in relationship to the Bicentennial Commission.

Mayor Bissette presented the proclamation to Bob Barber, Project Director for Fund Raising for the Bicentennial Commission.

II. PUBLIC HEARING

A. Public hearing relative to rezoning property located at 169 and 171 Druid Drive from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette said the Asheville Planning and Zoning Commission considered the petition of Mr. Peter Wilson et al that Ward 6, Sheet 13, Lots 27 and 41 be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located at 169 and 171 Druid Drive. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. The petitioner, Mr. Peter Wilson, has appealed the decision of the Planning and Zoning Commission, by letter dated June 8, 1987, and has requested that Council hold a public hearing relative to the rezoning request.

Mayor Bissette opened the public hearing at 4:16 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the petitioner has requested that Council continue the public hearing until August 4, 1987.

Councilman Price moved to continue the public hearing relative to rezoning property on Druid Drive until August 4, 1987 without further advertisement. This motion was seconded by Vice-Mayor Frank and carried unanimously.

B. **Public hearing relative to rezoning property located on N. C. 81 across from Sayles-Biltmore Bleachers from R-2 Residential District to CH Commercial Highway District.**

Mayor Bissette said the Asheville Planning and Zoning Commission considered the petition of Mr. Charles Ashton that Ward 8, Sheet 15, portion off Lot 87, be rezoned from R-2 Residential District to CH Commercial Highway District. The property is located on N. C. 81 across from Sayles-Biltmore Bleachers. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. The petitioner, Mr. Charles Ashton, has appealed the decision of the Planning and Zoning Commission, by letter dated June 15, 1987, and has requested that Council hold a public hearing relative to the rezoning request.

Mayor Bissette opened the public hearing at 4:19 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the petitioner requested the rezoning of this property in order to continue his business which is located across from the entrance to Sayles-Bleachers. He said the Planning and Zoning Commission recommended denial of the request because they felt the rezoning would be an intrusion into a residential area. He said a petition was filed before the Planning and Zoning Commission from the residents in the area opposing the rezoning.

Clarence Waycaster, of 26 Swannanoa Drive, said it was his understanding that the petitioner, Mr. Charles Ashton, has given up on having the property rezoned since he has moved his business and the property is now for sale.

Mr. Ned Guttman, 58 Beechwood Road, speaking on behalf of the Redwood Forest Homeowners Association, objected to the rezoning of the property in question.

Mark Kristen, 136 Governors View Drive, spoke in opposition to the rezoning.

Mayor Bissette closed the public hearing at 4:20 p. m.

Councilman Price moved to accept the recommendation of the Planning and Zoning Commission and to deny the rezoning request of Mr. Charles Ashton to rezone property located on N. C. 81 across from Sayles-Biltmore Bleachers from R-2 Residential District to CH Commercial Highway District. This motion was seconded by Councilman Tisdale and carried unanimously.

C. Public hearing relative to rezoning property in the area north of Hilliard, west of Clingman and southeast of West Haywood Street to Commercial Service District

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 3, 1987, considered the rezoning petition, plus lots in an area north of Hilliard, west of Clingham and Southeast of West Haywood Street for possible inclusion in the Commercial Service District. The Commission voted to recommend to City Council that Ward 4, Sheet 3, Lots 22, 26, 27, 28, 29, 31, 32-1/4, 34, 36, 36-1/4, 37, 38, 237, 240, 241, and 252 be rezoned from R-3 Residential District to CS Commercial Service District.

Mayor Bissette opened the public hearing at 4:26 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the original petition to rezone the property was received from Mr. Murphy for the purpose of establishing a business at the corner of Clingman Avenue and Old Haywood Street. However, the Planning and Zoning Commission recommended that all property down to the curb line be included in the rezoning to Commercial Service District. He said property owners adjoining the property proposed to be rezoned was notified and the only concern expressed was the understanding of what rezoning actually means. The property owners indicated that if the rezoning was in any way connected to a renewal project they would object. He said the property owners were informed that the rezoning would in no way constitute a renewal project.

Genell Leak, of 28 Knoxville Place, and John Williams of 29-1/2 Knoxville Place, asked members of Council what the rezoning would actually mean for their property.

At the request of Mr. Williams, Council instructed the City Manager to look into a water problem running onto Knoxville Place from the Meeker Mercury Automobile Dealer adjacent to their property.

Jonathan Rivers of 91 Clingman Avenue and Mrs. Lock, of 89 Clingman Avenue, questioned the actual location of the property proposed to be rezoned. Mr. Emrick explained to them that their property was not included in the area to be rezoned.

After discussion, Councilman Tisdale moved to continue the public hearing until August 4, 1987, without further advertisement, giving the Planning Staff an opportunity to meet with the property owners and explain the effects of rezoning. This motion was seconded by Vice-Mayor Frank and carried unanimously.

L. **Public hearing relative to rezoning property located at 243 Emma Road from LI Light Industrial District to CH Commercial Highway District.**

Ordinance No. 1639 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition off Mr. Ernest Porshia property located on Emma Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 4, 1987, considered the petition of Mr. Ernest Porshia that Lots 23 and 24, Sheet 37, Ward 6, be rezoned from LI Light Industrial District to CH Commercial Highway District. The property is located at 243 Emma Road. After review and discussion, the Commission voted to recommend to City Council that Lots 23 and 24, Sheet 37, Ward 6, be rezoned from LI Light Industrial District to CH Commercial Highway District.

Mayor Bissette opened the public hearing at 4:45 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the petitioner, Mr. Ernest Porshia, requested the rezoning in order that his son can build a residence on the property. He said single family residences are not allowed in the LI Light Industrial zone, but would be allowed in the Commercial Highway District. He said this is an upgrading of zoning for the area.

Mayor Bissette closed the public hearing at 4:47 P.M.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1639. This motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1639 passed on first reading.

F. **Public hearing relative to the site plan of the proposed Federal Express Facility to be located on Patterson Mill Road.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 10, 1987, reviewed and approved the site plan subject to:

1. That final landscape plan be approved by Planning and Zoning Commission.

2. That in conjunction with final landscape plan, developer consider holding pavement parallel to I-240 twenty feet off property line except as needed for ingress and egress, and that ingress and egress off Patterson Mill Road be other than commercial use.

Mayor Bissette opened the public hearing at 4:49 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Federal Express Facility would be located on I-240 and would consist of 26,000 square feet. He said concerns were expressed, at the Planning and Zoning Commission meeting, relative to the access to the site. He said the Commission recommended restriction of the use of Hendersonville Road. He said signs for the facility would be low on the building.

Mayor Bissette closed the public hearing at 4:54 P.M.

Councilman Tisdale moved to approve the site plan of the proposed Federal Express Facility as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Price and carried unanimously.

III. OLD BUSINESS:

A. **Continuation of a public hearing relative to rezoning property located at Haywood Road and Nevada Avenue from R-3 Residential District to CS Commercial Service District.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held May 13, 1987, reviewed and recommended that a portion of Lot 2-1/4, Sheet 11, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District.

Mayor Bissette said due to a protest petition being filed in opposition to the rezoning of this property and the absence of several Councilmembers he would suggest that the public hearing be continued until August 4, 1987.

Councilman Tisdale moved to continue the public hearing relative to rezoning property located at Haywood Road and Nevada Avenue until August 4, 1987, without further advertisement. This motion was seconded by Vice-Mayor Frank and carried unanimously.

B. Continuation of a public hearing relative to amending Ordinance No. 322, Asheville Zoning Ordinance, to include provision for amortization of nonconforming signs.

Ordinance No. 1640 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (Wording Amendment - Section 30-9-6. Nonconforming Signs. (On and Off Premise)

Mayor Bissette said the Asheville Planning and Zoning Commission on June 3, 1987, considered City Council's request to investigate the feasibility of amending Ordinance #322 to include provision for amortization of nonconforming signs.

Verl Emrick, Planning Director, said this ordinance would provide that any nonconforming sign, on or off premise, must be brought into compliance with 5-1/2 years or removed. He said the Planning Department conducted a sign survey along the major thoroughfares, including Patton Avenue/Smoky Park Highway, Leicester Highway, Louisiana Avenue, Emma Road, Haywood Road, Brevard Road, Amboy Road, Victoria Road, McDowell; Biltmore Avenue, Hendersonville Road, Sweeten Creek Road, Swannanoa River Road, Fairview Road, Tunnel Road, Haw Creek/Beverly Road, Charlotte Street, West Chestnut, Merrimon Avenue, Broadway, Hill Street/Cherry Street, Riverside Drive and the Central Business District. He said the survey indicates 902 nonconforming signs, 40 of which are billboards, or off premise signs.

A resident of 706 River Ridge Drive, speaking on behalf of the Asheville-Buncombe League of Women Voters, spoke in support of the ordinance, stating that Asheville needs more restrictive controls on signs. She said it is important that Council adopt this ordinance now before the General Assembly adopts pending legislation relative to amortization of nonconforming signs providing that municipalities must compensate for the requirement to remove or bring a sign into compliance.

Leah Karpen, 400 Charlotte Street, spoke in support of the ordinance, stating there are nonconforming signs on major and minor thoroughfares.

Wayne Kinser, owner of Great Smokies Hilton, and a resident of Vance Gap Road, spoke in opposition to the ordinance. He said he felt the ordinance was an anti-business ordinance and would be detrimental to many of the businesses. He said it would cost him approximately $30,000 to bring his sign at the Hilton into compliance. He said he felt this ordinance would be an encroachment upon individual rights, would provide the taking of private property without

compensation, and would restrict the freedom of businesses to enjoy their business.

Mike Summey, Summey Outdoor Advertising, a billboard business, said the General Assembly is presently considering legislation to require municipalities to compensate sign company in the event a sign has be removed due to nonconformity. He cited several Supreme Court decisions relative to this issue. He said he felt this ordinance was a plan of extortion. He said under the recent Supreme Court decisions municipalities were required to use their power of eminent domain or to pay compensation to the sign companies.

Danie Johnson, of 181 Lakeshore Drive, and President of the Asheville Area Section of the North Carolina Chapter of the Institute of Architects, representing 45 area architects, read a resolution adopted by their association supporting the adoption of the ordinance.

Lin Brown of 62 Macon Avenue, spoke in support of the ordinance stating that signs are visual pollution.

Councilman Price said she had to leave the meeting, but was leaving unexcused in order that her vote could be in the affirmative. She said it was her hope that the General Assembly would not pass the pending legislation and give municipalities an opportunity to review sign regulations.

John Zero of 526 Sunset Drive, spoke in support of the ordinance.

A resident of 3 Vineyard Place, spoke in support of the ordinance.

Chris Moutos, 155 Tunnel Road, Mountaineer Steak House, spoke in opposition to the ordinance stating that he would be required to remove a sign from his business that has been in place since 1952.

Lloyd Kirk, 866 Hendersonville Road, Forest Manor Motor Lodge, spoke in opposition to the ordinance. He said he did not feel there is anything wrong with the present sign ordinance. He said this ordinance would allow for the taking of private property without compensation. He said the ordinance is aimed at eventually taking all signs down. He said the ordinance was anti-business and businesses depend on signs. He said business is the source of taxes, payroll, and economic development in the City of Asheville. He said Council should consider the negative impact this ordinance would have on businesses. He said if he is directed to remove his sign at his business he will proceed to file a lawsuit against the City of Asheville.

David Gantt, Attorney, spoke in support of the ordinance.

June Grant said she feels the present City Council has constantly exercised their power taking a negative approach toward businesses. She spoke in opposition to the ordinance.

Ralph Bishop spoke in opposition to the ordinance.

Vice-Mayor Frank spoke in support of the ordinance stating that the City should become more aware of what they are looking at and Asheville should be in a leadership role.

Mayor Bissette noted that letters were received from the following individuals opposing the proposed sign ordinance:

Syd Bartlett, Fox Styling Shops; Martha Lowe, NCNB National Bank; Lee Towery, Towery Realty Company; Mr. Koon, Asheville Oil Company; Kenneth McClellan; J. W. Hoyle, Hoyle Office Supplies; Robert Ledford, Bob Ledford's Inc; B. Dan Hembree, Amerifirst Mortgage Corp.; Dan Stanley, Bill Stanley's; Clifford R. Longcoy, Robinson-Conner of North Carolina; J. Don Tomberlin, Robinson-Conner of North Carolina; Joan Burge;Allen Osborne; J. V. Barkley, Barkley Toyota; Joe Eblen-, Biltmore Oil Company; Craig Madison, The Alpha Group; Donna Sprouse, Calabash West Restaurant; Burger King; Marie M. Candler, Great Smokies Hilton; Kostas Rantzos; Steve Junken, Fuddruckers; John Teeter, Pepsi-Cola; Claudia Jane Lentz; and Larry Plount.

Mayor Bissette closed the public hearing at 6:05 P. M.

Vice-Mayor Frank moved to amend the ordinance to delete the language dealing with on-premise signs and to limit the ordinance to off-premise signs. This motion was seconded by Councilman Tisdale.

Councilman Michalove said over the past two years Council has worked with Alternatives for Asheville and that plan should be forthcoming in the next three weeks. He said he had received a number of letters in opposition to the ordinance. He said the ordinance seems to be unfair to businesses, however in his opinion Council is "backed into a corner" with the pending General Assembly legislation. He said an ordinance can be amended at any given time by any Council and in his opinion Council should adopt this ordinance to deal with on and off premise signs in order for Council to keep their options open as far as amortization of nonconforming signs.

Mike Summey, Summey Outdoor Advertising Company, said there is no logic to the ordinance since there area only 40 nonconforming billboards. He said the ordinance is directed specifically at his businesses. He said signs are important to the Asheville area since many businesses check on the availability of billboards before coming to Asheville.

Councilman Michalove said if Council adopts this ordinance as originally proposed Council would be leaving their options open if the General Assembly passes the pending legislation. He said Council could then, in November, after the Alternatives for Asheville plan is presented, review the entire sign ordinance. He said perhaps at that time Council

could come up with a sign ordinance which would be agreeable to everyone.

Vice-Mayor Frank withdrew her motion to amend the ordinance. Councilman Tisdale withdrew his second to the motion.

Councilman Michalove moved for the adoption of Ordinance No. 1640. This motion was seconeded by Vice-Mayor Frank.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

On a roll call vote of 6-0, Ordinance No. 1640 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1640. This motion was seconded by Vice-Mayor Frank.

On a voice vote of 3-2, Councilman Michalove's motion failed, with Mayor Bissette, Councilman Bratton, and Councilman Tisdale voting "no".

C. RESOLUTION NO. 87-123 - RESOLUTION ESTABLISHING SEWER MAINTENANCE USER FEE

Mayor Bissette said this resolution will establish a sewer maintenance user fee in order to generate sufficient revenue to meet the costs of operating and maintaining the City of Asheville sewer collection system.

The City Manager said the city staff held two meetings with large industry representatives relative to the proposed sewer maintenance user fees. He said the recommended user fee will be based on the size of meters since there is an additional cost to maintain larger sewer lines.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-123 was unanimously adopted.

Complete text of Resolution No. 87-123 will be found in Resolution Book No. 16 at page 383.

D. Resolution authorizing the City Manager to sign a contract on behalf of the City of Asheville for the General Contract for the construction of the Wall Street and Rankin Avenue Parking Garages.

The City Manager said the general contract for the construction of the Wall Street and Rankin Avenue Parking Garages was rebid and the low bidder was Dixie Constructors, Inc. in the amount of $3,485,000. He said the consultants, Enwright Associates, reviewed the bids and recommended the acceptance of the low bid of Dixie Constructors, Inc.

Larry McDevitt, Attorney, representing Freeman and Wood Contractors, reviewed the background of the bids for the parking garages. He said Freeman and Wood was the low bidder when the bids were first opened and the Freeman and Wood bid was accepted by Council. He said although Freeman and Wood failed to fill in the number of days for completion it was apparent that the City did not consider that information substantial. He said Council, under the law, is allowed to waive that type of information for bids. He said Council exercised that option and accepted the bid of Freeman and Wood. He said subsequent action by Council to rescind the action awarding the contract to Freeman and Wood was inappropriate. He requested that Council readopt their action to award the contracts to Freeman and Wood since their bid was proper, legal, and appropriately accepted. He said Freeman and Wood is concerned about this action and if Council does not readopt their action, Freeman and Wood will be forced to pursue other rememdies available to them.

Councilman Michalove moved that Council go into executive session to discuss a legal matter. This motion was seconded by Vice-Mayor Frank and carried unanimously.

After returning from executive session, Mayor Bissette announced that Council would not take action on the bids for the parking garages at today's meeting but would recess this meeting to meet again on Thursday, July 16, 1987 at 12:30 P.M. to consider the bids.

IV. NEW BUSINESS:

A. Resolution No. 87-124 - Resolution authorizing the City Manager to sign an agreement for services with Personnel Performance Systems, Inc.

Mayor Bissette said this agreement for counseling services will continue an Employee Assistance Program for employees and their family members, with a new service provider. The annual fee of $6,480 ($7.62 per year per employee) should be more than recovered each year thru reduction in sick leave and poor work performance by employees suffering from personal problems. This agreement will also allow employees to receive services from a variety of professionals in the area, both public and private, to the benefit of employees, and their families.

Councilman Michalove requested to be excused from vote and participation on this resolution due to a conflict of interest.

Vice-Mayor Frank moved to excuse Councilman Michalove from voting and participation relative to the agreement for services with Personnel Performance Systems, Inc. This motion was seconded by Councilman Tisdale and carried unanimously.

Councilman Tisdale moved for the adoption of Resolution No. 87-124. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Complete text of Resolution No. 87-124 will be found in Resolution Book No. 16 at page 384.

B. Resolution No. 87-125 - Resolution authorizing the Mayor to execute an agreement on behalf of the City of Asheville with the Asheville Chapter of the American Red Cross.

Mayor Bissette said UMTA regulations require that the City provide public transportation services within the corporate City limits to qualified handicapped individuals, including wheelchair users and semi-ambulatory persons. Said service is currently provided by the American Red Cross pursuant to an agreement which terminates June 30, 1987. Upon review of proposals submitted the Ci6ty Council deems it in the best interests that a more comprehensive effort be undertaken by the City and Transit Authority in order to determine by whom such services should be provided in the future. It appears that six (6) months time will be required in order to fully determine the needs and to properly formulate, preceive, and analyze proposals for the service. This resolution will authorize the extension of the Red Cross agreement for a six month period.

Bob Jones, Patton Mountain Road, representing Penland and Sons, Inc. which also operates Blue Bird Taxi Service, said his company had bid on the transportation for the elderly and handicapped. He said Blue Bird Taxi Service submitted the low bid in the amount of $29,500 and received a letter from the Asheville Transit Authority to prepare for the execution of the contract. He said he then received a letter from Asheville Transit Authority stating that $1 million in liability insurance was required from them or the service would have to be rebid. He said his company complied with the insurance requirement. He requested that his company be given the opportunity to provide the transportation service during the interim period whild the City is reviewing the 504 UMTA Program or to extend the contract with American Red Cross for only a ninety (90) day period.

Carl Owenby, with the Asheville Transit Authority, said the services will be rebid to allow for compliance with federal guidelines. He said a public hearing is scheduled by the Asheville Transit Authority for August 14, 1987 relative to the 504 UMTA Program and after that time the bid specifications will comply with federal guidelines. He said the Transportation Advisory Council is required to review the 504 Program, of which Councilman Tisdale is chairman.

After discussion, Councilman Michalove moved for the adoption of Resolution No. 87-125. This motion died for the lack of a second.

Vice-Mayor Frank moved to adopt Resolution No. 87-125 with the provision that the American Red Cross contract be extended for a period of four (4) months. This motion was seconded by Councilman Tisdale and carried unanimously.

Complete text of Resolution No. 87-125 will be found in Resolution Book No. 16 at page 385.

V. CONSENT AGENDA:

A. Approval of bids received for communication center console for the Asheville Police Department's Communication Division.

SUMMARY: Recommendation for award of Bid Request No. 299-87 to Motorola C & E., Inc., Charlotte, North Carolina, in the amount of $117,749.00 for a Communication Center Console for the Asheville Police Department's Communications Division.

B. Approval of bids received for four (4) inch diameter fire hose for the Asheville Fire Department.

SUMMARY: Recommendation for award of Bid Request No. 296-87, four (4) inch diameter fire hose for the Asheville Fire Department (as recommended) for the total amount of $13,860.00.

C. Motion authorizing settlement of Daniels Graphics Claim.

SUMMARY: Settlement relative to closing of alley in vicinity of Daniels Graphics for Rankin Street Parking Garage.

D. Scheduling public hearing relative to the site plan of the proposed expansion of the NCDOT Maintenance Complex on U. S. 74 for August 4, 1987.

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held June 10, 1987, reviewed a site plan of the proposed expansion of the NCDOT Maintenance Complex on U. S. 74. The site plan was prepared by Ellis, Naeyaert, Genheirmer, Associates, Inc. for the State and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

E. Resolution No. 87-126 - Resolution authorizing the City Manager to adopt Administrative Pay Policies.

SUMMARY: Until recently the City Manager had adopted administrative pay policies unilaterally. A recent case, Newber v. City of Wilmington, 83 N.C. App. 327 (1986), however, requires that a City Council formally "establish the schedule of pay .. and other compensation of all City employess." This resolution will formally authorize the City Manager to adopt administrative pay policies which supplement the City's basic pay and classification plan.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, the consent agenda was unanimously approved.

Ordinance No. 1641 - Budget Ordinance amendment appropriating funds for Riverfront Planning Grant.

Mayor Bissette said the N. C. General Assembly presented the City of Asheville with a $13,000 Riverfront Planning Grant in 1986. This budget amendment set ups an account description for the river planning revenue.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1641. This motion was seconded by Councilman Tisdale.

On a roll call vote of 6-0, Ordinance No. 1641 passed on first and final reading.

Complete text of Ordinance No. 1641 will be found in Ordinance Book No. 11 at page 146.

MOTION TO RECESS MEETING - THURSDAY - JULY 16, 1987 - 12:30 P.M.

Councilman Tisdale moved to recess the Council meeting until Thursday, July 16, 1987 at 12:30 P.M.

MAYOR _____ CITY CLERK

Thursday - July 16, 1987 - 12:30 P.M.

Reconvened Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, and George Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland, Councilman Norma T. Price, and Councilman Wilhelmina Bratton.

RESOLUTION NO. 87-127 - RESOLUTION AWARDING THE BIDS AND AUTHORIZING EXECUTION OF THE CONTRACTS FOR CONSTRUCTION OF THE WALL STREET AND RANKIN AVENUE PARKING DECKS

Mayor Bissette said this resolution will authorize the City Manager to execute a contract with Dixie Constructors, Inc. for the construction of the Wall Street and Rankin Avenue Parking Decks in the amount of $3,485,000.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-127 was unanimously adopted.

Complete text of Resolution No. 87-127 will be found in Resolution Book No. 16 at page 387.

RESOLUTION NO. 87-128 - RESOLUTION AUTHORIZING THE AWARD OF BID TO AND THE EXECUTION OF THE CONTRACTS WITH DIXIE CONSTRUCTORS, INC. FOR THE PLUMBING AND GAS FITTINGS AND ACCESSORIES FOR THE WALL STREET AND RANKIN AVENUE PARKING GARAGE PROJECTS

Mayor Bissette said this resolution will authorize the City Manager to execute a contract with Dixie Constructors, Inc. for the plumbing and gas fittings and accessories for the Wall Street and Rankin Avenue Parking Garage Projects in the amount of $121,000.

Upon motion of Councilman Michalove, seconded by Councilman Tisdale, Resolution No. 87-128 was unanimously adopted.

Complete text of Resolution No. 87-128 will be found in Resolution Book No. 16 at page 388.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the meeting adjourned at 12:50 p. m.

W. Louis Bissette MAYOR William F. Wolcott CITY CLERK

Tuesday - July 21, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, and George Tisdale, Wilhelmina Bratton; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland.

INVOCATION

The invocation was given be Vice-Mayor Frank.

APPROVAL OF MINUTES OF MEETING OF JULY 14, 1987

Mayor Bissette announced the approval of the minutes of the meeting of July 14, 1987 as submitted.

I. PROCLAMATIONS

A. "Buddy Poppy Days" - July 31, 1987 - August 1, 1987

Mayor Bissette read a proclamation proclaiming July 31, 1987 and August 1, 1987 as "Buddy Poppy Days."

Mayor Bissette presented the proclamation to Katherine Synder and Mrs. Betty Ingle with the VFW Post 891.

II. PUBLIC HEARINGS:

None Scheduled

III. OLD BUSINESS

A. Ordinance No. 1639 - Second reading of Ordinance No. 1639, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville" as amended rezoning property located at 243 Emma Road from LI Light Industrial District to CH Commercial Highway District.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 4, 1987, considered the petition of Mr. Ernest Porshia that Lots 23 and 24, Sheet 37, Ward 6, be rezoned from LI Light Industrial District to CH Commercial Highway District. The property is located at 243 Emma Road. After review and discussion, the Commission voted to recommend to City Council that Lots 23 and 24, Sheet 37, Ward 6,

be rezoned from LI Light Industrial District to CH Commercial Highway District. This ordinance passed on first reading on July 14, 1987.

On a roll call vote of 6-0, Ordinance No. 1639 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1639. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1639 passed on third and final reading.

Ordinance Book No. 11 at page 143.

B. Ordinance No. 1640 -Second reading of Ordinance No. 1640, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville" as amended to include provision for amortization of nonconforming signs.

Mayor Bissette said the Asheville Planning and Zoning Commission on June 3, 1987, considered City Council's request to investigate the feasibility of amending Ordinance #322 to include provision for amortization of nonconforming signs. This ordinance passed on first reading on July 14, 1987.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Ralph Bishop requested a copy of the ordinance.

An unidentified man spoke in support of the ordinance stating that the Senate Judiciary Committee is to consider a proposed bill next week to provide that municipalities compensate sign companies when municipalities impose amortization on nonconforming signs. He said it is important that the City of Asheville preserve their option to exercise their own police powers rather than allowing the state to impose regulations. He said in his opinion amortization of nonconforming signs is not the taking of one's property or an intrusion on private property. He said courts have refused to hear cases on amortization of nonconforming signs. He said Council is within their right to impose amortization.

Mrs. Samuel Brigman, 394 Vanderbilt Road, spoke in support of the ordinance.

Mrs. Maggie Brockman, 372 Charlotte Street, speaking on behalf of the Grove Park/Sunset Association, supported the proposed ordinance as written.

Jim Cairnes, 209 Cumberland Avenue, spoke in support of the ordinance.

Ralph Bishop spoke in opposition to the ordinance.

Barbara McGwen, Biltmore Avenue, spoke in support of the ordinance.

John Burge, 706 RiverRidge Drive, spoke in support of the ordinance stating that signs must be controlled to improve the visual quality of life.

Lloyd Kirk, Forest Manor Motor Lodge, Hendersonville Road, said the ordinance would place a tremendous financial burden on businesses. He suggested that Council amend the ordinance or at least identify nonconforming signs giving public notice of such violations.

Beth Bryant, Attorney representing Lloyd Kirk and similar land owners, spoke in opposition to the ordinance. She also cited N.C.G.S. 160A-385 and 386 requesting that Council notify all property owners that would be affected and that they be given an opportunity to file a protest petition in opposition to the ordinance.

Mike Summey, Route 4, Asheville, owner of Summey Outdoor Advertising, spoke in opposition to the ordinance. He said the cost to bring all nonconforming signs into compliance should be borne by all individuals. He said if Council is going to amortize signs then they should also amortize all nonconforming uses. He said he was concerned that Council has not notified individuals that would be affected by the ordinance. He said according to the survey conducted by the Planning Department there were only a few billboards that were nonconforming. He said he felt the current sign ordinance has proved effective for the past ten (10) years.

David Gantt, 82 Church Street, spoke in support of the ordinance.

Garrett Lowe, owner and operator of Shoney's Restaurants, said signs are very important to businesses. He asked which of the Shoney's signs would be nonconforming.

Councilman Bratton moved that Council go into executive session to discuss a legal matter. This motion was seconded by Councilman Tisdale and carried unanimously.

Vice-Mayor Frank said she felt it is important for Council to take action to improve the City of Asheville.

Councilman Tisdale suggested that Council establish a Sign Commission, consisting of nine (9) members representing various aspects, proponents and opponents, of the sign issue to deal with future federal, state, and local legislation regarding signs.

On a roll call vote of 6-0, Ordinance No. 1640 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1640. This motion was seconded by Vice-Mayor Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1640 passed on third and final reading.

Ordinance Book No. 11 at page 144 and 145.

Mayor Bissette said the concept of establishing a Sign Commission was discussed in Pre-Council and it was the consensus of Council to establish such a commission. He said the Commission would be established within the next thirty (30) days and a report given back to members of Council within a reasonable period of time. He said members of Council are aware, as well as representatives from the sign companies, that there is a nine (9) months statute of limitations to file a lawsuit relative to this ordinance.

Mayor Bissette requested that the City Manager look into whether or not the current sign ordinance is being properly enforced.

Upon inquiry of Mike Summey, Mayor Bissette said everyone affected by this ordinance would eventually be notified.

IV. NEW BUSINESS:

A. Ordinance No. 1642 - Budget Ordinance amendment to appropriate funds for the Victims of Crime Grant.

SUMMARY: This budget ordinance will amend the annual operating or capital projects budget to recognize revenue and appropriate funding received from the Victims of Crime Grant.

On a roll call vote of 6-0, Ordinance No. 1642 passed on first and final reading.

Ordinance Book No. 11 - Page 147

V. CONSENT:

A. Resolution No. 87-129 - Resolution authorizing the Purchasing Director to dispose of personal property by private sale.

SUMMARY: This resolution will authorize the Purchasing Director to dispose of accumulated broken and other nonuseable fire hydrants and metals (cast iron, brass, copper, and other assorted scrap metals) located in the Water Maintenance Division.

Resolution Book 16 - Page 389

B. Resolution No. 87-130 - Resolution directing the City Clerk to advertise an offer for the purchase of city-owned property located on Whitson Road.

SUMMARY: The City of Asheville has received an offer for the purchase of a mobile home and attachments and

detached garage located on the northwest corner of Whitson Road and Arco Road, further known as 20 Whitson Road. The offer is in the amount of $700. This resolution will authorize the private negotiation and sale of said property, which property was purchased for right-of-way needs for the Arco Road Bridge Replacement Project.

Resolution Book 16 - Page 390

C. Resolution No. 87-131 - Resolution authorizing the closing of certain streets in downtown Asheville relative to the Bele Chere Festival.

SUMMARY: July 24, 25, and 26, 1987, have been established as the dates of the Annual Bele Chere Festival for the City of Asheville. This resolution will authorize the City Manager to close certain streets in downtown Asheville during the times of the festival.

Resolution Book 16 - Page 391, 392

D. Resolution No. 87-132 - Resolution authorizing the Mayor to execute Amendment No. 1 to Grant Agreement for Project Number 3-37-0005-01 at Asheville Regional Airport.

SUMMARY: This resolution will authorize the Mayor to execute amendment No. 1 to grant agreement No. 3-37-0005-01 with the Federal Aviation Administration to increase the maximum grant obligation by $10,664 to cover certain cost overruns in the grant for planning and development, other than land. The City of Asheville and County of Buncombe are cosponsors of the grant agreement and the FAA requires each sponsor to execute said amendment to the grant agreement.

Resolution Book 16 - Page 393

E. Resolution No. 87-133 - Resolution supporting "Dedication '87", a summer-long celebration that will culminate with the opening of the final section of the Blue Ridge Parkway.

SUMMARY: This resolution will support "Dedication '87" to make the nation and world more aware and appreciative of the vast natural, recreational, and cultural resources to be found on the Blue Ridge Parkway and in the twenty-nine counties through which it passes. A dedication program has been scheduled for September 11, 1987, the 52nd anniversary of the beginning of the Parkway construction.

Resolution Book 16 - Page 394

F. Scheduling of public hearing relative to proposed Biltmore Business Park to be located on Fairview Road for August 11, 1987.

SUMMARY: The Asheville Planning and Zoning Commission on July 1, 1987, reviewed and approved the project subject to:

1. Recommendation of Fire Department that water line be looped to Phase II.

2. Compliance with Erosion Control Ordinance; and

3. Directing more of the storm water away from Stoner Road and toward the railroad.

G. Scheduling of public hearing relative to the proposed Long Street/Syrlin Street Condominium project for August 11, 1987.

SUMMARY: The Asheville Planning and Zoning Commission reviewed the project on July 1, 1987, and recommended denial because of traffic impact on the neighborhood.

Any approval by City Council should be contingent upon:
1. Board of Adjustment granting a width variance on buffer on southern property line; and
2. Compliance with Erosion Control Ordinance.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, the consent agenda was unanimously approved.

LETTER OF INDEMNIFICATION - WRIGHT MOTOR LINES - LOAN OF FLAT BED TRUCKS

Councilman Michalove moved to authorize the City Manager to sign a letter of indemnification with Wright Motor Lines for the loan of two (2) flat bed trucks for use during Bele Chere. This motion was seconded by Vice-Mayor Frank and carried unanimously.

CLAIMS - RAYMOND GLENN (WATER)- EDWIN SLUDER (WATER) - JAMES LINDSEY (WATER)- RALPH COFFEY (PARKS) - DANIELLE ELLIS (SEWER) - JUANITA CLIFTON (SEWER)

The City Manager presented claims received from Raymond Glenn, Edwin Sluder, James Lindsey, Ralph Coffey, Danielle Ellis, and Juanita Clifton.

LAWSUITS - DARYL E. UNRUH AND WIFE, GRACE E. UNRUH V. CITY OF ASHEVILLE (ALLEGED INVALIDITY OF CHESTNUT-LIBERTY HISTORIC DISTRICT ORDINANCE)

The City Manager said the city was served with a lawsuit involving Daryl E. Unruh and wife, Grace E. Unruh v. City of Asheville regarding alleged invalidity of Chestnut-Liberty Historic District Ordinance.

RALPH BISHOP - LOTTERY SALES - ASHEVILLE POLICE DEPARTMENT

Ralph Bissette again spoke to members of Council relative to lottery sales in the City of Asheville and the Asheville Police Department.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:20 p. m.

MAYOR

CITY CLERK

Tuesday - July 28, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Walter Boland, Kenneth M. Michalove, George Tisdale, and Wilhelmina Bratton; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma T. Price.

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF MINUTES - JULY 21, 1987

Mayor Bissette announced the approval of the minutes of the July 21, 1987 meeting as submitted.

I. PROCLAMATIONS:

A. Resolution No. 87-134 - Resolution in memoriam of Former University of North Carolina - Asheville Chancellor William Edward Highsmith.

Councilman Boland read the resolution which expressed Council's sorrow over the recent passing of Chancellor William Highsmith.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 87-134 was unanimously adopted.

Resolution Book 16 - Page 395

Mayor Bissette presented the resolution to Mrs. Highsmith.

B. Resolution No. 87-135 - Resolution of appreciation to David A. Flippin, Executive Director, Asheville-Buncombe Insurance Advisory Committee.

Mayor Bissette read the resolution expressing appreciation to David A. Flippin for his services as Executive Director of the Asheville-Buncombe Insurance Advisory Committee. Mr. Flippin is resigning effective July 31, 1987.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 87-135 was unanimously adopted.

Mayor Bissette presented the resolution to David A. Flippin.

Resolution Book 16 - Page 396

II. PUBLIC HEARINGS:

Mayor Bissette said the following public hearings would be opened and closed simultaneously and individuals would be allowed to comment on any of the areas proposed for annexation. He said N.C.G.S. require that the governing body hold a public hearing to receive public comments prior to annexing property into the corporate limits. He said department and division heads would be available to answer specific questions. He requested that individuals limit their comments to three (3) minutes.

A. Public hearing relative to the extension of municipal services into the area to the south of the existing corporate limits.

B. Public hearing relative to the extension of municipal services into the area lying to the west of Hendersonville Road.

C. Public hearing relative to the extension of municipal services into the area lying to the west of the existing corporate limits.

D. Public hearing relative to the extension of municipal services into a portion of the area generally known as the Oteen Area.

E. Public hearing relative to the extension of municipal services into a portion of the area generally known as the Haw Creek Area.

Mayor Bissette opened the public hearings at 4:09 p. m.

The City Clerk presented the notices to the public setting the time and dates for the public hearings and the affidavits of publication.

The City Manager said Council adopted a three year plan for annexation and the area presently under consideration is for the first year. He said Council has adopted resolutions of intent to annex and approved plans for services. He said three (3)

community meetings were held and staff met with rural fire departments relative to the proposed annexation.

He highlighted the North Carolina law relative to annexation requirements. He said the effective date of the proposed annexation would be August 31, 1988 with general services being provided by August 31, 1988, and water and sewer services provided by August 31, 1990. He said property owners would be billed in September, 1988 for 10/12 of taxes for the year 1988-1989. He said property owners should realize cost reductions in garbage fees, fire tax, fire insurance, and homeowner's fees. He said there would be no change in school districts.

He said all areas proposed for annexation meets the criteria outlined in the North Carolina General Statutes.

He briefly outlined the services that would be provided in each area.

The following individuals spoke in opposition to the proposed annexations:

Mr. Joe Pinkston, 32 Orchard Street, Enka Village
Mr. Melvin C. Thomason, 304 Cisco Road
Mr. John Travis, 66 Willowbrook Road
Mr. Gary Salice, 27 Deer Run Drive
Mr. Richard Dawston, Chunns Cove Road
Mr. Garland Wade, Post Office Box 1273, Skyland
Mr. Edward Pearce, 315 Azalea Road, Oteen
Ms. Joan Larson, 11 Deer Run Drive
Mr. Bob Holly, Overlook Road, Oak Forest
Resident of 170 Birch Lane, Royal Pines
Mr. Gary Justice, Skyland area
Mr. R. M. McClure, Mayfair Drive, Candler
Mr. R. J. Nichols, 101 Moody Avenue, Candler
Mr. Dan Galligher, Avery Creek
Ms. Barbara Melton, 15 Melton Drive, Haw Creek
Mr. J. C. Rich, Frances Asbury Road, West
Mr. Benny Reese, Crescent Street, Enka
Mr. Ned Fowler, P. O. Box 187, Candler
Mr. Ralph Bishop
Ms. Dorothy Davis-Dodge, 155 Patton Mountain Road
Ms. Mary Case Havner, Skyland area
Ms. Sentelle, 121 Pritchard, Enka
Captain John Barnett, Haw Creek
Mr. Harry Sitton, 310 Asbury Road
Resident of 210 Mark Trail, Woodside Hills
Mr. Bill Koons, 35 Westridge Drive, Oak Forest
Mr. Orville Nichols, 37 Keasler Road
Mr. David Messer, Keasler Road, Haw Creek
Resident of 46 Keasler Road, Haw Creek
Mr. George Sanders, Lake Drive, West area
Mr. Bill Henry, Starnes Cove Road
Mr. Greg Talman, Oak Forest
Resident of 1325 Sweeten Creek Road
Resident of 36 Oakdale Drive, Candler
Mr. Durward Lawrence, 126 Overlook Road
Dr. Glen Miller, 7 Oak Forest Drive

Mr. Rick McMahill, 4 Oak Wilde Drive, Oak Forest
Mr. Benny Reese, 1 Crescent Street, Enka Village,
presented a petition in opposition to the annexations.

Mayor Bissette thanked them for their comments and said Council would be considering the annexation ordinances on August 11, 1987.

Mayor Bissette closed the public hearing at 7:12 p. m.

CLAIMS - KOSTAS RANTZOS (SANITATION) - PAUL MCKINNON (PARKS) - PATSY MARTIN (POLICE)

The City Manager presented claims received from Kostas Rantzos, Paul McKinnon, and Patsy Martin.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Bratton, the meeting adjourned at 7:20 p. m.

MAYOR

CITY CLERK

Tuesday - August 4, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, George Tisdale, Wilhelmina Bratton and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Wilhelmina Bratton.

I. PROCLAMATIONS:

A. **Asheville Swim-A-Cross Week - August 6-14, 1987 -- Lifeguard Competition and Celebrity Bellyflop Day - August 6, 1987.**

Mayor Bissette read the proclamation stating that the Asheville Area Red Cross has, for the past several years, conducted its annual Swim-A-Cross for the purpose of raising funds for the Asheville Chapter and to celebrate the millions of people nationwide who over the years have been taught to swim through the Red Cross and its many water safety programs. The week's activities will be kicked off by the Swim-A-Cross Lifeguard Competition and Celebrity Bellyflop Contest on the evening of August 6, 1987, at 6:00 p.m. at the Recreation Park Pool. This proclamation was requested by John Teeter, Chairman of Swim-A-Cross, and Mary Ritter, Promotion Director for the Asheville Area Red Cross.

Mayor Bissette presented the proclamation to John Teeter, Chairman of Swim-A-Cross.

B. **Proclamation proclaiming the month of August, 1987 as "Back-A-Boy Month"**

Mayor Bissette read a proclamation proclaiming the month of August, 1987 as "Back-A-Boy Month".

Mayor Bissette presented the proclamation to Rick Cristy, Executive Director of Boys Club and J. D. Jackson.

C. **Resolution No. 87-136 - Resolution expressing appreciation to the Pepsi-Cola Bottling Company of Asheville for the donation of a utility vehicle.**

Mayor Bissette said the Pepsi-Cola Bottling Company of Asheville has agreed to donate a beverage delivery truck to the Fire Department for use as a special purpose unit. This donated vehicle will prove very useful in transport of hazardous materials spill control equipment, as well as other specialized equipment used at major fires and emergencies. It will be of value not only to Asheville, but, through mutual aid agreements, to all of Buncombe County.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 87-136 was unanimously adopted.

Resolution Book 16 - Page 397

II. PUBLIC HEARINGS:

A. **Public hearing relative to the site plan of the proposed expansion of the NCDOT Maintenance Complex on U. S. 74.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 10, 1987, reviewed a site plan of the proposed expansion of the NCDOT Maintenance Complex on U. S. 74. The site plan was prepared by Ellis, Naeyaert, Genheirmer, Associates, Inc. for the State and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:16 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Patty Tallerday, with the Planning Department, said the North Carolina Department of Transportation proposal is for an office, maintenance, and storage building on a 52-acre tract which is owned by NCDOT.

Upon inquiry of Councilman Tisdale, Mr. Genheirmer, Architect for NCDOT, said the installation of a sidewalk where the property fronts U. S. 74 was not a part of the original plans and had not been addressed, however the installation of a sidewalk would be considered.

Mayor Bissette closed the public hearing at 4:20 p. m.

Councilman Boland moved to approve the site plan of the proposed expansion of the NCDOT Maintenance Complex on U. S. 74 subject to the conditions outlined by the Planning and Zoning Commission and further that NCDOT consider installing a sidewalk where NCDOT's property fronts U. S. 74. This motion was seconded by Councilman Michalove and carried unanimously.

III. OLD BUSINESS:

A. Continuation of public hearing relative to rezoning property located at 169 and 171 Druid Drive from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette said the Asheville Planning and Zoning Commission considered the petition of Mr. Peter Wilson et al that Ward 6, Sheet 13, Lots 27 and 41 be rezoned from R-3 Residential District to CH Commercial Highway District. The property is located at 169 and 171 Druid Drive. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. The petitioner, Mr. Peter Wilson, has appealed the decision of the Planning and Zoning Commission, by letter dated June 8, 1987, and has requested that Council hold a public hearing relative to the rezoning request. This public hearing was continued from the July 14, 1987 meeting.

Julia Cogburn, with the Planning Department, said two homes are located on the property requested to be rezoned. She said Mr. Matthews, owner of one parcel would like to expand his woodworking operation and Mr. Wilson, owner of the other parcel, would like to have office buildings on this property. She said several property owners on Laurel Loop had expressed objections to the rezoning.

Mr. Peter Wilson, 322 Montford Avenue, petitioner for the rezoning, spoke in support of the rezoning of this property. He said the lower end of Druid Drive, where the property is proposed to be rezoned is in a run down condition and in his opinion any improvements in the location would be beneficial to the neighborhood.

Mr. Jack Keenan, 164 Laurel Loop, spoke in opposition to the rezoning stating that Laurel Loop is a small residential area with a narrow two-lane road. He said in his opinion Druid Drive and Laurel Loop can not handle increased traffic.

Councilman Price pointed out that there are provisions in the Zoning Ordinance which would allow the petitioners to use their property as proposed under the Conditional Use Provisions in the R-3 Residential classification.

Upon inquiry of Councilman Tisdale, Julia Cogburn said letters were received by the Planning Department from seven (7) property owners on Laurel Loop objecting to the rezoning.

Mayor Bissette noted that if the property is rezoned to CH Commercial Highway District, the property could be used for a number of uses. He said if the property

remains zoned R-3 Residential, the petitioners could still utilize their property under the Conditional Use Provisions.

Mayor Bissette closed the public hearing at 4:31 p. m.

Councilman Price moved to uphold the Planning and Zoning Commission's recommendation to deny the rezoning request. This motion was seconded by Councilman Michalove and carried unanimously.

B. **Continuation of public hearing relative to rezoning property in the area north of Hilliard, west of Clingman and southeast of West Haywood Street to Commercial Service District.**

Ordinance No. 1643 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Mr. Daniel Murphy et al property located at corner of Clingman and Hilliard.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 3, 1987, considered the rezoning petition, plus lots in an area North of Hilliard, West of Clingman and Southeast of West Haywood Street for possible inclusion in the Commercial Service District. The Commission voted to recommend to City Council that Ward 4, Sheet 3, Lots 22, 26, 27, 28, 29, 31, 32-1/4, 34, 36, 36-1/4, 37, 38, 237, 240, 241, and 252 be rezoned from R-3 Residential District to CS Commercial Service District. This public hearing was continued from the July 14, 1987 meeting. He said the public hearing was continued in order to give the Planning staff an opportunity to meet with the residents of the area that did not understand the ramifications of rezoning.

Julia Cogburn, with the Planning Staff, said a meeting was held on July 31, 1987 with several residents in the area. She said the effects of the rezoning were explained as well as the allowable uses within the zoning classification. She said in her opinion all the residents left the meeting satisfied with the rezoning.

Upon inquiry of Councilman Price, Julia Cogburn said pursuant to the Buffering Ordinance, buffering would be required between a commercial use and a residential use.

Mayor Bissette closed the public hearing at 4:35 p. m.

Councilman Price moved for the adoption of Ordinance No. 1643. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1643 passed on first reading.

C. **Continuation of a public hearing relative to rezoning property located at Haywood Road and Nevada Avenue from R-3 Residential District to CS Commercial Service District.**

Ordinance No. 1644 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Mr. Nick Apostolopoulos property located on Haywood Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held May 13, 1987, reviewed and recommended that a portion of Lot 2-1/4, Sheet 11, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District. This public hearing was continued from the July 14, 1987 meeting.

Mayor Bissette requested to be excused from voting and participation on this rezoning request since his law firm represents the petitioner.

Councilman Michalove moved to excuse Mayor Bissette from vote and participation on the rezoning request of Mr. Nick Apostolopoulos. This motion was seconded by Councilman Tisdale and carried unanimously.

Mayor Bissette turned the meeting over to Vice-Mayor Frank.

Julia Cogburn, with the Planning Department, said a valid protest petition had been filed which would require a three-fourths favorable vote of the members of Council voting on the issue in order for the approval of the rezoning request. She also noted that a 12' buffer would be required between the adjoining residential area and the Commercial Service District.

Gary Rowe, Attorney representing Nick Apostolopoulos, questioned the validity of the protest petition filed with the Planning Division since the petition was directed at the rezoning of the entirety of Lot 2-1/4 and in reality 99% of the lot is presently zoned Commercial Service and the petitioner is only requesting the remaining portion to be zoned Commercial Service. He also noted that it is his understanding that eight (8) property owners had withdrawn their names from the protest petition.

Nick Apostolopoulos, petitioner, spoke in support of the rezoning stating that the rezoning would allow a better use of the property for a restaurant. He said a retaining wall and fence would be constructed along his property line and the adjoining property.

Mayor Bissette closed the public hearing at 5:03 p. m.

Councilman Tisdale moved for the adoption of Ordinance No. 1644. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1644 passed on first reading.

IV. NEW BUSINESS

None Scheduled

V. CONSENT AGENDA

A. Approval of bids received for Disposal Parcels 67, 99, 115, and 116 in the East End/Valley Street Community Improvement Project and Disposal Parcels 96B.2 and 99 in the East Riverside Urban Renewal Project.

SUMMARY: The Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Project:

B. Resolution No. 87-137 - Resolution authorizing the City Manager to execute an amendment to the contract between the City of Asheville and Delta Dental Plan of North Carolina, Inc. for the purpose of extending dental benefits to the staff of Asheville/Buncombe Community Relations Council.

SUMMARY: This resolution will authorize the extension of City dental benefits to the staff of the Asheville-Buncombe Community Relations Council. Council to pay full cost of employee's coverage and employees to pay full cost of family coverage.

Resolution Book 16 - Page 398

C. Scheduling public hearing relative to site plan of the proposed expansion of St. Marks Lutheran Church at 10 North Liberty Street for August 18, 1987.

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held April 8, 1987, reviewed a site plan of the proposed expansion of St. Marks Lutheran Church at 10 North Liberty Street. The site plan was prepared by Wood and Cort, Architects, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1. That a variance be granted to permit a side setback of 6" instead of the required 8'; 2) That a variance be granted to permit 45 parking spaces instead of the required 56; 3) That a variance be granted to reduce the buffering on the north property line; and 4) Compliance with the Erosion Control Ordinance.

D. Resolution No. 87-138 - Resolution appointing member to the Asheville-Buncombe Historic Resources Commission.

SUMMARY: This resolution will appoint Mr. John Nilsson, 165 Vermont Avenue, Asheville, North Carolina, 28806, as a member of the Asheville-Buncombe Historic Resources Commission for a three (3) year term, term expiring July 1, 1990, or until his successor has been duly appointed and qualified.

Resolution Book 16 - Page 399

Upon motion of Councilman Michalove, seconded by Councilman Price, the consent agenda was unanimously approved.

Resolution No. 87-139 - Resolution supporting selection of Asheville for the site of the 1988 Joint Annual Conference of the North Carolina Firemens and Fire Chiefs Association.

Chief John Rukavina said representatives of the Asheville Fire Department and the Buncombe County Firemens Association have been approached regarding the possibility of Buncombe County's fire departments serving as hosts for the 1988 North Carolina Firemens/Fire Chiefs Association Joint Conference in Asheville. If Asheville is selected as the Conference site, approximately 1,000 visitors could be expected for the three-day conference. He said this resolution will demonstrate the City Council's support of a bid for this Conference.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 87-139 was unanimously adopted.

Resolution Book 16 - Page 399

TENSION OF WATER AGREEMENT

Mayor Bissette announced that the City Council and Buncombe County Commissioners have reached an agreement in principle for a five (5) year extension of the Asheville-Buncombe Water Agreement.

HAROLD BLANKENSHIP - 51 HARNETT STREET - WATER PROBLEM

Jack Cloninger, Attorney representing Harold Blankenship at 51 Harnett Street, said his client is having an extreme water problem created by the construction of the Vance Elementary School. He said he had talked with Tom Tarrant in the City Engineering Department and was informed that plans and specifications for the correction of this problem are complete and would be advertised for bid. He said it seems that the priority for this project keeps being shifted to a low priority. He said every time it rains his clients property is flooded and his driveway washed out.

Mayor Bissette requested the City Manager to look into Mr. Blankenship's problem and to inform Mr. Blankenship as to the status of this project.

PETITION RELATIVE TO ZONING STUDY - BEAVER LAKE

Tom Bell, Attorney, representing himself and other property owners in the Lake View Park area, submitted the following petition:

PETITION
ARTICLE II; SECTION 30-11-1 (c)
ASHEVILLE ZONING ORDINANCE

We the undersigned property owners in Lake View Park or Beaver Lake do hereby request that the City Council initiate a special zoning study to determine if a change in the comprehensive development plan of the City of Asheville is warranted for that area adjoining Beaver Lake and upon which a retail shopping center has been proposed for construction. We are of the opinion that the character of this area has changed significantly and such study is warranted at this time.

Mr. Bell said the petition is signed by 51% of the property owners in the vicinity of Beaver Lake as required by Section 30-11-1 (c). He said the petition contains the signatures of 229 families in the Beaver Lake area. He said the last developmental plan for the Beaver Lake area was in 1947 and the area has since changed tremendously. He said the area is now heavily populated with homes and has commercially exploded. He said the area has a very heavy traffic use with the main highway cutting down from four (4) lanes to two (2) lanes. He said the residential area is seriously affected by the heavy traffic. He said the area has had major changes since the last developmental plan. He said Beaver Lake is in serious danger of loosing scenic beauty because of proposed commercial development in the area. He said the residents feel it is vital to protect this area.

Upon inquiry of Mayor Bissette, Mr. Bell said the residents are referring to a proposed retail shopping center proposed by Mr. George Beverly.

Mayor Bissette requested to be excused from participation and vote on the petition since his law firm represents Mr. Beverly.

Councilman Tisdale moved to excuse Mayor Bissette from vote and participation relative to the petition. This motion was seconded by Councilman Price and carried unanimously.

Councilman Tisdale noted that his personal property adjoins the property proposed for commercial development by Mr. Beverly.

Councilman Price suggested that the Planning staff review the petition as to validity and make a recommendation to Council.

Mr. George Beverly, developer, requested that Council not take action on the petition at this time since he felt the petition was directly aimed at his proposed project and that Council wait until the Planning and Zoning Commission makes their recommendation relative to the site plan. He said the Planning and Zoning Commission is scheduled to review the site plan next week. He said in an effort to cooperate with the residents of the area a meeting was held at Grace Covenant Church to share his proposed plans. He said his plans are for 30,000 ft. of specialty shops which would compliment the neighborhood.

E. H. Lederer, Acting Chairman of the Lake View Park Commission, spoke in support of the petition and requested that Council consider the petition at this meeting.

Karen Fields, 109 Westwood Road, said her property overlooks Beaver Lake and would be seriously affected by the proposed shopping center. She spoke in support of the petition.

Upon inquiry of Vice-Mayor Frank, Corporation Counsel Slawter said Council has the authority to act on the petition if they so desire.

Councilman Tisdale moved that no action be taken on the petition presented and that Council wait on a recommendation from the Planning and Zoning Commission relative to the proposed commercial development. This motion was seconded by Councilman Bratton.

After discussion, Councilman Michalove moved to amend Councilman Tisdale's motion to add that a copy of the petition submitted be forwarded to the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

On a voice vote, Councilman Tisdale's motion passed unanimously.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

CLAIMS - DAN KELLY (WATER) - GEORGIA JEFFERSON (PARKS) - JOHN LAYMAN (WATER) - DAVID CUTSHALL (STREETS)

The City Manager presented claims received from Dan Kelly, Georgia Jefferson, John Layman, and David Cutshall.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Vice-Mayor Frank, seconded by Councilman Price the meeting adjourned at 6:20 p.m.

MAYOR

CITY CLERK

Tuesday - August 11, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, George Tisdale, Wilhelmina Bratton and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Michalove.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of minutes of the July 28, 1987 meeting and the August 4, 1987 meeting as submitted.

I. PROCLAMATIONS:

Mayor Bissette proclaimed August 16 and 17, 1987 as "Harmonic Convergence" at the request of the Planetary Commission.

Gloria Free, member of the Planetary Commission, spoke relative to the events being held August 16 and 17, 1987.

II. PUBLIC HEARINGS:

A. Public hearing relative to proposed Biltmore Business Park to be located on Fairview Road.

SUMMARY: The Asheville Planning and Zoning Commission on July 1, 1987, reviewed and approved the project subject to:

1. Recommendation of Fire Department that water line be looped to Phase II.

2. Compliance with Erosion Control Ordinance; and

3. Directing more of the storm water away from Stoner Road and toward the railroad.

Mayor Bissette opened the public hearing at 4:16 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission recommended approval subject to conditions outlined by Mayor Bissette. He said the project is proposed for Fairview Road and is surrounded by Industrial zoning. He said the developer proposes an office warehouse park on a 14 acre tract, consisting of five (5) buildings with 10,000 square feet each and ten (10) units per building. He said the developer was approached relative to participating in the installation of sidewalks along the front property line of this project. He said the developer had indicated that there might be a problem with installing sidewalks due to an open concrete channel along the roadway and due to the topography of the land.

Larry Traber, Architect, said the entrance to the Park would be from Fairview Road which would be landscaped. He said he felt it would be difficult to install sidewalks along the front property with the open concrete channel. He said in his opinion the City should address the widening of Fairview Road. He said he would talk with his client relative to participating in the installation of sidewalks. He said he did not think his client would object to allocating a right-of-way of up to 15' for the widening of Fairview Road or the installation of sidewalks. He said the project would be buffered in accordance with the Buffer Ordinance. He said there would be an identification sign on the property.

Ken Black, adjoining property owner, requested that the developer buffer the park from the residential area with 7' - 8' white pine trees. He also requested that the lighting of the parking lot area be installed as to not interfere with the privacy of the residential area.

Mr. Traber noted that environmental "down" lighting would be used for the parking area in an effort to keep the lighting away from the residential area. He also indicated that the developer would agree to installing 6' white pine trees as a buffer.

Johnny Springs, Stoner Road, spoke relative to the water from the project being diverted from Stoner Road. He also commented relative to a drainage problem of water coming from Fairview Road onto Stoner Road.

Council requested that the City Manager look into the problem of the water coming from Fairview Road onto Stoner Road and advise Mr. Springs if anything can be done to correct the problem.

Councilman Price suggested that the lighting plan be submitted and reviewed by the Planning staff.

Larry Traber requested that Council waive the condition specified by the Planning and Zoning requiring that the water line be looped in Phase II of the project until the water pressure is determined. He said this could be decided later when water pressure is determined and prior to Phase II of the project.

Mayor Bissette closed the public hearing at 4:50 p.m.

Councilman Tisdale moved to approve the site plan for Biltmore Business Park to be located on Fairview Road subject to the recommendations of the Planning and Zoning Commission and further that the Developer be required to install environmental down lighting in the Parking Area and that the lighting plan be submitted and reviewed by the Planning Staff; that 6' white pines be planted for buffering; that the area behind Stoner Road remain wooded; that Phase I be approved without the water line being looped and that this stipulation be reviewed by the Fire Department prior to the construction of Phase II. This motion was seconded by Councilman Price and carried unanimously.

B. **Public hearing relative to the proposed Long Street/Syrlin Street Condominium Project.**

SUMMARY: The Asheville Planning and Zoning Commission reviewed the project on July 1, 1987, and recommended denial because of traffic impact on the neighborhood.

(Any approval by City Council should be contingent upon:
1. Board of Adjustment granting a width variance on buffer on southern property line; and
2. Compliance with Erosion Control Ordinance).

Mayor Bissette opened the public hearing at 4:55 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the developer requested that the public hearing be continued for two (2) weeks.

Councilman Michalove moved to continue the public hearing relative to Long Street/Syrlin Street Condominium Project until August 25, 1987 without further advertisement. This motion was seconded by Vice-Mayor Frank and carried unanimously.

III. OLD BUSINESS:

A. **Ordinance No. 1643 - Second reading of Ordinance No. 1643, an ordinance amending Ordinance No. 322, being the Zoning Ordinance for the City of Asheville, as amended rezoning property in the area north of Hilliard, west of Clingman and southeast of West Haywood Street to Commercial Service District.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held June 3, 1987, considered the rezoning petition, plus lots in an area North of Hilliard, West of Clingman and Southeast of West Haywood Street for possible inclusion in the Commercial Service District. The Commission voted to recommend to City Council that Ward 4, Sheet 3, Lots 22, 26, 27, 28, 29, 31, 32-1/4, 34, 36, 36-1/4, 37, 38, 237, 240, 241, and 252 be rezoned from R-3 Residential District to CS Commercial Service District.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1643 passed on second reading.

B. **Ordinance No. 1644 - Second reading of Ordinance No. 1644, an ordinance amending Ordinance No. 322, being the Zoning Ordinance for the City of Asheville, as amended rezoning property located at Haywood Road and Nevada Avenue from R-3 Residential District to CS Commercial Service District.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held May 13, 1987, reviewed and recommended that a portion of Lot 2-1/4, Sheet 11, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1644 passed on second reading.

C. **Ordinance No. 1645 - Ordinance to extend the corporate limits of the City of Asheville to an area south of the existing corporate limits under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.**

SUMMARY: All legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area south of the existing corporate limits.

Resolution No. 87-140 - Resolution amending the report of plans for extension of City Services into the area to the south of the existing corporate limits proposed for annexation.

The City Manager said there was a need to amend the report of plans for extension of the services into the area to the south to reflect an increase in water and sewer lines for the area.

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 87-140 was unanimously adopted.

Resolution Book 16 - Page 400

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance will be furnished one at no cost.

Councilman Michalove moved for the adoption of Ordinance No. 1645. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1645 passed on first reading.

D. Ordinance No. 1646 - Ordinance to extend the corporate limits of the City of Asheville to an area lying to the west of Hendersonville Road under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

SUMMARY: All legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area lying to the west of Hendersonville Road.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance will be furnished one at no cost.

Ralph Bishop spoke in opposition to the annexation ordinances.

Councilman Price moved for the adoption of Ordinance No. 1646. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1646 passed on first reading.

E. Ordinance No. 1647 - Ordinance to extend the corporate limits of the City of Asheville to a portion of the area

generally known as the Oteen Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

SUMMARY: All legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area generally known as the Oteen Area.

Resolution No. 87-141 - Resolution amending the report of plans for extension of City Services into the area proposed for annexation which is generally known as the Oteen Area.

The City Manager said there was a need to amend the report of plans for extension of the services into the area proposed for annexation which is generally known as the Oteen Area to reflect a reduction in water and sewer lines for the area.

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, Resolution No. 87-141 was unanimously adopted.

Resolution Book 16 - Page 401

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance will be furnished one at no cost.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1647. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1647 passed on first reading.

F. Ordinance No. 1648 - Ordinance to extend the corporate limits of the City of Asheville to a portion of the area generally known as the Haw Creek Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

SUMMARY: All legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area generally known as the Haw Creek Area.

Resolution No. 87-142 - Resolution amending the report of plans for extension of City Services into the area proposed for annexation which is generally known as the Haw Creek Area.

The City Manager said there was a need to amend the report of plans for extension of the services into the area proposed for annexation which is generally known as the Haw Creek Area to reflect a reduction in the boundaries to be annexed, which would exclude Mr.

Thomason's property. This amendment changes the calculations used for qualifying the area for annexation; however, the amended area proposed for annexation still meets the criteria for annexation. He said the amended plan would also reflect an increase in sewer lines for the area.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-142 was unanimously adopted.

Resolution Book 16 - Page 402

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety. He said any individual requesting a copy of the ordinance will be furnished one at no cost.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1648. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1648 passed on first reading.

G. **Ordinance to extend the corporate limits of the City of Asheville to an area to the west of the existing corporate limits under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.**

SUMMARY: All legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area to the west of the existing corporate limits.

The City Manager recommended that the Ordinance annexing property to the west of the existing corporate limits be considered at next week's meeting. He said staff has recommended reducing the area proposed for annexation to exclude a large area of vacant land belonging to BASF, the Enka Village, and property owned by Southeastern Container Company. He said the description and plan for services are in the process of being revised to reflect these changes. He said, however, two (2) readings of the Ordinance would be needed at the August 18, 1987 meeting.

Councilman Michalove requested that the City Manager inform Council as to the various effects the annexation would have on property owners in the area such as taxes, sewer tax, etc.

IV. NEW BUSINESS:

A. **Resolution No. 87-143 - Resolution authorizing the Mayor of the City of Asheville to execute an amendment to the Memorandum of Agreement with the North Carolina Archives and History and the National Advisory Council on Historic Preservation.**

SUMMARY: The City has determined that the rehabilitation of the Plaza Theatre, located at 2 Biltmore Avenue, is no longer economically feasible due to the lack of structural integrity and inadequate fulfillment of public safety and code requirements. The Advisory Council on Historic Preservation is allowing the demolition of the Plaza Theatre. This action will require an amendment to the Memorandum of Agreement with the North Carolina Archives and History.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-143 was unanimously adopted.

Resolution Book 16 - Page 403

APPROVAL OF WATER AGREEMENT

Vice-Mayor Frank moved that the Mayor and members of Council be authorized to sign a Water Agreement Extension, after the final agreement is reviewed and clarified by the Mayor, City Attorney, and City Manager. This motion was seconded by Councilman Michalove and carried unanimously.

RESOLUTION OF APPRECIATION - ALTERNATIVES FOR ASHEVILLE

Councilman Price requested that a resolution of appreciation be prepared for all city staff that helped with the Alternatives for Asheville 2010 Plan.

REPORT BY COUNCILMAN TISDALE - ASHEVILLE CABLEVISION FRANCHISE FEES

Councilman Tisdale reported that during the Asheville Cablevision Commission meeting on Monday, August 10, 1987, Asheville Cablevision presented a check to the City of Asheville for franchise fees for the period January - June, 1987. He said a total of $133,061.17 has been presented to the City for July, 1986 - June, 1987. He said a total of $36,442.94 has been presented to the County for July, 1986 - June, 1987. He said this represents a considerable increase from previous years.

NORTH CAROLINA FIREMENS AND FIRE CHIEFS ASSOCIATION

The City Manager noted that the 1988 Joint Annual Conference of the North Carolina Firemens and Fire Chiefs Associations will be held in Asheville.

COUNCILMAN BRATTON - REPORT ON RECREATION ACTIVITIES FOR TEENS

Councilman Bratton thanked the City Manager and Assistant City Manager for the report of activities planned by the City for young adults. She said she felt the activities planned was very good and represents all areas of the City. She said it is very important to get this information to the young adults.

CLAIMS - HAROLD FETTY (WATER) - BILL KELLEY (WATER) - RANDALL MCDARIS (STREETS) - MELVIN MOORE, JR. (SEWER) - ANNIS DEMOS - (SEWER)

The City Manager presented claims received from Harold Fetty, Bill Kelley, Randall McDaris, Melvin Moore, Jr., and Annis Demos.

Mayor Bissette presented the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - (KERRY A. FRIEDMAN, JOHN DAVID ROUNTREE, SANDRA RAE ROUNTREE, WILLIAM KLODT, NANCY KLODT, WILLIAM SABO, AND THERESA SABO V. BOARD OF ADJUSTMENTS OF THE CITY OF ASHEVILLE AND JOHN C. LETTERLE AND BETSY LETTERLE (APPEAL FROM BOARD OF ADJUSTMENT DECISION)

The City Manager said the City was named a party in a lawsuit filed on August 5, 1987 by Kerry A. Friedman, John David Rountree, Sandra Rae Rountree, William Klodt, Nancy Klodt, William Sabo, and Theresa Sabo v. Board of Adjustments of the City of Asheville and John C. Letterle and Betsy Letterle relative to an appeal from a Board of Adjustment decision.

RALPH BISHOP - REQUEST FOR COPY OF REVENUE BONDS - LIBRARY - POLICE DEPARTMENT - CITY MANAGER

Ralph Bishop requested a copy of the Revenue Bonds. He asked what the City paid for the Pack Library. He commented on the lottery sales in the City of Asheville, the Asheville Police Department and the City Manager.

ADJOURNMENT

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, the meeting adjourned at 5:40 P.M.

MAYOR

CITY CLERK

Tuesday - August 18, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Boland.

I. PROCLAMATIONS:

A. Resolution No. 87-144 -Resolution of appreciation to the Planning Staff for their efforts in preparing the 2010 Asheville City Plan.

Mayor Bissette read the resolution.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution 87-144 was unanimously adopted.

Resolution Book No. 16 Page No. 404

Verl Emrick, Director of Planning, introduced the Planning staff members involved in the preparation of the 2010 Asheville City Plan.

Councilman Price, as Chairman of Alternatives for Asheville Committee, presented Certificates of Appreciation to the following staff members that directly worked with the Alternatives for Asheville Committee: Carol Albrice, Julia Cogburn, Verl Emrick, Diane Fry, Al Kolf, Sonya Luckadoo, Patricia Tallerday, and Mike Wheeler.

B. Resolution No. 87-145 - Resolution of appreciation to Councilman Norma Price for her services as Chairman of the Alternatives for Asheville Committee.

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Bratton, Resolution No. 87-145 was unanimously adopted.

Resolution Book No. 16 Page No. 405

II. PUBLIC HEARINGS:

A. **Public hearing relative to site plan of the proposed expansion of St. Marks Lutheran Church at 10 North Liberty Street.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held April 8, 1987, reviewed a site plan of the proposed expansion of St. Marks Lutheran Church at 10 North Liberty Street. The site plan was prepared by Wood and Cort, Architects, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1. That a variance be granted to permit a side setback of 6" instead of the required 8'; 2) That a variance be granted to permit 45 parking spaces instead of the required 56; 3) That a variance be granted to reduce the buffering on the north property line; and 4) Compliance with the Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:20 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said John Cort, project architect, has requested that the public hearing be continued for one (1) week.

Councilman Tisdale said it was his understanding the developer is presently negotiating an agreement with the adjoining property owner relative to the proposed project being within 6" of the adjoining property. He requested that this agreement be completed before Council considers the plan.

Councilman Boland moved to continue the public hearing relative to the proposed expansion of St. Marks Lutheran Church at 10 North Liberty Street until August 25, 1987 without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

III. OLD BUSINESS:

A. **Ordinance No. 1643 - Third reading of Ordinance No. 1643, an ordinance amending Ordinance No. 322, being the Zoning Ordinance for the City of Asheville, as amended rezoning property in the area north of Hilliard, west of Clingman and southeast of West Haywood Street to Commercial Service District.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held June 3, 1987, considered the rezoning petition, plus lots in an area North of Hilliard, West of Clingman and Southeast of West Haywood Street for possible inclusion in the Commercial Service District. The Commission voted to recommend to City Council that Ward 4, Sheet 3, Lots 22, 26, 27, 28, 29, 31, 32-1/4, 34, 36, 36-1/4, 37, 38, 237, 240, 241, and 252 be rezoned from R-3 Residential District to CS Commercial Service District.

On a roll call vote of 7-0, Ordinance No. 1643 passed on third and final reading.

Ordinance Book No. 11 Page No. 148

B. **Ordinance No. 1644 - Third reading of Ordinance No. 1644, an ordinance amending Ordinance No. 322, being the Zoning Ordinance for the City of Asheville, as amended rezoning property located at Haywood Road and Nevada Avenue from R-3 Residential District to CS Commercial Service District.**

Due to a conflict of interest, Mayor Bissette was previously excused from vote and participation in this rezoning matter. He turned the meeting over to Vice-Mayor Frank.

Vice-Mayor Frank the Asheville Planning and Zoning Commission at a meeting held May 13, 1987, reviewed and recommended that a portion of Lot 2-1/4, Sheet 11, Ward 5, be rezoned from R-3 Residential District to CS Commercial Service District.

On a roll call vote of 6-0, Ordinance No. 1644 passed on third and final reading.

Ordinance Book No. 11 Page No. 149

C. **Ordinance No. 1645 - Second reading of Ordinance No. 1645, Ordinance to extend the corporate limits of the City of Asheville to an area south of the existing corporate limits under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.**

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area south of the existing corporate limits.

On a roll call vote of 7-0, Ordinance No. 1645 passed on second reading.

D. Ordinance No. 1646 - Second reading of Ordinance No. 1646, Ordinance to extend the corporate limits of the City of Asheville to an area lying to the west of Hendersonville Road under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area lying to the west of Hendersonville Road.

Ralph Bishop spoke in opposition to the annexation ordinances.

On a roll call vote of 7-0, Ordinance No. 1646 passed on second reading.

E. Ordinance No. 1647 - Second reading of Ordinance No. 1647, Ordinance to extend the corporate limits of the City of Asheville to a portion of the area generally known as the Oteen Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area generally known as the Oteen Area.

On a roll call vote of 7-0, Ordinance No. 1647 passed on second reading.

F. Ordinance No. 1648 - Second reading of Ordinance No. 1648, Ordinance to extend the corporate limits of the City of Asheville to a portion of the area generally known as the Haw Creek Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area generally known as the Haw Creek Area.

On a roll call vote of 7-0, Ordinance No. 1648 passed on second reading.

G. Resolution No. 87-146 - Resolution amending the report of plans for extension of City services into the area to the west of the existing Corporate Limits proposed for annexation.

Mayor Bissette said the amendment will reflect the reduction of the area proposed to be annexed to exclude a large area belonging to BASF, the Enka Village, and the Southeastern Container Company. The revised plan will reflect these changes.

Verl Emrick, Director of Planning, said the area excluded for consideration of annexation included vacant land, which would not affect the qualifications of the area for annexation since the N.C. General Statutes specify that areas included in annexations must be developed.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-146 was unanimously adopted.

Resolution Book No. 16 Page No. 406

H. **Ordinance No. 1649 - Ordinance to extend the corporate limits of the City of Asheville to an area to the west of the existing corporate limits under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.**

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area to the west of the existing corporate limits.

The following individuals spoke in opposition to the annexation of the area in the west:

Elva Wallace - 4 Glen Cliff, Woodside Hills
Tom Thrash - Enka area - requested a more detailed description of the boundaries considered for annexation. He also pointed out a typographical error in the amended plan relative to the estimated ad valorem taxes.
Bob Hill - 11 Glen Cliff, Woodside Hills
Clarence Williams - Woodside Hills
Jack Pike - Enka Area
R. A. McClure - 35 Mayflower Drive- Candler

Mayor Bissette, in response to concerns expressed relative to the annexation, handed out a cost sample outlining current expenses to property owners in the west area vs. anticipated expenses after annexation. He noted that property owners in the area would no longer be required to pay a fire district tax, sanitary tax, the City would be picking up the cost for street lighting, individual fire insurance ratings would be less, and they should receive a savings on their state and federal income tax.

Councilman Michalove said he felt annexation is necessary for the City of Asheville to grow. He noted that the majority of services used by County residents, either directly or indirectly, are located in the City Limits of Asheville. He said it is the City of Asheville's responsibility to support many of these non-profit agencies even though County residents use these services.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1649. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1649 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1649. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1649 passed on second reading.

IV. NEW BUSINESS:

A. **Ordinance No. 1650 - Ordinance establishing the City of Asheville Police Officers' Disability Review Board for former members of the Asheville Policemen's Pension and Disability Fund.**

Mayor Bissette noted that the Review Board will replace the old Pension and Disability Board. The Board will evaluate future requests for "floor" guaranteed to retirees who sustain a disability "in the line of duty". Membership shall consist of: 1) member of City Council; 2) member of the Police Department; 3) licensed medical doctor; 4) City Manager or his designee; and 5) a member at large chosen by the City Council.

Ralph Bishop requested a copy of the ordinance.

Councilman Michalove moved for the adoption of Ordinance No. 1650. This motion was seconded by Councilman Bratton.

On a roll call vote of 7-0, Ordinance No. 1650 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1650. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1650 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1650. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1650 passed on third and final reading.

Ordinance Book No. 11 Page No.

V. CONSENT:

A. Resolution No. 87-147 - Resolution accepting an offer for the purchase of city-owned property located on Whitson Road.

SUMMARY: The City of Asheville has received an offer for the purchase of a mobile home and attachments and detached garage located on the northwest corner of Whitson Road and Arco Road, further known as 20 Whitson Road. The offer is in the amount of $700. This resolution will authorize the sale of the abovementioned to Ricky Rice and authorize the Mayor to sign the offer to purchase and any other documents required to complete the conveyance. The property was originally purchased for right-of-way needs for the Arco Road Bridge Replacement Project. The offer was duly advertised and no upset bids have been received within the time required by N. C. General Statutes.

Resolution Book No. 16 Page No. 407

B. Resolution No. 87-148 - Resolution establishing the Asheville Sign Commission.

SUMMARY: The following individuals will be appointed to the Asheville Sign Commission: Barbara McEwan; Linn Brown; Ellen Carr, Gary Lowe, Frank Graham; Jerry Grant; Barney Woodard; and Otis Ware.

Resolution Book No. 16 Page No. 408

C. Scheduling public hearing relative to amending Section 30-6-1B.11 of the Code of Ordinances of the City of Asheville requiring installation of sidewalks along all public rights-of-way adjoining group developments for September 15, 1987.

D. Resolution No. 87-149 - Resolution approving signatories for checks or drafts on official city depositories.

SUMMARY: The purpose of this action is to update signatories. The individuals filling the following named positions will be authorized signatories for all checks or drafts drawn on official City depositories: City Manager, Finance Director, City Accountant, and General Ledger Grant Accountant

Resolution Book No. 16 Page No. 409

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, the consent agenda was unanimously approved.

OTHER BUSINESS:

(1) - Resolution No. 87- 150 -Resolution authorizing submittal of an application to the U. S. Department of Housing and Urban Development for a grant to carry out Fair Housing Activities.

Mayor Bissette noted that this resolution would authorize the filing of a grant application for $34,000 from the Department of Housing and Urban Development for the administering of the Fair Housing Program. He said the majority of these funds would be used for staffing, training, and building the program to deal with Fair Housing. He said the same funds would be available next year. He said after next year the program would be funded on a case by case basis with the Department of Housing and Urban Development allowing $750 for each case.

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 87-150 was unanimously adopted.

Resolution Book No. 16 Page No. 410

RALPH BISHOP - DOWNTOWN PROJECTS - LIBRARY - LOTTERY SALES

Ralph Bishop asked if any ad valorem tax money was being spent in the Downtown Development area. He also spoke relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion, the meeting adjourned at 6:00 P.M.

MAYOR CITY CLERK

Tuesday - August 25, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, and George Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland.

INVOCATION

At the request of Councilman Tisdale the audience stood for the pledge of allegiance to the flag. Councilman Tisdale then gave the invocation.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of the minutes of the August 11, 1987 and August 18, 1987 meeting as submitted.

I. PROCLAMATIONS

A. **Proclamation recognizing the Land-of-the-Sky Bassmasters.**

Mayor Bissette read the proclamation stating that the Land of Sky Bassmasters was named the #1 B.A.S.S. Club in America and was awarded the National Public Relations Award.

Mayor Bissette presented the proclamation to Phil Shope, President of the Land-of-Sky Bassmasters.

B. **Resolution No. 87-151 - Resolution endorsing the promotion of Amtrak services from the East Coast to Asheville.**

Mayor Bissette read the resolution endorsing and supporting the Carolina Association of Passenger Train Advocates "CAPTA" to promote and secure AMTRAK service from the East Coast to Asheville.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 87-151 was unanimously adopted.

Resolution Book No. 16 Page No. 411

C. Resolution No. 87-152 - Resolution endorsing $46 million bond referendum

Mayor Bissette read the resolution endorsing the $46 million bond referendum scheduled by the County of Buncombe for September 22, 1987. The bond issue will include $32 million for schools, $8 million for the Asheville Regional Airport, and $6 million for Asheville-Buncombe Technical Institute.

Upon motion of Councilman Bratton, seconded by Councilman Michalove, Resolution No. 87-152 was unanimously adopted.

Resolution Book No. 16 Page No. 412 and 413

Mayor Bissette presented to resolution to Curtis Ratcliff, Chairman of the Buncombe County Commissioners', Carey Owen, Eugene Ochsenreiter, and Mac McGough, members of the Bond Steering Committee.

Chairman Ratcliff and members of the Bond Steering Committee thanked members of Council for the resolution of endorsement and support.

II. PUBLIC HEARINGS:

A. Continuation of public hearing relative to the proposed Long Street/Syrlin Street Condominium Project.

Mayor Bissette said the Asheville Planning and Zoning Commission reviewed the project on July 1, 1987, and recommended denial because of traffic impact on the neighborhood.

(Any approval by City Council should be contingent upon:
1. Board of Adjustment granting a width variance on buffer on southern property line; and
2. Compliance with Erosion Control Ordinance).

Verl Emrick, Director of Planning, said the developer, Ms. Goldstein, has requested that the group development plan be withdrawn at this time. He said Ms. Goldstein also requested that Council continue to consider her petition to close a portion of Syrlin Street.

Mayor Bissette said, at the developer's request, the site plan would be withdrawn from consideration at this time.

B. Continuation of public hearing relative to site plan of the proposed expansion of St. Marks Lutheran Church at 10 North Liberty Street.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held April 8, 1987, reviewed a site plan of the proposed expansion of St. Marks Lutheran Church at 10 North Liberty Street. The site plan was prepared by Wood and Cort, Architects, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to approve the project subject to the following conditions: 1. That a variance be granted to permit a side setback of 6" instead of the required 8'; 2) That a variance be granted to permit 45 parking spaces instead of the required 56; 3) That a variance be granted to reduce the buffering on the north property line; and 4) Compliance with the Erosion Control Ordinance.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission recommended approval of the site plan subject to the conditions outlined by Mayor Bissette. He said the Zoning Board of Adjustments, on June 29, 1987 and August 10, 1987, approved the variances requested to permit a side setback of 6" instead of the required 8' and the granting of 45 parking spaces instead of the required 56, and the reducing of buffering on the north property line in order that existing trees can be retained. He said since the property is located in the Chestnut-Liberty Street Historic District, the project was considered and approved by the Historic Resources Commission. He said he had received a letter from James Ervin, Attorney for the adjoining property owner, Mr. Chavaris, indicating that Mr. Chavaris would sell an eight (8') foot strip of land to St. Marks Lutheran Church in order to allow the church an additional side yard. He said this agreement has not been completely consummated but all parties are in agreement. He said it was his understanding that the agreement would be consummated after ratification by the congregation of the church.

John Cort, architect for the project, outlined the details of the proposed expansion. He also noted that he had talked with Mr. Ervin who indicated that his client has no objections to the proposed expansion by the church. He said the purchase of the eight (8') foot strip is also contingent upon the approval of the project by Council.

Upon inquiry of Council, Mr. Emrick said the Fire Department and Traffic Engineering Department requested and is instituting a no parking provision on one side of the street to allow for emergency vehicle access.

Mayor Bissette closed the public hearing at 4:44 P.M.

Upon inquiry of Vice-Mayor Frank, the Corporation Counsel said, in his opinion, that Council could approve the site plan contingent upon the purchase of the eight (8') foot strip of land by the church from Mr. Chavaris.

Vice-Mayor Frank moved to approve the site plan for the expansion of St. Marks Lutheran Church at 10 North Liberty Street subject to the conditions outlined by the Planning and Zoning Commission and contingent upon the church purchasing the eight (8') foot strip from the adjoining property owner, Mr. Chavaris, to be used for a side yard. This motion was seconded by Councilman Tisdale and carried unanimously.

III. OLD BUSINESS:

A. **Ordinance No. 1645 - Third reading of Ordinance No. 1645, Ordinance to extend the corporate limits of the City of Asheville to an area south of the existing corporate limits under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.**

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area south of the existing corporate limits.

Mayor Bissette said the ordinance was previously presented to members of Council and read on first and second readings and the ordinance would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

Ralph Bishop spoke in opposition to the annexation ordinances.

On a roll call vote of 6-0, Ordinance No. 1645 passed on third and final reading.

Ordinance Book No. 11 Page No. 150-155

B. **Ordinance No. 1646 - Third reading of Ordinance No. 1646, Ordinance to extend the corporate limits of the City of Asheville to an area lying to the west of Hendersonville Road under the authority granted by Part**

3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area lying to the west of Hendersonville Road.

Mayor Bissette said the ordinance was previously presented to members of Council and read on first and second readings and the ordinance would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

On a roll call vote of 6-0, Ordinance No. 1646 passed on third and final reading.

Ordinance Book No. 11 Page No. 156-159

C. Ordinance No. 1647 - Third reading of Ordinance No. 1647, Ordinance to extend the corporate limits of the City of Asheville to a portion of the area generally known as the Oteen Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area generally known as the Oteen Area.

Mayor Bissette said the ordinance was previously presented to members of Council and read on first and second readings and the ordinance would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

On a roll call vote of 6-0, Ordinance No. 1647 passed on third and final reading.

Ordinance Book No. 11 Page No. 160-164

D. Resolution No. 87-153 - Resolution further amending the report of plans for extension of city services into the area proposed for annexation which is generally known as the Haw Creek Area

The City Manager said since the area being annexed was amended by the deletion of one area the plans for services should be amended to reflect a change in the statistical information in the plan as well as the estimated annual revenue.

Mayor Bissette read the resolution.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-153 was unanimously adopted.

Resolution Book No. 16 Page No. 414

E. **Ordinance No. 1648 - Third reading of Ordinance No. 1648, Ordinance to extend the corporate limits of the City of Asheville to a portion of the area generally known as the Haw Creek Area under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.**

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area generally known as the Haw Creek Area.

Mayor Bissette said the ordinance was previously presented to members of Council and read on first and second readings and the ordinance would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

On a roll call vote of 6-0, Ordinance No. 1648 passed on third and final reading.

Ordinance Book No. 11 Page No. 165-168

F. **Resolution No. 87-154 - Resolution further amending the report of plans for extension of city services into the area to the west of the existing corporate limits proposed for annexation.**

The City Manager said since the area description has been changed by the deletion of several parcels the plans for services should be amended to reflect a change in the statistical information in the plan as well as the estimated annual revenue.

Mayor Bissette read the resolution.

Vice-Mayor Frank moved for the adoption of Resolution No. 87-154. This motion was seconded by Councilman Michalove.

Ben Pace, speaking on behalf of the Enka-Candler Businessmen's Association, said the association unanimously opposes the annexation. He said, speaking for himself, Council is legally right in annexing the property, but they should also be morally correct. He said the people of the Enka-Candler area would be monitoring the annexation process and requirements very closely to see to it that the City of Asheville carry out the annexation process and its requirements.

Beulah Wilson, 787 Sand Hill Road, retired senior citizen, spoke in opposition to the annexation. She said the people should have been given an opportunity to vote of the annexation.

Ila Fisher, 791 Sand Hill Road, retired senior citizen, spoke in opposition to the annexation. She said she was concerned whether or not she could pay the additional taxes. She requested that Council reconsider the annexation of the Enka-Candler area.

W. V. Henry, Enka-Candler resident, spoke in opposition to the annexation stating that he did not appreciate City Council taking control of peoples lives and property.

Tom Thrash, Enka-Candler resident, spoke in opposition to the annexation. He said there were emotional and factual issues involved. He said in addition to increased taxes the people would have other controls placed upon them such as zoning and licensing. He said he also opposed the City not following natural boundary lines.

Ralph Bishop again spoke in opposition to the annexation ordinances.

On a voice vote of 6-0, Resolution No. 87-154 was unanimously adopted.

Resolution Book No. 16 Page No. 415

G. Ordinance No. 1649 - Third reading of Ordinance No. 1649, Ordinance to extend the corporate limits of the City of Asheville to an area to the west of the existing corporate limits under the authority granted by Part 3, Article 4A, Chapter 160A of the General Statutes of North Carolina.

Mayor Bissette said all legal requirements have been met in order for Council to consider an ordinance to extend the corporate limits to an area to the west of the existing corporate limits.

At the request of the City Manager, Councilman Price moved to amend Ordinance No. 1649 to change the description as set forth in the final draft of the ordinance as distributed to City Council. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Mayor Bissette said the ordinance was previously presented to members of Council and read on first and

second readings and the ordinance would not be read in its entirety. He said any individual requesting a copy of the ordinance would be furnished one at no cost.

On a roll call vote of 6-0, Ordinance No. 1649, as amended, passed on third and final reading.

Ordinance Book No. 11 Page No. 169-172

IV. NEW BUSINESS:

A. **Resolution No. 87-155 - Resolution granting certain variances for Highland Gate Subdivision.**

Mayor Bissette read the resolution.

Verl Emrick, Director of Planning noted that the Asheville Planning and Zoning Commission granted preliminary plat approval to Highland Gate Subdivision (then called Vance Gap Road Subdivision) on March 25, 1987, subject, among other things, to City Council granting a variance from the width requirement for the road right-of-way and cul-de-sac radius from 50 feet to 40 feet. He said Section 26-13 of the Code of Ordinances of the City of Asheville provides that the City Council may authorize a variance where a subdivider can show that a provision of the regulations prescribed by Chapter 26 of the Code would cause unnecessary hardship if strictly adhered to and where, because of topographical or other conditions peculiar to the site, in the opinion of the Planning and Zoning Commission, a departure may be made without destroying the intent of such provision.

Bill Ashley, Project Engineer, outlined the details of the proposed subdivision. He said the property would be used for single family structures.

Upon inquiry of Councilman Michalove, Mr. Emrick said the project would not be affected by the Hillside Ordinance, Ordinance No. 1613 since single family structures would be placed on the property.

After discussion, Councilman Michalove moved for the adoption of Resolution No. 87-155 contingent upon the developer complying with the Hillside Ordinance, Ordinance No. 1613. This motion was seconded by Councilman Tisdale and carried unanimously.

B. **Consideration of approval of revisions to the Water System Master Plan.**

Mayor Bissette said at the regular meeting of the Asheville-Buncombe Water Authority on August 18, 1987 revisions to the previously adopted water system Master Plan was approved. The Authority has recommended these revisions to both the City and the County.

The City Manager at the last Water Authority meeting it was recommended by the consultant that several large size water lines in the Master Plan be either eliminated or reduced in size. In addition, it was further recommended that the Peach Knob Reservoir be increased in size. The cost savings in eliminating the transmission lines will pay for the increased cost for the larger reservoir at Peach Knob.

Vice-Mayor Frank moved to approve the revisions to the water system Master Plan as recommended by the Asheville-Buncombe Water Authority and as outlined by the City Manager. This motion was seconded by Councilman Michalove and carried unanimously.

V. CONSENT:

A. **Scheduling of public hearing relative to site plan of the proposed conversion of an existing house at 302 Cumberland Avenue into four apartment units for September 8, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held August 12, 1987, reviewed a site plan of the proposed conversion of an existing house at 302 Cumberland Avenue into four apartment units. The plan was prepared by Mr. lanwehr, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) A variance from the 12' buffer requirement on the southern property line from the Board of Adjustment; and 2) Compliance with the Erosion Control Ordinance, if any grading occurs.

B. **Scheduling of public hearing relative to proposed expansion of Twin Oaks Mobile Home Park on Bingham Road for September 8, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held August 12, 1987, reviewed the proposed expansion of Twin Oaks Mobile Home Park on Bingham Road. The plan was prepared by Ray Anders, RLS, for Mr. Allen Moss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to:

1) Elimination of Site No. 6 and provision of plantings; and 2) Compliance with Erosion Control Ordinance.

C. **Scheduling of public hearing relative to rezoning property located on Hildebrand Street in the East End/Valley Street Redevelopment Area for September 15, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held August 12, 1987, considered the petition of Mr. Sidney Shorter et al that Lots 89, 90, 2-1/4, 100, 4, and 6, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. The property is located on Hildebrand Street in the East End/Valley Street Redevelopment Area. After review and discussion, the Commission voted to recommend to City Council that Lots 89, 90, 2-1/4, 100, 4, and 6 and 2-1/2, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. (Staff recommended including Lots 6 and 2-1/2 for contiguity although owners had not signed petition).

D. **Resolution No. 87-156 -Resolution authorizing the City Manager to enter into agreements necessary to conduct the French Broad Riverfest and authorizing the City Manager to temporarily close a portion of Riverside Drive for the French Broad Riverfest to be held on Saturday, September 12, 1987, and Sunday, September 13, 1987.**

SUMMARY: The City of Asheville and the French Broad River Foundation, Inc. will be sponsoring the French Broad Riverfest to be held on Saturday, September 12, 1987, and Sunday, September 13, 1987. It is necessary to establish agreements between these sponsors and various land owners of property wherein the Riverfest will be held. It is also necessary to temporarily close a portion of Riverside Drive from its intersection with West Haywood Street south to its intersection with Clingman Avenue. Access to businesses, delivery trucks, and emergency vehicles will be allowed and monitored by the Riverfest Committee.

Resolution Book No. 16 Page No. 417

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, the consent agenda was unanimously approved.

CLAIMS - CLIFFORD JOHNSON (WATER)

The City Manager presented a claim received from Clifford Johnson.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

DISCUSSION - ASHEVILLE SPEEDWAY

Mayor Bissette said during the pre-council work session Council discussed the issue of the Asheville Speedway in relation to an amendment to the Zoning Ordinance that was adopted in 1977 which called for the race track to cease operation ten (10) years from the effective date of the ordinance which would be in October, 1987. He said the amendment also applies to junkyards, salvage yards and several other businesses. He said Council is trying to determine what businesses would be affected by the amendment if it is upheld by the present Council, as well as other legal matters regarding the amendment. He said Council is in the process of gathering the facts before making a decision on the amendment. He said Council would not make a decision pending a report from city staff. However, Council would like to hear comments from the public on the issue.

Micheal Moore, Attorney representing the speedway owner, Russ Leicht, Jr., contended that the language specified in the amendment did not necessarily eliminate the operation of a race track since the property where the race track operates is zoned HI Heavy Industrial which zone states that "any use may be permitted." He contended that the present race track does not operate as a nonconforming use.

Mr. Moore presented Council with petitions with signatures from 6,000 race track supporters. He said the speedway is an important recreational sports outlet for the area and draws more than 170,000 people each year from throughout Western North Carolina. He said the track also provides substantial tax revenue to the city as well as supporting area businesses. He said the track is a certified NASCAR approved track and if it is taken away there would not be another one in our surrounding area. He said the closing of the race track would place a tremendous financial hardship on investors of the track.

Upon inquiry of Mayor Bissette, Mr. Moore said his client would be glad to work with the city to ease the noise problems, with the possibility of requiring mufflers on the race cars, and other measures that might be taken to resolve the problems.

Herman Rector, West Asheville resident, said the noise and dust from the race track was almost unbearable. He said the present owner of the race track was aware of the ten (10) year amortization period when he purchased

the track. He said the residents of West Asheville are also getting their facts together to see what can be done to stop the noise and dust from the track.

Captain Lee Warren, operator of security at the race track, said in his opinion the noise from the race track is not great in West Asheville. He said there are very few problems at the race track and the majority of the people attending the races are gone by 11:15 P.M. He said he felt to close the race track would be a misjustice to the citizens of Asheville, Buncombe County, and Western North Carolina.

Earl Hampton, 84 Nevada Avenue, said he was opposed to the noise from the race track. He said the people of West Asheville are tired of listening to this noise and is not going to tolerate the race track any longer, particularly since they have waited the ten (10) year period. He suggested putting a dome over the track to keep the noise level down.

Gordon McCarson, 40 Vermont Court, said he had been going to the track for 26 years and never experienced a problem. He said the speedway has a non-drinking area, they have fund drives for charity, and there are good professional people involved in the sport. He said the race track keeps kids off the street. He said he felt the race track could not be compared to a junk yard.

Angela Apolisto spoke in favor of keeping the race track open. She said this is a safe, reasonable recreational event. She said the race track does no harm and it would be a disservice to the young people to take the race track away.

Wallace Leatherwood, speaking in support of the race track, said noise is an acceptable part of life. He said since the present owner has been operating the track it has become a clean, family-oriented place for recreation.

Herman Rector said he was also concerned about multi-events going on at the race track such as rock concerts.

Russ Leicht, owner of race track, said there would be no more concerts at the speedway. He said he was also concerned that no one from the city had ever contacted him about the noise at the race track.

John Ponder, Fletcher, North Carolina, said the City should work with the owner to resolve the problems but the race track should not be forced to cease operation.

Steve Anderson, 149 Brucemont Circle, speaking in support of the race track, said the track always closes by 11:30 P.M.

David Cole, property owner in North Asheville, said racing is a form of art and the race track should not be forced to close. He said there would be a lot of jobs affected and tax revenue lost. He requested that Council not put them out of business but work with them to solve the problems.

Upon inquiry of Councilman Bratton, it was noted that there were a number of young people involved with the race tracks, selling newspapers, working on cars, and many other jobs. It was also noted that a large percentage of spectators were young people.

Mayor Bissette thanked the individuals for their comments stating that there were good comments from both sides of the issue. He said Council would be looking very carefully at the issue in an effort to come up with a solution to satisfy everyone concerned. He said Council would be discussing this issue more when they receive the city staff report.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Price, the meeting adjourned at 6:55 P.M.

MAYOR

CITY CLERK

Tuesday - September 1, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of the minutes of the August 25, 1987 meeting as submitted.

I. PROCLAMATIONS:

A. Resolution No. 87-157 - Resolution of appreciation to the members of the Local Legislative Delegation and to Representative Robert C. Hunter for their efforts on behalf of House Bill 1211.

Mayor Bissette recognized Representatives Marie W. Colton, Narvel J. Crawford, and Martin L. Nesbitt who were in attendance at the meeting.

Mayor Bissette read the resolution expressing appreciation to the members of the Local Legislative Delegation and to Representative Robert C. Hunter for legislation enacted by the General Assembly of North Carolina during its 1987 session which makes voluntary the cities' participation in the cost of right-of-way acquisition for state system streets and gives cities the authority to protect future rights-of-way in several ways that had not previously been available. The original bill was introduced by Representative Robert C. Hunter of Marion.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-157 was unanimously adopted.

Resolution Book No. 16 Page No. 418

B. Resolution No. 87-158 - Resolution of appreciation to the members of the Local Legislative Delegation and to Speaker Liston Ramsey for their efforts on behalf of Pack Place.

Mayor Bissette read the resolution expressing appreciation to the members of the Local Legislative Delegation and to Speaker of the House Liston Ramsey for their efforts in securing $3 million for the construction of Pack Place Education, Arts and Science Center.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-158 was unanimously adopted.

Resolution Book No. 16 Page No. 419

RECOGNITION OF WALTER MASTERS AND WILLIE ALLEN WITH THE ASHEVILLE POLICE DEPARTMENT - DONATION OF TIME FOR AMERICAN CANCER SOCIETY

Mayor Bissette recognized Walter Masters and Willie Allen for their time and efforts donated to the American Cancer Society during the recent Jail-And-Bail.

Adam Kane, President of the American Cancer Society and Judith Emrick, Executive Director of the American Cancer Society presented the two officers with an appreciation plaque.

C. Proclamation - September 5, 1987 - "Goombay Day"

Mayor Bissette read a proclamation proclaiming Saturday, September 5, 1987, as "Goombay Day" in recognition of the Goombay Festival held by the YMI Cultural Center, Inc.

Mayor Bissette presented the proclamation to Wanda Henry Coleman with the YMI Cultural Center.

Wanda Coleman presented a shield and pins from Bermuda. She said the official Goombay musicians from Bermuda will be at the festival.

D. Proclamation - French Broad River Week - September 5 - 13, 1987

Mayor Bissette read a proclamation proclaiming September 5 - 13, 1987 as "French Broad River Week".

Mayor Bissette presented the proclamation to Councilman Norma Price as Chairman of the Land of Sky Regional Council and Councilman Walter Boland for his efforts with the French Broad River Foundation.

Councilman Price noted the activities that would be taking place during French Broad River Week.

E. Proclamation - Support for efforts by the United States Soccer Federation to bring the 1994 World Cup to the United States.

Mayor Bissette said a copy of the proclamation would be sent to the United States Soccer Federation.

II. PUBLIC HEARINGS:

None Scheduled

III. OLD BUSINESS:

None Scheduled

IV. NEW BUSINESS:

A. Resolution No. 87-159 - Resolution granting certain variances for Lornelle Place Subdivision.

Verl Emrick said the Asheville Planning and Zoning Commission at a meeting held January 14, 1987, approved the preliminary subdivision plat of "Lornelle Place," subject to City Council granting a variance from 50' to 40' on the road width and cul-de-sac. The Developer has requested that the variance request be submitted to City Council prior to grading and submission of the final plat. He said the roads would be constructed to city specifications and would be dedicated to the City for maintenance.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 87-159 was unanimously adopted.

Resolution Book No. 16 Page No. 420

V. CONSENT:

A. Motion authorizing the City Manager to execute Consent Judgements in a condemnation case involving Asheville City Board of Education v. Trustees of the Church of God in Christ, et als for property fronting on Gudger Street.

SUMMARY: The City has no interest in the property but was made a party due to potential tax liens.

B. Approval of sale of Disposal Parcel 134 in the East End/Valley Street Community Improvement Project and Disposal Parcel 179A in the East Riverside Urban Renewal Project.

SUMMARY: The Housing Authority has tentatively accepted the following bids for certain disposal parcels in the East Riverside Urban Renewal Project and the East End/Valley Street Community Improvement Project:

East End

Parcel	Reuse	Price	Bid	Redeveloper
134	Assemblage	$4,100.00	$4,100.00	Nazareth First Baptist

East Riverside

179A	Assemblage	$ 500.00	505.00	Mr. Jack Ingle

Disposal Parcel 134 is a lot for assemblage with property owned by Nazareth First Baptist Church. No construction is planned.

Disposal Parcel 179A is a small lot for assemblage with rental property owned by Mr. Ingle on Congress Street. The lot will be used to provide off street parking for Mr. Ingle's tenants.

Upon motion of Councilman Michalove, seconded by Councilman Price, the consent agenda was unanimously adopted.

RALPH BISHOP - REVENUE BONDS - PACK LIBRARY - LOTTERY SALES

Ralph Bishop spoke to members of Council relative to the security pledged for the Parking Garage Revenue Bonds. He also commented relative to obtaining copies of the documents concerning the City purchasing the old Pack Memorial Library. He commented on the lottery sales in the City of Asheville.

INTERGOVERNMENTAL SERVICES COMMITTEE

Vice-Mayor Frank said the Intergovernmental Services Committee consisting of Commissioners Montgomery and Sobol and Councilmen Tisdale and Boland met today at 12:30 p. m. She said they discussed hazardous material handling, the coordination of dispatching the 911 emergency number, and the litter control enforcement officer's position.

CLAIMS - JOHN GEORGE (WATER) - BLANDENE PETTIT (WATER) - JONATHAN PEARLMAN (WATER) - DON BAKER (SEWER) - CLAY CLINE (STREETS) - MARY ELLEN WILLIAMS (STREETS)- WARREN WALKER (STREETS) - H. PAPANASTASIOU (SANITATION) - REX SNODGRASS (PARKING SERVICES) - AL BOUCHARD (FIRE) - BRENDA RICE (WATER)

The City Manager presented claims received from John George, Blandene Pettit, Jonathan Pearlman, Don Baker, Clay Cline, Mary Ellen Williams, Warren Walker, H. Papanastasiou, Rex Snodgrass, Al Bouchard, and Brenda Rice.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Bratton, seconded by Councilman Michalove, the meeting adjourned to meet in executive session to discuss a legal and real estate matter.

MAYOR

CITY CLERK

Tuesday - September 8, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Councilman Wilhelmina Bratton and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

Mayor Bissette introduced Rev. Donnell Jefferies, Pastor of Berry Temple United Methodist Church who gave the invocation.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of the minutes of the September 1, 1937 meeting as submitted.

I. PROCLAMATIONS:

A. Introduction of new firefighters.

Chief John Ruckavina, of the Fire Department introduced seven new firefighters.

Chief Ruckavina also presented former Fire Chief Powell Ball with a "Gold" honorary lifetime membership card to the North Carolina Association of Fire Chiefs and a wooden plaque with Chief Ball's badge placed on the plaque for his many years of service with the City of Asheville.

B. Proclamation - September 13 - 20, 1987 - Constitution Week.

Mayor Bissette read the proclamation and presented a copy to Mrs. Helen Brown, Chairman of Constitution Week with the Daughters of the American Revolution and to Paul Limbert, member of the Bicentennial Commission.

C. Proclamation - September 20 - 26, 1987 - Foster Care Awareness Week.

Mayor Bissette read the proclamation and presented a copy to Bonnie Judkins, Executive Director of Professional Parenting, Inc.

Ms. Judkins said this proclamation was requested by Professional Parenting, Eliada Home, and Buncombe County Department of Social Services, foster care agencies, in an effort to help with recruitment efforts and to increase awareness of the citizens of Asheville and Buncombe County as to the needs of homeless children.

D. Proclamation - September 13 - 19, 1987 - "Just Say No" Pledge Week.

Mayor Bissette said this proclamation was requested by the United States Conference of Mayors and a copy would be forwarded to the organization.

E. Proclamation - September 11 - 13, 1987 - "Berry Temple 100th Anniversary Weekend"

Mayor Bissette read the proclamation and presented a copy to Rev. Donnell Jefferies, Pastor of Berry Temple United Methodist Church, and to Ms. Elrita Nesby, co-chairman of the celebration.

Ralph Bishop spoke against the Mayor issuing the proclamation for Constitution Week.

II. PUBLIC HEARINGS:

A. Public hearing relative to site plan of the proposed conversion of an existing house at 302 Cumberland Avenue into four apartment units.

Mayor Bissette opened the public hearing at 4:40 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning said the Asheville Planning and Zoning Commission at a meeting held August 12, 1987, reviewed a site plan of the proposed conversion of an existing house at 302 Cumberland Avenue into four apartment units. The plan was prepared by Mr. Lanwehr, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) A variance from the 12' buffer requirement on the southern property line from the Board of Adjustment; and 2) Compliance with the Erosion Control Ordinance.

Mayor Bissette closed the public hearing at 4:43 p. m.

Councilman Price moved to approve the site plan of the proposed conversion of an existing house at 302 Cumberland Avenue into four apartment units subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

B. **Public hearing relative to proposed expansion of Twin Oaks Mobile Home Park on Bingham Road.**

Mayor Bissette turned the meeting over to Vice-Mayor Frank.

Vice-Mayor Frank opened the public hearing at 4:46 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Asheville Planning and Zoning Commission at a meeting held August 12, 1987, reviewed the proposed expansion of Twin Oaks Mobile Home Park on Bingham Road. The plan was prepared by Ray Anders, RLS, for Mr. Allen Moss, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) Elimination of Site No. 6 and provision of plantings; and 2) Compliance with Erosion Control Ordinance.

Vice-Mayor Frank closed the public hearing at 4:48 p. m.

Councilman Price moved to approve the proposed expansion of Twin Oaks Mobile Home Park on Bingham Road subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Michalove and carried unanimously.

IV. NEW BUSINESS:

A. **Resolution No. 87-160 - Resolution authorizing execution of contract with the County of Buncombe for provision of billing and collecting services for County sewer user fees.**

Vice-Mayor Frank said the Water Agreement requires that both the City and County provide for a sewer user charge by July 1, 1987. The County, in order to bill for this charge on a water consumption basis, needs to have an agreement with the City for the City to provide this service.

Upon motion of Councilman Michalove, seconded by Councilman Price, Resolution No. 87-160 was unanimously adopted.

Resolution Book No. 16 Page No. 421

Mayor Bissette returned to the meeting.

C. **Appeal of Melvin Walsh for in-line-of-duty disability benefits.**

Mayor Bissette said the Supreme Court has remanded Mr. Walsh's claim to the City Council for determination of his entitlement to in-line-of-duty disability benefits under the Asheville Policemen's Pension and Disability Fund.

Corporation Counsel Slawter noted that the courts have determined that the police pension law as amended in 1979 would not apply to Melvin Walsh's case and that the law in effect as of the date Mr. Walsh was hired would prevail.

Councilman Boland moved that Melvin Walsh be awarded in-line-of-duty disability benefits from the Asheville Policemen's Pension and Disability Fund. This motion was seconded by Vice-Mayor Frank and carried unanimously.

V. CONSENT:

A. **Resolution No. 87-161 - Resolution appointing member to the Asheville Transit Authority.**

SUMMARY: This resolution will appoint Paul Hensley as a member of the Asheville Transit Authority to serve the unexpired term of Mr. H. H. Queen, term expiring December 31, 1987 and to serve a four (4) year term, term expiring December 31, 1991, or until his successor has been duly appointed and qualified.

Resolution Book No. 16 Page No. 422

B. **Scheduling of public hearing relative to site plan of the proposed Shoppes of Beaver Lake to be located on Merrimon Avenue at a special meeting on September 23, 1987 at 4:00 p.m.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held September 2, 1987, reviewed a site plan of the proposed Shoppes of Beaver Lake to be located on Merrimon Avenue. The plan was prepared by Danie Johnson, Architect,

for Beverly Developments, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project with the following conditions:

1. That signage description be provided to City Council;
2. Subject to compliance with Erosion Control Ordinance;
3. Subject to execution of an agreement to establish a 20' buffer on the Western Steer property; and
4. That developer give special concern to wildlife habitat during building process and after to avoid silting.

The Commission further noted that the public hearing process revealed serious questions with regard to ownership of the right to develop the property in the manner intended. The Commission urges City Council to determine the status of the right to develop the site with regard to boundary survey, the location of the floodway, and any rights the residents of the Lakeview Park Commission might have relative to the use of this parcel.

Upon motion of Councilman Boland, seconded by Councilman Price, the consent agenda was unanimously approved.

COUNCIL MEETING - SEPTEMBER 22, 1987

Mayor Bissette announced that the regularly scheduled meeting for September 22, 1987 has been cancelled due to the primary election.

RESOLUTION NO. 87-162 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE CERTAIN DOCUMENTS FOR THE PACK PLAZA REDEVELOPMENT PROJECT AND THE PACK PLACE EDUCATION, ARTS AND SCIENCE CENTER PROJECT

The City Manager said this resolution will authorize the Mayor to complete the transfer of deeds and easements for the Pack Plaza Redevelopment Project and the Pack Place Education, Arts and Science Center Project and authorize the execution of certain subordination agreements required as a result of the UDAG Loan, UDAG Agreement and City/County Loan for the Pack Plaza Redevelopment Project. The resolution will also authorize the execution of all lease agreements by and between the City and Pack Place Education, Arts and Science Center for the project.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, Resolution No. 87-162 was unanimously adopted.

Resolution Book No. 16 Page No. 423

HARRY BRUMMER - CONSTRUCTION OF HOUSE ON SUNSET SUMMIT

Harry Brummer spoke to members of Council relative to the difficulties he had had with constructing a residence on Sunset Summit. He outlined the history of events that has kept him from completing the project.

After discussion, Council requested that the Corporation Counsel furnish members of Council with a status report on the residence on Sunset Summit.

CLAIMS - JOHN FULLER (WATER) - MR. O'NEIL (CIVIC CENTER) - ANTHONY DOBBS (SANITATION)

The City Manager presented claims received from John Fuller, Mr. O'Neil, and Anthony Dobbs.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - HOUSING AUTHORITY OF THE CITY OF ASHEVILLE (CONDEMNATION OF ETTASTINE NEELY, ET AL., PROPERTY - EAST END/VALLEY STREET) - (CONDEMNATION OF EDDIE COLEMAN, ET AL., PROPERTY EAST END/VALLEY STREET) - (CONDEMNATION OF FRED R. QUICK, JR., ET AL., PROPERTY EAST END/VALLEY STREET

The City Manager said the City was named a party in lawsuits involving the Housing Authority of the City of Asheville relative to condemnation of Ettastine Neely, et al, property, Eddie Coleman property, and Fred R. Quick, Jr. property in the East End/Valley Street.

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - DOWNTOWN PROJECTS

Ralph Bishop asked questions relative to the Pack Place Project.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank the meeting adjourned at 5:20 p. m.

MAYOR

CITY CLERK

Tuesday - September 15, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Assistant City Manager/Deputy City Clerk Charles Penny

Absent: William F. Wolcott, Jr., - Vacation

ANNOUNCEMENT - MAYOR BISSETTE - MEETING WITH TRANSPORTATION SECRETARY JAMES E. HARRISON AND OTHER N. C. DEPARTMENT OF TRANSPORTATION DIGNITARIES

Mayor Bissette announced that he would be meeting with Transportation Secretary James E. Harrington and Transportation Board Member John Sutton to discuss several issues.

Mayor Bissette excused himself and turned the meeting over to Vice Mayor Frank.

INVOCATION

The invocation was given by Vice Mayor Frank.

APPROVAL OF THE MINUTES - SEPTEMBER 8, 1987 MEETING

Vice Mayor Frank announced the approval of the minutes of the September 8, 1987 as submitted.

I. PROCLAMATIONS

A. **Proclamation supporting the New Priorities Conference - September 18 and 19, 1987**

Vice Mayor Frank read the proclamation and presented a copy to Pamela Ray.

B. **Proclamation - American Business Women's Day - September 22, 1987**

Vice Mayor Frank read the proclamation and presented a copy to Jane C. Conner, President of the Sky-Hy Chapter of the A.B.W.A. Ms. Conner also introduced Judy Kelly, President of the Skyland Chapter of the A.B.W.A.

C. **Proclamation - Asheville Community Theatre Week - September 13 - 19, 1987**

Vice Mayor Frank read the proclamation and presented a copy to Ralph Redpath, Director of the Asheville Community Theatre.

II. PUBLIC HEARINGS

A. **Public hearing relative to amending Section 30-6-1B.11 of the Code of Ordinances of the City of Asheville requiring installation of sidewalks along all public rights-of-way adjoining group development**

Vice Mayor Frank said the Asheville Planning and Zoning Commission at a meeting held September 9, 1987, considered an amendment to Section 30-6-1B.11 of the Code of Ordinances to require installation of sidewalks along all public rights-of-way adjoining group developments. After discussion, the Commission passed a motion that the proposed revision not be endorsed by the Planning and Zoning Commission or recommended to City Council for adoption. The sentiment of the Commission is that sidewalk construction is a municipal responsibility and proposed amendment to the ordinance would provide for inequitable application.

Vice Mayor Frank opened the public hearing at 4:15 p.m.

Vice Mayor Frank said that Council and staff had a very lengthy discussion relative to Section 30-6-1B.11 at their Pre-Council Work Session. As a result of this, she said it was the consensus of the City Council to refer the matter back to the Planning and Zoning Commission for further study. She said it might also be beneficial to the Commission to visit some other cities to see how they are addressing this issue.

Councilman Tisdale moved to remand the proposed amendment to Section 30-6-1B.11 of the Code of Ordinances back to the Planning and Zoning Commission for further study. This motion was seconded by Councilman Michalove and carried unanimously.

Vice Mayor Frank closed the public hearing at 4:16 p.m.

B. **Public hearing relative to rezoning property located on Hildebrand Street in the East End/Valley Street Redevelopment Area**

ORDINANCE NO. 1651, AN ORDINANCE AMENDING ORDINANCE AMENDING ORDINANCE NO. 322, KNOWN AS "AN ORDINANCE PROVIDING FOR THE ZONING OF THE CITY OF ASHEVILLE", AS AMENDED (PROPERTY LOCATED ON HILDEBRAND STREET)

Vice Mayor Frank said the Asheville Planning and Zoning Commission at a meeting held August 12, 1987, considered the petition of Mr. Sidney Shorter et al that Lots 89, 90, 2-1/4,

100, 4, and 6, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. The property is located on Hildebrand Street in the East End/Valley Street Redevelopment Area. After review and discussion, the Commission voted to recommend to City Council that Lots 89, 90, 2-1/4, 100, 4, and 6 and 2-1/2, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. (Staff recommended including Lots 6 and 2-1/2 for contiguity although owners had not signed petition).

Vice Mayor Frank opened the public hearing at 4:16 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission recommended that Council approve the rezoning requested by Sidney Shorter. He said the Commission further recommended that Lot 2-1/2 be included in the rezoning. He said the rezoning request had also been reviewed by the East End/Valley Street Homeowner's Association and the Asheville Housing Authority and they concur in the request.

Sue Evans, owner of Lot 6 and resident of 12 Belleair Road spoke in opposition to the proposed rezoning. She said the only logical zoning for her lot is the Commercial Highway designation. She said the lot's value would be reduced to almost nothing, and the lot would not be usable if rezoned to R-3 since a minimum of 8,000 square feet is required to build on. She requested that Council exclude lot #6 from the proposed rezoning.

Mike Robinson, Real Estate Broker representing Ms. Evans, said the lot fronts on Hildebrand and College Streets, and that driveway permits could be obtained from the State for the property. He said he had received several offers for this piece of property, one in the amount of $15,000 and the person was willing to make all of the necessary changes.

Mr. Emrick answered other questions raised by Council Members relative to uses permitted in the R-3 and Commercial Service Districts, and conditional uses in the R-3 zone.

Mr. Robinson said even with the conditional use, the minimum lot size requirement is still 8,000 square feet and this would prevent Ms. Evans from using the lot. He said the proposed zoning, in total, should be denied by Council.

For the benefit of Council, Mr. Emrick read the lots proposed for rezoning and gave the owner's name for each.

Vice Mayor Frank closed the public hearing at 4:45 p.m.

Councilman Price moved to remove Lot 6 from the proposed rezoning and for the adoption of Ordinance No. 1651. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1651 passed on first reading.

III. OLD BUSINESS - NONE

IV. NEW BUSINESS

A. **Approval of sign permit for identification sign to be located at 64 Orchard Street for Booth Barfield Realty**

Vice Mayor Frank announced that this item was removed from the agenda at the request of the petitioner. She said the item would be placed on the agenda for September 29th.

B. **Ordinance No. 1652, an ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville prohibiting truck traffic on Hanover Street between I-240 Ramp and State Street**

Vice Mayor Frank said this action will add the portion of Hanover Street, between the I-240 Ramp and State Street, to the list of residential streets on which certain truck traffic is prohibited. She said this action has been recommended by the Traffic Engineer Bob McDonald.

Vice Mayor Frank said copies of the ordinance had previously been distributed to Members of City Council, and the ordinance would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1652. This motion was seconded by Councilman Michalove and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1651 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1652 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third and final reading of the ordinance. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1652 passed on third and final reading.

Complete text of Ordinance No. 1652 will be found in Ordinance Book No. 11, Page 176.

V. CONSENT

A. Resolution No. 87-163 - Resolution approving a reduction in fire contract charges for the Veteran's Administration Medical Center at Oteen

SUMMARY: Due to the City of Asheville discontinuing fire alarm box services, there is a need to reduce the monthly rate charged Veteran's Administration Medical Center by the amount of $30.67 a month for the months of July, August, and September, 1987. By October 1, 1987 a new contract will have been negotiated.

Resolution Book No. 16, Page No. 424

B. Award of bids for corrugated steel pipe for Public Works Department, Street Division

SUMMARY: Sealed bids were requested and four bids were received - Contech Construction Products, Asheville, NC - $53,865.00; Republic Drainage Products, Charlotte, NC - $55,021.50; Municipal & Utility Supply Company, Asheville, NC - $60,480.00 and Tri-State Culvert Corporation, Lawrenceville, Georgia. The bid from Tri-State Culvert Corporation was returned due to an improper bid deposit. Bids were reviewed with the Public Works Department and they concur in the recommendation to award the bid to the low bidder, Contech Construction Products, Inc. in the amount of $53,865.00.

Bid awarded to Contech Products in the amount of $53,865.00.

C. Award of bids for bulk sodium chloride (rock salt) for snow and ice control

SUMMARY: Sealed bids were requested and four bids were received - Morton Salt Division of Morton Thiokol, Inc. Chicago, Illinois - $18,978.00; Cargill, Inc., Watkins Glen, NY - $18,990.00; Domtar Industries, Schiller Park, Illinois - $18,990.00; International Salt Company, Clarks Summit, PA. - $19,356.0 Bids were reviewed with the Public Works Department, and they concur in the recommendation

to award the bid to the low bidder, Morton Salt Division of Morton Thiokol, Inc. for an estimated contract amount of $18,978.00.

Bid awarded to Morton Salt Division of Morton Thiokol, Inc. in the amount of $18,978.00.

Upon motion of Councilman Price, seconded by Councilman Michalove, the consent agenda was unanimously approved.

CLAIMS - BETTE DAVIS (STREETS), SHARON BISHOP (WATER), DIANE BOSWELL (PARKS), H. S. LINDSEY (WATER), FRANK CUTSHAW (WATER)

The City Manager presented claims received from Bette Davis (Streets), Sharon Bishop (Water), Diane Boswell (Parks), H. S. Lindsey (Water), and Frank Cutshaw (Water).

Vice Mayor Frank referred the claims to the Corporation Counsel for investigation and recommendation.

MOTION TO FILE PETITION FOR DECLARATORY RELIEF IN SUPERIOR COURT - ZONING ORDINANCE (ASHEVILLE SPEEDWAY)

As directed by the City Council, the City Attorney said he had prepared a Petition for Declaratory Relief in the Superior Court and that a motion would be necessary to authorize the filing of the Petition. This motion was made by Councilman Michalove, seconded by Councilman Price and carried unanimously.

Attorney Slawter said this document will, in effect, ask the Court to decide if the City's Zoning Ordinance is valid and can be enforced with regard to requiring the Asheville Speedway to cease operation by October 21, 1987.

CHARLES PENNY - APPOINTMENT AS DEPUTY CITY CLERK

The City Manager said both the City Clerk and the Deputy City Clerk are out of town. He requested that Council appoint Charles Penny as Deputy City Clerk so that the paperwork approved by Council can be signed and processed.

Councilman Tisdale moved to appoint Charles Penny as Deputy City Clerk. This motion was seconded by Councilman Bratton and carried unanimously.

RESOLUTION NO. 87-164 - RESOLUTION APPOINTING SALLY PEARLMAN AND CELINE LUREY MEMBERS OF THE ASHEVILLE AREA CIVIC CENTER COMMISSION

Vice Mayor Frank said since there will not be a Regular Council Meeting until September 29, 1987, Council needs to appoint members to the Asheville Area Civic Center Commission. She said the terms of office for members O. E. Starnes, III,

Sally Pearlman, and Fred Brown expired on July 1, 1987. She said Mr. Brown has served the two full terms allowed by Council policy. She said the Commission recommends that Council reappoint Mr. Starnes and Mrs. Pearlman and that Celine Lurey be appointed to replace Mr. Brown.

There was a short discussion relative to Mr. Starnes attendance and Council's policy on absences. Council requested that staff provide them with an explanation on Mr. Starnes absences.

Councilman Boland moved for the adoption of Resolution No. 87-164 appointing Sally Pearlman and Celine Lurey members of the Asheville Area Civic Center Commission for 3-year terms, term expiring June 30, 1990. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 87-164 will be found in Resolution Book No. 16, Page 425.

RALPH BISHOP - GAMBLING IN THE CITY OF ASHEVILLE

Ralph Bishop addressed Council relative to gambling in the City of Asheville. He said Chicken Lunsford and J. D. Plemmons are violating criminal statutes every day and nothing is done about it.

ADJOURNMENT

Upon motion of Councilman Tisdale, seconded by Councilman Boland, the meeting adjourned at 5:06 P.M.

MAYOR

CITY CLERK

Wednesday - September 23, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr. (vacation)

INVOCATION

The invocation was given by Councilman Bratton.

Scheduling of Public Hearing - Greentree Ridge Nursing Home

Mayor Bissette announced that a public hearing will be held on October 6, 1987 relative to the site plan of Greentree Ridge Nursing Home to be located on Sweeten Creek Road. The plan was prepared by Padgett-Freeman, Architects, for Mission-Thoms Health Services, Inc., Developer.

Public Hearing - Shoppes of Beaver Lake - Merrimon Avenue

Mayor Bissette requested to be excused from participation and vote on the site plan for Shoppes of Beaver Lake since his law firm represents the developer.

Councilman Tisdale moved to excuse Mayor Bissette from participation and vote on the site plan for Shoppes of Beaver Lake. This motion was seconded by Councilman Bratton and carried unanimously.

Vice-Mayor Frank said the Asheville Planning and Zoning Commission at a meeting held September 2, 1987, reviewed a site plan of the proposed Shoppes of Beaver Lake to be located on Merrimon Avenue. The plan was prepared by Danie Johnson, Architect, for Beverly Developments, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project with the following conditions:
1. That signage description be provided to City Council;
2. Subject to compliance with Erosion Control Ordinance;
3. Subject to execution of an agreement to establish a 20' buffer on the Western Steer property; and
4. That developer give special concern to wildlife habitat

during building process and after to avoid silting. The Commission further noted that the public hearing process revealed serious questions with regard to ownership of the right to develop the property in the manner intended. The Commission urges City Council to determine the status of the right to develop the site with regard to boundary survey, the location of the floodway, and any rights the residents of the Lakeview Park Commission might have relative to the use of this parcel.

Vice-Mayor Frank opened the public hearing at 4:07 P.M.

At the request of Vice-Mayor Frank, the Corporation Counsel read the following memorandum.

"MEMORANDUM TO: W. Louis Bissette, Jr., Mayor
and Members of the Asheville City Council

FROM: Bill Slawter, City Attorney

DATE: September 14, 1987

SUBJECT: The Shoppes of Beaver Lake

As you are aware, the Planning and Zoning recommendation in connection with the Shoppes of Beaver Lake group development included a request that City Council look into questions of ownership raised by some of the surrounding neighbors. As I stated to Planning and Zoning just before their motion was adopted, I do not feel that this is an appropriate area of concern for the City Council. The appropriate method of challenging Mr. Beverly's right to develop that property would be by appropriate Court action. For the City to become involved in resolving such questions would require a title examination in connection with each site plan for which approval is requested, and even that would be subject to challenge in the Courts. The City is not required to look beyond the apparent title of a proposed developer, and would be in fact subjecting itself to potential liability in attempting to do so. In taking action on a site plan approval, the City is not taking a position on ownership of the property. That remains a question for the Courts.

A question has also arisen as to why the City would proceed with consideration of the request for site plan approval when some consideration may be given to rezoning in the area. The group development review process established in our zoning ordinance does not automatically delay the group development review process when there is a potential rezoning in progress. It is therefore not inappropriate to proceed with the group plan review, especially in view of the fact that the request for site plan approval preceded the request for rezoning."

The Corporation Counsel advised that Jack Stevens, Attorney for the developer, has requested that Verl Emrick's and

Danie Johnson's statements be made under sworn testimony. He suggested that this request is not inappropriate and if Council so chooses that all witnesses presenting evidence relative to the site plan be sworn as well. He said witnesses just presenting arguments would not necessarily need to be sworn.

Vice-Mayor Frank said Council would take the Corporation Counsel's advice to have those presenting evidence sworn.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

David Sperling, Court Reporter, administered the sworn statement to Verl Emrick, Planning Director.

Verl Emrick, Director of Planning, summarized the sequence of events leading up to the approval of the site plan for the Shoppes of Beaver Lake. He said project plans were submitted by Danie Johnson, Architect, on July 21, 1987. He said on August 4, 1987 a rezoning petition was submitted to Council with a copy being sent to the Planning and Zoning Commission. He said on August 12, 1987, the Planning and Zoning Commission reviewed the project and requested additional information to resolve several technical problems. He said the project was also reviewed by the Zoning Board of Adjustments on August 31, 1987 seeking a variance on buffering and construction in the flood plain area. He said on September 2, 1987, the Planning and Zoning Commission, again reviewed the project and recommended approval subject to the conditions outlined by Vice-Mayor Frank. He said the Commission also received concerns relative to the widening of Merrimon Avenue. The Commission requested that Council contact the North Carolina Department of Transportation and request that the widening of this particular section of Merrimon Avenue be removed from the Thoroughfare Plan.

Mr. Emrick said the project is proposed to be constructed on Merrimon Avenue on a four acre tract. He said the site is relatively flat and is the site of the old Beaver Lake Club House. He said the property is zoned Commercial Highway. He said the developer plans retail shops and a restaurant which are appropriate and allowable in this zone. He said 151 parking spaces are proposed which would meet all parking requirements. He said the Fire Department reviewed and approved the plans. He said the North Carolina Department of Transportation requested that the plans be modified at the entrance point to align with the road directly across Merrimon Avenue. He said the plans have been amended to reflect this request. He said the project will contain approximately 30,000 square feet. He said all construction and parking requirements have been met and the project will be in compliance.

Mr. Emrick said on August 31, 1987, the Board of Adjustment granted a variance on the buffering requirements of 12' rather than the required 20' of two rows of white pine tree plantings, with the plantings being removed from the northern property line which abuts Merrimon Avenue for site visibility.

He said that the Zoning Board of Adjustments also approved the site plan as it related to construction in the flood plain area of Beaverdam Creek. This approval required no variance in the provisions of the Floodplain ordinance since, 1) parking lots are permitted uses in Floodway zones and 2) the elevation of the area where the buildings are to be constructed are currently 1-1/2 foot above the 100 year flood level.

He said an agreement has been reached between Mr. Beverly, the developer and the adjacent property, Western Steer, a division of Mom and Pops, Inc. He said Mr. Beverly has a letter from Marshall E. Dye with Mom and Pops, Inc. allowing Mr. Beverly the use of their property for buffering.

He said the signage package has been submitted and the Erosion Control Plan has been reviewed and ready for approval by the Engineering Department pending payment of the proper fees. He said the developer is aware of the condition imposed by the Planning and Zoning Commission relative to wildlife habitat.

Mr. Emrick said the Planning and Zoning Commission recommended Council's approval of the project subject to conditions outlined by the Planning and Zoning Commission.

Upon inquiry of Councilman Tisdale, Mr. Emrick said the Planning Staff would also recommend approval and in his opinion the project meets all legal requirements.

Mr. John Stevens, Attorney for Beverly Development Company, spoke in support of the project referring to a letter dated September 18, 1987 to Mayor Bissette. (Letter on file in the City Clerk's Office)

Danie Johnson, Architect, was sworn by the court reporter.

Danie Johnson, Architect, said the project would consist of 30,200 square feet of specialty retail shops in two "L" shaped buildings. He said 27,000 square feet would be used for retail and 3,200 would be used for a restaurant. He said there would be no large anchor stores. He said it was determined that the market for such a development is in North Asheville. He said an agreement had been reached with Western Steer to use 20' of their property for buffering. He presented two sketch concept drawings of the proposed project. He also showed a video of the land and area with a super imposed rendering of the proposed buildings. He said the character of the buildings would be similar to the old Beaver Lake Club House that was on the

property. He said the lighting plan has not been finalized but low-level lights would be utilized. He said the signage would be in compliance with the ordinance using a smaller area than actually allowed. He said individualized illuminated signs would be used. He said it has been suggested that sycamore trees be used along the property line and across the street on Merrimon Avenue along the golf course if allowed.

Mr. Johnson said a traffic study was made in the area and it was determined that the traffic volume created by the development would not substantially increase traffic on Merrimon Avenue. He said it was the developers intention to control erosion from this particular site and to protect the wildlife as much as possible.

Upon inquiry of Councilman Price, Mr. Johnson said the North Carolina Department of Transportation requested that the entrance to the project be parallel with Dover Street is due to the future possibility of traffic signalization. He said there would only be two garbage dumpsters on the project and there would be no individual garbage containers.

Mr. Stevens requested that the following documents be made a part of the proceedings: 1) Letter from Danie Johnson to Mayor; 2) Two renderings of the project; 3) video; 4) photographs.

Mr. George Beverly, Developer, was sworn by the court reporter.

Mr. Beverly said when he purchased the property he was cognizant and sensitive to the Lakeview Park area. He said there would only be two garage dumpsters on the project.

Mr. Stevens said he felt the proposed project is a quality project that complies with the spirit and the letter of the law. He said in his opinion the project would be an addition to the community, particularly with Mr. Beverly's superior performance.

Mr. Tom Bell, attorney representing the residents of Lakeview Park Commission and a resident of the area, was sworn by the court reporter.

Mr. Bell said if the project is developed, the scenic asset of Beaver Lake to Asheville would be gone. He said he felt the entire process of the project had been pushed through. He said no formal application for the project had been made and the $100 fee required had not been paid. He said in his opinion the Zoning Board of Adjustment had not issued a valid variance on the buffering requirement. He said an appeal of the Zoning Board of Adjustment's decision is now being prepared due to the process used by the Board of Adjustment being improper. He said the residents had also pre nted members of Council with a petition,

signed by 300 property owners, requesting a rezoning study of the area. He said while Council is not legally required to cease this development because of this rezoning request he felt it would be the wisest course of action to determine the ultimate zoning of the area.

Mr. Bell said he also felt the right to ownership question should be concluded prior to any approval of the project. He said, as recorded on a map in the Register of Deeds Office, a portion of this property is shown to be lake property which was dedicated to the Lakeview Park property owners use.

Mr. Bell said the residents are also concerned about the increased traffic in the area. He disagreed with the statistics given by the North Carolina Department of Transportation stating that Merrimon Avenue is only at 58% capacity. He said in his opinion Merrimon Avenue is overloaded.

Mr. Bell disputed several portions of the Environmental Impact Statement submitted by the developer. He said the pending 2010 Asheville Comprehensive Plan shows this property to be used for a park.

After being sworn, John Folbes, 28 Beaverbrook Road, reiterated comments made by Mr. Bell. He said he also felt the project was rushed through and 90% of all the residents in the area are opposed to the project.

After being sworn, Inez Redmon of Lakeshore Drive, spoke in opposition to the project.

Carol Kronus, 131 Red Oak Road, speaking on behalf of the Leaf and Petal Garden Club, read a resolution in opposition to the project.

Cecil Myrick, 27 Shorewood Drive, spoke in opposition to the project.

Lelia Cort, 1 Beaverdam Court, spoke in opposition to the project stating that the project would add pollution to the lake and endanger the wildlife presently on the lake.

Jan Tescione, 20 Inglewood Road, spoke in opposition to the project.

Sandra Byrd, 89 Edgelawn Road, spoke in opposition to the project. She presented two alternatives to Council for the use of this property. She suggested that the property be purchased by the City with pending federal funds that would be used for a park or that the City condemn the land and use it as a park/picnic area as indicated by the 2010 Asheville Comprehensive City Plan.

Jim Parker, 8 Beaver Point Park, spoke in opposition to the project stating that the project would increase the traffic on Merrimon Avenue. He said North Asheville does not need more specialty shops. He said the project would also contribute to accumulation of trash in the area.

Joseph Tvedt, 117 Westwood Road, spoke in opposition to the project. He said the developer should obtain an easement, rather than just an agreement, from the adjacent property owner, Western Steer, to use their property for buffering as stated in the Zoning Board of Adjustment minutes.

Turner Rogers, 7 Glen View Road, Chairman of the Lakeview Park Commission, read a letter dated September 11, 1987, in opposition to the project. He said Council should not consider the project until such time as ownership is resolved. (Letter on file in the City Clerk's office)

Dorothy Hart, 43 Martindale Road, spoke in opposition to the project.

A resident of 14 Marlborough Road, spoke in opposition to the project stating that the project would cause an increase in traffic on Merrimon Avenue which is not needed.

Upon inquiry of Councilman Tisdale, referring to Mr. Tvedt's suggestion that an easement be obtained from Western Steer, Mr. Stevens said if an easement is required one would be obtained.

Upon inquiry of Councilman Price, Mr. Bell said the Zoning Board of Adjustment did not grant a valid variance because they did not conduct a proper hearing and this would be subject to a review by the courts.

Upon inquiry of Vice-Mayor Frank, Mr. Beverly said the $100 filing fee had been paid. Mr. Emrick said the ownership question would be a question for the courts.

Vice-Mayor Frank, responding to questions by Sandra Byrd, said the Council appreciates the input of the residents in the 2010 plan. She said there are no federal funds to be used for a park.

Upon inquiry of Councilman Price, Mr. Johnson said if Merrimon Avenue is widened the North Carolina Department of Transportation could take part of their property for a fifth lane on Merrimon Avenue.

Councilman Michalove asked several legal questions relating to the project of the Corporation Counsel. The Corporation Counsel responded stating that the property is properly zoned for this type of development; that if Council changes the zoning of the property in the middle of a group

development process some risk would be involved; property rights of a owner can not be disregarded in a decision for approval of the project without risk; that property can only be condemned for public use. He said several of the questions asked by Councilman Michalove were matters for executive session.

Councilman Tisdale said his residence adjoins the proposed project and he felt Mr. Beverly's superior performance would be an asset to the area. He requested that the following letter be made a part of the minutes relative to his not having a conflict of interest.

"MEMORANDUM TO: George Tisdale, City Council Member

FROM: Bill Slawter, City Attorney

DATE: August 11, 1987

SUBJECT: George Beverly Project, Merrimon Avenue

You requested an opinion concerning a potential conflict of interest in connection with the George Beverly Project on Merrimon Avenue. In connection with your vote when the matter is considered by City Council, it is my opinion that you do not have a conflict of interest since your own financial gain or personal conduct is not at issue. I likewise feel that you do not have a legal conflict of interest with regard to making a presentation before the Planning and Zoning Commission. As we discussed, since City Council appoints the members of the Planning and Zoning Commission, some persons might perceive this as a conflict. Since you have nothing personally to gain in making such a presentation, there is in my opinion no legal conflict. Please let me know if you have any further questions."

A discussion was held relative to the disputes presented in regard to the Environmental Impact Statement submitted by the developer. Mr. Johnson answered questions of Council relative to the revised Environmental Impact Statement.

Karen Fields suggested that Council take time to digest all the comments made during the public hearing and to make the right decision relative to the project.

Vice-Mayor Frank closed the public hearing at 6:55 P.M.

Councilman Michalove moved that Council go into executive session to discuss legal matters relative to the proposed project. This motion was seconded by Councilman Tisdale and carried unanimously.

Councilman Michalove, after hearing legal opinions from the Corporation Counsel, moved for the approval of the site plan for the Shoppes of Beaver Lake subject to the conditions outlined by the Planning and Zoning Commission as well as any other

additional contingencies other members of Council would like to impose. This motion was seconded by Councilman Tisdale.

Councilman Price requested that the following contingencies also be imposed on the approval of the project:

1) That the lighting for the project be kept low-level and that the lighting plan be submitted to City Planning staff for approval to make sure the lights are low-level and non-reflective and only used for security purposes.

2) That sycamore or London Plane trees, a minimum of 8' in height be planted along the developer's property line on Merrimon Avenue as well as the other side of Merrimon Avenue if agreed to by the Country Club of Asheville.

3) That if the Lakeview Park Commission desires to have willow trees planted on the rear portion of the property that the developer, as previously agreed, continue to make them available for at least two (2) years.

4) That there be only two (2) garbage/waste dumpsters on the property at locations proposed and that there be no others allowed.

5) That the developer obtain an easement from Mom and Pops, Inc, Western Steer division, for the use of their property for buffering, easement to be approved by City Attorney.

6) That the site plan approval be conditioned upon the validity of the variance from the buffering requirements granted by the Board of Adjustments on August 31, 1987. In the event that the variance is invalidated by a final adjudication of a court of competent jurisdiction then this site plan approval shall become invalid at that time, unless an alternate variance is granted by the Zoning Board of Adjustment.

Councilman Michalove and Councilman Tisdale accepted these contingencies and the motion carried unanimously.

ADJOURNMENT

Upon motion of Councilman Michalove, seconded by Councilman Bratton, the meeting adjourned at 8:00 P.M.

MAYOR

CITY CLERK

Tuesday - September 29, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Kenneth M. Michalove and Councilman Norma T. Price

INVOCATION

The invocation was given by Councilman Walter Boland.

I. PROCLAMATIONS:

A. **Presentation of National Distinguished Professional Award from National Recreation and Parks Association to Ray Kisiah, Director of Parks, Recreation and Public Facilities.**

Mayor Bissette recognized Beverly Brandes, Southeastern Representative of the National Recreation and Parks Association, who presented Ray Kisiah with the National Distinguished Professional Award, which is the highest honor bestowed upon a professional in the Recreation Field.

Ms. Brandes recognized past and present Parks and Recreation Advisory Board members and the City of Asheville Parks, Recreation and Public Facilities staff.

Mayor Bissette said the City of Asheville has been honored by Ray Kisiah receiving this annual National Award. He commended Mr. Kisiah for his many years of outstanding service to the City of Asheville.

B. **Proclamation - Minority Enterprise Development Week - September 28 - October 2, 1987**

Mayor Bissette read the proclamation which was presented to Ronnie Blythe, Executive Director for Cherokee Business Development Center and Bob Foxx, from the Asheville Business Center.

C. **Proclamation - Nurse-Midwifery Week October 4 - 10, 1987**

Mayor Bissette read the proclamation which was presented to Elizabeth Sciora, from the Asheville Women's Medical Center. Ms. Sciora introduced other associates of Asheville Women's Medical Center.

Karen Barnes, Certified Nurse-Midwife, outlined the events that would be taking place during Nurse-Midwifery Week.

D. Proclamation - "Fire Prevention Week" - October 4 - 10, 1987

Mayor Bissette read the proclamation which was presented to Chief John Rukavina from the Asheville Fire Department.

II. PUBLIC HEARINGS:

II. OLD BUSINESS:

A. Ordinance No. 1651 - Second reading of Ordinance No. 1651, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", as amended - property located on Hildebrand Street.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held August 12, 1987, considered the petition of Mr. Sidney Shorter et al that Lots 89, 90, 2-1/4, 100, 4, and 6, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. The property is located on Hildebrand Street in the East End/Valley Street Redevelopment Area. After review and discussion, the Commission voted to recommend to City Council that Lots 89, 90, 2-1/4, 100, 4, and 6 and 2-1/2, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. (Staff recommended including Lot 2-1/2 for contiguity although owners had not signed petition). This ordinance was read on first reading on September 15, 1987 with the deletion of Lot 6.

Verl Emrick, Planning Director, said at the request of Council, he had checked and there was no curb cut applications on file with the North Carolina Department of Transportation, the Public Works Department, or the Zoning Department for Lot 6. He said access to Lot 6 would require the approval of the City and the North Carolina Department of Transportation. He said to his knowledge there is no proposed use for this lot.

It was noted that at the first reading of the ordinance Sue Evans, owner of Lot 6 and resident of 12 Bellair Road, and her agent Mike Robinson, real estate broker, objected to Lot 6 being rezoned to R-3 Residential District.

Mr. Ballantyne, representing Sidney Shorter, petitioner for the rezoning, said it is Mr. Shorter's opinion that Lot 6 should be included in the rezoning to R-3 Residential District. He said the City's redevelopment plan also shows Hildebrand Street as residential property. He said deleting Lot 6 from the rezoning would not be compatible with the community since the lot is surrounded by St. James AME Church and private residences. He said commercial development of Lot 6 would destroy the area. He said Lot 6 can not be developed as residential or commercial due to the size of the lot and the required setbacks.

Rev. Willis with St. James AME Church, said the church was concerned about the exemption of Lot 6 from the R-3 Residential District stating that commercial development on Lot 6 would grossly impede the area. He requested that Council accept the recommendation of the Planning and Zoning Commission to include Lot 6 in the rezoning. He said the Housing Authority is in concurrence with the Planning and Zoning Commission.

Upon inquiry of Councilman Tisdale, Rev. Willis said it is certainly a possibility for the church to purchase Lot 6. He said the owner of Lot 6 has not offered to sell the lot.

Rev. Haith said the church had previously tried to purchase Lot 6 but was not successful.

Mrs. W. B. Burton, Chairperson for the Board of Trustees of the St. James AME Church, spoke in support of including Lot 6 in the rezoning.

Councilman Tisdale said it might be in the best interest of Council to continue the second reading of the ordinance if Council is considering including Lot 6 in the rezoning until the owner of Lot 6 can be contacted since she was under the impression during the first reading of the ordinance that Lot 6 had been excluded.

After discussion, Councilman Bratton moved to amend Ordinance No. 1651 to include Lot 6 in the rezoning to R-3 Residential District. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1651, as amended, passed on second reading.

Council requested that Mr. Emrick check to see if a curb cut for Lot 6 was previously applied for and to determine if the application was denied.

B. **Approval of sign permit for identification sign to be located at 64 Orchard Street for Booth Barfield Realty.**

Mayor Bissette said Booth Barfield Realty has requested approval of a wall sign for identification purposes at their business at 64 Orchard Street. This request requires the approval of Council pursuant to Zoning Ordinance No. 322 in that the sign will be situated closer than 600' from a limited access highway.

Verl Emrick, Director of Planning, said the sign complies with all requirements of the sign ordinance. He said the sign permit was inadvertantly issued prior to approval of City Council. He said the only requirement for the sign is the approval from Council since the sign is within 600' of a limited access highway.

Councilman Bratton moved to approve the sign permit for the identification sign to be located at 64 Orchard Street for Booth Barfield Realty. This motion was seconded by Councilman Tisdale and carried unanimously.

Councilman Boland requested that the Planning Staff or the newly created Sign Commission develop criteria for Council's approval of such signs within 600' of a limited access highway.

IV. **NEW BUSINESS:**

A. **Ordinance No. 1653 - Ordinance to establish a 20 m.p.h. speed limit on Dunwell Avenue and Fenner Avenue.**

Mayor Bissette said this action will establish a municipal ordinance declaring 20 mph speed limit on Dunwell Avenue and Fenner Avenue. Following a review of this matter, both the Traffic Engineering Division and the Asheville Police Department recommend that this ordinance be approved.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1653. This motion was seconded by Councilman Tisdale.

On a roll call vote of 5-0, Ordinance No. 1653 passed on first reading.

Vice-Mayor Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1653. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1653 passed on second reading.

B. **Ordinance No. 1654 - Ordinance amending Section 18-7 of the Code of Ordinances of the City of Asheville regarding the shooting or discharging of firearms, air rifles, spring guns, bows, etc.**

Mayor Bissette said the only change is to provide for the inspection and approval to be by the "Asheville Police Department" rather than by "the Department of Public Safety."

Councilman Boland moved for the adoption of Ordinance No. 1654. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 5-0, Ordinance No. 1654 passed on first reading.

Councilman Bratton moved to suspend the rules and proceed to the second reading of Ordinance No. 1654. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1654 passed on second reading.

C. **Ordinance No. 1655 - Budget Ordinance amendment - Appropriation of $15,000 to the Housing Authority for the Hillcrest Enrichment Program.**

Mayor Bissette said this ordinance will amend the annual operating budget ordinance to approve a one year appropriation of $15,000 to the Housing Authority for the Hillcrest Enrichment Program. This appropriation will begin on July 1, 1987 and end on June 30, 1988.

Councilman Tisdale moved for the adoption of Ordinance No. 1655. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 5-0, Ordinance No. 1655 passed on first and final reading.

Ordinance Book No. 11 Page No. 179

D. **Ordinance No. 1656 - Budget Ordinance amendment - Appropriating current year CDBG Entitlement funds.**

Mayor Bissette said the City of Asheville recently received the Letter of Credit from HUD for $1,077,000 in Community Development Block Grant funds for the current year program. The allocation of these funds were approved by City Council on May 26, 1987 in Resolution No. 87-92. This ordinance will appropriate the funds into the Budget.

Councilman Boland moved for the adoption of Ordinance No. 1656. This motion was seconded by Councilman Tisdale.

On a roll call vote of 5-0, Ordinance No. 1656 passed on first and final reading.

Ordinance Book No. 11 Page No. 180

E. **Motion to reject all bids received for specialized transportation services and to refer the matter back to the Transit Authority for appropriate action.**

Mayor Bissette said this is the same matter which was considered by City Council a couple of months ago. Complaints were received and it was determined to extend the contract with Red Cross and readvertise for bids. The new advertisement for bids has resulted in the Transit Authority's action of September 16, 1987 to recommend to Council that the bids be rejected because they were not responsive, and that further bids be requested as soon as possible.

Vice-Mayor Frank moved to reject all bids received for the specialized transportation services and to refer the matter back to the Transit Authority for appropriate action. This motion was seconded by Councilman Boland and carried unanimously.

V. **CONSENT:**

A. **Resolution No. 87-165 - Resolution of support to amend the General Statutes of North Carolina to provide for the City of Asheville to construct and operate its storm water drainage system as a public enterprise.**

SUMMARY: In order to manage the storm water drainage system in the most efficient manner, the City desires to request the General Assembly of North Carolina to amend the General Statutes of North Carolina to provide for storm water drainage systems to be included in the definition of public enterprises.

Resolution Book No. 16 Page No. 426

B. Resolution No. 87-166 - Resolution authorizing the City Manager on behalf of the City of Asheville to execute a contract with the Housing Authority of the City of Asheville for the operation of Hillcrest Recreation Center and Enrichment Program.

SUMMARY: The Housing Authority of the City of Asheville has requested that the City of Asheville continue funding the Hillcrest Enrichment Program for an additional two-year period in the amount of $15,000.

Resolution Book No. 16 Page No. 427

C. Resolution No. 87-167 - Resolution authorizing the Mayor to enter into a contract for transportation planning services with the Land-of-Sky Regional Council.

SUMMARY: Each year the City contracts with Land-of-Sky Regional Council to assist with certain planning activities as required by the Planning Work Program. These include: Dwelling Unit County and Population Studies for areas outside the City Limits but within the Study Area and a Downtown Parking Inventory and Bicycle Route Planning. The funds have been allocated through Section 104 (f) Planning Funds and were approved by the Transportation Advisory Committee in March, 1987.

Resolution Book No. 16 Page No. 428

D. Resolution No. 87-168 - Resolution authorizing the Mayor to execute on behalf of the City of Asheville Amendment No. 1 to the Federal Aviation Administration Grant Agreement for Project No. 3-37-0005-06.

SUMMARY: The City and County, as co-sponsors and operators of the Asheville Regional Airport have hereto obtained and accepted a grant for planning, development, and land acquisition for project number 3-37-0005-06. Additional funding in the amount of $7,449 was requested to cover certain cost overruns in the project. Notification has been received approving the additional funding and this resolution will authorize the execution of Amendment No. 1 to the Grant Agreement for the additional funding.

Resolution Book No. 16 Page No. 429

E. **Resolution No. 87-169 - Resolution appointing member to the Asheville Area Civic Center Commission.**

SUMMARY: Garrett AlDerfer, from the Chamber of Commerce, resigned as a member of the Asheville Area Civic Center Commission. This resolution will appoint Dianna Jackson, with the Chamber of Commerce Convention Department, to serve the unexpired term of Garrett AlDerfer, term expiring June 30, 1988, or until her successor has been duly appointed and qualified. This resolution will also reappoint O. E. Starnes III, as a member of the Asheville Area Civic Center Commission for a term of three (3) years, term expiring June 30, 1990, or until her successor has been duly appointed and qualified.

Resolution Book No. 16 Page No. 430

F. **Scheduling public hearing - adoption of 2010 Asheville City Comprehensive Plan - for October 6, 1987.**

SUMMARY: On September 3, 1987, the Asheville Planning and Zoning Commission voted to recommend the final Draft of the 2010 Asheville City Plan to the Asheville City Council for approval with several amendments. After the public hearing relative to the plan, a resolution will be considered to adopt the 2010 Asheville City Comprehensive Plan.

G. **Scheduling public hearing - rezoning property located on Ardmore Street - Mr. George Morosani, Petitioner - for October 13, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed the petition of Mr. George Morosani to rezone Ward 7, Sheet 52, Lot 140 from R-2 Residential District to CH Commercial Highway District. The Commission voted to recommend that Ward 7, Sheet 52, Lots 140, 128, 130, 134, and 138, be rezoned from R-2 Residential District to CH Commercial Highway District.

H. **Scheduling public hearing - rezoning property located on Hazel Mill Road and Rose Street - Mrs. Martha Calloway et al - for October 20, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission on September 9, 1987, considered the petition that Ward 6, Sheet 16, Lots 356, 318, 313, 232, and 316, be rezoned from R-3 Residential

District to CH Commercial Highway District. The Commission voted to recommend to City Council that Ward 6, Sheet 16, Lots 316, 320-1/2, 318 and a portion of Lot 356, be rezoned from R-3 Residential District to CH Commercial Highway District.

I. **Scheduling public hearing - Group Development -conversion of second floor of 20 Broadway into four apartment units - Ray Quate - for October 20, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed a site plan of the proposed conversion of the second floor of 20 Broadway into four apartment units. The plan was prepared by Mr. Ray Quate, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with all building codes.

J. **Scheduling public hearing - Group Development - Additional buildings for Black Forest Restaurant on Hendersonville Road - for October 20, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed a site plan of proposed additional buildings at the Black Forest Restaurant on Hendersonville Road. The plan was prepared by Mr. Kenneth Pankow, Engineer, for Mr. M. B. Elliston, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to the following conditions: 1) Compliance with Erosion Control Ordinance; and 2) A variance on the buffer on the southern property line by the Board of Adjustment.

K. **Scheduling public hearing - Group Development - Expansion of Ingles #3 on Merrimon Avenue - for October 13, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed a site plan of the proposed expansion of Ingles #3 located at 915 Merrimon Avenue. The plan was prepared by Mr. Carroll Hughes, Spaceplan, for Mr. Robert Ingle, Developer, and submitted in accordance with the Group

Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to the following conditions: 1) Compliance with Erosion Control Ordinance; 2) Signage in accordance with Section 30-9-3 of the Zoning Ordinance; and 3) City Council granting a variance of 14-1/2 feet from the required setback of 17-1/2 feet on the southeast corner.

Upon motion of Councilman Tisdale, seconded by Vice-Mayor Frank, the consent agenda was unanimously approved.

CLAIMS - SHERRY SHELTON (INSPECTIONS) - DEWEY FORD (WATER) - JACK INGLE (SANITATION) - ARNOLD KROCHMAL (WATER) - CARRIE BRUCE (WATER) - FRANK TUURI (INSPECTIONS) - DARLENE HIGHTOWER (SANITATION) - JACK PADGETT (FIRE)

The City Manager presented claims received from Sherry Shelton, Dewey Ford, Jack Ingle, Arnold Krochmal, Carrie Bruce, Frank Tuuri, Darlene Hightower, and Jack Padgett.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - WILLIE ALLEN AND WALTER ROBERTSON VS. CITY OF ASHEVILLE - JOHN F. TYNDALL, ET AL., VS. CITY OF ASHEVILLE - THOMAS L. THRASH AND WIFE, LORA R. THRASH VS. CITY, ET AL.

The City Manager said the City of Asheville was named a party in lawsuits involving Willie Allen and Walter Robertson (Alleged racial discrimination); John F. Tyndall, et al., (petition challenging annexation of west area); Thomas L. Thrash and wife, Lora R. Thrash et al., (petition challenging annexation of west area).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

COUNCIL MEETINGS CANCELLED - NOVEMBER 3, 1987 - NOVEMBER 17, 1987

Mayor Bissette announced that the regular scheduled meeting for November 3, 1987 would not be held due to the election and November 17, 1987 due to the North Carolina League of Municipalities Convention in Greensboro.

RALPH BISHOP - COMMENTS RELATIVE TO OBTAINING CITY RECORDS

Ralph Bishop spoke to members of Council relative to his being refused the right to obtain public records relative to James J. Moulds.

Mayor Bissette said the City Attorney would look into his request.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Tisdale, the meeting adjourned at 6:00 p. m.

MAYOR

CITY CLERK

Tuesday - October 6, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Michalove.

APPROVAL OF THE MINUTES - SEPTEMBER 29, 1987

Mayor Bissette announced the approval of the minutes of the September 29, 1987 meeting. He said the minutes of the special meeting of September 23, 1987 are being withheld from approval until a complete transcript of the meeting can be obtained from the court reporter.

I. PROCLAMATIONS:

A. Proclamation - "Mental Illness Awareness Week" - October 4 - 11, 1987

Mayor Bissette read the proclamation and presented the proclamation to Doris Jackson Brewer, Public Relations Coordinator, for the Western Carolina Alliance for the Mentally Ill.

B. Proclamation - "Greek Week" - Week of October 4, 1987

Mayor Bissette read the proclamation and presented the proclamation to Father Ted from the Greek Orthodox Church. Father Ted introduced members of his church who were in attendance at the meeting. They presented members of Council with Greek pastries made by the women of the church.

B.1 - Proclamation - "Meals on Wheels Volunteer Day" - October 8, 1987

Mayor Bissette read the proclamation and presented the proclamation to Ann Flynn, Executive Director of Meals on Wheels , Fran Sayre and Emily Zimmerman.

C. Proclamation - "German-American Day" - October 6, 198

Mayor Bissette read the proclamation proclaiming October 6, 1987 as "German-American Day". He said a copy of the proclamation would be mailed to the individual requesting the proclamation.

II. PUBLIC HEARINGS:

A. Public hearing relative to adoption of 2010 Asheville City Plan.

Resolution No. 87-170 - Resolution of consideration for the adoption of a Comprehensive Plan for the City of Asheville entitled the 2010 Asheville City Plan.

Mayor Bissette said on September 3, 1987, the Asheville Planning and Zoning Commission voted to recommend the final Draft of the 2010 Asheville City Plan to the Asheville City Council for approval with several amendments. After the public hearing relative to the plan, a resolution will be considered to adopt the 2010 Asheville City Comprehensive Plan.

Mayor Bissette opened the public hearing at 4:32 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mike Moser, Chairman of the Planning and Zoning Commission, said the Planning and Zoning Commission unanimously recommended Council's adoption of the plan. He said the process for the 2010 plan began in April, 1985 and since that time many public hearings were held and many suggested comments and amendments have been included in the final draft. He commended the Planning Staff, the citizens, the Planning and Zoning Commission, and the Alternatives for Asheville Committee for their efforts in coordinating the plan.

Verl Emrick, Director of Planning, said the 2010 plan is designed as a comprehensive plan to serve as a policy guide for the City of Asheville's future. He said the plan is not engraved in stone and implementation of the plan would be through regulatory actions. He said the Planning Staff has been assigned as liaisons to work with implementation of specific portions of the plan. He said Mike Moser has agreed to serve as Chairman of an Advisory Committee to recommend specific actions to implement the plan.

Carol Albrice, with the Planning Department, said the plan is structured for implementation by target dates. She said revision of the zoning ordinance and map, revision of the sign ordinance, and implementation of the

master plan for the downtown area is targeted for implementation within two (2) years. She said the plan would be reviewed and amended as necessary every two (2) years. She said the plan would be continuously monitored with continued community participation. She said the Advisory Committee would be established within the next ninety (90) days.

Mike Moser, Chairman of the Planning and Zoning Commission, reviewed the changes to the plan as recommended by the Planning and Zoning Commission. (A copy of the specific changes are on file in the City Clerk's office.)

Danie Johnson, 181 Lakeshore Drive, Architect and member of the Planning and Zoning Commission, said the 2010 plan addresses the ideas and suggestions of all interested citizens in the City of Asheville. He said the plan is only the beginning and the success of the plan will be in the degree as it is looked upon on as a guide. He said the plan should be continually reviewed, amended and implemented. He said the plan is worthy of Council's consideration.

Karen Fields, of North Asheville, said the plan includes many hours of hard work and reflects ideas for all interested citizens. She urged Council's adoption of the plan.

Upon inquiry of Ralph Bishop, Mayor Bissette said future Council's could implement changes to the plan.

Mayor Bissette said John Stevens, Attorney for the Beverly Development, Inc., requested that the following letter be included in the minutes:

October 2, 1987

Hand Deliver

Honorable W. Louis Bissette, Mayor
Members of City Council
City of Asheville
P. O. Box 7148
Asheville, North Carolina 28807

Re: Group Development Review - Shoppes of Beaver Lake

Dear Mayor Bissette and Members of Asheville City Council:

I am writing on behalf of Beverly Development, Inc. in connection with the public hearing and proposed adoption of the 2010 Plan scheduled for Tuesday, October 6, 1987.

I request that this letter be made part of the record of Council's proceedings.

The colored map which accompanies the 2010 Plan booklet and the text on Page 62 seem to suggest that the property on Merrimon Avenue adjoining Beaver Lake and the Beverly Development is or should be devoted to recreational use.

As Council is aware, this property has been since the adoption of the zoning ordinance in 1958, and is now, zoned Commercial Highway. It was recently approved by the Planning and Zoning Commission and by Council for a Group Development known as the Shoppes of Beaver Lake.

Accordingly, it would be inappropriate for this property to be included in a recreational area in the 2010 Plan. Beverly Development requests that, before adoption, the 2010 Plan be amended to reflect the current and planned use of this property.

Sincerely yours,

John S. Stevens

JSS/csh

cc: Doug Bean
William F. Wolcott, City Clerk
Verl Emrick
George Beverly

Councilman Michalove asked Mr. Emrick if his impression was correct that in reference to the colored map on page 100 that it was his impression that all coloring was "conceptual" and it was explained that way throughout the public meetings to avoid individuals getting "hung up" on specific properties. Mr. Emrick said that is correct.

After some lengthy questioning by Councilman Michalove, Mr. Emrick said that the Beverly Property was not included in the reference to the change in language recommended by the Planning and Zoning Board.

Mayor Bissette closed the public hearing at 5:02 P.M.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Frank, seconded by Councilman Boland, Resolution No. 87-170 was unanimously adopted including the recommended changes by the Planning and Zoning Commission.

B. Public hearing relative to issuing Beaver Lake Cab Company three (3) additional taxicab Certificates of Public Convenience and Necessity.

Resolution No. 87-171 - Resolution authorizing the issuance of a Certificate of Public Convenience and Necessity to Beaver Lake Cab Company

Mayor Bissette said Beaver Lake Cab Company has requested that it be allowed to operate three (3) additional taxicabs. Pursuant to Section 27-33 of the Code, a public hearing is required with respect to the issuance of a Certificate of Public Convenience and Necessity for the requested additional taxicabs. This resolution will authorize the requested three (3) additional taxicabs.

Mayor Bissette opened the public hearing at 5:08 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said the current Taxicab Ordinance is being revised, however, Beaver Lake Cab Company has requested three (3) additional taxicabs under the existing ordinance. He said in his opinion there is no reason the request should be denied under the existing taxicab ordinance.

Eugene Ellison, Attorney representing Beaver Lake Cab Company, said his client meets all the considerations outlined in Chapter 27-33 of the Code of Ordinances. He said his client needs approval for six (6) additional taxicabs but is only asking for three (3).

Upon inquiry of Council, Mr. Ellison said his client has been approved for six (6) taxicabs.

Joe Penland, owner of Blue Bird Transportation Company, said he presently has forty (40) Certificates for the operation of taxicabs. He opposed Council authorizing additional certificates when, in his opinion, the demand for additional taxicabs in the City of Asheville is not needed. He said if the demand existed he would have all forty of his taxicabs in operation. He said he favored a free enterprise in the taxicab business. He said if Council continually authorizes additional certificates for one taxicab company they are not taking into consideration the other companies in the City. He suggested that Council consider the adoption of a new taxicab ordinance and formulate a Taxicab Task Force to find out what is needed before issuing additional

certificates. He presented photographs he had taken on October 5, 1987 showing that Beaver Lake Cab Company is not currently using all the taxicabs he has certificates for.

Bob Jones, Manager of Blue Bird Transportation Company, spoke in opposition to Council authorizing additional certificates.

Mayor Bissette said the new taxicab ordinance would be considered by Council on October 20, 1987.

Upon inquiry of Councilman Price, the Corporation Counsel said Section 27-33 of the Code sets forth seven items which the City Council is to consider prior to issuing a Certificate of Necessity, and that he did not see any problem in the City Council making a determination that Beaver Lake Cab Company was entitled to a Certificate of Necessity in light of those factors.

Upon inquiry of Councilman Bratton, Mr. Elliston said his client would be financially penalized if he waits until the new ordinance is adopted.

After discussion, Mayor Bissette closed the public hearing at 5:36 P.M.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Tisdale, seconded by Councilman Bratton, Resolution No. 87-171 was unanimously adopted authorizing Beaver Lake Cab Company three (3) additional certificates for the operation of taxicabs.

Resolution Book No. 16 Page No. 432

C. Public hearing relative to site plan of Greentree Ridge Nursing Home to be located on Sweeten Creek Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 23, 1987, reviewed the site plan of Greentree Ridge Nursing Home to be located on Sweeten Creek Road. The plan was prepared by Padgett-Freeman, Architects, for Mission-Thoms Health Services, Inc., Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to: 1) Board of Adjustment approving project as a Conditional Use in the R-3 Residential District; 2) Board of Adjustment granting a variance of 12' on the buffer on the northern property line; 3) Compliance with

the Erosion Control Ordinance; and 4) Plantings on south side of fence with adjacent property owners permission.

Mayor Bissette opened the public hearing at 5:40 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission recommended approval subject to several conditions. He said the Zoning Board of Adjustments approved the Conditional Use in the R-3 Residential District as well as granted a variance of 12' on the buffer on the northern property line. He said the site is adjacent to the existing Thoms Rehabilitation Facility. He said the project would consist of approximately 36,000 square feet, with 100 beds in the first phase and 40 additional beds in the second phase. He said all the provisions of the ordinance in terms of access and parking are in compliance. He said the developer is currently attempting to obtain an easement from the adjacent property owner, Mr. Waters, for the new access road because of an overlapping property line. He suggested that approval be contingent upon that easement being secured.

Mayor Bissette closed the public hearing at 5:43 P.M.

Councilman Price moved for the approval of the site plan of Greentree Ridge Nursing Home to be located on Sweeten Creek Road subject to the recommendations of the Planning and Zoning Commission and that the developer obtain an easement from the adjacent property owner, Mr. Waters, for the new access road, said easement to be reviewed and approved by the Corporation Counsel. This motion was seconded by Councilman Michalove and carried unanimously.

III. OLD BUSINESS:

A. **Third reading of Ordinance No. 1651 - Ordinance rezoning property located on Hildebrand Street.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held August 12, 1987, considered the petition of Mr. Sidney Shorter et al that Lots 89, 90, 2-1/4, 100, 4, and 6, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. The property is located on Hildebrand Street in the East End/Valley Street Redevelopment Area. After review and discussion, the Commission voted to recommend to City Council that Lots 89, 90, 2-1/4, 100, 4, and 6

and 2-1/2, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. (Staff recommended including Lots 6 and 2-1/2 for contiguity although owners had not signed petition). This ordinance was read on first reading on September 15, 1987 and on second reading September 29, 1987.

Mayor Bissette said a request was received from Mrs. Evans, owner of Lot 6, to postpone the third reading for two weeks since she would be out of town.

Upon inquiry of Council, Verl Emrick, Director of Planning, said he had not received a report from the North Carolina Department of Transportation relative to previous curb cut applications being denied.

Councilman Tisdale requested that Mr. Emrick obtain something in writing from the North Carolina Department of Transportation relative to curb cut applications for Lot 6 prior to the third reading of the ordinance.

Councilman Price moved to postpone the third reading of Ordinance No. 1651 until October 20, 1987. This motion was seconded by Councilman Tisdale and carried unanimously.

B. **Ordinance No. 1653 - Third reading of Ordinance No. 1653 - Ordinance amending Section 28-81.2 (b) of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville.**

Mayor Bissette said this action will establish a municipal ordinance declaring
20 mph speed limit on Dunwell Avenue and Fenner Avenue. Following a review of this matter, both the Traffic Engineering Division and the Asheville Police Department recommend that this ordinance be approved. This ordinance was read on first and second readings on September 29, 1987.

Mayor Bissette said this ordinance was previously read on first and second readings and would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1653 passed on third and final reading.

Ordinance Book No. 11 Page No. 177

C. **Ordinance No. 1654 - Third reading of Ordinance No. 1654 - Ordinance amending Section 18-7 of the Code of Ordinances of the City of Asheville regarding the shooting or discharging of firearms, air rifles, spring guns, bows, etc.**

Mayor Bissette said the only change is to provide for the inspection and approval to be by the "Asheville Police Department" rather than by "the Department of Public Safety." This ordinance was read on first and second reading on September 29, 1987.

Mayor Bissette said this ordinance was previously read on first and second reading and will not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1654 passed on third and final reading.

Ordinance Book No. 11 Page No. 178

IV. NEW BUSINESS:

A. **Ordinance No. 1657 - Ordinance amending Chapter 28 of the Code of Ordinances of the City of Asheville to provide for civil parking penalties.**

Mayor Bissette this amendment will provide for civil rather than criminal penalties for parking violations and will increase parking penalties to $3.00 for the first offense and $5.00 for the second offense within a 24 hour period. He said the effective date of the ordinance will be January 1, 1988. He said the ordinance is designed to accommodate shoppers in the downtown area and to deter individuals who work downtown from parking in the metered spaces.

Councilman Michalove moved for the adoption of Ordinance No. 1657. This motion was seconded by Councilman Tisdale.

On a roll call vote of 7-0, Ordinance No. 1657 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1657. This motion was seconded by Councilman Tisdale and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1657 passed on second reading.

B. **Ordinance No. 1658 - Budget Ordinance amendment to appropriate funds for the South Grove Street Drainage Project.**

Mayor Bissette said this ordinance will appropriate funds from CDBG Contingency to cover cost overruns in the South Grove Street Drainage project. Additional work items include additional junction boxes, extension

of 30 inch drainage pipe and safety measures resulting from additional depth of original drain pipe.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1658. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1658 passed on first and final reading.

Ordinance Book No. 11 Page No. 183

C. **Request of the North Carolina Department of Transportation to delete widening of Merrimon Avenue north of Beaver Creek from 1975 Thoroughfare Plan.**

Mayor Bissette said at a public hearing on September 2, 1987 on the "Shoppes of Beaver Lake," the Asheville Planning and Zoning Commission learned that the citizens of the Beaver Lake area were concerned about the proposed widening of Merrimon Avenue north of Beaver Creek and the removal of the trees along the lake.

After discussion, the Commission voted to recommend that City Council send a resolution or a letter to the North Carolina Department of Transportation requesting that this section of the Merrimon Avenue widening be deleted from the amended 1975 Thoroughfare Plan.

Councilman Price moved that the Mayor be authorized to write a letter to the Transportation Advisory Committee and to the North Carolina Department of Transportation requesting that the proposed widening of Merrimon Avenue north of Beaver Creek be deleted from the amended 1975 Thoroughfare Plan. This motion was seconded by Councilman Michalove and carried unanimously.

V. **CONSENT:**

A. **Resolution No. 87-172 - Resolution of intent to close an unnamed alley on West Avon Parkway and calling for a public hearing on November 10, 1987.**

SUMMARY: A petition was received from property owners along a portion of West Avon Parkway requesting that the unnamed alley be closed as a public alley. A public hearing is required prior to the closing of the unnamed alley.

Resolution Book No. 16 Page No. 433-434

B. Resolution No. 87-173 - Resolution of intent to close a portion of Fairview Avenue between Stevens Street and Fairview Road and calling for a public hearing on November 10, 1987.

SUMMARY: A petition was received from property owners along a portion of Fairview Avenue requesting that the portion between Stevens Street and Fairview Road be closed as a public street right of way. A public hearing is required prior to the closing of the unnamed alley.

Resolution Book No. 16 Page No. 435-436

C. Resolution No. 87-174 - Resolution authorizing the Mayor to enter into a Municipal Agreement with the North Carolina Department of Transportation for reinspection and analysis of all public bridges on the Municipal Street System in the City of Asheville, North Carolina.

SUMMARY: The City of Asheville has requested the North Carolina Department of Transportation to perform certain work under the Federal-Aid Highway Bridge Replacement and Rehabilitation Program, said work to consist of the reinspection and analysis of all public bridges on the Municipal Street System in the City of Asheville.

Resolution Book No. 16 Page No. 437

D. Resolution No. 87-175 - Resolution authorizing the City Manager to sign an agreement extending the existing fire protection services to the Veteran's Administration Medical Center at Oteen through November 1, 1987.

SUMMARY: In the course of changing contracting officers, the VA has fallen slightly behind schedule in the renegotiation of its contract with the City for fire protection and related services for Oteen VA Hospital. This resolution authorizes the extension of the present contract to November 1, 1987, by which time it is anticipated that the Council can be presented with a completed agreement for review and authorization.

Resolution Book No. 16 Page No. 438

Upon motion of Councilman Price, seconded by Vice-Mayor Frank the consent agenda was unanimously approved.

OTHER BUSINESS

PLANNING AND ZONING COMMISSION TO CONSIDER LIGHTING PLANS IN GROUP DEVELOPMENT REVIEWS

Councilman Michalove moved that the Planning and Zoning Commission consider lighting plans when considering group developments. This motion was seconded by Councilman Price and carried unanimously.

STATEMENT BY COUNCIL FOR WOMEN'S INVOLVEMENT COUNCIL

Councilman Price noted that during the Pre-Council Work Session it was agreed by all members of Council that a statement be authorized supporting the Women's Involvement Council to contact Buncombe County employers and employees concerning the needs of women in the work force.

APPOINTMENT OF ELLEN CARR TO SIGN COMMISSION

Vice-Mayor Frank moved to appoint Ellen Carr to the Sign Commission. This motion was seconded by Councilman Price and carried unanimously.

EQUAL EMPLOYMENT OPPORTUNITY TASK FORCE - REPORT

Councilman Boland reported that the EEO Task Force will be meeting in the next few weeks to finish the Affirmative Action Plan for the City of Asheville. He said he would be making a report to Council in the near future.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Vice-Mayor Frank, the meeting adjourned at 6:15 P.M.

MAYOR

CITY CLERK

Tuesday, October 13, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice Mayor Mary Lloyd Frank; Councilmen Wilhelmina Bratton, Walter Boland, Kenneth M. Michalove, Norma T. Price, and George Tisdale; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

Councilman Tisdale asked those in attendance to stand and join him in the Pledge of Allegiance.

MINUTES - September 23, 1987 and October 6, 1987

Mayor Bissette announced that approval of the minutes of the September 23, 1987, and October 6, 1987 meetings would be postponed until October 20, 1987.

I. PROCLAMATIONS

A. Proclamation - Financial Independence Week - October 18-24, 1987

Mayor Bissette read the proclamation and presented it to Mike Lewis, Financial Planner.

B. Proclamation - School Psychology Week - October 11-17, 1987

Mayor Bissette said this proclamation was requested by the North Carolina School Psychology Association and that the proclamation would be mailed to the Association.

II. PUBLIC HEARINGS

A. Public hearing relative to site plan of the proposed expansion of Ingle's #3 located at 915 Merrimon Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed a site plan of the proposed expansion of Ingle's #3 located at 915 Merrimon Avenue. The plan was prepared by Mr. Carroll Hughes, Spaceplan, for Mr. Robert Ingle, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to the following conditions: 1) Compliance with Erosion Control

Ordinance; 2) Signage in accordance with Section 30-9-3 of the Zoning Ordinance; and 3) City Council granting a variance of 14-1/2 feet from the required setback of 17-1/2 feet on the southeast corner.

Mayor Bissette opened the public hearing at 4:29 P.M.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, presented the site plan for the expansion of the present Ingle's Store on Merrimon Avenue. He said this expansion will bring the total structure to approximately 60,000 square feet or almost double of its present size. He said the developer has agreed to provide sidewalks as shown in yellow on the maps distributed. He said a new bus stop has also been approved by the Asheville Transit Authority and its location is also shown on the map.

Mr. Emrick said there was an error included the Planning and Zoning Commission recommendations. He said the variance should be 3 feet and not 14-1/2 feet as shown in the Planning and Zoning Commission's report.

Mr. Emrick said any motion from Council to approve the site plan should include the conditions imposed by the Planning and Zoning Commission.

Carroll Hughes, Architect for the development, said the present store is one of the oldest Ingle's stores, but it ranks number 5 in sales. He said the new facility will contain speciality shops such as First Commercial Bank and a pharmacy. He said the store will also feature neon signage on the inside, carpet in special areas, and murals on the walls. He said he thought the development met or exceeded the requirements of the City of Asheville except for the variance needed for the loading dock.

There was a discussion relative to the type and height of trees that would be used for buffering and the disposition of cardboard and trash. Mr. Hughes said no specific type of tree has been decided on at this time, but that it would be some type that would blend well with the existing pines and hardwoods now in place. He said a dumpster would be located at the store to handle trash and the cardboard boxes would be trucked out and sold after they are baled outside the store. He said the baler would be located to the right hand side of the store.

Councilman Tisdale expressed his personal appreciation to Mr. Bob Ingle for the agreeing to provide the sidewalk on Beaverdam Road in the St. Eugene School area. He said this would be an asset to the City of Asheville and would also provide a safe walk area for the children attending St. Eugene's School.

He also complimented Mr. Hughes on the job he had done on the plans to expand the store.

Mayor Bissette closed the public hearing at 4:51 P.M.

Councilman Tisdale moved to approve the site plan of the proposed expansion of Ingle's Store #3 located at 915 Merrimon Avenue subject to the following conditions: (1) Compliance with the Erosion Control Ordinance; (2) Signage in accordance with Section 30-9-3 of the Zoning Ordinance; (3) 3-foot variance on the southeast corner being granted by the Board of Adjustment; and (4) trees required for buffering to be 7-8 feet high when planted. This motion was seconded by Councilman Price and carried unanimously.

B. Public hearing relative to rezoning property located on Ardmore Street for Mr. George Morosani, Petitioner.

ORDINANCE NO. 1659 - An Ordinance amending Ordinance No. 322, known as "an ordinance providing for the zoning of the City of Asheville, as amended".

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed the petition of Mr. George Morosani to rezone Ward 7, Sheet 52, Lot 140 from R-2 Residential District to CH Commercial Highway District. The Commission voted to recommend that Ward 7, Sheet 52, Lots 140, 128, 130, 134, and 138, be rezoned from R-2 Residential District to CH Commercial Highway District.

Mayor Bissette opened the public hearing at 4:54 P.M.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said Mr. Morosani's original petition only requested that Lot 140 be rezoned; however, the Planning and Zoning Commission had included the other lots in their recommendation. He said no opposition had been voiced at the Planning and Zoning Commission Meeting from any of the owners of the other lots.

Mayor Bissette closed the public hearing at 4:59 P.M.

Councilman Michalove moved for the adoption of Ordinance No. 1659. This motion was seconded by Vice Mayor Frank.

Mayor Bissette said copies of the ordinance had previously been distributed to members of City Council, and that the ordinance would not be read unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1659 passed on first reading.

III. OLD BUSINESS

A. **Third reading of Ordinance No. 1657 - An Ordinance amending Chapter 28 of the Code of Ordinances of the City of Asheville regarding parking penalties.**

Mayor Bissette said this amendment will provide for civil rather than criminal penalties for parking violations and will provide for an increase in penalties. This ordinance was read on first and second readings on October 6, 1987.

Mayor Bissette said this ordinance was previously read and will not be reread in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1657 passed on third and final reading.

Complete text of Ordinance No. 1657 will be found in Ordinance Book 11 at page 181-182.

IV. NEW BUSINESS

A. **Ordinance No. 1660 - Ordinance amending Section 19A-11 of the Code of Ordinances of the City of Asheville.**

Mayor Bissette said this amendment will clarify that permanent members of the Classified and Administrative Service are entitled to a pre-disciplinary conference prior to dismissal, involuntary demotion or suspension without pay in excess of five (5) working days. Temporary, seasonal, and part-time employees will only be entitled to the normal grievance process which includes a post-disciplinary conference.

Mayor Bissette said copies of this ordinance were previously distributed to members of council and would not be read in its entirety unless there was a specific request to do so.

Councilman Michalove moved for the adoption of Ordinance No. 1660. This motion was seconded by Vice Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1660 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1660. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1660 passed on second reading.

Councilman Michalove again moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1660. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1660 passed on third and final reading.

Complete text of Ordinance No. 1660 will be found in Ordinance Book 11 at Page 185-188.

V. CONSENT

A. Resolution No. 87-176 - Resolution appointing members to the Planning and Zoning Commission.

Summary: This resolution will reappoint Wanda Henry Coleman, Michael D. Moser, and Danie Johnson as members of the Planning and Zoning Commission to serve two (2) year terms, terms expiring August 14, 1989, or until their successors are duly appointed and qualified.

Resolution Book 16, Page 439.

B. Resolution No. 87-177 - Resolution appointing members to the Recreation Board.

Summary: This resolution will reappoint Charles Bullman, Larry Kimel, and Sherman Williams as members of the Recreation Board to serve three (3) year terms, terms expiring June 30, 1990, or until their successors are duly appointed and qualified.

Resolution Book 16, Page 440.

C. Resolution No. 87-178 - Resolution appointing members to the Board of Electrical Examiners.

Summary: This resolution will reappoint E. Frank Davis, Walter J. Harlow, Jonathan D. Smith, and Malachie Cromartie, as members of the Board of Electrical Examiners to serve two (2) year terms, terms expiring July 1, 1989, or until their successors are duly appointed and qualified.

Resolution Book 16, Page 441.

D. Resolution No. 87-179 - Resolution appointing members to the Board of Examiners for Motion Picture Operators.

Summary: This resolution will reappoint Roy B. Gibbs, as a member of the Motion Picture Operators Board of Examiners to serve a two (2) year term, term expiring July 1, 1989, or until his successor is duly appointed and qualified.

Resolution Book 16, Page 442.

E. Resolution No. 87-180 - Resolution appointing members to the Asheville-Buncombe Crime Stoppers Committee.

Summary: This resolution will reappoint Virginia Washington and Elliott Eki as members of the Asheville-Buncombe Crime Stoppers Committee to serve three (3) year terms, terms expiring June 30, 1990, or until their successors are duly appointed and qualified.

Resolution Book 16, Page 443.

F. Scheduling public hearing relative to Highland Gate Subdivision for October 27, 1987.

Summary: The Asheville Planning and Zoning Commission approved the preliminary plat of Highland Gate Subdivision (then called Vance Gap Road Subdivision) on March 25, 1987, subject to City Council granting a variance on the road and cul-de-sac width from 50' to 40'. Said variance was granted on August 25, 1987. The final plat is submitted for Council's approval.

G. Resolution No. 87-181 - Resolution of intent to close Syrlin Street and calling a public hearing for November 10, 1987.

Summary: A petition was received on July 17, 1987 from the property owner along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street, be closed as a public street right of way.

Councilman Price moved for the adoption of the consent agenda. This motion was seconded by Vice Mayor Frank and carried unanimously.

Complete text of Resolution No. 87-181 will be found in Resolution Book No. 16 at page 444.

VI. OTHER BUSINESS

A. CLAIMS - ACE APPLIANCE (FIRE), ORANGEBURG INDUSTRIES (WATER), RICK WORLEY (STREETS), SANDRA BROWN (POLICE), STEVE SUMMEY (WATER), MRS. CHARLES H. McGOWAN (WATER), ABBY A. BATTONI (WATER), JOHN D. McCLAIN, JACK H. SPIVEY

The City Manager presented claims received from Ace Appliance (Fire), Orangeburg Industries (Water), Rick Worley (Streets), Sandra Brown (Police), Steve Summey (Water), Mrs. Charles H. McGowan (Water), Abby A. Battoni (Water), John D. McClain, II (Fire), and Jack H. Spivey (Streets).

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

B. LAWSUITS - BASF CORPORATION VS. CITY OF ASHEVILLE - GEORGE HOWARD, ET AL., VS. BOARD OF ADJUSTMENT, ET AL. - DARYL E. UNRUH AND WIFE, GRACE E. UNRUH VS. CITY OF ASHEVILLE

The City Manager said the City of Asheville was named a party in lawsuits involving BASF Corporation (Petition challenging annexation of west area), George Howard, et al., (Appeal from Board of Adjustment Decision), and Daryl E. Unruh and wife, Grace E. Unruh (Appeal from Board of Adjustment Decision).

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

C. MAYOR BISSETTE - RESOLUTION ADOPTED BY COALITION OF ASHEVILLE NEIGHBORHOODS RELATIVE TO REGULAR MEETING TIMES OF ASHEVILLE CITY COUNCIL AND BOARD AND COMMISSIONS APPOINTED BY THE ASHEVILLE CITY COUNCIL

Mayor Bissette said he had received a copy of a resolution adopted by the Coalition of Asheville Neighborhoods at their meeting on October 1st. Mayor Bissette read the resolution and said the Coalition of Asheville Neighborhoods is requesting that the Asheville City Council and the Boards and Commissions appointed by City Council hold their regular meetings no later or no earlier than 5:00 P.M. in order to give all citizens the opportunity to attend.

Mayor Bissette said Council Members need to think about this and let him know their feelings so he can respond to the resolution.

D. MAYOR BISSETTE - MIKE SUMMEY LETTER - REQUEST TO SERVE ON SIGN COMMISSION

Mayor Bissette said he had received another letter from Mike Summey requesting that Council appoint him and another sign industry representative to the Sign Commission. Mayor Bissette said that his concern from the beginning has been that the perception by the public will be that the Commission is somehow unfair or unbalanced in its makeup. He said he believes the Commission is fair and balanced, but that he still felt Mr. Summey should be appointed to the Commission.

Councilwoman Bratton said she felt whether the Commission is impartial or not, the perception out there is that it is. She said she didn't see any problem in appointing Mr. Summey to the Commission.

Councilman Boland said since Mr. Summey has made it clear that he doesn't want a change in the sign ordinance and since the Commission is supposed to recommend change, he said he felt there was no reason to appoint Mr. Summey to the Commission.

For lack of a motion, the request of Mr. Summey to be appointed to the Sign Commission was not acted upon.

E. RESOLUTION NO. 87-182 - RESOLUTION AUTHORIZING THE CITY MANAGER TO DIRECT THE CITY ATTORNEY TO INSTITUTE APPROPRIATE ACTION FOR ENFORCEMENT OF THE CODE OF ORDINANCES

Mayor Bissette read the resolution.

The City Manager said this resolution will authorize him to direct the Corporation Counsel to institute all appropriate legal proceedings in the Courts of Buncombe County for the civil enforcement of the Code of Ordinances of the City of Asheville. He said this would expedite the process in that violations would no longer have to approved by City Council on a case by case basis.

Vice Mayor Frank moved for the adoption of Resolution No. 87-182. This motion was seconded by Councilman Tisdale and carried unanimously.

Complete text of Resolution No. 87-182 will be found in Resolution Book 16, Page 445.

F. RESOLUTION NO. 87-183 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A MUNICIPAL AGREEMENT WITH THE N. C. DEPARTMENT OF TRANSPORTATION FOR PROJECT NO. 8.1900801 (U-90) - IMPROVEMENT OF US 25 SOUTH FROM I-40 TO THE BLUE RIDGE PARKWAY

Mayor Bissette said this resolution will authorize him to execute a Municipal Agreement with the N. C. Department of Transportation for Project No. 8.1900801 (U-90) - Improvement of US 25 south from I-40 to the Blue Ridge Parkway.

Mayor Bissette said it was the consensus of City Council for him to execute a revised agreement with the N. C. Department of Transportation. He said the revised agreement provides for no participation by the City of Asheville for the acquisition of right-of-way costs. He said the City is willing to pay its fair share on future projects of importance and interest to the City of Asheville, but that this would be at the City's discretion.

Councilman Michalove moved for the adoption of Resolution No. 87-183. This motion was seconded by Councilman Boland and carried unanimously.

Complete text of Resolution No. 87-183 will be found in Resolution Book 16 at Page 446.

G. RESOLUTION NO. 87-184 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE ON BEHALF OF THE CITY OF ASHEVILLE A MUNICIPAL AGREEMENT WITH THE N. C. DEPARTMENT OF TRANSPORTATION FOR A PROJECT NO. 8.1841101 (U-592) - IMPROVEMENT OF NC 63 (LEICESTER HIGHWAY) FROM US 19-23 (PATTON AVENUE) NORTHWEST TO THE ASHEVILLE CITY LIMITS

Mayor Bissette said this resolution will authorize him to execute a Municipal Agreement with the N. C. Department of Transportation for Project No. 8.1841101 (U-592) - Improvement of NC 63 (Leicester Highway) from US 19-23 (Patton Avenue) Northwest to the Asheville City Limits.

Mayor Bissette said it was the consensus of City Council for him to execute a revised agreement with the N. C. Department of Transportation. He said the revised agreement provides for no participation by the City of Asheville for the acquisition of right-of-way costs. He said the City is willing to pay its fair share on future projects of importance and interest to the City of Asheville, but that this would be at the City's discretion.

Councilman Michalove moved for the adoption of Resolution No. 87-184. This motion was seconded by Councilman Boland and carried unanimously.

Complete text of Resolution No. 87-184 will be found in Resolution Book 16, Page 447.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Michalove, the meeting adjourned at 5:30 P.M.

MAYOR

CITY CLERK

Tuesday - October 20, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Price.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of the minutes of the October 13, 1987 meeting.

RESOLUTION NO. 87-185 - RESOLUTION IN MEMORY OF J. WELDON WEIR

Mayor Bissette read the resolution in memory of J. Weldon Weir.

Upon motion of Councilman Tisdale, seconded by Councilman Bratton, Resolution No. 87-185 was unanimously adopted.

Complete text of Resolution No. 87-185 will be found in Resolution Book No. 16 at Page 448.

I. PROCLAMATIONS:

A. Proclamation proclaiming October 18 - 24 as "National Business Week".

Mayor Bissette read the proclamation and presented a copy to Sherry Jones, President of Business Professional Women's Organization.

B. Proclamation proclaiming October 24 as "MADD/Volkswagen Drive for Life Day".

Mayor Bissette proclaimed October 24 as "MADD/Volkswagen Drive for Life Day". He said he presented a copy at a Mothers Against Drunk Driving function on October 20, 1987

II. PUBLIC HEARINGS:

A. Public hearing relative to rezoning property located on Hazel Mill Road and Rose Street for Mrs. Martha Calloway et al.

Mayor Bissette said the Asheville Planning and Zoning Commission on September 9, 1987, considered the petition that Ward 6, Sheet 16, Lots 356, 318, 313, 232, and 316, be rezoned from R-3 Residential District to CH Commercial Highway District. The Commission voted to recommend to City Council that Ward 6, Sheet 16, Lots 316, 320-1/2, 318 and a portion of Lot 356, be rezoned from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette opened the public hearing at 4:39 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission, after considering the rezoning request, recommended that the request be modified to alleviate too large of an area intruding on residential property. He said a protest petition opposing the rezoning was received and contained sufficient number of signatures to require an affirmative vote of 2/3 of members of Council to pass the rezoning request.

Upon inquiry of Councilman Price, Mr. Emrick said the last rezoning request for this area had been denied by Council due to encroachment into a residential area and due to potential traffic hazards.

Conrad Youngberg, a resident of the area, strongly opposed the commercial rezoning. He presented maps showing the current layout of the area showing potential problems if the area is rezoned to commercial. He said he was also concerned about increase in traffic in the area since the roads are narrow. He said to rezone the area commercial would be a punishment to the neighborhood.

Betty McFeature, owner of property requested to be rezoned, spoke in support of the rezoning. She said the area is already commercially zoned. She said she had been approached by many developers for the purchase of her property and the property is considered to be prime property for commercial since it is near David Hall's Car Lot and many other commercial establishments.

Hubert Smith, 18 Hansel Avenue, spoke in opposition to the rezoning stating that the petitioners had not lived in the neighborhood in the last thirty years and the

residents of the area would like to keep the area as a residential neighborhood.

Martha Calloway, sister of Betty McFeature, also spoke in support of the rezoning.

Mrs. Kanose spoke in opposition to the rezoning.

Mayor Bissette closed the public hearing at 5:07 P.M.

After discussion, Councilman Price moved that the recommendation of the Planning and Zoning Commission to approve the rezoning request be denied. She further requested that city staff check to determine if David Hall's Car Lot in this particular area complies with all city ordinances and that the Traffic Engineer review Hansel Avenue for truck traffic restrictions. This motion was seconded by Councilman Boland and carried unanimously.

B. **Public hearing relative to a site plan of the proposed conversion of the second floor of 20 Broadway into four apartment units.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed a site plan of the proposed conversion of the second floor of 20 Broadway into four apartment units. The plan was prepared by Mr. Ray Quate, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to compliance with all building codes.

Mayor Bissette opened the public hearing at 5:15 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the developer proposes to convert the second floor of 20 Broadway into four apartments and use the first floor for retail space. He said the total area would consist of approximately 4,000 square feet.

Mayor Bissette closed the public hearing at 5:16 P.M.

Vice-Mayor Frank moved to approve the site plan of the proposed conversion of the second floor of 20 Broadway into four apartment units subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Councilman Price and carried unanimously.

C. **Public hearing relative to the site plan of proposed additional buildings at the Black Forest Restaurant on Hendersonville Road.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed a site plan of proposed additional buildings at the Black Forest Restaurant on Hendersonville Road. The plan was prepared by Mr. Kenneth Pankow, Engineer, for Mr. M. B. Elliston, Developer, and submitted in accordance with the Group Development Section of the Asheville Zoning Ordinance. After review and discussion, the Commission voted to recommend approval of the project subject to the following conditions: 1) Compliance with Erosion Control Ordinance; and 2) A variance on the buffer on the southern property line by the Board of Adjustment.

Mayor Bissette opened the public hearing at 5:17 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the developer proposes to construct eight (8) residential units for executives visiting the area and professional office space for a dentist and a doctor.

Mayor Bissette closed the public hearing at 5:20 P.M.

Councilman Tisdale moved to approve the site plan of the proposed additional buildings at the Black Forest Restaurant on Hendersonville Road subject to the recommendations of the Planning and Zoning Commission. This motion was seconded by Vice-Mayor Frank and carried unanimously.

III. OLD BUSINESS:

A. **Ordinance No. 1651 - Third reading - Ordinance rezoning property located on Hildebrand Street.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held August 12, 1987, considered the petition of Mr. Sidney Shorter et al that Lots 89, 90, 2-1/4, 100, 4, and 6, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District. The property is located on Hildebrand Street in the East End/Valley Street Redevelopment Area. After review and discussion, the Commission voted to recommend to City Council that Lots 89, 90, 2-1/4, 100, 4, and 6 and 2-1/2, Sheet 2, Ward 1, be rezoned from CS Commercial Service District to R-3 Residential District.

(Staff recommended including Lots 6 and 2-1/2 for contiguity although owners had not signed petition). This ordinance was read on first reading on September 15, 1987 and on second reading September 29, 1987. The third reading of the ordinance was postponed until October 20, 1987.

Mayor Bissette said this ordinance was previously read on first and second readings and would not be reread in its entirety.

Sue Evans, 12 BellAir Road, owner of Lot 6, again strongly opposed the rezoning or the placing of any restrictions placed on her property. She said if her property is rezoned the high value of the land would be taken away and she would have no other recourse than to seek satisfaction in a court of law.

Mr. Ballantyne, representing Sidney Shorter, petitioner for the rezoning, said Lot 6 should be included in the rezoning to R-3 Residential District. He said the City's redevelopment plan also shows Hildebrand Street as residential property. He said deleting Lot 6 from the rezoning would not be compatible with the community since the lot is surrounded by St. James AME Church and private residences. He said commercial development of Lot 6 would destroy the area. He said Lot 6 can not be developed as residential or commercial due to the size of the lot and the required setbacks. He requested that Council accept the recommendation of the Planning and Zoning Commission that all the north side of Hildebrand Street be residential in order not to break up continuity.

Mike Robinson, Real Estate Broker representing Ms. Evans, spoke in opposition to rezoning Lot 6. He said the present zoning of Lot 6 allows for commercial building on the lot. He said a single story, 1,200 square foot, building could be placed on the lot. He said the lot, with its present zoning, is a very marketable lot.

A discussion was held, instituted by Councilman Tisdale, relative to the tax value of Lot 6. It was determined that the tax value of Lot 6 is $1,600. Mr. Robinson said in his opinion Lot 6 would have a fair market value of abour $25,000 to $35,000.

A discussion was held relative to the requirements of building on Lot 6. Mr. Emrick said in his opinion construction on Lot 6 could not take place without a variance from the Zoning Board of Adjustment as a Conditional Use, under the current or proposed zoning.

Mrs. Burton, member of the St. James AME church, requested that Council have Lot 6 remain zoned residential. She said the East End Community Organization has also recommended that Lot 6 be residential.

Mayor Bissette said the ordinance as presently written and being voted on for the third reading includes Lot 6 as a R-3 Residential designation.

On a roll call vote of 7-0, Ordinance No. 1651 passed on third and final reading.

Complete text of Ordinance No. 1651 will be found in Ordinance Book No. 11 at page 173-174.

B. Ordinance No. 1659 - an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, rezoning property located on Ardmore Street (George E. Morosani, et al., property).

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed the petition of Mr. George Morosani to rezone Ward 7, Sheet 52, Lot 140 from R-2 Residential District to CH Commercial Highway District. The Commission voted to recommend that Ward 7, Sheet 52, Lots 140, 128, 130, 134, and 138, be rezoned from R-2 Residential District to CH Commercial Highway District.

Mayor Bissette said this ordinance was previously read on first reading and will not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1659 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1659. This motion was seconded by Councilman Tisdale. On a voice vote of 4-3, Councilman Michalove's motion failed with Mayor Bissette, Vice-Mayor Frank and Councilman Price voting "no." The Corporation Counsel advised that a vote to suspend the rules and proceed on ordinance readings requires a 2/3 vote of Council.

Mayor Bissette, Vice-Mayor Frank, and Councilman Price said the reason they voted "no" on the motion was it has been a Council policy not to have more than one reading on a rezoning ordinance at one meeting except under unusual circumstances.

COUNCILMAN TISDALE REQUEST TO BE EXCUSED

At Councilman Tisdale's request, Vice-Mayor Frank moved to excuse Councilman Tisdale from the meeting. This motion was seconded by Councilman Boland and carried unanimously.

IV. NEW BUSINESS:

A. **Ordinance amending Chapter 27 (Taxicabs) of the Code of Ordinances of the City of Asheville.**

Mayor Bissette announced that this ordinance would be considered on October 27, 1987 at the request of the taxicab operator's attorney and at Councilman Tisdale's request.

V. CONSENT:

A. **Resolution No. 87-186 - Resolution of support for major regional transportation projects.**

SUMMARY: The Land-of-Sky Regional Council has requested that the Asheville City Council endorse a resolution urging support for the earliest possible completion of the Brevard Connector project and the placement of U. S. 19 from Mars Hill to the Tennessee line in the North Carolina Transportation Improvement Plan and expedition of its planning, right-of-way acquisition and construction.

Councilman Price requested that a copy of the resolution be forwarded to Sara Morris at A-B Technical Institute.

Councilman Boland also requested that all governmental agencies continue supporting these projects.

Resolution Book No. 16 -Page 449

B. **Resolution No. 87-187 - Resolution authorizing an amendment to the supplemental water agreement.**

SUMMARY: The City and County entered into an agreement dated October 29, 1981, known as the Water Agreement. Said agreement was superceded by a Supplemental Water Agreement dated August 18, 1987. A further amendment of said agreement is now deemed appropriate in order to authorize employees of the City or County who are also elected officials to be appointed to the Water Authority. This resolution will authorize the Mayor to execute such an amendment to the Supplemental Water Agreement.

Upon motion of Councilman Michalove, seconded by Councilman Boland, the consent agenda was unanimously approved.

COUNCILMAN MICHALOVE - REQUEST FOR CITY ATTORNEY TO AMEND COUNCIL RULES AND PROCEDURES

Councilman Michalove requested that the City Attorney draft an amendment to the City Council rules and procedures to establish a policy on voting on matters of rezonings.

RESOLUTION NO. 87-188 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE A LETTER OF INDEMNITY FOR THE STORAGE OF STORM DRAINAGE PIPE FOR THE CHEROKEE ROAD STORM DRAINAGE PROJECT

The City Manager said the City of Asheville is using its own forces to renovate the storm drainage system on or near Cherokee Road and it would provide greater efficiency for the project if the storm drainage pipe could be stored close to the project. The property owner of vacant property near the project will consent to the City's storage of the storm drainage pipe on his property provided the City provide the property owner with a letter of indemnity.

Upon motion of Councilman Michalove, seconded by Vice-Mayor Frank, Resolution No. 87-188 was unanimously adopted.

Complete text of Resolution No. 87-188 will be found in Resolution Book No. 16 at page 451.

CLAIMS - DON WHITAKER (SANITATION)

The City Manager presented a claim received from Don Whitaker (Sanitation).

LAWSUIT - JOHN D. GEORGE V. ASHEVILLE-BUNCOMBE WATER AUTHORITY (INADEQUATE WATER PRESSURE)

The City Manager said the City was named a party in a Small Claims action filed on October 1, 1987 involving John D. George v. Asheville-Buncombe Water Authority (inadequate water pressure).

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Boland, the meeting adjourned at 6:30 P.M.

MAYOR

CITY CLERK

Tuesday - October 27, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; Assistant City Manager Charles Penny; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Douglas O. Bean

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES OF SEPTEMBER 23, 1987 MEETING.

Mayor Bissette announced the approval of the minutes of the September 23, 1987 meeting with several noted amendments.

APPROVAL OF MINUTES OF OCTOBER 6, 1987 MEETING.

Mayor Bissette announced the approval of the minutes of the October 6, 1987 meeting with several noted amendments.

APPROVAL OF MINUTES OF OCTOBER 20, 1987 MEETING.

Mayor Bissette announced the approval of the minutes of the October 20, 1987 meeting with several noted amendments.

I. PROCLAMATIONS:

A. Proclamation - Alzheimer's Disease Awareness Month - November, 1987.

Mayor Bissette proclaimed the month of November, 1987 as "Alzheimer's Disease Awareness Month."

II. PUBLIC HEARINGS:

A. Public hearing relative to Highland Gate Subdivision.

Mayor Bissette said the Asheville Planning and Zoning Commission approved the preliminary plat of Highland Gate Subdivision (then called Vance Gap Road Subdivision) on March 25, 1987, subject to City Council granting a variance on the road and cul-de-sac width from 50' to 40'. Said variance was granted on August

25, 1987. The final plat is now submitted for Council's approval.

Mayor Bissette opened the public hearing at 4:34 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had approved the preliminary plat and Council had approved the variances on the road and cul-de-sac width. He said the Traffic Engineer had inspected the proposed streets and determined that the streets will meet city specifications and the developer will dedicate the streets as public streets. He said the plat is being amended to reflect that the streets will be public streets. He said curb and gutter installation is shown on the plat. He said the plat is now ready for recording after approval from Council.

Mayor Bissette closed the public hearing at 4:35 P.M.

Councilman Bratton moved for the approval of the site plan for the Highland Gate Subdivision. This motion was seconded by Councilman Boland and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1659 - Third reading of Ordinance No. 1659, an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, rezoning property located on Ardmore Street
(George E. Morosani, et al., property)

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting held September 9, 1987, reviewed the petition of Mr. George Morosani to rezone Ward 7, Sheet 52, Lot 140 from R-2 Residential District to CH Commercial Highway District. The Commission voted to recommend that Ward 7, Sheet 52, Lots 140, 128, 130, 134, and 138, be rezoned from R-2 Residential District to CH Commercial Highway District.

This ordinance was read on first reading on October 13, 1987 and on second reading on October 20, 1987.

Mayor Bissette said this ordinance was previously read on first and second readings and will not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1659 passed on third and final reading.

Ordinance Book No. 11 Page No. 184.

IV. NEW BUSINESS:

A. Report from Bele Chere Board of Directors on the economic impact of Bele Chere 1987.

Jim Daniels, Chairman of the Bele Chere Board of Directors, said Pro-gen Research of Greenville, South Carolina has completed its Festival Market Survey. He said this is Pro-Gen's second year to conduct the survey for Bele Chere. He said the following facts were determined from the survey.

- Official crowd estimated for 1987 is over 250,000;
- Approximately 80,000, of 33%, were from out of town;
- 88% of those who attended came specifically for Bele Chere; this figure has doubled from the '86 figures;
- Almost 70% had attended the Festival previously;
- local adult attendees spent approximately $52 per person;
- out-of-town adult attendees spent approximately $95 per person;

Economic Impact for the City is estimated at:
- $12.5 million - up over a million from the estimated '86 figures;
- Roughly 73% in attendance were between the ages of 25-44 and almost 75% earned over $20,000 annually;
- most importantly, over 95% attending gave the Festival positive marks and promised to return next year;
- Public relations and marketing effort undertaken on behalf of Bele Chere '87 had an estimated value well in excess of $500,000;
- 72 page Festival Supplement had 36 pages of sold advertising space - our best ever - and distribution of almost 125,000 copies;
- over 30,000 Festival brochures and posters were distributed over Western North Carolina;
- The Bele Chere story, through television, radio, and print reached into a 12 state area;
- Festival's good reputation is spreading all over the Southeast;
- Had over 100 vendors and almost 100 performing acts in '87. Received overwhelmingly positive response from public and almost unanimous support of vendors and entertainers alike to participate in Bele Chere '88;
- Festival has become a very successful marketing and promotional tool for many area firms;
- has been an economically satisfying endeavor for our

sponsors to the extent that many are already committing to next year and some are even expressing interest in 'lockingin' to long-term sponsorships.
- Bele Chere '88 - 10th Anniversary Celebration - already in the planning stages;
- with Asheville's future heavily dependent on tourism, city-wide festivals can play a major role in boosting community pride and involvement as well as providing short and long-term economic boosts to the area.

B. **Ordinance amending Chapter 27 (Taxicabs) of the Code of Ordinances of the City of Asheville.**

Mayor Bissette said after numerous meetings with the taxicab owners and operators Chapter 27, Taxicabs, has been rewritten.

Corporation Counsel Slawter reviewed the proposed ordinance stating that the amended ordinance would create more of an open market for taxicab operations. He said taxicab companies could operate as many taxicabs as they desired providing they meet all the requirements set forth in the ordinance. He said the ordinance provides for a Taxicab Inspector, under the Motor Transport Division, charged with enforcement of the ordinance. He said taxicab owners had expressed concern relative to insurance requirements, rates, and inspection fees. He said the ordinance provides for a thorough inspection of each taxicab and background investigations of taxicab owners and drivers. He said the ordinance includes procedures for revocation and an appeal process from the decision of the Taxicab Inspector to the City Manager.

Wade Hall, Attorney representing all taxicab owners, said many of the changes recommended by the taxicab owners were incorporated into the ordinance; however, many were not. He said the operators were concerned about insurance requirements, rates, and inspection fees. He spoke at length on several objections to the ordinance and said he would present his objections in writing prior to the second reading of the ordinance.

After discussion, Councilman Price moved for the adoption of the ordinance incorporating the following into the proposed ordinance: 1) That the insurance requirements be the same as required by state statutes; 2) That fares be set by City Council in the adoption of the annual fees and charges schedule; 3) That the ordinance become effective January 1, 1988; 4) That existing taxicab owners comply with the ordinance by July 1, 1988; 5) That the makeup of the taxicab advisory committee be reconsidered; 6) That the inspection fee for taxicabs be set at $10.00. This motion was seconded by Councilman Boland.

The City Manager and Corporation Counsel were requested to review the recommended amendments to the ordinance prior to the second reading of the Ordinance.

On a roll call vote of 7-0, Ordinance No. 1661 passed on first reading.

C. **Ordinance No. 1662 - Ordinance amending Chapter 8 of the Code of Ordinances of the City of Asheville to permit use of automatic fire sprinklers in lieu of additional stairwells in certain historical buildings.**

Mayor Bissette said this ordinance would permit installation of a complete sprinkler system in lieu of a second stairwell in historic buildings not over 8 stories in height, of Type I or Type II construction with an enclosed stairwell, other than educational and institutional occupancies. The purpose of this ordinance would be to take advantage of major advances in sprinkler system technology in order to bring buildings like City Hall into compliance with the State Building Code. At this time, the State Building Code does not provide for an alternative to a second stairwell in buildings like City Hall. However, Section 143-138 (e) of North Carolina statutes authorizes local adoption of building rules and regulations, provided that such rules and regulations are approved by the Building Code Council.

Chief John Rukavina, Fire Chief, briefly outlined the provisions of the ordinance. He said this ordinance would provide better life safety measures for historical buildings.

Upon inquiry of Ralph Bishop, Chief Rukavina said the City Hall Building is eminently fire proof, meaning that if the building burns, the structure would still stand. He said a fire proof building does not mean that the contents or occupants would be safe.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1662. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1662 passed on first reading.

Councilman Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1662. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1662 passed on second reading.

After discussion, Council approved staff forwarding the documents to the Building Code Council prior to the third reading of the ordinance in order for the issue to be placed on the Building Code Council's agenda for December, 1987 since there is a requirement that all agenda items for the Council be received at least 30 days in advance of the meeting.

D. **Ordinance No. 1663 - Budget Ordinance amendment to establish mapping project budget.**

Mayor Bissette said this budget ordinance will establish funding for the Mapping Project in the amount of $190,000.

Councilman Michalove moved for the adoption of Ordinance No. 1663. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1663 passed on first and final reading.

Ordinance Book No. 11 Page No. 217

E. **Resolution No. 87-189 - Resolution authorizing the Mayor to execute an agreement on behalf of the City of Asheville with Asheville Area Chapter of the American Red Cross for specialized transportation service.**

Mayor Bissette said the City is a recipient of funds under Section 9 of the Urban Mass Transportation Act. Section 504 of the Act requires that the City provide public transportation services within the corporate limits to qualified handicapped and elderly individuals, including wheelchair users and semi-ambulatory persons. This resolution will authorize the Mayor to execute an agreement with Asheville Area Chapter of the American Red Cross to provide said service on an annual basis.

Councilman Tisdale, City Council liaison for the Asheville Transit Authority, said the Asheville Transit Authority recommended the acceptance of the low bid submitted by the Asheville Area Chapter of the American Red Cross since they are currently providing the specialized transportation service.

Upon motion of Councilman Boland, seconded by Councilman Tisdale, Resolution No. 87-189 was unanimously adopted.

Resolution Book No. 16 Page No. 452

F. Resolution No. 87-190 - Resolution authorizing the submission of an Emergency Shelter Grants Program Application on behalf of the Asheville-Buncombe Community Christian Ministry Shelter.

Mayor Bissette said this action authorizes the City of Asheville to apply for $75,000 to the N. C. Department of Natural Resources and Community Development for Emergency Shelter Grants Program. The project will be subcontracted to the Asheville-Buncombe Community Christian Ministry to provide shelter and support services for the homeless. The project involves $35,000 for building rehabilitation and $40,000 for operation/service activities.

A lengthy discussion was held relative to the City's future obligation in submitting the grant applications for the Emergency Shelter Grants for the Asheville-Buncombe Community Christian Ministry Shelter as well as Eliada Homes, Incorporated (Item G), and Hospitality House of Asheville, Inc. (Item H).

Marvin Vierra, Community Development Director, said the grant applications must be received by the end of October in order for the agencies to compete with other applicants. He said grant regulations would require that the City provide for the ongoing operation of the programs if the agencies fail to continue the programs.

Council members expressed concern that the City might be required to fund the programs. It was noted that the County of Buncombe is responsible for funding social service type programs.

Councilman Michalove said in order for the applications to be submitted by the deadline date Council could authorize the submission of the grant applications and if the grants were awarded perhaps the funds could be turned over to the County of Buncombe as the grantee.

Corporation Counsel Slawter said since he had not reviewed the Code of Federal Regulations which would apply to these grants he did not know if it would be permissible to turn the grants over to the County of Buncombe as the grantee.

Councilman Bratton said she felt coordination of these grant applications should have been handled through the Department of Social Services because it affects the entire community. She said she could not support the resolutions since it is not consistent with Council's policy on social service programs. She said Council has previously turned down similar agency requests. She said she was wholeheartedly in favor of social

service programs but it is a policy of Council that social service programs be funded by the County of Buncombe.

After discussion, Councilman Michalove moved for the adoption of Resolution No. 87-190. This motion was seconded by Councilman Boland and carried on a voice vote of 6-1, with Councilman Bratton voting "no".

Resolution Book No. 16 Page No. 453-454

G. **Resolution No. 87-191 - Resolution authorizing the submission of an Emergency Shelter Grants Program Application on behalf of the Emergency Family Shelter of Eliada Homes, Incorporated.**

Mayor Bissette said this action authorizes the City of Asheville to apply for $27,735 to the N. C. Department of Natural Resources and Community Development for Emergency Shelter Grants Program. The project will be subcontracted to the Emergency Family Shelter of Eliada Homes, Incorporated to provide shelter and support services for the homeless. The project involves $9,812 for building rehabilitation and $17,923 for operations/service activities.

(See discussion in Item "F")

After discussion, Councilman Michalove moved for the adoption of Resolution No. 87-191. This motion was seconded by Councilman Boland and carried on a voice vote of 6-1, with Councilman Bratton voting "no".

Resolution Book No. 16 Page No. 455-456

H. **Resolution No. 87-192 - Resolution authorizing the submission of an Emergency Shelter Grants Program Application on behalf of the Hospitality House of Asheville, Inc.**

Mayor Bissette said this action authorizes the City of Asheville to apply for $15,000 to the N. C. Department of Natural Resources and Community Development for Emergency Shelter Grants Program. The project will be subcontracted to the Hospitality House to provide shelter and support services for the homeless. All of the grant funds will be used for operations/service activities.

(See discussion in Item "F")

After discussion, Councilman Michalove moved for the adoption of Resolution No. 87-192. This motion was seconded by Councilman Boland and carried on a voice vote of 6-1, with Councilman Bratton voting "no".

Councilman Michalove moved that the Corporation Counsel look into the future legal obligations of the City of Asheville if the grant applications are awarded and that the City staff look into the possibility of the County of Buncombe being designated as the "grantee" of the grants. This motion was seconded by Vice-Mayor Frank and carried unanimously.

Resolution Book No. 16 Page No. 457-458

I. **Motion approving action by the Asheville-Buncombe Water Authority for the sale of water to the Town of Weaverville and authorizing the Mayor to execute a contract with the Town of Weaverville.**

Mayor Bissette said at the Asheville-Buncombe Water Authority meeting held on October 20, 1987, the Authority approved the sale of water to the Town of Weaverville. This motion will concur in that action and authorize the Mayor to sign the necessary documents.

Councilman Boland moved to approve the action by the Asheville-Buncombe Water Authority for the sale of water to the Town of Weaverville and authorize the Mayor to execute a contract with the Town of Weaverville. This motion was seconded by Vice-Mayor Frank and carried unanimously.

J. **Resolution No. 87-194 - Resolution authorizing the City Manager to execute contract between the City of Asheville and the YMI Cultural Center for minority economic development.**

Mayor Bissette said the YMI Cultural Center, Inc. has agreed to provide economic development services to the City of Asheville and the services to be provided are much needed within the City. This resolution will authorize the City Manager to execute an agreement with YMI Cultural Center, Inc. to assist in the funding of an economic development project.

Upon motion of Councilman Price, seconded by Councilman Michalove, Resolution No. 87-194 was unanimously adopted.

Resolution Book No. 16 Page No. 461

K. **Bids received for the sale of disposal parcels in the East Riverside Redevelopment Project and the East End/Valley Street Community Improvement Program.**

Mayor Bissette said the Housing Authority has tentatively accepted the following bids for disposal parcels in the East Riverside Redevelopment Project and the East End/Valley Street Community Improvement Program. The Housing Authority has recommended Council's acceptance of the bids for these disposal parcels.

57-A-ER	Commercial	90,200	110,250	L. B. Jackson Co.
57-B-ER	Commercial	250,000	260,000	Asheville Merchants
97-EE/VS	Residential	4,300	4,812	R & R Associates
98-EE/VS	Residential	4,500	5,050	Keith Knox
199-EE/VS	Assemblage	850	850	Christopher Summey

Larry Holt, Deputy Executive Director of the Housing Authority, explained the locations and details of the proposed bids.

Disposal Parcel 57-A is located on Asheland Avenue and the development will consist of an 8,000 sq. ft. office building for L. B. Jackson Company at an estimated construction cost of $490,000.00.

Disposal Parcel 57B is located at the intersection of Asheland Avenue, Southside Avenue and McDowell Street. The Asheville Merchants Association will construct and occupy a 12,000 sq. ft. office building with an estimated construction cost of $1,200,000.00.

Disposal Parcel 97 is a single family residential lot on George Washington Carver Street upon which R & R Associates will construct a 1,200 sq. ft. house at an estimated cost of $50,000.00 for sale. A qualified purchaser may receive a $1.00 lot subsidy in the amount of $4,299.00 to apply to the purchase.

Disposal Parcel 98 is a single family residential lot on George Washington Carver Street being sold to a qualified $1.00 lot subsidy applicant. The house to be constructed on the lot will be 1,008 sq. ft. and estimated to cost $45,240.00. The subsidy will cover $4,499.00 of the lot price with the purchaser paying the remainder.

Disposal Parcel 199 is a non-buildable lot being sold to the adjacent owner on Mountain Street.

Councilman Michalove moved to approve the recommendation of the Housing Authority on the sale of the above mentioned disposal parcels. This motion was seconded by Councilman Tisdale and carried unanimously.

V. CONSENT:

A. Resolution No. 87-193 - Resolution authorizing filing an application with the North Carolina Local Government Commission relating to a proposed financial agreement and designating the authorized representative of the City to file the application.

SUMMARY: This action authorizes filing an application with the North Carolina Local Government Commission for a proposed financial agreement for City Hall improvements.

Resolution Book No. 16 Page No. 459-460

B. Resolution No. 97-195 - Resolution authorizing the City Manager to sign an agreement providing for delivery of fire protection services to the Veteran's Administration Medical Center at Oteen through September 30, 1988.

SUMMARY: Negotiations with representatives of the Veterans Administration have been concluded. The Agreement recommended includes the following features: 1) Total payment to City remains unchanged (in large part because application of fire protection cost formula contained in City Council Resolution 81-198 results in no increase); 2) Specific enumeration of training and inspection services to be provided; 3) Recovery of other than direct expenses (i.e. for foam, other specialized equipment) in connection with a fire involving hazardous materials; and 4) Provision for billing for services provided in addition to (or not otherwise contemplated by) those set forth.

Resolution Book No. 16 Page No. 462

C. Resolution No. 87-196 - Resolution authorizing the distribution to the Trust Fund for the Asheville-Buncombe Library System of a bequest from Dr. Sprinzl Weizenblatt.

SUMMARY: Dr. Sprinzl Weizenblatt, a physician who practiced in Asheville for many years, died on April 5, 1987. Dr. Weizenblatt left a Last Will and Testament giving the sum of $50,000 to the City of Asheville for the express purpose of applying such funds at the direction of the Library Board of the City of Asheville. Wachovia Bank, executor of the will, is preparing to make a distribution of

the bequest to the City. Wachovia Bank feels that the distribution should be made to the City and the City in turn could deliver the proceeds to the Trust Fund for the library. This resolution will authorize said action.

Resolution Book No. 16 Page No. 463-464

D. **Bids received for computer equipment for Police and Fire Communications System.**

SUMMARY: Recommendation for award of Bids for computer equipment for the Police and Fire Departments "Computer Aided Dispatch" system as follows: Executive Productivity Systems, Norfolk, Virginia, for bid item No. 1, in the amount of $13,650 and Unisys Corporation, Charlotte, North Carolina, for bid items 2 through 6, in the amount of $35,083.89.

E. **Scheduling of public hearing relative to rezoning property located on Louisiana Avenue - J. D. Jackson and Associates for Mr. John Queen et al for November 10, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission on October 14, 1987, considered the request of J. D. Jackson Associates for Mr. John Queen et al that Ward 6, Sheet 9, Lot 76 and portions of Lots 77 and 258 be rezoned from R-3 Residential District to CS Commercial Service District. The Commission voted to recommend to City Council that Ward 6, Sheet 9, Lot 76 and a portion of Lot 77 be rezoned to CS Commercial Service District and the rezoning request for a portion of Lot 258 be denied.

F. **Motion rescheduling the public hearing relative to closing an unnamed alley on West Avon Parkway from November 10, 1987 to November 24, 1987.**

SUMMARY: A petition was received from property owners along a portion of West Avon Parkway requesting that the unnamed alley be closed as a public alley. A public hearing is required prior to the closing of the unnamed alley.

Due to the public hearing notice not being placed in the newspaper in time for four successive weeks the public hearing needs to be rescheduled.

G. Motion rescheduling the public hearing relative to closing a portion of Fairview Avenue between Stevens Street and Fairview Road from November 10, 1987 to November 24, 1987.

SUMMARY: A petition was received from property owners along a portion of Fairview Avenue requesting that the portion between Stevens Street and Fairview Road be closed as a public street right of way. A public hearing is required prior to the closing of the unnamed alley.

Due to the public hearing notice not being placed in the newspaper in time for four successive weeks the public hearing needs to be rescheduled.

H. Motion rescheduling the public hearing relative to closing Syrlin Street from November 10, 1987 to November 24, 1987.

SUMMARY: A petition was received on July 17, 1987 from the property owner along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street, be closed as a public street right of way.

Due to the public hearing notice not being placed in the newspaper in time for four successive weeks the public hearing needs to be rescheduled.

Upon motion of Vice-Mayor Frank, seconded by Councilman Tisdale the consent agenda was unanimously approved.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Boland, the meeting adjourned at 6:40 P.M.

MAYOR

CITY CLERK

Tuesday - November 10, 1987 - 4:00 P.M.

Regular Meeting

Present: Vice-Mayor Mary Lloyd Frank, Presiding; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Mayor W. Louis Bissette and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Vice-Mayor Frank.

APPROVAL OF MINUTES

Vice-Mayor Frank announced the approval of the minutes of October 27, 1987 meeting as submitted.

I. PROCLAMATIONS:

A. Recognize Mrs. Charles Young - "Senior Queen of North Carolina"

Vice-Mayor Frank recognized Mrs. Charles (Joan) Young of Ballantree who was recently named "Senior Queen of North Carolina".

Mrs. Young said the pageant is sponsored by the North Carolina Association of Senior Citizens through the Asheville Parks and Recreation Department. She said was named the Queen of Western North Carolina, which includes seventeen (17) counties before obtaining the state title. She said she would be seeking the national title in April in Atlantic City. She said she was asked to seek the title because of her volunteer work in the Rape Crisis Center. She said the Governor had presented her with an award for Outstanding Volunteer because of her work with the local Rape Crisis Center.

Members of Council wished Mrs. Young the best of luck in Atlantic City.

II. PUBLIC HEARINGS:

A. Public hearing relative to rezoning property located on Louisiana Avenue for J. D. Jackson and Associates for Mr. John Queen.

Ordinance No. 1664 - An Ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended.

Vice-Mayor Frank said the Asheville Planning and Zoning Commission on October 14, 1987, considered the request of J. D. Jackson Associates for Mr. John Queen et al that Ward 6, Sheet 9, Lot 76 and portions of Lots 77 and 258 be rezoned from R-3 Residential District to CS Commercial Service District. The Commission voted to recommend to City Council that Ward 6, Sheet 9, Lot 76 and a portion of Lot 77 be rezoned to CS Commercial Service District and the rezoning request for a portion of Lot 258 be denied.

Vice-Mayor Frank opened the public hearing at 4:12 P.M.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Al Kopf, with the Planning Department, said the property is located on Louisiana Avenue behind the Winn-Dixie Store which faces Haywood Road. He said the Commission had recommended denial of the request to rezone a portion of Lot 258 to CS Commercial Service District so as not to allow an encroachment into the residential area.

Upon inquiry of Councilman Tisdale, Mr. Kopf said the owners of Lot 82 and Lot 83 had voiced objections to the rezoning due to increased storm water run off and security in the area.

After discussion, Vice-Mayor Frank closed the public hearing at 4:17 P.M.

Councilman Price moved for the adoption of Ordinance No. 1664 accepting the Planning and Zoning Commission's recommendation to rezone Lot 76 and a portion of Lot 77 from R-3 Residential District to CS Commercial Service District and that the rezoning request for a portion of Lot 258 be denied. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1664 passed on first reading.

Councilman Tisdale requested that the city staff contact the property owners of Lots 82 and 83 to advise them as to Council's action on the rezoning.

III. OLD BUSINESS:

A. Ordinance No. 1661 - Second reading of Ordinance No. 1661, Ordinance amending Chapter 27 (Taxicabs) of the Code of Ordinances of the City of Asheville.

Vice-Mayor Frank said after numerous meetings with the taxicab owners and operators Chapter 27, Taxicabs, is being rewritten. This ordinance was read on first reading on October 27, 1987.

Corporation Counsel Slawter outlined the amendments made to the ordinance since the first reading.

A discussion was held relative to the provisions for exclusive ride services and the rates to be charged for shared rides. Corporation Counsel Slawter and Attorney Wade Hall, representing all taxicab owners, said it was their understanding that this provision was to be deleted. It was the consensus of Council to leave the provision out of the ordinance but to address the rates to be charged for shared rides in the adoption of the rate schedule.

A discussion was held relative to provisions in the ordinance stating that certificates are not transferable. For an example, someone purchasing a taxicab operation would have to apply to the Taxicab Inspector for their own certificates and meet all the requirements specified in the ordinance for a taxicab owner.

Attorney Wade Hall objected to including this provision in the ordinance stating that in his opinion it could be unconstitutional to prohibit someone from selling their business to whoever they wanted to sell it to.

Mr. Hall said he would also hope that Council would delete the provision that would prohibit a taxicab company from also operating a convenience store that sold alcoholic beverages. He said the selling of alcoholic beverages is controlled by the State and it was his hope that the City would stay away from that regulation. He said this provision could also be unconstitutional.

After discussion, it was requested that the Corporation Counsel and Attorney Wade Hall meet prior to the third reading of the ordinance to work out the language relative to certificates not being transferable and the prohibiting of the selling of alcoholic beverages at the same location of a taxicab operation.

On a roll call vote of 6-0, Ordinance No. 1661 passed on second reading.

B. Ordinance No. 1662 - Third reading of Ordinance No. 1662, Ordinance amending Chapter 8 of the Code of Ordinances of the City of Asheville to permit use of automatic fire sprinklers in lieu of additional stairwells in certain historical buildings.

Vice-Mayor Frank said this ordinance would permit installation of a complete sprinkler system in lieu of a second stairwell in historic buildings not over 8 stories in height, of Type I or Type II construction with an enclosed stairwell, other than educational and institutional occupancies. The purpose of this ordinance would be to take advantage of major advances in sprinkler system technology in order to bring buildings like City Hall into compliance with the State Building Code. At this time, the State Building Code does not provide for an alternative to a second stairwell in buildings like City Hall. However, Section 143-138 (e) of North Carolina statutes authorizes local adoption of building rules and regulations, provided that such rules and regulations are approved by the Building Code Council.

Vice-Mayor Frank said this ordinance was previously read on first and second reading and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1662 passed on third and final reading.

Ordinance Book No. 11 Page No. 214 - 216

IV. NEW BUSINESS:

A. Ordinance No. 1665 - Budget Ordinance amendment to appropriate funding for street and sidewalk improvements through June 30, 1988.

Vice-Mayor Frank said this budget amendment in the amount of $10,685,839 will appropriate funding for street and sidewalk improvements through June 30, 1988 - Contract No. 2.

Upon inquiry of Charles Patton of Ballantree, the City Manager said paving would begin in the Spring. He said he would have staff review the streets in Ballantree to determine the status of resurfacing in that area.

Councilman Boland moved for the adoption of Ordinance No. 1665. This motion was seconded by Councilman Michalove.

On a roll call vote of 6-0, Ordinance No. 1665 passed on first and final reading.

Ordinance Book No. 11 Page No. 219

Councilman Price left the meeting at 5:20 p.m.

B. **Resolution No. 87-197 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville a contract and any change orders within the budgeted amount with APAC Carolina, Inc. for the project known as Street and Sidewalk Improvement Contract No. 2.**

Vice-Mayor Frank said the second proposed contract for the streets and sidewalk programs is for replacement and repair of concrete sidewalks, driveway entrances, curbs and gutters along both side of Haywood Road from Patton Avenue to Beverly Road/Ridgelawn intersection. This contract will also do the following seven paving projects: 1) City/County Plaza; 2) Hillside (Merrimon to Mt. Clare); 3) Ann Street (Haywood Street to Patton) 4) Carter (Haywood Street to Patton); 5) Austin; 6) Burton (Haywood Road to Buffalo); 7) Ridgelawn (Haywood Road to Garden Circle).

Upon motion of Councilman Boland, seconded by Councilman Tisdale, Resolution No. 87-197 was unanimously adopted.

Resolution Book No. 17 Page No. 1

C. **Resolution No. 87-198 - Resolution authorizing the Mayor to execute on behalf of the City of Asheville an amendment to the agreement by and between the City of Asheville and McGill Associates, P. A., for additional consulting services for Phase I of the Street and Sidewalk Improvements Projects.**

Vice-Mayor Frank said this amendment will provide the City with a long-term management system that will assure that our limited maintenance funds will be expended in full consideration of cost/benefit relationships. This will also include software that allows for objective evaluation of pavement conditions and the repairs required to bring each street up to standard.

Upon motion of Councilman Boland, seconded by Councilman Michalove, Resolution No. 87-198 was unanimously adopted.

Resolution Book No. 17 Page No. 2

D. **Resolution No. 87-199 - Resolution to provide for a referendum by the City of Asheville's eligible police and fire employees under provisions of Article 2 of Chapter 135 of the General Statutes of North Carolina and under the provisions of the Governor's Executive Order of July 21, 1961.**

Vice-Mayor Frank said there are employees within the Asheville Police Department and Asheville Fire Department not currently covered under the Federal Social Security Act. The City Council has received numerous requests from various members of those two departments to hold a referendum to determine whether or not the majority of members wish to participate in social security. This resolution will provide for such a referendum.

Councilman Tisdale said even though he would be going off of Council shortly it was his hope that Council treat all city employees alike in wages and benefits. He asked that Council take the police and fire employees under consideration in treating all city employees fairly.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, Resolution No. 87-199 was unanimously adopted.

Resolution Book No. 17 Page No. 3

V. CONSENT:

A. Resolution No. 87-200 - Resolution authorizing the City Manager to enter into a lease agreement with Unicom Corporation for space from the City of Asheville at the City's Peach Knob site for the purpose of operating a paging service.

SUMMARY: This resolution will authorize leasing of space at Peach Knob to Unicom Corporation to operate a paging service.

Resolution Book No. 17 Page No. 4

B. Resolution No. 87-201 - Resolution authorizing the Mayor to execute on behalf of the City of Asheville a contract with Southern Railway Company for license to construct and maintain an 8-inch sanitary sewer pipeline across and under the Southern Railway tracks on the west side of the French Broad River.

SUMMARY: The Champion Sewer Project entails installation of an 8-inch sanitary sewer pipeline. It is necessary to cross underneath the Southern Railway tracks on the west side of the river for construction of the 8-inch sanitary sewer pipeline for the Champion Sewer Project. Southern Railway Company requires payment of a $50.00 consideration fee for this license. This resolution will authorize the Mayor to execute said contract.

C. Bids for five (5) assorted passenger vehicles for City of Asheville.

SUMMARY: Recommendation for award for five (5) assorted passenger vehicles as follows: Pelle Chevrolet, Asheville, North Carolina, for bid Item A, (2 each 3/4 ton, four wheel drive, carryall type vehicles for the Fire Department) and Item B, (1 each eight (8) passenger mini-van for the Fire Department), in the amount of $47,958.10 and Matthews Ford, Asheville, North Carolina, for bid Item C, (1 each full size station wagon for the Fire Department); and Item D, (1 each fifteen (15) passenger van for the Parks, Recreation and Public Facilities Department), in the amount of $29,951.76.

Upon motion of Councilman Tisdale, seconded by Councilman Michalove, the consent agenda was unanimously approved.

RESOLUTION NO. 87-202 - RESOLUTION AUTHORIZING THE MAYOR OF THE CITY OF ASHEVILLE TO EXECUTE AN EASEMENT AGREEMENT IN FAVOR OF THE CAROLINA POWER AND LIGHT COMPANY FOR THE VENABLE INDUSTRIAL SITE SEWER CONNECTOR

The City Manager presented a resolution which would authorize the Mayor to execute an easement in favor of the Carolina Power and Light Company in order to provide service to the sewer lift station at the Venable Industrial Site Sewer Connector.

Upon motion of Councilman Michalove, seconded by Councilman Tisdale, Resolution No. 87-202 was unanimously adopted.

REPORT BY COUNCILMAN TISDALE - ASHEVILLE CABLEVISION COMMISSION

Councilman Tisdale reported that the Asheville Cablevision Commission met on Monday, November 9, 1987. He said the meetings have been very productive. He said since he would be going off the Council shortly the Council should be considering a replacement on that Commission.

Councilman Tisdale since he is Council's liaison to the Asheville Transit Authority he would also suggest that the newly elected Councilmember Russ Martin attend the Asheville Transit Authority meeting on Thursday, November 12, 1987 at 3:00 P.M.

VICE-MAYOR FRANK - COMMENDING STAFF FOR NEW "TALENT SCOUT BOOK"

Vice-Mayor Frank commended the staff on their preparation of the new "Talent Scout Book" outlining all Boards and Commissions appointed by members of Council.

COUNCILMAN BOLAND - REQUEST FOR STATUS OF 2010 PLAN

Councilman Boland requested that Council be given a status report on the implementation of the 2010 plan.

CLAIMS - DAVID MULL (POLICE)- RICHARD WALKER (SANITATION) - BRENDA METCALF (WATER) - MICHAEL ORBON (INSPECTIONS) - BILL MULL (PARKS) - SUSAN WILSON (STREETS)

The City Manager presented claims received from David Mull, Richard Walker, Brenda Metcalf, Michael Orbon, Bill Mull and Susan Wilson.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion, Vice-Mayor Frank adjourned the meeting at 5:45 P.M.

MAYOR

CITY CLERK

Tuesday - November 24, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Mary Lloyd Frank; Councilmen Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF THE MINUTES

Mayor Bissette announced the approval of the minutes of the November 10, 1987 meeting as submitted.

VICE-MAYOR FRANK ELECTED TO BOARD OF DIRECTORS - NORTH CAROLINA LEAGUE OF MUNICIPALITIES

Mayor Bissette congratulated Vice-Mayor Mary Lloyd Frank on being elected to the Board of Directors for the North Carolina League of Municipalities.

RECOGNITION TO WATER MAINTENANCE DIVISION - NORTH CAROLINA STATE WATER TAPPING TEAM

City Manager Doug Bean said the City of the Asheville is proud of our Department of Water and Sewer Department, Water Maintenance Division, for winning the State title in water line tapping during the annual convention of the American Water Works in Pinehurst. He said the team will now represent the City of Asheville in the national contest to be held at the AWWA Convention to be held in Orlando, Florida in June of 1988. The Asheville Tapping Team beat Greensboro by just over 1/10 of a second to win first place in the pipe tapping event. Total time to complete a water service tap on a pressurized line was 2:33 minutes. The Asheville Tapping Team, BILLY GEVEDON, PETE RAUSCHENPLAT, GREG ALLEN, DENNIS MORGAN, AND THEIR COACH RICK HARPER, received plaques for their outstanding accomplishments.

City Manager Doug Bean said the Water Production Division also received an award in the Best Drinking Water Contest. He said a panel of nine judges evaluated entries in North Carolina and with less than 1 point difference in the

judging between first and second plan, Brevard, N. C. was chosen first place, Asheville, N. C. was chosen second place, and Durham, N. C. was chosen third. He recognized BOBBY HOLMES from Water Production Control for receiving this award.

A video was shown of the Water Tapping Team's championship performance.

I. PROCLAMATIONS:

A. Proclamation - Mountain Area Hospice - Festival of Trees - November 26, 1987

Mayor Bissette read the proclamation and presented a copy to Judy Noth, Director of Mountain Area Hospice and Bobbie Cannon.

Judy Noth presented members of Council with t-shirts and complimentary tickets to the Festival of Trees event.

PROPOSED PARK - MARTIN LUTHER KING VS. BEAVER LAKE

Mayor Bissette said members of Council has discussed the proposed park to be located on Martin Luther King vs. Beaver Lake properties. After considerable discussion relative to the pros and cons of the two sites it was the unanimous decision of the members of Council to proceed with the proposed park on Martin Luther King. The City has agreed to assist the residents of Beaver Lake in applying for grants for the possible acquisition of the Beverly property for a passive park.

II. PUBLIC HEARINGS:

A. Public hearing relative to closing an unnamed alley on West Avon Parkway.

Resolution No. 87-203 - Resolution to close an unnamed alley on West Avon Parkway in the City of Asheville, North Carolina.

Mayor Bissette said a petition was received from property owners along a portion of West Avon Parkway requesting that the unnamed alley be closed as a public alley. A public hearing is required prior to the closing of the unnamed alley.

Mayor Bissette opened the public hearing at 4:31 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Larry Ward, of the Public Works Department, said the City has no use for the unnamed alley which has never been legally opened. He said the closing of the alley would not deprive adjacent property owners of ingress and egress to his property.

Councilman Tisdale requested that the Lakeview Park Commission be notified of this alley closing.

Mayor Bissette closed the public hearing at 4:35 p. m.

Upon motion of Vice-Mayor Frank, seconded by Councilman Michalove, Resolution No. 87-203 was unanimously adopted.

Resolution Book No. 17 Page No. 7-8

B. **Public hearing relative to closing a portion of Fairview Avenue between Stevens Street and Fairview Road.**

Resolution No. 87-204 - Resolution to close Fairview Avenue between Stevens Street and Fairview Road in the City of Asheville, North Carolina.

Mayor Bissette said a petition was received from property owners along a portion of Fairview Avenue requesting that the portion between Stevens Street and Fairview Road be closed as a public street right of way. A public hearing is required prior to the closing of the unnamed alley.

Mayor Bissette opened the public hearing at 4:36 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Larry Ward, of the Public Works Department, said the City has no use for the portion of Fairview Avenue property to be closed which has never been opened. He said the closing of the portion would not deprive adjacent property owners of ingress and egress to his property.

Councilman Michalove expressed concern that the property owners adjacent to the portion of Fairview Avenue proposed to be closed would receive the property without compensation to the City. He said it is his understanding that the land to be given to the property owners is valuable and the City would be gaining nothing from this closing.

Councilman Tisdale noted that the closing of the portion of Fairview Avenue would be recorded in the Buncombe County Register of Deeds and taxes would have to be paid by the property owners for this property.

Mayor Bissette closed the public hearing at 4:44 p.m.

Upon motion of Councilman Tisdale, seconded by Councilman Price, Resolution No. 87-204 passed on a voice vote of 6-1, with Councilman Michalove voting "no".

Resolution Book No. 17 Page No. 9-10

C. Public hearing relative to closing Syrlin Street.

Mayor Bissette said a petition was received on July 17, 1987 from the property owner along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street, be closed as a public street right of way.

Mayor Bissette opened the public hearing at 4:45 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette said it was noted during Pre-Council Work Session that another petition has been filed requesting the closing of another portion of Syrlin Street and members of Council are inclined to continue this public hearing and considered both the petitions at one meeting. He said the public hearings would be held on January 5, 1988.

Harold Bennett, Attorney for the petitioner, agreed to continuing the public hearing and hearing both requests at one time.

Councilman Price moved to continue the public hearing relative to closing a portion of Syrlin Street until January 5, 1988 without further advertisement. This motion was seconded by Councilman Michalove and carried unanimously.

Councilman Tisdale requested that all adjacent property owners, including Pearcy Carter, be notified of the public hearing date.

III. OLD BUSINESS:

A. Ordinance No. 1664 - Second reading of Ordinance No. 1664, an ordinance amending Ordinance No. 322, known as

"An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of J. D. Jackson and Associates, property located on Louisiana Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission on October 14, 1987, considered the request of J. D. Jackson Associates for Mr. John Queen et al that Ward 6, Sheet 9, Lot 76 and portions of Lots 77 and 258 be rezoned from R-3 Residential District to CS Commercial Service District. The Commission voted to recommend to City Council that Ward 6, Sheet 9, Lot 76 and a portion of Lot 77 be rezoned to CS Commercial Service District and the rezoning request for a portion of Lot 258 be denied. This ordinance was read on first reading on November 10, 1987.

On a roll call vote of 7-0, Ordinance No. 1664 passed on second reading.

B. Ordinance No. 1661 - Third reading of Ordinance No. 1661, Ordinance amending Chapter 27 (Taxicabs) of the Code of Ordinances of the City of Asheville.

Mayor Bissette said after numerous meetings with the taxicab owners and operators Chapter 27, Taxicabs, has been rewritten. This ordinance has been read on first and second readings with several amendments.

Corporation Counsel Slawter reviewed several proposed amendments to the ordinance as discussed during the first and second readings of the ordinance and as agreed to by the taxicab owners.

Councilman Price moved to amend Ordinance No. 1661 as outlined by the Corporation Counsel. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1661 passed on third and final reading.

Ordinance Book No. 11 Page No. 189-213

IV. NEW BUSINESS:

A. Ordinance No. 1666 - Budget ordinance amendment establishing funding for sewer service to Champion Finishing Company, Inc.

Mayor Bissette said the purpose of this budget ordinance amendment is to set up an appropriation for the Champion Siphon/Sewer Project. This project was recently approved by the Appalachian Regional Commission (ARC) for a 50% grant. The grant application was previously authorized on September 23, 1986.

Councilman Tisdale moved for the adoption of Ordinance No. 1666. This motion was seconded by Vice-Mayor Frank.

On a roll call vote of 7-0, Ordinance No. 1666 passed on first and final reading.

Ordinance Book No. 11 Page No. 220

B. Ordinance No. 1667 - Budget ordinance amendment appropriating Rental Rehabilitation Program funds into the budget.

Mayor Bissette said the City has received approval from HUD for $142,400 in Rental Rehabilitation Program funds for 1987-88. This ordinance will appropriate the funds into the budget.

Vice-Mayor Frank moved for the adoption of Ordinance No. 1667. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1667 passed on first and final reading.

Ordinance Book No. 11 Page No. 221

V. CONSENT:

A. Resolution No. 87-205 - Resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company for property on Airport Road.

SUMMARY: Carolina Power and Light Company has requested that the City of Asheville execute a right-of-way easement on property belonging to the City of Asheville located on Airport Road for the purpose of updating an existing electric power line. The Corporation Counsel to add language to the easement to provide that if the City of Asheville has a need to require Carolina Power and Light Company to relocate their lines that it would be done at Carolina Power and Light Company's expense.

Resolution Book No. 17 Page No. 11

B. Resolution No. 87-206 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement and any amendments within the budgeted amount with Black and Veatch, Inc. for engineering services for the design of the South Swannanoa Sewer Interceptor.

SUMMARY: Per City Council's directive in mid-summer to accommodate the proposed Cherokee Place Shopping Center (Roses, Revco, Bilos) and to alleviate the overloaded condition of the sewer interceptor serving this area (Old US 74 and new US 74), solicitations were made for an engineering consultant to design the South Swannanoa 21-inch sanitary sewer interceptor consisting of approximately 8,370 l.f. of 21-inch sanitary sewer. Fourteen firms responded. A committee evaluated and rated the proposals and the contract was negotiated with the highest rated firm, Black and Veatch of Asheboro, North Carolina at a cost of $77,500.

Resolution Book No. 17 Page No. 12

C. Resolution No. 87-207- Resolution authorizing the Mayor to execute a supplemental municipal agreement with the North Carolina Department of Transportation for closed loop Signal system in Asheville.

SUMMARY: The City and the North Carolina Department of Transportation, on the 12th day of March, 1985, entered into a Municipal Agreement for the procurement and installation of a Closed Loop Signal System. Procurement costs and time frames for implementation of this system have changed substantially. Due to these changes the City and the North Carolina Department of Transportation now wish to supplement the agreement.

Resolution Book No. 17 Page No. 13

D. Approval of bids for fire hydrants and PVC pipe.

SUMMARY: Recommendation for award of 135 each 6 inch fire hydrants and 6000 feet of 12 inch C-900 PVC Pipe as follows: Miller Supply Company, Laurinburg, North Carolina for Bid Items No. 1, 2, and 3 (135 fire hydrants - 6 inch with various bury lengths) in the amount of $50,050.00 and Consolidated Pipe and Supply, Charlotte, North Carolina for Bid Item 4 (6000 feet - 12 inch, C-900 PVC pipe) in the amount of $83,880.00.

(Bid Summary Sheet on file in the Office of the City Clerk)

E. **Scheduling public hearing relative to Asheville Mall Expansion for December 8, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a called meeting on June 19, 1985, reviewed and approved the site plan of the Expansion of the Asheville Mall subject to nine contingencies. The Commission also recommended that the City Council, at a later date, request that a study be made of the feasibility of making Bracketown Road one-way out only to White Pine Drive. A grading plan was submitted and approved on January 15, 1987, and this work has been completed.

F. **Scheduling public hearing relative to Sevier Street Apartments, Phase A for December 8, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting on November 11, 1987, reviewed and approved the site plan of Sevier Street Apartments, Phase A, subject to reducing the number of units to nine, specifically deleting unit number one, and compliance with Erosion Control Ordinance.

G. **Scheduling public hearing relative to Adams Hill Mobile Home Park for December 15, 1987.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting on November 11, 1987, reviewed and approved the site plan subject to the following: That the plan be approved provided an 80' buffer be provided between this, any lot for mobile home uses, and the adjacent property owners along the property lines bearing N 85 deg. 27' 04" 464.17', S 80 deg. 33' 27" W 275.68', appears to be adjacent to the Roger Keener, Charlene Webb and Edwin Hensley property, no land disturbing activities to be permitted on this 80' buffer except for purposes of control of storm water and that planting be in accordance with the buffering requirements for the entire 80', subject to review by the appropriate sedimentation board review authority. That a temporary silt basin and permanent stilling basins be installed in the two buffer areas mentioned before and also for Area C. Pumping station closest to space number 29 will have to be moved up the hill 60'.

Upon motion of Vice-Mayor Frank, seconded by Councilman Price, the consent agenda was unanimously approved.

STATUS OF IMPLEMENTATION OF 2010 PLAN

Upon inquiry of Councilman Boland, the City Manager said a report relative to the status of implementation of the 2010 plan would be forthcoming in the near future.

COMMENTS BY IRMGARD GORDOS

Irmgard Gordos, of 61 Bingham Road, Apartment 7C, spoke to Council relative to problems she was experiencing in the Bingham Heights Apartments. She told Council that she had contacted the Asheville Housing Authority and Pisgah Legal Services about her problems but she was still going to have to vacate the premises within three (3) weeks.

After discussion, Mayor Bissette requested that Ms. Gordos give the City Manager a list of her problems and he would see what could be done about her concerns.

CLAIMS - ROBERT VAN DINE (STREETS) - MARY ANN BRACKETT (WATER) - ANN BALL (WATER) - BOBBY FOWLER (SANITATION) - J. C. McDARIS (STREETS) - KATHY KEENER (WATER)

The City Manager presented claims received from Robert Van Dine, Mary Ann Brackett, Ann Ball, Bobby Fowler, J. C. McDaris, and Kathy Kenner.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - PATRICIA L. ANDERSON VS. CITY OF ASHEVILLE

The City Manager said the City of Asheville was named a party in a Small Claims action involving Patricia L. Anderson vs. City of Asheville relative to property damage and bodily injury resulting from automobile accident.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion, Mayor Bissette adjourned the meeting at 5:20 P.M.

MAYOR

CITY CLERK

Tuesday - December 1, 1987 - 4:00 P.M.

ORGANIZATIONAL SESSION:

Mayor W. Louis Bissette opened the meeting.

Mayor Bissette introduced Rev. Arthur F. Fogartie, Pastor of First Presbyterian Church who gave the invocation.

Senior Resident Superior Court Judge Robert D. Lewis administered the Oath of Office to the following:

Mayor W. Louis Bissette, Jr.
Councilman Wilhelmina B. Bratton
Councilman Walter R. Boland
Councilman Mary Lloyd Frank
Councilman Russell M. Martin
Councilman Kenneth M. Michalove
Councilman Norma T. Price

RESOLUTION NO. 87-208 - RESOLUTION OF APPRECIATION TO COUNCILMAN GEORGE M. TISDALE

Mayor Bissette read a resolution of appreciation to Councilman George M. Tisdale.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 87-208 was unanimously adopted.

Complete text of Resolution No. 87-208 will be found in Resolution Book No. 17 at page 14.

Councilman Tisdale thanked members of Council for the resolution and commented on the accomplishments of the City of Asheville during his term of office in the past two years.

*** Recess of Council

REGULAR SESSION

Present: Mayor W. Louis Bissette, Presiding; Councilmen Mary Lloyd Frank, Kenneth M. Michalove, Norma T. Price, Wilhelmina Bratton, Russell M. Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

ELECTION OF VICE-MAYOR

Councilman Price thanked incumbent Vice-Mayor Mary Lloyd Frank for her service during the past two years, and the other Councilmembers echoed their appreciation.

Councilman Price nominated Councilman Kenneth M. Michalove as Vice-Mayor of the City of Asheville. The nomination was seconded by Councilman Frank.

Councilman Bratton moved that the nominations be closed. This motion was seconded by Councilman Martin and carried unanimously.

On a voice vote, Councilman Michalove was unanimously elected as Vice-Mayor.

Councilman Michalove said the unanimous vote is symbolic of starting off on the right foot, no matter who the candidate is, and he looked forward to working with all the members of Council.

Upon inquiry of Ralph Bishop, Mayor Bissette said in the absence of the Mayor and Vice-Mayor another member of Council would preside over the meetings.

APPROVAL OF MINUTES OF NOVEMBER 24, 1987 MEETING

Mayor Bissette announced the approval of the minutes of the November 24, 1987 meeting with several minor amendments.

I. PROCLAMATIONS:

A. Proclamation - "World Healing Day" - December 31, 1987

Mayor Bissette read the proclamation and presented a copy to Gloria Free, with the Planetary Commission. Ms. Free said the local observation of World Healing Day would be from December 30, 1987 at 8:00 p. m. until December 31, 1987 at 8:00 a. m. in the Thomas Wolfe Auditorium at the Asheville Civic Center.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1664 - Third reading of an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of J. D. Jackson and Associates, property located on Louisiana Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission on October 14, 1987, considered the request of J. D. Jackson Associates for Mr. John Queen et al that Ward 6, Sheet 9, Lot 76 and portions of Lots 77 and 258 be rezoned from R-3 Residential District to CS Commercial Service District. The Commission voted to recommend to City Council that Ward 6, Sheet 9, Lot 76 and a portion of Lot 77 be rezoned to CS Commercial Service District and the rezoning request for a portion of Lot 258 be denied. This ordinance was read on first reading on November 10, 1987 and on second reading November 24, 1987.

On a roll call vote of 7-0, Ordinance No. 1664 passed on third and final reading.

Ordinance Book No. 11 Page No. 218

IV. NEW BUSINESS:

A. **Ordinance No. 1668 - Ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinance of the City of Asheville prohibiting truck traffic on Hazel Mill Road, between Patton Avenue and North Louisiana Avenue.**

Mayor Bissette said this action will add the portion of Hazel Mill Road, between Patton Avenue and North Louisiana Avenue, to the list of streets on which certain truck traffic is prohibited.

Mayor Bissette said this ordinance was previously presented to members of Council and will not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1668. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1668 passed on first reading.

B. **Resolution No. 87-209 - Resolution providing for the issuance of $3,000,000 Street and Sidewalk Bonds, Series 1987.**

Mayor Bissette said this resolution sets forth the details of the bonds as required by N. C. General Statutes 159-65.

City Manager Doug Bean said this action will enable the City of Asheville to sell the bonds on December 15, 1987 and to take advantage of staying within the small issue limit.

Councilman Boland introduced the resolution, a copy of which had been provided to each Councilmember, which was read by title: Resolution providing for the issuance of the issuance of $3,000,000 Street and Sidewalk Bonds, Series 1987. Councilman Boland moved for the adoption of the resolution. This motion was seconded by Councilman Martin and carried unanimously.

Resolution Book No. 17 Page No. 15-41

V. CONSENT:

A. Resolution No. 87- 210 - Resolution authorizing the Purchasing Director to dispose of personal property by private sale.

SUMMARY: The City's Print Shop will be purchasing a new graphics camera for printing operations and wishes to sell old equipment (1-Robertson Meteorite Mark III Camera; approximately 20 years old).

Resolution Book No. 17 Page No. 42

B. Resolution No. 87- 211 - Resolution of intent to close a portion of Syrlin Street and calling a public hearing for January 5, 1988.

SUMMARY: A petition was received on November 16, 1987 from the property owners along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street between Tax Lots 178 and 13-1/4 of Ward 9, Sheet 7 of the Buncombe County Tax Maps, extending northward approximately 160 feet from the southern margin of said lots be closed as a public street right of way.

Resolution Book No. 17 Page No. 43-44

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, the consent agenda was unanimously adopted.

CLAIMS - WANDA BURRELL (SEWER)

The City Manager presented a claim received from Wanda Burrell.

COUNCILMAN GEORGE TISDALE - REQUEST FOR STATE AUDIT - PACK SQUARE PROJECT

Councilman Tisdale made a formal request of Council to concur in his request to have the State Auditor, Ed Renfrow, to conduct an audit of both aspects of the Pack Square Project. He said he felt the "air needs to be cleared in the community" on both these projects.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion, Mayor Bissette adjourned the meeting at 5:10 p.m.

MAYOR

CITY CLERK

Tuesday - December 8, 1987 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell M. Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Vice-Mayor Michalove.

APPROVAL OF MINUTES - DECEMBER 1, 1987

Mayor Bissette announced the approval of the minutes of the December 1, 1987 as submitted.

I. PROCLAMATIONS:

A. STAN GUDGER - CRIME STOPPERS - ANNOUNCEMENT OF FUND RAISING DRIVE

Mayor Bissette recognized Stan Gudger, Coordinator for Crime Stoppers, who announced a fund raising drive by Crime Stoppers for their Reward Fund. He said Domino's Pizza will be donating $5.00 for every pizza sold tonight to Crime Stoppers. He encouraged members of Council and everyone to buy a Domino's Pizza tonight to help increase the Reward Fund for Crime Stoppers.

B. PROCLAMATION - HILLHAVEN REHABILITATION AND CONVALESCENT CENTER - NORTH POLE SUBSTATION - HO-HO HOTLINE

Mayor Bissette proclaimed that Hillhaven Rehabilitation and Convalescent Center be designated as the North Pole Substation in recognition of the Center's Ho-Ho Hotline, a program for the residents, where children can call and talk to "Santa Claus".

Mayor Bissette presented the proclamation to Agnes Taylor, who presented the Mayor with a Ho Ho Hotline Certificate.

II. PUBLIC HEARINGS:

A. **Public hearing relative to Asheville Mall Expansion.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a called meeting on June 19, 1985, reviewed and approved the site plan of the Expansion of the Asheville Mall subject to nine contingencies. The Commission also recommended that the City Council, at a later date, request that a study be made of the feasibility of making Bracketown Road one-way out only to White Pine Drive. A grading plan was submitted and approved on January 15, 1987, and this work has been completed.

Mayor Bissette opened the public hearing at 4:20 P.M.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the Planning and Zoning Commission recommended approval of the project subject to the following conditions:

1) Establish and maintain buffering to extend southerly along the contour line, Sheet R3A2, on sheet dated 6-10-85, and that be extended to the northeast corner of Lot 65 until it intersects with the new buffering;

2) Approve the gross parking (full deck as shown) area plan, but in the event the deed restrictions will not permit this plan that parking plan two, with the triangle cut off of the deck, be approved;

3) That the plans be updated to show the contours as it relates to Mr. Rex Moseley's property;

4) That the detailed R3A3, typically new buffering, be tied down with the dimension of 2-1/2 feet from the right-of-way of the property line to the first planting be added. (Clarified from lip of bank to fence line) (Marked on plans);

5) That it be in compliance with present erosion control;

6) That existing contours on portions of the Johnson property zoned residential are not to be disturbed;

7) The location as well as the elevations of the buffering as shown on this plan is a fundamental condition of approval of this group development proposal;

8) Require a schematic drawing of the existing drainage system and the proposed drainage system to be submitted to staff prior to its going to City Council; and

9) Require a schematic lighting plan to be submitted prior to its going to City Council.

The Commission further voted to recommend that City Council be requested to study the feasibility of making Bracketown Road one way out only on White Pine Drive.

Mr. Emrick noted that the Traffic Engineer had taken traffic counts on Bracketown Road on March 25, 1985 indicating a count of 5,047 during peak periods and on December 2, 1987 showing a count of 4,565 during peak periods. He said the decrease is due to recent improvements to U. S. 70 and the entrances to the Asheville Mall.

Mr. John Stevens, Attorney for the Asheville Mall, said the Mall owners have been negotiating with existing and new tenants since the property at the Mall was rezoned in the Spring of 1985. He said Asheville Mall is proposing a new wing to include a new store with a series of shops. The new wing would be located in a southwesterly direction behind Belk's close to the Mall theaters. He said a parking deck is also planned as part of the expansion.

Danie Johnson, Architect for the Project, said for the record he would note that Council is reviewing plans entitled R3, R3A2, and R3A3. He said these plans are the same plans reviewed by the Planning and Zoning Commission with the exception that changes have been made to comply with the conditions outlined by the Planning and Zoning Commission.

Mr. Johnson said the expansion project includes a two-story structure to house a department store of 130,000 square feet at a cost of approximately $18 to $20 million. He said parking would be provided by a single story parking deck with 700 parking spaces. He said grading has been substantially completed. He said the traffic pattern is as recommended by Wilbur Smith and Associates, Traffic Consultants. He said the project will also include the upgrading of the interior of the existing Mall. He said the parking deck is scheduled to begin in January, 1988 and mall construction is scheduled to being in July, 1988. He said the existing storm drainage system would be utilized. He said the lighting plan for the area will cause no bleed over into the residential area. He said the project is designed where no requests for variances is needed and

the owners will comply will all conditions outlined by the Planning and Zoning Commission as well as conditions outlined by Council in the rezoning of the property. He said a tremendous amount of time, effort and money has been put into the project and he requested Council's favorable approval and support of the project. He also requested that Council consider the economic impact of the project.

The following individuals spoke in opposition to the project because of additional noise and fumes from cars, storm drain problems created by the Mall, buffering problems and trash generated by mall patrons. The main area of contention was traffic problems on White Pine Drive, generated by Bracketown Road leading from the north side of the Sears Parking Lot to Tunnel Road via White Pine Drive. It was noted the area from Bracketown Road is usually packed with cars entering and leaving the mall through the Sears lot causing difficulty for area residents to enter their neighborhood.

Brad Thompson, 281 White Pine Drive
Rex Mosely, 28 White Pine Drive
Mr. Fore, 4 East Shore Drive
Bob Young, with U. S. Senator Terry Sanford's Office, speaking on behalf of the residents who had contacted the Senator's Office relative to the problems associated with Bracketown Road. He said he had a petition with 157 signatures relative to these problems. He requested that Council request a feasibility study from N.C.D.O.T. to make the area safer for the residents.
Janice Willard, 292 White Pine Drive
Arthur Williams, 36 White Pine Drive
Helen Payne, 290 White Pine Drive
Mrs. Dewey Ramsey, 258 White Pine Drive
Harold Payne, 290 White Pine Drive - Co-Chairman of Kenilworth Forest Homeowners Association
Dewey Ramsey, 258 White Pine Drive
William Payne, 290 White Pine Drive

Councilman Price requested that the landscape plan for the project be resubmitted to Council for review and approval.

Upon inquiry of Vice-Mayor Michalove, Danie Johnson said the Wilbur Smith and Associates traffic recommendations did not include specific recommendations for Bracketown Road since it is not on Asheville Mall property. He said studies have shown that at present approximately 391 trips are made into the mall through Bracketown Road and 360 trips are made out of the mall through Bracketown Road. He said it is

projected after the expansion that 446 trips will be made into the mall through Bracketown Road and 417 trips will be made out through Bracketown Road.

Upon inquiry of Vice-Mayor Michalove as to how critical it would be to leave Bracketown Road open, John Stevens said since Bracketown Road is not a public street, and Sears owning the land; Sears as well as other mall tenants would have a vital interest in Bracketown Road.

Vice-Mayor Michalove said he felt further studies need to be made as far as Bracketown Road is concerned and Council should consider all options to alleviate traffic problems in the area.

Danie Johnson, in response to Vice-Mayor Michalove relative to the storm drainage problem on Mrs. Willard's property, said McGill Associates and City Staff determined that the problem is not associated with the mall property but with the drainage direction on White Pine Drive. He said to correct this problem it was suggested that the City redirect the drainage to the western side of White Pine Drive. He said it was also determined that the drainage system on the mall property is adequate to carry a 25 year storm capacity. He said steps will be taken not to increase the problem.

Councilman Price suggested that Council continue the public hearing for two weeks giving the staff an opportunity to study the problems associated with Bracketown Road.

Upon inquiry of Councilman Frank, Danie Johnson said the lighting level for the expansion will be the same as the existing system.

John Stevens said the entire expansion project has been carefully reviewed by the Planning and Zoning Commission and Council and the project will be complying with all ordinances and conditions outlined by the Commission and Council. He said the project needs to go forward and Bracketown Road can be addressed separately from the expansion project. He said the owners of the Mall will cooperate with any studies relative to Bracketown Road.

After discussion, Councilman Price moved to continue the public hearing for two (2) weeks without further advertisement and that the City Manager and City Attorney obtain all information possible relative to alternatives to alleviate traffic problems on Bracketown Road and White Pine Drive. This motion was seconded by Councilman Martin.

After further discussion, Councilman Price's motion failed on a vote of 4-3 with Mayor Bissette, Vice-Mayor Michalove, Councilman Frank and Councilman Bratton voting "no".

Mayor Bissette closed the public hearing at 7:15 P.M.

Vice-Mayor Michalove moved that the site plan be approved subject to the conditions stipulated by the Planning and Zoning Commission as outlined in a letter dated June 21, 1985 from Verl Emrick, Planning Director, to Mayor and Members of Council; further that the developer resubmit a landscaping plan to be approved by Council; and further that the City reserves the right to deal with ingress and egress on Bracketown Road after a report is received from the City Manager relative to possible alternatives, said report to be given to Council by January 12, 1987 in a public meeting; further that the City Manager give members of Council a report relative to storm drainage on White Pine Drive. This motion was seconded by Councilman Bratton.

Corporation Counsel Slawter suggested that Vice-Mayor Michalove's motion contain language that the developer would be obligated to abide with any determination made by City Council in regard to access to Bracketown Road and if the developer does not abide with Council's determination that the site plan approval be revoked.

Councilmembers noted that if the language suggested by the Corporation Counsel is added to the motion that this in essence is postponing action on the site plan until after January 12, 1987..

After discussion, Vice-Mayor Michalove withdrew his motion, which was accepted by Councilman Bratton.

Councilman Price then reentered her motion to continue the public hearing for two (2) weeks without further advertisement and that the City Manager and City Attorney obtain all information possible relative to alternatives to alleviate traffic problems on Bracketown Road and White Pine Drive. This motion was seconded by Councilman Martin and carried unanimously.

B. **Public hearing relative to Sevier Street Apartments, Phase A.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on November 11, 1987, reviewed and approved the site plan of Sevier Street Apartments, Phase A, subject to reducing the number of units to nine, specifically deleting unit number one, and compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 7:31 P.M.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Planning Director, said the proposed project is located on Sevier Street with access from Barnard Avenue. He said the developers have agreed to comply with the stipulations of the Planning and Zoning Commission. He said water, sewer, fire, and access provisions for the project have been approved.

Mayor Bissette closed the public hearing at 7:34 P.M.

Councilman Price moved for the approval of the site plan for the Sevier Street Apartments, Phase A, subject to the stipulations outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1668 - Second reading of an ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville prohibiting truck traffic on Hazel Mill Road, between Patton Avenue and North Louisiana Avenue.

Mayor Bissette said this action will add the portion of Hazel Mill Road, between Patton Avenue and North Louisiana Avenue, to the list of streets on which certain truck traffic is prohibited.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1668 passed on second reading.

IV. NEW BUSINESS:

V. CONSENT:

A. Resolution authorizing the Mayor to execute an agreement between Southern Railway Company and the City of Asheville for reconstruction of the Hazel Mill Road Bridge.

SUMMARY: This agreement will allow the City of Asheville to encroach upon the right-of-way of Southern Railway Company for the

purpose of reconstructing Hazel Mill Road Bridge.

B. Resolution authorizing the City Manager to sign an agreement with the Skyland Volunteer Fire Department, Inc. for fire protection services at the Airport Annexation Area.

SUMMARY: This is a continuation of the agreement with the Skyland Volunteer Fire Department to provide fire protection to the area at the Asheville Regional Airport within the corporate limits.

C. Resolution authorizing execution of an agreement with the Municipal Code Corporation.

SUMMARY: The City Code was last written in 1965. Due to numerous changes in the law since that time, portions of the existing City Code are outdated. The Municipal Code Corporation has made a proposal to prepare and publish a new Code of Ordinances for the City. This resolution will authorize the City Manager to execute a contract with Municipal Code Corporation for the preparation of a new Code.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, the consent agenda was unanimously approved.

CLAIMS - DENISE CODY (WATER) - KATHERINE DUCKER (WATER) - SANDRA CAPPS (WATER) - MARTHA LOWE (WATER) - JERRY BURLESON (POLICE) - KEITH GILLESPIE (FIRE) - ROSELYN NORWOOD (STREETS)

The City Manager presented claims received from Denise Cody, Katherine Ducker, Sandra Capps, Martha Lowe, Jerry Burleson, Keith Gillespie, and Roselyn Norwood.

GEORGE TISDALE - COMMENTS RELATIVE TO REQUEST FOR STATE AUDIT ON PACK PLAZA PROJECTS

George Tisdale, 65 Shorewood Drive, former Councilman, requested that the minutes of the December 1, 1987 meeting be amended to include Mayor Bissette's statement relative to Mr. Tisdale's request for a state audit on the Pack Plaza Projects be included in the minutes.

The exact statement being "Councilman Tisdale, we appreciate that idea last week and as you know we are trying to follow through on it and if we can develop some specifics which we are trying to do, then the Council will consider that request and, of course, keep you apprised of Council's decision."

Councilman Price moved that the minutes of the December 1, 1987 meeting be amended to include Mayor Bissette's statement as requested by Mr. Tisdale. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

Mr. Tisdale said after last weeks meeting he had made contacts with the City Staff and Housing Authority to obtain all the documents he needed to set out specifics relative to the Pack Plaza Projects. He said he has had difficulty in obtaining all the documents he needed, making contact with the appropriate officials involved in the two projects and deciphering the information he did receive. He said he had tried to retain legal counsel to assist him in this matter, but unfortunately, every lawyer he would like to consider is tied up with one of these two projects and has a conflict of interest. He said he may have to go out of town to obtain legal counsel.

Mr. Tisdale then presented specific documents relative to the two projects, starting back in 1981 with the Strouse Greenberg proposal. He said from observing these documents there is no documented record of time city employees have spent working with the projects; the fact that the federal Department of Housing and Urban Development no longer does annual audits on the city and the Asheville Housing Authority; there is no documentation of meetings with Pack Plaza developer, Schneider Nine and other downtown developers or of meetings with lending institutions; that he questions how the city achieved a 7.3 percent loan rate on a loan to Schneider Nine.

Mr. Tisdale said he has requested copies of all Housing and Urban Development's monitoring visit reports and copies of the City's response to these visits. He cited discrepancies noted in one monitoring report which he interpreted as "not too good of an audit."

Mr. Tisdale discussed in detail actions taken relative to Plaza Theatre. He questioned why the City Building Inspectors were not involved with this parcel.

Mr. Tisdale also questioned the signatures obtained on Resolution No. 84-31, dated February 22, 1984 and the signatures on the agreement specified in the resolution.

Mr. Tisdale said after reviewing the documents he has obtained he really had more questions than he did answers. He said he still thinks the air needs to be cleared on both projects, and requested that Council consider letting the State Auditor conduct an Audit Review and if necessary a full audit of the two projects.

In response to Mr. Tisdale, Mayor Bissette said he had not received a list of specific questions Mr. Tisdale wanted answered. He said he was having difficulty focusing on exactly what Mr. Tisdale wanted. He said members of Council would go

over what information has been given to them to determine if an audit is necessary.

Roger McGuire, Chairman of the Board for Pack Place, in response to Mr. Tisdale, said the individuals involved in the projects are puzzled as to what they can contribute to help solve Mr. Tisdale's questions. He said it is regrettable that the appearance in the press is that something is strange about Pack Place. He asked that Mr. Tisdale tell them what it is he wants so they can help respond. He said the project is on schedule to open in the fall of 1989. He said he felt Mr. Tisdale's charges are totally without merit.

Mr. Tisdale responded that as a previous elected official he is concerned about the project and he was not questioning the service or decisions made by Roger McGuire or John Daniel, but only the matters he as a Councilmember had to make decisions on relative to these projects.

Note: A complete tape recording of these proceedings will be on file in the City Clerk's office for one year.

ADJOURNMENT

Upon motion of Councilman Michalove, seconded by Councilman Martin, the meeting adjourned at 8:50 P.M.

MAYOR

CITY CLERK

Tuesday - December 15, 1987 - 4:00 P.M.

Regular Meeting

Present: Vice-Mayor Kenneth M. Michalove, Presiding; Councilmen Mary Lloyd Frank; Norma T. Price, Wilhelmina Bratton, Russell M. Martin, and Walter Boland; Corporation Counsel William F. Slawter; Assistant City Manager Charles Penny; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor W. Louis Bissette and City Manager Douglas O. Bean (attending National League of Cities Meeting)

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - DECEMBER 8, 1987

Vice-Mayor Michalove announced the approval of the minutes of the December 8, 1987 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. **Public hearing relative to Adams Hill Mobile Home Park.**

Vice-Mayor Michalove said the Asheville Planning and Zoning Commission at a meeting on November 11, 1987, reviewed and approved the site plan subject to several conditions.

Vice-Mayor Michalove opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project is to be located north of Louisiana Avenue. He said the project meets all requirements of the zoning ordinance. He said access points to the project have been reviewed by the N.C.D.O.T. Traffic Engineer and the City Traffic Engineer. He said the Planning and Zoning Commission recommended approval of the site plan subject to the following: That the plan be approved provided an 80' buffer be provided between any lot for mobile home use and the adjacent property owners along the property lines bearing N 85 deg. 27' 04" 464.17', S 80 deg. 33' 27" W 275.68', appearing to be adjacent to the

Roger Keener, Charlene Webb and Edwin Hensley property; no land disturbing activities to be permitted on this 80' buffer except for purposes of control of storm water and that planting be in accordance with the buffering requirements for the entire 80', subject to review by the appropriate sedimentation board review authority. That a temporary silt basin and permanent silting basins be installed in the two buffer areas mentioned before and also for Area C. Pumping station closest to space number 29 will have to be moved up the hill 60'.

Upon inquiry of Councilman Price, Mr. Emrick said in his opinion the concerns expressed by individuals during the Planning and Zoning Commission meeting were addressed by the stipulations specified by the Planning and Zoning Commission.

Vice-Mayor Michalove closed the public hearing at 4:32 p.m.

Councilman Frank moved to approve the site plan of the Adams Hill Mobile Home Park subject to the conditions specified by the Planning and Zoning Commission. This motion was seconded by Councilman Martin and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1668 - Third reading of an ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville prohibiting truck traffic on Hazel Mill Road, between Patton Avenue and North Louisiana Avenue.

Vice-Mayor Michalove said this action will add the portion of Hazel Mill Road, between Patton Avenue and North Louisiana Avenue, to the list of streets on which certain truck traffic is prohibited.

Vice-Mayor Michalove said this ordinance was previously read on first and second reading and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1668 passed on third and final reading.

Ordinance Book No. 11 Page No. 222

IV. NEW BUSINESS:

A. **Ordinarce No. 1669 - Budget Ordinance amendment to provide funding for Vance School Drainage Project.**

Vice-Mayor Michalove said this budget ordinance amendment will provide funding for Vance School Drainage Project.

Vice-Mayor Michalove said this ordinance was previously presented to members of Council and would not be read in its entirety.

On a roll call vote of 6-0, Ordinance No. 1669 passed on first and final reading.

Ordinance Book No. 11 Page No. 223

B. **Resolution No. 87-215 - Resolution authorizing City Manager to execute an agreement with Huntley Construction Company for the construction of the Vance School Drainage Improvements.**

Vice-Mayor Michalove said this project involves the installation of approximately 420 l.f. of 42" storm sewer and associated appurtenances in Harnett Street and Sand Hill Road in the vicinity of Vance School. The object of these improvements is to alleviate a drainage problem adjacent to the Vance School property. Plans and contract documents were prepared and a low bid received from Huntley Construction Company in the amount of $69,542.50.

Vice-Mayor Michalove said the resolution was previously presented to members of Council and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 87-215 was unanimously adopted.

Resolution Book No. 17 Page No. 48

C. **Approval of temporary freestanding identification sign for Piney Mountain Associates to be located at 305 Pine Mountain Drive.**

Vice-Mayor Michalove said this free standing identification sign will be situated closer than 600' from a limited access highway, requiring the approval of Council pursuant to Zoning Ordinance No. 322.

Verl Emrick, Director of Planning, said this temporary identification sign will be a construction sign for the condominium project

approved by Council last summer. He said the owners are requesting that the construction sign be 160 square feet. He said the Sign Ordinance allows construction signs, however the usual temporary sign is 50 square feet and is allowed for a specified time.

After discussion, Councilman Martin moved to approve a temporary identification sign for Piney Mountain Associates to be located at 305 Pine Mountain Drive provided that the sign be no more than 50 square feet and further that the sign permit be reviewed in six (6) months to determine if the construction sign is still needed. This motion was seconded by Councilman Frank and carried unanimously.

D. Sign Permit for 2 wall signs and 1 freestanding sign to be located at 111 Hazel Mill Road for Federal Express.

Vice-Mayor Michalove said these signs will be situated closer than 600' from a limited access highway, requiring the approval of Council pursuant to Zoning Ordinance No. 322.

Verl Emrick, Director of Planning, said the two 4 x 9 wall signs will be used as a logo sign and identification sign for parking and access information. He said the 5 x 7 freestanding sign was approved, during the approval of the group development plan, however due to elaborate landscaping plans and visibility being limited the owners wish to move the sign closer to the access to the building. The owners plan to place the sign on N.C.D.O.T right-of-way. Mr. Emrick said the Asheville Sign Ordinance will not allow signs to be placed on a right-of-way.

A representative from Creative Signs of Asheville said because of the awareness of the zoning and Council's concerns the 5 x 7 freestanding sign has been reduced in size to 3.4 x 7.1. He said the signs will be moved from the old location of Federal Express. He said the signs will be single-sided.

After discussion, Councilman Frank moved to approve the sign permit for two (2) wall signs and one (1) freestanding sign to be located at 111 Hazel Mill Road for Federal Express. This motion was seconded by Councilman Price and carried unanimously.

E. Announce cancellation of December 29, 1987 meeting.

Vice-Mayor Michalove announced that due to the Christmas Holidays, there will be no meeting of Council on December 29, 1987.

RESOLUTION NO. 87-216 - RESOLUTION BY THE GOVERNING BOARD OF THE CITY OF ASHEVILLE TO PROVIDE FOR A REFERENDUM BY THE GOVERNMENTAL UNIT'S ELIGIBLE POLICEMEN UNDER PROVISIONS OF ARTICLE 2 OF CHAPTER 135 OF THE GENERAL STATUTES OF NORTH CAROLINA AND UNDER PROVISIONS OF THE GOVERNOR'S EXECUTIVE ORDER OF JULY 21, 1961

The Assistant City Manager read the resolution which would allow for a separate referendum of eligible policemen, on March 15, 1988, to determine whether or not the Local Governmental Employees' Retirement System, as it applies to eligible policemen or other law enforcement members, shall be coordinated with the Old-Age Survivors Insurance provisions of the Federal Social Security Act.

Upon motion of Councilman Price, seconded by Councilman Martin, Resolution No. 87-216 was unanimously adopted.

Complete text of Resolution No. 87-216 will be found in Resolution Book No. 17 at Page 49.

RESOLUTION NO. 87-217 - RESOLUTION BY THE BOARD OF DIRECTORS OF THE CITY OF ASHEVILLE TO PROVIDE FOR A REFERENDUM BY THE CITY OR TOWN'S ELIGIBLE EMPLOYEES UNDER PROVISIONS OF ARTICLE 2 OF CHAPTER 135 OF THE GENERAL STATUTES OF NORTH CAROLINA AND UNDER PROVISIONS OF THE GOVERNOR'S EXECUTIVE ORDER OF JULY 21, 1961

The Assistant City Manager read the resolution which would allow for a separate referendum of eligible firemen, on March 15, 1988, to determine whether or not the Local Governmental Employees' Retirement System, as it applies to eligible firemen as members of this governmental unit, shall be coordinated with the Old-Age Survivors Insurance provisions of the Federal Social Security Act.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 87-217 was unanimously adopted.

Complete text of Resolution No. 87-217 will be found in Resolution Book No. 17 at Page 50.

CLAIMS - HILDA SULLIVAN (STREETS) - BOB BOEBERTIZ (STREETS) - JOSEPH AUSTIN (PARKS)

The Assistant City Manager presented claims received from Hilda Sullivan, Bob Boebertiz, and Joseph Austin.

Vice-Mayor Michalove referred the claims to the Corporation Counsel for investigation and recommendation.

REPORT FROM CORPORATION COUNSEL - ASHEVILLE SPEEDWAY

The Corporation Counsel reported that on December 11, 1987, Judge Walter Allen issued a Declaratory Judgement with regard to the application of the Asheville Zoning Ordinance to the Asheville Speedway. In the ruling Judge Allen said the Asheville Speedway conforms to local zoning laws and would not apply to the specific provision regarding certain non-conforming uses being prohibited after ten (10) years from its adoption in October, 1977. He said in summary, the ordinance as adopted by Council in October, 1977 has not been held up by the courts in regard to racetracks. He said Council has two choices: 1) Appeal Judge Allen's decision or 2) look at other alternatives to alleviate the problems associated with the racetrack. He said in his opinion Judge Allen's decision would be upheld if the City appealed the decision to a higher court.

After discussion, it was the unanimous decision of Council not to proceed with an appeal to a higher court but to work with the race track owner in an attempt to modify the speedway's noise level and hours of operation in response to complaints by City residents.

After further discussion, Council directed that the City Staff prepare a report by January 19, 1988 dealing with other businesses which would be affected by the non-conforming use provision of the Zoning Ordinance; the status of the city's noise ordinance; what other cities have done in regard to racetracks; and alternatives for different hours of operation and schedules for practice and actual races at the track.

Vice-Mayor Michalove said the public would be given an opportunity to speak relative to the racetrack at the January 19, 1988 meeting.

RALPH BISHOP - RIGHT OF REDRESS

Ralph Bishop spoke to members of Council relative to his right of redress before the Asheville City Council.

ADJOURNMENT

Upon motion, the meeting adjourned at 5:15 p. m.

MAYOR

CITY CLERK

Tuesday - December 22, 1987 - 400 P.M.

Regular Meeting

Present Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove, Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Walter Boland; City Attorney William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent Russell M. Martin - Vacation

INVOCATION

The invocation was given by Councilman Boland.

APPROVAL OF MINUTES - DECEMBER 15, 1987

Mayor Bissette announced the approval of the minutes of the December 15, 1987 meeting as submitted.

I. PROCLAMATIONS

None

II. PUBLIC HEARINGS

None

III. OLD BUSINESS

A. ACTION RELATIVE TO ASHEVILLE MALL EXPANSION

Mayor Bissette said the Asheville Planning and Zoning Commission at a called meeting on June 19, 1985, reviewed and approved the site plan of the Expansion of the Asheville Mall subject to nine contingencies. The Commission also recommended that the City Council, at a later date, request that a study be made of the feasibility of making Bracketown Road one-way out only to White Pine Drive. A grading plan was submitted and approved on January 15, 1987, and this work has been completed. At the December 8, 1987 meeting Council postponed action relative to the expansion until December 22, 1987 in order to obtain additional information relative to Bracketown Road.

Verl Emrick, Director of Planning and Zoning, said staff had met with Gene Edmonds, District Engineer with the N. C. Department of Transportation; and Bob McDonald, Traffic Engineer; to look at the problems being encountered at Bracketown Road and White Pine Drive. He said they would recommend adding an additional lane on White Pine Drive from the top of the hill down to Tunnel Road and to modify the entry of Bracketown Road into

White Pine Drive by creating a "T" intersection. He said the additional distance on White Pine Drive would give individuals a greater sight distance and would allow more time for making a decision on which traffic lane to enter.

Mr. Emrick said in order to determine the flow of traffic into and out of the Mall, the following traffic counts had been made from Saturday through Monday at the following intersections

Intersection	Sat./Dec 19	Mon./Dec. 21
Bracketown Road	8,154	5,154
Sears Auto Entrance	5,139	2,800
Main Entrance/Beaucatcher Cinema Theaters	11,104	10,573
Center Entrance/K-Mart (Proposed to be Closed)	5,677	3,922
South Entrance	14,824	8,815
Total Counts	44,898	31,264

In response to Mayor Bissette's request for an opinion on the City's legal right for controlling traffic on Bracketown Road, City Attorney William F. Slawter said Bracketown Road is a private road owned by Sears, the Mall, and other property owners. He said the road has not been dedicated to the City and is not maintained by the City; therefore, the City has no legal right to control traffic on the road.

Mr. Emrick said Assoc. City Manager William F. Wolcott, Paul Gilewicz and Tom Tarrant of the Engineering Division, Planner Al Kopf and himself had met at Mrs. Willard's residence at 292 White Pine Drive to look at the drainage problem she had been experiencing. He said following that site inspection, they agree that additional studies and data are needed to determine what alternatives are available to resolve the problem. In the meantime, he said, they propose to divert some of the water off from White Pine Drive to another storm drain system. He said Mrs. Willard had been advised of the group's findings and recommendations.

Mr. Danie Johnson, Architect for the project, said Council had been presented with revised drawings of the Buffering Plan, which were dated yesterday. He said these drawings reflect the following changes

Parking Lot Trees - 112 trees will be planted in the parking lot based on 1690 parking spaces. He said 36 of these trees will be planted within "710" parking field near Belk's. He said these plantings will exceed the requirements of the current ordinance.

White Pine Drive Buffer - Redrew Typical New Buffering (1/R3A3) - For lots 43, 45, 47, 49, and 51 and other locations as determined by Planning Staff, buffer will consist of 8-ft chain link fence with tennis screening, 2 rows of evergreens at least 8-ft high (staggered) and additional plantings consisting of foster holly, mountain laurel, and rhododendron.

Upon inquiry of Councilman Price, Mr. Johnson said the lighting plan for the project had not been finalized yet, but upon completion would be submitted to city staff for approval.

Mayor Bissette said a public hearing had already been held on this issue, but that he wanted to give everybody interested in the project an opportunity to speak. However, he requested that everybody restrict their comments to the new information presented.

Mr. Harold J. Payne, Jr., 299 White Pine Drive, said that he doesn't see how adding the additional lane on White Pine Drive will alleviate the traffic problem. He said this would only permit 2 lanes of traffic to back up on White Pine Drive. He also questioned whether or not the additional lane would cut into the present buffer zone. He said he had a personal concern about a road (Bracketown Road) emptying onto a city street and the City having no control over it.

City Attorney William F. Slawter said Bracketown Road has been a long standing road that has been used by various property owners and was not built during the original development of the Mall.

Councilman Price said the city staff is working with the N. C. Department of Transportation for the installation of a leading green on the traffic signal at White Pine Drive and Tunnel Road. She said she felt the signal, combined with the additional lane, would improve the traffic conditions for the residents of White Pine Drive.

Helen Payne of 299 White Pine Drive asked who is the actual owner of Bracketown Road to which the City Attorney responded that Sears, the Mall, IHOP, and any other property owner whose property adjoins the road, have equal rights to use of the road by virtue of their property adjoining the road.

There was a short discussion relative to the width of the proposed additional lane and whether or not it would leave room for the 50-foot buffer strip. Mr. Emrick said he thought the new lane would leave a 48-foot buffer strip.

Mrs. Payne said she would prefer the buffering over the proposed lane, but that she would like the "T" intersection to ensure that tractor-trailers cannot make the turn onto Bracketown Road. She said the city's figures show this to be the third most used exit/entrance to the Mall, and that the residents of White Pine Drive are depending on the Council for assistance.

Mrs. Janice Willard, 292 White Pine Drive, said the flooding problem on her property had not been resolved. She said she had been given a copy of the report that recommends taking 25% of the rainfall from System B and diverting it to System A. However, she said, this proposal will not alleviate the problem and she asked what the City intends to do. She said she is not able to use her backyard due to the flooding problem.

On the show of hands requested by Mrs. Willard, it was the consensus of the residents of White Pine Drive that the proposed additional lane on White Pine Drive would not be of any benefit to resolving their traffic problem.

Mayor Bissette told Mrs. Willard that her drainage problem would not be any worse, but may improve and be better as a result of the proposed diversion of water off White Pine Drive. He said the City is also looking at other drainage improvements on White Pine Drive. He said the site plan being considered by the City Council should not affect her flooding problem. He said the city has storm drainage problems all over the city to which there are no immediate solutions due to the astronomical cost.

Mr. Rex W. Mosely, 28 White Pine Drive, said he thought the "T" intersection on Bracketown Road would be of some benefit, but was against the proposed extra lane because he felt it would not help traffic problem.

Mr. Rendell Davis, 285 White Pine Drive, said he could see a big difference between property owners having access to a city street and a development that pulls 8,000 cars a day onto a city street. He said this is an interesting problem, and court may be where the problem has to go.

Mrs. Florence Davis, 285 White Pine Drive, said the backup of traffic can create a dangerous situation when emergency vehicles are needed in the White Pine residential area.

Mr. J. C. Chandley, 48 White Pine Drive, said he felt the City should do whatever is necessary to keep the White Pine lanes of traffic open.

Mr. Phillip Hawkins, 244 White Pine Drive, asked the following questions:

Q. Why can't the City determine who owns Bracketown Road? He said he thought this would be fairly simple by just looking at the tax records.

City Attorney William F. Slawter said the ownership could probably have been determined with several more hours of research. However, he said, the ownership of the road was not what really mattered, but rather who had rights to the use of the road.

Q. How can City Council propose to change the intersection to a "T" intersection if they can't determine ownership?

Mayor Bissette said the construction of the intersection would be done within the right-of-way.

Q. If City put in a new lane, who would own it?

City Attorney William F. Slawter said any improvements within the righ-of-way would be owned by the City. Also, he said, if it is built outside of the city's right-of-way and built to the city's specifications, it could be dedicated to the City.

Q. Driveway Access to White Pine Drive (where house used to be) - This is currently being used by cars from the Mall and city vehicles. Can the City Council stipulate that the Mall will never take any more of the existing residential property in Kenilworth Forest as entrance/exit into Kenilworth Community and would the stipulation be binding?

City Attorney William F. Slawter said the current City Council could not make any zoning restrictions that would be binding on future City Councils. However, he said, as long as the area remains a residential area and zoned as such, this could not be done.

Q. Are the provisions of previous City Councils still valid after this Council approves this group development plan today? Will the area known as "the triangle" be wiped out? Does the Council know what the initial stipulations were? What's going to happen in the future?

Mayor Bissette said a new City Council could come in and rezone the whole city, but he felt the previous City Council's stipulations would be valid after today's Council action.

Q. How much will the City benefit from the expansion?

Mayor Bissette said the Council, regardless of their personal emotions, must approve site plans of proposed projects based on whether or not they meet the guidelines of the laws in effect without consideration to what benefit the project will be to the tax base or any other benefits the project may bring to the city.

Mr. Hawkins said he didn't think the City had caused Mrs. Willard's drainage problems because it was not there before the Mall was built. He said the problem was caused by the Mall construction, and the taxpayers should not have to pay for the studies and steps taken to alleviate the problem.

Mayor Bissette said the same type of drainage problems have occurred all over town by construction that has taken place since the 1900's.

Mr. Dewey L. Ramsey, 258 White Pine Drive, asked whether or not Council could take any action if the Mall is adversely affecting the community. He said the closing of the entrance on South Tunnel Road will divert more traffic to Bracketown Road and will impose an additional burden on White Pine Drive.

Mayor Bissette said the Council could not do anything unless it was a matter of public safety. The City Attorney also said the City cannot arbitrarily deny site plans when the group development guidelines have been met.

Mr. Donald P. Ingold, P.E., Vice President of Wilbur Smith Associates, said his company had been hired by Mr. Coleman to study the traffic situation at the intersection of White Pine Drive with Bracketown Road and the intersection of White Pine Drive with U.S. 70/74. He said northbound vehicles on White Pine Drive back up onto Bracketown Road. This restricts northbound traffic on White Pine Drive from accessing the right/through lane at US 70/74, thereby removing the possibility of a right turn on red. However, he said, the conflicting eastbound traffic is so heavy the right turn on red movement is very difficult and highly unlikely during peak periods.

Mr. Ingold said he identified additional problems at the intersection of White Pine Drive and US 70/74. These problems add to the delay at the intersection of White Pine and Bracketown Road. He said the delay at this intersection has been calculated at 38 seconds for left turning vehicles and 28 seconds for right turning and through vehicles. He said his analysis revealed a need for a protected westbound left-turn phase at the intersection.

Mr. Ingold said his recommendations to Mr. Coleman included the following:

1. Add short leading left-turn to traffic signal at White Pine Drive.

2. Ask the N. C. Department of Transportation to shorten the cycle length of the signal at White Pine Drive.

3. Extend right-turn lane through intersection of White Pine Drive.

4. Vigorous enforcement by Police Department of traffic blocking intersection.

Upon inquiry of Councilman Price, Mr. Danie Johnson said the old driveway that leads onto White Pine Drive will be closed and a 50-foot fence installed and trees planted.

Councilman Price moved to approve the site plan of the proposed Mall Extension subject to the nine (9) conditions recommended by the Planning and Zoning Commission, and also contingent upon staff approval of the landscaping and lighting plans; that the Mall construct a "T" intersection from Bracketown Road onto White Pine Drive according to city standards and approved by city staff. Further, that White Pine Drive be widened from Bracketown Road to the International House of Pancakes, Inc. (IHOP), that the City make additional recommendations regarding Mrs. Willard's drainage problem, and that the City pursue the request to the N. C. Department of Transportation for a leading left-turn signal from Tunnel Road onto White Pine Drive and to study the synchronization of the traffic lighting in the area. This motion was seconded by Councilman Frank and carried unanimously.

IV. NEW BUSINESS

A. RESOLUTION NO. 87-218 - RESOLUTION ADOPTING FEES AND CHARGES MANUAL

Mayor Bissette said a fees and charges manual has been prepared which includes a brief description of the revenue, a fee schedule, and a cost recovery principal for each fee and charge so made by the City. The manual is scheduled for an annual review and update. In order to clarify a printing error in the Manual, Mayor Bissette said the effective date in the manual should read January 1-June 30, 1988.

Mayor Bissette said a copy of the resolution had been previously distributed to Members of Council and that the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 87-218 was unanimously adopted.

Complete text of Resolution No. 87-218 will be found in Resolution Book 17, Page 51.

B. RESOLUTION NO. 87-219 - RESOLUTION AUTHORIZING THE MAYOR TO EXECUTE AN AGREEMENT WITH JOHN L. LANTZIUS AND ANNETTE LOUISE LANTZIUS MODIFYING THE TERMS OF AN URBAN DEVELOPMENT ACTION GRANT AGREEMENT DATED OCTOBER 29, 1979

Mayor Bissette said this agreement will provide that the property known as 39 Broadway be released from the Deed of

Trust upon payment to the City of Asheville by John L. Lantzius and wife Annette Louise Lantzius of the sum of $45,000 to be applied toward the principal owed upon the note.

Mayor Bissette requested that he be excused from the discussion and vote on this issue since his law firm represents Mr. and Mrs. Lantzius.

Councilman Price moved to excuse Mayor Bissette. This motion was seconded by Vice Mayor Michalove and carried unanimously.

Mayor Bissette turned over the chair to Vice Mayor Michalove.

Vice Mayor Michalove said a copy of the resolution had been previously distributed to Members of Council and that the resolution would not be read unless there was a specific request to do so.

Councilman Frank moved to adopt Resolution No. 87-219 and to amend the resolution to provide for execution by the Vice Mayor. This motion was seconded by Councilman Price and carried unanimously.

Complete text of Resolution No. 87-219 will be found in Resolution Book 17, Page 52 and 53.

Vice Mayor Michalove turned the chair back over to Mayor Bissette.

V. CONSENT

A. RESOLUTION NO. 87-220 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN AGREEMENT BETWEEN THE CITY OF ASHEVILLE AND DELTA DENTAL PLAN OF NORTH CAROLINA, INC., FOR THE PURPOSE OF CONTINUING DENTAL BENEFITS TO THE CITY OF ASHEVILLE EMPLOYEES, FAMILIES, AND THE STAFF OF THE ASHEVILLE-BUNCOMBE COUNTY COMMUNITY RELATIONS COUNCIL

SUMMARY This resolution will authorize the City Manager to execute an agreement to continue dental benefits to the City of Asheville employees, families, and the staff of the Asheville-Buncombe County Community Relations Council during calendar year 1988.

Complete text of Resolution No. 87-220 will be found in Resolution Book 17, Page 54.

B. APPROVAL OF BIDS FOR FOUR (4) INCH DIAMETER FIRE HOSE

SUMMARY Recommendation for award of Bid Request No. 311-88 to Slagle Fire Equipment and Supply Company for 40 lengths of four (4) inch diameter fire hose for the Fire Department in the amount of $14,280.00.

C. RESOLUTION NO. 87-221 - RESOLUTION OF INTENT TO CLOSE AN UNNAMED ALLEY PARALLEL TO LEXINGTON AVENUE AND BILTMORE AVENUE AND CALLING A PUBLIC HEARING FOR JANUARY 26, 1988

SUMMARY A petition was received from the property owners along the unnamed alley - as shown on attached map. The petition requested that an unnamed alley be closed as a public alley.

Complete text of Resolution No. 87-221 will be found in Resolution Book 17, Pages 55 and 56.

D. RESOLUTION NO. 87-222 - RESOLUTION AUTHORIZING THE CITY MANAGER TO EXECUTE AN AGREEMENT WITH HOBSON CONSTRUCTION COMPANY FOR THE CONSTRUCTION OF THE CHAMPION SIPHON/SEWER IMPROVEMENTS

SUMMARY This project involves the installation of approximately 370 linear feet of siphon under the French Broad River and approximately 2300 linear feet of sanitary sewer on Pearson Bridge Road. Bids were opened for this project on December 10, 1987 and the lowest responsible bidder was Hobson Construction Company, Inc., in the amount of $239,152.00. It is recommended that the City Manager is authorized to execute an agreement with Hobson Construction Company, Inc., for this project.

Complete text of Resolution No. 87-222 will be found in Resolution Book 17, Page 57.

Upon motion of Vice Mayor Michalove, seconded by Councilman Boland, the consent agenda was unanimously adopted.

CLAIMS - KAREN HARRIS (WATER), LILLIE HUMPHRIES (WATER), OPAL MANN (SEWER)

The City Manager presented claims received from Karen Harris (Water), Lillie Humphries (Water), Opal Mann (Sewer).

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

LAWSUIT - HARRY BRUMMER V. VERL EMRICK; HARRY BRUMMER V. WILLIAM F. SLAWTER (ALLEGED MISREPRESENTATION AND ABUSE OF POWER

The City Manager said lawsuits filed by Harry Brummer against Verl Emrick and William F. Slawter involving alleged misrepresentation and abuse of power were served which may affect the city.

Mayor Bissette referred the lawsuits to the City Attorney for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Boland, seconded by Councilman Frank, the meeting adjourned at 630 P.M.

MAYOR

CITY CLERK

Tuesday - January 5, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell M. Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland - Vacation

INVOCATION

Councilman Price introduced Rev. Tony Clarke-Sayer with the Asheville Buncombe Community Christian Ministry who gave the invocation.

APPROVAL OF THE MINUTES - DECEMBER 22, 1987

Mayor Bissette announced the approval of the minutes of the December 22, 1987 meeting with several amendments to the motion relative to the Asheville Mall Expansion.

I. PROCLAMATIONS:

None

II. PUBLIC HEARINGS:

A. Continuation of a public hearing relative to closing a portion of Syrlin Street requested by Ellen Goldstein.

Mayor Bissette said a petition was received on July 17, 1987 from the property owner along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street extending northward from the northern margin of Tax Lot 178 and Tax Lot 13-1/4 of Ward 9, Sheet 7, be closed as a public street right of way. This public hearing was on November 24, 1987 but was continued until January 5, 1988.

Mayor Bissette reopened the public hearing at 4:24 p.m.

Mayor Bissette said a request was received from the attorney involved in the closing of a portion of Syrlin Street to continue the public hearing due to a death in his family.

Councilman Michalove moved to continue the public hearing relative to closing a portion of Syrlin Street requested by Ellen Goldstein until January 12, 1988 without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

B. **Public hearing relative to closing a portion of Syrlin Street requested by G. Findley Reed Jr., Norman C. Bradford, Virginia S. Bradford and others.**

Mayor Bissette said a petition was received on November 16, 1987 from the property owners along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street between Tax Lots 178 and 13-1/4 of Ward 9, Sheet 7 or the Buncombe County Tax Maps, extending northward approximately 160 feet from the southern margin of said lots be closed as a public street right of way.

Mayor Bissette opened the public hearing at 4:25 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Due to Council's desire to hear both public hearings relative to the closing of portions of Syrlin Street at the same time Councilman Martin moved to continue the public hearing relative to closing a portion of Syrlin Street requested by G. Findley Reed Jr., Norman C. Bradford, Virginia S. Bradford and others until January 12, 1988 without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

III. OLD BUSINESS:

Emergency Shelter Grant Agreements

Mayor Bissette said the next three agenda items dealing with Emergency Shelter Grant Agreements is a concern to Council in that when the City enters into these grant agreements the City will be responsible for seeing that the facilities remain open for a certain period of time at the exact location where the grant funds are expended. He said the Hospitality House and Eliada Home facilities will have to remain open for three (3) years and Asheville-Buncombe Community Christian Ministry for ten (10) years. He said social service programs are historically a county function, however, the applications were made for the grant funds by the City because of the deadline for submitting the applications. He said Council would like to accept the grant funds and perhaps contract with the Housing Authority to administer the grants and in turn the Housing Authority could contract with the agencies in order that all guidelines could be met and the facilities would remain open for the time period specified in the grant.

Tony Clarke-Sayer, with the Asheville-Buncombe Community Christian Ministry, said they are not abandoning the site on Coxe Avenue and are proceeding with the renovations of that facility. He said there is a possibility of a court case involving the site but they will defend their interest in the location. He said Asheville Buncombe Community Christian Ministry currently holds twenty (20) beds but they don't have enough beds to house the number of homeless people in Asheville. He said Council's acceptance of these grants would help aid in this problem.

Emily Clark; Route 1, Box 738; Candler, North Carolina; 28715; said in her opinion the more homeless shelters Asheville has the more homeless people they will have. She said these people should be put on a "farm" where they can work for their upkeep which would prove more effective in solving this problem.

Dale Roberts, 36 Edwin Place, a volunteer at the Hospitality House, said he feels there is strong community support for these facilities. He said Hospitality House also helps to get people off the street and rehabilitated.

A. **Motion authorizing the execution of an Emergency Shelter Grant Agreement on behalf of the Emergency Shelter of Eliada Homes, Inc.**

Mayor Bissette said this action authorizes the execution of a grant agreement with the N. C. Department of Natural Resources and Community Development for an Emergency Shelter Grants Program. The project will be subcontracted to the Emergency Family Shelter of Eliada Homes, Incorporated to provide shelter and support services for the homeless. The project involves $5,357 for building rehabilitation and $9,785 for operations/service activities.

Councilman Frank moved to authorize the execution of an Emergency Shelter Grant Agreement on behalf of the Emergency Shelter of Eliada Homes, Inc. contingent upon a satisfactory agreement being reached with Eliada Homes, Inc. This motion was seconded by Councilman Price and carried unanimously.

B. **Motion authorizing the execution of an Emergency Shelter Grant Agreement on behalf of the Hospitality House of Asheville, Inc.**

Mayor Bissette said this action authorizes the execution of a grant agreement with N. C. Department of Natural Resources and Community Development for an Emergency Shelter Grants Program. The project will be subcontracted to the Hospitality House to provide shelter and support services for the homeless. All of the grant funds in the amount of $4,668 will be used for operations/service activities.

Councilman Bratton moved to authorize the execution of an Emergency Shelter Grant Agreement on behalf of the Hospitality House of Asheville, Inc. contingent upon a satisfactory agreement being reached with Hospitality House of Asheville, Inc. This motion was seconded by Councilman Frank and carried unanimously.

C. **Motion authorizing the execution of an Emergency Shelter Grant Agreement on behalf of the Asheville-Buncombe Community Christian Ministry.**

Mayor Bissette said this action authorizes the execution of a grant agreement with N. C. Department of Natural Resources and Community Development for an Emergency Shelter Grants Program. The project will be subcontracted to the Asheville Buncombe Community Christian Ministry to provide shelter and support services for the homeless. The project involves $19,108 for building rehabilitation and $10,919 for operation/service activities.

Councilman Price moved to authorize the execution of an Emergency Shelter Grant Agreement on behalf of the Asheville-Buncombe Community Christian Ministry contingent upon a satisfactory agreement being reached with Asheville-Buncombe Community Christian Ministry. This motion was seconded by Councilman Martin and carried unanimously.

Vice-Mayor Michalove moved that the Housing Authority be requested to administer the Emergency Shelter Grants either as a subgrantee or administrator. This motion was seconded by Councilman Price and carried unanimously.

IV. NEW BUSINESS:

A. Resolution No. 88-1 - Resolution authorizing the execution of an easement for General Services Administration for the purpose of refencing and repaving a small portion of the Wall Street Alley by the former U. S. Post Office.

Mayor Bissette said General Services Administration has requested that an easement be granted to refence and repave a small part of the Wall Street alley by the former U. S. Post Office/Courthouse. This part of the Wall Street alley has for many years been paved and fenced in while being used as a parking area by GSA. The easement is necessary in order to justify spending Federal money on non-federal property, to repair or replace the paving and fence, which are both in poor condition.

By the use of a map, the City Manager reviewed the location of the requested easement.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, Resolution No. 88-1 was unanimously adopted.

Resolution Book No. 17 Page No. 58

OTHER BUSINESS:

CLAIMS - EDNA HULL (CIVIC CENTER) - KENNETH DACY (WATER)

The City Manager presented claims received from Edna Hull and Kenneth Dacy.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - RIGHT OF REDRESS AND LOTTERY SALES

Ralph Bishop spoke to members of Council relative to his right to seek redress from Council and lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion, the meeting adjourned at 4:55 p.m.

MAYOR

CITY CLERK

Tuesday - January 12, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES - JANUARY 5, 1988

Mayor Bissette announced the approval of the minutes of the January 5, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. **Proclamation - Land of the Sky Chess Week - January 18 - 24, 1988**

Mayor Bissette read the proclamation and presented a copy to Wilder Wadford, Chairman of the Committee for the Chess Tournament and President of the Asheville Chess Club.

II. PUBLIC HEARINGS:

A. **Continuation of a public hearing relative to closing a portion of Syrlin Street requested by Ellen Goldstein.**

Mayor Bissette said a petition was received on July 17, 1987 from the property owner along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street extending northward from the northern margin of Tax Lot 178 and Tax Lot 13-1/4 of Ward 9, Sheet 7, be closed as a public street right of way. This public hearing was on November 24, 1987 but was continued until January 5, 1988. At the January 5, 1988 meeting the hearing was continued until January 12, 1988.

B. **Continuation of a public hearing relative to closing a portion of Syrlin Street requested by G. Findley Reed Jr., Norman C. Bradford, Virginia S. Bradford and others.**

Mayor Bissette said a petition was received on November 16, 1987 from the property owners along a portion of Syrlin Street. The petition requested that a portion of

Syrlin Street between Tax Lots 178 and 13-1/4 of Ward 9, Sheet 7 or the Buncombe County Tax Maps, extending northward approximately 160 feet from the southern margin of said lots be closed as a public street right of way. At the January 5, 1988 meeting the hearing was continued until January 12, 1988.

It was the desire of Council to hold these two public hearings together since they are related issues.

Verl Emrick, Planning Director, said the two petitions received to close portions of Syrlin Street were generated by a proposed group development by Ellen Goldstein for four duplex apartments. He said the plan was reviewed by the Planning and Zoning Commission and presented to Council with a recommendation for approval with several modifications. He said the group development plan was subsequently withdrawn pending the resolution of the closing of a portion of Syrlin Street. He said the Public Works Department reviewed and proposed closings and has no problems with the closings.

Harold Bennett, Attorney representing Ellen Goldstein, presented a plat showing the properties in question. He said his client purchased the property about a year ago, which is zoned R-3 Residential District, for the purpose of constructing four duplex apartments. He said the development cannot legally be accessed from Long Street and that the complex cannot be built without entry and exit from Syrlin Street. He said General Statutes 160A-299 permits the closing of this portion of Syrlin Street since the closing will not be detrimental to the public interest or to individual property rights.

Mr. Bennett spoke in opposition to the closing of the portion of Syrlin Street requested by others stating that the closing of this portion of Syrlin Street would be extremely detrimental to Ellen Goldstein. He said if the entire portion of Syrlin Street is closed as requested the group development project would fail due to lack of access to public right-of-way. He said the proposed development would be a $600,000 investment by Ms. Goldstein.

Gary Swartz, 79 Edgewood Road, said he did not object to the closing of that portion of Syrlin Street adjacent to Ms. Goldstein's property but also requested that the extension of Syrlin Street requested to be closed by other residents be closed.

He said Syrlin Street is not a "real" street but is just on the tax maps. He said it is not used by pedestrians or vehicles. He said the residents have no objection to Ms. Goldstein developing her property for commercial use but the development if accessed from Syrlin Street would be destructive and harmful to the neighborhood. He said the residents are of the opinion that the developer could revise her plans so the project does not come through Syrlin Street. He said closing both portions of Syrlin Street, as requested, would allow the developer to develop her project as well as prohibit commercial encroachment into the residential neighborhood.

Norman and Virginia Bradford, 28 Lockley Avenue, spoke in support of the closing of the portions of Syrlin Street as requested. They spoke in opposition to a commercial development having access to Syrlin Street. They said the plans could be adapted not to use Syrlin Street.

Darrell Metcalf, 6 Long Street, also spoke in support of the closings.

Harold Bennett said in his opinion the residents are actually speaking in opposition to Ms. Goldsteins group development. He said the property is zoned R-3 Residential District which allows such a group development.

Upon inquiry of Council, Corporation Counsel Slawter said in his opinion the issues before Council were whether the closing of either portion of Syrlin Street would deny Ms. Goldstein or others reasonable access to their property and whether the closing would be detrimental to the public interest.

After a lengthy discussion relative to the status of accessing the proposed development from Long Street and the legality of closing Syrlin Street, Councilman Boland moved to continue the public hearings for one week, until January 19, 1988, without further advertisement, giving the Planning and Legal Staff an opportunity to meet with the developer to determine the alternatives to accessing the proposed project and to formulate an opinion on the closing of Syrlin Street. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Request for lighting the ballfield at Deaverview Park.

Mayor Bissette said a request was received from Dorothy Arrowood of 126 Vance Crescent with reference to the possibility of lighting the ballfield at Deaverview Park in the spring of 1988. This request was forwarded to the Parks and Recreation Advisory Board. After considerable discussion the Board unanimously recommended that the ballfield at Deaverview Park be lighted in the spring of 1988. The Board suggested that this be accomplished by allocating $50,000 from funds allocated for the proposed Martin Luther King Drive/South Charlotte Street Park with the understanding that the $50,000 would be replaced into the Martin Luther King Drive/South Charlotte Street Park project during fiscal year 1988-89. It was noted that the funds to light Deaverview Park are included in the capital improvement program for 1988-89 and that this action will simply advance this project for one year.

Dorothy Arrowood, of 126 Vance Crescent, spoke in support of the lighting of the ballfield at Deaverview Park. She said she has presented letters and petitions to members of Council, on December 1, 1987, requesting the lighting at Deaverview Park. She requested that Council accept the recommendation of the Parks and Recreation Advisory Board.

Bill Costello, retiree from the Asheville Police Department, said he had worked with young people for many years and in his opinion the expense to the City for the lighting will be well spent to help the youth stay off the streets.

Ordinance No. 1670 - Budget Ordinance amendment appropriating Bee Tree Settlement Proceeds and earmarking $50,000 for Deaverview Park lighting.

Vice-Mayor Michalove moved to accept the recommendation of the Parks and Recreation Advisory Board and for the adoption of Ordinance No. 1670. This motion was seconded by Councilman Bratton.

On a roll call vote of 7-0, Ordinance No. 1670 passed on first and final reading.

Complete text of Ordinance No. 1670 will be found in Ordinance Book No. 11 at Page 224.

Resolution No. 88-2 - Resolution of support that the controversy concerning Champion International Corporation be resolved.

Vice-Mayor Michalove read the resolution.

Upon motion of Councilman Michalove, seconded by Councilman Bratton, Resolution No. 88-2 was unanimously adopted.

Complete text of Resolution No. 88-2 will be found in Resolution Book No. 17 at page 59.

Mayor Bissette said he would be attending the public hearing scheduled at the Asheville Civic Center on Thursday, January 14, 1988 to be held between 1 PM and 10 PM relative to Champion International Corporation and the Environmental Protection Agency.

B. Resolution No. 88-3 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement and any amendments thereto with CH2M Hill, Southeast, Inc., for engineering services for a drainage study.

Mayor Bissette said the citizens of Asheville approved a bond issue for the purpose of improvements and rehabilitation to streets, sidewalks, and drainage within the City. The services of a consulting engineer are required to survey, inventory, evaluate, map, and prioritize the long range drainage needs for the City. An Evaluation/Selection Committee selected CH2M-Hill as the consultant for this project from over two hundred (200) solicitations.

The City Manager and Harold Huff, Director of Water and Sewer Services, outlined the details of the agreement.

Upon motion of Councilman Boland, seconded by Councilman Martin, Resolution No. 88-3 was unanimously adopted.

Resolution Book No. 17 Page No. 60

C. Resolution No. 88-4 - Resolution authorizing the Mayor to execute an agreement with Price Waterhouse for auditing services for the Fiscal Year ending June 30, 1988.

Mayor Bissette said N.C. Gen. Stat. sec. 159-34 requires that local governments of North Carolina submit an annual audit to the Local Government Commission. Price Waterhouse, current auditors of the City of Asheville, has submitted a proposal to perform auditing services for the fiscal year ending June 30, 1988.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 88-4 was unanimously adopted.

Mayor Bissette was excused from the meeting and turned the meeting over to Vice-Mayor Michalove.

D. **Ordinance No. 1671 - Budget Ordinance amendment to appropriate funds for the Emergency Shelter Grant Programs.**

Vice-Mayor Michalove said this amendment will appropriate $49,837 of grant funds from the Emergency Shelter Grant Program. The project will be subcontracted as follows: ABCCM Shelter $30,027; Eliada Home Shelter $15,142; Hospitality House Shelter $4,668.

Councilman Price moved for the adoption of Ordinance No. 1671. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1671 passed on first and final reading.

Ordinance Book No. 11 Page No. 225

E. **Motion authorizing the City Manager to execute a Landlord's Consent in favor of Northern Telecom Finance Corporation in regard to a lease with U. S. Cellular for use of tower space at the White Fawn Reservoir.**

Corporation Counsel Slawter said a request was received from Steve Goldstein for execution by the City of a Landlord's Consent. The City entered into a lease with U. S. Cellular for use of tower space at the White Fawn Reservoir. This consent authorizes the assignment of that lease to a subsidiary partnership. The document also provides that Northern Telecom Finance Corporation will have a first lien on any equipment placed on the site by U. S. Cellular.

Councilman Price moved to authorize the City Manager to execute a Landlord's Consent in favor of Northern Telecom Finance Corporation in regard to a lease with U. S. Cellular for use of tower space at the White Fawn Reservoir. This motion was seconded by Councilman Frank and carried unanimously.

OTHER BUSINESS;

Resolution No. 88-5 - Resolution appointing members to the Asheville Downtown Commission (Councilman Boland and Councilman Bratton)

Vice-Mayor Michalove presented a resolution reappointing Councilman Boland and Councilman Bratton to the Asheville Downtown Commission for a term expiring December 5, 1989.

Upon motion of Councilman Price, seconded by Councilman Martin, Resolution No. 88-5 was unanimously adopted.

Resolution Book No. 17 Page No. 62

Resolution No. 88-6 - Resolution appointing member to the Asheville-Buncombe Crime Stoppers Committee (Councilman Norma Price)

Vice-Mayor Michalove presented a resolution reappointing Councilman Norma Price as a member to the Asheville-Buncombe Crime Stoppers Committee, term expiring June 30, 1990.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 88-6 was unanimously adopted.

Resolution Book No. 17 Page No. 63

Resolution No. 88-7 - Resolution appointing member to the Asheville-Buncombe Water Authority (Ralph D. Morris, Jr.)

Vice-Mayor Michalove presented a resolution reappointing Ralph D. Morris, Jr. as a member of the Asheville-Buncombe Water Authority for a term expiring December 31, 1990.

Mayor Bissette returned to the meeting.

Councilman Martin said he could not support the resolution because of Council's stated policy that an individual can not serve on a Board or Commission more than two (2) terms. He said Council members should adhere to this policy. He said he was not opposing the resolution because of Ralph Morris, but merely because of Council's stated policy on reappointments.

Councilman Price and Frank supported the resolution stating that Ralph Morris was instrumental in the establishment of the Authority and his expertise was needed on the Authority. They said Mr. Morris is a valuable member to the Authority and has the ability to handle their unique problems.

Councilman Boland and Mayor Bissette said they would support the resolution, however, they also had reservations about Council deviating from Council's stated policy on reappointments.

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 88-7 was adopted on a voice vote of 6-1, with Councilman Martin voting "no".

LETTERS RECEIVED RELATIVE TO SNOW REMOVAL

Mayor Bissette said a number of letters and calls were received from individuals relative to the recent snow removal process. He said he felt the Public Works Department had done a very good job. He said the Public Works Department removes the snow on a priority basis. He said the City Manager would be responding to the letters received.

ANN CROSS - COMPLAINT RELATIVE TO WIRE IN STREET

Ann Cross of Woodland Road, complained about a wire falling down at 18 Orange Street that his hanging down, partly on the sidewalk and partly in the street. She said she had called the power, cable, and fire departments to come out and check the wire and to date, no one has been out to check it. She said the wire could be dangerous.

Mayor Bissette said the City Manager would have someone check the wire.

HELEN O'CONNER - PLANETARY COMMISSION - SUPPORT FOR 'PEACE POLE"

Helen O'Conner with the Planetary Commission requested Council's support to the erection of the "Peace Pole" on the City/County Plaza. She said they wish to install the pole during the Martin Luther King, Jr.'s celebration next week.

After discussion, Mayor Bissette instructed the City Manager to look into the Planetary Commission's request and determine if they can find an appropriate location for the "Peace Pole."

CLAIMS - KATHLEEN BALL (WATER) - LYNNETTE EASLEY (WATER)

The City Manager presented claims received from Kathleen Ball and Lynnette Easley.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Michalove, the meeting adjourned at 6:25 p.m.

MAYOR

William F. Merritt
CITY CLERK

Tuesday - January 19, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF MINUTES - JANUARY 12, 1988

Mayor Bissette announced the approval of the minutes of the January 12, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. **Continuation of a public hearing relative to closing a portion of Syrlin Street requested by Ellen Goldstein.**

Mayor Bissette said a petition was received on July 17, 1987 from the property owner along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street extending northward from the northern margin of Tax Lot 178 and Tax Lot 13-1/4 of Ward 9, Sheet 7, be closed as a public street right of way. This public hearing was on November 24, 1987 but was continued until January 5, 1988. At the January 5, 1988 meeting the hearing was continued until January 12, 1988. The public hearing was again continued until January 19, 1988.

B. **Continuation of a public hearing relative to closing a portion of Syrlin Street requested by G. Findley Reed Jr., Norman C. Bradford, Virginia S. Bradford and others.**

Mayor Bissette said a petition was received on November 16, 1987 from the property owners along a portion of Syrlin Street. The petition requested that a portion of Syrlin Street between Tax Lots 178 and 13-1/4 of Ward 9, Sheet 7 or the Buncombe County Tax Maps, extending northward approximately 160 feet from the southern margin of said lots be closed as a public street right of way.

At the January 5, 1988 meeting the hearing was continued until January 12, 1988. The public hearing was again continued until January 19, 1988.

It was the desire of Council to hold these two public hearings together since they are related issues.

Verl Emrick, Director of Planning, said he had met with Mr. Patton, Ms. Goldstein's developer, relative to access alternatives available in developing the property. He said access could be obtained from Long Street, Wildwood Avenue, or Syrlin Street. He said, however, if Ms. Goldstein subdivides the land instead of using the condominium/apartment approach in developing the land, she would need additional land for development. He said the approach of "dual permanent easements" could also be used in developing the land.

Piercy Carter, resident in the area, spoke in support of closing both sections of Syrlin Street. He said he would object to Council closing only the portion requested by Ms. Goldstein. He said he would also object to Syrlin Street being used as part of Ms. Goldstein's development since Syrlin Street is not presently used as a street.

Mayor Bissette noted that Council must follow the N. C. General Statutes in considering the closings. He said Council must determine, before closing the streets that it does not deny access to any property owner and that the closing would not be contrary to the public interest.

Norman Bradford, of Lockley Avenue, spoke in support of closing both sections of Syrlin Street. He also opposed using Syrlin Street as part of Ms. Goldstein's proposed development.

Findley Reed said the residents in the area are not opposed to Ms. Goldstein's request to close a portion of Syrlin Street. He said Ms. Goldstein's project should be channeled through Long Street. He said the property values on Syrlin Street would be threatened if the project is accessed on Syrlin Street.

Mr. Swartz of 79 Edgewood Road spoke in support of closing both sections of Syrlin Street. He said Syrlin Street is not used as a street but only for children playing. He said in his opinion the closing of both sections of Syrlin Street would not prevent Ms. Goldstein from using her property. He

said Ms. Goldstein's proposed project should be accessed from Long Street.

Upon inquiry of Ralph Bishop, Mayor Bissette said if Council closes Syrlin Street the adjoining property owners would own the portions of Syrlin Street closed.

Harold Bennett, Attorney for Ms. Goldstein, spoke in support of closing the portion of Syrlin Street requested by Ms. Goldstein. He spoke in opposition to closing the portion requested by other residents.

Upon inquiry of Councilman Bratton, Ms. Goldstein said at this time she did not have a definite set of plans for the property.

Mayor Bissette closed the public hearing relative to closing a portion of Syrlin Street requested by Ms. Goldstein at 4:48 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Councilman Price moved that action relative to Ms. Goldstein's request to close a portion of Syrlin Street be continued, without further advertisement, until April 19, 1988, giving Ms. Goldstein an opportunity to submit a group development plan to Planning and Zoning and Council. This motion was seconded by Councilman Boland and carried unanimously.

Mayor Bissette said it is Council's hope that Ms. Goldstein could submit a group development plan that would be satisfactory to Planning and Zoning, Council, and area residents.

John Walsh said in his opinion Council could act as an arbitrator in this issue.

Mayor Bissette then closed the public hearing relative to closing a portion of Syrlin Street requested by G. Findley Reed Jr., Norman C. Bradford, Virginia S. Bradford and others at 5:00 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Councilman Price said, due to an opinion rendered by the Corporation Counsel that the closing of this portion of Syrlin Street could perhaps deny access to a property owner, she would move that the request be denied. This

motion was seconded by Councilman Martin and carried unanimously.

III. OLD BUSINESS:

A. Staff report relative to Asheville Speedway and non-conforming uses.

Mayor Bissette said several weeks ago Council instructed the City Attorney and the Planning Division to provide a report relative to the Asheville Speedway and to address other types of activities that would be nonconforming pursuant to Section 30-3-3 of the Code of Ordinances.

The Corporation Counsel then gave a report to the City Council regarding the Asheville Speedway and nonconforming businesses that might be subject to the amortization provisions of Section 30-3-3 of the Code of Ordinances. He stated that Verl Emrick, Director of Planning and Zoning, would have further information regarding the nonconforming uses. With regard to the Speedway, he stated that he was in the process of compiling ordinances and other information from other cities regarding noise restrictions. He stated that he had been in contact with manufacturers of mufflers for racing automobiles and would be receiving further information about them.

The Corporation Counsel recommended that the City Council consider amendments to the Code of Ordinances as follows:

1. Amendment of the noise ordinance to delete the exemption for race tracks.

2. Either by amendment of the noise ordinance or by separate ordinance restrict the hours of operation of the Speedway and possibly other outdoor sporting events.

3. Assign police officers to regulate traffic during racing events.

Members of Council commended the Corporation Counsel for the report and giving Council several options to consider. They indicated that time is of essence in attempting to solve the problems associated with the race track since races are now being scheduled.

After discussion, Council scheduled a work session for February 9, 1988 at 1:00 p. m. in the Council

Chambers to discuss alternatives for the race track and other nonconforming uses. At that time staff could present draft ordinances amending the noise ordinance.

IV. NEW BUSINESS:

A. **Ordinance No. 1672 - Budget Ordinance Amendment appropriating Fair Housing Grant Assistance funds.**

Mayor Bissette said this amendment will appropriate $34,000 of HUD Fair Housing Assistance Program grant funds. The projects will be subcontracted with the Asheville-Buncombe Community Relations Council for staff support to the Fair Housing Commission.

Councilman Boland requested a status report from the Fair Housing Commission.

Councilman Martin moved for the adoption of Ordinance No. 1672. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 7-0, Ordinance No. 1672 passed on first and final reading.

Ordinance Book No. 11 Page No. 226

B. **Ordinance No. 1673 - Budget Ordinance Amendment appropriating Community Development Block Grant Funds for Emergency Shelter Grant Program Administration.**

Mayor Bissette said this budget amendment will appropriate $5,000 of CDBG funds for administration of the Emergency Shelter Grant Program (ESGP). The City will contract with the Housing Authority to administer the ESGP on behalf of the City.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1673. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1673 passed on first and final reading.

Ordinance Book No. 11 Page No. 227

C. **Resolution No. 88-8 - Resolution authorizing execution of an agreement with the Housing Authority to administer the Emergency Shelter Grant Program.**

Mayor Bissette said this agreement will authorize the Housing Authority to administer the Emergency Shelter Grant Program and to contract with ABCCM, Eliada Home, and Hospitality House to operate the shelters.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 88-8 was unanimously adopted.

Resolution Book No. 17 Page No. 65

D. Resolution No. 88-9 - Resolution authorizing the City Manager to execute agreement with Asheville Area Chamber of Commerce.

Mayor Bissette said this agreement with the Chamber of Commerce is for Tourism and Promotion Services and Small Business Promotion.

Upon motion of Councilman Bratton, seconded by Vice-Mayor Michalove, Resolution No. 88-9 was unanimously adopted.

Resolution Book No. 17 Page No. 66

V. CONSENT:

A. Resolution No. 88-10 - Resolution recognizing years of service for retiring Asheville Police Officers by presentation of the badge and sidearm carried during their career.

Mayor Bissette said this resolution will authorize that retiring police officers be awarded their badge and service sidearm upon retirement.

Resolution Book No. 17 Page No. 67

B. Resolution No. 88-11 - Resolution appointing members to the Board of Directors of the Victoria of Asheville, Inc.

Mayor Bissette said this resolution will reappoint Dr. John P. Holt and Dorothy C. Maitland and will appoint Darlene Wilkins to the Board of Directors of the Victoria of Asheville, Inc., terms expiring November 29, 1988, or until their successors are duly appointed and qualified.

Resolution Book No. 17 Page No. 68

C. Resolution No. 88-12 - Resolution appointing member to the Alcoholic Beverage Control Board.

Mayor Bissette said this resolution will appoint Warren G. Cabaniss as a member of the Board of Alcoholic Control, term expiring November 13, 1990.

Resolution Book No. 17 Page No. 69

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove the consent agenda was unanimously approved.

OTHER BUSINESS:

Motion - J. W. Byers - Chairman of Alcoholic Beverage Control Board

Councilman Boland moved to appoint J. W. Byers as Chairman of the Alcoholic Beverage Control Board until his term expires, November 13, 1989, or until his successor is duly appointed and qualified.

Resolution No. 88-13 - Resolution appointing members to the Asheville-Buncombe Community Relations Council

Mayor Bissette said this resolution will appoint Hazel Turner and Linda McDaniel as members of the Asheville-Buncombe Community Relations Council for three year terms, terms expiring December 31, 1990.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 88-13 was unanimously adopted.

Resolution Book No. 17 Page No. 70

CLAIMS - MRS. ROBERT GADDY (SEWER) - TED LETMAN (STREETS) - BOBBY BROWN (STREETS) - KARNE STATON (STREETS) - WALLY CULBERTSON (STREETS) - HOWARD MARTENS (STREETS) - CHARLES CREASMAN (STREETS) - CECIL HARRISON (FIRE) - GEORGE ZOURZOUKIS (STREETS)

The City Manager presented claims received from Mrs. Robert Gaddy, Ted Letman, Bobby Brown, Karen Staton, Wally Culbertson, Howard Martens, Charles Creasman, Cecil Harrison, George Zourzoukis.

ADJOURNMENT:

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned at 5:45 p.m.

MAYOR

CITY CLERK

Tuesday - January 26, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF MINUTES OF JANUARY 19, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the January 19, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Public hearing relative to closing an unnamed alley parallel to Lexington Avenue and Biltmore Avenue.

Resolution No. 88 -14 - Resolution to close an unnamed alley parallel to Lexington Avenue and Biltmore Avenue in the City of Asheville, North Carolina

Mayor Bissette said a petition was received from Linda R. Baker, Clarence E. Parker, and J. A. Sronce to close the unnamed alley parallel to Lexington Avenue and Biltmore Avenue

Mayor Bissette opened the public hearing 4:24 p.m.

The City Manager reviewed the location of the unnamed alley for members of Council.

There being no discussion, Mayor Bissette closed the public hearing at 4:26 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it will not be read in its entirety.

Upon motion of Councilman Martin, seconded by Vice-Mayor Michalove, Resolution No. 88-14 was unanimously adopted.

Resolution Book No. 17 Page No. 71-72

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Ordinance No. 1674 - Ordinance amending Ordinance No. 1650, previously adopted by the City Council of the City of Asheville, providing for a disability review board for members of the Asheville Policemen's Pension and Disability Fund.

Mayor Bissette said this ordinance will include firefighters in the Disability Review Board process to assure the same supplement and eligibility requirements as for police officers previously covered by the old local plan entitled "Asheville Policemen's and Firemen's Pension and Disability Fund."

The City Manager said for several months supplemental and eligibility of benefits have been discussed with firefighters. He said the entire area has been explained to the firefighters.

Mayor Bissette explained the composition of the Disability Review Board.

Councilman Boland moved for the adoption of Ordinance No. 1674. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1674 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1674. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1674 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1674. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1674 passed on third and final reading.

Ordinance Book No. 11 Page No.

B. Resolution No. 88 -15 -Resolution guaranteeing a floor of benefits to former members of the Asheville Firemen's Pension and Disability Fund

Mayor Bissette said the resolution will provide pension subsidies, to individuals who retire under the in-line-of-duty disability retirement, equal to the difference in the Local Government Employees Retirement System benefit and the benefit the employees would have received if they remained in any of the City operated pension funds for employees who retire at 60 years of age or older.

Dave Anders, with the Asheville Fire Department, said the firefighters who have retired since 1979, who qualify for in-line-of-duty disability retirement benefits should be included in this provision and should be paid retroactive to the date they retired. He said the firefighters voted to go under the Local Government Employees' Retirement System with the understanding that they would not lose any of their past benefits they would have received as members of the former Asheville Firemen's Pension and Disability Fund.

Charles Penny, Assistant City Manager, said if Council chose to do this it would cost approximately $160,000.

After discussion, Mayor Bissette said members of Council had looked at all aspects of these provisions and are concerned with the costs involved, particularly retroactive benefits.

Members of Council requested that the staff look into Dave Anders request and furnish Council with additional information such as the type of disability retirement received by retirees since 1979 along with administrative alternatives.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-15 was unanimously adopted.

Resolution Book No. 17 Page No. 73-74

C. Resolution No. 88 -16 - Resolution authorizing the Mayor to execute a Municipal Agreement with the N. C. Department of Transportation for improvements to McDowell Street (US 25).

Mayor Bissette said in the current projects included in the Street & Sidewalk Bond program, new curb and sidewalk is scheduled for McDowell Street. McDowell Street is a State System street and the Municipal Agreement will allow the City to place new curb in areas where there is currently no sidewalk, and the North Carolina Department of Transportation will reimburse the City up to $20,000 for the cost of placing the curb. Engineering estimates place the cost of replacing the curb at $18,000; therefore, the $20,000 maximum should totally cover the cost of replacing the curb.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, Resolution No. 88-16 was unanimously adopted.

Resolution Book No. 17 Page No. 75

D. Approval of sale of disposal parcel 118/165 in the East Riverside Redevelopment Project

Mayor Bissette said the Housing Authority has tentatively accepted the following bid for disposal parcel 118/165 in the East Riverside Redevelopment Project:

Reuse	Price	Bid	Redeveloper
O-I Hospice	$53,000	$53,000	Mountain Area

The development will consist of a Hospice inpatient facility with six beds and office space for the Hospice organization comprising 5,600 sq. ft. of finished area. An additional 4,000 sq. ft. of roughed in area will be included for future development. The estimated cost is $458,952.00.

Vice-Mayor Michalove moved to approve the sale of Disposal Parcel 118/165 as recommended by the Housing Authority. This motion was seconded by Councilman Price and carried unanimously.

V. CONSENT:

A. Resolution No. 88-17 - Resolution authorizing the City Manager of the City of Asheville to sign a commitment of site facility use for the nutrition program for older Americans at certain Recreation Centers.

SUMMARY: The Asheville Parks and Recreation Advisory Board has recommended that this program should be continued during the fiscal year of July 1, 1988 through June 30, 1980.

B. **Approval of bids for annual contract for bituminous concrete materials.**

SUMMARY: Recommendation for award for annual contract for bituminous concrete materials (asphalt) to Asheville Division, APAC - Carolina, Inc. in the amount of $162,925.00.

C. **Schedule public hearing relative to Westgate Shopping Center Expansion for February 16, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting on January 13, 1988, reviewed and approved the site plan of the Westgate Shopping Center Expansion subject to the following conditions:

1) Proper dedication of Cliff Street;

2) Provision of minimum 6' wide planted buffer on the west side of Cliff Street between Cliff Street and the parking area and that planted islands a minimum of 6' wide be installed on the east side of Cliff Street on approximately 120' centers.

3) Compliance with sign ordinance and primary sign be a maximum width of 30"for each post;

4) Inclusion of right-of-way trees on Patton Avenue; and

5) Compliance with Erosion Control Ordinance.

D. **Schedule public hearing relative to Carolebrook Apartments for February 16, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission at a meeting on January 13, 1988, reviewed and approved the site plan of Carolebrook Apartments subject to the following conditions:

1) Compliance with Sedimentation and Erosion Control;

2) A formal resolution of the Hendricks Heights driveway matter;

3) The City of Asheville's Traffic Division looking at doing whatever they can on the right-of-way currently held to increase the sight distance down Middlebrook Road (provide sight triangle to NCDOT standards);.

4) The developer providing some additional landscaping at the dumpster site to more adequately screen the adjacent residential structure across the street.

5) Developer provide bus shelter in close proximity to Middlebrook Road;

6) Developer endeavor to protect trees and vegetation currently shown on landscaping plan during formulation of formal plans and since plans are schematic and preliminary that final plans be submitted for staff review; and

7) Staff review of final design plans for sign.

Upon motion of Councilman Boland, seconded by Vice-Mayor Michalove, the consent agenda was unanimously approved.

OTHER BUSINESS:

Resolution No. 88-18 - Resolution authorizing the City Manager to dispose of personal property by private sale

The City Manager said this resolution will authorize the disposal of certain personal property within the old Plaza Theatre building by private negotiation and sale prior to the scheduled demolition of the old Plaza Theatre building.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-18 was unanimously adopted.

Resolution Book No. 17 Page No. 77

CITY COUNCIL ANNUAL RETREAT - JANUARY 29, 30, 31, 1988

Mayor Bissette announced that members of Council would be having their annual retreat at Lake Junaluska on January 29, 30, and 31, 1988.

INTERGOVERNMENTAL SERVICES COMMITTEE MEETING - FEBRUARY 2, 1988

Councilman Frank announced that the Intergovernmental Services Committee would be meeting on Tuesday, February 2, 1988 at 12:30 p.m.

CLAIMS - ARNOLD SMITH (WATER) - PETER M. JONES (WATER) - CAIRN BALLARD (CIVIC CENTER) - RUBY JOHNSON (SANITATION)

The City Manager presented claims received from Arnold Smith, Peter M. Jones, Cairn Ballard, and Ruby Johnson.

ADJOURNMENT:

Upon motion, the meeting adjourned at 5:20 p.m.

MAYOR

William F. Wolcott
CITY CLERK

Tuesday - February 2, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Boland.

APPROVAL OF MINUTES - JANUARY 26, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the January 26, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "National Salute to Hospitalized Veterans Week" - February 8 - 14, 1988

Mayor Bissette read the proclamation and presented a copy to James Fox from the VA Hospital.

II. PUBLIC HEARINGS:

None

III. OLD BUSINESS:

None

IV. NEW BUSINESS:

A. Resolution No. 88-19 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement and any amendments thereto with Woodard and Roberts Architects for Architectural Services for the construction of a fire station.

Mayor Bissette said the City needs to relocate an existing fire station facility to improve its response capabilities in serving the newly annexed areas. The services of an architectural consultant will be required. The evaluation/selection committee has recommended the acceptance of Woodard and Roberts Architects.

The City Manager said the contract amount would not exceed $25,000 and construction cost for the project is anticipated at $250,000.

Ralph Bishop questioned why Council always contracts the services of an architectural consultant. He suggested that the City hire a full time architect.

Upon motion of Councilman Bratton, seconded by Councilman Frank, Resolution No. 88-19 was unanimously adopted.

Resolution Book No. 17 Page No. 78

B. Ordinance No. 1675 - Budget Ordinance amendment to appropriate ARC funds for Champion Sewer Line.

Mayor Bissette said the City has received the Letter of Credit for $175,000 of Appalachian Regional Commission funds for the Champion Sewer/Siphon project. This ordinance will appropriate the funds into the budget.

Councilman Boland moved for the adoption of Ordinance No. 1675. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 7-0, Ordinance No. 1675 passed on first and final reading.

Ordinance Book No. 11 Page No. 231

V. CONSENT:

A. Resolution No. 88-20 - Resolution authorizing the City Manager of the City of Asheville to execute a contractual agreement with RAM Communication Consultants for the purpose of reviewing the City's two-way radio communication system.

Mayor Bissette said funds were approved in the 1987-88 fiscal budget for the purpose of paying a consultant to review existing two-way radio systems operated by the City of Asheville. RAM Communications has provided the City with a responsible proposal for such consulting services, at a cost below that which has previously been budgeted. This resolution will authorize a contractual agreement with RAM Communications.

Resolution Book No. 17 Page No. 79

B. Resolution No. 88 -21 -Resolution authorizing the City Manager to execute an agreement with Buckeye Construction Company, Inc. for the construction of the Cub Road Sanitary Sewer Improvements.

Mayor Bissette said this project was classified as one of the Priority Two Improvements as part of the City of Asheville Sewer Master Plan as prepared in May, 1985. This project involves the installation of approximately 1,795 Linear Feet of sanitary sewer, 915 Linear Feet of relocated waterline and all associated appurtenances on Cub Road. Plans and specifications were prepared by the Division of Engineering. Bids were opened on January 7, 1988 and the lowest responsible bidder was Buckeye Construction Company, Inc. in the amount of $108,846.00. It is recommended that the City Manager be authorized to execute an agreement with Buckeye Construction Company, Inc.

Resolution Book No. 17 Page No. 80

C. Resolution No. 88-22 - Resolution appointing members to the Fair Housing Commission.

Mayor Bissette said this resolution will appoint Hazel Turner and Glenda Burgin as members of the Fair Housing Commission.

Resolution Book No. 17 Page No. 81

D. Resolution No. 88-23 - Resolution appointing member to the Metropolitan Sewerage District Board.

Mayor Bissette said this resolution will reappoint Charles Dyson as a member of the Metropolitan Sewerage District Board

Resolution Book No. 17 Page No. 82

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, the consent agenda was unanimously approved.

OTHER BUSINESS:

RESOLUTION NO. 88-24 - RESOLUTION OF SUPPORT FOR THE EXPANSION OF THE ASHEVILLE REGIONAL AIRPORT

Mayor Bissette read the resolution which stated that the City Council expresses its support for the expansion of the Asheville Regional Airport and the issuance of the $8 million bond issue by Buncombe County which is necessary for that expansion.

Councilman Frank moved for the adoption of the resolution. This motion was seconded by Councilman Price.

After discussion relative to the language contained in the resolution Councilman Frank moved that Council go into executive session to discuss legal matters. This motion was seconded by Councilman Price and carried unanimously.

Vice-Mayor Michalove moved to amend the resolution to include the following language: That the Council expresses its willingness and eagerness to work with the County to bring about the following amendments to the Airport Agreement: 1) To provide that the agreement and lease not be terminated so long as any outstanding obligation remains owed under the eight million dollar ($8,000,000) bond issue; and 2) To provide that in the event that the agreement and/or lease should be terminated, the City would assume all obligations remaining owed under the eight million dollar ($8,000,000) bond issue. This motion was seconded by Councilman Price and carried unanimously.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-24, as amended was unanimously adopted.

Resolution Book No. 17 Page No. 83

CLAIMS - MRS. C. G. WAHLER (WATER) - MRS. ROBERT SCHWARTZ JR. (WATER) - LINDA BUCKNER (STREETS) - DAVID ADAMS (PARKS)

The City Manager presented claims received from Mrs. C. G. Wahler, Mrs. Robert Schwartz Jr., Linda Buckner, and David Adams.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT:

Upon motion, the meeting adjourned at 5:25 p.m.

MAYOR

CITY CLERK

Tuesday - February 9, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Russell Martin (attending School for Newly Elected Councilmen at the Institute of Government)

INVOCATION

The invocation was given by Councilman Price.

APPROVAL OF MINUTES - FEBRUARY 2, 1988

Mayor Bissette announced the approval of the minutes of the February 2, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Resolution No. 88-25 - Resolution commending the Asheville High School Marine Corps Junior Reserve Officer Training Corp (MCJROTC) Unit for being selected as the number one unit in the nation for the school year 1986-87.

Mayor Bissette read the resolution commending the Asheville High School Marine Corps Junior Reserve Office Training Corp (MCJROTC) Unit for being selected as the number one unit in the nation for the school year 1986-87.

Upon motion of Councilman Price, seconded by Vice-Mayor Michalove, Resolution No. 88-25 was unanimously adopted.

Mayor Bissette presented the resolution to Colonel Alfred I. Thomas, USMC (Ret.), Senior Marine Instructor, with Asheville High School.

Resolution Book No. 17 Page No. 84

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. **Approval of bid for one new offset press for the City's Print Shop.**

Mayor Bissette said the staff has made a recommendation for award of one new offset press for the City's Press Shop less trade-in for the City's old "Multigraphics" model 1250 press to the low bidder, Multigraphics, Division of AM International, Inc., Columbia, South Carolina, in the net bid amount of $23,095.00.

Councilman Boland moved to accept the low bid of Multigraphics, Division of AM International, Inc. for one offset press less a trade-in, in the net bid amount of $23,095.00. This motion was seconded by Councilman Price and carried unanimously.

B. **Resolution No. 88-26 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement and any amendments thereto with Sutton-Kennerly and Associates for engineering services for the re-roofing of the Asheville Civic Center Auditorium and Lobby, Inspect the Lightning Protection Systems and to study the H.V.A.C. for the Auditorium.**

Mayor Bissette said the City of Asheville needs to replace the roof on the Auditorium and Lobby portions of the Civic Center, evaluate the lightning protection and study the H.V.A.C. system. The services of an engineering consultant will be required for the design, construction and contract administration for the project. The firm of Sutton-Kennerly & Associates provided the engineering services several years ago for the roof replacement of the Arena portion and are familiar with the needs of the building. This resolution will authorize an agreement with Sutton-Kennerly.

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, Resolution No. 88-26 was unanimously adopted.

Resolution Book No. 17 Page No. 85

C. **Resolution No. 88-27 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement and any amendments within the budgeted amount with Black and Veatch, P. A. for engineering services related to annexation sewer improvements in areas west, south, and Haw Creek and Oteen.**

Mayor Bissette said solicitations were made for an engineering consultant to provide consultant services for sewer improvements in annexation areas West, South, and Haw Creek and Oteen. Thirteen engineering firms

responded and submitted a proposal to our invitation. As stated in the solicitation, the proposal was to have (1) letter of interest, (2) project understanding statement, (3) schedule, (4) project personnel, (5) experience. The following is the rating of the three finalists. 1. Black and Veatch ; 2. CH2M Hill; 3. Jordon, Jones & Goulding. The three finalists were interviewed and a contract was negotiated per the adopted policy, with the firm receiving the highest ranking, Black and Veatch.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 88-27 was unanimously adopted.

Resolution Book No. 17 Page No. 86

OTHER BUSINESS:

Presentation on Economic Development Partnership

The City Manager said a joint presentation on Economic Development Partnership would be given to City Council, County Commissioners, and the Executive Board of Chamber of Commerce on Tuesday, February 16, 1988 at 2:00 p. m. at the Pre-Council Work Session.

Bill Hobson - Request relative to sewer services - Cogswood Road

Bill Hobson, Hobson Construction Company, appeared before Council stating that he and Mr. Neville had purchased land on Cogswood Road to build two homes. He said the sewer map had indicated that sewer service would be available, however, when he applied for a sewer connection he was told by the Water and Sewer Department that sewer lines would not be extended to that area. He requested that Council look into the matter.

Council instructed the City Manager to look into Mr. Hobson's request.

Claims - Sumner and Foster (Sewer) - J. G. Adams, Jr. (Sewer) - Jimmy Messer (Streets) - Lois Gaddy (Streets) - Mary Sullivan (Water)

The City Manager presented claims received from Sumner and Foster, J. G. Adams, Jr., Jimmy Messer, Lois Gaddy, and Mary Sullivan.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

Lawsuits - Granville Roger Penley v. Robert George Lopez v. City of Asheville (Automobile Accident) - Metromont Materials Corp. v.

Blosam Contractors, Inc., et als (Lien perfection; City named a party since it has Deed of Trust)

The City Manager said the city was served with lawsuits involving Granville Roger Penley v. Robert George Lopez v. City of Asheville relative to an automobile accident and Metromont Materials Corp. v. Blosam Contractors, Inc., et als relative to a lien perfection in which the City is named a party since it has a Deed of Trust.

Adjournment

Upon motion of Councilman Boland, seconded by Councilman Price, the meeting adjourned at 5:00 p.m.

MAYOR

CITY CLERK

Tuesday - February 16, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Martin.

Approval of minutes of February 9, 1988 meeting.

Mayor Bissette announced the approval of the minutes of the February 9, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Big Brothers and Sisters Appreciation Week" - February 21 - 27, 1988.

Mayor Bissette proclaimed February 21 - 27, 1988 as "Big Brothers and Sisters Appreciation Week." He said a copy would be forwarded to Steve Kirkland with the Association.

II. PUBLIC HEARINGS:

A. Public hearing relative to Westgate Shopping Center Expansion.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on January 13, 1988, reviewed and approved the site plan of the Westgate Shopping Center Expansion subject to the following conditions: 1) Proper dedication of Cliff Street; 2) Provision of minimum 6' wide planted buffer on the west side of Cliff Street between Cliff Street and the parking area and that planted islands a minimum of 6' wide be installed on the east side of Cliff Street on approximately 120' centers. 3) Compliance with sign ordinance and primary sign be a maximum width of 30" for each post; 4) Inclusion of right-of-way trees on Patton Avenue; and 5) Compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:17 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said one of the conditions of the Planning and Zoning Commission is the proper dedication of Cliff Street. He said it is his understanding that an agreement has not been reached among the property owners for the proper dedication of Cliff Street. He said Council may want to consider continuing the public hearing until an agreement is reached.

Jack Stevens, Attorney for George Coggins, property owner, said Mr. Coggins does not want to delay the developer of the project, however an agreement has not been reached among the different owners of property surrounding Cliff Street and a proper dedication can not take place until all parties agree. He said it is Mr. Coggins intention to reach an agreement in order that dedication can take place as soon as possible.

Sy Stanley, Property Manager for Westgate Corporation requested that Council consider the approval of the project contingent upon the dedication being resolved.

The architect for the project discussed the traffic flow pattern proposed for the new development.

After discussion, Councilman Price moved to continue the public hearing for one week without further advertisement. This motion was seconded by Councilman Martin and carried unanimously.

B. **Public hearing relative to Carolebrook Apartments.**

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on January 13, 1988, reviewed and approved the site plan of Carolebrook Apartments subject to the following conditions: 1) Compliance with Sedimentation and Erosion Control; 2) A formal resolution of the Hendricks Heights driveway matter; 3) The City of Asheville's Traffic Division looking at doing whatever they can on the right-of-way currently held to increase the sight distance down Middlebrook Road (provide sight triangle to NCDOT standards); 4) The developer providing some additional landscaping at the dumpster site to more adequately screen the adjacent residential structure across the street. 5)

Developer provide bus shelter in close proximity to Middlebrook Road; 6) Developer endeavor to protect trees and vegetation currently shown on landscaping plan during formulation of formal plans and since plans are schematic and preliminary that final plans be submitted for staff review; and 7) Staff review of final design plans for sign.

Mayor Bissette opened the public hearing at 4:30 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the project would be constructed at the intersection of Old Haw Creek Road and Middlebrook Road. He said the complex will occupy about 16 acres and consist of 200 units in 10 buildings. He said the property is zoned R-3 Residential District and meets the density requirements of the Zoning Ordinance. He said the parking requirements will be met with the developer providing 400 parking spaces.

The architect for the project detailed the design, landscaping, and buffering proposed for the project. He said all requirements for erosion and sedimentation would be complied with and the developer would be providing a bus shelter within the complex. He said they would be using a "packer type system" rather than dumpsters.

Upon inquiry of Vice-Mayor Michalove, the developer said the project is ready to go as far as financing is concerned.

Mr. Emrick said for some time now the residents in the area have been concerned about the problems at the intersection of Old Haw Creek Road and Middlebrook and this issue was discussed at the Planning and Zoning Commission meeting. He said the City has previously purchased right-of-way to improve this intersection and the estimated cost for improvements at the intersection is $52,000. He said it was indicated at the Planning and Zoning Commission meeting that the developer would be willing to fund the improvements to the intersection up to 50 percent (50%) of the cost.

Mayor Bissette closed the public hearing at 4:50 p.m.

Councilman Price moved to approve the site plan of the Carolebrook Apartments subject to the conditions outlined by the Planning and Zoning Commission and further that the City and the developer jointly fund improvements to Old Haw Creek Road and Middlebrook on a 50/50 basis. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Resolution No. 88-28 - Resolution authorizing the City Manager to execute all necessary easement agreements with private property owners for the purposes of constructing and/or maintaining sanitary and storm sewer systems.

Mayor Bissette said this resolution will give the City Manager authority to execute easements with private property owners for the purpose of maintaining, repairing, or replacing the sanitary and storm sewer systems of the City of Asheville.

Upon motion of Councilman Boland, seconded by Councilman Bratton, Resolution No. 88-28 was unanimously adopted.

Resolution Book No. 17 Page No. 87

B. Resolution No. 88-29 - Resolution authorizing the City Manager to execute an agreement between the City of Asheville and Pappas Telecasting of the Carolinas, Inc., a Nevada Corporation.

Mayor Bissette said Pappas Telecasting of the Carolinas, Inc. and the City have previously entered into an agreement for the purpose of leasing tower space at the White Fawn Reservoir site to WHNS-TV. Pappas has requested that they be allowed to continue operating at the White Fawn site for an additional period of time, and, further, to expand their usage of City facilities to eventually moving their equipment currently located at White Fawn Reservoir to the Governor's Western Residence site.

The City Manager explained the lease payments involved with the agreement between the City of Asheville and Pappas Telecasting of the Carolinas, Inc.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-29 was unanimously adopted.

Resolution Book No. 17 Page No. 88

V. CONSENT:

A. Resolution No. 88-30 - Resolution of intent to close the twenty (20) foot public street or alley described in Deed Book 781, at page 227, Buncombe County Registry, and calling a public hearing for March 22, 1988.

SUMMARY: Christ Fellowship Church, owners of Tax Lots 247 and 11, Sheet 14, Ward 5, adjoining a twenty (20) foot street or public alley, filed a written petition and request with the City Council that the street or public alley be permanently closed to public use.

Resolution Book No. 17 Page No. 89-90

B. Scheduling of public hearing relative to rezoning property located at 11 State Street for March 8, 1988.

SUMMARY: The Asheville Planning and Zoning Commission at a meeting held January 13, 1988, considered the petition of Mr. John White that Ward 5, Sheet 11, Lot 72, be rezoned from R-3 Residential District to CS Commercial Service District. The property is a vacant lot located at 11 State Street. After review and discussion, the Commission voted to recommend that the petition be denied and that the property remain as it is now zoned. The petitioner has appealed the recommendation of the Planning and Zoning Commission and requested that a public hearing be scheduled relative to the rezoning.

C. Scheduling of public hearing relative to West Terrace Center for March 8, 1988.

SUMMARY: The Asheville Planning and Zoning Commission at a meeting on February 3, 1988, reviewed and approved the site plan of West Terrace Center, Phase II, subject to the following conditions:

1) Compliance with Sedimentation and Erosion Control Ordinance;

2) Submission of utility letters from Water and Sewer Department and MSD;

3) Clarify if streets are public or private in order to determine need to close streets;

4) Clarification of 20' buffer on eastern property line to meet city standards; and

5) Submission of sign package in accordance with Zoning Ordinance.

Upon motion of Councilman Frank, seconded by Councilman Martin, the consent agenda was unanimously approved.

OTHER BUSINESS:

CLAIMS - GARY CALDWELL (WATER) - KARA HAGAN (WATER) - MILLIS HAMILTON (FIRE) - KENNETH HENSLEY (WATER) - METROPOLITAN SEWERAGE DISTRICT (WATER) - ALFRED HAMMOND (WATER) - JULIE KICA (WATER)

The City Manager presented claims received from Gary Caldwell, Kara Hagan, Millis Hamilton, Kenneth Hensley, Metropolitan Sewerage District, Alfred Hammond, and Julie Kica.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - ROBERT GEORGE LOPEZ V. JERRY WARNER SNOWDEN VS. THE CITY OF ASHEVILLE (AUTOMOBILE ACCIDENT)

The City Manager said the city was served with a lawsuit on February 9, 1988 relative to Robert George Lopez v. Jerry Warner Snowden vs. the City of Asheville regarding an automobile accident.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

REPORT OF SIGN COMMISSION

Mayor Bissette said a report was given during the Pre-Council work session from the Chairman and Vice-Chairman of the Asheville Sign Commission. He said the Sign Commission is moving ahead on the review of the sign ordinance. He said the City Manager would also be giving a report on sign enforcement in the near future.

RECOMMENDATION FOR DOWNTOWN PARKING GARAGE RATES

Mayor Bissette said during the Pre-Council work session the Downtown Commission presented members of Council with recommendations for parking garage rates in the downtown area.

LUNCHEON FOR VOLUNTEERS THAT SERVE ON BOARDS AND COMMISSIONS

Mayor Bissette said an appreciation luncheon is scheduled for March 1, 1988 for volunteers who serve on various boards and commissions.

RALPH BISHOP - LOTTERY SALES - RIGHT TO SEEK REDRESS

Ralph Bishop again spoke to members of Council relative to his right to seek redress in the Council meetings and the lottery sales in the City of Asheville.

ADJOURNMENT:

Upon motion, the meeting adjourned at 5:15 p.m.

MAYOR

CITY CLERK

Tuesday - February 23, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Mary Lloyd Frank

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES - FEBRUARY 16, 1988

Mayor Bissette announced the approval of the minutes of the February 16, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Continuation of public hearing relative to Westgate Shopping Center.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on January 13, 1988, reviewed and approved the site plan of the Westgate Shopping Center Expansion subject to the following conditions:

(1) Proper dedication of Cliff Street;
(2) Provision of minimum 6' wide planted buffer on the west side of Cliff Street between Cliff Street and the parking area and that planted islands a minimum of 6' wide be installed on the east side of Cliff Street on approximately 120' centers. (3) Compliance with sign ordinance and primary sign be a maximum width of 30" for each post; (4) Inclusion of right-of-way trees on Patton Avenue; and (5) Compliance with Erosion Control Ordinance.

Mayor Bissette said at the Council meeting of Febr[illegible]y 16, 1988, the public hearing was continued until February 23, 1988 giving property owners an opportunity to reach an agreement relative to the dedication of Cliff Street.

Verl Emrick, Director of Planning, said the issue with the dedication of Cliff Street has still not been resolved; however, it would be his recommendation that Council approve Phase I of the project in order to meet the construction schedule for renovations. He said the Planning and Zoning Commission would be considering Phase II of the project on March 3, 1988 and at that time Planning and Zoning would deal with the issues relating to the dedication of Cliff Street.

He said Phase I of the project would consist of 151,000 square feet of renovations and 36,000 square feet of new buildings. He said the developer would be providing 1000 parking spaces which exceeds the parking requirements.

Mr. Emrick explained the signs proposed for the project.

After discussion, Mayor Bissette closed the public hearing at 4:35 p.m.

Councilman Martin moved to approve Phase I of the site plan for the expansion of the Westgate Shopping Center contingent upon the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Consideration of participating in the Economic Development Partnership.

Resolution No. 88-31 - Resolution endorsing the establishment of an Economic Development Partnership and appointing initial members to the Board of the partnership.

Mayor Bissette said a task force consisting of David G. Brown, Chancellor of the University of North Carolina at Asheville, together with representatives from the City, the County, and the Chamber of Commerce has proposed the establishment of an Economic Development Partnership. The purpose of the Partnership is to focus, promote, and help implement the public/private community efforts toward assuring the continued economic vitality of the Asheville/Buncombe County area.

Vice-Mayor Michalove said the Economic Development Task Force met for approximately five months to create a coordinated effort to do a better job of economic development in the City of Asheville. He said the conclusion was to propose the creation of an Economic Development Partnership consisting of seven (7) individuals that would meet on a regular basis to create long range plans for the community in the area of economic development. He said they would also be encouraging present industries to expand.

Upon inquiry of Ralph Bishop, Mayor Bissette said the Economic Development Partnership would be seeking all types of industry.

John Mosely, representative from the Board of Realtors, questioned where the land for new industries would be coming from and the functions of the partnership.

Mayor Bissette responded to Mr. Mosely that the Chamber of Commerce maintains an inventory of potential industrial site.

Mayor Bissette said this resolution will also appoint Vice-Mayor Michalove to the Economic Development Partnership for a term to expire December 31, 1989 and Councilman Russell Martin for a term to expire on December 31, 1988.

Upon motion of Councilman Price, seconded by Councilman Boland, Resolution No. 88-31 was unanimously adopted.

Resolution Book No. 17 Page No. 91

B. **Ordinance No. 1676 - An ordinance amending Chapter 12-A of the Code of Ordinances of the City of Asheville with regard to floodplain regulations.**

Mayor Bissette said the Federal Emergency Management Agency has adopted new final rules which require changes in local ordinances with regard to flood plain regulations. The North Carolina Department of Crime Control and Public Safety has prepared model ordinances for local communities to use in revising their flood plain regulations. This ordinance will revise the City's flood plain ordinance to comply with federal regulations.

Julie Cogburn from the Planning Department explained the revisions proposed for the floodplain regulations. She said these revisions are required for compliance

with federal guidelines. She said several other revisions are proposed for clarity. She said the Planning Department would administer the ordinance.

Carol Albrice from the Planning Department detailed the major changes being made to the floodplain ordinance.

Councilman Price moved for the adoption of Ordinance No. 1676. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1676 passed on first reading.

C. **Ordinance No. 1677 - An ordinance amending Article VI of Chapter 2 of the Code of Ordinances of the City of Asheville establishing the Asheville Tree/Greenway Commission.**

Mayor Bissette said this ordinance will establish an Asheville Tree/Greenway Commission to promote the establishment of passive park areas known as "Greenways" and to foster the planting, growth and protection of trees on publicly owned areas with the City.

Councilman Martin moved for the adoption of Ordinance No. 1677. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1677 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1677. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1677 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1677. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1677 passed on third and final reading.

Ordinance Book No. 11 Page No. 240-242

D. **Ordinance No. 1678 - An Ordinance amending Chapter 23A of the Code of Ordinances of the City of Asheville amending the Tree Ordinance.**

Mayor Bissette said this ordinance will amend the Tree Ordinance to reflect the establishment of the Asheville Tree/Greenway Commission.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1678. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1678 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1678. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1678 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1678. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1678 passed on third and final reading.

Ordinance Book No. 11 Page No. 243-244

E. **Resolution No. 88-32 - Resolution authorizing the Mayor to execute non-warranty deeds concerning parcels of property adjoining Poplar Street.**

Mayor Bissette said the right-of-way of Poplar Street has recently been relocated and there exists within properties, owned by David H. Levitch and wife Rosine J. Levitch and Henry E. Teich and S. Janson Grimes, a portion of the old right-of-way of Poplar Street. NCDOT has abandoned any interest in the former right-of-way and the City has been requested to convey any interest that it may have in said property in order to clear title and allow development of said properties.

The City Manager said it has been determined that the property is surplus.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, Resolution No. 88-32 was unanimously adopted.

Resolution Book No. 17 Page No. 92

OTHER BUSINESS:

Resolution No. 88-33 - Resolution appointing a member to the Asheville Sign Commission

Mayor Bissette presented a resolution appointing Robert Patterson as a member of the Asheville Sign Commission due to the resignation of Gary Lowe.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, Resolution No. 88-33 was unanimously adopted.

Resolution Book No. 17 Page No. 93

CLAIMS - CATHY WALGATE (WATER) - MRS. J. W. BROWN (WATER) - SHEILA HUNTLEY (WATER) - KAREN WAGSTAFF (WATER) - DAVID BALL (STREETS) - CHARLES HARVEY (WATER)

The City Manager presented claims received from Cathy Walgate, Mrs. J. W. Brown, Sheila Huntley, Karen Wagstaff, David Ball and Charles Harvey.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - SHIRLEY W. BROWN AND BOBBY BROWN VS. CITY OF ASHEVILLE, ASHEVILLE WATER AND SEWAGE, BRUCE E. KENNEDY AND EMMA E. KENNEDY (PERSONAL INJURY FROM FALL IN WATER METER HOLE) - CONCERNED CITIZENS OF DOWNTOWN ASHEVILLE, JIM F. HUGHES, JOHN A. AUTEN, ROBERT H. JOLLY VS. BOARD OF ADJUSTMENT OF THE CITY OF ASHEVILLE (APPEAL FROM BOARD OF ADJUSTMENT DECISION)

The City was served with lawsuits during the week of February 15, 1988 involving Shirley W. Brown and Bobby Brown vs. City of Asheville, Asheville Water and Sewage, Bruce E. Kennedy and Emma E. Kennedy (personal injury from fall in water meter hole) and Concerned Citizens of Downtown Asheville, Jim F. Hughes, John A. Auten, Robert H. Jolly vs. Board of Adjustment of the City of Asheville (Appeal from Board of Adjustment decision).

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion, the meeting adjourned at 5:25 p.m.

MAYOR

William F. Wolcott
CITY CLERK

Tuesday - March 1, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Norma T. Price, Wilhelmina Bratton, Russell Martin and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Mary Lloyd Frank.

INVOCATION

The invocation was given by Vice-Mayor Michalove.

APPROVAL OF MINUTES - FEBRUARY 23, 1988

Mayor Bissette announced the approval of the minutes of the February 23, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - Architecture Week - February 28 - March 5, 1988

Mayor Bissette read the proclamation and presented a copy to Danie Johnson and Walter Boggs, Architects.

B. Proclamation - March, 1988 as "Nutrition Month"

Mayor Bissette read the proclamation and presented a copy to Laurel Yaeger, President, Western N. C. District Dietetic Association and Elaine Currie.

C. Presentation by Quality Forward - "Crystal Clean"

Susan Roderick with Quality Forward introduced Debbie Hay, who is now portraying "Crystal Clean" in an effort to educate children of the need to keep our community clean. "Crystal Clean" replaced "Kati Clean-Up" the character from Quality Forward.

"Crystal Clean" said she goes into the schools and gives programs to children relative to keeping the community clean. She said she uses what is called an "environmental danger protector" to zap litter.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1676 - Second reading of an ordinance amending Chapter 12-A of the Code of Ordinances of the City of Asheville with regard to floodplain regulations.

Mayor Bissette said the Federal Emergency Management Agency has adopted new final rules which require changes in local ordinances with regard to flood plain regulations. The North Carolina Department of Crime Control and Public Safety has prepared model ordinances for local communities to use in revising their flood plain regulations. This ordinance will revise the City's flood plain ordinance to comply with federal regulations. This ordinance passed on first reading on February 23, 1988.

Mayor Bissette said this ordinance was previously read and will not be reread in its entirety.

Verl Emrick, Director of Planning, said a draft of the ordinance was sent to Raleigh and tentative approval has been received.

The City Manager said no opposition has been received relative to the ordinance.

On a roll call vote of 6-0, Ordinance No. 1676 passed on second reading.

Councilman Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1676. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1676 passed on third and final reading.

Ordinance Book No. 11 Page No. 232-239

IV. NEW BUSINESS:

A. Ordinance No. 1679 - An Ordinance amending Chapter 13 of the Code of Ordinances of the City of Asheville entitled "Garbage and Refuse"

Mayor Bissette said this ordinance amends Chapter 13 of the Code relative to littering; accumulation, removal of weeds, trash, refuse, and other material; debris; trash; and rubber tires.

Mayor Bissette said this ordinance was previously presented to members of Council and will not be read in its entirety.

Charles Penny, Assistant City Manager, highlighted the major changes in the ordinance in relation to the current ordinance.

Upon inquiry of Council, Mr. Penny said junk vehicles are not covered by this particular ordinance.

Council members expressed a real commitment to having strict enforcement of this ordinance and to clean up the community.

Councilman Price said she felt an effort should be made to encourage citizens not to put out their garbage until the actual pick-up day.

LaRue Bolick, with Quality Forward, said there is a need to encourage downtown business owners to clean up around their businesses and to keep their dumpster doors closed.

Evelyn Wyatt, from the Montford Community, suggested that the City contract with neighborhood communities to clean up vacant lots in their particular area.

Ralph Bishop commented about the littering on Kenilworth Knoll Road. He said he believes the litter is coming from the Carolina Sports Club and McGuffy's.

After discussion, Councilman Bratton moved for the adoption of Ordinance No. 1679. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1679 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1679. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1679 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1679. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1679 passed on third and finial reading.

Ordinance Book No. 11 Page No. 245-248

B. **Ordinance No. 1680 - An Ordinance deleting portions of Chapter 14 of the Code of Ordinances of the City of Asheville entitled "Health and Sanitation".**

Mayor Bissette said portions of Chapter 14 of the Code of Ordinances that are being deleted are no longer needed.

Mayor Bissette said this ordinance was previously presented to members of Council and will not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1680. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1680, passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1680. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1680, passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third and final reading of Ordinance NO. 1680. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1680 passed on third and final reading.

Ordinance Book No. 11 Page No. 249

C. **Approval of bids for Automobiles and Trucks for the Police Department, the Planning Department and the Public Works Department.**

Mayor Bissette said the bids were received for fourteen (14) patrol (blue and white), (3) unmarked police vehicles for the Police Department; one (1) mid-size sedan for the Planning Department and two (2) 3/4 ton four wheel drive pick-ups for the Public Works Department. Staff recommends the acceptance of the following bids: 14 each Police Vehicles - Patrol (blue and white) for the Police Department, Harrelson Ford, Inc. for 1988 Ford LTD Crown Victoria at $12,118.25 each =$169,655.50; 2 each police vehicles - unmarked for Police Department, Harrelson Ford, Inc. for 1988 Ford

LTD Crown Victoria at $11,725.00 each for a total of $23,450.00; 1 each police vehicle - unmarked with Cruise Control for Police Department, Harrelson Ford, Inc. for 1988 Ford LTD Crown Victoria at $11,839.00; 1 each mid-size sedan for Planning Department, Harrelson Ford, Inc. for 1988 Ford Taurus at $10,053.00

Mayor Bissette said it was his understanding that there was concern expressed relative to awarding this bid to an out of town firm. He said this matter was discussed with the local dealer and the city staff has researched the law to see if the City could give preference to a local dealer. He said the staff also checked with the Institute of Government relative to the City giving preference to a local dealer over the low bid firm.

The City Manager said from the research it was determined that giving preference to a local dealer was not criteria to use in not awarding a bid to a low bidder.

After discussion, Vice-Mayor Michalove moved to accept the recommendation to award the bids to Harrelson Ford, Inc. This motion was seconded by Councilman Martin and carried unanimously.

V. CONSENT:

A. **Resolution No. 88-34- Resolution authorizing submittal of an application to the U. S. Department of Housing and Urban Development for a grant to carry out Fair Housing activities.**

Mayor Bissette said the grant application will provide $29,000 to the City to carry out the second year of Fair Housing Enforcement activities. The City will contract with the Asheville-Buncombe Community Relations Council for staff support to the Fair Housing Commission to carry out the program.

Councilman Boland requested that the Fair Housing Commission give members of Council a status report.

Resolution Book No. 17 Page No. 94

B. **Resolution No. 88-35 - Resolution authorizing free parking at metered parking spaces on March 4, 5, and 6, 1988 for the Southern Conference Basketball Tournament.**

Mayor Bissette said the Southern Conference Basketball Tournament will be held in the Asheville Civic Center on March 4, 5, and 6, 1988. The capacity of the Civic Center Parking Garage is 600 cars. The number of persons attending the Southern

Conference Basketball Tournament exceeds this capacity. It is the desire of the City of Asheville to encourage attendance at this tournament and to make parking as convenient as possible. The Asheville City Council has determined that the best solution to this problem is to provide on-street parking without the necessity of leaving the Civic Center from time to time in order to feed the meters.

Resolution Book No. 17 Page No. 95

C. Resolution No. 88-36 - Resolution authorizing the City Manager to execute a contract with Tennoca Construction Company, Inc. for the Haywood Street and North French Broad Drainage Improvements.

Mayor Bissette said this resolution will authorize execution of a contract for drainage improvements at the intersection of Haywood Street and North French Broad Avenue, associated with the Chamber of Commerce building expansion.

Resolution Book No. 17 Page No. 96

Upon motion of Vice-Mayor Michalove, seconded by Councilman Boland the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

CLAIMS - EDGAR TODD (SEWER) - JOHN EDMONDSON (STREETS) - BRADY BLACKBURN (WATER) - TIM SPENCE (STREETS) - GLORIA GRAYLOR (STREETS) - LJ REALTY COMPANY (SEWER) - ROBERT LUTZ (STREETS) - MARY HEUER (PARKS) - RANDY SUTHARD (STREETS)

The City Manager presented claims received from Edgar Todd, John Edmondson, Brady Blackburn, Tim Spence, Gloria Graylor, LJ Realty Company, Robert Lutz, Mary Heuer, and Randy Suthard.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO SIGN ORDINANCE AND LOTTERY SALES

Ralph Bishop commented to members of Council that the Sign Ordinance punishes local businesses. He also spoke relative to lottery sales in the City of Asheville.

ADJOURNMENT:

Upon motion, the meeting adjourned at 5:55 p.m.

MAYOR

CITY CLERK

Tuesday - March 8, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Norma T. Price, Mary Lloyd Frank and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Walter Boland and Wilhelmina Bratton

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - MARCH 1, 1988

Mayor Bissette announced the approval of the minutes of the March 1, 1988 meeting as submitted.

I. PROCLAMATIONS

A. Proclamation -"Volleyball Week"- March 7-13, 1988.

Mayor Bissette read the proclamation and presented the proclamation to Donnie Luke.

II. PUBLIC HEARING

A. Public hearing relative to rezoning property located at 11 State Street.

Mayor Bissette opened the public hearing a 4:23 p.m.

The City Clerk presented the notice to the public and the affidavit of publication.

Verl Emrick, Director of Planning, said at a meeting held on January 13, 1988, the Planning and Zoning Commission considered the petition of Mr. John White that Ward 5, Sheet 11, Lot 72 be rezoned from R-3 Residential District to CS Commercial Service District. He said the Commission, after reviewing the request, voted to recommend to City Council that the petition be denied and that the property remain as it is currently zoned due primarily to the way the property is situated on State Street and also because the proposed zoning would go back too far into the residential area.

Mr. Emrick said Mr. White, the petitioner, had appealed the recommendation of the Commission and requested a hearing before the City Council.

Mr. White said he felt the "commercial service" designation was the only reasonable zoning for the property. He said he did not have any specific use planned for the property, but that he hoped to put something on the lot that would be acceptable to the neighborhood, but would also benefit him economically.

Mayor Bissette said he had received a letter from Mrs. Maxine Painter, 15 State Street, objecting to the rezoning.

Mr. Jay Steward of Beverly-Hanks spoke in support of the rezoning.

Mayor Bissette closed the public hearing at 4:36 p.m.

Mayor Bissette said copies of the ordinance were previously distributed and the ordinance would not be read unless there was a specific request to do so.

Councilman Price moved to remand the request back to the Planning and Zoning Commission for further consideration in regard to thoroughfare zoning or any alternatives that may arise. This motion was seconded by Vice Mayor Michalove and carried unanimously.

Mr. Emrick said the request would be taken before the Planning and Zoning Commission at their April meeting at no additional expense to Mr. White.

B. Public hearing relative to the site plan for West Terrace Center, Phase II to be located on West Patton Avenue.

Mayor Bissette opened the public hearing at 4:40 p.m.

The City Clerk presented the notice to the public and the affidavit of publication.

Mayor Bissette said Vice Mayor Michalove had requested to be excused from the discussion and vote on this matter due to conflict.

Councilman Frank moved to excuse Vice Mayor Michalove from the discussion and vote on the site plan for Phase II of the West Terrace Center. This motion was seconded by Councilman Martin and carried unanimously.

Verl Emrick, Director of Planning, said the site plan for Phase II comprises 14 acres. He said the project would consist of 4 buildings which total 42,000 square feet. He said the developer Mr. Stewart Coleman has complied with all parking and water and sewer requirements. He said the new streets to be

constructed would be privately owned. He said any motion by Council to approve the project should include the contingencies outlined by the Planning and Zoning Commission.

Mr. Stewart Coleman, property owner, said this is merely a continuation of an existing project and requested that Council approve the site plan.

Mayor Bissette closed the public hearing at 4:52 p.m.

Councilman Price moved to approve the site plan for Phase II of the West Terrace Center subject to the following conditions:

(1) Compliance with Sedimentation and Erosion Control Ordinance;

(2) Submission of utility letters from Water and Sewer Department and MSD;

(3) Proper closing of Parkwood Avenue, Oakwood Street, Oakwood Place, and a portion of Green Briar Road Extension;

(4) Installation of 20 foot buffer on eastern property line to meet city standards;

(5) Submission of sign package in accordance with Zoning Ordinance to be reviewed by staff;

(6) Submission of street and parking lot lighting plan to be reviewed by staff;

(7) Construction of new/unrelocated streets and parking lots to city standards.

This motion was seconded by Councilman Martin and carried unanimously.

III. OLD BUSINESS

IV. NEW BUSINESS

A. **RESOLUTION NO. 88-37 - Resolution adopting a Fiscal Policy for the City of Asheville.**

Mayor Bissette said this resolution will adopt a fiscal policy statement consolidating varying policies regarding City fiscal affairs into a comprehensive document which will serve as a guide to promote fiscal responsibility.

Mayor Bissette said copies of the resolution had previously been distributed to Council Members, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Vice Mayor Michalove, Resolution No. 88-37 was unanimously adopted.

Complete text of Resolution No. 88-37 will be found in Resolution Book No. 17, Page 97.

B. RESOLUTION NO. 88-38 - Resolution adopting the 1988-89 Strategic Plan for the City of Asheville.

Mayor Bissette said the City Council has identified the major goals for the City for 1988, and these goals have been incorporated into a Strategic Plan to serve as a guide in carrying out city affairs.

Mayor Bissette said copies of the resolution had previously been distributed to Council Members, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Martin, Resolution No. 88-38 was unanimously adopted.

Complete text of Resolution No. 88-38 will be found in Resolution Book No. 17, Page 98.

V. CONSENT

A. RESOLUTION NO. 88-39 - Resolution of intent to close First Street and scheduling a public hearing for April 12, 1988.

Resolution Book No. 17, Pages 99 and 100

B. RESOLUTION NO. 88-40 - Resolution authorizing the Purchasing Director to sell surplus motor vehicles, equipment, and other surplus property at public auction.

Resolution Book No. 17, Page 101

Upon motion of Councilman Frank, seconded by Vice Mayor Michalove, the consent agenda was unanimously adopted.

VI. OTHER BUSINESS

A. RESOLUTION NO. 88-41 - Resolution of intent to close Parkwood Avenue, Oakwood Street, Oakwood Place (a/k/a Parkwood Place) and a portion of Green Briar Road Extension as shown on Exhibit A and scheduling a public hearing for April 19, 1988.

Mayor Bissette said the closing of these streets is in conjunction with site plan for Phase II of the West Terrace Center.

Mayor Bissette said copies of the resolution had previously been distributed to Council Members, and the resolution would not be read unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Vice Mayor Michalove, Resolution No. 88-41 was unanimously adopted.

Complete text of Resolution No. 88-41 will be found in Resolution Book No. 17, Page 102 and 103.

B. CLAIMS - TROY WILLIAMS (STREETS) - SUSIE MOSELY (STREETS) - WACHOVIA BANK & TRUST COMPANY (STREETS)

The City Manager presented claims received from Troy Williams (Streets), Susie Mosely (Streets), and Wachovia Bank & Trust Company (Streets).

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

C. LAWSUITS - UNITED GLAZED PRODUCTS, INC. VS. BLOSAM CONTRACTORS, INC., ET AL - FRED W. EGGERTON VS. CITY OF ASHEVILLE

The City Manager said the City of Asheville was named a party in lawsuits involving United Glazed Products, Inc., vs. Blosam Contractors, Inc. et als (lien perfection; City named a party since it has Deed of Trust) and Fred V. Eggerton vs. City of Asheville (property damage from automobile accident).

D. RALPH BISHOP - REQUEST FOR COPIES OF COUNCIL ACTION

Ralph Bishop requested copies of the records involving the $1,800,000 approved for the Schneider Nine Project and the $100,000 approved for downtown development.

Mayor Bissette advised Mr. Bishop that the $100,000 was approved for the Economic Development Partnership in last year's budget. He requested that staff furnish Mr. Bishop with copies of the records he had requested.

VII. ADJOURNMENT

Upon motion of Councilman Frank, seconded by Councilman Price, Council adjourned to Executive Session at 5:25 p.m.

MAYOR

CITY CLERK

Tuesday - March 15, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Wilhelmina Bratton.

APPROVAL OF MINUTES - MARCH 8, 1988

Approval of minutes of March 8, 1988 meeting.

Mayor Bissette announced the approval of the minutes of the March 8, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Resolution adopting an Affirmative Action Plan for the City of Asheville.

Mayor Bissette said the City of Asheville is committed to a policy of equal employment opportunity. In furtherance of this, an Affirmative Action Plan has been prepared which is designed to achieve parity between the City's workforce and the relevant labor market through recruitment, employment, training and promotion. This resolution will formally adopt the Plan.

Mayor Bissette noted that no official action would be taken on the resolution at today's meeting. He said several groups had requested time to review the plan prior to Council's adoption.

Councilman Walter Boland, Chairman of the Equal Employment Opportunity Task Force, reviewed the following memorandum to Members of Council:

"MEMORANDUM TO: City Council

FROM: Walter R. Boland, Chairman, EEO Task Force

SUBJECT: The Affirmative Action Plan

DATE: March 4, 1988

After a great many meetings of the entire Task Force and a subcommittee of the same group we recommend the adoption of the enclosed Affirmative Action Plan. The document is a strong one when compared to the Affirmative Action Plans of other cities in North Carolina and is designed to achieve parity between the City's workforce and the Relevant Labor Market. This parity will be reflected in specified job classifications, EEO job categories and in each city department. The members of the Task Force are grateful to members of the City's staff including Doug Bean and Pam McGrayne for their aid and advice in our deliberations.

The EEO Task Force as you remember, was formed to develop a strong plan for affirmative action. The concern of the City Council was that there were too few blacks and women found in the upper echelons of the city's organization and that we needed to make an effort to remedy this situation. More specifically, there were complaints from the black community that black police officers were blocked from attaining the rank of Lieutenant or above and that this problem had existed for at least 40 years. While the present City Manager has recently appointed three women department heads and a black assistant City Manager, the sentiment is still strong that Asheville needs to do more and I feel that the plan we recommend for your adoption will be a major step in that direction.

In your reading of the plan you should note in particular certain features that make this plan a strong one. First, responsibilities for the plan and its implementation are clearly spelled out. That is, the City Council, the City Manager, as well as Department Heads and Supervisors, are made responsible for effective implementation and success of the plan. To ensure that this is the case, the plan proposes the annual performance appraisal of each be informed by their efforts and achievements in this area. In particular, it should be noted that the City Council shall review the annual "Affirmative Action Report" and

use it as one criteria to consider in the City Manager's annual evaluation. In addition, the City Council shall, after reviewing the report, call for appropriate remedies for unsolved problems having to do with under-utilization. Second, the plan describes an ongoing monitoring and reporting system that will be in place 6 months after its adoption. The monitoring will be done by making use of the Opportunity Index and the Eight Factor Analysis for Utilization. These two measures are widely used in private industry and will allow the city to determine specific areas and departments that need additional remedial action and whether minorities or females are under-utilized in any of the EEO Job Categories. What should be emphasized here is that these two measures will allow the city for the first time to systematically and effectively measure under-utilization. Third, the plan calls for the development of a recruitment effort to address the problem areas of under-utilization. The plan should identify points in the recruitment hiring and promotional processes which appear to have an adverse impact on minorities and females. Lastly, the plan specifies certain needed training and career development efforts.

While the members of the Task Force feel that the plan submitted to you is a strong one, we are in agreement that the plan is only one ingredient in a successful Affirmative Action Program. The other necessary ingredient is a strong commitment by the City Manager, the City staff, and the City Council to its effective implementation. Without this commitment, very little can be accomplished.

The Task Force also recommends the following actions on the part of the City Council: (1) To hold an annual public hearing on the "Affirmative Action Report" to allow the public an opportunity to respond to the City's efforts at implementation. (2) That the City Council seek to repeal the Civil Service Law and establish a personnel board pursuant to North Carolina General Statute 160A-165. With such a change, the city would place primary responsibility for testing with the Personnel Department and re-define the primary role of the Civil Service Board or other "Personnel Board" to be advisory and judicial (currently the Civil Service Board is involved in many areas, above and beyond testing, including reclassification, career development, leaves of absence, transfers, internal reorganization, etc.) Such a repeal would aid in the accomplishment of the goals of the plan. The repeal, as you many know, was recommended by Don Hayman of the Institute of Government.

In closing, I'd like to thank the members of this Task Force for their great effort in producing this plan and for their forthrightness in our deliberations. Obviously, such deliberations will include strong sentiments that can degenerate into petty squabbles. That this didn't happen is a testimony to the commitment of the Task Force."

Councilman Martin requested that the proposed plan be presented to current city employees.

Vice-Mayor Michalove questioned whether or not it would be feasible to go through the process of the Opportunity Index and the Eight Factor Analysis for Utilization prior to Council adopting the plan.

In response to Vice-Mayor Michalove, Councilman Boland said that is possible, however some data for the Eight Factor Analysis is already available. He said some of the information will have to be developed in house and some would have to be researched.

Upon inquiry of Council, the City Manager said in his opinion there would be no problems in implementation of the plan. He said city staff is now in the process of gathering data for the plan.

After considerable discussion, Mayor Bissette said the proposed Affirmative Action Plan would be reviewed and considered for adoption at a later meeting.

A(1). **Resolution No. 88-42 - Resolution authorizing the Mayor to execute an amendment to the Airport Agreement**

Mayor Bissette said in a special election held on September 22, 1987, the voters approved an $8 Million general obligation bond issue for the expansion of the Asheville Regional Airport. The County has expressed concerns about the issuance of the bonds without amendment to the agreement dated November 29, 1979, between the City of Asheville and the County of Buncombe. This resolution will authorize the execution of an amendment to that agreement as follows:

1. To provide that the Agreement not be unilaterally terminated by the City for a period for a period of thirty (30) years.

2. That the County be allowed participation in the Airport Authority budget process.

3. That in the event the Federal Aviation Administration shall determine that use of certain lease revenues after January 1, 1988, shall adversely affect discretionary funding for the Airport, then said lease revenues shall be applied to the Airport. In the event, however, that the Federal Aviation Administration shall determine that the City may appropriately continue to use the lease revenues for Transit Authority purposes without adverse effect upon discretionary funding for the Airport, that the lease revenues continue to be used for Transit Authority purposes. Until a final determination by the Federal Aviation Administration, all lease revenues from and after January 1, 1988, shall be set aside and withheld for proper application following the Federal Aviation Administration decision.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, Resolution No. 88-42 was unanimously adopted.

Resolution Book No. 17 Page No. 104-107

B. **Ordinance No. 1681 - Ordinance establishing a 45 mph speed limit on a portion of Airport Road (SR 3526)**

Mayor Bissette said this action has been requested by the North Carolina Department of Transportation and will establish a 45 m.p.h. speed limit on a portion of Airport Road within the existing City Limits near the Asheville Airport. The 45 m.p.h. speed limit is recommended by the N.C.D.O.T. as the appropriate speed limit for this section of highway.

Councilman Price also requested that the N.C.D.O.T. investigate the feasibility of installing lighting or reflectors at the intersection of Airport Road and the turn onto I-26 into Asheville.

Councilman Price moved for the adoption of Ordinance No. 1681. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1681 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1681. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1681 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1681. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1681 passed on third and final reading.

Ordinance Book No. 11 Page No. 250

C. **Resolution No. 88-43 - Resolution authorizing the City Manager to execute a contract on behalf of the City of Asheville with McGladrey, Henderickson and Pullen to develop computer specifications.**

Mayor Bissette said a proposal was received to assist the City with the selection of a new data processing system. It has been recommended that the firm of McGladrey, Hendrickson & Pullen be accepted to assist in the system selection.

Upon motion of Councilman Martin, seconded by Councilman Price, Resolution No.88-43 was unanimously adopted.

Resolution Book No. 17 Page No. 108

Ordinance No. 1682 - Budget Ordinance amendment to provide funding for professional assistance in developing computer specifications.

Mayor Bissette said this budget amendment will provide funding in the amount of $60,000 for professional assistance in developing request for proposals and evaluating proposal for data processing system.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1682. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1682 passed on first and final reading.

Ordinance Book No. 11 Page No. 251

D. **Resolution No. 88-44 - Resolution endorsing and supporting the upgrade of US 23 to interstate standards, from Asheville to the Tennessee line, and calling upon the N. C. Department of Transportation to advance the completion of this project to coincide with the State of Tennessee's completion date of 1992.**

Mayor Bissette said this resolution will endorse and support the upgrading of US 23 to interstate standards, from Asheville to the Tennessee Line.

Councilman Price said she would support the resolution but noted that this request is in no way intended to decrease funding for proposed highway projects for Asheville.

After discussion, Mayor Bissette said he would send a transmittal letter to the N.C.D.O.T. noting Councilman Price's concern.

Upon motion of Councilman Boland, seconded by Councilman Price, Resolution No. 88-44 was unanimously adopted.

Resolution Book No. 17 Page No. 109

V. CONSENT:

A. Resolution No. 88-45 -Resolution appointing members to the Asheville Cablevision Commission.

SUMMARY: The Asheville Cablevision Commission was created by Resolution No. 86-77 dated April 29, 1986 and the City Council desires to establish fixed terms for the members of the Commission other than have the members serve at the pleasure of Council as set forth in the original resolution. The Commission shall hereafter be composed of a City Council representative who shall serve as Chairman, a representative of Asheville Cablevision or its successor in interest, and three (3) community representatives.

Resolution Book No. 17 Page No. 110

B. Motion scheduling a public hearing relative to amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville", As Amended (Creating a New Section 30-3-14, Landscape and Buffering Requirements) for April 12, 1988.

SUMMARY: This ordinance will amend Ordinance No. 322 by creating a new section 30-3-14, Landscape and Buffering Requirements.

C. Motion scheduling a public hearing relative to rezoning property located at 177 Brickyard Road from R-2 Residential District to R-5 Residential District for April 12, 1988.

SUMMARY: The Asheville Planning and Zoning Commission at a meeting on March 2, 1988, reviewed the petition of Mr. Carl Chambers that Lot 22, Sheet 12, Ward 12 (177 Brickyard Road) be rezoned from R-2 Residential District to R-5 Residential District. Commission recommended approval of the petition.

Councilman Price moved to delete Item D from the consent agenda and that the matter be considered separately and further that Mayor Bissette be excused from voting on Item D due to his law firm representing Daniels Business Service, Inc. This motion was seconded by Councilman Bratton and carried unanimously.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, the consent agenda was unanimously approved.

D. **Motion authorizing the City Manager to execute an agreement with Daniels Business Service, Inc. regarding property along the east side of Rankin Avenue.**

SUMMARY: This motion will authorize an agreement with Daniels Business Service, Inc. regarding property along the east side of Rankin Avenue.

Councilman Price moved to authorize the City Manager to execute an agreement with Daniels Business Service, Inc. regarding property along the east side of Rankin Avenue. This motion was seconded by Councilman Frank and carried on a vote of 6-0, with Mayor Bissette being excused from the vote.

OTHER BUSINESS:

COMMENTS BY COUNCILMAN MARTIN

Councilman Martin said he was very pleased with actions taken by Council today toward the implementation of an Affirmative Action Plan and the authorization to start the process of selecting a new data processing system.

CITY MANAGER COMMENTS - ARTICLE IN NEWSPAPER REGARDING PARKING CITATIONS

The City Manager noted that after investigation it was determined that the recent article in the Asheville Citizens-Times, written by Bob Terrell, relative to a parking citation was in error.

After a brief discussion, the City Manager was instructed to contact the Executive Editor of the Asheville Citizen-Times for a possible retraction.

CITY MANAGER COMMENTS - ELECTION BY POLICE AND FIRE DEPARTMENT RELATIVE TO PARTICIPATION IN SOCIAL SECURITY

The City Manager noted that both the Police and Fire Department, in a recent election, voted not to participate in Social Security benefits. The actual vote being: Police Department 6 voting yes and 33 voting no. Fire Department 29 voting yes and 67 voting no.

CITY MANAGER COMMENTS - SPRINKLER SYSTEM FOR CITY HALL BUILDING

The City Manager said Chief John Rukavina of the Asheville Fire Department had informed him that the North Carolina State Building Code Council had approved the use of a sprinkler system for the City Hall Building in lieu of an additional stairwell. The approval would be applicable only from the sixth floor down and that further provisions would have to made for the seventh and eighth floors.

CLAIMS - L. R. CLAYTON (SEWER) - ROBERT WEST (WATER) - DONNIE BALL (SEWER) - JAMES CRAIG (WATER) - SOUTHERN BELL (WATER)

The City Manager presented claims received from L. R. Clayton, Robert West, Donnie Ball, James Craig, and Southern Bell.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - CHRISTOPHER HEWITT VS. CITY OF ASHEVILLE (PROPERTY DAMAGE FROM SEWER BACKUP)

The City Manager said the City was served with a lawsuit on March 8, 1988 involving Christopher Hewitt d/a/a/ Hewitt Press vs. City of Asheville relative to property damage from sewer backup.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT

Upon motion, the meeting adjourned at 6:10 p.m.

MAYOR

CITY CLERK

Tuesday - March 22, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - MARCH 15, 1988

Mayor Bissette announced the approval of the minutes of the March 15, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Resolution No. 88-46 - Resolution to close the twenty (20) foot public street or alley described in Deed Book 781, at page 227, Buncombe County Registry. (Between Fairfax Avenue and Dale Street).

Mayor Bissette said Christ Fellowship Church, owners of Tax Lots 247 and 11, Sheet 14, Ward 5, adjoining a twenty (20) foot street or public alley, filed a written petition and request with the City Council that the street or public alley be permanently closed to public use.

Mayor Bissette opened the public hearing at 4:33 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Marc Rudow, Attorney representing Christ Fellowship Church, spoke in support of the closing of the street. He said the street is bordered on three sides by church property and by the North Carolina Department of Transportation I-240 on the other

side. He said proper notification relative to the proposed closing has been given to the North Carolina Department of Transportation.

Councilman Price questioned whether the closing of this street was in keeping with the recently approved group development plan for Christ Fellowship Church and if the Church will comply with all the provisions stipulated in the approval of the group development plan.

Mr. Rudow responded that he did not know about the group development plan but only about the request of the Church to have the street closed.

Mayor Bissette noted that the Public Works Department has indicated that they have no objections to the closing of this street.

Mayor Bissette closed the public hearing at 4:35 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-46 was unanimously adopted.

Resolution Book No. 17 Page No. 111-112

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Ordinance No. 1683 - Budget ordinance amendment to provide funding for agreement with Asheville Discovery.

Mayor Bissette said this budget amendment will provide funding for agreement with Discovery Asheville.

The City Manager noted that this amendment in the amount of $10,000 would fund the "Grove Arcade Program" and "Discovery Day."

Councilman Price moved for the adoption of Ordinance No. 1683. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1683 passed on first and final reading.

V. CONSENT:

A. Approval of bids for herbicide for the City of Asheville for the Public Works and Parks and Recreation Departments.

SUMMARY: Recommendation is to the lowest bidder, Southern States, Inc., Asheville, North Carolina, in the amount of $28,436.00.

B. Approval of bids for fire pumper/squad unit for the Fire Department.

SUMMARY: Recommendation of award for one Fire Pumper/Squad Unit to the low bidder, Emergency Apparatus, Inc., Durham, North Carolina, in the amount of $106,193.00.

C. Resolution No. 88-47 - Resolution authorizing the City Manager to execute contract with Asheville Discovery

SUMMARY: This agreement by and between the City of Asheville and the Asheville-Buncombe Discovery, Inc. is for the City to fund certain programs of Asheville-Buncombe Discovery, Inc.

Resolution Book No. 17 Page No. 113

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, the consent agenda was unanimously adopted.

VI. OTHER BUSINESS:

CLAIMS - ALAINA MOORE (FIRE) - SUZANNE TEW (FIRE) - RONNIE EDWARDS (WATER) - SOUTHERN BELL (WATER) - DELLA LAWHON (STREETS) - PARKLAND CORP. (PARKS) - R. L. BAILEY (STREETS) - GARY BURNETTE (STREETS)

The City Manager presented claims received form Alaina Moore, Suzanne Tew, Ronnie Edwards, Southern Bell, Della Lawhon, Parkland Corp., R. L. Bailey, and Gary Burnette.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - BONNY E. CAMERON VS. CITY OF ASHEVILLE, COUNTY OF BUNCOMBE AND VECTOR HOSPITALITY ASSOCIATION (FALL) - BEST MASONRY CONSTRUCTION, INC. VS. PACK PLAZA, LTD., ET ALS (LIEN) - DON H. TRANTHAM VS. CITY OF ASHEVILLE (APPEAL FROM CIVIL SERVICE)

The City Manager said the city was served with lawsuits involving Bonny E. Cameron vs. City of Asheville, County of Buncombe, and Vector Hospitality Association relative to a fall on a piece of pipe sticking up on sidewalk; Best Masonry Construction Inc., vs. Pack Plaza, Ltd., et als relative to a lien perfection; City named a party since it has Deed of Trust; and Don H. Trantham vs. City of Asheville relative to an appeal from Civil Service Board decision.

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

MR. MARTINES - COMMENTS - COMPLAINTS - ASHEVILLE POLICE DEPARTMENT

Mr. Martines spoke to members of Council relative to the establishment of a Civilian Review Board elected by the citizens of Asheville, a City School Board elected by the citizens of Asheville, and the upgrading of the Community Relations Council to a Human Relations Office.

Mr. Martines also commented on three male members of his church, the Bethel Seventh Day Adventist Church, having some point of contention with the Asheville Police Department. He said one police officer had been suspended because of misconduct in the issuance of a traffic citation to a member of his church; another member's case is in the court process, and his own case is now being handled by internal affairs. He read portions of a news article in the Asheville Citizen-Times on Saturday relative to an armed robbery and portions of a complaint relative to his being a suspect in the armed robbery. He inquired as to the extent his name would stay on the police records. He requested that he be placed on Council's agenda in order for him to present more details about the matter.

Mr. Martines said he was also very concerned about the homeless problem in the City.

Mayor Bissette told Mr. Martines that many organizations in the City would welcome his input such as the ABCCM and the Asheville-Buncombe Community Relations Council. He also told Mr. Martines that changes in the appointments to the Asheville City School Board would have to be made by the State legislature.

RALPH BISHOP - RIGHT TO ADDRESS COUNCIL - SCHNEIDER NINE AGREEMENT

Ralph Bishop spoke to members of Council relative to the right to address Council. He also requested a copy of the Schneider Nine Agreement.

AIRPORT - MEMORANDUM OF AGREEMENT

Mayor Bissette read a proposed Memorandum Of Agreement in an effort to address and resolve issues that have arisen between the County of Buncombe and the City of Asheville in connection with the Asheville Regional Airport.

Councilman Bratton left the meeting unexcused.

Vice-Mayor Michalove said the City had received a letter from the Federal Aviation Administration on March 21, 1988 indicating that if the Airport is to continue being eligible for discretionary funds lease revenues would have to pass to the Airport Authority. He said it appears that the City has exhausted all routes to have the Federal Aviation Administration change their ruling. He said the City was trying to do what was best for the citizens of Asheville in using airport lease revenues for the bus system. He said the City might have to implement a tax increase or service reductions in order to fund the bus system. He said in order for the Airport to continue receiving discretionary funds he felt the execution of this agreement would be in the best interest of all residents and taxpayers of the City of Asheville.

Mayor Bissette said the City would be agreeing to leasing property at the Airport to the Airport Authority in lieu of an ownership role; agreed to language to provide funding for capital or operating deficits of the Airport Authority; and to abide by rulings of the FAA. He said members of Council have agreed not to appeal the ruling from the Federal Aviation Administration that requires the City to begin putting lease money back into the Airport and to stop using the funds to help subsidize the bus system. He said Council members want the Airport Expansion Program to go forward. He pointed out that only leased revenue received after December 31, 1987 will be affected by the ruling and the FAA has affirmed that fact. He said they also affirmed that expenditures of lease revenue for transit purposes prior to December 31, 1987 have not and will not affect either future entitlement or discretionary funding.

He said the County has made unfair accusations that the city's use of lease funds for the bus system caused the FAA to deny discretionary funds for airport improvements. He said these accusations are simply not true. The City has used funds properly and within the law from the beginning. He said it is time the record is set straight and it was Council's hope that the County would attempt to set the record straight by acknowledging that the City has not misused funds and acted totally within federal law. He said it is unfortunate that the County Commissioners have never given one hint of concern for the 62,000 city residents who will have to pay to make up the loss of $100,000 in lease revenues that will now be used for the airport instead of the bus system. He said this is going to cost the city taxpayer about a cent on the tax rate. He said City residents are County residents also but there has been no concern at all expressed by the Commissioners for their constituents who live in the City and will have to pay to make up this loss.

He said it is good that airport improvements can now proceed, however in his opinion the process that has been gone through has been completely unnecessary and could have been

handled much differently. He said he felt this will cause difficulty and has not contributed to cooperation between the City and County.

Councilman Price said it should be noted that the County could sell the bonds for the Airport Expansion even if the City did not enter into this Memorandum of Agreement. She said in her opinion the County should have issued the bonds then negotiated these concerns with the City.

Councilman Martin said the City Council has made an effort to facilitate the issuance of the Airport Expansion Bonds; however, now the City must find a resource to fund $100,000 to the bus system and still try to avoid a tax increase.

Councilman Price noted that the Memorandum of Agreement has language relative to property being leased to the Airport Authority. She said this property is only property currently under lease to the Airport Authority.

Councilman Boland moved that the Mayor be authorized to execute the Memorandum of Agreement. This motion was seconded by Councilman Martin and carried unanimously.

ADJOURNMENT:

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, the meeting adjourned.

MAYOR

CITY CLERK

Tuesday - March 29, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: City Manager Douglas O. Bean

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF MINUTES - MARCH 22, 1988

Mayor Bissette announced the approval of the minutes of the March 22, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Resolution No. 88-48 - Resolution commending Asheville High School for its participation in the International Exchange Program and recognizing the foreign exchange students and teacher from Japan and other exchange students from Spain, Brazil, Kenya, New Zealand, West Germany, Peru, Denmark, and England.

Mayor Bissette read the resolution and presented a copy of the resolution and a welcome letter to each student and teacher.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 88-48 was unanimously adopted.

Resolution Book No. 17 Page No. 114

B. **Proclamation -"Fair Housing Month" - April, 1988**

Mayor Bissette read the proclamation and presented a copy to Hazel Turner, member of the Fair Housing Commission.

C. **Proclamation - "Community Development Week" - April 2 - 9, 1988**

Mayor Bissette read the proclamation and presented a copy to Marvin Vierra, Community Development Director.

After a brief discussion relative to Community Development funding, Councilman Price moved that the Mayor be authorized to communicate with Senator Terry Sanford to request his support for Community Development Block Grant funding at the current level in the FY 89 Senate Budget Resolution. This program has experienced reduced funding for the past three (3) years, and the program is providing immeasurable benefits for Asheville's low and moderate income residents. This motion was seconded by Councilman Frank and carried unanimously.

D. Proclamation - "Parkinsons Awareness Month" - April, 1988

Mayor Bissette read the proclamation and presented a copy to Mrs. Samuel A. Bingham, President of the Asheville Parkinsons Support Group.

E. Proclamation - "Cablevision Month" - April, 1988

Mayor Bissette read the proclamation and presented a copy to Joe Haight, General Manager of Asheville Cablevision.

Mr. Haight outlined the events taking place during "Cablevision Month".

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1684 - An ordinance amending Section 18-12 of the Code of Ordinances of the City of Asheville regulating noise.

Mayor Bissette said this ordinance will amend the noise ordinance so as to regulate noise level emissions associated with automobile racing and related events.

The Corporation Counsel outlined the specific provisions amending Section 18-12 of the Code of Ordinance regulating noise.

Vice-Mayor Michalove said it has been determined by the courts that the racetrack would not apply to the nonconforming provisions stipulated in Section 30-3-3 of the Zoning Ordinance. Therefore, Council has been working with the racetrack owner to alleviate some of the problems associated with the racetrack.

The Corporation Counsel and Russell Leicht, Racetrack Owner and Operator, answered general questions from members of Council.

Upon inquiry of Vice-Mayor Michalove, the Corporation Counsel said these amendments would not address singing, etc. on public streets or barking dogs. He said the maximum fine for noncompliance would be $50.00 or thirty (30) days imprisonment.

Councilman Martin noted that this ordinance indicates the City of Asheville and Asheville Speedway's intent to come up with a manageable ordinance. He said these provisions could be tested and reviewed at a later date.

Upon inquiry of Mayor Bissette, Mr. Leicht said there is ample parking for the races with thirty (30) acres for parking. He said he also has police officers to help with traffic congestion.

Upon inquiry of Mayor Bissette, Mr. Leicht said he could provide members of Council with a demonstration of mufflered and unmufflered cars.

Herman Rector, 59 Greeley Street, commended the City and the racetrack owner for addressing the concerns of the residents in the area. He said he felt racing on Sunday, rock concerts, and tent carnivals should also be addressed in this ordinance.

Mr. Rector said he felt Council should look into means of avoiding the development of future race tracks in the City.

Bill Huskey, Thrifty Mufflers, said the mufflers to be used by the race car drivers have been approved for indoor use.

Upon inquiry of Councilman Price, Mr. Leicht said he would try to arrange that the last race of the evening, even during special events, would be by cars that have been mufflered.

After discussion, Councilman Frank moved for the adoption of Ordinance No. 1684. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 7-0, Ordinance No. 1684 passed on first reading.

Mayor Bissette said he felt members of Council would like to see a demonstration of the mufflered cars during a Pre-Council meeting prior to the third reading of the ordinance.

IV. NEW BUSINESS:

V. CONSENT:

A. Resolution No. 88-49 - Resolution authorizing the City Manager to execute all right-of-way encroachment agreements with the North Carolina Department of Transportation for the purpose of placement, replacement and repair of storm drainage and sanitary sewer structures that are to be located within the right of way limits of any state maintained road or highway.

SUMMARY: This resolution will authorize blanket authority for the City Manager to execute encroachment agreements with the North Carolina Department of Transportation for sewer lines.

Resolution Book No. 17 Page No. 115

B. Resolution No. 88-50 - Resolution approving the sale and conveyance of certain disposal parcels located in the East Riverside Urban Renewal Project by the Housing Authority of the City of Asheville - Disposal Parcels 57A, 57B, 99, and 118/165.

SUMMARY: Due to the change in the N.C. General Statutes, it is necessary for the Housing Authority to reconsider the proposals on five parcels of land recently approved by City Council. The new law of which the Housing Authority was not aware changed the length of time of advertising for bidders from "once a week for two weeks, ten days prior to bid opening" to "once at least 30 days prior to bid opening."

Said parcels being as follows:

Disposal Parcel 99 (Plat Book 52 at Page 33) to Arthur F. Jenkins and Sidney Lance Wait, Disposal Parcel 57A (Pat Book 46 at Page 39 and Plat Book 48 at Page 173) to L. B. Jackson & Co., Disposal Parcel 57B (Plat Book 46 at Page 39 and Plat Book 48 at Page 173) to Asheville Merchants Association, Inc., Disposal Parcel 118 (Plat Book 50 at Page 115) to Mountain Area Hospice, Inc., and Disposal Parcel 165 (Plat Book 50 at Page 115) to Mountain Area Hospice, Inc.

Resolution Book No. 17 Page No. 116

C. Resolution No. 88-51 - Resolution authorizing the Mayor to execute and file an application on behalf of the City of Asheville with the State of North Carolina for a grant to aid in the construction of Water System Improvements for Haw Creek, Oteen, South and West Annexation Areas (1988).

SUMMARY: This resolution will authorize the Mayor to file an application on behalf of the City of Asheville with the State of North Carolina for a grant to aid in the construction of the project described above.

Resolution Book No. 17 Page No. 117-118

D. Resolution No. 88-52 - Resolution establishing a Water Conservation Program in connection with the Water System Improvements Program - 1988 Annexation Areas - Clean Water Revolving Loan and Grant Act of 1987.

SUMMARY: In connection with the application for a grant to aid in the construction of Water System Improvements for Haw Creek, Oteen, South and West Annexation Areas it is necessary to adopt a resolution establishing a Water Conservation Program.

Resolution Book No. 17 Page No. 119

E. Resolution No. 88-53 - Resolution establishing a Capital Reserve Fund in connection with the Water System Improvements Program - 1988 Annexation Areas - Clean Water Revolving Loan and Grant Act of 1987.

SUMMARY: In connection with the application for a grant to aid in the construction of Water System Improvements for Haw Creek, Oteen, Sough and West Annexation Areas (1988) it is necessary to adopt a resolution establishing a Capital Reserve Fund.

Resolution Book No. 17 Page No. 120

F. Resolution No. 88-54 - Resolution authorizing the Mayor to execute and file an application on behalf of the City of Asheville with the State of North Carolina for a grant to aid in the construction of Wastewater System Improvements for Haw Creek, Oteen, South and West Annexation Areas (1988).

SUMMARY: This resolution will authorize the Mayor to file an application on behalf of the City of Asheville with the State of North

Carolina for a grant to aid in the construction of the project described above.

Resolution Book No. 17 Page No. 121-122

G. **Resolution No. 88-55 - Resolution establishing a Water Conservation Program in connection with the Wastewater System Improvements Program - 1988 Annexation Areas - Clean Water Revolving Loan and Grant Act of 1987.**

SUMMARY: In connection with the application for a grant to aid in the construction of Wastewater System Improvements for Haw Creek, Oteen, South and West Annexation Areas it is necessary to adopt a resolution establishing a Water Conservation Program.

Resolution Book No. 17 Page No. 123

H. **Resolution No. 88-56 - Resolution establishing a Capital Reserve Fund in connection with the Wastewater System Improvements Program - 1988 Annexation Areas - Clean Water Revolving Loan and Grant Act of 1987.**

SUMMARY: In connection with the application for a grant to aid in the construction of Wastewater System Improvements for Haw Creek, Oteen, South and West Annexation Areas (1988) it is necessary to adopt a resolution establishing a Capital Reserve Fund.

Resolution Book No. 17 Page No. 124

Upon motion of Councilman Martin, seconded by Councilman Michalove, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

CLAIMS - SHARON PETTIJOHN (WATER) - J. T. ANDERSON (WATER) - DON TOMBERLIN (FIRE) - CLIFF LONGCOY (FIRE) - LINDA GARREN (WATER) - ROBERTA ALLEN (WATER) - JULIUS McDOWELL (WATER) - DICK MEEHAN (WATER)

The City Manager presented claims received from Sharon Pettijohn, J. T. Anderson, Don Tomberlin, Cliff Longcoy, Linda Garren, Roberta Allen, Julius McDowell, and Dick Meehan.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - EDGAR JOE DURHAM, d/b/a WOODWORKING AND CONTRACTING VS. BLOSAM CONTRACTORS, INC., ET AL (LIEN PERFECTION; CITY NAMED

A PARTY SINCE IT HAS DEED OF TRUST) - WILLIAM A. STEWART, d/b/a SUPERIOR PAINT VS. BLOSAM CONTRACTORS, INC., ET AL (LIEN PERFECTION; CITY NAMED A PARTY SINCE IT HAS DEED OF TRUST)

The City Manager said the City was served with lawsuits involving Edgar Joe Durham, d/b/a Woodworking and Contracting vs. Blosam Contractors, Inc., et al (lien perfection; City named a party since it has Deed of Trust) and William A. Stewart, d/b/a Superior Paint vs. Blosam Contractors, Inc., et al (lien perfection, City named a party since it has Deed of Trust).

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT

Upon motion, the meeting adjourned at 6:00 p.m.

MAYOR

William A. Roberts
CITY CLERK

Tuesday - April 5, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Kenneth M. Michalove

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES - MARCH 29, 1988

Mayor Bissette announced the approval of the minutes of the March 29, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1684 - Second reading of an ordinance amending Section 18-12 of the Code of Ordinances of the City of Asheville regulating noise.

Mayor Bissette said this ordinance will amend the noise ordinance so as to regulate noise level emissions associated with automobile racing and related events. This ordinance passed on second reading on March 29, 1988.

Mike Moore, Attorney representing the Asheville Speedway, requested an amendment to the ordinance allowing for one additional practice session per year for special NASCAR events.

After discussion, it was determined that the City Attorney and Mike Moore could review the request and submit language that could be included in the ordinance prior to the third reading.

On a roll call vote of 6-0, Ordinance No. 1684 passed on second reading.

IV. NEW BUSINESS:

A. Resolution No. 88-57 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville an agreement and any amendments thereto with G. Carroll Hughes, AIA, t/d/b/a, Spaceplan for Architectural services for the construction of a New Public Works Facility.

Mayor Bissette requested that he be excused from discussion and vote on the contract due to a conflict of interest. He said his law firm represents Mr. Carroll Hughes.

Councilman Price moved to excuse Mayor Bissette from discussion and vote on the contract with G. Carroll Hughes relative to the construction of a new Public Works Facility. This motion was seconded by Councilman Frank and carried unanimously.

The City Manager said an evaluation/selection committee received nine proposals for the services of an architectural consultant for the construction of a new Public Works facility. G. Carroll Hughes, Spaceplan, was ranked as the firm best suited for this project.

Upon inquiry of Ralph Bishop, the City Manager said the facility would be built on South Charlotte Street at a cost of approximately $2 million with the architectural consultant fees being $186,000.

Upon motion of Councilman Boland, seconded by Councilman Martin, Resolution No. 88-57 was unanimously adopted.

Resolution Book No. 17 Page No. 125

V. CONSENT:

A. Approval of bid for one (1) refuse collection vehicle - truck with Packer Body for Public Works Department, Sanitation Division.

SUMMARY: Award of bid for one (1) refuse collection vehicle - truck with Packer Body is recommended to the low bidder, Western Carolina Truck Center, Inc., Asheville, North Carolina, in the amount of $89,248.49.

(Bid Summary available in the Office of the City Clerk)

B. Resolution No. 88-58 - Resolution appointing member to Board of Electrical Examiners.

SUMMARY: This resolution will appoint Harvey Burleson as a member of the Board of Electrical Examiners.

Resolution Book No. 17 Page No. 126

C. Resolution No. 88-59 - Resolution adopting the Capital Improvements Program for Fiscal Year 1988/89.

SUMMARY: This resolution will adopt a Capital Improvements Program for Fiscal Years 1988/89 - 1993/94. Total Appropriation of $83,789,437 from fiscal years 1988/89 to 1993/94 to fund necessary capital improvements. Revenues provided in the various capital reserve funds.

Resolution Book No. 17 Page No. 127

Upon motion of Councilman Frank, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

CLAIMS - ROBERTA ERICKSON (WATER) - HARRY McCOY (WATER) - VICK COFFEY (WATER)- OPAL MANN (SEWER)

The City Manager presented claims received from Roberta Erickson, Harry McCoy, Vic Coffey, and O[illegible] Mann.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - OBTAINING CITY RECORDS - ASHEVILLE POLICE DEPARTMENT AND LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to his difficulty in obtaining city records, the Asheville Police Department and lottery sales in the City of Asheville.

ADJOURNMENT:

Upon motion, the meeting adjourned at 4:45 p.m.

MAYOR

CITY CLERK

//3// Tuesday - April 12, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Michalove, Councilman Walter Boland and Councilman Russell Martin

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF MINUTES - APRIL 5, 1988

Mayor Bissette announced the approval of the minutes of the April 5, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Resolution No. 88-60 - Resolution honoring A C Reynolds High School Men's Basketball Team, 4-A State Championship 1987-88.

Mayor Bissette said the Rockets of A C Reynolds High School scored victory over Richmond County High School winning the State 4-A Championship Title, completing their 1987-88 season with a school record of 27 victories.

Mayor Bissette presented a copy of the resolution to each member of the A C Reynolds High School Men's Basketball Team and its coaches.

Resolution Book No. 17 Page No. 128

B. Proclamation - "Victims' Rights Week" - April 17 - 23, 1988

Mayor Bissette read the proclamation and presented a copy to Captain Will Annarino and Jan Phillips from The Victim Assistance Unit of the Asheville Police Department.

C. Proclamation - "Vocational Industrial Clubs of America Week" - April 10 - 16, 1988

Mayor Bissette read the proclamation and presented a copy to Carol E. Weir, Vocational Director for the Asheville City Schools and to Bill Teague, Vocational Director for the Buncombe County Schools.

D. Proclamation -"Women's Conference 1988 - Pathways to Progress" - April 22 and 23, 1988

Mayor Bissette read a proclamation proclaiming April 22 and 23, 1988 as "Women's Conference 1988 - Pathways to Progress".

Councilman Frank and Councilman Price commented on the activities taking place during the Women's Conference 1988.

II. PUBLIC HEARINGS:

A. Public hearing relative to closing First Street between Wanoca Avenue and Unaka Avenue.

Resolution No. 88-61 - Resolution to close First Street between Wanoca Avenue and Unaka Avenue in the City of Asheville, North Carolina

Mayor Bissette said a petition has been received from the property owners along a portion of First Street, requesting that a portion of First Street be closed as a public street right-of-way.

Mayor Bissette opened the public hearing at 4:34 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said this road is an unopened and unimproved road. He said the city staff has recommended the closing of the road with the stipulation that utility easements be obtained.

Mayor Bissette closed the public hearing at 4:35 p.m.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-61 was unanimously adopted.

Resolution Book No. 17 Page No. 129-130

B. Public hearing relative to rezoning property located at 177 Brickyard Road.

An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Mr. Carl Chambers, property located at 177 Brickyard Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on March 2, 1988, reviewed the petition of Mr. Carl Chambers that Lot 22, Sheet 12, Ward 12 (177 Brickyard Road) be rezoned from R-2 Residential District to R-5 Residential District. Commission recommended approval of the petition.

Mayor Bissette opened the public hearing at 4:36 p.m.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the petitioner requested the rezoning for the purpose of subdividing a lot for a single family residence.

Mayor Bissette closed the public hearing at 4:40 p.m.

Councilman Price moved for the adoption of Ordinance No. 1685. This motion was seconded by Councilman Frank.

On a roll call vote of 4-0, Ordinance No. 1685 passed on first reading.

C. **Public hearing relative to amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville" as amended, Section 30-3-14, Landscape and Buffering Requirements.**

Ordinance No. 1686 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville" as amended (Wording Amendment - Section 30-3-14. Buffering)

Mayor Bissette said this ordinance will amend Ordinance No. 322 by creating a new Section 30-3-14, Landscape and Buffering Requirements.

Mayor Bissette opened the public hearing at 4:41 p.m.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this amendment will "fine tune" the current buffering ordinance.

Al Kopf, from the Planning Division, said the current buffering ordinance has been in place for two years and

has had a substantial environmental impact on the community. He reviewed the proposed revisions to the current ordinance stating that many of the changes are minor. He said one of the substantial changes is the creation of a new section to provide the planning staff flexibility in dealing with special circumstances. He said during the three public hearings held by the Planning and Zoning Commission there was no opposition expressed.

Mike Plemmons said he had not heard of the public hearings held by the Planning and Zoning Commission. However, a representative from the Home Builders Association is present at the meeting.

George Jenson, Engineer, pointed out several provisions in the ordinance which Council should address, mainly dealing with clarification from a designer's standpoint. He requested that Council instruct the city staff to come up with more specific language.

June Grant, local realtor, also spoke relative to the proposed amendments as it relates to the Historic Districts and developments abutting residential properties.

Mayor Bissette noted that notices were mailed to local organizations that might be affected by the buffering/landscape ordinance.

Mayor Bissette closed the public hearing at 5:26 p.m.

Councilman Price moved for the adoption of Ordinance No. 1686 with the stipulation that Section 4(d) be changed to eliminate the word "morals" and that Section f(5) be changed to read "Unless buffering is required" in lieu of "unless more extensive landscaping is required"and further that the Planning Staff work with Mr. Jenson on more specific language to include in the ordinance prior to the third reading. This motion was seconded by Councilman Frank.

On a roll call vote of 4-0, Ordinance No. 1684 passed on first reading.

III. OLD BUSINESS:

A. Ordinance No. 1684 - Third reading of an ordinance amending Section 18-12 of the Code of Ordinances of the City of Asheville regulating noise.

Mayor Bissette said this ordinance will amend the noise ordinance so as to regulate noise level emissions associated with automobile racing and

related events. This ordinance passed on second reading on March 29, 1988.

The Corporation Counsel suggested an amendment to Section 2(16)(iii)(d) to include a sentence to read as follows: "One additional practice session per race track per year shall be allowed during the same hours on a date preceding by not more than two (2) weeks the first competition event of the year, subject to the notice provisions set forth hereinafter."

IV. NEW BUSINESS:

V. CONSENT:

A. Scheduling public hearing relative to changing name of Tower Road to Summerlin Road for May 17, 1988.

SUMMARY: Mr. Dick Cullom, Director of Operations, Radio Station WWNC, has requested that the name of the road leading to the station by changed from Tower Road to Summerlin Road in memory of the late Sheldon Summerlin.

B. Resolution No. 88-62 - Resolution directing the City Clerk to investigate validity of annexation petition (V.F.W. Post #891 on New Leicester Highway).

SUMMARY: G.S. 160A-58.1 requires that the City Council instruct the City Clerk to investigate the validity of a petition for a non-contiguous annexation. The V.F.W. Post #891 on New Leicester Highway is requesting annexation.

Resolution Book No. 17 Page No. 131

C. Resolution No. 88-63 - Resolution authorizing the City Manager to execute a contract extension with Traffic Systems, Inc. for downtown signals.

SUMMARY: This action will authorize a contract extension for the purpose of updating traffic data, redeveloping system timing plans and expanding management services for the installation of the new Downtown Closed-Loop Signal System. The contract extension will allow for the correction of invalid timing parameters, provide for additional testing and field supervision of equipment installation and allow project to stay on schedule with installation beginning in May.

Upon motion of Councilman Frank, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

Resolution No. 88-64 - Resolution authorizing the City Manager to sign a contract with Land Design/Research, Inc. for market analysis of Downtown Asheville

The City Manager said professional market analysis can produce information which will be extremely helpful in the revitalization of downtown. Six firms submitted proposals responding the City's request for proposals. The Downtown Commission recommends the firm of Land Design/Research, Inc. He said the City had budgeted $40,000 for the project and the proposal was for $62,500. He said the Asheville Area Economic Development Partnership has approved funding the remaining $22,500 from appropriations from the private sector.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-64 was unanimously adopted.

JOHN MIDGETT - NORTH CAROLINA CHAPTER OF POLICE BENEVOLENT ASSOCIATION

John Midgett with the North Carolina Chapter of the Police Benevolent Association said he wanted to come to Council to clear up a discrepancy that he felt Council has regarding the association. He said the association is not a union and is only action in retired police officer's benefits and to create a professional concept of law enforcement. He said the association also provides support in some disciplinary actions on a case by case basis.

MIKE PLEMMONS - PRIVILEGE LICENSES

Mike Plemmons said he felt Council should take a close look at the proposed privilege license ordinance since the Director of Finance had commented that the costs could increase from 150%-300%.

RALPH BISHOP - SEEKING REDRESS FROM COUNCIL

Ralph Bishop again spoke to members of Council relative to right to seek redress at the Council meeting and his right to address Council members during the pre-council work sessions.

ADJOURNMENT:

Upon motion, the meeting adjourned at 6:00 p. m.

MAYOR

William F. Wolcott
CITY CLERK

Tuesday - April 19, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin, Acting Corporation Counsel Pam McGrayne; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland and Corporation Counsel William F. Slawter

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF MINUTES - APRIL 12, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the April 12, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - Professional Secretaries Week - April 24 - 30, 1988

Mayor Bissette read the proclamation and presented a copy to Sandra Fowler, CPS, President of Asheville Chapter of Professional Secretaries International, Martha Capps and Henrietta Griffin.

B. Proclamation - "Consumer's Week" - April 24 - 30, 1988

Mayor Bissette read the proclamation and presented a copy to Craig LaRoche.

II. PUBLIC HEARINGS:

A. Public hearing relative to closing Parkwood Avenue, Oakwood Street, Oakwood Place (a/k/a Parkwood Place) and a portion of Green Briar Road Extension.

Mayor Bissette said a petition has been filed by R.B.R. & S.T., a North Carolina Limited Partnership, requesting that Parkwood Avenue, Oakwood Street, Oakwood Place (a/k/a Parkwood Place) and a portion of Green Briar Road Extension be permanently closed to the public use. All streets are on a certain 14.54 acre tract entitled "West Terrace Apartments, Inc."

Mayor Bissette opened the public hearing at 4:26 p. m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette said a request was received from the attorney involved in the closing that the public hearing be continued until May 10, 1988 due to a misunderstanding relative to the posting of the streets proposed to be closed. He said this continuance would give the attorney an opportunity to post the streets in question as required by the N. C. General Statute.

Councilman Bratton moved to continue the public hearing relative to closing Parkwood Avenue, Oakwood Street, Oakwood Place (a/k/a Parkwood Place) and a portion of Green Briar Road Extension until May 10, 1988 without further advertisement. This motion was seconded by Councilman Martin and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1685 - Second reading of an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended, rezoning property located at 177 Brickyard Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on March 2, 1988, reviewed the petition of Mr. Carl Chambers that Lot 22, Sheet 12, Ward 12 (177 Brickyard Road) be rezoned from R-2 Residential District to R-5 Residential District. Commission recommended approval of the petition. This ordinance passed on first reading on April 12, 1988.

Mayor Bissette said this ordinance was previously read on first reading and will not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1685 passed on second reading.

B. Ordinance No. 1686 - Second reading of an ordinance amending Ordinance No. 322, known as "An ordinance providing for the Zoning of the City of Asheville," as amended. (Wording Amendment - Section 30-3-14. Buffering)

Mayor Bissette said this ordinance will amend Ordinance No. 322 by creating a new Section 30-3-14, Landscape and Buffering Requirements. This ordinance was read on first reading on April 12, 1988.

Mayor Bissette said this ordinance was previously read on first reading and will not be reread in its entirety.

Al Kopf, from the Planning Department, reviewed the two revisions incorporated in the ordinance during the first reading. He said the planning staff was also requested to work with Mr. George Jenson, Engineer, relative to including language to give developers incentives to preserve existing trees. He said as an interim solution it is suggested that the ordinance be amended to provide that every 2" of diameter of existing trees that is preserved that this can be substituted for one required tree. He said this would also apply to street trees as well as parking lots. Basically, that existing buffering can be applied to required buffering. A discussion was held relative to having this provision apply to trees up to 30". It was decided that this language could be incorporated into the ordinance prior to the third reading.

George Jenson, Engineer, said he felt there should be some economic trade-off for developers saving large trees in parking lot areas. He suggested that for every 15 trees saved that one required space be deleted. He said a large building area could be taken up by the requirement of trees. He also suggested that under the maintenance of landscaping that the requirement for replacing unhealthy plants within thirty (30) days include language that states "weather permitting".

June Grant, local realtor, again spoke relative to the need to address developments within Historic Districts and abutments on residential properties. She gave a hypothetical example of how these requirements could effectively reduce a developers building space, costing the developer a sizeable amount of money, without compensation.

Verl Emrick, Director of Planning, said these amendments are proposed in an effort to recognize specific circumstances and to reduce the number of steps and conditions a developer has to go through in getting a group development approved.

On a roll call vote of 6-0, Ordinance No. 1686 passed on second reading.

IV. CONSENT:

A. **Resolution No. 88-65 - Resolution authorizing the City Manager to execute an agreement with Terry Brothers Construction Company, Inc., for the construction of the Caledonia Road Sanitary Sewer Project.**

SUMMARY: This project involves the installation of approximately nineteen hundred linear feet of sanitary sewer on Caledonia Road. Bids were opened on this project on March 29, 1988 and the lowest responsible bidder was Terry Brothers Construction Company, Inc., in the amount of $67,036.00. It is recommended that the City Manager is authorized to execute an agreement with Terry Brothers Construction Company, Inc. for this project.

Resolution Book No. 17 Page No. 134

B. Resolution No. 88-66 - Resolution authorizing the Mayor of the City of Asheville to execute easement in favor of the Carolina Power and Light Company for property on Walnut Street and Rankin Avenue for the new Rankin Street Parking Garage.

SUMMARY: Carolina Power and Light Company has requested that the City of Asheville execute a right-of-way easement on property belonging to the City of Asheville on Walnut Street for the purpose of locating an underground electric line at the new Rankin Avenue Parking Deck.

Resolution Book No. 17 Page No. 135

C. Scheduling public hearing relative to Master Plan of UNC-Asheville for May 10, 1988.

SUMMARY: The Asheville Planning and Zoning Commission at a meeting on April 6, 1988, reviewed the Master Plan of UNC-Asheville and voted unanimously to endorse the Master Plan with the recommendation that both car and foot access to Belk Theatre and Carmichael Lecture Hall be considered for incorporation into the plan.

D. Scheduling public hearing relative to amending Section 30-7-1. Conditional Uses. K. of Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville, as amended" for May 17, 1988.

SUMMARY: Per City Council's request of March 8, 1988, the Asheville Planning and Zoning Commission on April 6, 1988, considered a proposed wording amendment to the Asheville Zoning Ordinance, Section 30-7-1. Conditional Uses., Item K. to add Haywood Road to the list of thoroughfares permitting professional offices in the R-3 District

adjacent to commercial and industrial zones. Commission unanimously recommended this amendment to City Council.

E. **Scheduling public hearing relative to approval of final subdivision plat for Lornelle Place for May 3, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission on January 14, 1987, approved the preliminary plat subject to: Board of Adjustment granting a variance from the 100' required lot width on Lots 3 and 4, and City Council granting a variance from 50' to 40' on width of road and cul-de-sac. The Board of Adjustment granted the lot width variance on March 9, 1987. City Council granted the variance on the road and cul-de-sac by Resolution on 9-1-87. The final plat of Lornelle Place is now being presented for approval.

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, the consent agenda was unanimously approved.

V. OTHER BUSINESS:

SITE PLAN OF BEAVER LAKE VILLAS (ELLEN GOLDSTEIN PROJECT)

Councilman Martin moved to remand the site plan for the Beaver Lake Villas (Ellen Goldstein's Project on Long Street) to the Planning and Zoning Commission and that the site plan be considered again on May 17, 1988. This motion was seconded by Councilman Price and carried unanimously.

CONTINUATION OF PUBLIC HEARING RELATIVE TO CLOSING A PORTION OF SYRLIN STREET REQUESTED BY ELLEN GOLDSTEIN

Councilman Frank moved to continue the public hearing relative to closing a portion of Syrlin Street, requested by Ellen Goldstein from April 19, 1988 until May 17, 1988 giving Council meembers an opportunity to review the Beaver Lake Villas Site plan. This motion was seconded by Councilman Price and carried unanimously.

VI. NEW BUSINESS:

A. **Resolution No. 88-67 - Resolution authorizing the Mayor to sign a contract with the Neighborhood Reinvestment Corporation.**

Mayor Bissette said this agreement with Neighborhood Reinvestment Corporation will provide for the initial

phase of development of a Neighborhood Housing Services program for revitalizing the Montford neighborhood.

Marvin Vierra, Community Development Director, highlighted the details of the agreement with Neighborhood Reinvestment Corporation, stating that the agreement commits the City of Asheville to partially funding the project for the Montford area. He said the city staff has been working with the Neighborhood Reinvestment Corporation for about two and one-half years in an attempt to get this service implemented in the Montford area.

After a brief discussion, Vice-Mayor Michalove moved for the adoption of Resolution No. 88-67. This motion was seconded by Councilman Price and carried unanimously.

Resolution Book No. 17 Page No. 136

CLAIMS - FOREST BEACHBOARD (PARKS) - RHONDA DILLINGHAM (PARKS) - JACQUELINE BURRELL (STREETS)

The City Manager presented claims received from Forest Beachboard, Rhonda Dillingham, and Jacqueline Burrell.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - MOSER, INC. V. PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP, ET AL (LIEN PERFECTION) - JENNINGS GLASS CO., INC. V. BLOSAM CONTRACTORS, INC., ET AL (LIEN PERFECTION) - E. LUKE GREENE COMPANY, INC., V. BLOSAM CONTRACTORS, INC., ET AL (LIEN PERFECTION) - W. R. McCLAIN, INC., V. BLOSAM CONTRACTORS, INC., ET AL (LIEN PERFECTION) - ROBIN LYLES V. PATSY MARTIN V. CITY (AUTOMOBILE ACCIDENT)

The City Manager said the City was served with lawsuits involving Moser, Inc., vs. Pack Plaza Associates Limited Partnership, et al (lien perfection; City named a party since it has a Deed of Trust); Jennings Glass Company, Inc. v. Blosam Contractors, Inc., et al (lien perfection; City named a party since it has a Deed of Trust); E. Luke Greene Company, Inc. v. Blosam Contractors, Inc., et al (lien perfection; City named a party since it has a Deed of Trust); W. R. McClain, Inc., v. Blosam Contractors, Inc., et al (lien perfection; City named a party since it has a Deed of Trust); Robin Lyles v. Patsy Martin v. City (automobile accident).

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

COUNCILMAN MARTIN - COMMENDATION FOR FINANCE DEPARTMENT

Councilman Martin said he has been reviewing the investments that the City of Asheville makes through the Finance Director, Larry Fisher. He said in his opinion the Finance Department is "right on top of everything" with the City's investments, the rates received by the City are good, and he commends the department for making such diligent decisions.

CITY MANAGER - REPORT ON WALKAMERICA 1988 COMPARED TO 1987

The City Manager said during Walkamerica 1987 the City of Asheville had 26 participants with total donations of $625.00 with 24 walkers and 2 breakfast helpers. He said during Walkamerica 1988 the City of Asheville had 107 participants with total donations of $2,776.55 as of 4/18/88 (money is still coming in); 152 signed up for the walk, but 107 actually turned in money envelopes. He said the City of Asheville's participation in Walkamerica 1988 showed a 411% improvement in participation and a 443% improvement in total contributions over Walkamerica 1987.

RALPH BISHOP - RIGHT TO SPEAK DURING PRE-COUNCIL WORK SESSIONS

Ralph Bishop again spoke relative to right to address Councilmembers during the Pre-Council Work sessions. He said he felt Vice-Mayor Michalove did not have the right to stop him from commenting during these sessions since the Mayor was in charge of the meetings. He said in his opinion Section 9 of the City Charter allows him to speak during these sessions as long as he is not disruptive.

ADJOURNMENT:

Upon motion, the meeting adjourned at 5:30 p.m.

MAYOR

CITY CLERK

Tuesday - April 26, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Vice-Mayor Michalove.

APPROVAL OF MINUTES - APRIL 19, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the April 19, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Respect for Law Week" - May 1 - 7, 1988

Mayor Bissette read the proclamation and presented it to Sgt. Herb Watts, with the Asheville Police Department on behalf of the Optimist Club.

Sgt. Watts invited all Council members, the City Manager and the Assistant City Manager to a "Respect for Law Week" luncheon to be held at the Sheraton Motor Inn on Thursday, May 5, 1988 at 12:20 P.M.

B. Proclamation - Clean Streams Day - Saturday, April 30, 1988

Mayor Bissette read the proclamation and presented it to LaRue Bolick with Quality Forward.

LaRue Bolick said over 1,000 people would be working in the tributaries of the French Broad River during Clean Streams Day.

C. Proclamation - "Glad Bag-A-Thon Day" - Saturday, April 23, 1988.

Mayor Bissette read the proclamation and presented it to LaRue Bolick with Quality Forward.

LaRue Bolick said during the Bag-A-Thon 8 tons of trash was picked up by over 1,000 people and 1 ton of trash was picked up from the Swannanoa River. She thanked the City Council, city employees, County of Buncombe, the City of Asheville Sanitation Department, and the North Carolina Department of Transportation for their efforts during Bag-A-Thon Day.

JOHN WINKENWERDER, CHAIRMAN OF TOURISM DEVELOPMENT AUTHORITY - LITTER

John Winkenwerder, Chairman of the Tourism Development Authority, said the Authority had discussed the problem with litter in the City. He said millions of dollars are spent to entice tourists each year and then the City still has a severe litter problem. He asked what the Tourism Development Authority could do to get involved with cleaning up the litter or what the City of Asheville could do to have a "crack down" on the enforcement of the litter ordinance. He said he felt if there was a "crack down" of making arrests and fining the ones who litter the problem would be less severe. He said while visiting many main tourist spots he found that these places did not have a litter problem.

Councilman Bratton said during the Council Retreat the litter problem was listed as Council's number one priority. She said she felt the ordinance basically needs enforcement.

Councilman Frank said the Intergovernmental Services Committee will also be discussing the litter problem and the Litter Control Officer.

Councilman Boland said he felt some type of beautification program, with the help of the Western North Carolina Development Association, could set in motion a major clean up city wide with neighborhood groups participating.

Assistant City Manager Charles Penny said he had met with community groups and Western North Carolina Development Association in an effort to start such a program. He said he would know by May 15, 1988 if there is interest in such a program since the entry date for competing in the beautification contest is May 15, 1988. He said monetary awards would be given to the winners in the contest.

C. **Proclamation - Volunteer Recognition Day - April 26, 1988**

Mayor Bissette read the proclamation. Ray Kisiah introduced Mr. John Woods, President of the Ambassadors

Club of Asheville and members of the club as Volunteers of the Year. He said the Ambassadors Club prepares Thanksgiving dinner at the Senior Opportunity Center, furnishes coffee for the center and holds an annual picnic for youngsters each year.

Mayor Bissette said the proclamation would be presented to the Ambassadors Club of Asheville at the annual Volunteers Award dinner tonight at 6:30 P.M. at the Senior Opportunity Center.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1685 - Third reading of an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the Zoning of the City of Asheville," as amended, rezoning property located at 177 Brickyard Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on March 2, 1988, reviewed the petition of Mr. Carl Chambers that Lot 22, Sheet 12, Ward 12 (177 Brickyard Road) be rezoned from R-2 Residential District to R-5 Residential District. Commission recommended approval of the petition. This ordinance passed on first reading on April 12, 1988 and on second reading on April 19, 1988.

Mayor Bissette said this ordinance was previously read on first and second readings and will not be read in its entirety.

On a roll call vote of 7-0, Ordinance No. 1685 passed on third and final reading.

Ordinance Book No. 11 Page No. 255

B. Ordinance No. 1686 - Third reading of an ordinance amending Ordinance No. 322, known as "An ordinance providing for the Zoning of the City of Asheville," as amended. (Wording Amendment - Section 30-3-14. Buffering)

Mayor Bissette said this ordinance will amend Ordinance No. 322 by creating a new Section 30-3-14, Landscape and Buffering Requirements. This ordinance was read on first reading on April 12, 1988 and on second reading on April 19, 1988.

Al Kopf, from the Planning Department, said the planning staff had reviewed the changes recommended by George Jenson during the second reading of the ordinance. He said staff agrees that under the maintenance of

landscaping that the requirement for replacing unhealthy plants within thirty (30) days include language that states "weather and season permitting." He said staff also reviewed the request for reducing the number of parking spaces required to compensate for the requirement for planting of trees. He said staff feels this should be studied during the review of the total concept of the zoning ordinance. He said staff also reviewed the request for an incentive to encourage the preservation of trees. He said staff recommends that the ordinance remain as it is now written to evaluate each group development on a case by case basis to allow flexibility. However, he presented two other alternatives to providing incentives to encourage the preservation of trees.

Upon inquiry of Councilman Martin, Mr. Kopf said the criteria the Planning Director would use on the case by case basis would be the location, size, and health of the existing trees, the area involved, and the aesthetics.

Vice-Mayor Michalove said he felt it would be more practical to review each development on a case by case basis.

After discussion, Councilman Price moved to amend Ordinance No.1686, Section I (4) to read "Unhealthy or dead plants shall be promptly replaced within thirty (30) days or as soon thereafter weather and/or season permitting not to exceed one hundred twenty (120) days. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1686 passed on third and final reading.

Complete text of Ordinance No. 1686 will be found in Ordinance Book No. 11 at page 256-261.

IV. NEW BUSINESS:

A. Ordinance No. 1687 - Ordinance amending Ordinance No. 1567 known as an ordinance establishing the Asheville Downtown Commission providing for an increase in the composition of the Commission.

Mayor Bissette said this amendment will increase the members appointed by City Council from the private sector of the community to five (5) members.

Councilman Frank moved for the adoption of Ordinance No. 1687. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 7-0, Ordinance No. 1687 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1687. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1687 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1687. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1687 passed on third and final reading.

Complete text of Ordinance No. 1687 will be found in **Ordinance Book 11 at page 262.**

B. **Resolution No. 88-68 - Resolution appointing members to the Asheville Downtown Commission. (Mark Rosenstein, Fred Ayers, Rob Pew)**

Mayor Bissette said this resolution will appoint Mark Rosenstein, Fred Ayers, and Rob Pew to the Asheville Downtown Commission, with Rob Pew serving as Chairman, as provided for in the new ordinance.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, Resolution No. 88-68 was unanimously adopted.

Resolution Book No. 17 Page No. 137

V. CONSENT:

A. **Resolution No. 88-69 - Resolution authorizing the City Manager to execute an agreement between the City of Asheville and Poinsett Safety and Loss Prevention Services, for the purpose of providing loss prevention consultation to the City of Asheville under its self-insured workers' compensation program.**

SUMMARY: Poinsett Safety and Loss Prevention Services have provided this service to the City of Asheville for the past four years. They have made a responsible proposal to continue their services in this capacity at a fixed price over the next two years.

Resolution Book No. 17 Page No. 138

B. Resolution No. 88-70 - Resolution authorizing the City Manager to execute an agreement with the County of Buncombe and the Asheville Board of Education regarding the distribution of proceeds from the sale of tax lots owned by the City and the County.

SUMMARY: This agreement will provide for a method of distribution of the proceeds from those sales and future sales based upon the tax rate of each governmental unit.

Resolution Book No. 17 Page No. 139

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

CITY MANAGER COMMENTS - ANNEXATION CASE

The City Manager commended the Corporation Counsel and the Staff Attorney for their efforts during the recent annexation suit.

SUSAN PATTERSON AND JACQULINE SHOWER- CLAXTON SCHOOL PARENTS - COMMENTS RELATIVE TO ASHEVILLE SCHOOL BOARD

Susan Paterson and Jacquline Shower appeared before Council stating their discontent and concern relative to the Asheville School Board's unresponsiveness. She said parents at Claxton School have appeared before the Asheville School Board on several occasions in an attempt to get an answer relative to the reinstatement of the Alternative (Open-Education Concept) Program. They said they have received no response from the Board.

After discussion, Mayor Bissette advised Ms. Paterson and Ms. Shower that the only contact the Asheville City Council has with the Asheville School Board is the appointments to the Board. However, Council would write a letter to the Chairman of the School Board to let them know that Council had received their comments.

CLAIMS - MRS. DONALD HUTTON (SEWER) - JEFF FISHER (WATER) - JACK VAN WEBB, JR. (PARKS) - MARY BALLEW (WATER) - HOWARD TERRELL (WATER) - CURTIS BRIDGERS (STREETS)

The City Manager presented claims received from Mrs. Donald Hutton, Jeff Fisher, Jack Van Webb, Jr., Mary Ballew, Howard Terrell, and Curtis Bridgers.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council relative to lottery sales in the City of Asheville.

ADJOURNMENT:

Upon motion, the meeting adjourned at 5:45 p.m.

MAYOR

CITY CLERK

Tuesday - May 3, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma T. Price

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF MINUTES - APRIL 26, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the April 26, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. **Proclamation - Motorcycle Awareness Month - May, 1988.**

Mayor Bissette read the proclamation and presented the proclamation to Jim Biddix, President of the Buncombe County Chapter of the Concerned Bikers Association.

B. **Proclamation - Small Business Week - May 8 - 14, 1988.**

Mayor Bissette read the proclamation and presented the proclamation to Mike Demos, Chairman of the Chamber's Small Business Council.

II. PUBLIC HEARINGS:

A. **Public hearing relative to approval of final subdivision plat for Lornelle Place.**

Mayor Bissette said the City of Asheville Planning and Zoning Commission on January 14, 1987, approved the preliminary plat for the Lornelle Place subdivision subject to: Board of Adjustment granting a variance from the 100' required lot width on Lots 3 and 4, and City Council granting a variance from 50' to 40' on width of road and cul-de-sac. The Board of Adjustment granted the lot width variance on March 9, 1987. City Council granted the variance on the road and cul-de-sac by Resolution on 9-1-87. The final plat of Lornelle Place is now being presented for approval.

Mayor Bissette opened the public hearing at 4:26 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said all requirements have been met relative to the final subdivision plat. He said the developer is ready to record the final plat after Council's approval. He said the compaction test report has been submitted to the Department of Public Works.

Mayor Bissette closed the public hearing at 4:30 p.m.

Councilman Frank moved to approve the final subdivision plat for Lornelle Place. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Resolution No. 88-71 - Resolution appointing members to the Zoning Board of Adjustment.

Mayor Bissette said this resolution will appoint Mr. Richard A. Bass and reappoint Hal F. Starnes and Rudy J. Stefanec as members to the Zoning Board of Adjustment to serve until January 21, 1991 or until their successors are duly appointed and qualified.

Upon motion of Councilman Martin, seconded by Vice-Mayor Michalove, Resolution No. 88-71 was unanimously adopted.

Resolution Book No. 17 Page No. 140

V. CONSENT:

VI. OTHER BUSINESS:

CLAIMS - MARIANNA METCALF (PARKS)

The City Manager presented a claim received from Marianna Metcalf.

Mayor Bissette referred the claim to the Corporation Counsel for investigation and recommendation.

LAWSUIT - DARRY MCMORRIS VS. CITY, TRANSIT AUTHORITY (AUTO ACCIDENT)

The City Manager said the city was served with a lawsuit involving Darry McMorris vs. City, Transit Authority relative to an automobile accident after exiting a bus.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - REQUEST FOR VERBATIM MINUTES - APRIL 19, 1988

Ralph Bishop said at last week's meeting he had requested the Mayor to get a verbatim transcript of his comments during the April 19, 1988 meeting.

Mayor Bissette said he would listen to the tape and request that the Corporation Counsel research statutory records to determine what is actually required to be put in the minutes.

MONTFORD COMMUNITY CLUB - SPECIAL MEETING - 7:30 P.M.

Mayor Bissette reminded everyone of the special meeting at the Montford Community Club tonight at 7:30 p.m.

ADJOURNMENT

Councilman Frank moved to adjourn until the special meeting at Montford Community Club at 7:30 p.m. This motion was seconded by Councilman Martin and carried unanimously.

MAYOR

CITY CLERK

Tuesday - May 10, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Russell Martin.

APPROVAL OF MINUTES - MAY 3, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the May 3, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation -"Tourism Week" - Week of May 15, 1988.

Mayor Bissette said Governor James Martin requested that the City of Asheville proclaim the week of May 15, 1988 as Tourism Week in the City of Asheville in relation to National Tourism Week and North Carolina Tourism Week.

Mayor Bissette made the proclamation and said a copy would be forwarded to the appropriate person.

B. Proclamation - "Nursing Home Week" - May 8 - 14, 1988

Mayor Bissette read the proclamation and presented a copy to Martha Smart, Director of the Aston Park Health Care Center.

C. Proclamation - "Law Enforcement Officers Week" - May 8 - 14, 1988

Mayor Bissette read the proclamation and said a copy would be forwarded to the Asheville Police Department.

II. PUBLIC HEARINGS:

A. Public hearing relative to endorsement of Master Plan of the University of North Carolina-Asheville.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on April 6, 1988, reviewed the Master Plan of UNC-Asheville and voted unanimously to endorse the Master Plan with the recommendation that both car and foot access to Belk Theatre and Carmichael Lecture Hall be considered for incorporation into the plan.

Mayor Bissette opened the public hearing at 4:24 p.m.

Verl Emrick, Director of Planning said the purpose of going through this process of endorsement is to have the project on record in order to have all bases covered as far as the development of the university is concerned.

Dr. David Brown, Chancellor for UNC-A, said the project is in accordance with all requirements of the City of Asheville.

At the request of Council, Dr. Brown outlined the components of the proposed retirement center and the conference center.

A discussion was held relative to the access to the developments.

Mr. Emrick said the city staff would be working closely with the university staff during the construction of the project to obtain both the goals of the university as well as the city.

Mayor Bissette closed the public hearing at 4:37 p.m.

Councilman Boland moved to endorse the Master Plan of the University of North Carolina-Asheville. This motion was seconded by Councilman Bratton and carried unanimously.

II. OLD BUSINESS:

A. Continuation of a public hearing relative to closing Parkwood Avenue, Oakwood Street, Oakwood Place (a/k/a Parkwood Place) and a portion of Green Briar Road Extension.

Resolution No. 88-72- Resolution to close Parkwood Avenue, Oakwood Street, Oakwood Place (a/k/a Parkwood Place) and a portion of Green Brair Road Extension

Mayor Bissette said a petition has been filed by R.B.R. & S.T., a North Carolina Limited Partnership,

requesting that Parkwood Avenue, Oakwood Street, Oakwood Place (a/k/a Parkwood Place) and a portion of Green Briar Road Extension be permanently closed to the public use. All streets are on a certain 14.54 acre tract entitled "West Terrace Apartments, Inc.

Mayor Bissette said this public hearing was continued from the April 19, 1988 meeting.

Mayor Bissette reopened the public hearing at 4:40 p.m.

Verl Emrick, Director of Planning, said the street closings are necessary due to the revamping of the West Terrace center complex in accordance with Phase III of the developer's plans.

Mayor Bissette said he had received comments from several individuals concerned about the closing of the streets which provide access to the Post Office Building located in the complex.

Stewart Coleman, developer of the West Terrace Center Complex, said the streets in the complex would be upgraded during Phase III of the project which would include a relocation of Parkwood Avenue and Green Brair Road Extension which currently serves the Post Office Building.

Members of Council questioned the closing of the streets until final plans for Phase III of the development are submitted and approved.

Councilman Price said she felt Council should be assured that access would be available in this area.

A discussion was held relative to the need to close the streets and as to how the streets would provide access after the development of Phase III. A question also arose as to whether or not Green Brair Road is a public street.

Gail McAlpine, who works with several doctors in the complex area, expressed concern that the only access to their offices is from Green Brair Road Extension. She questioned how the closings and the new development will affect their access.

Another individual appeared before Council to express his concerns about the closing of the major artery to the Post Office Building.

Stewart Coleman said he would coordinate the relocation of the streets in the complex with the City Engineering Department, Fire Department and the Police Department.

Mayor Bissette closed the public hearing at 5:22 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Vice-Mayor Michalove requested that he be excused from discussion and vote on the closing of the streets since his employer has an office in this area. Councilman Price moved that Vice-Mayor Michalove be excused from discussion and vote on the closing of the streets. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Price moved for the adoption of Resolution No. 88-72 with the stipulations that the resolution exclude Parkwood Avenue and a section of Green Brair Road Extension. This motion was seconded by Councilman Frank and carried unanimously.

Mayor Bissette requested that Mr. Coleman coordinate the reconstruction of Parkwood Avenue with Mr. William F. Wolcott, Jr., the Associate City Manager. He said if Green Brair Road Extension is a dedicated street that the developer should come back to Council during Phase III of the project to discuss this particular street.

Resolution Book No. 17 Page No. 141-142

IV. NEW BUSINESS:

A. Resolution No. 88 -73 - Resolution establishing a fire protection contract with Skyland Fire District pursuant to annexation.

Mayor Bissette said the North Carolina law requires a good-faith effort on the part of an annexing city to contract with a fire district a portion of which the City is annexing. The proposed contract represents that good-faith effort. While most such contracts are simple five-year income-replacement contracts, this contract encompasses a management agreement between Asheville and Skyland that will result in maintenance of fire protection service in the annexed area that will be at least as good as pre-annexation service, and will result in management and operational assistance on a continuing

basis for the balance of Skyland's fire protection area. The principle effects of the contract would be (a) the transfer of all full-time Skyland personnel to City employment, and (b) maintenance of Skyland assets and managerial and training support for Skyland's firefighters by Asheville staff. This contract is based on good-faith efforts of both parties to prevent any negative impact on fire protection in either jurisdiction during the annexation process and after annexation is complete.

The City Manager said the contract was negotiated between the Chief of the Asheville Fire Department and the Chief of the Skyland Volunteer Fire Department. He said the contract was negotiated with professionalism in order to provide residents in the Skyland area with continued professional fire protection.

Chief Rukavina said the agreement was negotiated so that no one in the Skyland area will notice a change in fire protection. He expressed appreciation to all city officials who worked with the Skyland Volunteer Fire Department during this annexation process.

Chief Rukavina outlined the details of the agreement.

Upon motion of Councilman Bratton, seconded by Vice-Mayor Michalove, Resolution No. 88-73 was unanimously adopted.

Resolution Book No. 17 Page No. 143

B. Ordinance No. 1688 - Ordinance amending Section 28-81.3 and Section 28-81.4 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville reducing speed limits on Ambler Road and Lakeshore Drive.

Mayor Bissette said this action will reduce the speed limit, based on an engineering investigation, on Ambler Road from 35 mph to 25 mph, and on Lakeshore Drive from 35 mph to 30 mph.

Bob McDonald, Traffic Engineer, said he had received a petition from residents of Ambler Road requesting that the speed limit be reduced to 25 mph and the City Manager received a petition from the Lakeview Park Commission requesting a speed limit change on Lakeshore Drive from 35 mph to 25 mph. He said based on radar calculations, using the 10 mile per hour pace methodology there is justification to reduce the speed limit on Ambler Road to 25 mph. He said in the case of Lakeshore Drive, the lower limit of the pace speed was 30 mph and he would not

recommend going below that limit. He said this speed represents the beginning of the range in which the vast majority of motorists will observe the speed limit voluntarily, and enforcement can be directed to the minority of drivers who don't obey the speed limit.

Councilman Price said she had received calls from individuals who could not be present at the meeting who supported the Traffic Engineer's recommendation.

Councilman Martin said he lived in the Lakeshore Drive area and the residents in that area have desired a reduced speed limit for a number of years.

Councilman Bratton moved for the adoption of Ordinance No. 1688. This motion was seconded by Councilman Martin.

On a roll call vote of 7-0, Ordinance No. 1688 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1688. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1688 passed on second reading.

Mayor Bissette said the third reading of the ordinance would be held on May 17, 1988.

Councilman Bratton requested that Kenilworth Road speed limit be investigated. She suggested that a 25 mph speed limit be investigated.

Ordinance Book No. 11 Page No. 263

C. **Request for approval of wall signs at 30 Tunnel Road for Bishop's Food and Spirits.**

Mayor Bissette said the signs require the approval of Council pursuant to the Zoning Ordinance in that they will be situated closer than 600' from a limited access highway. This will be replacement of existing signs with minor modifications.

Verl Emrick, Director of Planning, presented the sign permit request. He said the wall signs would be used to replace existing signage. He said the free-standing sign would be outside the 600' limit and would not require approval from Council. He said the signs meet all requirements and is in the

spirit of the Sign Commission. He said he would recommend Council's approval of the sign permit.

Councilman Boland moved for the approval of the wall sign permit request at 30 Tunnel Road for Bishop's Food and Spirits. This motion was seconded by Councilman Martin and carried unanimously.

D. Request for approval of a wall sign and a free-standing sign at 295 West Haywood Street for Custom Audio and Electronics.

Mayor Bissette said the signs require the approval of Council pursuant to the Zoning Ordinance in that they will be situated closer than 600' from a limited access highway. This will be replacement of existing signs with minor modifications.

Verl Emrick, Director of Planning, said the signs meets all requirements and is in the spirit of the Sign Commission. He said the free-standing sign would be 6' tall and would be placed close to the dead-end of the street. He said the wall signs would be used to replace existing signage. He recommended approval of the sign permit.

Councilman Martin moved to approve the wall sign and free-standing sign permits for 295 West Haywood Street for Custome Audio and Electronics. This motion was seconded by Councilman Frank and carried unanimously.

V. CONSENT:

A. Resolution No. 88 - 74 - Resolution authorizing the Mayor to sign a contract with Metropolitan Sewerage District of Buncombe County, North Carolina for the Champion Finishing Company sewer siphon project.

SUMMARY: This contract is for the construction of temporary piping around the future bar screen vault for the Metropolitan Sewerage District for the Champion Finishing Company sewer siphon project.

Resolution Book No. 17 Page No. 144

B. Resolution No. 88 - 75 - Resolution to establish a policy for procurement of engineering services.

SUMMARY: The General Assembly of North Carolina has enacted a bill which requires state and local government to announce all

requirements for engineering services when the estimated engineering fee is in an amount more than $30,000. The attached resolution establishes such a policy within State requirements.

Resolution Book No. 17 Page No. 145

C. **Resolution No. 88-76 - Resolution authorizing submission of an application to HUD for Rental Rehabilitation Program funds.**

SUMMARY: This resolution is to authorize submission of an application to HUD for funds in the amount of $84,000 for Rental Rehabilitation Program assistance to investor owners for deferred payment loans to rehab at least 10 apartment units.

Resolution Book No. 17 Page No. 146

D. **Resolution No. 88-77 - Resolution appointing member to the Firemen's Relief Fund.**

SUMMARY: This resolution will appoint Donald O. Fowler as a member of the Firemen's Relief Fund to serve until his term expires on January 1, 1990 or until his successor is duly appointed and qualified.

Resolution Book No. 17 Page No. 147

E. **Scheduling of public hearing relative to the submission of final Statement of Community Development Objectives for FY 89 to Housing and Urban Development for May 24, 1988.**

SUMMARY: This action will authorize submission of CDBG entitlement application for 1988-89. Funding will be used as follows:

Hill St/Cherry St. (Head of Montford) Neighborhood Impvt.	$558,000
Neighborhood Housing Services Loan Pool	100,000
City-wide Housing Rehabilitation	125,000
Asheville-Buncombe Community Relations Council	14,000
Community Development Planning	50,000
Community Development Administration	123,000
Contingency	27,000
Total Budget	$997,000

F. **Scheduling of public hearing relative to Beaver Lake Villas - (Long-Syrlin Street Apartments) for May 24, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission on May 4, 1988, reviewed and recommended approval of Beaver Lake Villas to be located on Long Street, subject to the following:
1) Compliance with Erosion Control Ordinance;
2) Compliance with Landscape Ordinance
3) Locating fire hydrant at entrance of Long Street; and
4) Recommendation of closing Syrlin Street north of Lockley Avenue.

G. **Resolution No. 88-78 - Resolution authorizing the City Manager to execute a negotiated settlement agreement by and between the City of Asheville and the Equal Employment Opportunity Commission.**

SUMMARY: The EEOC and the City have agreed upon the terms and conditions of a negotiated settlement agreement with regard to a "Letter of Violation" in regard to Charge No. 140871593.

Resolution Book No. 17 Page No. 148

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, the consent agenda was unanimously approved.

OTHER BUSINESS:

CLAIMS - JAMES CARROLL (WATER) - PHIL GADDY (WATER) - MRS. KENNETH RAY (WATER) - ERNEST COCHRAN (WATER) - MRS. MELVIN MORTON (WATER) - VICKI McFEE (WATER)

The City Manager presented claims received from James Carroll, Phil Gaddy, Mrs. Kenneth Ray, Ernest Cochran, Mrs. Melvin Morton, and Vicki McFee.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

CHIEF OF FIRE DEPARTMENT JOHN RUKAVINA - STATUS REPORT ON 911 EMERGENCY NUMBER

Chief Rukavina of the Asheville Fire Department said the County is still in the process of collecting information to use in the data base for the 911 Emergency Number System. He said the proposed system concerns him in that individuals using the system will have to talk with several telecommunicators before their emergency reaches the appropriate agency. He said

in his opinion the only advantage to the proposed system would be that individuals can easily remember the 911 number. He said the system will offer no savings in time and could cause a time loss for an emergency. He said there also might be liabilities involved.

He said the Buncombe County Firefighters Association adopted a resolution in support of a county-wide communication system. He said if the 911 system is to be successful a unified approach is necessary in order to deal with emergencies.

He suggested that this proposal be carefully reviewed immediately because it is proposed that the system be up and operating within a year. He said he feared the community is on the way to a system that will not be workable.

Mayor Bissette suggested that a committee be established involving all parties to review all ramifications of the 911 emergency system.

Councilman Frank said the Intergovernmental Services Committee has been discussing the 911 Emergency System but to date no response has been received.

WILLIAM ROBINSON - 75 N. LIBERTY STREET - CHESTNUT/LIBERTY STREET

William Robinson of 75 N. Liberty Street, appeared before Council stating concerns with the Chestnut/Liberty Street Historic District. He said before the ordinance was adopted to create this district 64% of the residents in the area had presented a petition opposing the creation of the district. He said it is his understanding that at least six (6) members of the Council has to vote affirmatively in order for the ordinance to be adopted. He said this was not done. He asked Council if anything was going to be done to correct these deficiencies.

Mr. Robinson said since he owns his property, pays the taxes, and the mortgage, he resents having to get permission to do any improvements to his property.

Mayor Bissette informed Mr. Robinson that a vote was taken on the creation of the Chestnut/Liberty Street Historic District after extended discussions and numerous public hearings, giving everyone an opportunity to express their opinions. He said the ordinance passed on a 4-3 vote. He said the ordinance was later challenged by a law suit which is still pending. He said if the individual filing the law suit prevails Council will have to reconsider the ordinance.

Mr. Robinson asked if his property could be excluded from the ordinance.

Mayor Bissette informed Mr. Robinson that the ordinance would have to be amended to exclude his property which is a lengthy process.

The Corporation Counsel agreed with Mayor Bissette that the ordinance would have to amended and that the amendment would have to be approved by a state agency.

RALPH BISHOP - RIGHT TO HAVE HIS COMMENTS VERBATIM IN THE MINUTES - LOTTERY SALES

At the request of Ralph Bishop relative to his right to have his comments verbatim in the minutes, the Corporation Counsel read the following memorandum which was requested by members of Council:

MEMORANDUM TO: W. Louis Bissette, Jr., Mayor, and Members of the Asheville City Council

FROM: Bill Slawter, City Attorney

DATE: May 10, 1988

SUBJECT: Minutes of City Council Meetings

Section 11 of the City Charter provides that "the Clerk shall keep records of the proceedings of the Council and all final votes of the Council involving appropriations, expenditures of money or the enactment of ordinances shall be by yeas and nays and entered on the records." North Carolina General Statutes sec. 160A-72 goes on to state that "full and accurate minutes of the council proceedings shall be kept, and shall be open to the inspection of the public. The results of each vote shall be recorded in the minutes, and upon the request of any member of the council, the ayes and noes upon any question shall be taken" the provisions of N. C. Gen. Stat. sec. 160A-72 have been incorporated into City Council Rule of Procedure No. 29.

City Council Rule of Procedure No. 29 also provides that "tape recordings of the meeting will be kept for a period of one year. Anyone wishing a copy of verbatim statements made at a Council meeting shall make a written, signed request to the City Clerk stating exactly what statements they desire and shall pay a minimum of $5.00 or $2.00 per page or portion thereof for the transcript."

With regard to executive sessions, if some action is taken, the minutes should reflect that action. N. C. Gen. Stat. sec. 143-318.11 (d) specifically provides that minutes of an executive session may be withheld from public inspection so long as public inspection would frustrate the purpose of the executive session.

With regard to the requirement of N. C. Gen. Stat. sec. 160A-72 that "full and accurate" minutes of the Council meetings be kept, the statute does not define the detail that is required. There is a handbook published by the Institute of Government

which indicates that the minutes are sufficient if they identify the action taken by the Council and reflect any conditions necessary for the taking of the action, such as the presence of a quorum.

Please let me know if you have other questions.

BS:msb
CC: Douglas O. Bean, City Manager

Mr. Bishop requested a copy of the memorandum.

Mr. Bishop then commented on the lottery sales being conducted in the City of Asheville.

ADJOURNMENT:

Upon motion, the meeting adjourned at 6:30 p.m.

Tuesday - May 17, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland.

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF MINUTES - MAY 10, 1988

Mayor Bissette announced the approval of the minutes of the May 10, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Better Hearing and Speech Month" - May, 1988

Mayor Bissette read the proclamation which was requested by the Greater Asheville Audiologists and Speech Pathologists. He presented a copy to Dr. Bob MacPherson, Chief of Audiology at the VA Hospital and Mrs. Leatherwood from Thoms Rehabilitation Hospital.

II. PUBLIC HEARINGS:

A. Public hearing relative to amending the Zoning Ordinance - Section 30-7-1, Conditional Uses, adding Haywood Road under Item K. Professional Offices in R-3 District.

Ordinance No. 1689 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (Wording Amendment - Section 30-7-1 Conditional Uses, Adding Haywood Road under Item K. Professional Office in R-3 District)

Mayor Bissette said per City Council's request of March 8, 1988, the Asheville Planning and Zoning Commission on April 6, 1988, considered a proposed wording amendment to the Asheville Zoning Ordinance, Section 30-7-1. Conditional Uses., Item K. to add Haywood Road to the

list of thoroughfares permitting professional offices in the R-3 District adjacent to commercial and industrial zones. Commission unanimously recommended this amendment to City Council.

Mayor Bissette opened the public hearing at 4:21 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said this action was instituted after Council received a petition from a property owner on State Street asking permission to use his property for a professional office building. He said the Planning and Zoning Commission reviewed the request and recommended that Haywood Road be under Item K. Professional Offices in R-3 Residential District in order to provide flexibility in the use of property in the Haywood Road area. He said under these provisions requests would be considered as Conditional Uses and reviewed by the Board of Adjustment.

Upon inquiry of Council, Mr. Emrick said this information would be disseminated to the property owner on State Street.

Mayor Bissette closed the public hearing at 4:24 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Martin moved for the adoption of Ordinance No. 1689. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1689 passed on first reading.

B. Public hearing relative to changing the name of Tower Road to Summerlin Road.

Resolution No. 88-79 - Resolution changing the name of Tower Road to Summerlin Road.

Mayor Bissette said Mr. Dick Cullom, Director of Operations, Radio Station WWNC, has requested that the name of the road leading to the station be changed from Tower Road to Summerlin Road in memory of the late Sheldon Summerlin, Manager, WWNC.

Mayor Bissette opened the public hearing at 4:26 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the request was reviewed by the Police, Fire, and Public Works Department and no conflicts in changing the name of Tower Road were reported. He said it would be his recommendation to support the name change.

Scotty Rhodarmer, with WWNC, spoke in support of the name change in memory of the late Sheldon Summerlin, Manager of WWNC. He said the residents on the road also support the change.

Mayor Bissette closed the public hearing at 4:28 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bratton, seconded by Councilman Frank, Resolution No. 88-79 was unanimously adopted.

Resolution Book No. 17 Page No. 154

III. OLD BUSINESS:

A. Continuation of public hearing relative to closing a portion of Syrlin Street requested by Ellen Goldstein.

Mayor Bissette said a petition was received from Ellen Goldstein to close a portion of Syrlin Street, being all of that portion of Syrlin Street extending northward from the northern margin of Tax Lot 178 and Tax Lot 13-1/4 of Ward 9, Sheet 7, of the Buncombe County Tax Maps. Several public hearings have been held relative to this closing and the public hearing was continued until May 17, 1988.

Mayor Bissette said he felt it would be in everyone's interest to continue this public hearing until Ellen Goldstein's project, Beaver Lake Villas, is reviewed on May 24, 1988.

Councilman Frank moved to continue the public hearing relative to closing a portion of Syrlin Street requested by Ellen Goldstein until May 24, 1988 without further advertisement. This motion was seconded by Councilman Price and carried unanimously.

B. Ordinance No. 1688 - Third reading of an Ordinance amending Section 28-81.3 and Section 28-81.4 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville reducing speed limits on Ambler Road and Lakeshore Drive.

Mayor Bissette said this action will reduce the speed limit, based on an engineering investigation, on Ambler Road from 35 mph to 25 mph, and on Lakeshore Drive from 35 mph to 30 mph. This ordinance was read on first and second reading on May 10, 1988.

Charles Freeman, 33 Ambler Road, Vice-Chairman of the Beverly Hills Homeowners Association, said the Board of Directors and the residents in the area are in complete agreement with the speed limit change. He said this should improve the safety factors in the area.

On a roll call vote of 6-0, Ordinance No. 1668 passed on third and final reading.

Ordinance Book No. 11 Page No. 267

IV. NEW BUSINESS:

V. CONSENT:

A. Resolution No.88-80 - Resolution directing the City Clerk to investigate a petition received under G.S. 160A-58.1 to annex a non-contiguous area on Leicester Highway known as Dewey's Inc. property.

SUMMARY: The City of Asheville has received a petition from Ms. Judith A. Prozzo requesting annexation of a non-contiguous area known as Dewey's Inc. on Leicester Highway.

Resolution Book No. 17 Page No. 155

B. Resolution No. 88-81 - Resolution of intent to close a portion of Gudger Street and calling a public hearing for June 21, 1988.

SUMMARY: A petition has been filed by Asheville City Board of Education requesting that a portion of Gudger Street be permanently closed to the public use.

Resolution Book No. 17 Page No. 156-157

C. Resolution No. 88-82 - Resolution of intent to close Shawnee Trail and calling a public hearing for June 21, 1988.

SUMMARY: A petition has been filed by Centennial American Properties, Ltd. on behalf of The Litchfield Co. of South Carolina Ltd. Partnership requesting that Shawnee Trail be permanently closed to the public use.

Resolution Book No. 17 Page No. 158-159

D. Scheduling of public hearing relative to rezoning property at 27 Governors View Road requested by Smoky Mountain Petroleum Company for June 7, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on May 4, 1988, reviewed and recommended approval of the petition of Smoky Mountain Petroleum Company that Ward 8, Sheet 15, Lot 98, and a portion of Lot 65 (27 Governors View Road), be rezoned from R-2 Residential District to CS Commercial Service District.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

RESOLUTION NO. 88-83 - RESOLUTION SUPPORTING LEGISLATION TO INCREASE FUNDING FOR GIFTED CHILDREN'S EDUCATION

Councilman Frank read a resolution supporting legislation to increase funding for gifted children's education. The resolution stated that the North Carolina General Assembly will soon vote on a proposal to spend $12.5 million for the education of academically gifted students in 1988-89 and this resolution supports that action.

Upon motion of Councilman Frank, seconded by Councilman Bratton, Resolution No. 88-83 was unanimously adopted.

Resolution Book No. 17 Page No. 160

PROCLAMATION - CENSUS AWARENESS DAY - MAY 20, 1988

Mayor Bissette read a proclamation proclaiming Friday, May 20, 1988 as "Census Awareness Day".

CLAIMS - RENEE GRIFFIN (POLICE) - OCTAVIA CALDWELL (SEWER) - JANET PHIPPARD (SANITATION)

The City Manager presented claims received from Renee Griffin, Octavia Caldwell, and Janet Phippard.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

MICHAEL PLEMMONS - COUNCIL OF INDEPENDENT BUSINESS OWNERS, INC. - RESOLUTION RELATIVE TO PROPOSED PRIVILEGE TAX ORDINANCE

Michael Plemmons presented a resolution adopted by the Council of Independent Business Owners, Inc. relative to the proposed revision to the privilege tax ordinance. The resolution requested that the City proceed with its plan to restructure the Privilege Tax Ordinance; that the City receive completed applications from all business owners that would be effected by the new ordinance giving the complete information that will be used to determine the amount of their Privilege Tax; that the City take the amount of revenue raised under the current Privilege Tax Ordinance, and reapportion this exact amount of money over the business licenses to be issued under the revised ordinance, and that this amount be the Privilege Tax to be paid by each applicant; that no revenue increase be generated by the Privilege Tax Ordinance during its first year after revision; that after the initial year, if the City wishes to raise the Privilege Tax Revenue, that this increase be subjected to a public hearing at which the City would give a detailed report as to the amount of new funds to be generated and the way in which these funds would be spent and that all Privilege Tax License holders be notified by mail of said public hearing.

Mayor Bissette informed Mr. Plemmons that Council would take the resolution under advisement.

RALPH BISHOP - COMMENTS RELATIVE TO MINUTES OF COUNCIL MEETING INCLUDING ENTIRE STATEMENTS

Ralph Bishop, referring to the memorandum presented by the Corporation Counsel at last week's meeting, said he felt the State law relative to the keeping of minutes would supersede any city regulations.

Mayor Bissette told Mr. Bishop that the Corporation Counsel would review the State law relative to the keeping of minutes.

ADJOURNMENT

Upon motion, the meeting adjourned at 4:50 p.m.

MAYOR

William F. Wolcott
CITY CLERK

Tuesday - May 24, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Assistant City Manager/Acting City Clerk Charles Penny.

Absent: Councilman Norma Price and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Mayor Louis Bissette.

APPROVAL OF MINUTES - MAY 17, 1988

Mayor Bissette announced the approval of the minutes of the May 17, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Public hearing relative to the submission of final Statement of Community Development Objectives for FY 89 to Housing and Urban Development.

Resolution No. 88-83 - Resolution authorizing submission of a final statement of Community Development Objectives and Projected Use of funds to the Department of Housing and Urban Development for Community Development Block Grant Entitlement Funds for 1988-89.

Mayor Bissette said this action will authorize submission of CDBG entitlement application for 1988-89.

Mayor Bissette opened the public hearing at 4:29 p.m.

The Acting City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Marvin Vierra, Community Development Director, said meetings were held in the communities relative to the proposed use of the funds and the Neighborhood Advisory Group in Montford. He said entitlement funds for 1988-89 would be $997,000 which would be funded as follows: Head of Montford Neighborhood Improvement Project - $558,000; Neighborhood Housing Services Loan Pool - $100,000; City-wide Housing Rehabilitation - $125,000; Asheville-Buncombe Community Relations Council - $14,000; Community Development Planning - $50,000; Community Development Administration - $123,000; Contingency - $27,000.

Mayor Bissette closed the public hearing at 4:34 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bratton, seconded by Councilman Martin, Resolution No. 88-83 was unanimously adopted.

Resolution Book No. 17 Page No. 160-161

B. Public hearing relative to Beaver Lake Villas - (Long-Syrlin Street Apartments).

Mayor Bissette said the Asheville Planning and Zoning Commission on May 4, 1988, reviewed and recommended approval of Beaver Lake Villas to be located on Long Street, subject to the following:

1) Compliance with Erosion Control Ordinance;
2) Compliance with Landscape Ordinance
3) Locating fire hydrant at entrance of Long Street; and
4) Recommendation of closing Syrlin Street north of Lockley Avenue.

Mayor Bissette opened the public hearing at 4:35 p.m.

The Acting City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, Director of Planning, said the Planning and Zoning Commission had recommended approval subject to the conditions outlined by Mayor Bissette and that the project meets all parking, erosion control, and density requirements. He said the

closing of Syrlin Street north of Lockley Avenue would have to be accomplished by the residents of the area and City Council under separate action.

Mr. Emrick said the project would consist of twelve (12) units - six (6) two-bedroom buildings.

Upon inquiry of the residents, Mr. Emrick said the project was redesigned to provide that all accesses to the project would be from Long Street.

Upon inquiry of Council, Mrs. Goldstein said the project was geared for the elderly, however there may be children in the project.

Mayor Bissette said he felt Mrs. Goldstein had redesigned the project to eliminate problems the residents were having relative to the use of Syrlin Street.

Mayor Bissette closed the public hearing at 4:52 p.m.

Councilman Boland moved to approve the site plan of the Beaver Lake Villas - Long-Syrlin Street Apartments - subject to the conditions outlined by the Planning and Zoning Commission. This motion was seconded by Councilman Bratton and carried unanimously.

III. OLD BUSINESS:

A. Continuation of public hearing relative to closing a portion of Syrlin Street requested by Ellen Goldstein.

Resolution No. 88-84 - Resolution closing a portion of Syrlin Street requested by Ellen Goldstein.

Mayor Bissette said a petition was received from Ellen Goldstein to close a portion of Syrlin Street, being all of that portion of Syrlin Street extending northward from the northern margin of Tax Lot 178 and Tax Lot 13-1/4 of Ward 9, Sheet 7, of the Buncombe County Tax Maps. He said several public hearings have been held relative to this closing and the public hearing was continued until May 24, 1988.

Mayor Bissette said, in accordance with the recommendations of the Asheville Planning and Zoning Commission relative to Beaver Lake Villas, the residents of Syrlin Street would have to resubmit their petition to close the remaining portion of Syrlin Street since it was previously denied by Council.

He said with the closing of Syrlin Street there would be no way Syrlin Street could be used by the Beaver Lake Villas project.

Mayor Bissette closed the public hearing at 4:56 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, Resolution No. 88-84 was unanimously adopted.

Resolution Book No. 17 Page No. 162-163

B. Ordinance No. 1689 - Second reading of an ordinance amending the Zoning Ordinance - Section 30-7-1, Conditional Uses, adding Haywood Road under Item K. Professional Offices in R-3 District.

Mayor Bissette said per City Council's request of March 8, 1988, the Asheville Planning and Zoning Commission on April 6, 1988, considered a proposed wording amendment to the Asheville Zoning Ordinance, Section 30-7-1. Conditional Uses., Item K. to add Haywood Road to the list of thoroughfares permitting professional offices in the R-3 District adjacent to commercial and industrial zones. Commission unanimously recommended this amendment to City Council. This ordinance was read on first reading on May 17, 1988.

Verl Emrick, Director of Planning, said as requested by Council the Planning Staff had notified the property owner interested in this amendment.

On a roll call vote of 6-0, Ordinance No. 1689 passed on second reading.

C. Motion to authorize the Mayor to sign an amendment to the Airport Agreement and an amendment to the lease of the Airport property entered into between the City and the Airport Authority pursuant to the Airport Agreement, said documents to be consistent with the Memorandum of Agreement entered into by the City and County dated March 22, 1988.

Councilman Bratton moved to authorize the Mayor to sign the amendment to the Airport Agreement and the amendment to the lease of the Airport property pursuant to the Airport Agreement. This motion was seconded by Councilman Martin and carried unanimously.

D. City Clerk to present certificate certifying the sufficiency of the petition to annex a non-contiguous area on New Leicester Highway for the VFW Post.

Mayor Bissette said the City of Asheville has received a petition from the VFW Post 891 requesting annexation of a non-contiguous area on New Leicester Highway. The City Clerk has certified the sufficiency of said petition.

The Acting City Clerk presented the certificate certifying the sufficiency of the petition to annex a non-contiguous area on New Leicester Highway for the VFW Post.

E. Resolution No. 88-85 - Resolution fixing date of public hearing on question of annexation pursuant to G.S. 160-58.2, as amended (V.F.W. Post 891, Leicester Highway) for June 7, 1988.

Mayor Bissette said the City of Asheville has received a petition from the V.F.W. Post 891 requesting annexation of a non-contiguous area on New Leicester Highway. The City Clerk has certified the sufficiency of said petition. A public hearing is required pursuant to N.C.G.S.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Bratton, Resolution No. 88-85 was unanimously adopted.

Resolution Book No. 17 Page No. 164-165

IV. NEW BUSINESS:

A. Scheduling public hearing relative to an amended sign package for the Oakley Plaza Shopping Center (previously approved as Cherokee Place Shopping Center) for June 14, 1988.

Mayor Bissette said the Asheville Planning and Zoning Commission on May 4, 1988, reviewed the amended sign package for Oakley Plaza Shopping Center and recommended partial approval. A summary sheet listing requested signage and recommendation of the Commission is attached for your consideration. The Developer has been notified of right to appeal.

Vice-Mayor Michalove moved to schedule the public hearing relative to the amended sign package for the Oakley Plaza Shopping Center for June 14, 1988. This motion was seconded by Councilman Frank and carried unanimously.

V. CONSENT:

VI. OTHER BUSINESS:

PROPOSED ORDINANCE REQUIRING SMOKE DETECTORS

The City Manager reported that Council would be considering an ordinance requiring smoke detectors on June 21, 1988.

BOND COUNSEL - PROPOSED GSA BUILDING

The City Manager reported that in order to proceed with the proposed GSA Building, the City needs to immediately retain bond counsel for some preliminary work. He said local legislation needs to be introduced in the N.C. General Assembly by June 8th. He said it is important that bond counsel be involved in reviewing proposed local and state legislation in order that problems can be avoided in rendering an opinion on subsequent revenue bonds. He said three (3) proposals from bond attorneys have been received and he would recommend the acceptance of Kutak Rock & Campbell. He said the Kutak proposal is most advantageous to the City and calls for performing all necessary services on a contingent basis with the exception of legislative assistance. He said document preparation and bond sale work would be paid only should the project be consummated. He said the total fee would be $44,000.

Vice-Mayor Michalove moved to authorize the City Manager to retain the firm of Kutak Rock & Campbell as bond counsel for preliminary work concerning revenue bonds for the proposed GSA Building. This motion was seconded by Councilman Boland and carried unanimously.

CLAIMS - JOE HARE (SEWER) - CANDACE CUMMINGS (WATER) - TERRY OSBORNE (INSPECTIONS) - FRANKLIN TOWE (WATER)

The City Manager presented claims received from Joe Hare, Candace Cummings, Terry Osborne, and Franklin Towe.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

MR. GIBBS - INTERSTATE MOTEL - CONCERNS RELATIVE TO PROSTITUTION

Mr. Gibbs, owner of Interstate Motel on Hiawassee Street expressed concern relative to the prostitutes loitering around his motel. He said he is trying to run a legitimate motel

and the management of the motel has been instructed not to let the prostitutes on his property. He said the prostitutes present a problem for his operation. He said he wanted Council members to know of his concern for his property. He said if the City can not enforce the laws relative to prostitution perhaps an ordinance could be adopted to prohibit loitering on the streets and sidewalks.

Mayor Bissette said Council members share the concerns expressed by Mr. Gibbs; however, loitering laws for streets and sidewalks can not be enforced due to a U.S. Supreme Court ruling. He said enforcing the laws relative to prostitution are tough because of the judicial system. He said arrests can be made but the fines are minimum which allows the prostitutes to return to the streets almost the same day of an arrest. He said the City would continue in their efforts to minimize this problem.

ADJOURNMENT

Upon motion, the meeting adjourned at 5:25 p.m.

MAYOR

CITY CLERK

Tuesday - May 31, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Councilman Wilhelmina Bratton and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Vice-Mayor Michalove.

APPROVAL OF MINUTES - MAY 24, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the May 24, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation -"Management Week" - June 6 - 11, 1988

Mayor Bissette read the proclamation and presented a copy to Janice Staggs, President of Chapter 801 of the the National Management Association.

B. Proclamation - "Rape Prevention Month" - June, 1988

Mayor Bissette read the proclamation and presented a copy to Leigh Dudasik, Executive Director, for the Rape Crisis Center.

C. Resolution No. 88-86 - Resolution of appreciation to John Acee for his service on the Zoning Board of Adjustment.

Mayor Bissette read the resolution which stated that John Acee has served as a member of the Asheville Board of Adjustment since 1951. Mr. Acee's appointment to the Board expired on January 21, 1988.

Upon motion of Councilman Martin, seconded by Councilman Frank, Resolution No. 88-86 was unanimously adopted.

Mayor Bissette presented Mr. Acee with a plaque and a copy of the resolution.

D. Presentation of Award for Certificate of Achievement for Excellence in Financial Reporting.

Mayor Bissette said the City of Asheville's comprehensive annual financial report for the fiscal year ended June 30, 1987 qualified for a Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association for the eighth consecutive year. An Award of Financial Reporting Achievement was also awarded to Larry Fisher, Director of Finance, as the individual designated by the government as primarily responsible for its having earned the certificate.

Mayor Bissette and members of Council commended Larry Fisher for his staff for their efforts in receiving this award.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1689 - Third reading of an ordinance amending the Zoning Ordinance - Section 30-7-1, Conditional Uses, adding Haywood Road under Item K. Professional Offices in R-3 District.

Mayor Bissette said per City Council's request of March 8, 1988, the Asheville Planning and Zoning Commission on April 6, 1988, considered a proposed wording amendment to the Asheville Zoning Ordinance, Section 30-7-1. Conditional Uses., Item K. to add Haywood Road to the list of thoroughfares permitting professional offices in the R-3 District adjacent to commercial and industrial zones. Commission unanimously recommended this amendment to City Council. This ordinance was read on first reading on May 17, 1988 and on second reading on May 24, 1988.

On a roll call vote of 6-0, Ordinance No. 1689 passed on third and final reading.

Ordinance Book No. 11 Page No. 269

IV. NEW BUSINESS:

A. Formal presentation of City of Asheville Budget for Fiscal Year 1988-89 and scheduling public hearing for June 14, 1988.

The City Manager highlighted the 1988-89 Budget message.

Councilman Price moved to schedule a public hearing for the City of Asheville Budget for Fiscal Year 1988-89 for June 14, 1988. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

B. Ordinance No. 1690 - Ordinance for the levy and collection of business license taxes.

Mayor Bissette said the Revenue Ordinance has been rewritten to make it simpler and easier to understand, easier to administer and more equitable in levy. He said a phase-in process has been incorporated into the proposed ordinance.

The City Manager said the ordinance was rewritten to provide growth in revenues, equity, and efficiency in administering the ordinance. He said several businesses expressed a concern about the confidentiality of the gross sales receipts. He said language was included in the ordinance to provide that gross sales receipts would be confidential.

Ralph Bishop, speaking in opposition to the ordinance, said he felt the ordinance was only a measure to cut into the profits of businesses in the City of Asheville.

Councilman Price moved for the adoption of Ordinance No. 1690. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1690 passed on first reading.

C. Resolution No. 88-87 - Resolution authorizing the Mayor to execute a contract on behalf of the City of Asheville with American Red Cross for handicapped transportation services.

Mayor Bissette said as a recipient of Section 9 funds from the Urban Mass Transportation Act the City is required to provide public transportation services within the corporate limits to qualified handicapped individuals. The service may be provided by the Asheville Transit Authority through the use of a third party. The American Red Cross is willing to provide this service.

Debra Collins, American Red Cross representative, answered questions from members of Council.

Councilman Boland requested that the city staff check with other cities to gather data on how they deal with requirements from the Urban Mass Transportation.

Carl Ownbey, from the Asheville Transit Authority, said this information is being collected and should be available by next year.

Upon motion of Councilman Boland, seconded by Councilman Martin, Resolution No. 88-87 was unanimously adopted.

Resolution Book No. 17 Page No. 167

D. Ordinance No. 1691 - Ordinance to revise Downtown Redevelopment Fund budgets to reflect current commitments.

Mayor Bissette said this ordinance will revise the budgets to reflect commitments.

Councilman Frank moved for the adoption of Ordinance No. 1691. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1691 passed on first and final reading.

Ordinance Book No. 11 Page No. 278

E. Resolution No. 88-88 - Resolution authorizing the City Manager to execute a contract with McGladrey & Pullen to perform computer mapping system project.

Mayor Bissette said this contract is to perform detailed needs analysis for computerized mapping throughout the City of Asheville, to submit request for proposal for appropriate computer hardware and mapping programs, to review the proposals submitted, and to recommend the best proposal to meet the needs of the City. This contract would also include the addition of necessary requirements in the request for proposals for the City's financial and operational applications, such that they will interface properly to the mapping programs and pass the appropriate information back and forth.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-88 was unanimously adopted.

Resolution Book No. 17 Page No. 168

V. CONSENT:

A. Approval of bids for one (1) articulating wheel loader for Public Works Department, Street Division and one (1) four-wheel drive backhoe with trailer for Water and Sewer Department, Waste Water Collection Division.

SUMMARY: Recommendation to low bidder, Arden Equipment Company, Inc., Arden, North Carolina, in the amount of $52,967.00 and for one four-wheel drive backhoe with trailer is recommended to the second low bidder, Ditch Witch of Charlotte, Inc., Charlotte, North Carolina, in the amount of $35,744.00.

Note: Bid Summary available in the City Clerk's Office.

B. Approval of bids for one (1) lot safety equipment for the Water Department, Waste Water Collection Division.

SUMMARY: One (1) lot of safety equipment consisting of multipurpose rescue retrieval systems and portable gas detectors is recommended to the low bidder, SAFECO, Inc., Greenville, South Carolina, in the amount of $33,520.00.

Note: Bid Summary available in the City Clerk's Office.

C. Scheduling public hearing relative to Beaver Lake Office Plaza Expansion for June 28, 1988.

SUMMARY: The Asheville Planning and Zoning Commission at a meeting on December 9, 1987, reviewed and approved the site plan of Beaver Lake Office Plaza Expansion subject to the following conditions:1) Provision of a 12" planted buffer adjacent to the R-3 Residential District property line; 2) Variance to buffer width and planing along northern and southern boundaries provided that parking lot landscape plan is implemented; 3) Final sign package to be reviewed by Asheville Planning and Zoning Commission; 4) Encourage right-of-way trees along Merrimon Avenue; and 5) Compliance with Erosion Control Ordinance.

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, the consent agenda was unanimously adopted.

VI. OTHER BUSINESS:

CLAIMS - MERLINE TAYLOR (STREETS) - CHANDLEY/SAMS INVESTMENT (SEWER) - LOUISE MORGAN (WATER) - JESSICA JOHNSON (STREETS)

The City Manager presented claims received from Merline Taylor, Chandley/Sams Investment, Louise Morgan, and Jessica Johnson.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

INTERGOVERNMENTAL SERVICES COMMITTEE MEETING

Councilman Frank said the Intergovernmental Services Committee would be meeting next week on Tuesday, June 7, 1988 at 12:30 p.m. She also reported that no response had been received from Curtis Ratcliff, Chairman of the Buncombe County Commissioners, relative to a joint meeting with the City and County regarding the 911 emergency number.

COUNCILMAN BOLAND - PROPOSED ELECTION OF ASHEVILLE CITY SCHOOL BOARD MEMBERS

Councilman Boland reported that he had attended a controversial meeting relative to a proposal to elect Asheville City School Board members rather than having them appointed. He said the League of Women Voters would be studying this proposal within the next year. He said citizens expressed concern about the accountability of the members to Council and the public and the process used in appointing members.

WATER PROBLEMS - PATTON MOUNTAIN AND PEACH KNOB RESERVOIRS

The City Manager reported that the water problems experienced in the Patton Mountain and Peach Knob reservoir areas are currently under evaluation. He said the city staff is in the process of setting up automatic mutual aid for fire protection with the Volunteer Fire Departments, as well as placing sanitized water tanks in the neighborhoods for individuals without water. He said it is being recommended that everyone conserve water as much as possible.

RALPH BISHOP - COMMENTS RELATIVE TO ADDRESSING MEMBERS OF COUNCIL

Ralph Bishop read a portion of the Rules and Procedures for City Council relative to addressing members of Council for three (3) minutes during public hearings. He said in his opinion this provision does not apply to other discussions during a Council meeting.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Martin the meeting adjourned at 5:45 p.m.

MAYOR

CITY CLERK

Tuesday - June 7, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Boland.

APPROVAL OF MINUTES - MAY 31, 1988

Mayor Bissette announced the approval of the minutes of the May 31, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Public hearing relative to rezoning property located on Governor's View Road.

Ordinance No. 1692 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Smoky Mountain Petroleum Company, property located at 27 Governor's View Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on May 4, 1988, reviewed and recommended approval of the petition of Smoky Mountain Petroleum Company that Ward 8, Sheet 15, Lot 98, and a portion of Lot 65 (27 Governors View Road), be rezoned from R-2 Residential District to CS Commercial Service District.

Mayor Bissette opened the public hearing at 4:19 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette requested to be excused from deliberations on this matter due to his firm

representing the owner of Smoky Mountain Petroleum Company.

Vice-Mayor Michalove moved to excuse Mayor Bissette from vote and discussion relative to this rezoning. This motion was seconded by Councilman Frank and carried unanimously.

Vice-Mayor Michalove presided over this matter.

Patty Tallerday, with the Planning Department, said the Planning and Zoning Commission recommended approval of the requested rezoning. She said Smoky Mountain Petroleum Company owns both properties requested to be rezoned. She said adjoining property owners were notified of the requested rezoning with no opposition being received. She said the property fronts on Governor's View Road and runs to Swannanoa River Road.

Mr. Morgan, with Smoky Mountain Petroleum Company, spoke in support of the rezoning stating that his company does not have long range plans for the property. He said it would more than likely be used for warehousing or parking.

Mayor Bissette closed the public hearing at 4:23 p.m.

Mayor Bissette said members of Council were previously presented copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1692. This motion was seconded by Councilman Boland.

On a roll call vote of 6-0, Ordinance No. 1692 passed on first reading.

B. Public hearing relative to annexing the V.F.W. Post 891, on Leicester Highway.

Ordinance No. - An Ordinance annexing a noncontiguous area located on N.C. Highway 63 (Leicester Highway) and known as the V.F.W. Post 891 Property

Mayor Bissette said the City of Asheville has received a petition from the V.F.W. Post 891 requesting annexation of a non-contiguous area on New Leicester Highway. The City Clerk has certified the sufficiency of said petition. A public hearing is required pursuant to N.C.G.S.

Mayor Bissette opened the public hearing at 4:25 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Patty Tallerday, with the Planning Department, explained how the area meets the standards for satellite annexation. She detailed the final plan for service to the area. She said the property is tax exempt and would not generate ad valorem taxes. However, the City would receive about $500 from taxes received from the sale of beverages.

Upon inquiry of Councilman Martin, Ms. Tallerday said the VFW Post 891 plans to obtain an ABC permit after annexation is approved.

Ralph Bishop said he did not think the City should be responsible for issuing liquor license in the County.

After discussion, Mayor Bissette closed the public hearing at 4:35 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of the Ordinance. This motion was seconded by Councilman Bratton.

On a roll call vote of 4-3, the ordinance failed, with Mayor Bissette, Councilman Bratton and Councilman Price voting "aye" and Vice-Mayor Michalove, Councilman Boland, Councilman Martin and Councilman Frank voting "no".

III. OLD BUSINESS:

A. Report on 2010 Plan.

Mike Moser, Chairman of the Planning and Zoning Commission, highlighted the progress of the 2010 Plan adopted by the Asheville City Council in October, 1977. The 2010 Plan is a long-range comprehensive plan for the City of Asheville for the next 25 years which was compiled basically by the citizens of Asheville. He said the Planning and Zoning Commission was charged with the responsibility of implementation and monitoring of the plan. He said this is a six month

report on the completion and progress by departments and agencies of various items in the plan. He said a more comprehensive report would be given on October 3, 1988, one year after the initial adoption of the plan. He said the plan and its implementation process is working.

B. **Ordinance No. 1690 - Second reading of an Ordinance for the levy and collection of business license taxes.**

Mayor Bissette said the Revenue Ordinance has been rewritten to make it simpler and easier to understand, easier to administer and more equitable in levy.

The City Manager said several minor modifications were being made to the proposed ordinance which would be presented to members of Council prior to the third reading. He said members of Council would also be furnished a graph showing the impact of the changes from the current ordinance.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

On a roll call vote of 7-0, Ordinance No. 1690 passed on second reading.

IV. NEW BUSINESS:

A. Motion adopting the Water Budget for Fiscal Year 1988-89.

Mayor Bissette said the Asheville-Buncombe Water Authority has submitted the Water Fund Budget for Fiscal Year 1988-89.

Harold Huff, Director of Water and Sewer Services, said about one and one-half years ago the Asheville-Buncombe Water Authority unanimously approved a Master Plan Contract with the firm of Black and Veach. He said the plan is intended as a guide for the next twenty-two years. He said it has been the Authority's intention not to regulate or restrict the use of water. He said new requests for water taps have not been denied. He said in order to continue this water as needed practice without selective water tap denials or mandatory usage cut backs the Master Plan improvements recommended over the next eight (8) years need to be implemented without delay. He said this years budget proposes a water usage rate increase of fifteen percent (15%) which will assist in funding

$5 million in capital improvements cited in the Master Plan. He said the Asheville-Buncombe Water Authority adopted the Water Budget on May 24, 1988.

Mr. Huff answered questions from Vice-Mayor Michalove relative to the across the board 15% rate increase, the suggestion in the transmittal letter dated May 23, 1988 that the City Council and County Commissioners consider amending the Water Agreement to place a cap on their respective 5% and 2 1/2% contributions from the Water Fund at the FY 87/88 budget levels, and the effect the increase would have on water customers.

Upon inquiry of Council, Mike Holcombe with the Water and Sewer Services Department, said the County Commissioners adopted the Water Budget subject to the City agreeing to changing the formula for payment in lieu of taxes to the Water Fund.

Several members of Council expressed concern relative to amending the Water Agreement since it was amended about a year ago with the City at that time making many financial concessions.

After discussion, members of Council said they were not ready to vote on the Water Budget at this time since they have several questions relative to the Budget. Several items that were mentioned was a breakdown of expenditures, cost allocations, and timber contracts. It was noted that Council would discuss the 1988-89 Water Budget at next week's Council meeting.

Update on current water situation

Harold Huff, Water and Sewer Services Director, said reservoirs system wide are three fourths full. He said measures are being taken to eliminate future problems with the Beaucatcher, Peach Knob, and Patton Mountain reservoirs.

Councilman Boland said he would like for Council to thoroughly discuss water availability in greater detail.

B. Ordinance No. 1693 - Ordinance amending Section 25-14 of Chapter 25 of the Code of Ordinances of the City of Asheville relative to cutting into or otherwise disturbing streets and sidewalks.

Mayor Bissette said this ordinance sets forth rules and regulations relative to cutting into or otherwise disturbing streets and sidewalks.

The City Manager said this ordinance has been reviewed for a number of years in order to assure quality street and sidewalk cuts. He said the ordinance has been presented and discussed by the Utilities Coordinating Committee (ULOCO).

Charles Penny, Associate City Manager, instrumental in the preparation of the proposed ordinance, said the current ordinance dealing with street and sidewalk cuts is very broad and vague. He said the new ordinance provides for the collection of fees for street and sidewalk permits. He outlined the procedures and regulations to be followed in the issuance of permits.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1693. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1693 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1693. This motion was seconded by Councilman Boland and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1693 passed on second reading.

C. Ordinance No. 1694 - Ordinance appropriating additional funds for the Rental Rehabilitation Program.

Mayor Bissette said the City of Asheville was notified by the U. S. Department of Housing and Urban Development on May 16, 1988 that the City has been awarded an additional $32,100 for the Rental Rehabilitation Program administered by the Housing Authority of the City of Asheville. This action will appropriate these additional funds into the Budget.

Mayor Bissette said copies of the ordinance was previously presented to members of Council and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1694. This motion was seconded by Councilman Martin.

On a roll call vote of 7-0, Ordinance No. 1695 passed on first and final reading.

Ordinance Book No. 11 Page No. 284

D. Ordinance No. 1695 - Ordinance appropriating funds for Fire Station Project.

Mayor Bissette said the City of Asheville is expanding its City Limits West of the present boundaries. The existing fire station will be relocated to a point considerable west of its present location. The new location will provide response times and distances, as equal as possible, throughout this company's district.

Mayor Bissette said copies of the ordinance was previously presented to members of Council and it would not be read in its entirety.

Councilman Martin moved for the adoption of Ordinance No. 1695. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1695 passed on first and final reading.

Ordinance Book No. 11 Page No. 285

E. City Clerk to present certificate certifying the sufficiency of the petition to annex a non-contiguous area on Leicester Highway known as Dewey's Inc. property.

Mayor Bissette said the City of Asheville has received a petition from Ms. Judith A. Prozzo requesting annexation of a non-contiguous area known as Dewey's Inc. on Leicester Highway. The City Clerk has certified the sufficiency of said petition.

The City Clerk presented the certificate certifying the sufficiency of the petition to annex a non-contiguous area on Leicester Highway known as Dewey's Inc. property.

V. CONSENT:

A. Approval of sale of disposal parcel 160 in the East Riverside Redevelopment Project.

SUMMARY: The Housing Authority has tentatively accepted the following bid for a certain

disposal parcel in the East Riverside Redevelopment Project.

Parcel	Reuse	Price	Bid	Redeveloper
160	Office-Inst.	$30,000	$30,225	Blue Ridge Bone & Joint Clinic

Disposal Parcel 160 is located at the corner of Myrtle and Pine Grove Streets and will be developed for parking in connection with the redeveloper's expansion of its facility at 129 McDowell Street.

B. Resolution No. 88-89 - Resolution fixing date of public hearing on question of annexation pursuant to G.S. 160-58.2, as amended (Dewey's Tavern, Leicester Highway) for June 21, 1988.

SUMMARY: The City of Asheville has received a petition from Ms. Judith A. Prozzo requesting annexation of a non-contiguous area known as Dewey's Inc. on Leicester Highway. The City Clerk has certified the sufficiency of said petition. A public hearing is required pursuant to N.C.G.S.

Resolution Book No. 17 Page No. 169

C. Scheduling public hearing relative to amending Section 30-11-4 of the Code of Ordinance of the City of Asheville streamlining Group Development Procedure for June 28, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on May 18, 1988, recommended approval of this amendment to City Council. It will facilitate the approval of group developments meeting certain criteria. Representatives of homeowners associations, Coalition of Asheville Neighborhoods, Council of Independent Business Owners, Home Builders Association, and other professional groups provided input at our hearings.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Boland, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

RESOLUTION NO. 88-90 - RESOLUTION APPOINTING MEMBERS TO THE ASHEVILLE CIVIC CENTER COMMISSION (Mike Green, Dianna Jackson, and Sheryl Groce)

Mayor Bissette presented a resolution reappointing Mike Green, Dianna Jackson and Sheryl Groce as members of the Asheville Civic Center Commission for three (3) year terms, terms expiring June 30, 1991 or until their successors have been duly appointed and qualified.

Upon motion of Councilman Martin, seconded by Councilman Frank, Resolution No. 88-90 was unanimously adopted.

Resolution Book No. 17 Page No. 170

CLAIMS - KATHY TIPTON (WATER) - CAROL MURRAY (WATER) - PO FOLKS (WATER) - STEVE PARKER (WATER) - CHARLES RAWLS (WATER) - MAX HUTCHINS (COMMUNITY DEVELOPMENT) - MARGARET TRUMBO (SEWER) - RANDY PARKER (WATER)

The City Manager presented claims received from Kathy Tipton, Carol Murray, Po Folks, Steve Parker, Charles Rawls, Max Hutchins, Margaret Trumbo, and Randy Parker.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - HOUSING AUTHORITY OF THE CITY OF ASHEVILLE (CONDEMNATION OF TRUSTEES OF GOODWILL LODGE 316, ET AL., PROPERTY (E. END/VALLEY STREET))

The City Manager said the City was served with a lawsuit on May 27 involving the Housing Authority of the City of Asheville and the condemnation of Trustees of Goodwill Lodge 316, et al., property on E. End/Valley Street.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

REPORT ON INTERGOVERNMENTAL SERVICES COMMITTEE MEETING

Councilman Frank reported that the Intergovernmental Services Committee met today at 12:30 p.m. and discussed six different issues. She said Commissioner Montgomery requested that the issues be written with all the particulars and sent to him within a week and he would have the County Commissioners respond within a month. She said the issues discussed were joint warehousing, litter enforcement, 911 emergency number, extraterritorial jurisdiction, tax lot clearing, and metropolitan law enforcement.

REQUEST FOR STATUS REPORT ON MANOR PROPERTY

Vice-Mayor Michalove requested a current status report on the Manor property.

ADJOURNMENT

Upon motion, the meeting adjourned at 6:10 p.m. to executive session to discuss a real estate matter.

MAYOR

CITY CLERK

Tuesday - June 14, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - JUNE 7, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the June 7, 1988 meeting with several noted changes by Councilman Boland.

A discussion was held, instituted by Ralph Bishop, relative to verbatim minutes. It was noted that the Corporation Counsel would furnish Mr. Bishop information relative to requirements for keeping of the City Council minutes.

I. PROCLAMATIONS:

A. Proclamation -"Soap Box Derby Day"- Saturday, June 18, 1988

Mayor Bissette read the proclamation and presented a copy to Ray Kisiah, Director of Parks, Recreation, and Public Facilities. The Soap Box Derby Race is sponsored by the West Asheville Rotary Club, in cooperation with the Asheville Parks, Recreation, and Public Facilities Department.

II. PUBLIC HEARINGS:

A. Public hearing relative to Beaver Lake Office Plaza Expansion.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on December 9, 1987, reviewed and approved the site plan of Beaver Lake Office Plaza Expansion subject to the following conditions:1) Provision of a 12' planted buffer adjacent to the R-3 Residential District property

line; 2) Variance to buffer width and planing along northern and southern boundaries provided that parking lot landscape plan is implemented; 3) Final sign package to be reviewed by Asheville Planning and Zoning Commission; 4) Encourage right-of-way trees along Merrimon Avenue; and 5) Compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:22 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Julie Cogburn, Acting Planning Director, said the complex is proposed to be constructed in the rear of the existing office buildings on Merrimon Avenue. She said the complex would consist of a new two story office building containing 7,488 square feet. She said all the provisions stipulated by the Planning and Zoning Commission are indicated on the plans or are to be implemented during construction. She said the project meets all requirements of the Zoning Ordinance.

Larry Traber, Architect for the project, answered general questions from members of Council and said handicap parking would be provided.

A discussion was held relative to the developer providing sidewalks around the project.

Mayor Bissette closed the public hearing at 4:30 p.m.

Councilman Frank moved to approve the site plan of the Beaver Lake Office Plaza Expansion as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Price and carried unanimously.

B. Public hearing relative to an amended sign package for the Oakley Plaza Shopping Center (previously approved as Cherokee Shopping Center)

Mayor Bissette said the Asheville Planning and Zoning Commission on May 4, 1988, reviewed the amended sign package for Oakley Plaza Shopping Center and recommended partial approval. A summary sheet listing requested signage and recommendation of the Commission is attached for your consideration. The Developer has been notified of right to appeal.

Mayor Bissette opened the public hearing at 4:34 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Mayor Bissette requested that he be excused from the discussion and vote on the Oakley Plaza Shopping Center since his law firm represents the developer.

Councilman Price moved to excuse Mayor Bissette from discussion and vote on the Oakley Plaza Shopping Center. This motion was seconded by Councilman Martin and carried unanimously.

Vice-Mayor Michalove presided over this matter.

Julie Cogburn, Acting Planning Director, presented the recommendations of the Planning and Zoning Commission relative to individual tenant requests for signage. She indicated that one of the Sign Commission's recommendations would be that for multi-tenant complexes that one sign per store be permitted.

A representative of the Revco Drug Store firm presented a request that Revco be allowed signage in the amount of 118 square feet in lieu of their requested 150 square feet. It was noted that the Planning and Zoning Commission recommended 65 square feet of signage for the Revco store.

After discussion, Vice-Mayor Michalove closed the public hearing at 4:49 p.m.

Councilman Price moved to approve the amended sign package for the Oakley Plaza Shopping Center as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman Boland and carried unanimously.

C. Public hearing relative to City of Asheville Budget for FY 1988-89.

Ordinance No. 1696 - Ordinance adopting the Budget and fixing the tax rate of the City of Asheville for the Fiscal Year 1988-89.

Mayor Bissette said this ordinance will adopt the annual operating budget for the City of Asheville for Fiscal Year 1988/89. He noted that the budget was previously presented to members; that the budget

was presented in the amount of $50 million with no tax rate increase.

Mayor Bissette opened the public hearing at 4:50 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager reported that he was informed this week that the County Commissioners had made a change in the method of calculations for the reimbursement to the City for law enforcement services city taxpayers pay for but do not receive from the county sheriff's department. He said this action means a reduction of $260,000 in payments for the current fiscal year and $263,000 for 1988-89 which reflects a $523,999 negative impact on the 1988-89 budget. He said this reimbursement method is stipulated in the Water Agreement. He said it is his understanding that the County Finance Director Jim Roach had asked an auditing firm to reevaluate the county's "direct costs" for law enforcement services in Asheville and the county's other municipalities and this reevaluation led to a recalculating of the formula used to determine the amount of reimbursements. He said the County has informed the City that they could not produce any information on how and why the change was made until late this month or early in July.

Upon inquiry of Councilman Price, the City Manager reviewed the budget for the Sheriff's Department which indicated a reallocation of funding within the Sheriff's budget.

Vice-Mayor Michalove said it concerned him that the budget as presented contains approximately $1 million in cuts due to the County's actions, mandates by the General Assembly, and the federal government, without a tax increase.

Councilman Boland said he felt the City and County is becoming too aggressive in their comments and reasoning should prevail with reasonable requests. He said he felt both bodies should temper their comments.

Councilman Frank commended the City Manager and the staff for presenting such a planned budget with so many unknown frustrating factors involved.

Councilman Price said she felt the budget as presented is a positive budget which includes elements of the 2010 plan. She noted that the County would also benefit from the growth of the City of Asheville.

Upon inquiry of Vice-Mayor Michalove, it was noted that payments to the County for such items as landfill fees are paid monthly instead of yearly and the City is losing interest on cash flow. It was also indicated that the City receives a check from the County at the end of each fiscal year for payments due the City.

Mayor Bissette said he felt the County Commissioners' action is a direct violation of the Water Agreement that was just renegotiated last summer after months of turmoil. He said it appears that the commissioners have unilaterally changed the definition of direct cost from the original water agreement that was approved but they haven't provided any information on why or how it was done. He said he was extremely disappointed that no communication was received from the County other than a phone call from the County Finance Director a week before the City's budget was to be adopted and he was not about to accept this action. He said one party to an agreement can not all of a sudden turn around and change the agreement to another way. He said losing the $523,000 is unacceptable and something that cannot be brushed aside casually.

The City Manager reported that the County had adopted their budget, this afternoon, with the reduced law enforcement allocation.

Mayor Bissette closed the public hearing at 5:22 p.m.

Councilman Frank moved for the adoption of Ordinance No. 1696. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1696 passed on first and final reading.

Ordinance Book No. 11 Page No. 286-288

Councilman Boland requested that the Council and staff look into additional sources of revenue for the City of Asheville as well as efficiency.

Councilman Martin said he did not feel the County Commissioners should be making unilateral decisions without communication.

III. OLD BUSINESS:

A. Ordinance No. 1692 - Second reading of an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Smoky Mountain Petroleum Company, property located at 27 Governor's View Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on May 4, 1988, reviewed and recommended approval of the petition of Smoky Mountain Petroleum Company that Ward 8, Sheet 15, Lot 98, and a portion of Lot 65 (27 Governors View Road), be rezoned from R-2 Residential District to CS Commercial Service District. This ordinance was read on first reading on June 7, 1988.

Mayor Bissette said the ordinance was previously read on first reading and it would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1692 passed on second reading.

B. Ordinance No. 1693 - Third reading of an ordinance amending Section 25-14 of Chapter 25 of the Code of Ordinances of the City of Asheville.

Mayor Bissette said this ordinance sets forth rules and regulations relative to cutting into or otherwise disturbing streets and sidewalks.

Mayor Bissette said the ordinance was previously read on first and second reading and it would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1692 passed on third reading.

Ordinance Book No. 11 Page No. 281-283

C. Resolution No. 88-91 - Resolution of intent to close a portion of Syrlin Street and calling a public hearing for July 19, 1988.

Mayor Bissette said a petition was received from Norman C. Bradford, Virginia Bradford, and others requesting that a portion of Syrlin Street be permanently closed to the public use. The petition requested that a portion of Syrlin Street between Tax Lots 178 and 13-1/4 of Ward 9, Sheet 7, be closed as a public street right of way.

Upon motion of Councilman Martin, seconded by Councilman Price, Resolution No. 88-91 was unanimously adopted.

Resolution Book No. 17 Page No. 171-172

D. Ordinance No. 1690 - Third reading of an ordinance for the levy and collection of business license taxes.

Mayor Bissette said the Revenue Ordinance has been rewritten to make it simpler and easier to understand, easier to administer and more equitable in levy.

Mayor Bissette said questions from members of Council have been answered by the staff and clarifications have been presented.

Eric Bright, book publisher/distributor from Skyland, said he felt the tax should be classified as a sales tax since it is based on gross sales. He also questioned whether wholesalers shipping merchandise in from out of the area would be included in the tax.

The Corporation Counsel clarified the question relative to the tax not being classified as a sales tax.

The City Manager said the ordinance would only apply to active businesses located in the City of Asheville. He said only wholesalers located in the City of Asheville would have to comply with the ordinance. He noted that the ordinance has a maximum fee of $600.

Mike Plemmons, with the Council of Independent Business Owners, questioned whether or not suppliers furnishing suppliers in the City of Asheville could be taxed under the ordinance.

Vice-Mayor Michalove said it might be worthwhile for the City Manager and City Attorney to pursue licensing of suppliers.

Larry Fisher, Director of Finance, said the ordinance was taken from information received from the Institute of Government and the North Carolina League of Municipalities. He said he did not know of a city or town in North Carolina that does not follow these sample ordinances. He said technically any business doing a substantial business in the City could be taxed; however in practicality a supplier furnishing a supplier in the City of Asheville would not be taxed.

Mayor Bissette suggested that guidelines should be established so as not to have a problem with enforcement of the ordinance.

Mike Plemmons, with the Council of Independent Business Owners, requested strict enforcement of the ordinance.

On a roll call vote of 7-0, Ordinance No. 1690 passed on third and final reading.

Ordinance Book No. 11 Page No. 270-277

E. Motion adopting the Water Budget for Fiscal Year 1988-89.

Mayor Bissette said the Asheville-Buncombe Water Authority has submitted the Water Fund Budget for Fiscal Year 1988-89. Council continued consideration of this motion from the June 7, 1988 meeting. He said the budget calls for a 15 percent rate hike and reflects the City-County Water Agreement's provisions that the City receive 5 percent of gross water revenues and the County receive 2-1/2 percent as their return on investment in the system. He said the County approved the Water Budget with an amendment that the City's and County's return on investment be "capped" at the 1987-88 level rather than including additional proceeds resulting from the 15 percent rate hike in the 1988-89 budget.

Upon inquiry of members of Council, Harold Huff, Director of Water and Sewer Services, noted the capital improvements to be accomplished with the funds received from the 15 percent rate increase. He also presented the impact the 15 percent would have on an average homeowner.

Councilman Frank moved to approve the Water Budget for 1988-89 as presented by the Asheville-Buncombe Water Authority. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

IV. NEW BUSINESS:

A. Sign permit request for off-premises advertising sign to be located at I-240 at Fairview Road.

Mayor Bissette said Holland Outdoor Advertising Company has requested approval of a sign permit for a 14' x 48' off-premises advertising sign to be located at I-240 and Fairview Road. This permit requires approval of Council since the sign will be situated closer than 600' from a limited access highway.

Mayor Bissette said this matter would be postponed until the July 12, 1988 meeting.

B. Ordinance No. 1697- An ordinance amending Chapter 28, (Traffic) Article II, Section 28-51 of the Code of Ordinances of the City of Asheville prohibiting the parking of large trucks on City system streets.

Mayor Bissette said this ordinance will prohibit the parking of certain large trucks and buses, not occupied by a licensed operator, on City system streets.

The Corporation Counsel said this ordinance was prepared at Council's request. He said the definition of a "truck" is standard North Carolina Department of Transportation language.

Councilman Martin questioned whether or not a "motor grader" would apply to the ordinance.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1697. This motion was seconded by Councilman Bratton.

On a roll call vote of 7-0, Ordinance No. 1697 passed on first reading.

C. Scheduling of public hearing relative to group development review of "Asheville Terrace Apartments - Reconstruction" on Tunnel Road for June 28, 1988.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on June 1, 1988, reviewed and approved the site plan of "Asheville Terrace Apartments - Reconstruction," subject to the following contingencies:

1) Variance on number of parking spaces required not to exceed ratio approved for existing project; and

2) Developer working with planning staff, prior to submission to City Council, on buffering requirement.

Councilman Martin moved to schedule the public hearing relative to the group development review of "Asheville Terrace Apartments - Reconstruction" on Tunnel Road for June 28, 1988. This motion was seconded by Councilman Frank and carried unanimously.

V. CONSENT:

VI. OTHER BUSINESS:

CERTIFICATE OF APPOINTMENT - HOUSING AUTHORITY COMMISSIONER - REAPPOINTMENT OF PHILLIP E. CROUCH

Mayor Bissette announced the reappointment of Mr. Phillip E. Crouch as a Commissioner of the Housing Authority of the City of Asheville for a five (5) year term, term expiring June 11, 1993.

OPENING OF WALL STREET PARKING GARAGE

The City Manager said the Wall Street Parking Garage would probably be opening in a few days. He said members of Council would be given a call for a small grand opening of the garage.

CLAIMS - CARL CARLSON (WATER) - CATHY BINDE (POLICE) - LOU ETTA COURTNEY (STREETS) - CECILS COLLEGE (SEWER) - ELLITA WARD (WATER) - CORNER CUPBOARD ANTIQUE MALL (STREETS)

0000

The City Manager presented claims received from Carl Carlson, Cathy Binde, Lou Etta Courtney, Cecils College, Ellita Ward, and Corner Cupboard Antique Mall.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - GEORGE STUART TODD, ET AL. V. OFFICER JIMMY L. HUNGERFORD, (ABC OFFICER) ET AL. - (WRONGFUL ACT)

The City Manager said the City was served with a lawsuit on June 7, 1988 involving George Stuart Todd, et. al. v. Officer Jimmy L. Hungerford, (ABC Officer), relative to a wrongful act - alleged assault and violating of Constitutional rights during arrest by police officers.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT:

Upon motion, the meeting adjourned at 6:25 p.m.

MAYOR

CITY CLERK

Tuesday - June 21, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Mary Lloyd Frank, Norma T. Price, and Wilhelmina Bratton.

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES - JUNE 14, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the June 14, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Public hearing relative to closing a portion of Gudger Street.

Resolution No. 88-92 - Resolution to close a portion of Gudger Street.

Mayor Bissette said a petition has been filed by Asheville City Board of Education requesting that a portion of Gudger Street be permanently closed to the public use.

Mayor Bissette opened the public hearing at 4:10 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said the closing of this portion of Gudger Street is in conjunction with the improvements to Randolph School. He said the city also participated in the costs to relocate Gudger Street for these improvements. He said the proposed closing was reviewed by the Technical Review Committee, a committee represented by all operating departments, and no problems were noted during the review.

Sharon Barrett, with Patla, Straus, Robinson and Moore, was present on behalf of the Asheville City Schools to answer any questions members of Council might have relative to the closing.

Mayor Bissette closed the public hearing at 4:14 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Martin, seconded by Vice-Mayor Michalove, Resolution No. 88-92 was unanimously adopted.

Resolution Book No. 17 Page No. 173-175

C. Public hearing relative to the annexation of a noncontiguous area on Leicester Highway known as Deweys property.

Mayor Bissette said the City of Asheville has received a petition from Ms. Judith A. Prozzo requesting annexation of a non-contiguous area known as Dewey's Inc. on Leicester Highway. The City Clerk has certified the sufficiency of said petition. A public hearing is required pursuant to N.C.G.S.

Mayor Bissette opened the public hearing at 4:15 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Patty Tallerday, with the Planning Department, said the proposed annexation is located 1.3 miles from the current corporate limits. She said the area meets all the standards for satellite annexation. She said the area can be provided with all city services, with fire services being provided on a contract basis with the volunteer fire department and police protection being provided in cooperation with the Buncombe County Sheriff's Department. She said the estimated annual revenue for the City of Asheville is $1,010 - $510 in ad valorem taxes, and $600 in sales tax.

Wayne Bishop, 311 Brooklyn Road, Hendersonville, North Carolina, Manager of Dewey's Inc. spoke in support of the annexation. He said the main purpose

for requesting annexation would be to allow Dewey's Inc. to sell liquor by the drink. He noted that the establishment presently serves beer and wine.

Councilmen Martin and Boland expressed concern relative to the needed road improvements on Leicester Highway and the fact that the establishment was so close to the road. It was noted that there could be a potential dangerous traffic situation with people drinking at the establishment then driving on Leicester Highway.

Mayor Bissette closed the public hearing at 4:21 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

After calling for a motion for adoption, Mayor Bissette announced that the ordinance died for the lack of a motion for adoption.

Mayor Bissette said had a motion been received for adoption of the ordinance he would have probably voted for the ordinance since Council had previously approved satellite annexations for other establishments for the same reason Dewey's requested annexation.

III. OLD BUSINESS:

A. Ordinance No. 1692 - Third reading of an ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Smoky Mountain Petroleum Company, property located at 27 Governor's View Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on May 4, 1988, reviewed and recommended approval of the petition of Smoky Mountain Petroleum Company that Ward 8, Sheet 15, Lot 98, and a portion of Lot 65 (27 Governors View Road), be rezoned from R-2 Residential District to CS Commercial Service District.

Mayor Bissette said this ordinance was previously read on first and second reading and will not be reread in its entirety.

On a roll call vote of 4-0, Ordinance No. 1692 passed on third and final reading.

Ordinance Book No. 11 Page No. 279-280

b. Ordinance No. 1697 - Second reading of an ordinance amending Chapter 28, (Traffic) Article II, Section 28-51 of the Code of Ordinances of the City of Asheville prohibiting the parking of large trucks on City system streets.

Mayor Bissette said this ordinance will prohibit the parking of certain large trucks and buses, not occupied by a licensed operator, on City system streets.

A discussion was held relative to permitting the temporary parking of vehicles in connection with construction related activities on city system streets.

On a roll call vote of 4-0, Ordinance No. 1697 passed on second reading.

The City Attorney was requested to present an amendment to the ordinance prior to third reading relative to parking of vehicles in connection with construction activities.

c. Resolution No. 88-93 - Resolution adopting the City of Asheville Affirmative Action Plan.

Mayor Bissette said the City of Asheville is committed to a policy of equal employment opportunity. In furtherance of this, an Affirmative Action Plan has been prepared which is designed to achieve parity between the City's workforce and the relevant labor market through recruitment, employment, training, and promotion. This resolution will formally adopt the Plan.

Mayor Bissette said several public hearings were held relative to the Affirmative Action Plan; however, action on the Plan was postponed until groups had an opportunity to review the plan.

Councilman Boland, Chairman of the Affirmative Action Task Force, said after much deliberation the Task Force has recommended the adoption of the proposed plan. He said in his opinion it is one of the strongest Affirmative Action Plans in the state. He noted that even though the cover letter, presenting the plan, recommended changes to the Civil Service Law, this recommendation is not a part of the plan. He said the Task Force also recommended an annual public hearing on the Affirmative Action Plan but this recommendation is not a part of the proposed plan.

Ralph Bishop asked whether or not this plan would help equal protection of the law in the operation of the Police Department.

Steve Wilburn, representative of the Asheville branch for the NAACP, requested that the plan be amended to specify the individual responsible for implementation of the plan; that the Affirmative Action Task Force be made a part of the yearly evaluation of the plan; that a member of Council continue to serve as Chairman of the Task Force; that advertisements for positions within the City contain language that minorities and women are voluntarily encouraged to identify themselves; and that the City Manager be included in the establishment of goals and timetables.

Councilman Boland answered general questions from Mr. Wilburn.

Mr. Wilburn said they were not trying to get unqualified blacks in positions; however, blacks should be given equal consideration. He said, basically, the proposed plan is a good one if it has Council's full commitment behind the plan. He said after one year of implementation the Asheville branch of the NAACP would like to measure its progress.

Johnny Hayes, said the Affirmative Action Plan can not be a true plan without changes to the current Civil Service Law. He said the plan should also have Council's full commitment.

Mayor Bissette noted that Council is presently reviewing the current Civil Service Law and several recommended changes have been discussed with local legislators. He said the city staff is also working with the Institute of Government regarding amendments to the Law. He said it is Council's hope that these amendments can be presented to the General Assembly in January, 1989.

Ralph Bishop said in his opinion it is a mockery to pass a law without enforcement.

Marilyn Bass suggested that all city job advertisements contain language that the City is a EEO employer and an Affirmative Action Employer.

Councilman Martin said he felt the plan is a good starting point and in his opinion the plan has the commitment of Council and the staff.

After discussion, Councilman Boland moved to amend Resolution No. 88-93 to reflect that the individual responsible for implementation of the plan be the

Personnel Director; that the Affirmative Action Task Force be made a part of the yearly evaluation of the plan; that advertisements for positions within the City contain language that minorities and women are voluntarily encouraged to identify themselves; that the City Manager be included in the establishment of goals and timetables; and that all city job advertisements contain language that the City is a EEO employer and an Affirmative Action Employer. This motion was seconded by Councilman Martin and carried unanimously.

Upon motion of Councilman Boland, seconded by Vice-Mayor Michalove, Resolution No. 88-93, as amended, was unanimously adopted.

Resolution Book No. 17 Page No. 176

IV. NEW BUSINESS:

A. Ordinance No. 1698 - Ordinance regulating smoke detectors in residential occupancies.

Mayor Bissette said this ordinance amends the Asheville Fire Code by requiring that: 1) Smoke detectors must be installed in any dwelling unit offered for rental or lease, including single-family homes; 2) In multi-dwelling buildings, smoke detectors must be installed in stairwells and common areas; 3) The owner of such units is responsible for installing, maintaining and repairing the smoke detectors; the tenant is responsible for reporting observed detector problems, and for preventing destruction and removal of the detector; 4) Smoke detectors must be installed in any dwelling unit offered for sale by the time sale closing or completion. The effective date of the ordinance - and its requirements - would be August 1, 1988.

Chief Mike Jones, with the Asheville Fire Department, said the present Fire Prevention Code, requires new construction to install smoke detectors. He said this ordinance would require existing multi-unit buildings to have smoke detectors in each room, private residences prior to being rented or sold or a Certificate of Occupancy being issued. He said the cost of this protection is minimum. He said the smoke detectors must be UL approved. He said the penalty, if not installed, would be $25.00 plus they would still have to install the smoke detector. He said it would also be a misdemeanor not to install the detectors then it could go into legal action. He said the ordinance is following guidelines of the North

Carolina State Building Code. He said other cities adopted similar or more stringent ordinances a long time ago.

Ralph Bishop said in his opinion if someone wants to risk their life that should be their business.

On a roll call vote of 4-0, Ordinance No. 1698 passed on first reading.

B. Resolution appointing members to the Asheville Police Officers and Firefighters Disability Review Board.

Mayor Bissette said the Asheville City Council adopted Ordinances 1650 and 1674 establishing the Asheville Police Officers and Firefighters Disability Review Board for former members of the Asheville Policemen's Pension and Disability Fund and the Asheville Firemen's Pension and Disability Fund. The Disability Review Board is to consist of a member of the Asheville City Council to serve as Chairman; a current member of the Asheville Police Department, elected by former members of the Asheville Policemen's Pension and Disability Fund; a current member of the Asheville Fire Department, elected by former members of the Asheville Firemen's Pension and Disability Fund; a licensed medical doctor; the City Manager or his designee; and two members at large chosen by the City Council.

After discussion, Mayor Bissette said Council would take action on this resolution on June 28, 1988.

A. Public hearing relative to closing Shawnee Trail.

Mayor Bissette said a petition has been filed by Centennial American Properties, Ltd. on behalf of The Litchfield Co. of South Carolina Ltd. Partnership requesting that Shawnee Trail be permanently closed to the public use.

Mayor Bissette noted that no action could be taken on the closing of Shawnee Trail today due to his having a conflict of interest in the matter and there not being a quorum of Council if he does not participate.

Vice-Mayor Michalove opened the public hearing at 5:37 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mr. John C. Young, Jr., 271 Fairway Drive, questioned whether or not the portion requested to be closed is in the Redwood Forest area. He was informed that it is not but it is located off Tunnel Road. He said he would be in favor of the closing. He also noted that a traffic sign was hidden in this area that should be removed and used someplace.

Councilman Boland moved to continue the public hearing relative to closing Shawnee Trail until July 12, 1988 without further advertisement. This motion was seconded by Councilman Martin and carried unanimously.

V. CONSENT:

A. Resolution No. 88-94 - Resolution authorizing the Mayor to execute on behalf of the City of Asheville a Federal Aviation Grant Agreement, Project No. 3-37-0005-09.

SUMMARY: The FAA has offered a grant agreement in the amount of $965,209 to the Asheville Regional Airport Authority to expand general aviation apron, 30,600 s.y.i. with connecting taxiways and replace 1500 gallon Air Rescue Fire Fighting Vehicle. The City of Asheville and the County of Buncombe are co-sponsors of the grant agreement. The FAA requires each sponsor to execute said grant agreement.

Resolution Book No. 17 Page No. 177

B. Approval of bids for one paint striping machine for Public Works Department, Traffic Engineering Division.

SUMMARY: Recommendation to award one M-B Company model Van Mark 360 striping machine mounted on a 1988 Ford F-350 cab and chassis is recommended to the low bidder, M-B Company, Inc., Chilton, Wisconsin, in the amount of $76,936.00.

C. Resolution No. 88-95 - Resolution adopting revisions to the manual of fees and charges for the City of Asheville.

SUMMARY: This resolution will adopt the revisions to the Fees and Charges Manual for the City of Asheville.

Resolution Book No. 17 Page No. 178

D. Resolution No. 88-96 - Resolution authorizing the Mayor of the City of Asheville to execute an easement in favor of Carolina Power and Light Company at the Asheville Regional Airport.

SUMMARY: Carolina Power and Light Company has requested that the City execute a right-of-way easement for the Asheville Regional Airport. The Airport Authority is in agreement that the easement be granted, but the precise location of the easement has not yet been determined. Pending preparation of the permanent easement, a letter authorizing entry has been requested. This resolution will authorize execution of the letter of entry pending preparation of the permanent easement and will further authorize execution of the permanent easement once final plans are complete.

Resolution Book No. 17 Page No. 179

E. Resolution No. 88-97 - Resolution authorizing the Mayor of the City of Asheville to execute any and all documents necessary for the new financing of the Pack Plaza Redevelopment Project.

SUMMARY: Pack Plaza Associates Limited Partnership has secured replacement financing for the Pack Plaza Redevelopment Project. As the City has entered into various agreements with the Partnership and holds security interests on the Project property, it is necessary to execute new documents in order to put the replacement financing in place. This resolution would authorize the Mayor to execute those documents on behalf of the City of Asheville.

Resolution Book No. 17 Page No. 180

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

ANNOUNCEMENT OF MEETING - BUNCOMBE COUNTY COMMISSIONERS AND ASHEVILLE CITY COUNCIL - JUNE 23, 1988

Mayor Bissette announced that the Asheville City Council and Buncombe County Commissioners would be meeting at a joint meeting on Thursday, June 23, 1988 at 12:30 p.m. to discuss the Water Budget.

WALL STREET PARKING GARAGE - COMMENDATION TO WILLIAM F. WOLCOTT, JR.

Mayor Bissette commended William F. Wolcott, Jr., Associate City Manager/City Clerk, for his successful efforts on the completion of the Wall Street Parking Garage.

CLAIMS - CASSANDRA CHAMBERS (WATER) - KENNETH ENGLISH (WATER)

The City Manager presented claims received from Cassandra Chambers and Kenneth English.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - KEEPING OF COUNCIL MINUTES

Ralph Bishop said he had received a memorandum from the City Attorney relative to N.C.G.S. 160A-72 relative to the keeping of Council minutes. He said in his opinion the keeping of the minutes should be full and accurate which means verbatim.

ADJOURNMENT:

Upon motion, the meeting adjourned at 5:55 p.m.

MAYOR

CITY CLERK

Tuesday - June 28, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Norma T. Price, Wilhelmina Bratton, Acting Corporation Counsel Patsy Brison; Assistant City Manager Charles Penny; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Mary Lloyd Frank, Russell Martin and Walter Boland, City Manager Douglas O. Bean, and Corporation Counsel William F. Slawter.

INVOCATION

The invocation was given by Councilman Price.

APPROVAL OF MINUTES - JUNE 21, 1988 MEETING

Mayor Bissette announced the approval of the minutes of June 21, 1988 meeting as submitted.

DISCUSSION RELATIVE TO WATER BUDGET - FY 88-89

Councilman Price said she would have to leave the meeting very shortly due to a scheduled flight. She said she would leave the meeting unexcused in order for her votes to be counted in the affirmative.

J. Donald Williams, Chairman of the Water Authority's budget committee, reported that the Water Authority has reaffirmed its original recommendation to support a 15 percent increase in water rates in order to fund major water improvements. He also reported that the County Commissioners voted for a 10 percent rate hike rather than the 5 percent increase they proposed on June 21, with a stipulation that a cap on water revenues received by the two boards as their in lieu of tax payments be implemented July 1, 1989, rather than July 1 of this year.

A discussion was held relative to major projects that would have to be delayed if the rate increase is not 15 percent. They also discussed the financial risks involved in reducing the rate increase. It was noted that if the water projects are funded with a 10 percent increase this could leave an $800,000 deficit in the water fund balance that the City could end up paying. It was also noted that bond rating agencies would look unfavorably on the city's financial stability, which could jeopardize approval of a major bond referendum, if an agreement can not be reached and an interim water budget is adopted for the second year in a row.

After discussion, Vice-Mayor Michalove moved that Council's action of June 14 be reaffirmed approving the Water Budget for 1988-89 as submitted and recommended by the Asheville-Buncombe Water Authority which included a 15% increase without a cap on water revenues received by the City and the County. This motion was seconded by Councilman Bratton and carried unanimously.

I. PROCLAMATIONS:

A. Proclamation - July, 1988 - "Recreation and Park Month"

Mayor Bissette proclaimed the month of July, 1988 as "Recreation and Park Month", which was requested by the Parks, Recreation, and Public Facilities Department in order to urge all citizens to participate in the many recreation programs offered by the City of Asheville.

Mayor Bissette presented the proclamation to Ray Kisiah, Director of Parks, Recreation, and Public Facilities.

II. PUBLIC HEARINGS:

A. Public hearing relative to amending Section 30-11-4 of the Zoning Ordinance, Procedures for Group Developments.

Ordinance No. 1699 - Ordinance amending Section 30-11-4 of the Code of Ordinances of the City of Asheville (Group Development Procedure)

Mayor Bissette said the Asheville Planning and Zoning Commission on May 18, 1988, recommended approval of this amendment to City Council. It will facilitate the approval of group developments meeting certain criteria. Representatives of homeowners associations, Coalition of Asheville Neighborhoods, Council of Independent Business Owners, Home Builders Association, and other professional groups provided input at public hearings.

Mayor Bissette opened the public hearing at 4:48 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Julie Cogburn, Acting Planning Director, said this amendment would streamline the procedures for group developments. She said many of the revisions include clarifications and outlines specific procedures. She said one of the major revisions proposed is that the Planning Director reports

recommendations of the Planning and Zoning Commission to the Asheville City Council at the next meeting of Council after the Commission's meeting and the action of the Commission is final unless Council wants to have a hearing on the group development plan which must be held within three (3) weeks of the Commission's meeting. She said any action taken by the Commission is reported in a formal Council meeting and made a part of the minutes.

Mayor Bissette closed the public hearing at 4:50 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1699. This motion was seconded by Councilman Bratton.

On a roll call vote of 4-0, Ordinance No. 1699 passed on first reading.

B. Public hearing relative to group development review of "Asheville Terrace Apartments - Reconstruction" on Tunnel Road.

Mayor Bissette said the Asheville Planning and Zoning Commission at a meeting on June 1, 1988, reviewed and approved the site plan of "Asheville Terrace Apartments - Reconstruction," subject to the following contingencies:

1) Variance on number of parking spaces required not to exceed ratio approved for existing project; and
2) Developer working with planning staff, prior to submission to City Council, on buffering requirement.

Mayor Bissette opened the public hearing at 4:51 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Julie Cogburn, Acting Planning Director, said the reconstruction project is a revamping of the previous apartments at 200 Tunnel Road which was destroyed by fire. She said the project would contain the same number of apartments. She said the Planning and Zoning Commission recommended a variance on the number of parking spaces required since it is for elderly apartments. She said the project's buffering plan meets the requirements of the buffering ordinance.

Jan Weigman, architect, outlined the details of the project.

Mayor Bissette closed the public hearing at 4:56 p.m.

Councilman Bratton moved to approve the group development plan for the Asheville Terrace Apartments - Reconstruction as recommended by the Planning and Zoning Commission. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

RECESS - MEET WITH COUNTY COMMISSIONERS RELATIVE TO WATER BUDGET

Vice-Mayor Michalove moved that Council recess to meet with the County Commissioners relative to the 1988-89 Water Budget. This motion was seconded by Councilman Bratton and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1697 - Third reading of an ordinance amending Chapter 28, (Traffic) Article II, Section 28-51 of the Code of Ordinances of the City of Asheville prohibiting the parking of large trucks on City system streets.

Mayor Bissette said this ordinance will prohibit the parking of certain large trucks and buses, not occupied by a licensed operator, on City system streets.

Vice-Mayor Michalove moved to amend Ordinance No. 1697 by including a section to read as follows: "The City Manager or his designee is hereby authorized to permit temporary parking of vehicles on City system streets as he may deem appropriate in connection with construction related activities." This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 4-0, Ordinance No. 1697, as amended, passed on third and final reading.

Ordinance Book No. 11 Page No. 289-290

B. Ordinance No. 1698 - Second reading of an ordinance regulating smoke detectors in residential occupancies.

Mayor Bissette said this ordinance amends the Asheville Fire Code by requiring that: 1) Smoke

detectors must be installed in any dwelling unit offered for rental or lease, including single-family homes; 2) In multi-dwelling buildings, smoke detectors must be installed in stairwells and common areas; 3) The owner of such units is responsible for installing, maintaining and repairing the smoke detectors; the tenant is responsible for reporting observed detector problems, and for preventing destruction and removal of the detector; 4) Smoke detectors must be installed in any dwelling unit offered for sale by the time sale closing or completion. The effective date of the ordinance - and its requirements - would be August 1, 1988.

On a roll call vote of 4-0, Ordinance No. 1698 passed on second reading.

IV. NEW BUSINESS:

A. **Ordinance No. 1700 - Year-end budget ordinance amendment.**

Mayor Bissette said this budget ordinance will establish and revise capital project budgets for items previously budgeted in the capital reserve fund. All items and funding have been previously approved by Council in the CIP, and to revise operating budgets as of June 30 to reflect changes in operating needs for the fiscal year.

Councilman Bratton moved for the adoption of Ordinance No. 1700. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 4-0, Ordinance No. 1700 passed on first and final reading.

Ordinance Book No. 11 Page No. 297

B. **Resolution No. 88-98 - Resolution authorizing the City Manager to execute a contract with Haw Creek Volunteer Fire Department.**

Mayor Bissette said in accordance with state law, fire protection contracts have been successfully negotiated with three neighboring fire departments whose protection areas are affected by annexation--Haw Creek, Riceville and Reynolds Volunteer Fire Departments. According to law, each of these departments had the option of negotiating on the basis of a five-year joint-protection contract or a one-time debt "buy-out" on the part of the City. All three departments opted for the five-year lost-income-replacement contracts.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, Resolution No. 88-98 was unanimously adopted.

Resolution Book No. 17 Page No. 181

C. **Resolution No. 88-99 - Resolution authorizing the City Manager to execute a contract with Reynolds Volunteer Fire Department.**

Mayor Bissette said in accordance with state law, fire protection contracts have been successfully negotiated with three neighboring fire departments whose protection areas are affected by annexation-- Haw Creek, Riceville and Reynolds Volunteer Fire Departments. According to law, each of these departments had the option of negotiating on the basis of a five-year joint-protection contract or a one-time debt "buy-out" on the part of the City. All three departments opted for the five-year lost-income-replacement contracts.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, Resolution No. 88-99 was unanimously adopted.

Resolution Book No. 17 Page No. 182

D. **Resolution No. 88-100 - Resolution authorizing the City Manager to execute a contract with Riceville Volunteer Fire Department.**

Mayor Bissette said in accordance with state law, fire protection contracts have been successfully negotiated with three neighboring fire departments whose protection areas are affected by annexation-- Haw Creek, Riceville and Reynolds Volunteer Fire Departments. According to law, each of these departments had the option of negotiating on the basis of a five-year joint-protection contract or a one-time debt "buy-out" on the part of the City. All three departments opted for the five-year lost-income-replacement contracts.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, Resolution No. 88-100 was unanimously adopted.

Resolution Book No. 17 Page No. 183

V. CONSENT:

A. **Resolution No. 88-101 - Resolution authorizing the filing of an application with the Department of**

Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended.

SUMMARY: This is an annual operating assistance grant application with additional capital items that the Transit System needs at this date.

Resolution Book No. 17 Page No. 184-185

B. Resolution No. 88-102 - Resolution authorizing the filing of an application with the North Carolina Department of Transportation for State funds in support of the Capital Improvements Project.

SUMMARY: This is an annual operating assistance grant application with additional capital items that the Transit System needs at this date.

Resolution Book No. 17 Page No. 186

C. Approval of bids for one mobile concession cube for Parks, Recreation, and Public Facilities Department.

SUMMARY: Recommendation to award the bid for one mobile concession cube for the Parks, Recreation and Public Facilities to Century Industries, Inc., Sellersbury, Indiana, in the amount of $28,135 for a Century Industries model CC814R/W mobile concession cube.

(Bid Summary on file in Office of City Clerk)

D. Approval of bids for computer equipment for City of Asheville Police, Planning and Finance Departments.

SUMMARY: Recommendation to low bidders meeting specifications as follows: Computer Provisions Corporation, Solon, Ohio for bid items 3; 4; 5; 6 and 10 in the amount of $23,215.00; Executive Productivity Systems, Norfolk, Virginia for bid items 7 and 9 in the amount of $1,905.00 and Unisys Corporation, Charlotte, North Carolina for bid items 1; 2, and 8 in the amount of $9,699.20.

(Bid Summary on file in Office of City Clerk)

E. Resolution No. 88-103 - Resolution appointing member to the Asheville-Buncombe Historic Resources Commission.

SUMMARY: This resolution will reappoint Barbara Malloy as a member of the Asheville-Buncombe Historic Resources Commission.

Resolution Book No. 17 Page No. 187

F. Resolution No. 88-104 - Resolution appointing member to the Airport Authority.

SUMMARY: This resolution will reappoint Steven Woody as a member of the Asheville Regional Airport Authority.

Resolution Book No. 17 Page No. 188

SUMMARY: This resolution will reappoint Peter Gentling, Carlos Bickford, and Susan Roderick as members of the Asheville Tree/Greenway Commission.

Resolution Book No. 17 Page No. 189

H. Resolution No. 88-106 - Resolution appointing member to the Planning and Zoning Commission.

SUMMARY: This resolution will reappoint Augusta Young as a member of the Asheville Planning and Zoning Commission.

Resolution Book No. 17 Page No. 190

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

Pack Plaza and Pack Place Projects - Execution of Documents

Staff Attorney Patsy Brison requested additional authority for execution of documents with regard to the Pack Plaza and Pack Place projects. These documents would be recorded in conjunction with the closing of the replacement financing for the Pack Plaza Project.

Vice-Mayor Michalove moved to authorize City Attorney William F. Slawter, as Trustee, to execute subordination agreements, subordinating the City/County Deed of Trust and the UDAG Deed of Trust to the Bank of Scotland Deed of Trust and

subordinating the City/County Deed of Trust to the UDAG Deed of Trust. As a further part of the motion, Vice-Mayor Michalove moved to authorize the Mayor to execute on behalf of the City other documents, including agreements and conveyances, with regard to property agreements involving both the Pack Plaza and Pack Place projects. Councilman Bratton seconded the motion and which passed unanimously.

Claims - L.M. Hansen (Water) - Barry Doyle (Streets) - Ernest Hightower (Streets) - Eyes for You (Streets) - Helen Van Rensselaer (Water) - Hubert McMahan (Sewer)

The Assistant City Manager reported claims received from L.M. Hansen, Barry Doyle, Ernest Hightower, Eyes for You, Helen Van Rensselaer, and Hubert McMahan.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

Resolution No. 88-107 - Resolution authorizing the Mayor to make application for reallocated State Sewer Grant Funds for the City of Asheville Phase I Annexation - Sewer Improvement Project

Mayor Bissette said the State of North Carolina has appropriated grant funds for eligible sewer projects to counties and municipalities. There is an available balance of reallocated funds for the City of Asheville which must be reapplied for by June 30, 1988. The recently adopted City of Asheville Phase I Annexation-Sewer Improvement Project is such an eligible project. This resolution will authorize the Mayor to apply for said funds.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, Resolution No. 88-107 was unanimously adopted.

Resolution Book No. 17 Page No. 191

Resolution No. 88-108 - Resolution authorizing the Mayor to make application for reallocated State Water Grant Funds for the City of Asheville Phase I Annexation - Water Improvement Project

Mayor Bissette said the State of North Carolina has appropriated grant funds for eligible water projects to counties and municipalities. There is an available balance of reallocated funds for the City of Asheville which must be reapplied for by June 30, 1988. The recently adopted Asheville-Buncombe Water Authority Phase I Annexation - Water Improvement Project is such an eligible project. This resolution will authorize the Mayor to apply for said funds.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, Resolution No. 88-108 was unanimously adopted.

Motion to continue meeting - Thursday, June 30, 1988 - 2:30 p.m.

Vice-Mayor Michalove moved to continue the meeting until Thursday, June 30, 1988 at 2:30 p.m. to further discuss the Water Budget. This motion was seconded by Councilman Bratton.

MEETING RECONVENED - JUNE 30, 1988 - 2:30 P.M. - WATER BUDGET

The meeting was called to order at 2:30 p.m. in the Council Chambers. Present were Mayor Bissette, Vice-Mayor Michalove, Councilman Price and Councilman Frank. Thereafter a motion was made by Vice-Mayor Michalove and seconded by Councilman Price to recess from the formal meeting.

The meeting was thereafter reconvened at 3:30 p.m. in the meeting room of the Buncombe County Commissioners in the Buncombe County Courthouse. (Present were the Mayor and all Councilmembers except Councilman Bratton.) Thereafter a joint meeting took place with members of the City Council, members of the Buncombe County Commissioners and members of the Asheville-Buncombe Water Authority to discuss consideration and approval of the Water Authority's budget for Fiscal Year 88/89.

After discussion amongst members of the different governing bodies with regard to the Water Authority budget, each body conducted separate meetings.

It was moved by Councilman Frank and seconded by Councilman Martin that the City Council go into executive session to discuss a legal matter. The motion carried unanimously.

Thereafter the City Council returned from executive session. Councilman Martin moved to excuse Councilman Bratton from the meeting due to previously scheduled business responsibilities. A second was made by Councilman Price and the motion carried unanimously.

The separate governing boards then took separate actions on the Water Authority budget. The Water Authority voted to approve and recommend to the City and the County a 10% rate increase on water rates with the 88/89 budget reflecting those rates. The County Commissioners then approved that budget.

Councilman Price then reported that she voted for the 10% rate increase with the 88/89 budget reflecting that increase, as a member of the Water Authority, because there was sentiment on the Water Authority to raise rates thereafter and a 10% increase was better than no increase. If there were an increase in rates later in the upcoming fiscal year, the increase above that approved by the other governing bodies would go to unappropriated

fund balance and could not be spent without an amendment to the budget approved by all three bodies. Those funds would be allocated for projects as needed.

Councilman Price then moved that the City approve the 10% water rate increase and the Water Authority budget which would incorporate that rate increase. Councilman Boland seconded the motion.

Vice-Mayor Michalove offered a substitute motion. Prior to making the motion he stated that he was concerned about the Water Agreement. He felt that when the Water Agreement was negotiated last year that it was for a five year contract, but the Commissioners want to deal with other issues and it therefore does not appear to be a five year contract. He stated he was concerned about the City's loss of cash flow due to the change in the law enforcement formula by the County and other changes, resulting in an approximate $750,000 loss over a three year period. He was also concerned about the possibility of a cap being installed on payments to the City on gross water revenues, resulting in a further loss of money to the City. He felt that the sum total of all these losses would result in a 12 to 13 cent increase on ad valorem taxes.

Vice-Mayor Michalove then moved that the City approve the 10% rate increase for the Water Authority budget to avoid having to adopt an interim budget, but that the City and County by mutual agreement cancel the Water Agreement by July 1, 1989. The motion was seconded by Councilman Martin.

Thereafter a discussion was held on the substitute motion. Mayor Bissette stated that he could not support the substitute motion even though he shared the same frustrations as Vice-Mayor Michalove. He stated that he felt the spirit of the Water Agreement was no longer present and was willing to discuss termination of the Water Agreement if the Commissioners want to do so.

Councilman Boland stated that he was concerned with the picture as a whole and with the big bites being taken out of the Water Agreement. He could not, however, support the substitute motion.

Councilman Price stated that she could not support the substitute motion although she was concerned about the law enforcement formula and wants to see the audit information from the County's auditors. She is also concerned about the Water Agreement.

Councilman Frank stated that she could also not support the substitute motion.

Chairman Ratcliff of the County Commissioners asked to comment on the motion before the City Council. He stated that he

supported the Water Agreement and that if the City Council would look at the language of the Water Agreement that the County was not changing the contract with regard to the law enforcement formula. He felt it was unfair to blame the County for an increase in City taxes. He referred to various sections of the Water Agreement with regard to the law enforcement formula and the ability of the City and County to conduct independent audits.

Mayor Bissette stated that when the City negotiated the Water Agreement last year it relied upon the figures that had been formerly used for the law enforcement formula and did so in good faith. It appears that the City was too trusting since those figures have now been changed.

Chairman Ratcliff asked if the City would be willing for the auditors to discuss this issue and Mayor Bissette replied that the City would be willing to do so.

Thereafter Councilman Martin called for the question. A vote was taken on the substitute motion and it was defeated 2 to 4 with Vice-Mayor Michalove and Councilman Martin voting in favor of the motion.

Thereafter a vote was taken on the motion to adopt and approve the Water Authority budget reflecting a 10% water rate increase. It passed unanimously.

A motion to adjourn was made by Councilman Boland and seconded by Councilman Martin. It passed unanimously. The meeting was thereby adjourned at 6:10 p.m.

MAYOR

CITY CLERK

Tuesday - July 12, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin, Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland

INVOCATION

The invocation was given by Vice-Mayor Michalove.

APPROVAL OF THE MINUTES - JUNE 28, 1988

Mayor Bissette announced the approval of the minutes of the June 28, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Resolution No. 88-109 - Resolution in memory of Harold F. Robinson.

Mayor Bissette read a resolution in memory of Harold F. Robinson, former Chancellor of Western Carolina University, who recently passed away.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 88-109 was unanimously adopted.

Resolution Book No. 17 Page No. 193

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Continuation of a public hearing relative to closing Shawnee Trail.

Resolution No. 88-110 - Resolution to close Shawnee Trail.

Mayor Bissette said a petition has been filed by Centennial American Properties, Ltd. on behalf of The Litchfield Co. of South Carolina Ltd. Partnership requesting that Shawnee Trail be permanently closed to the public use.

Mayor Bissette opened the public hearing at 4:10 p.m.

Mayor Bissette asked to be excused from participation and vote on the issue involving Shawnee Trail due to a conflict of interest.

Councilman Price moved to excuse Mayor Bissette from participation and vote on the issue involving Shawnee Trail. This motion was seconded by Councilman Martin and carried unanimously.

Vice-Mayor Michalove left the meeting at 4:15 p.m. unexcused.

Councilman Price presided over the meeting during the Shawnee Trail issue.

Patty Tallerday, from the Planning Department, said the closing of Shawnee Trail is necessary for the group development proposal, Overlook Village. She said the Technical Review Committee reviewed the proposed closing and voiced no problem with the closing.

Councilman Price closed the public hearing at 4:28 p.m.

Councilman Price said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Bratton, seconded by Councilman Martin, Resolution No. 88-110 was unanimously adopted.

Resolution Book No. 17 Page No. 194-195

B. **Ordinance No. 1699 - Second reading of an ordinance amending Section 30-11-4 of the Zoning Ordinance, Procedures for Group Developments.**

Mayor Bissette said the Asheville Planning and Zoning Commission on May 18, 1988, recommended approval of this amendment to City Council. It will facilitate the approval of group developments meeting certain criteria. Representatives of homeowners associations, Coalition of Asheville Neighborhoods, Council of Independent Business Owners, Home Builders Association, and other professional groups provided input at our hearings. This ordinance was read on first reading on June 28, 1988.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1699 passed on second reading.

C. Ordinance No. 1698, Third reading of an ordinance amending Chapter 12, Fire Prevention and Protection, of the Code of Ordinances of the City of Asheville relative to smoke detectors.

Mayor Bissette said this ordinance amends the Asheville Fire Code by requiring that: 1) Smoke detectors must be installed in any dwelling unit offered for rental or lease, including single-family homes; 2) In multi-dwelling buildings, smoke detectors must be installed in stairwells and common areas; 3) The owner of such units is responsible for installing, maintaining and repairing the smoke detectors; the tenant is responsible for reporting observed detector problems, and for preventing destruction and removal of the detector; 4) Smoke detectors must be installed in any dwelling unit offered for sale by the time sale closing or completion. The effective date of the ordinance - and its requirements - would be August 1, 1988.

Mayor Bissette said this ordinance was previously read on first reading and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1698 passed on third and final reading.

Ordinance Book No. 11 Page No. 291-192

IV. NEW BUSINESS:

A. Sign permit request for off-premises advertising sign to be located at I-240 at Fairview Road.

Mayor Bissette said Holland Outdoor Advertising Company has requested approval of a sign permit for a 14' x 48' off-premises advertising sign to be located at I-240 and Fairview Road. This permit requires approval of Council since the sign will be situated closer than 600' from a limited access highway.

Mayor Bissette said consideration of the sign permit has been delayed until July 26, 1988 at the request of Holland Outdoor Advertising Company.

B. **Ordinance No.1701 - Ordinance rescinding Ordinance No. 1662 of the Code of Ordinances of the City of Asheville regarding fire sprinklers.**

Mayor Bissette said on November 10, 1988, the Council adopted Ordinance No. 1662, which dealt with use of sprinkler systems in lieu of second stairwells in certain historic buildings. State law requires the approval of the Building Code Council in order for such an ordinance to become effective. Following adoption of this ordinance, on the advice of experts in the architectural, engineering, and code enforcement fields, this matter was put to the Building Code Council as a proposal to amend the State Building Code, rather than approval of Asheville's local ordinance. That effort was successful. Therefore, there is no need for Ordinance No. 1662 and it needs to be rescinded.

Mayor Bissette said this ordinance was previously presented to members of Council and would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1701. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1701 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1701. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1701 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1701. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1701 passed on third and final reading.

Ordinance Book No. 11 Page No. 298

C. **Resolution No. 88-111 - Resolution authorizing the Mayor to execute a municipal agreement with the North Carolina Department of Transportation to make certain street and highway improvements under Project 8.2841901 (SR 1781 (Broadway Avenue) from US 19-23 to Catawba Street).**

Mayor Bissette said this resolution will allow the City to enter into an agreement with the NC DOT to make certain street and highway improvements to Broadway Avenue from US 19-23 to Catawba Street.

Upon motion of Councilman Bratton, seconded by Councilman Frank, Resolution No. 88-111 was unanimously adopted.

Resolution Book No. 17 Page No. 196-197

D. Resolution stating the intent of the City of Asheville to consider the annexation of a portion of the area generally known as the Beaverdam Valley area, and fixing the date of a public hearing on the question of annexation.

SUMMARY: Pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. This resolution expresses Council's intent to annex the above mentioned property and schedules a public hearing on the question for August 30, 1988.

Mayor Bissette said action on this resolution would be postponed until July 26, 1988.

E. Resolution stating the intent of the City of Asheville to consider the annexation of a portion of the area generally known as the Hansel Avenue area, and fixing the date of a public hearing on the question of annexation.

SUMMARY: Pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. This resolution expresses Council's intent to annex the above mentioned property and schedules a public hearing on the question for August 30, 1988.

Mayor Bissette said action on this resolution would be postponed until July 26, 1988.

F. Resolution stating the intent of the City of Asheville to consider the annexation of a portion of the area generally known as the Hansel Avenue North area, and fixing the date of a public hearing on the question of annexation.

SUMMARY: Pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. This resolution expresses Council's intent to annex the above mentioned property and schedules a public hearing on the question for August 30, 1988.

Mayor Bissette said action on this resolution would be postponed until July 26, 1988.

V. CONSENT:

A. Resolution No. 88-112 - Resolution authorizing the Mayor of the City of Asheville to sign the annual certification of firemen.

SUMMARY: North Carolina's General Statutes, Ch. 118-38, requires certified fire departments to record the names of their firefighters with the North Carolina Firemen's Pension Fund. This certification requires official City Council action.

Resolution Book No. 17 Page No. 198

B. Scheduling of public hearing relative to zoning property on Tunnel Road to CH Commercial Highway District for July 26, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of zoning a 1.3 acre tract (previously NCDOT right-of-way) lying between I-240 and Lot 12, Sheet 21, Ward 8, to CH Commercial Highway District. The purpose of the request is to make the entire tract between US 74 and I-240 CH Commercial Highway District for the purpose of constructing the Overlook Village Shopping Center.

Upon motion of Councilman Martin, seconded by Councilman Frank, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

ANNOUNCEMENT RELATIVE TO APPEAL OF CHESTNUT-LIBERTY HISTORIC DISTRICT LAWSUIT DECISION

Mayor Bissette announced that during the pre-council work session members of Council discussed the appeal of a decision relative to the Chestnut-Liberty Historic District lawsuit. He said during the vote on the district there were members who supported the district and members who did not support the district. However, the discussion did not center around whether or not anyone supported the district but the procedures used in establishing the district. He said after discussion the City Attorney was instructed to appeal the decision of the lawsuit.

REPORT RELATIVE TO INTERGOVERNMENTAL SERVICES COMMITTEE MEETING

Councilman Frank reported that the Intergovernmental Services Committee met on July 5, 1988. She said Commissioner Montgomery furnished the members with information requested at the prior meeting. She said the committee discussed the Metropolitan Police Force, dealing with the 911 emergency number, and requested that the City Manager and John Creighton, Planning Director, for the County come back to the committee with a report in August.

Zoning for the two-three mile perimeter in the area of the new shopping center being constructed in the west was discussed and the commissioners said they would not make a suggestion for zoning but the members of the community should have input into the zoning.

She said the commissioners were interested in a joint city/county purchasing agreement and the city and county purchasing directors will be discussing this matter.

She said it was suggested that the position of the Environmental Control Officer remain with the County as stipulated in the Water Agreement. Councilman Price said the Environmental Control Officer is not a part of the Water Agreement.

She said they discussed the County participating in the cost of cleaning up tax lots. The commissioners said they would be willing to help with the cost but would like to do so at the time of the sale of the property.

She said the commissioners requested that the council members give them a list of items in the Water Agreement which they feel are double taxation items.

She said the next meeting for the Intergovernmental Services Committee would be on August 2, 1988.

SALE OF DISPOSAL PARCELS 79 AND 108A - EAST RIVERSIDE REDEVELOPMENT PROJECT

The City Manager presented a recommendation from the Housing Authority for the sale of Disposal Parcels 79 and 108A in the East Riverside Redevelopment Project. He said Parcel 79 would be sold to Diana L. Geter for $900 and Parcel 108A would be sold to Marion Presha in the amount of $1,200. He said the lots are located on Ora Street and will be developed for single family residences in cooperation with WNC Habitat for Humanity.

Councilman Martin moved to approve the recommendation of the Housing Authority for the sale of Disposal Parcels 79 and 108A. This motion was seconded by Councilman Price and carried unanimously.

CLAIMS - GAY MORGAN (SEWER) - JACK SMITH (PARKING SERVICES) - ROBERT LILLY (POLICE) - JESSIE REED (PARKS)- ANNABELLE GREEN (STREETS) - DEBBIE MORGAN (WATER)

The City Manager presented claims received from Gay Morgan, Jack Smith, Robert Lilly, Jessie Reed, Annabelle Green, and Debbie Morgan.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - MINUTES OF COUNCIL MEETINGS

Ralph Bishop again spoke to members of Council relative to his opinion that Council keep verbatim minutes.

ADJOURNMENT

Upon motion the meeting adjourned at 4:55 p.m.

MAYOR

CITY CLERK

Tuesday - July 19, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Wilhelmina Bratton

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF MINUTES - JULY 12, 1988

Mayor Bissette announced the approval of the minutes of July 12, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Welcome Wagon 60th Birthday Week" - Week of July 25, 1988.

Mayor Bissette read the proclamation and presented a copy to Lucibra Britt from the Welcome Wagon. He also recognized Nancy Ellis, Margaret Yanik, Rosa Lee Davidson, and Joyce Sergeant.

II. PUBLIC HEARINGS:

A. Public hearing relative to closing a portion of Syrlin Street.

Resolution No. 88-113 - Resolution closing a portion of Syrlin Street.

Mayor Bissette said a petition was received from Norman C. Bradford, Virginia Bradford, and others requesting that a portion of Syrlin Street be permanently closed to the public use. The petition requested that a portion of Syrlin Street between Tax Lots 178 and 13-1/4 of Ward 9, Sheet 7, be closed as a public street right of way.

Mayor Bissette opened the public hearing at 4:14 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Julia Cogburn, Acting Planning Director, said the closing of this portion of Syrlin Street is in connection with the Beaver Lake Villas being constructed on Long and Syrlin Street and the request of the residents in the area.

Mayor Bissette noted that the closing of this portion of Syrlin Street would make certain that there would be no ingress or egress from Syrlin Street into the Beaver Lake Villas.

Mayor Bissette closed the public hearing at 4:16 p.m.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Councilman Martin moved for the adoption of Resolution No. 88-113 contingent upon any necessary easements the City may need. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

Resolution Book No. 17 Page No. 199-200

III. OLD BUSINESS:

A. Ordinance No. 1699 - Third reading of an ordinance amending Section 30-11-4 of the Zoning Ordinance, Procedures for Group Developments.

Mayor Bissette said the Asheville Planning and Zoning Commission on May 18, 1988, recommended approval of this amendment to City Council. It will facilitate the approval of group developments meeting certain criteria. Representatives of homeowner's associations, Coalition of Asheville Neighborhoods, Council of Independent Business Owners, Home Builders Association, and other professional groups provided input at our hearings.

Mayor Bissette said it has been recommended that the ordinance be amended to delete the portion of the ordinance stating that the Planning Director shall report the final recommendation of the Planning and Zoning Commission at the next scheduled pre-Council work session of the Asheville City Council in order that these recommendations can be presented at the regular City Council meetings.

Councilman Price moved to amend Ordinance No. 1699 to provide that the recommendations of the Planning and Zoning Commission be presented at the regular

City Council meetings. This motion was seconded by Councilman Frank.

Vice-Mayor Michalove made a substitute motion to leave the ordinance as it is now written to avoid City Council from holding another public hearing on issues since the actions taken during pre-Council meetings would also be reported in regular session. He said this would avoid individuals from thinking they have to make an entire new presentation of their projects to members of Council.

After discussion, Vice-Mayor Michalove suggested that the third reading of Ordinance No. 1699 be tabled for one week giving members of Council an opportunity to discuss the section in question.

Councilman Price withdrew her motion to amend the ordinance and Councilman Frank agreed.

It was noted that the third reading of Ordinance No. 1699 would be scheduled for July 26, 1988.

IV. NEW BUSINESS:

A. Sale of Disposal Parcel 220B in the East Riverside Redevelopment Project.

Mayor Bissette and Vice-Mayor Michalove requested that they be excused from participation and vote on the sale of Disposal Parcel 220B in the East Riverside Redevelopment Project due to a conflict of interest.

Councilman Price moved to excuse Mayor Bissette and Vice-Mayor Michalove from participation and vote on the sale of Disposal Parcel 220B in the East Riverside Redevelopment Project. This motion was seconded by Councilman Martin and carried unanimously.

Councilman Price presided over the meeting during the action taken on Disposal Parcel 220B.

Councilman Price said the Housing Authority has tentatively accepted the following bid for Disposal Parcel 220B in the East Riverside Redevelopment Project:

Reuse	Price	Bid	Redeveloper
Office Institutional	$12,100	$12,120	Livingston Medical Partnership

Disposal Parcel 220B is located on Livingston Street and will be developed along with the adjoining

property under contract to the redeveloper as a medical office complex.

Councilman Frank moved to approve the recommendation of the Housing Authority relative to the sale of Disposal Parcel 220B in the East Riverside Redevelopment Project. This motion was seconded by Councilman Martin and carried unanimously.

B. Ordinance No. 1702 - Ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville relative to prohibiting truck traffic on Beverly Road.

Mayor Bissette said this action will include Beverly Road, between Tunnel Road and New Haw Creek Road, in the ordinance regulating truck traffic on certain residential streets.

The City Manager said this ordinance is in conjunction with a petition from the residents in the Beverly Road area. He said the Public Works Department has investigated this petition and recommends the adoption of this ordinance.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Boland moved for the adoption of Ordinance No. 1702. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1702 passed on first reading.

V. CONSENT:

A. Approval of bids for one (1) fifty foot snorkel "Telesqurt" on Fire Department Engine No. 6.

SUMMARY: Award of bid request for furnishing and installing one (1) fifty (50) foot Snorkel "Telesqurt" model B5042 (aerial ladder/waterway unit) on Fire Department Engine No. 6 is recommended to the low bidder, Snorkel-Economy, St. Joseph, Missouri, in the amount of $82,910.00.

B. Resolution No. 88-114 - Resolution authorizing the City Manager to execute a contract with Executone Piedmont, Inc. to perform maintenance of the City's SL-1N Telecommunications System.

SUMMARY: This contract is to perform maintenance of the City's telephone equipment for a period of five years effective June 1, 1988. The contract provides coverage for 24 hours a day, 7 days a week. A technician will be on site at the City each normal working day to check the system for problems.

Resolution Book No. 17 Page No. 201

(. Resolution No. 88-115 - Resolution authorizing the City Manager to enter into an agreement with the Chamber of Commerce.

SUMMARY: Continuation of agreement with the Chamber of Commerce to provide services for development and promotion of small business, industrial growth, visitor inquiry, convention development, etc.

Resolution Book No. 17 Page No. 202

J). Resolution No. 88-116 - Resolution authorizing the City Manager to enter into an agreement with the Community Relations Council.

SUMMARY: Continuation of agreement with the Asheville-Buncombe Community Relations Council for human relations services, Federal Compliance services, Affirmative Action/E.E.O. support and training services, etc.

Vice-Mayor Michalove said there is language in the agreement that the Community Relations Council will evaluate the Affirmative Action Plan. He said he would like for the board or a representative group of the board to be included in this process. He also requested that the City Manager look into funding being provided to the Community Relations Council and the YMI Cultural Center, Inc. for minority business development and how these two agencies relate in that aspect.

Resolution Book No. 17 Page No. 203

K. Resolution No. 88 - 117 - Resolution authorizing the City Manager of the City of Asheville to enter into a contract for the construction of a public restroom facility on the First Floor of the City Hall Building.

SUMMARY: Clement and Blount, Inc. submitted to lowest responsible bid in the amount of

$58,380. Recommendation to accept this bid.

Resolution Book No. 17 Page No. 204

F. Resolution No. 88-118 - Resolution appointing members to the Asheville Tree/Greenway Commission.

SUMMARY: This resolution will reappoint Roger Smith for a three (3) year term. Also will appoint Henry Arch Nichols and Rebecca Norris for three (3) year terms.

Resolution Book No. 17 Page No. 205

G. Resolution No. 88-119 - Resolution appointing member to the Recreation Board.

SUMMARY: This resolution will appoint Nancy Boland for a three (3) year term.

Resolution Book No. 17 Page No. 206

H. Resolution No. 88 -120 - Resolution appointing members to the City of Asheville Police Officers and Firefighter's Disability Review Board.

SUMMARY: The Asheville City Council adopted Ordinances 1650 and 1674 establishing the Asheville Police Officers and Firefighter's Disability Review Board for former members of the Asheville Policemen's Pension and Disability Fund and the Asheville Firemen's Pension and Disability Fund. The Disability Review Board is to consist of a member of the Asheville City Council to serve as Chairman; a current member of the Asheville Police Department, elected by former members of the Asheville Policemen's Pension and Disability Fund; a current member of the Asheville Fire Department, elected by former members of the Asheville Firemen's Pension and Disability Fund; a licensed medical doctor; the City Manager or his designee; and two members at large chosen by the City Council. On October 23, 1987 an election was held by the former members of the Asheville Policemen's Pension and Disability Fund, whereby Jay Hill Breedlove was elected to the Board to serve a two (2) year term. On April 22,

1988 an election was held by the former members of the Asheville Firemen's Pension and Disability Fund, whereby Rayburn E. Whitt was elected to the Board to serve a two (2) year term.

This resolution will also appoint Dr. John A Henderson, Douglas R. Franklin, and Captain John A. Best for two (2) year terms.

Resolution Book No. 17 Page No. 207 and 208

I. Resolution No. 88-121 - Resolution appointing member to the Zoning Board of Adjustments.

SUMMARY: This resolution will appoint Michelle Rippon for a three (3) year term.

Resolution Book No. 17 Page No. 209

J. Scheduling public hearing relative to proposed wording amendment to Asheville Zoning Ordinance, Section 30-9-4, District Sign Regulations for August 9, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of amending the Asheville Zoning Ordinance, Section 30-9-4. District Sign Regulations, Subparagraph (D)(1) by adding a new item (b) as follows: "(b) Off-premise advertising signs three hundred (300) square feet per display face or less shall be allowed only in the CH Commercial Highway District, CS Commercial Service District, LI Light Industrial District and HI Heavy Industrial District.

K. Scheduling public hearing relative to request of Thoms Rehabilitation Hospital to rezone property from R-3 Residential District to OI Office Institutional District for August 9, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of rezoning Ward 7, Sheet 15, Lots 81, 82, and 231, and Ward 7, Sheet 11, Lot 20, from R-3 Residential District to OI- Office Institutional District. (Property extends from One Rotary Drive over to Caribou Road)

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

VICE-MAYOR MICHALOVE - REQUEST OF CORPORATION COUNSEL TO RESEARCH WATER AGREEMENT

Vice-Mayor Michalove requested that the Corporation Counsel research language in the Water Agreement dealing with financing of improvements with bonds in the future. He asked that the language be reviewed to determine whether or not the City can break the Water Agreement if there is a bond issue city-wide or county-wide.

CITY MANAGER AUTHORIZED TO SIGN AGREEMENTS/LEASES IN CONNECTION WITH BELE CHERE FESTIVAL

At the request of the City Manager, Councilman Price moved to authorize the City Manager to execute various agreements and leases in connection with the Bele Chere Festival, with said documents being subject to the approval of the City Attorney. This motion was seconded by Councilman Frank and carried unanimously.

MINNIE JONES - PISGAH VIEW APARTMENTS - RELATIVE TO DRUG PROBLEMS AT HILLCREST APARTMENTS

Minnie Jones from the Pisgah View Apartments said she was concerned about how the current problems at Hillcrest Apartments are going to affect Pisgah View Apartments. She said the problems with drugs at the Hillcrest Apartments should have been handled in a better manner. She said the Housing Authority is well aware of all these problems and how the problems at Pisgah View Apartments have increased since the opening of the Police substation at Hillcrest Apartments to deal with the drug problems.

Mayor Bissette and members of Council said they were concerned about the drug problems all over the City and they are working as best they can on the problem. It was noted that the Metropolitan Enforcement Task Group was formed to deal with these problems. They said they would continue working on the problems.

JEANNIE EBLEN - REQUEST FOR ADOPTION OF RESOLUTION RELATIVE TO A MORATORIUM ON NUCLEAR TESTING AND FOR THE SUPPORT OF A COMPREHENSIVE TEST BAN TREATY

Jeannie Eblen with Peace Link made a presentation to members of Council requesting Council's adoption of a resolution relative to a moratorium on nuclear testing and for the support of a Comprehensive Test Ban Treaty. She also presented information to members of Council relative to commemorating

August 5th as the 25th anniversary of the Partial Test Ban Treaty; the cost to taxpayers for nuclear testing; and local groups, city, county and state legislatures that have passed resolutions calling for a mutual moratorium on nuclear testing. She read the proposed test ban resolution.

Mayor Bissette and several members of Council said they did not know enough about national defense and nuclear testing to adopt the proposed resolution. It was noted that the President, Congress, and the Senate should deal with concerns on national defense issues. It was also noted that perhaps members of Council could adopt a similar resolution with Council's own language that everyone could support in a positive manner.

It was suggested that Council look at the request for adoption of the resolution to see if Council could come up with language that all Council members can agree upon.

Susan Walker commented that the President and members of Congress needs everyone's support, even on national defense issues.

RALPH BISHOP - LOTTERY SALES IN THE CITY - RECORDING OF CITY COUNCIL MINUTES

Ralph Bishop again spoke to members of Council relative to lottery sales at Riverside Tire Shop at 704 Riverside Drive operated by J. V. Plemmons.

He also commented on his request to receive additional information relative to General Statute 160A.72 relative to the keeping of full and accurate minutes.

Councilman Price noted that minutes are only to reflect actions taken by Council.

CLAIMS - WILLIAM SMITH (PARKS) - FAYE YAOKUM (WATER) - CLARENCE MORGAN (SEWER) - VIVIAN ABDUL-ALLAH (PARKS) - DON BLANKENSHIP (SANITATION)- JOANNE HYATT (STREETS)

The City Manager presented claims received from William Smith, Faye Yaokum, Clarence Morgan, Vivian Abdul-Allah, Don Blankenship, and Joanne Hyatt.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - MINI STORAGE COMPANY V. BOARD OF ADJUSTMENT - RHONDA DILLINGHAM V. CITY OF ASHEVILLE AND ASHEVILLE TRANSIT AUTHORITY

The City Manager said the City was served with lawsuits involving A Mini Storage Company v. Board of Adjustment of the City of Asheville (Appeal of Board of Adjustment decision) and Rhonda Dillingham v. City of Asheville and Asheville Transit Authority (Fall on ice getting onto bus).

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

MEMBERS OF COUNCIL TO VISIT THE HILLCREST POLICE SUBSTATION AND TO MEET WITH RESIDENTS OF HILLCREST APARTMENTS

Mayor Bissette announced that after the meeting members of Council would be attending the opening of the Hillcrest Apartments Police Substation and to meet with residents of Hillcrest Apartments.

ADJOURNMENT:

Mayor Bissette adjourned the meeting at 5:25 p.m.

MAYOR

CITY CLERK

Tuesday - July 26, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Councilman Walter Boland and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF MINUTES - JULY 19, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the July 19, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Presentation by Housing Authority - Payment-in-lieu-of-taxes.

David Jones, Executive Director of the Housing Authority, and Mrs. Peggy Shook, Chairman of the Housing Authority, presented the Mayor with a check in the amount of $45,620.02 as payment-in-lieu-of-taxes. Mrs. Shook said the Housing Authority is the only nonprofit organization that presents the City with a payment-in-lieu-of-taxes check to help the City provide the very essential services such as garbage pick up; police, and fire protection.

Mayor Bissette told Mr. Jones and Mrs. Shook that the Council is proceeding with the ideas generated from the residents of Hillcrest Apartments relative to drug problems in the area. He said Council hopes to present a proposal next week to deal with this problem in which the Housing Authority will be an integral part.

Mr. Jones said the Housing Authority has also been working closely with the Hillcrest Apartment residents and is beginning many new programs to deal with this problem. He mentioned a Cadet Program for individuals to work in conjunction with law enforcement personnel. He said they would continue to work on this problem on a county-wide basis.

II. PUBLIC HEARINGS:

A. Public hearing relative to zoning property on Tunnel Road to CH Commercial Highway District.

Ordinance No. 1703 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Attorney Douglas Thigpen, property located on Tunnel Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of zoning a 1.3 acre tract (previously NCDOT right-of-way) lying between I-240 and Lot 12, Sheet 21, Ward 8, to CH Commercial Highway District. The purpose of the request is to make the entire tract between US 74 and I-240 CH Commercial Highway District for the purpose of constructing the Overlook Village Shopping Center.

Mayor Bissette opened the public hearing at 4:21 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette requested that he be excused from participation and vote on the zoning issue on Tunnel Road due to his law firm representing the developer.

Vice-Mayor Michalove moved to excuse Mayor Bissette from participation and vote on the zoning issue. This motion was seconded by Councilman Price and carried unanimously.

Vice-Mayor Michalove chaired the meeting during the Tunnel Road zoning issue.

Julia Cogburn, Acting Director of Planning, said this property has never been zoned because it was N. C. Department of Transportation right-of-way. She said this would be the initial zoning for this property in conjunction with the proposed Overlook Shopping Center project. She said the area proposed to be zoned Commercial Highway consists of 1.3 acres.

Upon inquiry of Councilman Price, Ms. Cogburn said the property to be zoned in not in the flood plain area.

Vice-Mayor Michalove closed the public hearing at 4:25 p.m.

Vice-Mayor Michalove said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1703. This motion was seconded by Councilman Martin.

On a roll call vote of 5-0, Ordinance No. 1703 passed on first reading.

III. OLD BUSINESS:

A. **Ordinance No. 1699 - Third reading of an ordinance amending Section 30-11-4 of the Zoning Ordinance, Procedures for Group Developments.**

Mayor Bissette said the Asheville Planning and Zoning Commission on May 18, 1988, recommended approval of this amendment to City Council. It will facilitate the approval of group developments meeting certain criteria. Representatives of homeowner's associations, Coalition of Asheville Neighborhoods, Council of Independent Business Owners, Home Builders Association, and other professional groups provided input at our hearings. This ordinance was read on first reading on June 28, 1988.

After discussion, Councilman Price moved to amend Ordinance No. 1699 by changing Section 30-11-4 (f) to read as follows: "The Planning Director shall report the final recommendation of the Planning and Zoning Commission at the next scheduled regular meeting of the Asheville City Council. The action of the Planning and Zoning Commission shall then be final unless the City Council determines at that meeting to schedule a public hearing on the matter at one of its regularly scheduled meetings, no later than three (3) weeks from that date, unless a different date is consented to by the parties." This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1699, as amended passed on third and final reading.

Ordinance Book No. 11 Page No. 293-296

B. **Ordinance No. 1702 - Second reading of an Ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville relative to prohibiting truck traffic on Beverly Road.**

Mayor Bissette said this action will include Beverly Road, between Tunnel Road and New Haw Creek Road, in the ordinance regulating truck traffic on certain residential streets.

Mayor Bissette noted that this would not prohibit trucks doing business in the area, such as delivery trucks, from using the streets.

On a roll call vote of 6-0, Ordinance No. 1702 passed on second reading.

IV. NEW BUSINESS:

A. Sign permit request for off-premises advertising sign to be located at I-240 at Fairview Road.

Mayor Bissette said Holland Outdoor Advertising Company has requested approval of a sign permit for a 14' x 48' off-premises advertising sign to be located at I-240 and Fairview Road. This permit requires approval of Council since the sign will be situated closer than 600' from a limited access highway.

Julia Cogburn, Acting Director of Planning, said pursuant to Section 30-9-4 of the Zoning Ordinance any sign to be erected within 600' of a limited access highway must be approved by Council. She said Holland Outdoor Advertising originally requested approval of a 672 square foot per face off-premises advertising sign at I-240 and Fairview Road. She said they have amended that request to a 300 square foot per face off-premises advertising sign. She said the sign would be located 50' from the railroad spur, 75' from I-240, and 25' from the right-of-way line.

Gary Rowe, Attorney representing Holland Outdoor Advertising Company, requested Council's approval of the sign permit stating that the sign would be a low impact, informational/directional sign in a highly commercial area. He said the sign would not be a large density advertising sign. He said the sign would be lighted and 40' in height.

A resident of 3 Vineyard Place, spoke in opposition to approval of the sign permit stating that the recently created Sign Commission would be submitting recommendations to Council in the near future and billboards on the interstate is not within the guidelines of their proposed recommendations.

Linn Brown, 62 Macon Avenue, a member of the Sign Commission, said the sign would be inappropriate and one of the proposed recommendations of the Sign Commission would be that no more billboards be allowed on the interstate. She said a moratorium on signs should be established until the Sign Commission gives their recommendations to Council.

Susan Roderick, a member of the Asheville Tree/Greenway Commission, spoke in opposition to the sign permit. She said the Tree/Greenway Commission is currently working with the North Carolina Department of Transportation to have the area in question planted.

Randall Davis also spoke in opposition to billboards on the interstate.

In rebuttal, Gary Rowe said his client is not trying to rush into the Asheville area and put up signs before recommendations of the Sign Commission are presented to Council. He said the sign would comply with all current ordinances and would comply with Council's direction in erecting this sign. He said the only reason the sign permit request is before Council is that it will be situated closer than 600' from I-240. He said, otherwise, the sign meets all code requirements.

Upon inquiry of Councilman Bratton, the City Attorney said Council has no specific responsibility at this time as far as the Sign Commission is concerned. He said no specific standards are included in the Zoning Ordinance for approval/disapproval by Council of signs to be situated within 600' of a limited access highway.

Councilman Price urged members of Council not to approve the request for the sign permit.

Councilman Martin suggested that Council postpone action on the sign permit request until the Sign Commission presents their recommendations.

Vice-Mayor Michalove and Councilman Bratton suggested that since there is no moratorium on signs at this time that anytime there is a sign permit request on Council's agenda that all Sign Commission members be notified.

After discussion, Councilman Price moved that the sign permit request from Holland Outdoor Advertising Company for an off-premises advertising

sign at I-240/Fairview Road be denied. This motion was seconded by Councilman Frank and carried unanimously.

B. Resolution No. 88-122 - Resolution stating the intent of the City of Asheville to consider the annexation of a portion of the area generally known as the Beaverdam Valley area, and fixing the date of a public hearing on the question of annexation.

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. This resolution expresses Council's intent to annex the above mentioned property and schedules a public hearing on the question for September 13, 1988.

City Manager Doug Bean said it is staff's recommendation, after investigation, to delete the property known as "Beaverdam Run" from the annexation at this time. He said it has been determined that the area including Beaverdam Run Condominium Complex, which is now under construction, does not qualify because it includes too much vacant land and not enough people per acre. He said it is also staff's recommendation to review the area known as Beaverdam Run in July, 1989 for annexation since the condominiums would then be contiguous to the newly annexed area and could be brought into the corporate limits as soon as 90 days after the effective date of the original annexation.

Patty Tallerday, from the Planning Staff, reviewed the boundaries of the proposed annexation in the Beaverdam Valley area. She said the area presently includes a 22.3 acre tract, known as the Wolcott property. She said if Council decides to include the Wolcott property the property would qualify on a 69% basis. She said if the Wolcott property is deleted the property would still qualify on a 66.9% basis.

Vice-Mayor Michalove requested that the City Manager furnish members of Council with a memorandum outlining staff's recommendation relative to Beaverdam Run Condominiums being deleted from the annexation proposal.

Upon inquiry of Council, the City Manager said it would be his recommendation to include large undeveloped property during the annexation process

if the area would still qualify for annexation to avoid insurmountable problems of annexing the property in the future.

The City Attorney noted that the boundary description follows lot lines since the natural topographical features would not be practical in this particular annexation.

At the request of Council, Patty Tallerday presented members of Council with a financial summary for the proposed annexation of the Beaverdam Valley area. She said the total population at this time for the Beaverdam Valley area is 1,102.

Councilman Price requested that the staff compare the present zoning in the Beaverdam Valley area with zoning districts in the City. She also commented that perhaps a new zoning district could be created for property such as Beaverdam Valley to keep the rural residential atmosphere of that area. She said the area should be zoned as compatible as practical.

Ralph Bishop spoke in opposition to the annexation stating that Council would be annexing property without the owner's consent.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, Resolution No. 88-122 was unanimously adopted.

Resolution Book No. 17 Page No. 210-211

C. **Resolution No. 88-123 - Resolution stating the intent of the City of Asheville to consider the annexation of a portion of the area generally known as the Hansel Avenue area, and fixing the date of a public hearing on the question of annexation.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. This resolution expresses Council's intent to annex the above mentioned property and schedules a public hearing on the question for September 13, 1988.

Patty Tallerday, with the Planning Staff, reviewed the boundaries of the proposed annexation of the Hansel Avenue Area. She said this is basically a

closure of the current corporate limits. She said the area includes 48 homes and qualifies for annexation on a population basis. She summarized the financial summary for the Hansel Avenue area annexation and presented members of Council with a copy of the summary.

Councilman Martin said he was not in favor of the annexation of this property since the City would never recover their capital costs. He said in his opinion this is not an economical viable project. He said the residents are not asking to be annexed and this would not be in the best interest of the citizens of Asheville. He said this is not using tax dollars to the best advantage.

Mayor Bissette said he understood Councilman Martin's feelings about this annexation, however, the annexation would benefit the residents of that area and the City should also consider that fact.

Councilman Price said she would favor the annexation to close the current corporate limits. She said the financial summary is not an accurate account since the revenues do not include water and sewer revenues.

Vice-Mayor Michalove requested that the city staff look at whether the new water and sewer lines proposed for the area would also benefit other areas currently in the corporate limits. He also requested that the city staff determine the water source for the proposed area.

Upon inquiry, the City Manager said the capital costs for water and sewer are included in capital improvements in the Water and Sewer budgets. He said the Water Authority has included in their budgets the city's three year annexation plans.

Councilman Bratton said in her opinion overall annexations by the City would have a positive impact.

Upon motion of Councilman Price, seconded by Councilman Bratton, Resolution No. 88-123 was adopted on a voice vote of 5-1, with Councilman Martin voting "no".

Resolution Book No. 17 Page No. 212-213

D. **Resolution No. 88-124 - Resolution stating the intent of the City of Asheville to consider the annexation of**

a portion of the area generally known as the Plemmons property, and fixing the date of a public hearing on the question of annexation.

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. This resolution expresses Council's intent to annex the above mentioned property and schedules a public hearing on the question for September 13, 1988.

Patty Tallerday, with the Planning Department, said this proposed annexation is also a closure of current corporate limits. She said the area includes one commercial and one residential lot and would require no city services. She said 650' of water line is proposed for the area. She said no sewer line is proposed since it has been determined that it would be cost prohibitive. She said the area is completely surrounded by the current corporate limits.

Upon motion of Councilman Frank, seconded by Councilman Michalove, Resolution No. 88-124 was unanimously adopted.

Resolution Book No. 17 Page No. 214-215

V. CONSENT:

A. Resolution No. 88-125 - Resolution authorizing the Mayor to execute a Municipal Agreement with the North Carolina Department of Transportation for performing right-of-way appraisals on Murdock Avenue, Thompson Street and Hazel Mill Road, Federal Aid Bridge Replacement Projects within the corporate limits of Asheville.

SUMMARY: This agreement will allow the North Carolina Department of Transportation , Right-of-Way Appraisal Office, to appraise right-of-way for Hazel Mill Road, Murdock Avenue, and Thompson Street Bridge projects. The City will reimburse N.C.D.O.T. for their cost in appraisals at 100%. The City will be reimbursed 80% of this cost back through the Federal Highway Administration of System Bridge Project.

Resolution Book No. 17 Page No. 216

B. **Scheduling of public hearing relative to Phase II, Westgate Shopping Center for August 16, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission on June 29, 1988, reviewed and approved the site plan for Phase II of Westgate Shopping Center, subject to the following conditions:

1) Letter from N.C. Department of Transportation approving entrance;
2) Signage package in compliance with Zoning Ordinance; and
3) Closing of portions of Cliff Street.

C. **Scheduling of public hearing relative to Overlook Village Shopping Center for August 16, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission on June 29, 1988, reviewed and approved the site plan subject to the following conditions: 1) Letters of approval from NCDOT, FEMA, TVA, and Corp of Engineers prior to any grading on site; 2) Easements from Asheville Federal Savings & Loan and K-Mart; 3) Redesign of secondary entrance road to establish right turns only; 4) Outparcels to be reviewed separately by Asheville Planning and Zoning Commission; 5) Closing of Shawnee Trail by City Council; 6) Zoning of NCDOT right-of-way by City Council; 7) Resubmit landscape to AP&ZC for screening rear of buildings as much as possible from I-240; and 8) Sign contingencies as stated by staff (a. variance need on 1:1 ratio based on store frontage for attached signs per tenant, b. variances needed on 4' projecting signs per tenant, c. freestanding sign within 600' of right-of-way approved by City Council, d. outparcel signage to be reviewed by AP&ZC when needed, and e. Identification signs for outparcel A.- no freestanding sign, outparcel B. - freestanding sign 8' high, 75 square foot per face, and outparcel C. - freestanding sign 25' high, 100 square feet per face).

D. **Scheduling of public hearing relative to Wal-Mart Store on Tunnel Road for August 16, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission on June 29, 1988, reviewed and approved the site plan subject to the following conditions: 1) Compliance with Erosion Control Ordinance; 2) Final approval from NCDOT on driveway location; 3) Encroachment agreement with NCDOT for stormwater drainage; 4) Signed easement agreements with Brenco, Inc., Arthur York and Sea-Nic Enterprises; 5) Variance granted for a 10' rear and 8' side setback - setback necessary for location of eastern corner of building and loading dock; and 6) Compliance with buffering ordinance by adding three trees in parking lot.

Upon motion of Councilman Frank, seconded by Councilman Martin, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

INTERGOVERNMENTAL SERVICES COMMITTEE MEETING - AUGUST 2, 1988

Councilman Frank noted that the Intergovernmental Services Committee would be meeting at 12:30 p.m. on Tuesday, August 2, 1988.

MEETINGS SCHEDULED IN NEWLY ANNEXED AREAS - SOUTH, HAW CREEK, AND EAST ASHEVILLE

The City Manager said in gearing up for the new annexation of the south area, Haw Creek, and property in East Asheville, the City staff would be sending out information packets on July 29, 1988 to include a newsletter, a city services brochure, a downtown parking brochure, and a recycling brochure to provide all the information possible to the new residents. He said newsletters to the residents would be going out July 29, August 29, September 16, and October 5, 1988. He said they would also have a "Mobile City Hall" with city staff available at T. C. Roberson High School Parking Lot on August 29 and September 12; Haw Creek Volunteer Fire Department on August 31 and September 14; and Poseidon Restaurant, Highway 70, on September 1 and September 15, 1988. He said there would also be one main telephone number in City Hall for the residents to call for information.

CLAIMS - KENNY REED (PARKS) - STEPHEN LANCASTER (STREETS) - WALTER L. KING (WATER) - MRS. MICHAEL HOBBS (WATER)

The City Manager presented claims received from Kenny Reed, Stephen Lancaster, Walter L. King, and Mrs. Michael Hobbs.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

DISCUSSION - ASHEVILLE MALL CONSTRUCTION

The City Attorney said, at the request of the City Manager, he had reviewed the minutes of the Planning and Zoning Commission and the Asheville City Council relative to the approval of the site plan for the Asheville Mall Expansion Project to determine if there are any violations of the contingencies place upon the approval of the Project. In addition, he stated that he had discussed the matter with members of the Planning staff. Although the Planning staff had reported that as of Friday, July 22 there had been no disturbance of the twenty-foot buffer within the area in question, that even if there were a disturbance in that area, the buffering ordinance does not require that existing vegetation remain. He further stated that some areas of the site plan did specifically require that existing vegetation remain, but not in the area where grading and cutting of trees had taken place. Since the site plan did not include specific requirements at the area in question, he concluded that the requirements imposed upon the developer were as set forth in the buffering ordinance.

Councilman Price said she had visited the site and she continued to question whether the developer is violating any ordinances. She said it seems that the developer has graded within one foot of the residential property.

Mayor Bissette said there may not be a technical violation but for all intent and purposes there may be a non-technical violation because it was not Council's intent for the grading to be that close to the residential property or for the 20' existing buffer to be cut. He said the City would make sure the developer complies with all ordinances of the City including the buffering, zoning and erosion control ordinances.

Harold Payne, of 299 White Pine Drive, and Co-Chairman of the Kenilworth Forest Homeowner's Association, said the residents of this area have been continuously fighting the Asheville Mall developer over many suspected violations since the Mall was first constructed. He reviewed the background of the problems the residents have had with the developer.

Randall Davis said it should be City Council's responsibility to protect the residents in the area of the Asheville Mall.

Vice-Mayor Michalove noted that evidently there has been some misunderstanding in administrative procedures. He said he was under the impression that when Council approves a site plan and instructs that the Planning staff approve the landscaping plans that all aspects of buffering are evaluated. He said apparently the staff has only been evaluating landscaping

around the project rather than the entire buffering and landscaping. He said perhaps City Council needs to look at the ordinances or the manner in which site plans are approved to broaden the scope of evaluations of landscaping and buffering.

After discussion, Mayor Bissette said the City staff would do everything that needs to be done to assure that the developer abides by every letter of the law in the development.

Councilman Price requested that members of Council visit the area in question and view the site from the residential area.

RICHARD MATHEWS - PRESIDENT OF THE NEWLY ORGANIZED ALBEMARLE/MANOR GROUNDS NEIGHBORHOOD ASSOCIATION

Richard Mathews, Acting President of the newly organized Albemarle/Manor Grounds Neighborhood Association, appeared before Council to inform them of the new organization. He said the association is in the process of drafting a letter to the City to express their interest in working with the City, Quality Forward, and all other government agencies in addressing some of the concerns of the residents in the area.

ADJOURNMENT:

Mayor Bissette adjourned the meeting at 7:00 p.m.

MAYOR

CITY CLERK

Tuesday - August 2, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF THE MINUTES - JULY 26, 1988

Mayor Bissette announced the approval of the minutes of the July 26, 1988 meeting would be postponed until August 9, 1988.

I. PROCLAMATIONS:

A. Proclamation - Thursday, August 4, 1988 - "Lifeguard Competition and Celebrity Belly Flop Day."

Mayor Bissette read the proclamation and presented a copy to Mary Ritter, John Teeter, and Jack Cecil with the American Red Cross.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1703 - Second reading of an ordinance relative to zoning property on Tunnel Road to CH Commercial Highway District.

Mayor Bissette said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of zoning a 1.3 acre tract (previously NCDOT right-of-way) lying between I-240 and Lot 12, Sheet 21, Ward 8, to CH Commercial Highway District. The purpose of the request is to make the entire tract between US 74 and I-240 CH Commercial Highway District for the purpose of constructing the Overlook Village Shopping Center.

On a roll call vote of 5-0, Ordinance No. 1703 passed on second reading.

B. Ordinance No. 1702 - Third reading of an Ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville relative to prohibiting truck traffic on Beverly Road.

Mayor Bissette said this action will include Beverly Road, between Tunnel Road and New Haw Creek Road, in the ordinance regulating truck traffic on certain residential streets.

On a roll call vote of 6-0, Ordinance No. 1702 passed on third and final reading.

Ordinance Book No. 11 Page No. 299

IV. NEW BUSINESS:

V. CONSENT:

A. Resolution No. 88-126 - Resolution authorizing the City Manager to execute an agreement with the YMI Cultural Center, Inc.

SUMMARY: Continuation of agreement with YMICC for economic development services.

Resolution Book No. 17 Page No. 217

B. Resolution No. 88-127 - Resolution authorizing City Manager to execute a right-of-way Agreement between the City of Asheville and Rotha B. Bailey and wife, Leona Bailey.

SUMMARY: The intersection and drainage pipe at Raleigh Road and School Road need improving to prevent automobiles and school buses from dropping off the road shoulder and damaging the curb, drainage structure and private property. The right-of-way being conveyed to the City by Mr. and Mrs. Bailey will allow the drainage pipe to be extended and the intersection radius on the southwest corner to be increased to eliminate the existing problems.

Resolution Book No. 17 Page No. 218

C. Resolution No. 88-128 - Resolution appointing member to the Asheville-Buncombe Historic Resources Commission.

SUMMARY: This resolution will appoint Richard Mathews as a member of the Asheville-Buncombe Historic Resources Commission.

Upon motion of Councilman Frank, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

REPORT - INTERGOVERNMENTAL SERVICES COMMITTEE

Councilman Frank said the Intergovernmental Services Committee met today, August 2, 1988, at 12:30 p.m. She said County Commissioners Montgomery and Sobol were in attendance. She said the committee discussed a Central Communications System in relation to the 911 Emergency Number. She said a report would soon be given to members of Council. She said they also discussed the proposed establishment of the Drug Task Force.

Councilman Martin said everyone in attendance at the meeting had a very helpful attitude and seemed interested in offering solutions to problems.

Mayor Bissette noted that a meeting would be held on August 9, 1988 at the Asheville Civic Center Banquet Room at 12:30 p.m. - 2:00 p.m. to discuss the establishment of the Drug Task Force. He said many local officials and citizens have been invited to this meeting.

RESOLUTION NO. 88-129 - RESOLUTION SUGGESTING AN APPROACH TO A WORLDWIDE NUCLEAR TEST BAN

Vice-Mayor Michalove read a resolution suggesting an approach to a worldwide nuclear test ban.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, Resolution No. 88-129 was unanimously adopted.

RESOLUTION NO. 88-130 - RESOLUTION APPOINTING MEMBER TO THE TOURISM DEVELOPMENT AUTHORITY (CHARLES CLAMURRO - QUALITY INN ON THE PLAZA)

Mayor Bissette presented a resolution appointing Charles Clamurro, General Manager of the Quality Inn on the Plaza to the Tourism Development Authority for a three (3) year term, term expiring August 30, 1991.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 88-130 was unanimously adopted.

CLAIMS - LORA CAUTHEN (INSPECTIONS) - MAXINE JONES (SEWER) - CLYDE SWANN (SEWER) - RACHEL PLEMMONS (WATER) - KEITH KNOX FIRE) - JAMES NABER (STREETS)

The City Manager presented claims received from Lora Cauthen, Maxine Jones, Clyde Swann, Rachel Plemmons, Keith Knox, and James Naber.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ANNEXATION PACKAGES BEING DELIVERED TO NEWLY ANNEXED RESIDENTS

The City Manager noted that annexation packages containing information about the City of Asheville services are being delivered to the residents of the newly annexed areas.

RALPH BISHOP - COMMENTS RELATIVE TO INSTITUTE OF GOVERNMENT - LOTTERY SALES IN THE CITY OF ASHEVILLE

Ralph Bishop asked the City Attorney how the Institute of Government was established. He also spoke to members of Council relative to lottery sales in the City of Asheville.

The City Attorney told Mr. Bishop he would find out how the Institute of Government was established.

ADJOURNMENT:

Upon motion, the meeting adjourned at 4:45 p.m.

MAYOR

CITY CLERK

Tuesday - August 9, 1988 - 4:00 P.M.

Regular Meeting

Present: Vice-Mayor Kenneth M. Michalove, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton (Was late arriving at the meeting - 4:24 P.M.), and Russell Martin; Staff Attorney Patsy Brison; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor W. Louis Bissette and Councilman Walter Boland; City Attorney William F. Slawter

INVOCATION

The invocation was given by Councilman Price.

MINUTES - AUGUST 2, 1988 MEETING

Upon motion of Councilman Price, seconded by Councilman Martin, the minutes of the August 2, 1988 meeting were unanimously approved.

MINUTES - JULY 26, 1988 MEETING

Approval of the minutes of the July 26, 1988 meeting was deferred until August 16, 1988.

I. PROCLAMATIONS:

A. RESOLUTION NO. 88-131 - RESOLUTION OF APPRECIATION TO RETIRED ASHEVILLE FIREFIGHTERS

Vice Mayor Michalove said during he past year, nine Asheville firefighters have retired from active duty. They were Charles F. Jennings, Bruce L. Calloway, Carl C. Messer, Clifford S. Smathers, Bruce A. Duckett, Harley B. Sampson, Charles W. Burnette, Guy F. Justice, Jr., and Carvel G. Whitt. He said these firefighters contributed immeasurably to the safety and well-being of everyone in Asheville. He said it is customary to retire the badge of a firefighter who has rendered honorable service, and the plaques presented to these firefighters will bear those badges.

Vice Mayor Michalove said members of Council were previously furnished copies of the resolution and it would be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 88-131 was unanimously adopted.

Vice Mayor Michalove presented a copy of the resolution and plagues to the retired firefighters.

Fire Chief John Rukavina thanked the Council for the honor bestowed on the firefighters.

II. PUBLIC HEARINGS:

A. PUBLIC HEARING RELATIVE TO A PROPOSED WORDING AMENDMENT TO ASHEVILLE ZONING ORDINANCE, SECTION 30-9-4, DISTRICT SIGN REGULATIONS

ORDINANCE NO. 1704

Vice Mayor Michalove said the Asheville Planning and zoning Commission on June 29, 1988, reviewed and recommended approval of amending the Asheville Zoning Ordinance, Section 30-9-4. District Sign Regulations, Subparagraph (D)(1) by adding a new item (b) as follows: "(b) Off-premise advertising signs three hundred (300) square feet per display face or less shall be allowed only in the CH Commercial Highway District, CS Commercial Service District, LI Light Industrial District and HI Heavy Industrial District.

Vice Mayor Michalove opened the public hearing at 4:20 P.M.

The City Clerk presented the notice to the public and the affidavit of publication.

Julia Cogburn, Acting Director of Planning, said the proposed wording amendment is just a simple housekeeping item and clarification for off premises signs of 300 sq. ft. or less. Staff does recommend adding CG Commercial General to the list of districts where such signs are permitted. She said the enforcement of the ordinance in the past has been in accordance with today's requested amendment.

Mr. Frank Graham, Attorney for Naegle Outdoor Advertising Company, requested that the ordinance be further clarified to include the following phrase at the end of subsection (b) "...except as specified in subsection (a) above."

Vice Mayor Michalove asked that staff look at the change requested by Mr. Graham and make a recommendation to the Council at next week's meeting. In addition, the staff recommendation would be included in an amendment at that time.

Vice Mayor Michalove closed the public hearing at 4:17 P.M.

Vice Mayor Michalove said copies of the ordinance were previously distributed to members of council and the ordinance would not be read in its entirety unless there was a specific request to do so.

Councilman Martin moved for the adoption of Ordinance No. 1704. This motion was seconded by Councilman Price.

On a roll call vote of 4-0, Ordinance No. 1704 passed on first reading.

B. PUBLIC HEARING RELATIVE TO REZONING PROPERTY FROM ONE ROTARY DRIVE OVER TO CARIBOU ROAD FROM R-3 RESIDENTIAL DISTRICT TO OI OFFICE INSTITUTIONAL DISTRICT

ORDINANCE NO. 1705

Vice Mayor Michalove said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of rezoning Ward 7, Sheet 15, Lots 81, 82, and 231, and Ward 7, Sheet 11, Lot 20, from R-3 Residential District to OI-Office Institutional District. (Property extends from One Rotary Drive over to Caribou Road)

Vice Mayor Michalove opened the public hearing at 4:18 P.M.

The City Clerk presented the notice to the public and the affidavit of publication.

Julia Cogburn, Acting Director of Planning, said the property is currently owned and operated by Thoms Rehabilitation Hospital. She said the property is located off Sweeten Creek Road and a portion of it extends down to Caribou Road. She said the property to the North and South is zoned HI-Heavy Industrial, the property to the South is zoned R-3 Residential and the property to the West is zoned R-3 Residential and LI-Light Industrial. Even though there is no other OI-Office Institutional zoning in the area, she said staff felt this was not a problem because of the particular nature of the use and size of the property.

Mrs. Cogburn said the requested rezoning is in accordance with the Comprehensive Plan and that the 57 surrounding property owners were notified of today's hearing. She said only one opposition had been received - from a Mr. Bedford Tomberlin, 183 Belvedere Road (Lot 183), who had phoned in and not specified a particular opposition to the proposed rezoning.

Councilman Price voiced concern about the impact the OI designation would have on density in the area since this zoning classification permits 32 units per acre. She also mentioned the impact of additional traffic on Caribou Road.

Charles Norvell, President of Thoms Rehabilitation Hospital, said the Hospital has entrances off London and Sweeten Creek Road, and that he didn't perceive any traffic coming onto the campus from Caribou Road.

Councilman Bratton arrived at the meeting at 4:24 P.M.

Vice Mayor Michalove closed the public hearing at 4:25 P.M.

Vice Mayor Michalove said copies of the ordinance were previously distributed to members of Council, and the ordinance would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1705. This motion was seconded by Councilman Martin.

On a roll call vote of 5-0, Ordinance No. 1705 passed on first reading.

III. OLD BUSINESS:

A. RESOLUTION NO. 88-132 - RESOLUTION ADOPTING BEAVERDAM VALLEY PLAN FOR THE EXTENSION OF MAJOR CITY SERVICES

Vice Mayor Michalove said a report of plans for extending services to the Beaverdam Valley territory to be annexed is required by N. C. Gen. Stat. sec. 160A-47 to be approved at least thirty (30) days prior to the date of public hearing on the question of annexation.

Patty Tallerday of the Planning Department said the Police Department will add 3 sworn officers to provide police protection services to the Beaverdam area. She said these officers will be assigned to the police force in general and will help carry the load in criminal investigations, community services, record keeping and communications.

Ms. Tallerday said Station #7 on Merrimon Avenue will be the primary provider of fire protection services. She said an additional 4-wheel drive pumper truck will be added to Station #7's inventory due to the mountainous terrain of the Beaverdam Valley as well as other steep sections in the City. Additional communications equipment will be purchased. She said the City is also prepared to offer to negotiate a 5-year contract with the Beaverdam Volunteer Fire Department for fire services if the Board of Directors wants to provide these services for the first 5 years.

Ms. Tallerday said the City will purchase one (1) sway car, (1) tractor loader and one (1) leaf machine to provide solid waste collection services to the Beaverdam area. She said the solid waste services can be provided with existing personnel by rerouting the garbage collection routes.

Ms. Tallerday said there are approximately 6 miles of state system streets that will become City system streets for the purposes of maintenance services such as snow removal, pothole repair, etc. She said there are also approximately two miles of private streets that do qualify for dedication to the City system. She said maintenance cost for these streets has also been included in the cost of services. In addition, she

said, there are other private streets that will have to be dedicated on a street-by-street basis. Ms. Tallerday said the dedication process calls for the property owners to sign a petition. However, she said, one of the criteria to dedicate the street calls for the street to be 17-20 feet in width with easements granted to the City. If improvements are made to bring the streets to this width or if they are currently this width, they can be dedicated and accepted by the City. She said any improvements made to bring the streets up to the required criteria are at the expense of the property owners.

Ms. Tallerday said the estimated cost for providing street lighting services to the Beaverdam area is $17,000. She said this is based on providing a pole for street lighting every 250 feet.

Ms. Tallerday said water and sewer line improvements in the Beaverdam were going to be expensive. She said the City plans to install approximately 20,000 linear feet of 6-inch water line at a cost of $672,000 and approximately 12,000 linear feet of 8-inch sewer line at a cost of $842,000.

Upon inquiry of Vice Mayor Michalove relative to transit services, Ms. Tallerday said the City normally requests the Transit Authority to restudy annexed areas for possible re-routing or additional routes.

Vice Mayor Michalove noted that on Page 7 of the "Plan" that first year costs were anticipated at $431,174 while estimated revenue is expected to be $365,837.

Vice Mayor Michalove said members of Council were previously furnished with copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Price, seconded by Councilman Bratton, Resolution No. 88-132 was unanimously adopted.

Resolution Book No. 17 - Page 223

B. **RESOLUTION NO. 88-133 - RESOLUTION ADOPTING HANSEL AVENUE PLAN FOR THE EXTENSION OF MAJOR CITY SERVICES**

Vice Mayor Michalove said a report of plans for extending services to the Hansel Avenue territory to be annexed is required by N. C. Gen. Stat. sec. 160A-47 to be approved at least thirty (30) days prior to the date of public hearing on the question of annexation.

Patty Tallerday of the Planning Department said the Hansel Avenue area contains approximately 130 people and comprises approximately 46 acres. She said police, fire and solid waste services will be provided with existing personnel and

equipment. She said Station #3 on Louisiana will be the primary provider of fire protection services with backup coming from Station #6 on Haywood Road and Headquarters. She said Hansel Avenue is presently not a part of any fire protection district.

Ms. Tallerday said there are 1.1 miles of state system streets that will become City system streets for the purposes of maintenance services such as snow removal, pothole repair, etc. She said there are also approximately .2 miles of private streets that do qualify for dedication to the city system. She said the City anticipates a capital cost of $49,000 for paving and maintenance of the dirt roads in this area.

Ms. Tallerday said an analysis of the existing water lines revealed a 6-inch water line on Hazel Mill Road and a 2-inch line on Hansel Avenue. She said 5,420 linear feet of 6-inch water line will be added to the Hansel Avenue area at a projected cost of $163,000. Ms. Tallerday said the Hansel Avenue is served by a 6-inch sanitary sewer along Hazel Mill Road. She said installation of 5,020 linear feet of 8-inch sewer line is planned at an estimated cost of $351,000, which will benefit only the Hansel Avenue area.

Ms. Tallerday said the first year cost of services is expected to be $68,515 and annual operating costs are projected at $13,711. She said annual revenue is expected to be $17,682.

Vice Mayor Michalove said members of Council were previously furnished with copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 88-133 was adopted with Councilman Martin voting "no".

Resolution Book 17 - Page 224

C. **RESOLUTION NO. 88-134 - RESOLUTION ADOPTING PLEMMONS AREA PLAN FOR THE EXTENSION OF MAJOR CITY SERVICES**

Vice Mayor Michalove said a report of plans for extending services to the Plemmons territory to be annexed is required by N. C. Gen. Stat. sec. 160A-47 to be approved at least thirty (30) days prior to the date of public hearing on the question of annexation.

Patty Tallerday of the Planning Department said this area contains two individual tax lots and is located North of the Hansel Street area. She said this area was left out of the City when the Hilton petitioned for annexation. She said the area will not require any additional city services, annual operating cost or capital costs. However, she said, the City does plan an improvement to the water line. This area is currently served by a 2-inch line along Plemmons Drive, and the City proposes to upgrade this line to a 6-inch line - approximately 650 linear feet - at a cost of $19,500. She said anticipated revenue is $1,000 per year.

Vice Mayor Michalove said members of Council were previously furnished with copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman Frank, seconded by Councilman Frank, Resolution No. 88-134 was unanimously adopted.

Resolution Book No. 17 - Page 225

D. ORDINANCE NO. 1703 - THIRD READING OF AN ORDINANCE RELATIVE TO ZONING PROPERTY ON TUNNEL ROAD TO CH COMMERCIAL HIGHWAY DISTRICT

Vice Mayor Michalove said this is the final reading of this ordinance relative to zoning property on Tunnel Road to CH Commercial Highway District. He said the purpose of the request is to make the entire tract between US 74 and I-240 CH Commercial Highway District. The property was formerly owned by the N.C. Department of Transportation for right-of-way and was not previously zoned. As it is now owned by private property owners it therefore needs to be zoned. He said this ordinance passed on first reading on July 26, 1988 and passed on second reading on August 2, 1988.

Vice Mayor Michalove said this ordinance was previously read on first and second readings, and it would not be re-read in its entirely unless there was a specific request to do so.

On a roll call vote of 5-0, Ordinance No. 1703 passed on third and final reading.

Ordinance Book No. 11 - Pages 300 and 301

IV. NEW BUSINESS:

V. CONSENT:

VI. OTHER BUSINESS:

A. CLAIMS - MORNA MOORE (WATER); ALTHEA HENSLEY (SEWER); JAMES RIVERS (WATER); AND WILLIAM WICK (WATER)

The City Manager presented claims received form Morna Moore, Althea Hensley, James Rivers, and William Wick.

Vice Mayor Michalove referred the claims to the City Attorney for investigation and recommendation.

B. JULIA COGBURN - REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Julia Cogburn, Acting Director of Planning, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the new procedure, the action of the Commission shall be

final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on August 3, 1988.

(1) APPALACHIAN STOVE AND FABRICATORS, INC. - ADDITION TO BUILDING

Mrs. Cogburn said the Asheville Planning and Zoning Commission on August 3, 1988, reviewed and recommended approval of the group development plans of Appalachian Stove and Fabricators, Inc. for an addition to their building subject to the following conditions:

a) A building line setback variance of 10' being granted to front on Emma Road;

b) A parking lot paving variance being granted to apply to both existing and newly constructed parking lots;

c) An access easement being granted from the Eaven-Brice Partnership property to the west;

d) Approval of fire flows, water pressure and hydrant location by the Fire Department;

e) Approval of an erosion control plan by the City Engineering Department with special attention to Porshia property line and stabilization of slope;

f) Approval of a drainage control plan for the site by the City Engineering Department;

g) The driveway being paved from Emma Road into the north parking lot;

h) That buffer plantings and parking lot trees comply with Sec. 30-3-14. of Zoning Ordinance; and

i) Compliance with N. C. State Building Code requirements relative to automatic fire protection for buildings of this size.

Mrs. Cogburn said three (3) public comments were received opposing the group development. These were from Iona Goforth, 323 Emma Road (Lot 21), opposed to addition; Faron Porshia, speaking for self (Lot 48), for Father (Lot 24) and Ms. Goforth (Lot 21) - objection to amount of fill dirt brought into site and fill dirt running onto his property, concern with extent of slope at southeast portion of building, concern with traffic problems created by employees, and opposed to setback variance being granted; and Wayne Butler (Lots 18 and 19) concern about noise, including burglar alarm and drainage problems from site.

Councilman Price said due to the number of conditions set forth by the Planning and Zoning Commission in granting their approval, she would prefer to have a public hearing on this group development. She moved to schedule a public hearing on the matter for Tuesday, August 23, 1988. This motion was seconded by Councilman Bratton and carried unanimously.

(2) SEVIER STREET APARTMENTS - PHASE II (GROUP DEVELOPMENT)

Mrs. Cogburn said the Asheville Planning and Zoning Commission on August 3, 1988, reviewed and recommended approval of the group development plans of Sevier Street Apartments - Phase II subject to the following conditions:

a) City approval of Erosion Control Plan;

b) Construction of stream channel to be as designed by developer and approved by City (July 27, 1988 letter in file);

c) Elevation of first floors more than two feet above base flood elevations;

d) Concrete driveway provided to City specifications;

e) Storm drainage approved by City Engineer; and

f) Erosion control facilities to remain a part of storm drainage plan approved by City Engineer.

Mrs. Cogburn said no opposition was received prior to or at the meeting, and that this group development had been unanimously approved by the Planning and Zoning Commission.

The City Council took no action on this site plan, making the action of the Planning and Zoning Commission final.

C. FIRE CHIEF JOHN RUKAVINA - INVITATION TO VISIT THE CONFERENCE OF THE N. C. FIRE CHIEFS AND N. C. FIREMEN'S ASSOCIATION AT THE INN ON THE PLAZA

Fire Chief John Rukavina said the Council had adopted a resolution extending an invitation to the N. C. Fire Chiefs and N. C. Firemen's Association to hold their annual meeting in Asheville. He said the meeting will begin at 9:00 A.M. on Thursday and will continue through Saturday at the Inn on the Plaza. He invited Council to stop by and visit at any time during the meeting.

D. RALPH BISHOP - CLARIFICATION OF REQUEST TO BILL SLAWTER FOR COPY OF LAW CREATING THE INSTITUTE OF GOVERNMENT

Ralph Bishop requested that staff pass on a clarification to City Attorney Bill Slawter that he had asked for a copy of the law establishing and creating the Institute of Government.

ADJOURNMENT:

Upon motion of Councilman Frank, seconded by Councilman Martin, the meeting adjourned at 4:53 P.M.

MAYOR

CITY CLERK

Tuesday - August 16,1988 - 4:00 P.M.

Regular Meeting

Present: Vice-Mayor Kenneth M. Michalove, Presiding; Councilmen Mary Lloyd Frank, Wilhelmina Bratton, (seated at 4:20 p.m.), Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor W. Louis Bissette and Councilman Norma T. Price

INVOCATION

The invocation was given by Councilman Walter Boland.

APPROVAL OF MINUTES - AUGUST 9, 1988 MEETING

Upon motion of Councilman Boland, seconded by Councilman Frank, the minutes of the August 9, 1988 meeting were approved as submitted.

APPROVAL OF MINUTES - JULY 26, 1988 MEETING

Approval of the minutes of the July 26, 1988 meeting were withheld pending possible changes by Councilman Bratton.

I. PROCLAMATIONS:

A. Proclamation - "Women at Work" - Week of August 21, 1988.

Vice-Mayor Michalove read the proclamation and presented a copy to Judy Nagle, Coordinator for Women at Work, and Ellen Clarke-Sayer, Project Chairperson.

II. PUBLIC HEARINGS:

A. Public hearing relative to Phase II, Westgate Shopping Center.

Vice-Mayor Michalove said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and approved the site plan for Phase II of Westgate Shopping Center, subject to the following conditions:

1) Letter from N.C. Department of Transportation approving entrance;

2) Signage package in compliance with Zoning Ordinance; and

3) Closing of portions of Cliff Street.

Vice-Mayor Michalove opened the public hearing at 4:12 p.m.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Patty Tallerday, from the Planning Department, said Phase II of the Westgate Shopping Center included a new building to be attached to the southern portion of the existing building, a new drive through, and a realignment of Cliff Street. She said the new addition would contain 23,900 square feet of retail space. She said no additional parking spaces would be required since existing parking meets the required standards. She said the developer has received approval from the North Carolina Department of Transportation for an entrance cut.

Ms. Tallerday said, in regards to Cliff Street, there has been no documentation received for the dedication of Cliff Street. She said the developer would address this matter.

At the request of Vice-Mayor Michalove, Ms. Tallerday read the following contingencies placed on the approval of Phase I of the Westgate Shopping Center Expansion:

(1) Proper dedication of Cliff Street;
(2) Provision of minimum 6' wide planted buffer on the west side of Cliff Street between Cliff Street and the parking area and that planted islands a minimum of 6' wide be installed on the east side of Cliff Street on approximately 120' centers. (3) Compliance with sign ordinance and primary sign be a maximum width of 30" for each post; (4) Inclusion of right-of-way trees on Patton Avenue; and (5) Compliance with Erosion Control Ordinance.

The City Attorney said the contingencies placed on the approval of Phase I of the Westgate Shopping Center Expansion Project should be carried over with the approval of Phase II with the exception of the proper dedication of Cliff Street, since this contingency is no longer applicable and has been satisfied from a legal standpoint.

Upon inquiry of Vice-Mayor Michalove, Charles Melvin, representing the Westgate management, said the final disposition of the building on the east side of the property that was condemned had not been determined but some decision would be made in the near future after the engineers complete their evaluation of the building. He said, however, this building would not be a part of Phase I or Phase II of the expansion project.

Councilman Bratton took her seat at 4:20 p.m.

A discussion was held relative to the closing of a portion of Cliff Street for the proposed realignment of the street.

Henry Stevens, of 46 Springwood Street, said he owns property at 500 Westwood Place and felt the new expansion project would be an asset to the City. He said he was also glad that Cliff Street would remain open since this street also serves his property on Westwood Place.

Vice-Mayor Michalove closed the public hearing at 4:31 p.m.

Councilman Martin moved for the approval of Phase II of the Westgate Shopping Center Expansion subject to the contingencies outlined in the approval of Phase I of the project being: (1) Provision of minimum 6' wide planted buffer on the west side of Cliff Street between Cliff Street and the parking area and that planted islands a minimum of 6' wide be installed on the east side of Cliff Street on approximately 120' centers. (2) Compliance with sign ordinance and primary sign be a maximum width of 30" for each post; (3) Inclusion of right-of-way trees on Patton Avenue; and (4) Compliance with Erosion Control Ordinance. Subject further to the conditions outlined for Phase II by the Planning and Zoning Commission being: 1) Letter from N.C. Department of Transportation approving entrance; 2) Signage package in compliance with Zoning Ordinance; and 3) Closing of portions of Cliff Street as described in a petition from the Westgate Corporation. This motion was seconded by Councilman Price and carried unanimously.

B. Public hearing relative to Overlook Village Shopping Center.

Vice-Mayor Michalove said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed

and approved the site plan subject to the following conditions: 1) Letters of approval from NCDOT, FEMA, TVA, and Corp of Engineers prior to any grading on site; 2) Easements from Asheville Federal Savings & Loan and K-Mart; 3) Redesign of secondary entrance road to establish right turns only; 4) Outparcels to be reviewed separately by Asheville Planning and Zoning Commission; 5) Closing of Shawnee Trail by City Council; 6) Zoning of NCDOT right-of-way by City Council; 7) Resubmit landscape to AP&ZC for screening rear of buildings as much as possible from I-240; and 8) Sign contingencies as stated by staff (a. variance need on 1:1 ratio based on store frontage for attached signs per tenant, b. variances needed on 4' projecting signs per tenant, c. freestanding sign within 600' of right-of-way approved by City Council, d. outparcel signage to be reviewed by AP&ZC when needed, and e. Identification signs for outparcel A.- no freestanding sign, outparcel B. - freestanding sign 8' high, 75 square foot per face, and outparcel C. - freestanding sign 25' high, 100 square feet per face).

Vice-Mayor Michalove opened the public hearing at 4:34 p.m.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Carol Albrice, from the Planning Department, said the project would be constructed on undeveloped land, which is zoned CH Commercial Highway, and would contain 135,002 square feet of open air retail space. She said the project is consistent with Asheville's 2010 plan. She said the proposed parking meets all parking requirements. She said there would be an entrance off U. S. 74 with a new traffic light and a turn lane at this location. She said the project meets all group development requirements and all utilities are in order.

Ms. Albrice reviewed each condition placed upon the project by the Planning and Zoning Commission stating that each contingency was either completed or in the process of being completed.

At the request of Council, Dale Kays, with Centennial American Properties, submitted prints showing the proposed grading plans. He also answered questions from members of Council relative to proposed construction, grading, and buffering.

After discussion, Vice-Mayor Michalove closed the public hearing at 5:02 p.m.

Councilman Frank moved for the approval of the site plan for Overlook Village Shopping Center subject to the conditions outlined by the Planning and Zoning Commission and further that all easements be approved by the City Attorney. This motion was seconded by Councilman Martin and carried unanimously.

C. Public hearing relative to Wal-Mart Store on Tunnel Road.

Vice-Mayor Michalove said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and approved the site plan subject to the following conditions: 1) Compliance with Erosion Control Ordinance; 2) Final approval from NCDOT on driveway location; 3) Encroachment agreement with NCDOT for stormwater drainage; 4) Signed easement agreements with Brenco, Inc., Arthur York and Sea-Nic Enterprises; 5) Variance granted for a 10' rear and 8' side setback - setback necessary for location of eastern corner of building and loading dock; and 6) Compliance with buffering ordinance by adding three trees in the parking lot.

Vice-Mayor Michalove opened the public hearing at 5:05 p.m.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Patty Tallerday, from the Planning Department, said the proposed Wal-Mart Store would be constructed on the property formerly occupied by Howard Johnson's Motor Lodge on Tunnel Road. She said the property is zoned CH Commercial Highway on all sides however the property borders R-3 Residential District in the rear on Beaucatcher Mountain. She said the project would be one building, with one tenant, containing 76,200 square feet of retail space. She said the project meets all parking requirements. She said one entrance would align with Show Biz Pizza and one existing road between McDonald's and a service station. She said there would be signalization at this location. She said the project would require the relocation of an existing water line around the building.

Ms. Tallerday reviewed in detail the conditions outlined by the Planning and Zoning Commission stating which contingencies had been completed and which were in the process of being completed. Since there are a number of easements necessary for the project, she presented members of Council with a list of easements that would have to be obtained prior to approval of the project.

Gary Tysinger, President of Tysinger, Hampton & Partners, owners of the project, answered questions from members of Council relative to the project, including buffering and grading.

A lengthy discussion followed between members of Council, Mr. Tysinger, and Ms. Alexander, an adjoining property owner, who was concerned about buffering in the rear of the property which abuts her property. She requested that the developer provide a 40' buffer instead of the required 20' as outlined in the buffering ordinance.

Vice-Mayor Michalove closed the public hearing at 5:54 p.m.

Councilman Frank moved for the approval of the site plan for Wal-Mart Store on Tunnel Road subject to the conditions outlined by the Planning and Zoning Commission; further that the approval is subject to execution of all outstanding easements with adjoining property owners as shown on the easement schedule on the boundary survey map of the site plan approved on August 16, 1988 by City Council, said easements subject to the approval of the City Attorney; further that the developer plant a buffer of white pine trees along either side of the new 30' water line easement from the 270' finished elevation mark to the connection point with the existing water line as shown on the Wal-Mart Grading Plan dated August 16, 1988. Buffering will be in accordance with the specifications of the buffering ordinance and is subject to approval by the Planning Director. This motion was seconded by Councilman Boland and carried unanimously.

III. OLD BUSINESS:

A. **Ordinance No. 1705 - Second reading of an ordinance relative to rezoning property from One Rotary Drive over to Caribou Road from R-3 Residential District to OI Office Institutional District.**

Vice-Mayor Michalove said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of rezoning Ward 7, Sheet 15, Lots 81, 82, and 231, and Ward 7, Sheet 11, Lot 20, from R-3 Residential District to OI- Office Institutional District. (Property extends from One Rotary Drive over to Caribou Road.) A public hearing was held and this ordinance passed on first reading on August 9, 1988.

Vice-Mayor Michalove said this ordinance was previously read on first reading and would not be reread in its entirety.

On a roll call vote of 5-0, Ordinance No. 1705 passed on second reading.

B. **Ordinance No. 1704 - Second reading of an ordinance relative to a proposed wording amendment to Asheville Zoning Ordinance, Section 30-9-4, District Sign Regulations.**

Vice-Mayor Michalove said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of amending the Asheville Zoning Ordinance, Section 30-9-4. District Sign Regulations, Subparagraph (D)(1) by adding a new item (b) as follows: "(b) Off-premise advertising signs three hundred (300) square feet per display face or less shall be allowed only in the CH Commercial Highway District, CS Commercial Service District, LI Light Industrial District and HI Heavy Industrial District. A public hearing was held and this ordinance passed first reading on August 9, 1988.

Vice-Mayor Michalove said this ordinance was previously read on first reading and it would not be reread.

At the request of the Planning Department, Councilman Martin moved to amend Ordinance No. 1704 to include CG Commercial General in the proposed Section 30-9-4. District Sign Regulations, Subparagraph (D)(1)(b). This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1704 passed on second reading, as amended.

IV. NEW BUSINESS:

V. CONSENT:

VI. OTHER BUSINESS:

COUNCILMAN BRATTON - COMPLAINT RECEIVED FROM RESIDENT AT 10 SASSAFRAS STREET

Councilman Bratton said she had received a call from Alice Mitchum at 10 Sassafras Street. She said Mrs. Mitchum is concerned that Sassafras Street was officially closed by the City of Asheville at the request of the Housing Authority. Mrs. Mitchum is the only house on Sassafras Street and there is no access to her house. She said Mrs. Mitchum originally objected to the closing of the street. She said the residents at the corner of Sassafras Street and Martin Luthur King Boulevard park a large vehicle at the corner which adds to Mrs. Mitchum's problem of access to her house. She said Mrs. Mitchum called the Police Department but they informed her there is nothing that can be done since this is not a public street.

After discussion, Vice-Mayor Michalove asked the City Attorney and the City Manager to look into this complaint.

RESOLUTION NO. 88-135 - RESOLUTION OF INTENT TO CLOSE A PORTION OF CLIFF STREET AND CALLING A PUBLIC HEARING ON THE QUESTION FOR SEPTEMBER 27, 1988

Upon motion of Councilman Frank, seconded by Councilman Boland, Resolution No. 88-135 was unanimously adopted.

Resolution Book No. 17 Page No. 226-227

CLAIMS - NEIL MORRIS (STREETS) - KENNETH BEAN (PARKING) -JESSIE PSYCHAS (STREETS) - MARMEL CORP. (STREETS) - LULA PIKE (SEWER) - AVL HEAD, NECK, EAR (SEWER) - JAN JAYNES (WATER)

The City Manager presented claims received from Neil Morris, Kenneth Bean, Jessie Psychas, Marmel Corporation, Lula Pike, Asheville Head, Neck, and Ear, and Jan Jaynes.

Vice-Mayor Michalove referred the claims to the Corporation Counsel for investigation and recommendation.

CLINTON GORHAM - REMARKS REGARDING 911 EMERGENCY SYSTEM

Clinton Gorham of 4 Waverly Court, Beverly Hills, spoke to members of Council expressing concern that the City of Asheville is contemplating having a separate dispatch system for the 911 Emergency Project. He said he felt it would be more logical to move the city's dispatchers and equipment to the County Health Department and have one centralized location. He said he was concerned that there would be delays of EMT's reaching the citizens of Asheville. He said in his opinion there are obvious delays already in the City of Asheville.

Mr. Gorham said he was also concerned that the Fire Department responds to all emergency calls. He said EMT units should be first priority on emergency calls. He said he felt

this was a waste of taxpayer's money as well as causing additional confusion at the location in question. He said this procedure also ties up fire equipment.

Councilman Martin said the Council has expressed concerns about the 911 Emergency System and is striving to get the very best system for the citizens of Asheville. He said the City is not trying to take the place of EMS service. He said the Council is working with the County for a consolidated system in the future.

Councilman Frank said the Intergovernmental Services Committee is working on reaching an agreement for one centralized display system. She said she would send Mr. Gorham an article showing what other cities are doing in regard to a 911 system.

Mr. Gorham said city residents need to be assured that their calls will be responded to immediately by the appropriate agency.

The City Manager asked Mr. Gorham to talk with Chief John Rukavina about his concerns.

ADJOURNMENT:

Upon motion, the meeting adjourned at 6:30 p.m.

MAYOR

CITY CLERK

Tuesday - August 23, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES - AUGUST 16, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the August 16, 1988 meeting.

APPROVAL OF MINUTES - JULY 26, 1988 MEETING

Councilman Bratton moved for the approval of the minutes of the July 26, 1988 meeting. This motion was seconded by Councilman Price and carried unanimously.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Public hearing relative to site plan of proposed addition to Appalachian Stove and Fabricators, Inc.

Mayor Bissette said the Asheville Planning and Zoning Commission on August 3, 1988, reviewed and recommended approval subject to the following:

1) A building line setback variance of 10' being granted to front on Emma Road;
2) A parking lot paving variance being granted to apply to both existing and newly constructed parking lots;
3) An access easement being granted from the Eaven-Brice Partnership property to the west;
4) Approval of fire flows, water pressure and hydrant location by the Fire Department;
5) Approval of an erosion control plan by the City Engineering Department with special attention to Porshia property line and stabilization of slope;
6) Approval of a drainage control plan for the

site by the City Engineering Department;
7) The driveway being paved from Emma Road into the north parking lot;
8) That buffer plantings and parking lot trees comply with Sec. 30-3-14. of Zoning Ordinance; and
9) Compliance with N. C. State Building Code requirements relative to automatic fire protection for buildings of this size.

Mayor Bissette opened the public hearing at 4:14 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Tom Elmore, with the Land of Sky Regional Council, working under a Technical Reviewing Agreement with the Planning Department, presented the site plan of the proposed addition to Appalachian Stove and Fabricators, Inc. He said the site in question is located across from the Hilton. He said Appalachian Stove and Fabricators, Inc. proposes to construct a 15,500 square foot addition to their existing business.

Members of Council questioned Mr. Elmore extensively about the location of trees, buffering, and the grading procedure used for the proposed project.

Gary Eavenson, partner with the Appalachian Stove and Fabricators, Inc., explained, in detail, the process used for grading of the project. He said grading permits were obtained and after the grading was finished it was determined that the project would have to go through the group development process due to the size of the proposed addition. He said the project was planned prior to the property becoming a part of the City of Asheville. Upon questioning, he said, there may have been one boundary tree on the adjacent property owner, Faron Porshia's property, that was disturbed during grading; there may or may not be a pick up truck load of dirt on the Porshia property; the steep back can be stabilized with a retaining wall; the two-hour fire wall will not require a sprinkler system and there is no budget planned for the project to pave the parking areas. He said the front of the property is on the opposite side of the Porshia property which should reduce some of the noise from the business.

Faron Porshia, owner of Lot No. 48, said he and his father owns property adjacent to the proposed addition. He spoke in opposition to the project and asked that Council assure that the conditions outlined by the Planning and Zoning Commission be adhered to. He also spoke in opposition to the granting of the 10' variance stating that in his opinion this would have an adverse effect on his property.

After discussion, Mayor Bissette closed the public hearing at 5:06 p.m.

Vice-Mayor Michalove moved to table action on the site plan for the proposed addition to Appalachian Stove and Fabricators, Inc. for one (1) week, giving members of Council an opportunity to visit the site. This motion was seconded by Councilman Boland and carried unanimously.

Councilman Bratton left the meeting at 5:10 p.m. unexcused.

III. OLD BUSINESS:

A. Ordinance No. 1705 - Third reading of an ordinance relative to rezoning property from One Rotary Drive over to Caribou Road from R-3 Residential District to OI Office Institutional District.

Mayor Bissette said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of rezoning Ward 7, Sheet 15, Lots 81, 82, and 231, and Ward 7, Sheet 11, Lot 20, from R-3 Residential District to OI- Office Institutional District. (Property extends from One Rotary Drive over to Caribou Road)

Mayor Bissette said this ordinance was previously read on first and second reading and will not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1705 passed on third and final reading.

Ordinance Book No. 11 Page No. 303

B. Ordinance No. 1704 - Third reading of an ordinance relative to a proposed wording amendment to Asheville Zoning Ordinance, Section 30-9-4, District Sign Regulations.

Mayor Bissette said the Asheville Planning and Zoning Commission on June 29, 1988, reviewed and recommended approval of amending the Asheville

Zoning Ordinance, Section 30-9-4. District Sign Regulations, Subparagraph (D)(1) by adding a new item (b) as follows: "(b) Off-premise advertising signs three hundred (300) square feet per display face or less shall be allowed only in the CH Commercial Highway District, CS Commercial Service District, LI Light Industrial District and HI Heavy Industrial District. He said CG Commercial General District was added as an amendment during the second reading of the ordinance.

On a roll call vote of 7-0, Ordinance No. 1704 passed on third and final reading.

Ordinance Book No. 11 Page No. 302

IV. NEW BUSINESS:

A. Ordinance No. 1706 - Ordinance revising the Motor Vehicle Registration Tax - City Stickers.

Mayor Bissette said the Buncombe County Tax Department has agreed to bill and collect the motor vehicle registration tax for the City. The current ordinance needs to be revised in order to more accurately state the process; references to vehicle weight, prorated fees, and decals should be deleted.

Upon inquiry, the City Attorney said it would be difficult to collect dog tax through the Buncombe County Tax Department system.

Councilman Frank moved for the adoption of Ordinance No. 1706. This motion was seconded by Councilman Boland.

On a roll call vote of 7-0, Ordinance No. 1706 passed on first reading.

B. Ordinance No. 1707 - Ordinance amending Section 28-81.5 and Section 28-81.6 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville (portion of Riceville Road to be 35 m.p.h. as requested by N. C. Department of Transportation).

Mayor Bissette said this action will revise the current ordinance to declare a 35 mph speed limit on that portion of Riceville Road (SR 2002) within the corporate limits of the City of Asheville. The N. C. Department of Transportation has requested that the City Council approve this speed limit change.

Councilman Martin moved for the adoption of Ordinance No. 1707. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1707 passed on first reading.

C. Resolution No. 88-136 - Resolution authorizing the City Manager to execute an agreement with the Housing Authority to continue Hillcrest Enrichment Program through June 30, 1989.

Mayor Bissette said this is a continuation of funding in the amount of $15,000 per year for the Hillcrest Enrichment Program.

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, Resolution No. 88-136 was unanimously adopted.

Resolution Book No. 17 Page No. 228

V. CONSENT:

VI. OTHER BUSINESS:

CLAIMS - EILEEN NORTHCUTT (INSPECTIONS) - KATHY FLETCHER (SANITATION) - ROSE MARY JONES (PARKS) - HENRIETTA CUNNINGHAM (WATER) - JOSEPH CRAIN (STREETS) - SYBIL LABAR (WATER) - AGNES HUNTSINGER (SANITATION) - BRIAN JOHNSON (DOWNTOWN DEVELOPMENT)

The City Manager presented claims received from Eileen Northcutt, Kathy Fletcher, Rose Mary Jones, Henrietta Cunningham, Joseph Crain, Sybil Labar, Agnes Huntsinger, and Brian Johnson.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - CARL E. WILEY V. CITY OF ASHEVILLE (CIVIL SERVICE APPEAL)

The City Manager said the City was served with a lawsuit involving Carl E. Wiley v. City of Asheville regarding a Civil Service Appeal.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

DISCUSSION RELATIVE TO ASHEVILLE MALL EXPANSION

Mr. Rendell A. Davis, President of the Kenilworth Forest Community Association read the following statement:

"My name is Rendell Davis and I live at 285 White Pine Drive. Just one week ago, I became the President of the Kenilworth Forest Residents Association, and have been trying to catch up on the history of our community's struggle to protect our properties from the worst effects of the Asheville Mall development.

To this end, I have been reading a rather large collection of newspaper accounts, mainly covering the period from 1969 to 1972, just prior to the Mall's opening. And what I have found in the reading is that throughout that period of several City Councils, City Councilmen and Councilwomen, despite mistakes along the way, continually took strenuous action to force the developer to provide a buffer zone, sometimes described as a "planting strip," a "green belt of plantings," and at other times as a "curtain" to "shield" the residential property from such objectionable features as parking lot illumination, car headlights, fumes, heat, blowing paper, dust and noise. These efforts continued steadily despite the various changes back and forth in the legal width of the buffer zone. In fact, they made it quite clear that the objectives of the buffer zone must be met regardless of how many feet it took the developer to achieve them. This was and is an issue of critical importance, and it contains essentially the primary argument that I want to make here today.

Following the residents' suit in Buncombe County Superior Court, in which the court ordered a 50 foot buffer zone, the developer, in September 1969 appealed to the North Carolina Court of Appeals. This court overturned the requirement and reduced the zone to 15 feet. At this point the City Council was outraged! They decided by a vote of 5-1 to move to rezone Mr. Coleman's property back to RA-6 so that he would have to start all over again from the beginning and would be forced to provide the original intent of previous city councils for an adequate buffer zone. Councilman Dr. Robert Crouch commented, "I personally object to the way Coleman has handled the matter," referring to the 50 foot zone.

W. Neal Hanks, Executive Director of the Planning and Zoning Commission, and Phin Horton, City Manager, argued that "the council already has effective weapons to stop the mall by not granting an occupancy permit if the buffer is not adequate." Nevertheless, Council prepared notices for hearings to rezone the land.

One can only wonder just what happened during the following week; however just seven days later, Council reversed itself and cancelled the hearings. Nevertheless, all Council members repeatedly assured the Kenilworth residents that their interests would be protected, and that the new site plan would not be approved unless it contained adequate buffering between the shopping center and the residential property behind it. The article in the Citizen (11-21-69) added, "Before both the zoning

agency and City Council, Coleman's attorney, G. Ward Hendon, gave assurances that the developer would present a new site plan satisfactory to nearby homeowners and city officials.

Two weeks later, the Planning and Zoning Commission proposed a new definition of the "buffer zone" as 15 feet, but again specified that it should be a "green belt to shield residential districts from objectionable features such as parking lot illumination, headlights, fumes, heat, blowing paper, and dust." It is important to note that City Council, following this ordinance, understood that this gave them adequate power to insist that the developer of the Mall would effectively shield the mall property and activity from the adjoining residential areas.

All of this came to a head some six months later, as work began in mid-1970 and disputes arose over the bulldozing of trees in a "triangular area" that had been designated as part of the buffer zone and was not be disturbed. Unfortunately the minutes of the earlier meeting did not include the developer's promise not to disturb the area, nor was this noted in the revised city plan.

In fact, the tape of the meeting later confirmed that promise, and a note to that effect was attached to the minutes. But even before that discovery, City Council was adamant! Vice-Mayor Anderson said "Coleman has been warned that Council will not stand for violations of any agreements made with the city's governing body." Councilman Luke Atkinson said, "Coleman is either being careless or doing something he knows he shouldn't do." Councilwoman Barbara Keleher spoke most clearly to the point when she said, "City Council has a moral obligation to see that Coleman sticks by his promises, and that he should not be allowed to continue construction unless he abides by his plans." And Atkinson added, "Things are not turning out like I understood. I rode all over that site with Coleman last year, and he is not doing what he told me he would do. He'd better clean up his skirts, or somebody ought to take some action."

Thereafter, from July through December 1970, almost on a weekly basis, City Council struggled to see that trees were planted, fences built, a dirt berm (8 feet by 2 feet high) constructed to stop runaway cars, and steep slopes graded down to 1:1 (or 45 degrees), all to protect the residents property. Over and over Council reminded the developer that no certificate of occupancy would be issued until all deviations from the site plan were corrected.

At one point the developer refused to build a fence. Once he announced that he understood there was no need for a buffer zone. At another time he excused the steep slopes by arguing that rocks made it necessary. But again and again, Council insisted that before occupancy there must be compliance.

A year later, in early 1971, as time came to pen the Sears store, City Council continued to take a firm stand, insisting that no certificate of occupancy would be issued if the deviations were not corrected. The manager of Sears, Mr. Hackney, stated that he understood the conditions, but asked for a temporary permit, to be contingent on meeting the requirements before the opening in February. Councilman Henry Colton was probably more prophetic that the others when he stated, " I doubt that Council will withhold the permit to open if it does not have the courage to withhold the temporary certificate at this time." Nevertheless, by February 4 the trees were planted, the fence was erected, some slopes were graded, and the permanent permit was granted.

Clearly, this history shows that only as City Council has been very firm in forcing the Mall developer to conform to its requirements have the citizens been protected. There were times when Council was not firm enough, and times when they did not follow through on the strength of their convictions. Nevertheless, by legislation, Council did insist on the protection of the residential area, and this intent is not repealed by any subsequent permit to expand the mall.

The newest ordinance, in section 30-3-14-A, includes some very important words, "The purpose is to improve the appearance, quality, and quantity of landscaped areas that are visible from the roadways and to protect an abutting property from less desirable characteristics of the property for which buffering is required due to dissimilar district use... Such characteristics may include but are not limited to visually incompatible structures and land uses, overhead lighting, wind and dust and increased land uses... In addition the requirements will encourage the preservation of existing trees and the planting and maintenance of others." I would suggest to you that an elevated parking garage is a visually incompatible structure, and that the importance of existing trees and vegetation in the ordinance would imply that any such destruction would be done only with permission.

As we speak here today, the buffer has been violated. Trees have been wiped out by bulldozers, the banks have been wiped free of vegetation as dirt has been bulldozed down to the very line of the residents' property. Essentially, there is no longer a shield, no longer a curtain, no longer a fence in many places, or green plantings. There is nothing to protect us from the mall lights or fumes or dust or blowing trash or noise or heat. Our only hope is that the city authorities will take prompt steps to stop the destruction and demand a new and effective buffer zone immediately.

We the residents appeal to the City Council to fulfill their responsibilities to protect the residents and their property in the City of Asheville in 1988 as former councils did some 16 to 19 years ago."

Kevin Clark, 294 White Pine Drive, commented on the following dates and events affecting Kenilworth Forest:

* 12 August 1965 - Asheville City Council adopted Ordinance No. 525, which amended Ordinance #322, known as An Ordinance Providing for the Zoning of the City of Asheville. The intent of Ordinance No. 525 was in insure that the Asheville Mall Developer would not destroy the surrounding Kenilworth neighborhood. It was to accomplish this by requiring the Mall Developer to maintain a fifty- (50) foot buffer zone between the commercial and residential property.

* August 1968 - ## ---- Decker, Middleton, (et al) v. Richard L. Coleman and wife, Betty B. Coleman. Buncombe County Superior Court upholds temporary restraining order and permanent injunction restricting the Mall Developer from altering the "inviolate" fifty-foot buffer zone provided for in Ordinance No. 525.

* Fall, 1969 -The North Carolina Court of Appeals reversed the trial court's decision on the grounds that the Ordinance violated the defendant's rights to equal protection of the laws.

* July 1970 - Mall Developer bulldozes buffer zone separating commercial and residential property. (Asheville Citizen-Times)

* March 1985 - Asheville City Council approves Site Plan for Expansion of the Asheville Mall. While contended by many that during the course of the City Council Meeting which approved the site plan, explicit prohibitions against altering the existing buffer zone were placed on the Asheville Mall Developer. However, these prohibitions were not recorded in the official minutes. No provision to alter the existing buffer zone was included in t he approved site plan.

* July, 1988 - Mall Developer violates city ordinance by bulldozing existing buffer zone without authority to do so from site plan approved by city council.

* July, 1988 - North Carolina Supreme Court overturns precedent set in earlier zoning cases - the court held that conditional use zoning gives local governments flexibility in land use planning and is gaining acceptance across the nation.

Harold Payne, former Chairman of the Kenilworth Forest Homeowners Association, spoke to Council relative to impact the Asheville Mall is having on Bracketown Road. He asked why the "T" intersection from Bracketown Road to White Pine Drive has not been installed as required by Council in approving the project. He said he would also be opposed to a stop sign on White Pine

Drive and that a stop sign should remain and be enforced on Bracketown Road. He also commented on the request of the North Carolina Department of Transportation for a left leading green into White Pine Drive and signalization in the area.

After discussion, Mayor Bissette said the City staff would check with the North Carolina Department of Transportation on the status of these requests.

Harold Payne also questioned whether or not the landscaping and lighting plan has been submitted to the Planning Staff for approval as outlined in the motion for approval of the expansion project.

After discussion, Mayor Bissette requested that the City staff check on the lighting and landscaping plans of the project immediately.

Verl Emrick, with the Planning Department, presented and commented on the following letters relative to the Mall Expansion:

May 25, 1988

Mr. Verl R. Emrick, Jr.
Director of Planning
City of Asheville
PO Box 7148
Asheville, NC 28807

Re: Proposed Expansion
The Asheville Mall

Dear Mr. Emrick:

The attached print shows an area of proposed work along the southwest perimeter of our site, northwest of the theater, which conflicts with the existing planted buffer along the R-2 zoned property. This discrepancy was discovered when actual field layout work was performed. It should be noted that the affected parking is a contract obligation (as shown on the attached Sheet P-1) between the Mall and the various anchor stores.

The Owner is requesting permission to install the affected curb line as shown which will require removal of the existing buffer, extending the fill bank on the Mall property, and installing a new planting buffer in accordance with the current ordinance.

As an option to the above, the parking count might be maintained by the curb line behind the first row of trees in the buffer and installing infill hemlock planting where the existing buffer is disturbed. This would provide "compact" spaces in the affected area.

With your concurrence, the Owner requests that he be allowed to execute this change within the scope of the current approval.

Sincerely,

Danie A. Johnson, AIA
Architect

Re: Asheville Mall - Your letter of May 25, 1988

Dear Danie:

As you requested I have reviewed our files and drawings relative to the changes being proposed and offer the following opinions:

1. Our drawings do show some additional parking in the area you described; however, there seems to be some inconsistency in at least two sets we have on file (those being approved by the Asheville Planning and Zoning Commission and City Council).

2. None of the drawings indicate that there is (was) any anticipated changes in the existing buffering/landscaping except for replanting as needed.

3. It is my opinion that based on the drawings submitted for approval that Council has an understanding that no change in the existing buffering is to take place.

Therefore, I would recommend that if the changes you have described are anticipated or need to be implemented, your clients should request that City Council schedule a review of the changes.

Should you have any questions, please advise.

Sincerely,

Verl R. Emrick, Jr.
Planning Director

July 2, 1988

Mrs. Julie Cogburn
Acting Director of Planning
City of Asheville
Asheville, North Carolina

Re: The Asheville Mall

Dear Mrs. Cogburn:

Enclosed please find three copies of "Partial Site Plan", Sheet R3A2R, dated 7-2-88, describing the requested modification of the Group Development Approval for the referenced project to be heard before the Asheville Planning and Zoning Commission on August 3, 1988.

As previously discussed with Mr. Emrick, this request is made in order to enable the Owner to fulfill his contractual obligations to J. C. Company relating to truck circulation space as described on the enclosed Sheet P1, and is necessitated by inaccurate topographical information available at the time of the original group development approval.

Please feel free to contact me should you have any questions or require additional information.

Sincerely,

Danie A. Johnson, AID
Architect

cc: R. L. Coleman, Jr.

****

Upon inquiry of Vice-Mayor Michalove, the City Attorney outlined several options the City would have if the developer violates the contingencies associated with the group development approval.

The City Manager said the city staff would discuss and review the comments made during the Council meeting in relationship to the approval of the Mall Expansion Project and would take the necessary legal actions to see that the contingencies associated with the group development approval is adhered to.

Councilman Boland said the city staff should consider lighting, landscaping, grading, buffering, the slope of the grades, noise, and the control of litter. He asked how the developer was going to correct violations already made.

Mayor Bissette said the Council wants the developer to comply with the letter of whatever the site plan approval is, and in a timely fashion and the Council wants the city staff to enforce the development plans and ordinances to the letter.

Upon inquiry of Harold Payne, the City Attorney said nothing has been presented to him to show him that the developer is in violation of the group development approval.

Harold Payne said in his opinion the City should review the procedure for group development approvals. He said the overall impact of the group development projects need to be looked at closely.

Roger Watson, resident in the area, said since the grading has been done the new lighting has been installed and shines in their living rooms.

After discussion, Mayor Bissette said the City staff would have a report on the Asheville Mall Expansion project at next week's meeting.

REQUEST TO APPROVE RESOLUTION SUPPORTING THE INCORPORATION OF THE TOWN OF FLETCHER

Pat Richie, 49 Wildwood, Chairperson for the Fletcher Community Improvement Committe, in Henderson County, spoke to members of Council requesting approval of a resolution supporting the incorporation of the Town of Fletcher since state statutes require that one of the requirements of becoming incorporated is a resolution from a neighboring city if it is within 5 miles and has a population of over 50,000. She presented several documents, including a boundary description, correspondence, and copies of state statutes relative to her request and made the following presentation:

The Honorable Louis Bissette, Mayor
Members of the City Council

This presentation is in regards to the proposed incorporation of the Town of Fletcher developed by the Fletcher Community Improvement Committee.

This committee is seeing overwhelming support for incorporating our community as evidenced by our first town meeting with 300 people in attendance and the circulation of simple petitions to business firms and residents.

In incorporating our community, we would continue our small town atmosphere and maintain our heritage. Although growth in inevitable, we feel with incorporation our chances of controlling and guiding this growth is good.

Because of the present pressures of past industrial and residential growth there are needs of the community which have to be addressed. Local police protection, road maintenance, garbage service (to name a few) and a local governing body to address these needs is evident at the present.

The Fletcher Community is blessed at this time with having one of the best equipped and manned fire and rescue departments in the state. The men and the governing board of the fire department see the need of incorporating the area and have passed a resolution supporting this endeavor.

In letters circulated between Mr. William T. Drake, Chairman of the Henderson County Commissioners, the Honorable Louis Bissette, Mayor, through the City Manager Douglas Bean, it appears that the City of Asheville has no plans to annex any portion of Henderson County. Since the City of Asheville has no plans to annex into Henderson County then there should be no problem to adopting a resolution to this effect. There are needs now that have to be met and this can only be accomplished by incorporating and having a local governing body.

One of the requirements that a community must meet in the incorporation process is to have a resolution supporting the incorporation endeavor from the neighboring city. The committee feels that working together before and after the fact would be beneficial to all parties concerned. We most respectfully request this resolution from the City of Asheville be adopted.

Thank you.

Fletcher Community Improvement Committee

Several Council members commented on the reasoning behind the General Assembly establishing such a requirement and said they could not support adoption of a resolution at this time.

Mayor Bissette said although the City of Asheville does not have plans, at the present time, to annex the Fletcher community, he would like to consider their request for awhile and would also like to receive city staff input on the request.

Pat Richie thanked members of Council for their time and said she would be happy to furnish any information they needed and would come back to Council until they make a decision on the resolution.

ADJOURNMENT:

Mayor Bissette adjourned the meeting at 7:00 p.m.

MAYOR

CITY CLERK

Tuesday - August 30, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Vice-Mayor Kenneth M. Michalove

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF MINUTES - AUGUST 23, 1988 MEETING

Approval of the minutes of the August 23, 1988 meeting were postponed until the next meeting.

I. PROCLAMATIONS:

A. Proclamation - "French Broad River Week" - September 10-18, 1988.

Mayor Bissette said the French Broad River Week is sponsored by the Land of Sky Regional Council.

Mayor Bissette read the proclamation and presented a copy to LaRue Bolick who outlined the activities taking place during French Broad River Week.

B. Recognition of Beautification Contest Winners

Mayor Bissette said on July 26, 1988, communities in the Asheville area were judged in a beautification contest. This contest was held to foster litter control and beautification throughout Asheville. The Montford Community was the first place winner of $125.00, and the Liberty-Chestnut area was the second place winner of $75.00.

Mayor Bissette presented a check in the amount of $125.00 to Evelyn Wyatt who spearheaded the Montford Community clean up. He presented a check in the amount of $75.00 to Jeannie Warner from the Liberty-Chestnut Street area.

C. Proclamation - Saturday, September 10, 1988 - "Biltmore Village Festival Day"

Mayor Bissette said the proclamation was requested by the American Association of University Women (AAUW) and the Biltmore Village Merchants Association.

Mayor Bissette read the proclamation and presented a copy to Roberta Sherer.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Action relative to site plan of proposed addition to Appalachian Stove and Fabricators, Inc.

Mayor Bissette said the Asheville Planning and Zoning Commission on August 3, 1988, reviewed and recommended approval subject to the following:
1) A building line setback variance of 10' being granted to front on Emma Road;
2) A parking lot paving variance being granted to apply to both existing and newly constructed parking lots;
3) An access easement being granted from the Eaven-Brice Partnership property to the west;
4) Approval of fire flows, water pressure and hydrant location by the Fire Department;
5) Approval of an erosion control plan by the City Engineering Department with special attention to Porshia property line and stabilization of slope;
6) Approval of a drainage control plan for the site by the City Engineering Department;
7) The driveway being paved from Emma Road into the north parking lot;
8) That buffer plantings and parking lot trees comply with Sec. 30-3-14. of Zoning Ordinance; and
9) Compliance with N. C. State Building Code requirements relative to automatic fire protection for buildings of this size.

Mayor Bissette said action on the site plan was continued from the August 23, 1988 meeting until members of Council had an opportunity to visit the site.

Patty Tallerday, Acting Planning Director, again reviewed the contingencies outlined by the Planning and Zoning Commission. She said members of Council visited the site today and one concern expressed was the degree of slope on the bank. She said the Erosion Control Ordinance does not require a certain degree of slope; however, measures must be taken to stabilize the slope.

Ms. Tallerday said the owners of Appalachian Stove and Fabricators, Inc. met with the property owners and agreed to put railroad ties at the bottom of the property line; to

install a 4' woven fence to eliminate debris; buffering of two (2) rows of white pines at the base of the bank; and a retaining wall at the top of the hill.

Councilman Price requested that Appalachian Stove submit a landscaping plan to the Planning Department for review and approval.

Gary Eavenson, partner with the Appalachian Stove and Fabricators, Inc., said in his opinion, according to the requirements in the Zoning Ordinance, a setback variance would not be needed since the ordinance requires a 35' setback from the front of the building or property; 10' side setback from an adjoining property owner if the properties are zoned the same; and 20' side setback if the property adjoins residential property. He said they are maintaining that they are at least 24' from the adjoining property owner and 375' from the front of the road. He said if the variance is not granted and Council determines that a setback variance is required 20 percent (20%) of the proposed addition would have to be eliminated which would not benefit the adjoining property owner or his company.

Mr. Eavenson said his company will make every effort to stabilize the bank and to plant or replant as much buffer as is needed.

Upon inquiry of Mayor Bissette, Mr. Eavenson said his company has agreed to put in railroad ties at the base of the property line; to install a 4' woven wire fence along the length of the property line; and to provide buffering of spruce trees according to city specifications.

Faron Porshia, adjoining property owner, thanked members of Council for visiting the site. He said his only comment would be that if the addition is allowed it will take a long time for the trees to grow in order to buffer his house from the construction.

Councilman Price said she was still not comfortable with granting a variance of 10' to the front on Emma Road.

Councilman Frank said she would like to see evergreen trees planted at the base of the retaining wall.

After discussion, Councilman Price moved to approve the site plan for the addition to the Appalachian Stove and Fabricators, Inc. with the contingencies outlined by the Planning and Zoning Commission with the exception of (1) being that a building line setback variance of 10' being granted to front on Emma Road; that railroad ties be installed at the bottom of the property line sufficient to address the Erosion Control Plan; that a 4' woven wire fence be installed; and that a landscaping plan be submitted,

reviewed, and approved by the Planning Staff. This motion was seconded by Councilman Bratton.

Mr. Eavenson appealed to Council to grant the variance if Council determined that it was necessary. He said this action would not be helping anyone and would not help erosion control. He said this would only require him to make the building smaller.

The City Attorney read the definition of the front building line as being the front of the lot rather than the front of the building.

Mayor Bissette said he would vote against the motion because reducing the building size would not help the adjoining property owner. He said he felt expanded buffering would be best.

After discussion, Mayor Bissette called for a vote on Councilman Price's motion, which motion failed on a voice vote of 6-1, with Councilman Price voting "aye".

Councilman Frank moved to approve the site plan of the proposed addition to Appalachian Stove and Fabricators, Inc. subject to the contingencies outlined by the Planning and Zoning Commission; that an additional row of trees be installed at the building line; that a 3' retaining wall of railroad ties be installed at the bottom of the property line; and that a 4' woven wire fence be installed along the entire length of the property line. This motion was seconded by Councilman Martin and carried unanimously.

B. **Ordinance No. 1706 - Second reading of Ordinance revising the Motor Vehicle Registration Tax - City Stickers.**

Mayor Bissette said the Buncombe County Tax Department has agreed to bill and collect the motor vehicle registration tax for the City. The current ordinance needs to be revised in order to more accurately state the process; references to vehicle weight, prorated fees, and decals should be deleted. He said this ordinance passed on first reading on August 23, 1988 and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1706 passed on second reading.

C. **Ordinance No. 1707 - Second reading of an ordinance amending Section 28-81.5 and Section 28-81.6 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville (portion of Riceville Road to be 35 m.p.h. as requested by N.C. Department of Transportation).**

Mayor Bissette said this action will revise the current ordinance to declare a 35 mph speed limit on that portion of Riceville Road (SR 2002) within the corporate limits of the City of Asheville. The N. C. Department of Transportation has requested that the City Council approve this speed limit change. He said this ordinance was previously read on first reading and will not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1707 passed on second reading.

D. Report relative to Asheville Mall Expansion Project.

The City Manager said the City staff investigated complaints received relative to construction of the Asheville Mall Expansion Project. He said all the minutes leading up to the approval of the project was reviewed as well as all contingencies placed upon the approval. He said the staff would be presenting a video of the project in question to show reference points; reporting on existing conditions as they relate to contingencies placed upon the approval; and reviewing a letter sent to the developer of the project outlining concerns about the project.

Al Kopf, with the Parks and Recreation Department, formerly with the Planning Department, presented the video of the construction site which was taken today outlining the status of various concerns expressed by the residents and the conditions placed upon the approval of the project.

Mr. Kopf presented and discussed the following staff report:

STAFF REPORT - ASHEVILLE MALL EXPANSION

CONDITION 1. ESTABLISH AND MAINTAIN BUFFERING TO EXTEND SOUTHERLY ALONG THE CONTOUR LINE, SHEET R3A2, ON SHEET DATED 6-10-85, AND THAT BE EXTENDED TO THE NORTHEAST CORNER OF LOT 65 UNTIL IT INTERSECTS WITH THE NEW BUFFERING.

EXISTING CONDITION:

Some of the proposed R3A2 buffer has been installed between Lots 43 and 51. An eight foot high chain link fence has been installed with tennis screening and there are two rows of staggered evergreen trees. Additional shrub plantings are not apparent on the site. The R3A3 buffer does not extend to the northeast corner of Lot 65.

REQUIREMENTS:

Additional shrub plantings along R3A3 buffer from Lot 43 to Lot 51.
Continuation of R3A3 buffer to northeast corner of Lot 65.

CONDITION 2. APPROVE THE GROSS PARKING (FULL DECK AS SHOWN) AREA PLAN, BUT IN THE EVENT THE DEED RESTRICTIONS WILL NOT PERMIT THIS PLAN THAT PARKING PLAN TWO, WITH THE TRIANGLE CUT OFF OF THE DECK, BE APPROVED.

EXISTING CONDITION:

Parking lot is being constructed in a "rectangular" shape presently (this includes the triangular portion of the deck which may or may not be permitted according to deed restrictions). The perimeter drive within the deck has not changed according to Mr. Coleman.

REQUIREMENTS:

Verify parking deck layout during construction process.

CONDITION 3. THAT THE PLANS BE UPDATED TO SHOW THE CONTOURS AS IT RELATES TO MR. REX MOSELEY'S PROPERTY.

EXISTING CONDITION:

Presently, the parking lot area has been graded. It appears that the elevation of the parking lot approximates the elevation approved by Marvin Vierra on June 24, 1988 (site inspection 8-24-88 Emrick/Kopf). The graded slope west of the parking area appears closer to the Moseley property line than presented in R3A3 or RA/A10. At one point (assuming it is the intersection of S 05 - 17W and N 26 - 56W) the top of the slope is presently about 8 feet away whereas the drawings indicate a distance of approximately 15 feet. From this same point, the toe of the slope is presently about 22 feet away whereas the plans indicate the toe of the slope should be about 30 feet away from this point. The R3A3 buffer to be placed on the top of the slope has not been installed/planted along this western border.

REQUIREMENTS:

Eventually install R3A3 buffer west of this parking area. Compliance with site plan approvals for grading and existing natural buffer.

CONDITION 4. THAT THE DETAILED R3A3, TYPICALLY NEW BUFFERING, BE TIED DOWN WITH THE DIMENSION OF 2-1/2 FEET FROM THE RIGHT-OF-WAY OF THE PROPERTY LINE TO THE FIRST PLANTING BE ADDED. (CLARIFIED FROM LIP OF BANK TO FENCE LINE) (MARKED ON PLANS).

EXISTING CONDITION:

Detail R3A3 of proposed buffer was tied down with a revised drawing presented to and approved by City Council on December 22, 1987. This buffer detail has been applied to a couple of the installed buffer areas.

REQUIREMENTS:

Installation of all buffer area in accordance to this detail.

CONDITION 5. THAT IT BE IN COMPLIANCE WITH PRESENT EROSION CONTROL.

(SEE TOM TARRANT'S REPORT)

CONDITION 6. THAT EXISTING CONTOURS ON PORTIONS OF THE JOHNSON PROPERTY ZONED RESIDENTIAL ARE NOT TO BE DISTURBED.

EXISTING CONDITION:

Field measurements verified the 50 foot residential zone was left intact north of the parking lot and it appeared that no grading occurred within the "triangle" northwest of the lot.

REQUIREMENTS:

Maintain undisturbed areas within R-3 Residential District zone.
Eventual installment of R3A3 buffer north of this parking area.

CONDITION 7. THE LOCATION AS WELL AS THE ELEVATIONS OF THE BUFFERING AS SHOWN ON THIS PLAN IS A FUNDAMENTAL CONDITION OF APPROVAL OF THIS GROUP DEVELOPMENT PROPOSAL.

EXISTING CONDITION:

The buffer areas installed south of the theaters and along White Pine Street correspond to their locations on site plans R3A2 and R3A3. The other buffer areas have not been installed yet.

REQUIREMENTS:

Install buffer areas at proper locations and elevations as shown on the site plans.

CONDITION 8. REQUIRE A SCHEMATIC DRAWING OF THE EXISTING DRAINAGE SYSTEM AND THE PROPOSED DRAINAGE SYSTEM TO BE SUBMITTED TO STAFF PRIOR TO ITS GOING TO CITY COUNCIL.

EXISTING CONDITION:

A schematic drainage plan was submitted to staff and City Council requested a storm drainage report regarding Mrs. Willard's property from the city staff.

REQUIREMENTS:

Report by city staff already presented to City Council.

CONDITION 9. REQUIRE A SCHEMATIC LIGHTING PLAN TO BE SUBMITTED PRIOR TO ITS GOING TO CITY COUNCIL.

EXISTING CONDITION:

Planning staff received a lighting plan on March 24, 1988, which indicated light pole location and light distribution.

REQUIREMENT:

Verification of lighting plan installment.

* * * * *

CONDITION: SUBMITTAL OF LANDSCAPE PLAN TO STAFF FOR APPROVAL.

EXISTING CONDITION:

A landscape plan has been submitted to city staff for the parking lot areas and meets the requirements for the parking lot plantings described on Sheet R3A1- "General Landscape Notes."

REQUIREMENT:

Verification of landscape plan installment.

CONDITION: MALL TO CONSTRUCT A "T" INTERSECTION FROM BRACKETOWN ROAD AND WHITE PINE DRIVE ACCORDING TO CITY STANDARDS AND APPROVED BY CITY STAFF, AND THAT WHITE PINE DRIVE BE WIDENED FROM BRACKETOWN ROAD TO THE INTERNATIONAL HOUSE OF PANCAKES, INC.

EXISTING CONDITION:

Bracketown Road has been widened to an approximate width of 38 feet whereas Marvin Vierra approved of a 30' width on June 24, 1988. The "T" intersection has not been implemented nor has White Pine Drive been widened east of Bracketown Road.

REQUIREMENTS:

Bracketown Road constructed to approved 30' width.
Construction of "T" intersection.
Widening of White Pine Drive east of Bracketown Road.

CONDITION: CITY REQUEST NCDOT FOR A LEADING LEFT-TURN SIGNAL FROM TUNNEL ROAD ONTO WHITE PINE DRIVE AND STUDY SYNCHRONIZATION OF THE TRAFFIC LIGHTING IN THE AREA.

EXISTING CONDITION:

No changes in system presently.

REQUIREMENTS:

(See Memo from Bob McDonald, Traffic Engineer)

* * * * *

SITE VISIT OBSERVATIONS (VERL EMRICK - AL KOPF - 8-24-88)

1. The drive southwest of J. C. Penny's loading dock is shown on the site plans as 30' in width. Presently there is a gravel area approximately 35 feet wide and a stake which might indicate the drive width as 38'. This drive width appears to be a conflict with the approved site plan which may have resulted in the removal of an existing evergreen tree buffer and additional grading.

2. An existing buffer has been removed and an area graded which was not indicated on the approved site plans. The approved site plans do not propose the removal or addition of buffering or indicate grading within the area which begins about 125 feet northeast of the theaters and continues northeast for approximately 275 feet. Danie Johnson, Project Architect, told Al Kopf on a site visit the day before the City Council hearing (12-7-88) that this existing buffer was to remain.

   The banks have been graded similar in slope to the steep banks which exist southeast of this area.

   A landscape plan has been requested for this area.

3. Some of the evergreen trees have died within the buffer which is located southwest of the theater. Staff has requested a landscape program/plan to replace these trees.

4. A row of parking within the parking area south of White Pine Drive has not been constructed yet. Eventual compliance with site plan/parking ratio requirements.

Mr. Kopf also reviewed the following reports from Bob McDonald, Traffic Engineer, and Tom Tarrant, from the Erosion Control Office as it relates to the above conditions:

REPORT OF FINDINGS RELATIVE TO ASHEVILLE MALL EXPANSION

Submitted by: Bob McDonald, Traffic Engineer

From an on-site inspection conducted on August 25, 1988, for work completed to date on the Asheville Mall expansion, the following was found regarding traffic improvements on Brackettown Road, White Pine Drive, and signalization improvements at Tunnel Road.

Brackettown Road has been widened to an approximate width of thirty-seven and one-half feet (37.5') to thirty-eight feet (38'). On June 20, 1988, Al Kopf and I met with Mr. Coleman and Mr. Danie Johnson to discuss, among other things, the widening and lowering of the grade on this street. It was agreed that lowering the grade would be in the best interest of traffic safety, as a vertical curve would be eliminated which caused sight distance problems. Also, it was agreed that widening Brackettown Road to thirty feet (30') would be desirable. Approval for these modifications was made at staff level by the Department of Planning, as they were considered minor revisions to the original approved plan. At this time, there was no discussion about bringing Brackettown Road to a T-intersection with White Pine Drive, as it was assumed that this would be implemented by the developer pursuant to the recommendation of City Council on December 22, 1987. As of August 25, 1988, no efforts have been made to realign Brackettown Road to a T-intersection with White Pine Drive.

In addition to improvements to Brackettown Road, the City Council recommended that White Pine Drive be widened to accommodate an additional lane, from Brackettown Road to the International House of Pancakes. If the developer was required to do this work a construction plan for the widening should have been submitted to the Department of Public Works for review and compliance with our street construction standards and specifications. To date, the Department of Public Works has not received any plans for the widening of White Pine Drive, nor have we received plans for the T-connection of Brackettown Road to White Pine Drive which must also be approved by this office.

Finally, with regard to traffic signalization on Tunnel Road at White Pine Drive, the N. C. Department of Transportation has approved a protected left-turn phase from Tunnel Road onto White Pine. In a telephone conversation this morning with Mr. K. J. Putnam, Division Traffic Engineer with N.C.D.O.T., Mr. Putnam indicated that modifications to the signal equipment, to include the protected left-turn phase, would be completed within the next thirty (30) days. To initiate this work, the Department of Transportation has already marked the location of detector loops on Tunnel Road, for the new left-turn phase.

****

MEMORANDUM TO: Bill Slawter, City Attorney

FROM: Tom Tarrant
City Engineering Coordinator

DATE: August 26, 1988

SUBJECT: Asheville Mall Site - Erosion Control History
Provisional Permit No. 412, Grading Permit No. 637

On December 18, 1986, the grading plan indicating the erosion control measures was approved and the Provisional Permit was issued. By January 9, 1987, the erosion control measures had been installed, inspected and the grading permit issued.

From that date until July 19, 1988 only minor problems occurred and were addressed upon receipt of inspection reports. On July 19, 1988, it became necessary to issue a Notice of Violation concerning site maintenance and they took corrective action within the time frame granted. On July 25, 1988, another Notice of Violation was issued for grading an area not covered by the approved plan and therefore the permit. (The Buffer Area Between the Theaters and The New Parking Deck) This Notice of Violation required a revised plan and additional erosion control measures to protect the property owners along White Pine Drive. They provided both within the time frame allotted. This does not constitute a site plan revision approval; but corrects a grading error. On August 29, 1988, another Notice of Violation was issued concerning site maintenance and should be received soon with corrections to take place within five (5) days of receipt.

For several months, we have tried to get a non-permitted waste site under permit, that has been used by the Mall's contractor. Certified mail to the property owner in Atlanta was returned, so last week the contractor for the Mall was directed cease waste activities and did so.

On August 25, 1988, the Mall was sent another Notice of Violation about the waste site with respect to Section 9 of the Ordinance. Their contractor and consultant, were also contacted by phone concerning the non-permitted site and at 4:00 p.m. of August 25, 1988, the consultant delivered a grading plan with the measures to be installed.

WTT,IV/bgd

Patty Tallerday, Acting Director of Planning, reviewed the following letter to R. L. Coleman, developer of the Asheville Mall based on the above reports:

August 30, 1988

Mr. R. L. Coleman Jr.
R. L. Coleman and Company
394 Merrimon Avenue
Asheville, North Carolina 28804

Dear Mr. Coleman:

Recent inspections of the construction of the Asheville Mall expansion have raised the following concerns:

1. A condition of the site plan approval by the City Council on December 22, 1987, was that "the Mall construct a 'T' intersection from Brackettown Road onto White Pine Drive according to City standards and approved by City staff." From the current configuration of the improvements being made, it appears that no provision is being made for that "T" intersection.

2. The site plan approval also provides that "White Pine Drive be widened from Brackettown Road to the International House of Pancakes Inc. (IHOP)." If this widening is scheduled for future construction, prior to issuance of the Certificate of Occupancy, this point would become moot.

3. Brackettown Road has been widened beyond the width provided for in the site plan. Planning staff did previously approve a widening from 24 feet to 30 feet, but the current width measures approximately 38 feet. The main concern, of course, relates to the width at the intersection of White Pine Drive, and the number of lanes of traffic at that point. The site plan which was approved provides for only one lane of traffic in each direction on Brackettown Road. The City Traffic Engineer has further determined that White Pine Drive cannot safely accommodate two lanes of travel exiting from Brackettown Road.

4. There has been grading which infringes in two separate areas of the buffer zone as shown on the approved site plan. One of these areas is located behind the new Penney's building, and the other is in the area of the Moseley property.

5. The area of grading behind the new Penney's building resulted in the destruction of numerous existing trees. The site plan which was approved did not provide for the removal of any trees in that area. Replacement of these trees will be necessary in order to restore compliance with the site plan.

6. The site plan approval includes as a contingency the approval by staff of your lighting plans. Our records indicate that a plan was submitted; however, we do not have any record of approval of that plan.

7. The site plan approval also requires staff approval of the landscape plan. Our records indicate that the landscape plan was not submitted for staff approval. It appears that the primary problem with both the landscaping plan now being reviewed and the lighting plan is that they would have been based upon the existence of trees which have now been removed from the area behind Penneys. A new landscaping plan should be submitted addressing the replacement of the trees and the concerns raised in Julia Cogburn's letter of August 12, 1988.

8. A large quantity of silt has been allowed entry into the drainage system at the Mall site due to the lack of protection provided at inlets. As you are aware, there have been problems in the past with the storm drainage, and this can only make the problem worse.

We consider each of the foregoing items to be an essential component of the site plan as approved by City Council. Since a Certificate of Occupancy for the project cannot be issued until the site plan has been completed in accordance with the site plan as approved, it would seem to be in everyone's best interest that these points be addressed right away. We look forward to hearing from you.

Very truly yours,

Patricia Tallerday
Acting Director of Planning

PT:msb
CC: Douglas O. Bean, City Manager
William F. Slawter, City Attorney

Upon inquiry of Councilman Frank, Ms. Tallerday said when the Planning Staff reviews the lighting plan, the staff would review the feasibility of asking the developer to put shades on the lighting in the parking areas where it shines on residences.

Upon inquiry of Councilman Boland, the City Attorney said in connection with the questions raised concerning construction noise at the Asheville Mall, Section 18-12 of the Code of Ordinances restricts construction activities before 7:00 a.m. and after 6:00 p.m. Monday through Saturday and all day on Sunday, but the restriction is only applicable "in a residential

district." This section could, and perhaps should, be amended to read that the restriction is applicable within close proximity of a residential district. The distance would have to be defined in the ordinance.

Ms. Tallerday and Al Kopf, at the request of Councilman Boland, said they would review the landscaping plan in detail as far as buffering and drainage is concerned.

Councilman Price requested that the landscaping and lighting plan and staff's recommendations be shown to members of Council.

Ms. Tallerday said the staff would be continuously monitoring the progress of the construction to assure compliance with all contingencies and ordinances.

Rendell A. Davis, 285 White Pine Drive, President of the Kenilworth Forest Community Association, said in his opinion the city staff reviewed the project from the developer's standpoint rather than the residents. He said the old buffer ordinance which, in his opinion, has not been repealed, contains provisions for noise control during construction projects. He said in his opinion the developer disturbed the natural vegetation in the area which is in violation unless he can hide the development from the residences. He said with the history of problems at the Asheville Mall, if the city staff deals with problems after the fact many times it is too late to do anything about them. He requested a copy of the staff reports presented to members of Council.

Steve Blair, 251 White Pine Drive, said the buffering in its present state does not protect the integrity of the neighborhood. He said the Arbor Association can provide a formula for replacing the large trees that were removed. He said he would also like for the city staff to specifically define to Mr. Coleman, the developer of the Mall, as to exactly what he can and can not do at the site.

Harold Payne of 299 White Pine Drive said in his opinion the city staff has circumvented the original site plan by allowing variances to the plan. Specifically Mr. Payne referred to the widening of Bracketown Road to 38' when it was suppose to be 30'and that the original grading plan said there was to be no grading in the area behind the theatre. He said it seems that these changes would have required approved variances.

Rendell Davis, said the residents would like to go on record to state that they oppose Bracketown Road being a major entrance/exit to the Asheville Mall.

Harold Payne said in past discussions the lighting in front of the theatre was to be directional lighting.

Helen Payne, 299 White Pine Drive, asked what could be done if Mr. Coleman is found in violation of the approved site plan or any other ordinances.

The City Attorney, responding to Mrs. Payne, said it would depend upon the nature of the violation. He said one ultimate action would be the denial of the certificate of occupancy or a court injunction or restraining order by the courts.

Helen Payne spoke to members of Council relative to the lighting plan not being approved prior to the installation of lights and grading prior to a landscaping plan being approved.

A discussion was held relative to the authority of the Planning Staff to allow the modification of the width of Bracketown Road from 24' to 30.

Mayor Bissette said the City Attorney would like into this authority of the Planning staff.

Councilman Frank and Councilman Martin left the meeting at 6:20 p.m. to go to Charlotte to review their 911 emergency system.

Helen Payne said she felt that if the developer could he would make Bracketown Road the main entrance to the Mall. She said the residents do not want the road to appear to be a commercial area.

Mrs. Dewey Ramsey of 258 White Pine Drive said the residents in the area need some relief from the traffic on White Pine Drive.

Mayor Bissette assured the residents that the city staff would continue to monitor the progress of the expansion project and would enforce all provisions of the approval of the project and all ordinances related to the Mall.

Councilman Bratton told the residents that the city staff would share information relative to the project with the residents.

The City Manager said the City will be establishing a committee to attempt to work out problems and disagreements surrounding the construction of the addition to Asheville Mall. He said the City currently has such a committee working with the neighborhood and Grove Park Inn which has worked very well. He said the committee would be comprised of representatives from the R. L. Coleman Company, Kenilworth Association, the construction company, and the city staff. He said the committee could be beneficial in circumventing the problems that are now being discussed.

IV. NEW BUSINESS:

A. **Sale of Disposal Parcel 7 in the East Riverside Redevelopment Project.**

Mayor Bissette said the Housing Authority has tentatively accepted the following bid for a certain Disposal Parcel in the East Riverside Redevelopment Project:

Parcel	Reuse	Price	Bid	Redeveloper
7	Residential	$1,000	$1,000	Jack & William Stewart

The redevelopers have a contract to purchase the property adjacent to Disposal Parcel 7 on South Grove Street. The adjacent property, 103 South Grove Street, has a residence on it which the redevelopers intend to rent. The proposed improvements on Disposal Parcel 7 consist of landscaping for assemblage with 103 S. Grove Street.

Councilman Boland moved to approve the sale of Disposal Parcel 7 as recommended by the Housing Authority. This motion was seconded by Councilman Price and carried unanimously.

V. CONSENT:

A. Bids for estimated annual requirement for 5/8" and 1" water meters.

SUMMARY: Award of bids for the estimated annual requirement of 5,100 each 5/8 inch and 100 each 1 inch water meters is recommended to the low bidder, Neptune Water Meter Company, Tallassee, Alabama in the net amount of $86,400.00 for "Trident 10" water meters.

B. Resolution No. 88-137 - Resolution authorizing the City Manager to enter into agreements necessary to conduct the French Broad Riverfest and authorizing the City Manager to temporarily close a portion of Riverside Drive for the French Broad Riverfest to be held on Saturday, September 10, 1988, and Sunday, September 11, 1988.

SUMMARY: The City of Asheville and the French Broad River Foundation, Inc., will be sponsoring the French Broad Riverfest to be held on Saturday, September 10, 1988, and Sunday, September 11, 1988. It is necessary to establish agreements between these sponsors and various landowners of property whereon the Riverfest will be held. It is also necessary to temporarily close a portion of Riverside Drive from its intersection with West Haywood Street south to its intersection with Clingman Avenue.

Resolution Book No. 17 Page No. 229

C. Motion to cancel Regular City Council Meeting scheduled for September 6, 1988.

D. Scheduling public hearing relative to the adoption of an ordinance establishing the Thomas Wolfe Mem. as historic property for September 20, 1988.

SUMMARY: Plans for a Thomas Wolfe visitors center will be developed later this year and designation will give the City a review authority highly desirable considering the recent history of the project.

E. Scheduling public hearing relative to the adoption of an ordinance establishing the City Hall Bldg. as historic property for September 20, 1988.

SUMMARY: Plans for a major rehabilitation of the City Building are now being drafted. The Historic Resources Commission Director is already been given ample opportunity to express preservation concerns and sees no major problems with the direction of the project; however, the more formalized review designation would be more desirable and appropriate - the City setting an example with this most significant building.

F. Scheduling public hearing relative to an ordinance zoning Oteen property annexed into the City Limits August 31, 1988 for September 20, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on August 17, 1988 reviewed and recommended zoning for the Oteen Property which was annexed into the City Limits on August 31, 1988.

G. Resolution No. 88-138 - Resolution appointing member to Planning and Zoning Commission.

SUMMARY: This resolution will appoint Pat Hutchison as a member of the Planning and Zoning Commission to replace Ed Dyson

Resolution Book No. 17 Page No. 230

Upon motion of Councilman Bratton, seconded by Councilman Boland, the consent agenda was unanimously approved.

OTHER BUSINESS:

RIGHT OF WAY AGREEMENTS - N. C. DEPARTMENT OF TRANSPORTATION - BROADWAY PROJECT

At the request of the City Manager, Councilman Bratton moved to authorize the Mayor to sign a right-of-way agreement and two easements for the improvement of Broadway from W. T. Weaver Blvd. to Catawba Street. This motion was seconded by Councilman Price and carried unanimously.

Councilman Price said she would like to see the plans for the Broadway project.

SETTLEMENT OF CLAIM - CARL WILEY

Councilman Price moved to authorize the City Manager to sign a claim settlement relative to Carl Wiley. This motion was seconded by Councilman Boland and carried unanimously.

CLAIMS - CHAD WEBB (SEWER) - HORACE BUCKNER (WATER) - KENT LOMINAC (PARKS) - PHYLLIS PENDLETON (TRAFFIC ENGINEERING)

The City Manager presented claims received from Chad Webb, Horace Buckner, Kent Lominac, and Phyllis Pendleton.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

COUNCILMAN BRATTON - COMPLAINT RELATIVE TO SASSAFRAS STREET

Councilman Bratton commended the City Attorney for his work on the complaint from a resident on Sassafras Street in a timely manner.

PAT RITCHIE - FLETCHER COMMUNITY IMPROVEMENT COMMITTEE- REQUEST FOR RESOLUTION SUPPORTING THE INCORPORATION OF THE TOWN OF FLETCHER

Pat Ritchie, 49 Wildwood, Chairperson for the Fletcher Community Improvement Committee, in Henderson County, again spoke to members of Council requesting a resolution supporting the incorporation of the Town of Fletcher.

Upon inquiry of Ms. Ritchie, Mayor Bissette said the city staff would have a report on their request in two (2) weeks and she could expect a vote from Council on the proposed resolution.

Ms. Ritchie made the following presentation:

To: Mayor and Asheville City Council 8/30/88

Last week I came before this Council to ask for a resolution to allow Fletcher to incorporate. Today I am back with many residents and to speak for the many others who are unable to stand here and speak to you.

The following remarks are directed to Vice Mayor Michalove and Councilman Martin. Your comments last week upset many Henderson County residents, in fact, your remarks insulted a lot of people. You left people feeling that you promote big government as best. You also left the impression that we are not capable of governing ourselves.

In closing let me say that people in Henderson County think that this council has a very simple decision. YES, you will give Fletcher a resolution to incorporate, or NO, you will not give us a resolution because you intend to annex into Henderson County. Let me say again that a NO will be construed as plans to annex into Henderson County because there is no other reason to deny Fletcher to incorporate.

I once again respectfully request a resolution to allow Fletcher to incorporate.

Ms. Ritchie invited members of Council to a Town Meeting in Fletcher on Thursday, September 1, 1988 at 7:30 p.m. She said if any member would like to come early the residents would be happy to take them on a tour of Fletcher.

Mayor Bissette commented that the City of Asheville has no plans for Asheville to annex into Henderson County. He said it was his hope that the residents of Fletcher have reasons for an incorporation other than the fact that they do not want to be a part of Asheville's corporate boundaries.

Robert Davie, Past President of the Wildwood Homeowners Association, spoke against Asheville annexing into Henderson County. He said there is no reason for anyone to annex the Fletcher community since the residents have all the services they need. He said cities should not abuse the annexation process. He requested that the City Council draw the line for annexation at the existing border.

Tom Akers of 48 Wildwood, said he just recently moved into the Fletcher community and moved there for the quality of the area. He said he would oppose any annexation of the Fletcher community.

Mayor Bissette commented that many good things are happening in Asheville and it was a good place to live. He said the City of Asheville uses the same method of annexation as other cities in North Carolina. He said a reasonable annexation process is necessary. He said Asheville has not annexed as much as other cities in North Carolina. However, in order to remain one of the larger cities of North Carolina the City has to remain a certain size and many times that is done through annexation.

Jeff Allison of Jones Road in Fletcher, said he lives next to the County line. He said if Asheville does not intend to annex the Fletcher community why did a Buncombe County Planner say that Asheville was going to annex the Fletcher area. He said a Henderson County Deputy had reported that he seen maps in the Police Department showing where Asheville had plans to annex.

Mayor Bissette said he had heard this before and would like to talk to the Buncombe County Planner and Henderson County Deputy that made those statements.

Pat Ritchie presented Mayor Bissette with a letter from Frank M. Zuch, 11 Golden Oaks Lane, Fletcher, North Carolina, who could not attend the meeting. (The letter is on file in the Office of the City Clerk)

ADJOURNMENT:

Mayor Bissette adjourned the meeting at 7:00 p.m.

MAYOR

CITY CLERK

Tuesday - September 13, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank; Norma T. Price; Wilhelmina Bratton (arriving at 4:30 p.m.); Russell Martin; and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Vice-Mayor Michalove.

I. PROCLAMATIONS:

II. OLD BUSINESS:

A. Ordinance No. 1706 - Third reading of Ordinance revising the Motor Vehicle Registration Tax - City Stickers.

At the request of the City Attorney, Mayor Bissette said the third reading of this ordinance would be postponed for one week.

B. Ordinance No. 1707 - Third reading of an ordinance amending Section 28-81.5 and Section 28-81.6 of Article IV, Speed Regulations, of Chapter 28 of the Code of Ordinances of the City of Asheville (portion of Riceville Road to be 35 m.p.h. as requested by N.C. Department of Transportation).

Mayor Bissette said this action will revise the current ordinance to declare a 35 mph speed limit on that portion of Riceville Road (SR 2002) within the corporate limits of the City of Asheville. The N. C. Department of Transportation has requested that the City Council approve this speed limit change.

Mayor Bissette said this ordinance was previously read on first and second readings and would not be read in its entirety.

On a roll call vote of 6-0, Ordinance No. 1707 passed on third and final reading.

III. NEW BUSINESS:

IV. CONSENT:

A. Resolution No. 88-139 - Resolution authorizing the City Manager of the City of Asheville to make application for and enter into an agreement with the Land of Sky Regional Council for Senior Citizen Grant funds for physical improvements to the Center.

SUMMARY: This action will authorize the City Manager to apply for and enter into an agreement with the Land of Sky Regional Council for senior citizen grant funds. These funds would be used to renovate the existing toilet facilities at the Senior Opportunity Center making them accessible for handicapped participants.

Resolution Book No. 17 Page No. 231

B. Resolution No. 88-140 - Resolution authorizing the City Manager of the City of Asheville to make application for and enter into an agreement with the Land of Sky Regional Council for Senior Citizen Grant funds for outreach services.

SUMMARY: This action will authorize the City Manager to apply for and enter into an agreement with the Land of Sky Regional Council for senior citizen grant funds. These funds would be used to provide outreach services to Montford Recreation Center, Shiloh Recreation Center, on a daily basis as well as providing programs for seniors at Battery Park Apartments, Vanderbilt Apartments, Bartlett Arms, Aston Towers, and similar housing areas for senior citizens.

Resolution Book No. 17 Page No. 232

C. Resolution No. 88-141 - Resolution authorizing the Mayor to execute an Agreement for Entry requested by the North Carolina Department of Transportation for the proposed NC 280 Connector at the Airport.

SUMMARY: The North Carolina Department of Transportation has developed plans for the proposed NC 280, State Project 8.1950202, at the Asheville Airport. The North Carolina Department of Transportation has requested an

easement across property owned by the City of Asheville. Prior to the aforementioned project being completed, the North Carolina Department of Transportation will prepare the easement agreements required to officially record the required easements.

Resolution Book No. 17 Page No. 233

Ralph Bishop requested that the Mayor furnish him with the names of the individuals on the Land of Sky Regional Council.

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, the consent agenda was unanimously approved.

V. OTHER BUSINESS:

A. PATTY TALLERDAY - REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Patty Tallerday, Acting Director of Planning, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the new procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on September 7, 1988.

(1) RIVER RIDGE BUSINESS CENTER - FAIRVIEW ROAD

Ms. Tallerday said the Asheville Planning and Zoning Commission on September 3, 1988, reviewed and recommended approval of the group development plans of River Ridge Business Center to be located on Fairview Road subject to the following conditions:

a) A recordable document being approved by the City Attorney which provides access to parking off the site;

b) A letter being provided from the City stating availability of water services;

c) Easements being approved by the City Attorney for all public utility extensions outside public rights-of-way;

d) An erosion control plan being approved by the City Engineering Department; and

e) Signs to comply with sign package previously approved for River Ridge Shopping Center.

Ms. Tallerday said no opposition was received prior to or at the meeting, and that this group development had been unanimously approved by the Planning and Zoning Commission.

The City Council took no action on this site plan, making the action of the Planning and Zoning Commission final.

(2) ASHEVILLE RESIDENTIAL TREATMENT CENTER - VICTORIA ROAD

Ms. Tallerday said the Asheville Planning and Zoning Commission on September 7, 1988, reviewed and recommended approval of the group development plans of Asheville Residential Treatment Center to be located on Victoria Road subject to the following conditions:

a) Erosion Control Plan approval by City Engineering Department;

b) Access and utility easement approval by the City Attorney; and

c) Demolition and reconstruction plan review and approval by the Historic Resources Commission staff.

At the request of Vice-Mayor Michalove, Councilman Martin moved to excuse Vice-Mayor Michalove from discussion and vote on this issue due to a conflict of interest in that St. Joseph's Hospital has an interest in this project. This motion was seconded by Councilman Price and carried unanimously.

Ms. Tallerday said no opposition was received prior to or at the meeting, and that this group development had been unanimously approved by the Planning and Zoning Commission.

The City Council took no action on this site plan, making the action of the Planning and Zoning Commission final.

3) LOWE'S OF WEST ASHEVILLE - PATTON AVENUE

Ms. Tallerday said the Asheville Planning and Zoning Commission on September 7, 1988, reviewed and recommended approval of the group development plans of Lowe's of West Asheville to be located on Patton Avenue subject to the following conditions:

a) Letters of approval from MSD and Water and Sewer Services;

b) Letter from Asheville Fire Department approving adequacy of proposed lines for fire fighting purposes;

c) Recordable grading easement from adjoining property owners; and

d) No grading or tree removal adjacent to R-2 areas until final approval.

Vice-Mayor Michalove said due to the interest from the Malvern Hills Homeowners Association in this project, he would prefer to have a public hearing on this group development. He moved to schedule a public hearing on the matter for Tuesday, September 27, 1988. This motion was seconded by Councilman Price and carried unanimously.

B. Approval of bids for fire pumper.

Mayor Bissette said a recommendation was received for award of Bid Request No. 337-89 for one Fire Pumper/Squad Unit to the low bidder, Slagle's Fire Equipment, Cayce, South Carolina, in the amount of $122,500.

Councilman Frank moved to accept the recommendation and award the bid for the fire pumper to Slagle's Fire Equipment in the amount of $122,500. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

LETTER FROM CROWFIELDS CONDOMINIUMS - SIGNS

Mr. H. B. Van Hartesveldt, President, Executive Committee of Crowfields Condominiums Cluster Association read the following letter:

September 6, 1988

The Honorable Louis Bissette
Mayor of Asheville
P. O. Box 7148
Asheville, North Carolina 28802

Dear Mayor Bissette:

The proliferation of signs along south Hendersonville Road is creating a "honky-tonk" appearance offensive to residents and visitors alike. It can only depress residential property value as it degrades the image of Asheville to users of this heavily travelled highway. The Crowfields Condominium Association opposes those regulations which have permitted this commercial graffiti to occur and will support in anyway

possible an ordinance to correct the condition. The Association is particularly concerned with recently installed enormous billboards (600 - 700 square feet, 45 feet high).

This Association (Crowfields) cannot speak officially for our neighbors, but residents of the Racquet Club, Deer Wood, Deerfield, Turtle Creek and Oak Forest have expressed the same concerns as Crowfields' residents. We ask that you take these concerns into account when you assess this condition. It surely affects the kind of City Asheville will become, and to those of us who love and are proud of our City, this makes it very important.

Yours truly,

H. B. Van Hartesveldt
President, Executive Committee

cc: Mr. Jerry Grant
Mr. Glenn Kelly

Mr. Hartesveldt also presented an article from the New York Times relative to "Challenging the Billboard Industry".

Councilman Bratton arrived at the meeting at 4:30 p.m.

Mayor Bissette said the Asheville Sign Commission would be presenting new recommendations for the Sign Ordinance to Council within the next six (6) weeks. He said it was his hope that Crowfields Condominiums Cluster Association would give their input into these recommendations when they are presented.

CLAIMS - MILDRED HAYNES (STREETS) - PATRICIA RHODES (STREETS) - ALICE WHEAT (WATER) - W. L. JONES (STREETS) - FAYELLEN PITTS (SEWER) - TAMRA JOHNSON (WATER) - BOYCE WHITAKER (WATER) - BILL SISK (SEWER)

The City Manager said claims were received from Mildred Haynes, Patricia Rhodes, Alice Wheat, W. L. Jones, Fayellen Pitts, Tamra Johnson, Boyce Whitaker and Bill Sisk.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

5:00 o'clock p.m.

VI. PUBLIC HEARINGS:

A. **Public hearing relative to the annexation of property generally known as the Beaverdam Valley Area.**

B. **Public hearing relative to the annexation of property generally known as the Hansel Avenue Area.**

C. **Public hearing relative to the annexation of property generally known as the Plemmons Property.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing is required under these procedures.

Mayor Bissette said all three public hearings would be held simultaneously.

Mayor Bissette opened the public hearings at 5:06 p.m.

The City Clerk presented the notices to the public setting the time and date for the public hearings and the affidavits of publication.

Ms. Patty Tallerday, Acting Director of Planning, outlined for the plan for services for each area proposed to be annexed.

George Hyler, 49 Webb Cove Road, said he lives outside the area proposed to be annexed, but was speaking on behalf of the Beaverdam Community Council and CODA North, a group of residents opposed to annexation. He said the residents are opposed to the proposed annexation and disputes the facts and factors presented by the Planning Department. He said they would dispute the fact that 67% of the total acreage consists of lots and tracts five acres or less in size; the fact that adequate fire protection can be provided; and the general manner in which the annexation has been proposed. He said he would mainly speak to the third dispute since the first two issues can be brought up in court.

Mr. Hyler said the proposed area to be annexed is only "taking the heart out of the valley." He said the sole purpose of "gerrymandering" is to reach the 60% requirement. He said the area proposes to go to the end of streets and leaving part of the property out. He said this would have a significant impact on the area. He said those left out will not have adequate fire protection. He said Beaverdam has a volunteer fire department and those individuals would not voluntarily fight fires when they are paying taxes for fire protection.

Mr. Hyler said the Beaverdam residents created the Beaverdam Council and they have worked with the City and County on zoning in the area. He said this is a fairly progressive community and if annexed there will no longer be a Beaverdam Council.

He said the residents do not question the legality of the annexation but do question whether or not the City can do anything for the citizens in that area. He said the City should have proposed to annex ridge line to ridge line. He said annexation would destroy something worth saving.

Mr. Dick Plemmons, owner of property proposed to be annexed known as the "Plemmons area", said he would not benefit from the annexation. He said he owns the road in the area and he put in his own water line.

Mayor Bissette noted that the water line in the "Plemmons area" would be upgraded from a 2" line to a 6" line. He said Mr. Plemmons' fire insurance rates would probably be reduced.

There being no further comments, Mayor Bissette closed the public hearing at 5:35 p.m. He said the first reading of the annexation ordinances is scheduled for the Council meeting of September 27, 1988.

APPROVAL OF MINUTES - AUGUST 23, 1988 AND AUGUST 30, 1988

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, the minutes of the August 23, 1988 and August 30, 1988 meeting were unanimously approved as submitted.

ADJOURNMENT:

Mayor Bissette adjourned the meeting at 5:40 p.m.

MAYOR

CITY CLERK

Tuesday - September 20, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland

INVOCATION

The invocation was given by Councilman Mary Lloyd Frank.

APPROVAL OF MINUTES - SEPTEMBER 13, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the September 13, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - September 22, 1988 - "American Business Women's Day."

Mayor Bissette proclaimed September 22, 1988 as "American Business Women's Day". Councilman Martin will be delivering the proclamation to the annual dinner of the local chapter of the American Business Women's Association.

B. Proclamation - September 17-23, 1988 - "Constitution Week"

Mayor Bissette read the proclamation and presented a copy to Frances McDowell with the Edward Buncombe Chapter of the Daughters of the American Revolution.

C. Proclamation - October 10-14, 1988 - "Court Observance Week"

Mayor Bissette read the proclamation and presented a copy to Carol Howell.

II. PUBLIC HEARINGS:

A. Public hearing relative to an ordinance establishing the Thomas Wolfe Memorial as historic property. (Joint hearing with Historic Resources Commission)

Ordinance No. 1708 - An Ordinance designating property known as the "Thomas Wolfe Memorial" on Spruce Street and the adjoining lot on N. Market Street together as a local historic property

Mayor Bissette said plans for a Thomas Wolfe visitors center will be developed later this year and designation will give the City a review authority highly desirable considering the recent history of the project. He said a joint public hearing is required by the Historic Resources Commission of Asheville and Buncombe County and the Asheville City Council.

Mayor Bissette opened the public hearing at 4:24 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Doug Swaim, Director of the Historic Resources Commission, introduced the members of the Historic Resources Commission in attendance and announced that a quorum of the Commission is present. He said the Historic Resources Commission recently surveyed the stock of local historic buildings they would like designated as historic properties. He said one of the top priorities of the Commission is the Thomas Wolfe Memorial due to the proposed development of the Visitors Center. He said the Historic Resources Commission unanimously endorses the designation of the Thomas Wolfe Memorial as historic property.

Upon inquiry of Councilman Martin, Mr. Swaim said the existing building on the adjoining lot is not included as part of the designation of historic property.

Bill McCray, with the Division of Archives and History, requested that Section 4 (2) (d) of the ordinance be changed to reflect that there are no brick sidewalks but it is a brick driveway- suggested that Council strike the word sidewalk and insert the word driveway. He also suggested that the plaque stating the local designation be incorporated with the national designation plaque and that these plaques be in the Visitors Center rather than on the grounds of the property.

Mayor Bissette closed the public hearing at 4:29 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1708 with the word sidewalk being changed to driveway in Section 4 (2) (d) of the ordinance. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1708 passed on first reading.

Mayor Bissette said members of Council would probably agree that the Visitors Center would be the most appropriate location for the plaques.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1708. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1708 passed on second reading.

After discussion, Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1708. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1708 passed on third and final reading.

Ordinance Book No. 11 Page No. 307-311

B. Public hearing relative to an ordinance establishing the City Hall Building as historic property. (Joint hearing with Historic Resources Commission)

Ordinance No. 1709 - An Ordinance designating a building and property known as "Asheville City Building" located at City-County Plaza as a local historic property

Mayor Bissette said plans for a major rehabilitation of the City Building are now being drafted. The Historic Resources Commission Director is already been given ample opportunity to express preservation concerns and sees no major problems with the direction of the project; however, the more formalized review designation would be more desirable and appropriate - the City setting an example with this most significant building. He said a joint public hearing is required by the

Historic Resources Commission of Asheville and Buncombe County and the Asheville City Council.

Mayor Bissette opened the public hearing at 4:35 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Doug Swaim, Director of the Historic Resources Commission, announced that a quorum of the Historic Resources Commission is present. He said the Asheville City Building was designed especially for the mountain city of Asheville by architect Douglas Ellington, Asheville's Art Deco master and stands as a magnificent symbol of the development boom of the 1920s, when fabulous civic projects were undertaken in the "Program of Progress. He said this designation would give the Historic Resources Commission an opportunity to express preservation concerns in planned renovations and presently sees no major problems with the direction of the project.

Ralph Bishop said he was opposed to this Council or future Councils giving up their rights to regulate city owned property.

Councilman Price said she would like to see the elevators remain as they are currently but at some future date someone might want to change them to electric elevators. She asked how this decision might be affected by the proposed ordinance.

Doug Swaim said the City would go through the same application process that any individual goes through for the Historic Resources Commission to consider a change. He said a solution to any request can be negotiated but the end result is that no building permit is issued unless it is approved by the Historic Resources Commission.

Mayor Bissette closed the public hearing at 4:48 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1709. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1709 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1709. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1709 passed on second reading.

C. Public hearing relative to an ordinance zoning Oteen property annexed into the City Limits August 31, 1988.

Ordinance No. 1710- An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, zoning of Oteen Property annexed into City Limit August 31, 1988.

Mayor Bissette said the Asheville Planning and Zoning Commission on August 17, 1988 reviewed and recommended zoning for the Oteen Property which was annexed into the City Limits on August 31, 1988.

Mayor Bissette opened the public hearing at 4:50 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, from the Planning Department, said state statute requires that property annexed into the City be zoned. He said this particular area in question was previously zoned under the extra territorial zoning jurisdiction. He said the proposed zoning is principally as it was originally zoned. He presented certifications of notification to property owners in the area of the proposed zoning. He said all requirements for notification have been satisfied. He outlined the recommended zoning stating that the zoning accommodates all entities in place at present. He also said the recommended zoning would provide that no property will be a non-conforming use and is as recommended by the 2010 plan.

At the request of Councilman Price, Council requested that the Planning Staff review a possible change to the Heavy Industrial classification. It was suggested that perhaps the Heavy Industrial zone could be changed to Light Industrial to allow for safety in the area since many motels are located in the vicinity.

Edward Pearce asked for a clarification on the tax bill computations recently received by residents in the area.

The City Manager explained the computations stating that the residents are paying 10/12ths of a year on their current billing since the City and County taxes are based on a fiscal year of July 1st to June 30th. He said all cities and towns in North Carolina collect their taxes in the same manner.

Mayor Bissette closed the public hearing at 5:08 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1710. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1710 passed on first reading.

Vice-Mayor Michalove requested that the Planning Staff look at the feasibility of changing the Heavy Industrial classification to a Light Industrial classification.

III. OLD BUSINESS:

A. **Third reading of Ordinance revising the Motor Vehicle Registration Tax - City Stickers.**

Mayor Bissette said the third reading of this ordinance would be postponed until another meeting.

IV. NEW BUSINESS:

A. **Report on the proposed incorporation of Fletcher.**

The City Manager outlined the following report:

SUBJECT: Report on Corporation of Fletcher Community

The City Council has been asked by representatives of the Fletcher Community to adopt a resolution that supports the incorporation of their community. The following report is intend to provide you with information that will help you in your deliberations.

LOCATION

The Asheville City limit line effective August 31, 1988 is approximately two miles from the Fletcher Community which is identified for incorporation. Also there is an area that is under study for annexation by the staff that would, if approved, leave the Asheville City limit line approximately 1.2 miles from the proposed incorporation.

On June 2, 1987 the Asheville City Council adopted a map entitled "Area Under Consideration for Annexation" which includes the remaining area in Buncombe County to the Henderson County line. The North Carolina General Statutes state that the map shall remain in effect for two years after adoption. In June of 1989 the City may want to reconsider a map which shows other areas under consideration as part of our continuing annexation study. It does not appear that all of the areas that we have identified to be annexed will be annexed in the time period designated and I would foresee only minor changes to the existing map at that time. At the present time there have been no studies to incorporate past this boundary.

The proposed Fletcher incorporation boundary would also touch upon the existing City limits at the Airport. In essence, should this area be incorporated it could be contiguous to a proposed future City limit line on its northern boundary and a portion of its western boundary would be adjacent to the existing limits at the Asheville Airport.

METHODS OF INCORPORATION

The City of Asheville has been asked to adopt a resolution supporting the incorporation of Fletcher. This approval is needed in accordance with the North Carolina Constitution and General Statutes. Absent this approval by the City of Asheville an incorporation would have to be approved by a 3/5 majority of the General Assembly. An excerpt from the 1980 Joint Annexation Study Commission that was created by the North Carolina Association of County Commissioners and the North Carolina League of Municipalities speaks to this point "by both Constitution and Statue North Carolina has appropriately given preference to expanding cities as opposed to creating new ones. Both discourage incorporating new cities and towns near existing ones. Except by 3/5 majority, the General Assembly may not incorporate a new city closer that one mile to an existing city of 5000 - 10,000 population, within three miles of one with 10,000 - 25,000 population, within four miles of one with 25,000 - 50,000 population, and within five miles of one with over 50,000 population."

HISTORY OF ANNEXATION

The annexation law that is currently in effect throughout North Carolina is basically the same law that was adopted in 1959 with some revisions. It has been the policy of the state of North Carolina to allow for the orderly growth of municipalities since

that time. Annexations basically take place for the same reason that cities are formed in the first place, that being to provide local governmental services to citizens in areas that are urbanely developed. It has been said that that which is urban should be municipal. Numerous studies have stated the desirability of annexing urban areas as opposed to the creation of overlapping service districts or the creating of a number of smaller incorporated areas in a major urban environment. The law has been tested in a number of court cases and has with stood the scrutiny of numerous study commissions established by the General Assembly since 1959.

HISTORY OF INCORPORATION

The 1980 joint study commission speaks to the rational behind the state policy that annexations within an urban area are preferable to separate incorporations when it started "under these circumstances extending present city boundaries to include adjacent urbanizing territory is a logical approach to providing an area with local governmental services. Efficiency and economy, dictate this approach be taken. A recognition at the states separate urban areas are almost uniformly a single social and economic unit suggests annexation in preference to other possible approaches".

The report goes on to site the example of growth in the City of Raleigh. "One has only to consider an alternative to illustrate the desirability of encouraging annexation as a state policy in most cases. In 1900 Raleigh's population was about 13,600. Today it is estimated at about 160,000. If Raleigh's boundaries had not been expanded over this period and the surrounding area had grown as it has, Raleigh could be encircled today with 12 cities equal to its 1900 size. Or by 15 cities of Garner's current size or with an even larger number of overlapping special districts. It is difficult to image that the citizens of the area would be better served by such a large number of governments than they are by a single city. But in the absence of annexation by Raleigh, some alternate arrangement would have been necessary."

The joint commission concludes on the subject of incorporation by stating "the state's policy of encouraging annexation - which means enlarging the existing water plant rather than building a new one, or enlarging an existing police force rather than creating a new one - seems clearly in the best interest of all citizens when done with the safeguards that are built into North Carolinas annexation statutes."

ASHEVILLE BUNCOMBE LOCAL GOVERNMENT STUDY COMMISSION

On January 12, 1977 a report of the Asheville Buncombe local government study commission was presented. This report which was the result of a 15 month process involving a number of citizens dealt with how services should be provided to all citizens in

Buncombe County. The commission concluded that in the area of annexation "where areas are adjacent to the City of Asheville or the five smaller towns and are urbanely developed as defined by the annexation statutes or where the property owners submit petitions, the commission recommends that the areas be annexed as a means of providing these areas with the needed municipal type services."

The commission goes on to make a recommendation on new incorporations when it states"the commission recommends that no new incorporations take place within five miles of the City of Asheville's boundaries, the limitation now provided by law. The only possible exception to this rule is the Swannanoa Community, most of which is over five miles from Asheville's boundary". Therefore, it is obvious that the commission found that the general policy of the state of North Carolina should also apply to the Buncombe County area.

CONSIDERATIONS WHEN ANNEXING ACROSS A COUNTY LINE

As it was previously stated, at this point in time the City staff has not undertaken any studies involving the annexation of areas outside Buncombe County. We, therefore, have not done an exhaustive amount of research that would give the pros and cons of an annexation that would cross a county boundary.

Obviously, this type of an annexation would have many inherent problems which may or may not make an annexation of this manner attractive to the City of Asheville. As it was previously pointed out, this area is in a different judicial district and legislative district. Certainly there could be some cause for confusion among residents. There could also be a problem with overlapping school districts and tax districts. All of these overlapping districts would definitely cause operating concerns for the City of Asheville. However, one must keep in mind that at the present time there are also overlapping districts such as school districts that overlap the city boundaries, fire districts and sanitary districts that also may overlap each other all of which create some operating concerns for residents.

At the present time, there is not a prohibition of cities crossing county lines, in fact the following cities have been identified as being located in more than one County:

Battleboro	Blowing Rock
Elkin	Durham
High Point	Gibsonville
Mebane	Hickory
Chapel Hill	Kannapolis
Griffton	Longview
Kenley	Mount Olive
Rocky Mount	Sharpsburg

SUMMARY

For many years the state of North Carolina has said that it is important that as an area becomes urban in nature that it should be provided with municipal like services. There are a number of mechanisms for providing those services, such as:

1) A service district can be established if specific services are desired.

2) The State has said that if an area is outside of a currently incorporated and urbanized area that incorporation of a city is most appropriate.

3) The State has adopted as its policy that if an area develops in an urban manner as defined by the General Statutes, and if it is within close proximity to a larger urban area, then services should be provided through annexation.

The issue of crossing a county line in order to provide services to the town of Fletcher certainly adds additional considerations to any decision that the City Council of Asheville would have to make at this point in time. It is clear that if this area is in need of services that it is the policy of the State of North Carolina that a mechanism be chosen to provide those services. It is clear, however, that it is not the policy of the State of North Carolina to allow for an incorporation of any urbanized area for the reason of blocking the orderly growth of an incorporated urban area.

The Industrial development of the old Asheville/Hendersonville Airport property, the development of the Asheville Regional Airport, the extension of water lines by the City of Asheville, and the extension of sewer lines by MSD have contributed to the growth of this area. Fletcher most likely needs services. The question that needs to be answered is how can these services best be provided in the context of the urban area.

Pat Richie, Chairperson for residents of Fletcher who want to incorporate, said they are required by statute to notify Councils within five miles of an area seeking incorporation. She presented Mayor Bissette with the notification and asked that he sign that Council had received the notification that the Town of Fletcher intends to seek incorporation. She said this request would be presented to the 1989 General Assembly. She said during a recent meeting of the residents of the Fletcher Community, about 200 in attendance, it was the consensus of all attending that they wanted Fletcher to be incorporated. She said the residents are willing to be taxed for their services. She commented on a recent statement that people in Fletcher use Asheville and are not contributing to Asheville, stating that Fletcher is a large industrial area and the majority of the employees in these industries are not residents of Fletcher. She said as far as Council sending out "bad signals" to surrounding communities, the Fletcher community is in an entirely different county - Henderson County - and a different judicial district.

She said for these reasons and others the Town of Fletcher wishes to incorporate. She requested that Council approve a resolution supporting the incorporation of the Town of Fletcher pursuant to General Statute 120-166 (b) (3).

Vice-Mayor Michalove said in his opinion it would be in the best interests of both counties not to have another incorporated area. He said there are other options - such as special tax districts - preferable to incorporation to provide the Fletcher residents with the services they desire. He said officials are looking toward not creating more government but less government.

Vice-Mayor Michalove then moved to deny the request to adopt a resolution supporting the incorporation of the Town of Fletcher. This motion was seconded by Councilman Frank.

The City Attorney said the Statutory Commission can not make a positive recommendation on the request for incorporation if certain factors do not exist. He said if City Council does not adopt a resolution supporting the incorporation the General Assembly would have to have an affirmative vote of 3/5th to pass the request.

Councilman Bratton said she did not feel comfortable voting against the request because annexation of Fletcher by a future Council would disrupt school districts within the two counties.

Councilman Martin said there are no immediate plans to annex Fletcher. He said, however, the City of Asheville has a rather large investment in the Fletcher community with the Airport and water and sewer lines. He said State law favors less government rather than more government. He said all factors need to be weighed with the future in mind.

Councilman Frank said she feels Council is committed to the citizens of Asheville and more facts need to be determined prior to deciding whether to annex Fletcher in the future.

Councilman Price agreed with Councilman Frank. She said she would rather take no action but since Fletcher has asked then Council must take some action.

Mayor Bissette said he would not be in favor of annexing into another County and therefore, he would be voting against Vice-Mayor Michalove's motion.

Ralph Bishop spoke in opposition to Asheville annexing the Town of Fletcher.

Vice-Mayor Michalove's motion passed on a voice vote of 4-2, with Mayor Bissette and Councilman Bratton voting "no."

B. Ordinance No. 1711 - Budget Ordinance amendment allocating CDBG funds for the current year.

Mayor Bissette said the City has recently received its letter of credit from HUD for $997,000 in CDBG funds for the current year program. The allocation of these funds were approved by City Council on May 24, 1988 in Resolution No. 88-83. This ordinance will appropriate the funds into the budget.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1711. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1711 passed on first and final reading.

Ordinance Book No. 11 Page No. 317

C. Ordinance No. 1712 - Budget ordinance amendment to provide funds for staff car for long-distance travel.

Mayor Bissette said the City Motor Pool requires an additional reliable staff car for long distance travel. Money originally appropriated for inspector vehicles is better used for the City-wide Motor Pool.

Councilman Martin moved for the adoption of Ordinance No. 1712. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1712 passed on first and final reading.

Ordinance Book No. 11 Page No. 318

E. Sign permit for off-premises advertising sign at 535 Tunnel Road.

Mayor Bissette said Holland Outdoor Advertising Company has requested a sign permit to erect an off-premises advertising sign 14' x 48' at 535 Tunnel Road. This sign permit requires Council approval since it will be situated closer than 600' from a limited access highway.

Patty Tallerday, Acting Director of Planning, said the Zoning Ordinance requires approval of Council since the sign will be situated closer than 600' from a limited access highway. She said the sign will be within 600' of I-240 and is located close to Poncho's Restaurant on Tunnel Road. She said the sign will be 672 square feet per face and the sign meets all the criteria of the existing sign ordinance. She said the sign would fall under the amortization schedule of the proposed new sign

ordinance. She showed a video of the location of the proposed sign.

Attorney Gary Rowe, representing Holland Outdoor Advertising Company, said his client was granted a permit to proceed with the installation of the sign; entered into a contract with the Mann Company for the lease of the property; and expended funds for the installation of the sign prior to receiving a call to stop the installation since it would be within 600' of a limited access highway and would require the approval of Council. He presented a copy of the permit and showed pictures of the location of the proposed sign. He said his client has expended 90% of the $50,000 cost for the sign. He said his client complied with all city regulations. He said his client should be allowed to proceed with the installation of the sign.

After discussion, Vice-Mayor Michalove moved to table action on the sign permit request until next week giving the City Attorney an opportunity to research the request. This motion was seconded by Councilman Price and carried unanimously.

F. Approval of final plat - Silverstone Subdivision - end of New Haw Creek Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on November 11, 1987, reviewed and approved the preliminary subdivision plat subject to: 1) Board of Adjustment granting a variance on required front footage on Lots 11 and 12; and 2) Letter of approval from Water and Sewer Department on adequacy of water. These contingencies have been complied with and the final plat is submitted for approval.

Patty Tallerday, Acting Director of Planning, said all the conditions outlined by the Planning and Zoning Commission have been complied with. She showed a video of the proposed subdivision.

Al Pearce, developer, said the roads would be constructed to North Carolina Department of Transportation standards.

Vice-Mayor Michalove moved to approve the final plat of the Silverstone Subdivision. This motion was seconded by Councilman Martin and carried unanimously.

V. CONSENT:

A. **Resolution No. 88-142 - Resolution authorizing the City Manager to transfer personal property intergovernmentally.**

SUMMARY: The Print Shop would like to transfer a lettering machine to the Buncombe County Library System. The Print Shop no longer needs this machine for lettering purposes.

Resolution Book No. 17 Page No. 234

B. Sale of Disposal Parcel 159 in the East End/Valley Street Community Improvement Program.

SUMMARY: The Housing Authority has tentatively accepted a bid for Disposal Parcel 159 in the East End/Valley Street Community Improvement Program from Mr. and Mrs. Kirklen Evans in the amount of $6,700 to be used for residential purposes. Parcel 159 is located on Lincoln Street. Mr. and Mrs. Evans are being displaced from their home at 46 Martin Luther King, Jr. Drive. They propose to build a new home approximately 1,200 sq.ft. with 3 bedrooms, 2 baths on Disposal Parcel 159. The Evans will be eligible for the "Dollar lot" subsidy.

C. Bids for Bulk Sodium Chloride (Rock Salt) for snow and ice control.

SUMMARY: Estimated requirement of 600 tons of bulk sodium chloride for snow and ice control for the winter of 1988-89 is recommended to the low bidder, Domtar Industries, Inc., Schiller Park, Illinois, in the amount of $21,960.00.

Upon motion of Councilman Frank, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

REPORT - ASHEVILLE MALL EXPANSION PROJECT

The City Manager said a response has been received from Richard L. Coleman, Jr. relative to the City's letter to him dated August 30, 1988. He said a report would be given to members of Council in the near future. He also reported that the owners, developers, residents of White Pine Drive, and city staff had their first meeting to come up with solutions to problems involving the Asheville Mall Expansion Project.

COUNCILMAN FRANK - BOARD OF DIRECTORS - LEAGUE OF MUNICIPALITIES

Vice-Mayor Michalove moved that a letter be written recommending Councilman Mary Lloyd Frank to the Board of Directors of the North Carolina League of Municipalities. This motion was seconded by Councilman Price and carried unanimously.

RECOGNITION TO BARBARA BLAKE - NEWS REPORTER FOR ASHEVILLE CITIZEN-TIMES PUBLISHING COMPANY

Mayor Bissette commended Barbara Blake on receiving a national award for an article written on the Vietnam Memorial.

STAN KANUPE - 39 CAMPGROUND ROAD - COMPLAINT

Stan Kanupe of 39 Campground Road spoke to Council relative to individuals at 32 Campground Road having a used car business with junk cars and having large commercial trucks parked in the area.

Patty Tallerday, Acting Director of Planning, said the complaint was investigated and she showed members of Council a video of the location in question. She said it was determined that there is no car dealership in the area. She said a building that was moved on the property had writing on it relative to car sales but the owner has agreed to paint the building. She said there is one overgrown lot in the area to be cleared. She said there is no clear definition of parking of commercial trucks on one's property.

The City Manager said the staff would look into the legality of parking commercial trucks in a residential area.

COUNCILMAN MARTIN - CLEANING UP OF RIVERSIDE DRIVE

Councilman Martin asked that the city staff look into the possibility of screening the junk dealer's property on Riverside Drive. He said Riverside Drive needs to look better and cleaner.

The City Manager said the staff would look into this request and have a report for members of Council.

CLAIMS - MAXINE BLACKWELL (STREETS) - CARL REID (POLICE) - MARY JOHNSON (WATER) - MADGE BURLESON (SEWER)

The City Manager said the City received claims received from Maxine Blackwell, Carl Reid, Mary Johnson, and Madge Burleson.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO INSTITUTE OF GOVERNMENT

Ralph Bishop again asked the City Attorney by what authority the Institute of Government has to interpret state laws.

The City Attorney responded that he had furnished Mr. Bishop with all the information available relative to the Institute of Government.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:40 p.m.

MAYOR

CITY CLERK

Tuesday - September 27, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Councilman Walter Boland and Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - SEPTEMBER 20, 1988

Mayor Bissette announced the approval of the minutes of the September 20, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - September 26 - 30, 1988 - Minority Enterprise Development Week

Mayor Bissette read the proclamation and presented a copy to Charles McElrath with the Minority Enterprise Council. Mr. McElrath introduced James Grant, Minority Business Person of the Year and outlined the events taking place during Minority Enterprise Development Week.

C. Proclamation - "Foster Care Awareness Week" - October 2-9, 1988

Mayor Bissette read the proclamation. He said the proclamation was requested by the Foster Care agencies of Buncombe County - Bethany Christian Services - Catholic Social Services - Professional Parenting, Eliada Home, and the Buncombe County Department of Social Services. He presented a copy to Betsy Candler from the Buncombe County Department of Social Services.

D. Proclamation - October 2 - 8, 1988 - "Mental Illness Awareness Week"

Mayor Bissette read the proclamation and presented a copy to Mary Lane Travis from the Western Carolina Alliance for the Mentally Ill.

II. PUBLIC HEARINGS:

A. Public hearing relative to site plan of Lowe's of West Asheville to be located on Patton Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission on September 7, 1988, reviewed and approved the site plan subject to the following contingencies:

1. Letters of approval from MSD and Water and Sewer Services;
2. Letter from Asheville Fire Department approving adequacy of proposed lines for fire fighting purposes;
3. Recordable grading easement from adjoining property owners;
4. No grading or tree removal adjacent to R-2 areas until final approval; and
5. Sign package to comply with existing Sign Ordinance.

Mayor Bissette opened the public hearing at 4:37 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Patty Tallerday, Acting Planning Director, said the project will be located on West Patton Avenue. She said approval has been received from the Metropolitan Sewerage District, Water and Sewer Department and the Fire Department. She said the project will be on 13 acres that is currently zoned Commercial Highway and R-2 Residential District. She said the developers met with the Malvern Hills Homeowners' Association regarding construction, buffering, lighting, screening of utilities, fencing and plantings. She said project will consist of two buildings with 70,000 square feet with a utility building in the rear of the property. She said the proposed project meets all group development regulations. She said the developer has received access approval from Patton Avenue for two entrances. She said grading and drainage permits have been issued. She said the sign package meets the existing sign ordinance requirements but does not meet the proposed sign ordinance and the developer is aware of the proposed regulations.

Ms. Tallerday showed a video of the property proposed to be developed.

After discussion, Mayor Bissette requested that the City Attorney review the buffer ordinance and determine, as a matter of interpretation, whether or not a 20' buffer is required on a commercial zone from a residential zone.

E. G. Roberts, School Road, Malvern Hills, said it was his understanding that there would be a 35' barrier for residents on Arthur Road.

After discussion, Mayor Bissette closed the public hearing at 5:04 p.m.

Councilman Price moved for the approval of the site plan of Lowe's of West Asheville to be located on Patton Avenue subject to the recommendations of the Planning and Zoning Commission and further that buffering remain as outlined by the Planning Staff-(being a 35' strip of land zoned R-2 is to serve as an undisturbed buffer strip around the east and north perimeter of the property. In addition a double row of white pines will be planted on the eastern side of the property and a fence will separate the developed portion of the project from areas where vegetation is to remain undisturbed - further described on the site plan approved September 27, 1988 on file in the Planning Department.) This motion was seconded by Councilman Martin and carried unanimously.

Charles Harkins, owner of Lot 50 which adjoins the property proposed to be developed, asked that the developer put in additional trees to alleviate the residents from seeing the project from their residences.

Mayor Bissette suggested that a committee be established consisting of a representative from the developer, the Malvern Hills Homeowners' Association, and the Planning Staff to solve any problems or complaints that might arise from the construction of the project.

B. Public hearing relative to closing a portion of Cliff Street.

Mayor Bissette said a petition has been filed by Westgate Shopping Center of Asheville, Inc. requesting that a portion of Cliff Street which has never been paved or otherwise utilized be permanently closed to the public use. This closing is in connection with the Westgate Shopping Center Expansion Project - Phase II.

Mayor Bissette opened the public hearing at 5:10 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Patty Tallerday, Acting Planning Director, said the street is requested to be closed as a part of the approval requirements for the Westgate Parkway Expansion Project - Phase II. She said all questions regarding easements have been resolved.

George Coggins, owner of two lots facing on Cliff Street, opposed the closing of Cliff Street as proposed. He said the closing would eliminate right of way to his property on the north and south. He said no one has contacted him about the proposed closing.

The City Attorney commented that the Cliff Street proposed to be closed has never officially been paved or opened but is shown on a recorded plat. He said the closing as proposed would conform to public records and would be consistent with what is actually reality.

Alfred Adams, Attorney representing the Westgate Corporation, said the dedicated right of way for Cliff Street and the actual road construction which was originally done by George Coggins is different. He said this closing would clear up the records. He said when Mr. Coggins sold this property to the Westgate Corporation he reconfirmed the manner in which Cliff Street is recorded by deed reference. He said by making this reference Mr. Coggins reserved the easements from the City. He said Mr. Coggins originally created the present access and the closing would not violate Mr. Coggins rights.

Upon inquiry of Vice-Mayor Michalove, the City Attorney said the City maintains Cliff Street. He presented a letter to Mr. Coggins from former City Manager Weldon Weir, dated June 26, 1957 stating that the City would accept and maintain Cliff Street.

Mr. Coggins said if the City closes Cliff Street as proposed they would be taking his property without compensation. He said part of the area proposed to be closed is his property on the south. He said the matter may have to be decided in the courts.

The City Attorney indicated that the survey plat, prepared by Anders, shows Cliff Street as an official street. He said the 1985 official street inventory shows Cliff Street as a street.

At the request of the City Attorney, Councilman Price moved that Council go into executive session to discuss a legal matter. This motion was seconded by Councilman Frank and carried unanimously.

After reconvening, Mayor Bissette closed the public hearing at 5:53 p.m.

Councilman Price moved to postpone action on the closing of Cliff Street for two weeks. This motion was seconded by Councilman Frank and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1713 - Ordinance relative to the annexation of property generally known as the Beaverdam Valley Area.

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be reread in its entirety.

Upon inquiry of Mayor Bissette relative to questions raised during the public hearing, the City Manager said Beaverdam Volunteer Fire Department has indicated an interest in a contract for the continuance of their services in the Beaverdam area. He said there would be several options for the property owners in Beaverdam that will not be in the annexed area. He said as far as the boundaries are concerned the state statute regarding annexation doe not allow the forming of straight lines. He said whereever possible the natural topography lines are followed which sometimes creates irregular boundaries.

Dr. Bill Thurman, 180 Webb Cove Road, living outside the proposed annexation area, presented a petition containing approximately 193 signatures of property

owners in the area who oppose the proposed annexation.

George Hyler, speaking on behalf of residents in the Beaverdam area, said they would seriously question whether the City followed the requirements of the state statute regarding annexation. He said the proposed boundary does not follow ridge lines or street lines. He said in his opinion the Volunteer Fire Department personnel will not fight fires when they are paying taxes for that service no matter what the Fire Board decides. He said they would also dispute the percentages used for the proposed annexation.

Councilman Frank moved for the adoption of Ordinance No. 1713. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1713 passed on first reading with Councilman Bratton "abstaining".

Vice-Mayor Michalove requested that prior to the second reading of the ordinance that contact be made with the Beaverdam Volunteer Fire Department to get an interpretation on their requests. He also asked for a report on the individuals that were left out of the proposed annexation in terms of population.

B. **Ordinance No. 1714 - Ordinance relative to the annexation of property generally known as the Hansel Avenue Area.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988.

Mayor Bissette said the ordinance was previously furnished to members of Council and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1714. This motion was seconded by Councilman Frank.

On a roll call vote of 5-1, Ordinance No. 1714 passed on first reading, with Councilman Martin voting "no" and Councilman Bratton "abstaining".

C. **Ordinance No. 1715 - Ordinance relative to the annexation of property generally known as the Plemmons Property.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988.

Mayor Bissette said the ordinance was previously furnished to members of Council and it would not be read in its entirety.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1715. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1715 passed on first reading, with Councilman Bratton "abstaining".

D. **Ordinance No. 1709 - Third reading of an ordinance establishing the City Hall Building as historic property.**

Mayor Bissette said plans for a major rehabilitation of the City Building are now being drafted. The Historic Resources Commission Director is already been given ample opportunity to express preservation concerns and sees no major problems with the direction of the project; however, the more formalized review designation would be more desirable and appropriate - the City setting an example with this most significant building.

Mayor Bissette said the ordinance was previously read on first and second readings and it would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1709 passed on third and final reading.

Ordinance Book No. 11 Page No. 312-314

E. **Ordinance No. 1710 - Second reading of an ordinance zoning Oteen property annexed into the City Limits August 31, 1988.**

Mayor Bissette said the Asheville Planning and Zoning Commission on August 17, 1988 reviewed and recommended zoning for the Oteen Property which was annexed into the City Limits on August 31, 1988.

Mayor Bissette said the ordinance was previously read on first reading and it would not be reread in its entirety.

Verl Emrick, from the Planning Department, said after researching the proposed Heavy Industrial zoning it was determined that the current business could continue in operation with a Light Industrial zoning classification.

Councilman Price moved to amend Ordinance No. 1710 to zone Lot 30, Sheet 47, Ward 8 to Light Industrial in lieu of Heavy Industrial. This motion was seconded by Ccuncilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1710 passed on second reading as amended.

F. Sign permit for off-premises advertising sign at 535 Tunnel Road.

Mayor Bissette said Holland Outdoor Advertising Company has requested a sign permit to erect an off-premises advertising sign 14' x 48' at 535 Tunnel Road. This sign permit requires Council approval since it will be situated closer than 600' from a limited access highway. Action continued from September 20, 1988 meeting.

Gary Rowe, Attorney representing Holland Outdoor Advertising Company, said his client does not have additional information to add except if Council desired they could determine the expenses incurred prior to being informed that the sign permit would have to be approved by the City Council. He said his client complied with the sign ordinances and acted in good faith and requested Council's favorable approval on the sign permit.

Rendall Davis spoke in opposition to huge signs near the interstates.

Councilman Bratton said in her opinion Council should move in the direction of putting a sign ordinance on the books so businesses would know what requirements they have to meet.

After discussion, Councilman Price moved to deny the sign permit for an off-premises advertising sign at 535 Tunnel Road. This motion was seconded by Councilman Frank.

Councilman Bratton said under the present sign ordinance the sign is allowed. She said Council should go by this ordinance until such time as a new ordinance is adopted or a moratorium on off-premises

signs is imposed. She said she felt this is unfair to businesses.

On a voice vote of 5-1, Councilman Price's motion passed with Councilman Bratton voting "no".

Vice-Mayor Michalove moved to schedule a public hearing relative to imposing a moratorium on off-premise advertising signs for October 11, 1988. This motion was seconded by Councilman Price and carried unanimously.

IV. NEW BUSINESS:

A. Ordinance No. 1716 - Ordinance amending Section 18-12 of the Code of Ordinances regulating noise.

Mayor Bissette said at Council's direction, the City Attorney has proposed an amendment to the noise ordinance to regulate noise within 500 feet of a residential district during building operations and has also proposed to include noise from loud speakers and amplifiers.

The City Attorney said recent activities brought to light that the noise ordinance needs to be revised for the protection of residential citizens. He outlined the new provisions for the noise ordinance regarding building construction and loud speakers.

Councilman Price asked if loud speakers could be screened to be diverted away from residential property even during day time hours. She asked if the loud speakers could be controlled by decibel levels.

Councilman Frank said there are noise problems 24 hours a day and there should be some means of controlling them.

Ruben Falk from Beverly Hills spoke to members of Council relative to a noise problem in their neighborhood from loud speakers on Tunnel Road. He requested that the noise ordinance be more specific.

Rendall Davis, 285 White Pine Drive, requested that when an exception is made to the noise ordinance that the residents be notified in advance. He also suggested that neighborhood organizations be given an opportunity to give input into the ordinance. He also suggested that ordinance define the enforcement of the ordinance and where an individual complains about noise. He said decibel levels at certain lengths should be enforced.

Mr. Wade from Skyland spoke to members of Council relative to the noise from Clarke Equipment Company particularly at night during the second shift. He said he has talked with city officials as well as officials from Clarke Equipment Company.

Bob Johnson, with Clark Equipment, VME Americas, said his company did not oppose annexation and looked forward to the advantages of being in the City Limits. He said their property is zoned Heavy Industrial and they manufacture heavy construction equipment. He said it is very difficult at times to keep the noise of the operation down but they have taken several measures to keep the noise to a minimum. He said his company has an expansion program which will invest over $6 million in 1989 and employ an addition 50 people. He asked that Council take these factors into consideration when acting upon a noise ordinance.

Councilman Frank moved for the adoption of Ordinance No.1716. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1716 passed on first reading.

Vice-Mayor Michalove suggested that input be received from neighborhood groups and to look into the feasibility of including noise from teenagers in residential areas, particularly habitual noise makers. He said Council should also look at the industry side of the ordinance.

Councilman Bratton suggested getting input from local industries.

B. **Resolution No. 88-143 - Resolution authorizing the City Manager to execute an agreement with Municipal Advisors for a Pay Plan Contract.**

Mayor Bissette said this contract will authorize the North Carolina League of Municipalities, through Municipal Advisors, Inc., to conduct a City-wide pay and classification study.

Mayor Bissette said members of Council were furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, Resolution No. 88-143 was unanimously adopted.

C. **Ordinance No. 1717 - Budget Ordinance amendment for economic loss for garbage haulers in the newly annexed areas.**

Mayor Bissette said this budget amendment would provide funding to pay economic loss to solid waste collectors affected by annexation.

Mayor Bissette said the ordinance was previously presented to members of Council and it would not be read in its entirety.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1717. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1717 passed on first and final reading.

V. CONSENT:

A. **Scheduling of public hearing relative to rezoning property at 22 Herron Avenue - Petition of Attorney Harold Bennett for Mr. David Caudel for October 11, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission on September 7, 1988 reviewed and recommended approval of rezoning a portion of Lot 1, Sheet 10, Ward 6, from R-3 Residential District to CS Commercial Service District with a 5' strip along Herron Avenue to remain R-3 Residential District. Ordinance is attached for your consideration.

B. **Scheduling of public hearing relative to zoning property in the South Annexation area including the Racquet Club and Deerfield (Limestone) annexed into the City Limits for October 11, 1988.**

SUMMARY: The Asheville Planning and Zoning Commission has recommended zoning for the South Annexation Area.

C. **Motion authorizing the City Manager to request the County of Buncombe to amend their contract for a 911 system in order for the City to acquire a public safety answering point.**

D. Scheduling of public hearing relative to amending Zoning Ordinance No. 322, Section 30-11-3, wording amendment relative to protest petitions for October 11, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on September 21, 1988 reviewed and recommended approval of a proposed wording amendment relative to protest petitions.

E. Resolution No. 88-145 - Resolution authorizing the Purchasing Director to dispose of two (2) water storage tanks by sealed bid.

SUMMARY: This is to dispose of two (2) water storage tanks located at the Southwick Development by sealed bid. The Water and Sewer Services Department has requested that these tanks be sold. They have been declared as surplus by the Water and Sewer Services Director.

Resolution Book No. 17 Page No. 237

F. Announcement that the October 4, 1988 Council meeting will be cancelled due to the North Carolina League of Municipalities Convention.

Upon motion of Councilman Martin, seconded by Councilman Frank, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

A. Resolution No. 88-144 - Resolution authorizing the City Manager to execute a lease agreement between the City of Asheville and WASV-TV Incorporated.

At the request of Mayor Bissette Councilman Martin moved to excuse Mayor Bissette from vote and participation in the matter regarding the lease agreement between the City and WASV-TV Incorporated due to a conflict of interest. This motion was seconded by Councilman Frank and carried unanimously.

Vice-Mayor Michalove said WASV-TV Incorporated previously entered into a lease agreement with the City of Asheville for the purpose of leasing space at the City's premises at White Fawn Reservoir, which lease agreement expired on or about March 31, 1988. The City has been negotiating with WASV-TV over the terms of a new lease agreement and an agreement for renewal has been reached. This resolution will authorize the City Manager to execute said lease agreement.

Upon motion of Councilman Frank, seconded by Councilman Martin, Resolution No. 88-144 was unanimously adopted.

Resolution Book No. 17 Page No. 236

B. Ordinance No. 1718 - Budget Ordinance amendment for communications buildings at White Fawn and Mt. Royal sites

Mayor Bissette said this budget amendment will provide funds for buildings at White Fawn and Mt. Royal communications sites. The additional two towers were provided by the private sector and these buildings will house equipment. This will provide the ability to rent tower space for an estimated $28,000 per year.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1718. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1718 passed on first and final reading.

Ordinance Book No. 11 Page No. 366

C. Resolution No. 88-146 - Resolution appointing member to the Asheville Downtown Commission

Mayor Bissette said this resolution will appoint Maurice Winger as a member of the Asheville Downtown Commission to serve the unexpired term of Robert C. Pew, term expiring June 30, 1990, or until his successor is duly appointed and qualified.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, Resolution No. 88-146 was unanimously adopted.

Resolution Book No. 17 Page No. 238

Report - Asheville Mall Expansion Project

The City Manager presented members of Council with an updated report relative to the construction at the Asheville Mall Expansion Project.

CLAIMS - RUBY MAYBIN (SEWER) - MRS. GUS FILKINS (WATER) - CARTER POUNDERS, JR. (WATER) - MRS. BEN WALSH (WATER) - STEPHEN LAWSON

(CIVIC CENTER) - KRISTIN KELLY (CIVIC CENTER)- MARK CARLSON (SEWER) - O.C. DAVIS (SEWER) - DEBORAH MILLS (CIVIC CENTER) - W.F. HENNESSEE (SEWER)

The City Manager presented claims received from Ruby Maybin, Mrs. Bus Filkins, Carter Pounders, Jr., Mrs. Ben Walsh, Stephen Lawson, Kristin Kelly, Mark Carlson, O. C. Davis, Deborah Mills, W. F. Hennessee.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Patty Tallerday, Acting Director of Planning, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the new procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on September 21, 1988.

(1) WESTERN AUTO ADDITION TO OAKLEY PLAZA SHOPPING CENTER

Ms. Tallerday said the Asheville Planning and Zoning Commission on September 21, 1988, reviewed and recommended approval of the group development plans of the Western Auto Addition to Oakley Plaza Shopping Center to be located on Fairview Road subject to the following conditions:

a) Buffering on their property in accordance with Section 30-3-14 of the Zoning Ordinance;

b) Participation agreement with City on sewer line.

Ms. Tallerday said no opposition was received prior to or at the meeting, and that this group development had been unanimously approved by the Planning and Zoning Commission.

The City Council took no action on this site plan, making the action of the Planning and Zoning Commission final.

(2) OAKVIEW APARTMENTS - WEST STREET OFF FAIRVIEW ROAD

Ms. Tallerday said the Asheville Planning and Zoning Commission on September 21, 1988, reviewed and recommended

approval of the group development plans of Oakview Apartments on West Street off Fairview Road subject to the following conditions:

a) City accepting 6" sewer line; and

b) Compliance with Erosion Control Ordinance.

Ms. Tallerday said on August 3, 1988, nine property owners spoke in opposition to the project. Concerns were increased traffic on Fairview Road, overcrowded school and apartments coming into the single-family neighborhood. On September 21, 1988, Mr. Adolphus Cook presented a letter of opposition bearing 55 signatures.

Vice-Mayor Michalove said due to the amount of interest he would prefer to have a public hearing on this group development. He moved to schedule a public hearing on the matter for Tuesday, October 18, 1988. This motion was seconded by Councilman Martin and carried unanimously.

ADJOURNMENT

Upon motion of Councilman Martin, seconded by Councilman Frank, the meeting adjourned at 7:55 p.m.

MAYOR

CITY CLERK

Tuesday - October 11, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter R. Boland

INVOCATION

The invocation was given by Councilman Price.

APPROVAL OF MINUTES - SEPTEMBER 27, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the September 27, 1988 meeting.

I. PROCLAMATIONS:

A. Proclamation - Asheville Area Chamber of Commerce Day - October 11, 1988

Mayor Bissette read the proclamation. He stated that a copy was given to the Asheville Area Chamber of Commerce during a meeting on Monday, October 10, 1988.

B. Proclamation - Industrial Appreciation Day - October 14, 1988

Mayor Bissette read the proclamation. He said a copy of the proclamation would be presented to the Asheville Area Chamber of Commerce during a luncheon on Friday, October 14, 1988.

II. PUBLIC HEARINGS:

A. Public hearing relative to rezoning property at 22 Herron Avenue - Petition of Attorney Harold Bennett for Mr. David Caudel.

Ordinance No. 1719 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Attorney Harold Bennett for David Caudel, property located at 22 Herron Avenue.

Mayor Bissette said the Asheville Planning and Zoning Commission on September 7, 1988 reviewed and recommended approval of rezoning a portion of Lot 1, Sheet 10, Ward 6, from R-3 Residential District to CS Commercial Service District with a 5' strip along Herron Avenue to remain R-3 Residential District.

Mayor Bissette opened the public hearing at 4:35 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carol Albrice, from the Planning Department, said the Planning and Zoning Commission said the lot in question is located on Herron Avenue, one lot off of Haywood road. She said the lot is surrounded by residential and commercial service districts. She said the property has an offer to purchase contingent upon the rezoning. She said access would be off Herron Avenue. She said the Planning and Zoning Commission wanted a 5' strip along Herron Avenue to remain R-3 Residential District. She said the 2010 Comprehensive Plan does not indicate this property for an expanded commercial area. She said Herron Avenue is basically a low density residential area.

Mike Moser, Chairman of the Planning and Zoning Commission, said the Commission recommended approval but requested the 5' strip remain residential to allow for a buffer between the residential and commercial property.

David Caudel, petitioner, said the rezoning is requested to expand his business. He said if the property is not rezoned he will be forced to move his business to another location where City requirements are less restrictive. He said the only access will be from existing commercial property.

Mike Demos, Demos Furniture and Appliance Company, spoke in support of the rezoning.

Carol Albrice said no written oppositions to the rezoning was received. She said the main oppositions at the meeting were increased traffic in the area and the fact that Herron Avenue has no sidewalks.

Mayor Bissette closed the public hearing at 5:05 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1719 contingent upon the Planning and Zoning Commission's recommendation. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1719 passed on first reading.

B. **Public hearing relative to amending Zoning Ordinance No. 322, Section 30-11-3, wording amendment relative to protest petitions.**

Ordinance No. 1720 - Ordinance amending Ordinance No. 322, known as "An ordinance providing for the zoning of the City of Asheville," as amended (wording amendment - Section 30-11-3. Protests)

Mayor Bissette said the Asheville Planning and Zoning Commission on September 21, 1988 reviewed and recommended approval of a proposed wording amendment relative to protest petitions.

Mayor Bissette opened the public hearing at 5:08 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Patty Tallerday, Acting Director of Planning, said the proposed amendment clarifies the protest petition procedure and sets forth a prescribed form to be used for protest petitions. She said this amendment also prescribes that the protest petition procedure does not apply for an initial zoning of property added to the territorial coverage of the ordinance as a result of annexation or otherwise.

The City Attorney said this amendment would allow the city ordinance to conform to state law.

Mayor Bissette closed the public hearing at 5:11 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1720. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1720 passed on first reading.

C. Public hearing relative to zoning property in the South Annexation Area including the Racquet Club and Deerfield (Limestone) annexed into the City Limits.

Ordinance No. 1721 - An ordinance amending Ordinance No. 322, known as "An Ordinance providing for the zoning of the City of Asheville," as amended, South Annexation Area including Racquet Club and Deerfield

Mayor Bissette said the Asheville Planning and Zoning Commission has recommended zoning for the South Annexation Area.

Mayor Bissette opened the public hearing at 5:12 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, from the Planning Department, said the property to be rezoned is in the South Annexation Area including the Racquet Club and Deerfield annexed into the City Limits as of August 31, 1988. He presented tax maps and a generalized map showing the proposed zoning and a comparison document showing Limestone Township zoning compared to the proposed zoning by the Planning and Zoning Commission. He said the Planning staff met with the Limestone Planning Council, the Racquet Club, the Condominium Club and the Oak Forest Homeowners Association relative to the zoning. He presented certifications of notifications of the zoning that were sent to all affected property owners. He said in proposing the various zoning districts the 2010 Comprehensive Plan, nonconforming uses, and the concepts used by the Limestone Planning Council were taken into consideration.

By the use of a map, Mr. Emrick outlined the proposed zoning for all areas. He said a number of letters and telephone calls had been received requesting specific changes to the zoning as proposed by the Planning and Zoning, which were generally as follows:

1. Ward 7, Sheets 92, 93, 102: All R-2 change to R-1.

2. Ward 7, Sheet 94, Lot 49 and 8: Change to CG Commercial General

3. Ward 7, Sheet 109, Lots 1, 2, 3, 4, 5, 6, and 88: Change to R-4 Residential

4. Ward 7, Sheet 108, Lot 45: Change to R-3 Residential District.

5. Ward 7, Sheet 98, Lots 282 and 298: Change to CS and create a CS paragraph in the ordinance.

Zack Ledbetter requested that Ward 7, Sheets 92, 93, and 102 be changed to a R-1 Residential District classification.

Bill Estes, 186 Birch Lane, said the Limestone Planning Council worked long and hard on zoning the property in this area and requested that the area on Birch Lane remain zoned to a R-1 Residential District classification. He said this area is strictly a single family residential area.

Dick Woody, from Skyland, requested that Council leave the area as the Limestone Planning Council originally zoned it. He said the residents do not want duplexes, condominiums, or multifamily units in the area that is strictly a single family residential area.

Jane Heath, of 242 Birch Lane, said her property was not annexed but feels it will be next in Asheville's annexation process. She requested that Council follow as closely as possible the zoning by the Limestone Planning Council.

Clifford Edmonds, owner of Sweeten Creek Cottages, said he owns eight acres with mobile homes and cottages on the property. He requested that the zoning by the City allow him the opportunity to expand his business.

Mr. Emrick said the staff could possibly look at a R-4 zoning classification for Mr. Edmond's property which would allow for expansion of the business with a group development review.

Gene Shope from Arden said he owns seven acres on Sweeten Creek Road. He said he purchased the property for commercial use. He requested that his property be zoned CG Commercial General.

Mayor Bissette requested that the Planning Staff review the proposed zoning for Mr. Shope's property.

Albert Sneed, Attorney representing VME America (Clarke Equipment Company), said his client could comply with a Heavy Industrial zoning classification but could not comply with Light Industrial.

Garland Wade referring to the noise that comes from VME America's operations requested that Council do

something about the noise coming from the blowers at VME America. He said the company had stopped the knocking noise but needs to do something to stop the blowers from roaring in his house at night.

After discussion, Mayor Bissette closed the public hearing at 6:05 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1721. This motion was seconded by Councilman Frank.

Council requested that the Planning Staff look into all the requests made during the public hearing.

On a roll call vote of 6-0, Ordinance No. 1721 passed on first reading.

D. Public hearing relative to imposing a moratorium on the issuance of permits for off-premise advertising signs within the City of Asheville.

Ordinance No. 1722 - An Ordinance imposing a 90 day moratorium on the issuance of permits for off-premise advertising signs.

Mayor Bissette said the Sign Commission, the Asheville Planning and Zoning Commission and the Asheville City Council will conduct a joint work session regarding a proposed sign ordinance in the near future and thereafter the Planning and Zoning Commission and the City Council will consider action thereon. The process should be completed within ninety (90) days. It is in the best interest of the City and all residents of the zoning jurisdiction of the City, as well as persons engaged in the sign business, that signs not be erected during said interim period which would not conform to the new ordinance.

Mayor Bissette opened the public hearing at 6:10 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Attorney said the 90 day time period should give the Sign Commission and Council sufficient time to get the new sign ordinance implemented. He said the ordinance would not apply to on-premises signs. He said he had received a call from Holland Outdoor

Advertising Company's attorney requesting that the ordinance not apply to signs with existing applications for sign permits.

June Grant, a local realtor, said businesses need published guidelines. She questioned the legality of the proposed ordinance.

Jack Brook, speaking on behalf of the Coalition of Scenic Beauty, said at one time he had presented to Council a petition containing some 2,000 signatures asking for a moratorium on sign permits until such time as tighter controls could be implemented.

Paul Garrison with Naegle Outdoor Advertising Company asked for a clarification on what signs would be included in the moratorium, particularly questioning whether or not existing sign permits would be valid.

A discussion was held relative to amending the proposed ordinance to impose a moratorium on signs that would not comply with the proposed revisions to the sign ordinance.

Mayor Bissette closed the public hearing at 6:24 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Martin moved for the adoption of the ordinance imposing a 90 day moratorium on sign permits for signs in excess of 150 square feet per face and in excess of 25' in height. This motion was seconded by Councilman Bratton.

On a roll call vote of 6-0, Ordinance No. 1722 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1722. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1722 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1722. This motion was seconded by Councilman Bratton.

Councilman Price said she would prefer to give the public at least a week's notice of Council's intentions prior to the third reading of the ordinance.

The General Manager of Naegle's Outdoor Advertising Company objected to the ordinance as proposed stating that this would allow his competitor to build signs but would prohibit his company from building theirs. He said in his opinion the proposed ordinance is not fair.

After discussion Vice-Mayor Michalove and Councilman Bratton withdrew their motion to suspend the rules and proceed to the third reading of the ordinance.

III. OLD BUSINESS:

A. **Ordinance No. 1713 - Second reading of an ordinance relative to the annexation of property generally known as the Beaverdam Valley Area.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988. The ordinance was read on first reading on September 27, 1988.

Upon inquiry of Vice-Mayor Michalove, the City Manager said the Beaverdam Volunteer Fire Department is negotiating a five year contract with the City of Asheville for providing fire protection services. He said the Volunteer Fire Department would continue to receive funding from the County for residents they serve that are not being annexed.

On a roll call vote of 6-0, Ordinance No. 1713 passed on second reading.

B. **Ordinance No. 1714 - Second reading of an ordinance relative to the annexation of property generally known as the Hansel Avenue Area.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988. The ordinance was read on first reading on September 27, 1988.

On a roll call vote of 5-1, Ordinance No. 1714 passed on second reading with Councilman Martin voting "no".

C. **Ordinance No. 1715 - Second reading of an ordinance relative to the annexation of property generally known as the Plemmons Property.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988. The ordinance was read on first reading on September 27, 1988.

On a roll call vote of 6-0, Ordinance No. 1715 passed on second reading.

D. **Ordinance No. 1706 - Third reading of Ordinance revising the Motor Vehicle Registration Tax - City Stickers.**

Mayor Bissette said this ordinance would increase revenue and decrease expenses with an estimated net result of $100,000 increase in revenue.

On a roll call vote of 6-0, Ordinance No. 1706 passed on third and final reading.

Ordinance Book No. 11 Page No. 305

E. **Ordinance No. 1710 - Third reading of an ordinance zoning Oteen property annexed into the City Limits August 31, 1988.**

Mayor Bissette said the Asheville Planning and Zoning Commission on August 17, 1988 reviewed and recommended zoning for the Oteen property which was annexed into the City Limits on August 31, 1988.

On a roll call vote of 6-0, Ordinance No. 1710 passed on third and final reading.

Ordinance Book No. 11 Page No. 315-316

F. **Ordinance No. 1716 - Second reading of an ordinance amending Section 18-12 of the Code of Ordinances regulating noise.**

Mayor Bissette said at Council's direction, the City Attorney has proposed an amendment to the noise ordinance to regulate noise within 500 feet of a residential district during building operations and has also proposed to include noise from loud speakers and amplifiers.

Mike Rollins, Executive Director of the Asheville Area Chamber of Commerce, said the Chamber's Economic Development Board will be talking to businesses about the ordinance prior to the third reading; however, from reading the ordinance it appears that businesses would not have a problem complying with the ordinance.

Councilman Martin said the present noise ordinance lists approximately 15 different types of noises that are prohibited. He questioned whether or not it is feasible to list all the specific noises.

The City Attorney said a noise does not have to be specifically prohibited by the noise ordinance in order to be unlawful since a section in the present ordinance provides that it is unlawful "for any person to create, assist in creating, permit, continue or permit the continuance of any unreasonably loud, disturbing or unnecessary noise in the City." He said what constitutes "unreasonably loud," "disturbing" or "unnecessary" would be a judgement call. He said courts could issue an injunction for the abatement of a certain noise.

John Walsh said the ordinance should specify decibel levels.

Rendall Davis said the ordinance should specify decibel levels.

After discussion, Councilman Martin moved to amend the ordinance to exclude the provision relative to loud speakers and sound amplification. This motion was seconded by Vice-Mayor Michalove.

After further discussion, Councilman Martin and Vice-Mayor Michalove withdrew their motion giving the City Attorney an opportunity to prepare an amendment to the proposed ordinance to exclude loud speakers and sound amplification.

Albert Sneed, Attorney representing VME Americas, said in his opinion his client would not be in violation of the proposed ordinance.

On a roll call vote of 6-0, Ordinance No. 1716 passed on second reading.

G. Resolution relative to closing a portion of Cliff Street.

Mayor Bissette said a petition has been filed by Westgate Shopping Center of Asheville, Inc. requesting that a portion of Cliff Street which has never been paved or otherwise utilized be permanently closed to the public use. This closing is in connection with the Westgate Shopping Center Expansion Project - Phase II. A public hearing on this matter was held on September 27, 1988. Action on the resolution was continued until October 11, 1988.

Councilman Frank moved to continue action on the resolution until November 15, 1988. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

H. Presentation by Kenilworth Forest Community.

Rendall Davis from White Pine Drive said Council has not taken any action relative to the complaints the residents on White Pine Drive brought to Council regarding the construction of the Asheville Mall Expansion Project. He said in his opinion the residents in the area deserve some protection. He said something needs to be done about the lights that shine in his house from the mall parking lot. He said he would also like to review the buffering plan.

Mayor Bissette told Mr. Davis that the City staff has been working very close with the residents and the developer and a lot of action has been taken. He said the developer meets the code requirements. He said Council must rely on the City Attorney's opinion as to the developer complying with the ordinances.

The City Manager noted that the developer is complying with the Buffering ordinance, the landscaping plan has been submitted and approved, the lighting plan has been submitted and accepted and that shields will be placed on the parking lot lights after they area installed. He said the buffering plan around the Penny's Loading Dock area shows more trees and higher trees than required by the buffering ordinance. He said there are two outstanding issues that the City Staff is working with the developer on, those being the T-intersection of Bracketown Road and they will be presenting the specifications on that and the grading around the Mosely property and the developer would have to show the City a plan for compliance in this area.

Councilman Bratton said she felt the actions now should be handled administratively and that the City Manager, the City Staff, the residents and the developer are dealing with all the problems associated with the expansion project.

I. Report relative to Campground Road.

The City Attorney presented the following report to members of Council relative to Campground Road:

MEMORANDUM TO: W. Louis Bissette, Jr., Mayor, and Members of the Asheville City Council

FROM: Bill Slawter, City Attorney

DATE: October 7, 1988

SUBJECT: Campground Road

At the September 20 City Council meeting, Mr. Stan Kanope of 39 Campground Road addressed the City Council regarding various activities on his street which may be in violation of the zoning ordinance. One question related to the parking of trucks in the area, especially asphalt trucks that might be associated with a business being conducted in the area. During a discussion regarding his complaints, the question was raised of whether the parking of such trucks in that area would be illegal.

Section 28-51 of the Code of Ordinances prohibits the parking of large trucks on all City streets except for very limited purposes. If trucks such as the asphalt trucks which were described were being routinely parked on Campground Road, they would be in violation of Section 28-51. There is no ordinance which would prohibit the parking of a truck such as this on one's private property. In fact, I doubt that such an ordinance could lawfully be enacted.

If the trucks were being kept in that location as part of a business operation, then the owner of the trucks would be in violation of the zoning ordinance for operating a commercial establishment in a residential district. Gary McDaniels advises me that he has made trips to Campground Road since the September 20 City Council meeting, and has found no evidence of violation of the zoning ordinance. He stated further that he had not seen an asphalt truck in that area. One resident of Campground Road does apparently have a tractor-trailer truck parked in his yard on a recurring basis, but this does not violate any existing law.

Gary plans to continue to monitor the situation and will take action with regard to any zoning violations that he may discover. Please let me know if you have additional questions.

IV. NEW BUSINESS:

A. Ordinance No. 1723 - Budget Ordinance amendment to appropriate second year funding of Fair Housing Assistance Program Grant.

Mayor Bissette said to appropriate Second Year funding of $29,000 of HUD Fair Housing Assistance Program grant funds. Project will be subcontracted

with the Asheville-Buncombe Community Relations Council for staff support to the Fair Housing Commission.

Councilman Martin moved for the adoption of Ordinance No. 1723. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1723 passed on first and final reading.

Ordinance Book No. 11 Page No. 377

B. Report relative to city stickers.

The City Manager said the City is loosing approximately $42,000 annually by providing free parking in the parking garages to individuals having a city sticker. He said Council members need to decide whether or not to continue this procedure. He said perhaps another method of providing parking in the garages could be made available which could be administered in a better manner.

Council members indicated that they would like to study this issue more before making a decision on the city stickers.

V. CONSENT:

A. Sale of Disposal Parcel 57-C in the East Riverside Redevelopment Project.

SUMMARY: The Housing Authority has tentatively accepted a bid for Disposal Parcel 57-C in the East Riverside Redevelopment Project from Tri-Star Development in the amount of $117,000 to be used as Office-Institutional. Disposal Parcel 57-C is located on Southside Avenue and will be developed as a 10,000 square foot medical office complex.

B. Motion scheduling public hearing relative to Downtown Design Review for November 1, 1988.

Upon motion of Councilman Bratton, seconded by Vice-Mayor Michalove the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Patty Tallerday, Acting Director of Planning, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the new procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on October 5, 1988.

(1) **HOTEL DEVELOPMENT - BILTMORE DAIRY PROPERTY - HENDERSONVILLE ROAD**

Ms. Tallerday said the Asheville Planning and Zoning Commission on October 5, 1988, reviewed and recommended approval of the group development plans of the Hotel Development - Biltmore Dairy Property -Hendersonville Road subject to the following conditions:

a) Compliance with the conditions set forth by the Town of Biltmore Forest Board of Adjustment.

b) Approval of erosion control plan by the City Engineering Department.

Ms. Tallerday said the Planning Department received a letter from Howard Johnson's Motor Lodge's attorney stating that they had not received sufficient notice that this matter was being heard by the Planning and Zoning Commission.

After discussion, Councilman Price moved to schedule a public hearing on the group development plan for October 25, 1988 if the City Attorney determines, after talking with the attorneys involved, that a public hearing is advisable. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

CLAIMS - ARTHUR GOWAN (WATER) - NATTIE METCALF (SANITATION) - ELMER ROBINSON (SANITATION)- BOB LAWRENCE POWER EQUIPMENT COMPANY (WATER) - HARLIS QUEEN (SEWER) - PAT DAVIS (PARKING) - KENNETH WORLEY (SEWER) - BRIDGET JONES (PARKS) - T. GORDON WILF, JR. (POLICE)

The City Manager presented claims received from Arthur Gowan, Nattie Metcalf, Elmer Robinson, Bob Lawrence Power Equipment Company, Harlis Queen, Pat Davis, Kenneth Worley, Bridget Jones, and T. Gordon Wilf, Jr.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - JACK V. WEBB V. CITY OF ASHEVILLE AND DAN GRINDSTAFF D/B/A G & S FENCE COMPANY (PERSONAL INJURY)

The City Manager said the City was served with a lawsuit on September 26, 1988 involving Jack V. Webb v. City of Asheville and Dan Grindstaff d/b/a G & S Fence Company relative to a personal injury when playing softball at Shiloh field.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT:

Upon motion of Councilman Martin, seconded by Vice-Mayor Michalove, the meeting adjourned at 7:55 p.m.

MAYOR

CITY CLERK

Tuesday - October 18, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland and Councilman Wilhelmina Bratton

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES - OCTOBER 11, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the October 11, 1988 meeting.

I. PROCLAMATIONS:

A. **Proclamation - October 16- 23, 1988 - "NATIONAL BUSINESS WOMEN'S WEEK"**

Mayor Bissette proclaimed the week of October 16-23, 1988 as "National Business Women's Week". He recognized Doris Foster, State President of the Association. He said a copy would be presented to Mrs. Foster.

II. PUBLIC HEARINGS:

A. **Public hearing relative to site plan of Oakview Apartments to be located on West Street off Fairview Road.**

Mayor Bissette said the Asheville Planning and Zoning Commission on September 21, 1988, reviewed and recommended approval subject to the following contingencies:

1) City accepting 6" sewer line; and
2) Compliance with Erosion Control Ordinance.

Mayor Bissette opened the public hearing at 4:24 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Tom Elmore, with the Planning Department, said the site plan calls for a 10-unit apartment complex on West Street off Fairview Road. By the use of a video, Mr. Elmore showed the location of the proposed apartment complex. He also outlined the surrounding use of properties. He said the streets in the area are narrow but does meet city standards. He said the developer has agreed to install an 8" sewer line and the final plans for the sewer line will be submitted to the Engineering Department. He said the buffering proposed for the project will comply with the buffering ordinance. He said existing trees will be used as a buffer on three sides of the property. He said the property is zoned R-3 Residential District and the density requirements will be met with the proposed project.

Mr. Elmore said there was extensive opposition at the Planning and Zoning Commission hearing. He said the main objections to the project were traffic congestion,; overcrowding of schools; lowering of property values in the predominately single-family neighborhood; and reduced water pressure.

Shirley Wallin of 17 Melody Lane spoke in opposition to the proposed apartment complex stating that Oakley already has its share of apartments. She said the complex would downgrade the neighborhood, cause traffic congestion and overcrowd the schools. She said she also felt there would be erosion control problems with the project.

Debra Hyatt of Melody Lane spoke in opposition to the project stating that this would cause overcrowding in the schools.

Aldophus Cook of Melody Lane spoke in opposition to the project. He said he owns four houses in the area and felt more apartments in the area would cause more crime in the neighborhood. He said he also felt the apartments would lower property values in the area.

Ms. Molly Sandridge, developer, said the property is properly zoned for apartments and she had met with the neighbors in the area and tried to appease them. She said she felt the apartment complex would improve the surrounding neighborhood. She

said she had also agreed to erect a fence along the rear property lines of the apartment complex.

Upon inquiry of Vice-Mayor Michalove, the City Attorney said Council could not deny the project just because it is an apartment complex.

Another property owner on Melody Lane said the project would cause dust in their homes during construction. She said the project would also decrease their property values.

Mayor Bissette closed the public hearing at 4:56 p.m.

Councilman Frank moved for the approval of the site plan of Oakview Apartments to be located on West Street off Fairview Road subject to the conditions outlined by the Planning and Zoning Commission and further that the developer erect a fence along the rear property lines of the apartment complex. This motion was seconded by Councilman Martin and carried unanimously.

III. OLD BUSINESS:

A. **Ordinance No. 1719 - Second reading of an ordinance relative to rezoning property at 22 Herron Avenue - Petition of Attorney Harold Bennett for Mr. David Caudel.**

Mayor Bissette said the Asheville Planning and Zoning Commission on September 7, 1988 reviewed and recommended approval of rezoning a portion of Lot 1, Sheet 10, Ward 6, from R-3 Residential District to CS Commercial Service District with a 5' strip along Herron Avenue to remain R-3 Residential District.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

On a roll call vote of 5-0, Ordinance No. 1719 passed on second reading.

B. **Ordinance No. 1720 - Second reading of an ordinance relative to amending Zoning Ordinance No. 322, Section 30-11-3, wording amendment relative to protest petitions.**

Mayor Bissette said the Asheville Planning and Zoning Commission on September 21, 1988 reviewed

and recommended approval of a proposed wording amendment relative to protest petitions.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

On a roll call vote of 5-0, Ordinance No. 1720 passed on second reading.

C. **Ordinance No. 1721 - Second reading of an ordinance relative to zoning property in the South Annexation Area including the Racquet Club and Deerfield (Limestone) annexed into the City Limits.**

Mayor Bissette said the Asheville Planning and Zoning Commission has recommended zoning for the South Annexation Area.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Verl Emrick, from the Planning Department, said after reviewing requests for changes to the ordinance made during the public hearing, the Planning staff is recommending the following changes:

1. Ward 7, Sheets 92, 93, 102: All R-2 change to R-1
2. Ward 7, Sheet 94, Lot 49: Change to CG (Does not recommend changing Lot 8)
3. Ward 7, Sheet 109, Lots 1, 2, 3, 4, 5, 6, and 88: Change to R-4
4. Ward 7, Sheet 108, Lot 45: Change to R-3
5. Ward 7, Sheet 98, Lots 282 and 298: Change to CS and create a CS paragraph in the ordinance.

By the use of a map, Mr. Emrick showed the properties to be changed.

Gene Shope again requested that his property being Lot 8, Sheet 49, Ward 7 be changed to CG Commercial General. He said the property is not large enough for residential.

A discussion was held relative to rezoning a portion of Lot 8 to CG and leaving a buffer of R-2 Residential property.

After discussion, Councilman Michalove moved to amend Ordinance No. 1721 as recommended by the Planning Department. This motion was seconded by Councilman Martin and carried unanimously, with the understanding

that Lot 8 would be addressed prior to the third reading.

On a roll call vote of 5-0, Ordinance No. 1721 passed on second reading.

D. Ordinance No. 1722 - Third reading of an ordinance relative to imposing a moratorium on the issuance of permits for off-premise advertising signs within the City of Asheville.

Mayor Bissette said the Sign Commission, the Asheville Planning and Zoning Commission and the Asheville City Council will conduct a joint work session regarding a proposed sign ordinance in the near future and thereafter the Planning and Zoning Commission and the City Council will consider action thereon. The process should be completed within ninety (90) days. It is in the best interest of the City and all residents of the zoning jurisdiction of the City, as well as persons engaged in the sign business, that signs not be erected during said interim period which would not conform to the new ordinance.

Mayor Bissette said this ordinance was previously presented to members of Council and will not be read in its entirety. He said the ordinance was amended on second reading to impose a 90-day moratorium on sign permits for signs in excess of 150 square feet per face and in excess of 25' in height.

Ralph Bishop spoke in opposition to the ordinance imposing a moratorium on sign permits.

Frank Graham, a member of the Sign Commission and attorney for Naegle Outdoor Advertising Company, said his client could live with an ordinance imposing a moratorium on all off-premise advertising signs for a period of 90-days.

After discussion, Councilman Price moved to amend Ordinance No. 1722 to impose a moratorium on the issuance of sign permits for all off-premises advertising signs within the City of Asheville for a period of 90-days. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 5-0, Ordinance No. 1722, as amended passed on third and final reading.

Ordinance Book No. 11 Page No. 375-376

E. **Ordinance No. 1713 - Third reading of an ordinance relative to the annexation of property generally known as the Beaverdam Valley Area.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988.

Upon inquiry of Vice-Mayor Michalove, the City Manager said the Beaverdam Volunteer Fire Department has requested that the City negotiate a five year contract with the City of Asheville for providing fire protection services. He said the Volunteer Fire Department would continue to receive funding from the County for residents they serve that are not being annexed. He said the City also has plans to annex Beaverdam Run in the near future.

George Hyler, speaking on behalf of the residents of Beaverdam, again said it is his understanding that the members of the Beaverdam Volunteer Fire Department will not fight fires when they are paying taxes for the service. He said the proposed fire plan from North Asheville might not meet requirements.

Chief John Rukavina, of the Asheville Fire Department, said negotiations with the Beaverdam Volunteer Fire Department will begin after the adoption of the annexation ordinance.

On a roll call vote of 5-0, Ordinance No. 1713 passed on third and final reading.

Ordinance Book No. 11 Page No. 319 - 336

F. **Ordinance No. 1714 - Third reading of an ordinance relative to the annexation of property generally known as the Hansel Avenue Area.**

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988.

Mayor Bissette said members of Council were previously furnished copies of the Ordinance and it would not be read in its entirety.

On a roll call vote of 4-1, Ordinance No. 1714 passed on third and final reading with Councilman Martin voting "no".

Ordinance Book No. 11 Page No. 337-350

G. Ordinance No. 1715 - Third reading of an ordinance relative to the annexation of property generally known as the Plemmons Property.

Mayor Bissette said pursuant to Chapter 160A of the North Carolina General Statutes the City of Asheville has examined certain areas to determine if they qualify for annexation. Certain statutory procedures are required for annexation. A public hearing was held on September 13, 1988.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

On a roll call vote of 5-0, Ordinance No. 1715 passed on third and final reading.

Ordinance Book No. 11 Page No. 351- 362

H. Ordinance No. 1716 - Third reading of an ordinance amending Section 18-12 of the Code of Ordinances regulating noise.

Mayor Bissette said at Council's direction, the City Attorney has proposed an amendment to the noise ordinance to regulate noise within 500 feet of a residential district during building operations and has also proposed to include noise from loud speakers and amplifiers.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

After discussion, Councilman Price moved to amend Section (a) of Section 18-12 of the Code of Ordinances to read as follows:"(a) It shall be unlawful for any person to create, assist in creating, permit, continue or permit the continuance of any unreasonably loud, disturbing and unnecessary noise in the City. Every use, activity and process shall be so operated that regularly reoccurring noises are not disturbing or unreasonably loud and do not cause injury, detriment or nuisance to any person." This motion

was seconded by Vice-Mayor Michalove and carried unanimously.(underlining denotes change)

Councilman Price moved to amend Ordinance No. 1716 to delete the section dealing with Loud Speakers and Sound Amplification to allow that the Subsection (11) remain as it is presently written. Further that Ordinance No. 1716 be amended to add the following sentence to subsection (b) (8) "This provision shall not apply to activities associated with street and highway construction." This motion was seconded by Councilman Frank and carried unanimously.

Barbara Melton, speaking on behalf of the Coalition of Neighborhoods requested that ordinance contain a provision to allow 3 written complaints or a 3 member board to request that the Building Inspector revoke a special permit. She also requested that Council leave the section in dealing with loud speakers and sound amplification. She also said she felt it was unfair to put the burden on private citizens to take out civil warrants for individuals causing noises.

The City Attorney said all of Mrs. Melton's request are really covered in the ordinance.

On a roll call vote of 5-0, Ordinance No. 1716 passed on third and final reading.

Ordinance Book No. 11 Page No. 363 - 364

IV. NEW BUSINESS:

A. Presentation by Asheville-Buncombe Discovery.

Karen Fields, Executive Director of the Asheville-Buncombe Discovery, presented a plan to members of Council for the purchase of an antique troller car from the Carley Capital Group in Charlotte. She said phase I of the plan would be the funding and acquisition of the Spindale Carriages; dry storage, planning/feasibility study, fund-raising, restoration, and exhibition of the troller car as a part of Pack Place. She said Phase II. would be negotiations with Norfolk and Southern, feasibility, design, and engineering; street construction and a functional system for transportation. She said the time frame for Phase I would be about 18 months to 3 years and Phase II time frame would be about 2 years.

Doug Swaim, Executive Director of the Asheville-Buncombe Historic Resources Commission, gave the history of the trolley cars as far as Asheville is concerned. He said Asheville was the first successful city to have electric street cars. He supported the plan presented by Karen Fields.

Neal Leach, with the Carley Capital Group, from Charlotte told members of Council what his company and the City of Charlotte are doing to have the trolley cars back. He showed members of Council snapshots of trolley cars that are being restored and will be running in Charlotte.

Judy Calvert, with the Historical Trolley Society, supported the efforts of the Asheville-Buncombe Discovery office.

Mayor Bissette thanked Karen Fields for her presentation and said Council would take her suggestions under advisement.

B. Resolution No. 88-146 - Resolution authorizing the Mayor to execute an agreement with the Elisha Mitchell Chapter of the National Audubon Society regarding the establishment of the Beaver Lake Sanctuary and Nature Study Area

Mayor Bissette read the resolution.

Scott Parker, President of the local chapter of the Audubon Society requested Council's support for the Sanctuary and said it would be a great asset to the City of Asheville. He said the County of Buncombe has approved $50,000 for the project.

Upon motion of Councilman Martin, seconded by Councilman Price, Resolution No. 88-146 was unanimously adopted.

Resolution Book No. 17 Page No. 238

Ordinance No. 1724 - Budget Ordinance Amendment to provide funding for Elisha Mitchel Chapter of the National Audubon Society.

Mayor Bissette presented a budget ordinance amendment in the amount of $25,000 to provide funding for the Elisha Mitchel Chapter of the National Audubon Society for the establishment of the Beaver Lake Sanctuary and Nature Study area. He said another $25,000 would be allocated in next year's budget.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1724. This motion was seconded by Councilman Price.

On a roll call vote of 5-0, Ordinance No. 1724 passed on first and final reading.

Ordinance Book No. 11 Page No. 378

C. Motion authorizing the City Manager to execute an agreement regarding streetscape improvements at 56-66 Biltmore Avenue.

The City Manager said Jim Samsel and Barry Olen is presently acquiring and renovating 56-66 Biltmore Avenue. He said they have requested that the City participate in the streetscape improvements. He said since the developers have made a major commitment to downtown and the Streetscape Task Force has recommended that requests such as these be handled on a case-by-case basis he was requesting Council's consent that the City be allowed to participate in streetscape improvements on a case-by-case basis.

It was Council's consensus that the City Manager and the Streetscape Task Force be permitted to participate in streetscape improvements on a case-by-case basis.

D. Resolution No. 88-147 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville an engineering services agreement and any amendments with McGill Associates, PA for engineering services for the Streets and Sidewalks Improvements Program.

Mayor Bissette said this is for Phase No. 2 of the Streets and Sidewalks Improvements Program.

The City Manager outlined the projects for Phase No. 2 of the project.

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, Resolution No. 88-147 was unanimously adopted.

Resolution Book No. 17 Page No. 239

E. Resolution No. 88-148 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville an engineering services agreement and any amendments with Vaughn and Melton Engineers-Architects for engineering services for the Streets and Sidewalks Improvements Program.

Mayor Bissette said this is for Phase 3 of the Streets and Sidewalks Improvements Program.

The City Manager outlined the projects for Phase 3 of the project.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, Resolution No. 88-148 was unanimously adopted.

Resolution Book No. 17 Page No. 240

F. **Ordinance No. 1725 - Budget ordinance amendment for City Hall First Floor Restrooms.**

Mayor Bissette said the Parks, Recreation, and Public Facilities Department recommends that an additional $14,000 be added to the City Hall First Floor Restroom Project which would make the total budget for this project $84,000. The contractor has already experienced problems that were not anticipated during construction and feels that more changes will be forthcoming.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1725. This motion was seconded by Councilman Price.

On a roll call vote of 5-0, ordinance No. 1725 passed on first and final reading.

Ordinance Book No. 11 Page No. 379

G. **Ordinance No. 1726 - Budget Ordinance amendment for funding for the Communication Center.**

Mayor Bissette said this budget ordinance amendment is to provide funding to complete communication improvements.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1726. This motion was seconded by Councilman Price.

On a roll call vote of 5-0, Ordinance No. 1726 passed on first and final reading.

V. CONSENT:

A. Scheduling public hearing relative to amending Zoning Ordinance No. 322, Section 30-5-6, R-5 Residential District, Subparagraph (A) to permit Home Occupations for November 1, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on September 21, 1988 reviewed and recommended approval of the proposed wording amendment.

B. Resolution No. 88-149 - Resolution prohibiting signs in the City Council Chambers during meetings of City Council.

SUMMARY: The City Council is concerned that the display of signs, banners, and related items during a City Council meeting by some persons might interfere with the ability of others to observe or participate in the City Council meetings. This resolution will provide that signs, banners, placards, pennants and related items shall not be displayed in the City Council Chambers during City Council meetings.

Resolution Book No. 17 Page No. 241

C. Resolution No. 88-150 - Resolution authorizing the City Manager to sign an agreement for continuation of employee assistance services with Personnel Performance Systems, Inc.

SUMMARY: This resolution will allow the city to continue the employee assistance program contract.

Resolution Book No. 17 Page No. 242

D. Resolution No. 88-151 - Resolution authorizing the City Manager to execute a Letter of Understanding with Asheville Area Rescue Squad.

SUMMARY: This is to update the Letter of Understanding between the City and the Asheville Area Rescue Squad.

Resolution Book No. 17 Page No. 243

E. Resolution No. 88-152 - Resolution requesting the North Carolina Department of Transportation to remove certain streets in the Oteen, Haw Creek, and Skyland Annexation Areas from the State Street System and place them upon the City Street System.

SUMMARY: This resolution will remove streets in Skyland, Oteen and Haw Creek Annexation Areas from N.C.D.O.T. Secondary Road System and place them upon the City Street System. This will allow streets to be claimed on 1989-90 Powell Bill mileage and increase Powell Bill revenues. It will also allow the City to begin street improvements scheduled through the Annexation Plan.

Resolution Book No. 17 Page No. 244

F. Bids for combination small diameter and mainline pipe television inspection system for City of Asheville Wastewater Collection Division.

SUMMARY: Award of bid for a combination small diameter and mainline pipe television system is recommended to Cues, Inc., Orlando, Florida, in the amount of $24,000. This recommendation for award is to the lowest bidder meeting requirements and specifications of our bid request.

G. Scheduling of public hearing relative to rezoning property at 92 Congress Street from R-3 Residential District to OI-Office Institutional District - Petitioner - Dr. John Holt - for November 1, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on October 5, 1988, reviewed and recommended approval of rezoning Ward 4, Sheet 11, Lots 34, 34-1/4, and 278, from R-3 Residential District to OI - Office Institutional District. (Property is located at 92 Congress Street, Livingston Street and Pine Grove Avenue)

H. Scheduling of public hearing relative to rezoning property on North Louisiana Avenue from R-3 Residential District to CH Commercial Highway District - Petitioner - Ms. Jeanne Y. Palyok - for November 1, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on October 5, 1988, reviewed and recommended approval of rezoning Ward 12, Sheet 7, Lot 92, from R-3 Residential District to CH Commercial Highway District.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

CLAIMS - REBECCA ROSE (WATER) - LILLIAN LOGAN (WATER) - MARK MAYS (SEWER) - SANDY DEBRUHL (WATER) - GLENN MCELREATH (TRAFFIC ENGINEERING) - SUZANNE KONOPKA (WATER) - TED RYANS (STREETS) - TITUS GLOVER (SEWER)

The City Manager presented claims received from Rebecca Rose, Lillian Logan, Mark Mays, Sandy DeBruhl, Glenn McElreath, Suzanne Konopka, Ted Ryans,and Titus Glover.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT:

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, the meeting adjourned at 7:05 p.m.

MAYOR

William F. Wolcott
CITY CLERK

Tuesday - October 25, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice Mayor Kenneth M. Michalove, Councilmen Wilhelmina Bratton, Mary Lloyd Frank, Norma T. Price, and Russell Martin; Corporation Counsel William F. Slawter; Associate City Manager/City Clerk William F. Wolcott, Jr. and Acting Deputy City Clerk Margaret Messer

Absent: Councilman Walter Boland and City Manager Douglas O. Bean

INVOCATION

The invocation was given by Vice Mayor Michalove.

APPROVAL OF THE MINUTES

Mayor Bissette announced the approval of the minutes of the October 18, 1988.

I. PROCLAMATIONS:

A. Proclamation - "Remembrance of the Night of Pogroms" - November 6-13, 1988

Mayor Bissette proclaimed the week of November 6-13, 1988 as "Remembrance of the Night of Pogroms."

B. Proclamation-"Meals on Wheels"-Month of November, 1988

Mayor Bissette proclaimed the month of November, 1988 as "Meals on Wheels" and presented the proclamation to Becky Johnson, Board Chairman of Meals on Wheels.

Ms. Johnson expressed her appreciation to the Mayor, Members of Council, and the community for their support of the Meals on Wheels Program.

II. PUBLIC HEARINGS:

A. Public hearing relative to site plan of Hotel Development on Biltmore Dairy Property to be located on Hendersonville Road.

Mayor Bissette said the Asheville Planning and Zoning Commission on October 5, 1988, reviewed and approved the site plan subject to the following contingencies:

1. Compliance with the conditions set forth by the Town of Biltmore Forest Board of Adjustment.

2. Approval of erosion control plan by the City Engineering Department.

Mayor Bissette opened the public hearing at 4:25 P.M.

The Acting Deputy City Clerk presented the notice to the public and the affidavit of publication.

Tom Elmore, Planning Department, said the site plan calls for 160 room, 5 story facility to be located on the existing Dairy Bar and former Biltmore Dairy. He said the facility is located in the City of Asheville and the Town of Biltmore Forest, and that access to the facility would be from Hendersonville and Vanderbilt Roads. By use of a map, Mr. Elmore pointed out the proposed site work to take place and the relocation of the road. He said the existing trees would remain, but additional trees will be also be planted. He said the developer has agreed to comply with the requirements set forth by the Town of Biltmore Forest and the City's Erosion Control Ordinance. Mr. Elmore said one public comment had been [received relative to sewer, but that the Water and Sewer Department has affirmed that the present sewer service is adequate to serve the proposed facility.

Mr. Jack Cecil of The Biltmore Company said he is very excited about the proposed facility and feels that it would be an asset to the City of Asheville. He said construction is expected to begin right away.

Mayor Bissette closed the public hearing at 4:25 P.M.

Councilman Bratton moved for the adoption of the site plan of the proposed hotel subject to the contingencies imposed by the Planning and Zoning Commission. This motion was seconded by Councilman Frank and carried unanimously.

III. OLD BUSINESS:

A. Third reading of Ordinance No. 1719, an ordinance relative to rezoning property at 22 Herron Avenue - Petition of Attorney Harold Bennett for Mr. David Caudel.

Mayor Bissette said the Asheville Planning and Zoning Commission on September 7, 1988 reviewed and recommended approval of rezoning a portion of Lot 1, Sheet 10, Ward 6, from R-3 Residential District to CS Commercial Service District with a 5' strip along Herron Avenue to remain R-3 Residential District.

Mayor Bissette said this ordinance was previously read and will note be reread in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1719 passed on third and final reading.

Ordinance Book No. 11, Page 367

B. Third reading of Ordinance No. 1720, an ordinance relative to amending Zoning Ordinance No. 322, Section 30-11-3, wording amendment relative to protest petitions.

Mayor Bissette said the Asheville Planning and Zoning Commission on September 21, 1988 reviewed and recommended approval of a proposed wording amendment relative to protest petitions.

Mayor Bissette said this ordinance was previously read and will not be reread in its entirety unless there is a specific request to do so.

On a roll call vote of 6-0, Ordinance No. 1720 passed on third and final reading.

Ordinance Book No. 11, Pages 368-369

C. Third reading of Ordinance No. 1721, an ordinance relative to zoning property in the South Annexation Area including the Racquet Club and Deerfield (Limestone) annexed into the City Limits.

Mayor Bissette said the Asheville Planning and Zoning Commission has recommended zoning for the South Annexation Area.

Mayor Bissette said this ordinance was previously read and will not be reread in its entirety unless there is a specific request to do so.

Verl Emrick, Planning Department, said at the October 18th meeting Mr. Gene Shope had requested that his property (Ward 7, Sheet 49, Lot 8) be zoned CG Commercial General. He said the Planning Department had reviewed this request and recommends that Council amend the ordinance to zone Ward 7, Sheet 49, Lot 8 CG Commercial General.

Vice Mayor Michalove said he had visited the area in question and that the lot is a wooded, vacant lot located on 25-A. He said the CG zone would allow commercial uses, but would not permit uses as wide as the commercial zone designation.

Vice Mayor Michalove moved to amend the ordinance to rezone Lot 8, Sheet 94, Ward 7 to CG Commercial General. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1721 passed on third and final reading, as amended.

Ordinance Book No. 11, Pages 370-374

IV. NEW BUSINESS:

A. Resolution No. 88-153, a resolution adopting a protest petition form to be used to protest against an amendment, supplement, change, modification or repeal of any zoning regulations.

Mayor Bissette said Ordinance No. 1720 provides that all protest petitions shall be on a form prescribed and furnished by the City. He said this resolution will provide that all protest petitions be on a form prescribed and furnished by the City.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Resolution No. 88-153. This motion was seconded by Vice Mayor Michalove and carried unanimously.

Resolution Book No. 17, Pages 244-245

B. **Resolution No. 88-154, a resolution establishing a Drug Task Force.**

Mayor Bissette read the resolution. He said the residents of the Hillcrest Community had raised the consciousness level of the residents of the City of Asheville and Buncombe County about the drug problem in our community. He said as a result of a community meeting involving interested citizens, officials from other towns within Buncombe County and law enforcement officials, the City Council decided to establish a Drug Task Force representative of the entire community to address the problems and make recommendations concerning the drug problem. He said the Council would not appoint members to the Task Force today since staff had been unable to contact all the proposed members.

Councilman Bratton moved for the adoption of Resolution No. 88-154. This motion was seconded by Councilman Martin and carried unanimously.

Resolution Book No. 17, Pages 246-247

V. CONSENT:

VI. OTHER BUSINESS:

CLAIMS - CECIL JACKSON, JR. (STREETS), PAT MORGAN (STREETS), JANET BLACK (PARKS), FRIEDA CURTIS (WATER) AND STEVE BRANSTETTER (WATER)

The City Manager presented claims received from Cecil Jackson, Jr., Pat Morgan, Janet Black, Frieda Curtis and Steve Branstetter.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

COUNCILMAN FRA - INTERGOVERNMENTAL SERVICES COMMITTEE MEETING

Councilman Frank requested that arrangements be made for the Intergovernmental Services Committee to meet on Tuesday, November 1, 1988, at 12:30 P.M. in the Council Conference Room.

DAVID ANDERS - PRESIDENT OF FIREFIGTERS UNION - INQUIRY RELATIVE TO DISABLED FIREFIGHTERS PENSION AND DISABILITY FUND

Mayor Bissette recognized David Anders, President of the Firefighters Union, and the disabled firefighters in attendance. Mayor Bissette said that due to a medical leave of Lla Leet Hudson, applications for the supplemental pension plan had not

been processed. However, he said, Ms. Hudson is due to return to work next week and a meeting will be scheduled in November to begin hearing the applications for benefits.

David Anders said the disabled firefighters had been waiting a long time and are very anxious for their applications to be processed. He said there was also a question raised about whether or not the benefits would be retroactive.

Corporation Counsel Bill Slawter that the retroactive issue was to be addressed in an ordinance that would be retroactive to January 1, 1988, but that he didn't see how the benefits could be retroactive to that time.

Mayor Bissette said there is a possibility that Council might be able to look at retroactive benefits, but that they would just have to wait and see how many applications there were and what the cost of the benefits would be.

MRS. JAMES C. PORTER - REQUEST TO NAME PARK FOR HUSBAND

Mrs. James C. Porter appeared before the City Council to request that the new proposed park for Martin Luther King Boulevard be named after her deceased husband, James C. Porter. She said her husband was a humanitarian and had made many contributions to the City of Asheville and its citizens.

Mayor Bissette said the Council would ask the East End Community Association for a recommendation on this request and would be back in touch with Mrs. Porter.

RALPH BISHOP - INQUIRY RELATIVE TO COUNCIL MINUTES

Ralph Bishop addressed the Council relative to what the minutes of the Council should contain.

Councilman Price told Mr. Bishop that the City Council minutes should reflect only the action taken by the City Council and not what somebody says.

ADJOURNMENT

Upon motion of Councilman Price, seconded by Councilman Frank, the meeting adjourned at 5:05 P.M.

MAYOR

CITY CLERK

Tuesday - November 1, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice Mayor Kenneth M. Michalove, Councilmen Wilhelmina Bratton, Mary Lloyd Frank, Norma T. Price, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF THE MINUTES

Mayor Bissette announced the approval of the minutes of the October 25, 1988.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Public hearing relative to Downtown Design Review. Ordinance No. 1727 - Ordinance Creating Article 6A of the Code of Ordinance Providing Standards for Design Review Affecting Property in and near Downtown Asheville

Mayor Bissette said Downtown Asheville is recognized as a special place to be protected as a community resource because it represents an important part of Asheville's heritage and because its unusual character creates an identity for Asheville. Downtown Asheville is also the major center of business and cultural activity. This ordinance will establish boundaries of the Downtown Design Review Area and will authorize the Planning and Zoning Commission to establish guidelines for new construction and rehabilitation in the Downtown Design Review Area. All construction work requiring a building permit, sign permit, or zoning review or a variance must be submitted to the Planning and Zoning Commission for review prior to the issuance of the permit. Routine maintenance will not be subject to review, but procedures for cleaning and painting buildings must be reviewed.

Mayor Bissette opened the public hearing at 4:14 P.M.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

City Attorney Bill Slawter said the ordinance drafts the downtown review guidelines and authorizes the Planning and Zoning Commission to divide the downtown into three (3) sections - Core Area, Gateway Corridors, and Periphery - and to establish different guidelines for each of these areas. He said the ordinance will also permit the Planning and Zoning Commission to establish development review standards and guidelines for each area within the Downtown Design Review Area as they may find appropriate for building permits.

Mr. Slawter said every application for a building permit and other improvements will require a review by the Planning and Zoning Commission regarding those improvements prior to the issuance of any building permit. However, he said, if a building permit is not required, the proposed improvement must still be reviewed.

Mr. Slawter said on those projects subject to group development review, design review would be performed as the project goes through the Group Development process, and the Planning and Zoning Commission would make recommendations with regard to design review at that time. However, on those projects not subject to group development review, he said the Planning and Zoning Commission would review the application at its first regularly scheduled meeting immediately following the filing of the application, so the applicant wouldn't have to wait for a public hearing to be scheduled.

Mr. Slawter said all construction work requiring a building permit, sign permit, zoning review or a variance must be submitted to the Planning and Zoning Commission for review prior to the issuance of any permit. He said routine maintenance would not be subject to the review, but that procedures for cleaning buildings such as sandblasting and painting buildings must be reviewed.

Mr. Slawter said the final recommendations with regard to design review are not mandatory at this time, but that all projects must go through the process.

In response to a question from Vice Mayor Michalove, Mike Moser, Chairman of the Planning and Zoning Commission, said the Commission felt it might be best if a project met all the guidelines to let it proceed through the system without having to go before the Planning and Zoning Commission. He said if the project did not meet all the

CORRECTION

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

City Attorney Bill Slawter said the ordinance drafts the downtown review guidelines and authorizes the Planning and Zoning Commission to divide the downtown into three (3) sections - Core Area, Gateway Corridors, and Periphery - and to establish different guidelines for each of these areas. He said the ordinance will also permit the Planning and Zoning Commission to establish development review standards and guidelines for each area within the Downtown Design Review Area as they may find appropriate for building permits.

Mr. Slawter said every application for a building permit and other improvements will require a review by the Planning and Zoning Commission regarding those improvements prior to the issuance of any building permit. However, he said, if a building permit is not required, the proposed improvement must still be reviewed.

Mr. Slawter said on those projects subject to group development review, design review would be performed as the project goes through the Group Development process, and the Planning and Zoning Commission would make recommendations with regard to design review at that time. However, on those projects not subject to group development review, he said the Planning and Zoning Commission would review the application at its first regularly scheduled meeting immediately following the filing of the application, so the applicant wouldn't have to wait for a public hearing to be scheduled.

Mr. Slawter said all construction work requiring a building permit, sign permit, zoning review or a variance must be submitted to the Planning and Zoning Commission for review prior to the issuance of any permit. He said routine maintenance would not be subject to the review, but that procedures for cleaning buildings such as sandblasting and painting buildings must be reviewed.

Mr. Slawter said the final recommendations with regard to design review are not mandatory at this time, but that all projects must go through the process.

In response to a question from Vice Mayor Michalove, Mike Moser, Chairman of the Planning and Zoning Commission, said the Commission felt it might be best if a project met all the guidelines to let it proceed through the system without having to go before the Planning and Zoning Commission. He said if the project did not meet all the

guidelines, it would have to go through the Planning and Zoning Commission hearing. However, he said the Legal staff had indicated a problem with this process, and that all projects would have to go through the process.

City Attorney Bill Slawter said the problem with this approach would be when staff and the applicant disagree.

Bob Carr, Chairman of the Downtown Commission, spoke in favor of the design review process and said the Commission had worked on the guidelines for 2 years. He said the guidelines have the potential for enhancing downtown Asheville.

Mike Moser, Chairman of the Planning and Zoning Commission, said the Commission is very enthusiastic about the guidelines and they are consistent with the 2010 Plan. He said the Commission does want voluntary compliance from the downtown businesses. However, he said the Commission would be monitoring the guideline process on a quarterly basis for the next year in order to determine whether or not to recommend to Council that the guidelines become mandatory. He said some of the things the Commission would be looking at during their quarterly review would be ratio for compliance, costs and problems with specific areas of the guidelines. He said at the end of a year if the Commission sees non-voluntary compliance, then the Commission may make a recommendation to City Council that the guidelines become mandatory. He said it was the intent of the Commission to make the guidelines easy and simple so that people could understand them, so the staff could assist them, and so people wouldn't have to hire an architect.

Mark Rosenstein, Chairman of the Asheville Downtown Association, said after the Association had distributed the proposed guidelines to its 150 members, they polled the membership and the response they received was that they were in favor of and supported the guidelines. He said only three members of the Association did not respond.

Carroll Hughes, Chairman of the Downtown Design Review Committee, said the Council had charged the Committee with the responsibility of bringing back a consensus-backed project, which he said he felt the Committee had done. He said the response from the downtown businesses had generally been that the had no real problem with the document itself, but did have some concern with the implementation of the guidelines. He said he hoped Council would approve the guidelines in order to get the process going for the betterment of Downtown Asheville.

Verne Rhoades, Trustee at Wachovia Bank and owner of property in Downtown Asheville, said he thought the guidelines will enhance property in Downtown Asheville. He said he felt the guidelines should be mandatory.

Don Martell said he had came to Asheville about a year ago and had purchased the Penney's building. He said he had been working with his architect and wants to abide by the downtown design review process. He encouraged Council to adopt the guidelines.

Doug Campbell, Architect, said his office had been located in Downtown Asheville for the past 4-1/2 years. He said he very strongly supports the review process and also supports making the guidelines mandatory. He said mandatory guidelines would be in the best interest of Asheville and would help to make a more viable downtown. He said the downtown area of any city is something people can relate to and is something they always want to show off when they have out-of-town guests. He said the City needs design review in order to protect and preserve downtown. He said it would be in the City's best interest not to let people build anything until they could afford to conform with the guidelines.

Pat McGuire, Chairman of the Streetscape Committee, said she wholeheartedly supported the design review guidelines and would like to see them become mandatory.

Roger McGuire, Co-Owner of 60 Haywood Street, spoke in favor of the design review process. He said the guidelines would make our downtown area more livable and beautiful.

All members of Council voiced their support for the guidelines and also their support in hiring the necessary staff to implement and enforce the guidelines.

Mayor Bissette closed the public hearing at 4:47 P.M.

Mayor Bissette and Council Members commended Carroll Hughes and the Design Review Committee on presenting City Council with a producing a document that was approved and supported by a consensus of the downtown property owners.

Mayor Bissette said this ordinance was previously distributed to Members of Council and would not be read in its entirety.

Councilman Bratton moved for the adoption Ordinance No. 1727. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1727 passed on first reading.

Vice Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1727. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1727 passed on second reading.

B. **Public Hearing - Ordinance No. 1728, an ordinance amending Zoning Ordinance No. 322, Section 30-5-6, R-5 Residential District, Subparagraph (A) to permit Home Occupations.**

Mayor Bissette said the Asheville Planning and Zoning Commission on September 21, 1988 reviewed and recommended approval of the proposed wording amendment which would permit home occupations in the R-5 Residential District.

Mayor Bissette opened the public hearing at 4:50 P.M.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Patty Tallerday, Acting Director of Planning, said the home occupation use is permitted in the R-2, R-3, and R-4 Districts and that this use was inadvertently left out of the R-5 District when the Zoning Ordinance was revised in 1977.

Mayor Bissette closed the public hearing at 4:53 P.M.

Mayor Bissette said this ordinance was previously distributed to Members of Council and would not be read in its entirety.

Councilman Martin moved for the adoption of Ordinance No. 1728. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1728 passed on first reading.

Vice Mayor Michalove moved to suspend the rules and proceed with the second reading of Ordinance No. 1728. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1728 passed on second reading.

Vice Mayor Michalove again moved to suspend the rules and proceed with the third reading of Ordinance No. 1728. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1728 passed on third reading and final reading.

Ordinance Book No. 11, Pages 385 and 386

C. Public Hearing - Ordinance No. 1729, an ordinance amending Ordinance No. 322, an ordinance providing for the zoning of the City of Asheville (Rezoning Property at 92 Congress Street - Petitioner - Dr. John Holt, et al)

Mayor Bissette said the Asheville Planning and Zoning Commission on October 5, 1988, reviewed and recommended approval of rezoning Ward 4, Sheet 11, Lots 34, 34-1/4, and 278, from R-3 Residential District to OI Office Institutional District. (Property is located at 92 Congress Street, Livingston Street and Pine Grove Avenue).

Carol Alberice of the Planning Department said this is a request to rezone 3 lots from R-3 Residential District to OI Office Institutional District. She said the lots proposed for rezoning are bordered on the North by R-3 low density, on the South by R-3 medium density, on the West by R-3 medium density, and on the East by OI Office Institutional. She said the Buffering Ordinance would require a 12' buffer strip of trees facing Congress Street. She said there is also a public alley, which is overgrown and runs between Lots 34 and 278.

Ms. Alberice said 18 property owners were notified of the proposed rezoning and public hearing. She said a protest petition had been received, but was disqualified because only two (2) of the people who signed the petition actually lived within a 100-foot radius of the proposed rezoning.

By use of a video, Ms. Alberice showed the property to be rezoned.

Dr. Holt said the purpose for requesting the rezoning is that he plans to establish an office facility. He said the community would benefit from a value standpoint, as well as a beautification point of view. He said he would also benefit personally since the move would take him out of a high rent area and put him in a facility in which he would have some equity.

Councilman Bratton said Dr. Holt and his wife have demonstrated their interest in the southside area of town by maintaining their home and business in the area. She said it was their choice to stay on Erskine Street and raise their family. She said Dr. Holt and his wife had made a personal contribution to the area, and she would be happy to support the rezoning request.

Mr. Richard Cooper, Owner of 90 Congress Street, said his renter could not be at the meeting today, but had asked him to come and request that the hearing be postponed so Council could hear his case.

Mayor Bissette explained that the ordinance would have to be read on two more occasions and this would provide time for Mr. Cooper's renter to voice their opposition.

Matthew Bacoate, Chairman of the Victoria Health Care Center, said he was very familiar with Dr. Holt and his practice. He said most of Dr. Holt's patients live in and around his proposed new office. He said most of Dr. Holt's patients travel by cab so this would not have an adverse impact on traffic in the area. Mr. Bacoate requested that Council act favorably on Dr. Holt's request.

Upon inquiry of Councilman Price, Ms. Tallerday said Dr. Holt is aware of the parking requirements for the new facility.

Mayor Bissette closed the public hearing at 5:14 P.M.

Vice Mayor Michalove requested that he be excused from voting on this matter due to the company he works for (Mountain Health Services) owning property in the area.

Councilman Price moved to excuse Vice Mayor Michalove from voting on the rezoning issue. This motion was seconded by Councilman Bratton and carried unanimously.

Mayor Bissette said copies of this ordinance were previously distributed to Members of Council and the ordinance would not be read in its entirety.

Councilman Bratton moved for the adoption of Ordinance No. 1729. This motion was seconded by Councilman Price.

On a roll call vote of 5-0, Ordinance No. 1729 passed on first reading.

Mayor Bissette said this ordinance would be scheduled for second reading next and Mr. Cooper or anyone else would be welcome to be heard.

D. **Public Hearing - Ordinance No. 1729, an ordinance amending Ordinance No. 322, an ordinance providing for the zoning of the City of Asheville (Rezoning Property on North Louisiana Avenue - Petitioner - Ms. Jeanne Y. Palyok)**

Mayor Bissette said the Asheville Planning and Zoning Commission on October 5, 1988, reviewed and recommended approval of rezoning Ward 12, Sheet 7, Lot 92, from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette opened the public hearing at 5:15 P.M.

The City Clerk presented the notice to the public setting the time and date of the public hearing and the affidavit of publication.

Carol Alberice of the Planning Department said the proposed rezoning is for a single lot which is currently zoned R-3 Residential District. She said the lot is owned by Jeanne Palyok of Columbia, South Carolina. She said the lot is located on N. Louisiana Avenue south of the railroad tracks. She said there is a vacant, abandoned structure on the lot. She said the lot is bordered on the North by Commercial zoning, the West by Light Industrial, the East by Commercial Highway, and the South by R-3 Residential District.

Ms. Alberice said a 20-foot buffer would be required between the Commercial Highway property line and the R-3 property line. She said six (6) property owners were notified of the hearing and the proposed rezoning, but that no comments have been received.

Mayor Bissette closed the public hearing at 5:24 P.M.

Mayor Bissette said copies of this ordinance were previously distributed to Members of Council and the ordinance would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1730. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1730 passed on first reading.

III. OLD BUSINESS:

A. **Resolution No. 88-155 - Resolution repealing free parking with City stickers in the Civic Center Garage.**

Mayor Bissette said this resolution will repeal Resolution No. 78-16 which was adopted on January 26, 1978, and permitted free parking with City stickers in the Civic Center Garage. The repeal would be effective January 1, 1989.

City Manager Doug Bean said Council adopted an ordinance several weeks ago whereby the vehicle tax is paid with the annual tax bills since it is classified by the State as a tax.

Mayor Bissette said copies of this resolution were previously distributed to Members of Council, and the resolution would not be read in its entirety.

Upon motion of Councilman Martin, seconded by Councilman Price, Resolution No. 88-155 was unanimously adopted.

Resolution Book No. 17, Page 248

B. MOTION - AUTHORIZING CITY MANAGER TO DISTRIBUTE $5.00 WORTH OF COUPONS FOR FREE PARKING IN ANY CITY-OWNED/OPERATED GARAGE

City Manager Doug Bean said in doing away with the sticker, he felt the city should do something different to promote use of the parking garages. He said staff has come up with the idea of mailing $5.00 coupons to city residents that could be used in any of the parking decks and not just the Civic Center. He said this would be a pilot program for one year at which time, the program would be evaluated and a recommendation presented to the Council. He said it was felt that if we give free parking and the people get used to using the garages, they will keep using them after the program is stopped. He said we would lose a little bit of revenue in the beginning, but hopefully would pick it back up again. He said the coupons could be used any time, and this would simplify the system and make it easier to administer.

Councilman Frank moved to authorize the City Manager to distribute $5.00 worth of coupons for free parking, which could be used in any city-owned/operated garage at any time. This motion was seconded by Vice Mayor Michalove and carried unanimously.

IV. NEW BUSINESS:

A. Ordinance No. 1731 - An ordinance amending Section 19A-1 and 19A-11 of the Code of Ordinances of the City of Asheville (Grievance Procedure)

Mayor Bissette said this ordinance will amend Sections 19A-1 and Section 19A-11 of the Code of Ordinances of the City of Asheville relative to the Grievance Procedure.

City Manager Doug Bean said Section 19A-1 is being amended to clarify procedures for hearing group grievances because meeting with large groups can make it almost impossible to meet time deadlines of the present ordinance. This amendment would allow a department head and him the flexibility to meet with a group of employees if he/she so desires; however, it would clarify that it is not a requirement of the grievance procedure. Section 19A-11 will clarify who the department head must confer with prior to rendering a decision on a grievance as opposed to who must actually attend the grievance conference. Section 19A-11 also eliminates the time allotted for the City Manager to render his decision provided the conference is held within 10 days after the appeal is received by the City Clerk.

Mayor Bissette said copies of this ordinance were previously distributed to Members of Council, and the ordinance would not be read in its entirety.

Vice Mayor Michalove moved for the adoption of Ordinance No. 1731. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1731 passed on first reading.

Vice Mayor Michalove moved to suspend the rules and proceed with the second reading of the ordinance. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1731 passed on second reading.

B. Sign permit for freestanding identification sign to be located on Merrimon Avenue for Texaco, Inc.

Mayor Bissette said Signs Unlimited of Charlotte, N. C. has requested approval of a sign permit for a 35' on-premises advertising sign and three (3) canopy signs to be located at I-240 and Merrimon Avenue. This permit requires approval of Council since the sign will be situated closer than 600' from a limited access highway.

Patty Tallerday, Acting Director of Planning, said the 35' freestanding sign will replace the current "TOPS" sign at the service station across from the exit ramp off I-240 at Merrimon Avenue. In addition to the freestanding sign, she said there will also be three (3) canopy signs. She said the Board of Adjustment had granted the variance needed for the third canopy sign since the ordinance only permitted two canopy signs.

Mr. Dennis Taylor of Signs Unlimited said the free-standing sign would be 160 square feet with 30" lettering and 32" logo. Mr. Taylor said the new Texaco Station needed the 35-foot free-standing sign in order to be competitive with other stations in the immediate vicinity.

Councilman Price moved to approve a sign permit for a 35-foot freestanding identification sign and three (3) canopy signs as requested by Signs Unlimited. This motion was seconded by Vice Mayor Michalove and carried unanimously.

C. Sign permit for freestanding identification sign to be located on Patton Avenue for a Mini Storage Company.

Mayor Bissette said the Crawford Sign Company has requested approval of a sign permit for a 38' advertising sign to be located at 600 Patton Avenue near the I-240 and Westwood Place intersection. This permit requires approval of Council since the sign will be situated closer than 600' from a limited access highway.

Patty Tallerday, Acting Director of Planning, said this is a request for an on-premise sign to be located at 600 Patton Avenue, which is a vacant lot proposed for development by George Morosani. She said because this was a request for an electronic intermittent sign, the request had to go before the Board of

Adjustment. She said the Board of Adjustment denied the request at its first hearing, but heard the request again when additional evidence was presented. She said the Board of Adjustment approved the request at the last hearing.

Ms. Tallerday said the exact location of the sign on the lot could not be given at this time, since there was a possibility that Mr. Morosani could acquire some additional property belonging to the N. C. Department of Transportation. She said Mr. Morosani would prefer to locate the sign on this property if it could be acquired from the Department of Transportation.

Mr. David Matney, Attorney for Mr. Morosani, said Mr. Morosani is trying to acquire the property from the Department of Transportation. He said it was his hope that the Council would only consider the issue before them, which is a request for a sign permit because the sign will be situated within 600 feet of a limited access highway. He said his client meets the requirements of the existing ordinance in every other way. He said the sign will flash a one-line message.

Mr. Matney said a question had been raised by staff concerning safety. He said he had been able to locate three (3) articles addressing the issue of safety as it relates to intermittent signs. Basically, he said, he could find no correlation in the increase of traffic accidents and these type signs. He said he had also checked with the Department of Transportation on a 5-mile stretch of highway for a 4-year period. He said the lowest number of accidents was in the mile that had an intermittent sign.

There was a discussion among the Council concerning the proposed development for mini-storage units by Mr. Morosani, the proposed grading and proposed height of the development, and the possibility of considering the request at the same time the group development comes before the Council.

Mr. Morosani said the reason for requesting the sign prior to development is to tell people what is going to be there and to help build up the new business. He said with the sign it would take 3-5 years to build up the business instead of 5-7 years.

Vice Mayor Michalove moved to table the request for the sign permit for two (2) weeks to give Council Members an opportunity to make an on-site visit. This motion was seconded by Councilman Bratton and carried unanimously.

Mr. Matney said if Council Members would give him a call, he would make arrangements for individual tours.

D. Resolution authorizing the City Manager to execute an agreement with the Land of Sky Regional Council for transportation services.

Mayor Bissette said the Land-of-Sky Regional Council operates to provide planning and technical services to local governments in Region B. This resolution will authorize the City Manager to execute a contract with the Land-of-Sky Regional Council for transportation planning assistance for the period October 15, 1988, and ending June 30, 1990.

City Manager Doug Bean said at the present time, there is a vacancy in the Transportation Planner position and transportation planning was one item that could be contracted out. He said this would allow other staff members to concentrate on the more integrated issues that need to be kept in-house. He said the $140,000 is for a 2-year contract, but the City would only pay for the actual amount of time spent on services provided under the contract. He said some of the costs will be reimbursed by the State of North Carolina.

There was a discussion among the Council relative to term of the contract, the termination clause, the specific tasks to be performed, and the language of the contract relative to cost.

The City Manager said he would renegotiate the contract addressing the concerns voiced by the Council and would reschedule the matter for Council's consideration.

V. CONSENT

Mayor Bissette summarized the items on the Consent Agenda. He said copies of each item had previously been distributed to Members of Council and that the resolutions would not be read in their entirety.

A. Resolution No. 88-156 - Resolution authorizing the Mayor and City Clerk of the City of Asheville to execute a utility agreement with the North Carolina Department of Transportation for improvements to Highway N.C. 63, from U.S. 19-23 to the City Limits.

SUMMARY: The N. C. Department of Transportation and the City of Asheville propose to enter into an agreement whereby said Department will include in its construction contract provisions to relocate and adjust certain water and sewer lines along the project. The City of Asheville agrees to reimburse the Department of Transportation for the cost of the work, with reimbursement to be made in a lump sum amount upon completion of Project No. 9.8130211.

Resolution Book No. 17, Page 249

B. Resolution No. 88-157 - Resolution authorizing the Mayor and City Clerk of the City of Asheville to execute a utility agreement with the North Carolina Department of Transportation for improvements to SR 1781, Broadway Avenue from I-240 to US 19-23 in Asheville.

SUMMARY: This is a Municipal Utility Agreement between the North Carolina Department Transportation and the City of Asheville to include in the North Carolina Department of Transportation construction contract provisions to relocate and adjust certain water and sewer lines along the above named highway improvement project.

Resolution Book No. 17, Page 250

C. Scheduling of public hearing relative to an ordinance amending Zoning Ordinance No. 322, Article II, Amendments, Section 30-11-5 for November 15, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on September 21, 1988, discussed the need to amend the Asheville Zoning Ordinance to bring it into compliance with State Statutes regarding vested rights of individuals holding building permits when amendments are made to the Zoning Ordinance. An ordinance is attached for your consideration.

D. Resolution No. 88-158 - Resolution adopting a Sreetscape Plan for the City of Asheville.

SUMMARY: The Streetscape Task Force has researched and considered the streetscape and pedestrian environment of downtown and a working paper of the plan was presented to Council as feasible and appropriate. Several studies of the downtown have indicated that improving the appearance of the downtown is desperately needed and will help to stimulate economic development in the downtown. The City Council reviewed the plan on October 11, 1988, and approved the plan in concept. This resolution will formalize that action.

Resolution Book N. 17, Page 251

Upon motion of Vice Mayor Michalove, seconded by Councilman Bratton, the Consent Agenda was unanimously adopted.

VI. OTHER BUSINESS:

CLAIMS - JUDY BLANKENSHIP (WATER), JEFF BLAYLOCK (SANITATION), PATSY YOUNG (TRANSIT AUTHORITY), RUDY URBANEC (SEWER), JOHN GUILLEBEAUX (SANITATION), AND CARTER MITCHELL (PARKING SERVICES)

The City Manager presented claims received from Judy Blankenship, Jeff Blaylock, Patsy Young, Rudy Urbanec, John Guillebeaux, and Carter Mitchell.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

ADJOURNMENT:

Upon motion of Councilman Frank, seconded by Councilman Bratton, the meeting adjourned at 6:45 P.M.

MAYOR

CITY CLERK

Tuesday - November 8, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Walter Boland

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF MINUTES - NOVEMBER 1, 1988

Mayor Bissette announced the approval of the minutes of November 1, 1988 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1729 - Second reading of an ordinance rezoning property at 92 Congress Street - Petitioner - Dr. John Holt.

Mayor Bissette said the Asheville Planning and Zoning Commission on October 5, 1988, reviewed and recommended approval of rezoning Ward 4, Sheet 11, Lots 34, 34-1/4, and 278, from R-3 Residential District to O-I Office-Institutional District. (Property is located at 92 Congress Street, Livingston Street and Pine Grove Avenue).

Mayor Bissette said this ordinance was previously read on first reading and will not be read in its entirety.

On a roll call vote of 6-0, Ordinance No. 1729 passed on second reading.

B. Ordinance No. 1730 - Second reading of an ordinance rezoning property on North Louisiana Avenue - Petitioner - Ms. Jeanne Y. Palyok.

Mayor Bissette said the Asheville Planning and Zoning Commission on October 5, 1988, reviewed and

recommended approval of rezoning Ward 12, Sheet 7, Lot 92, from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette said this ordinance was previously read on first reading and will not be read in its entirety.

On a roll call vote of 6-0, Ordinance No. 1730 passed on second reading.

C. Ordinance No. 1731 - Third reading of an ordinance amending Section 19A-1 and 19A-11 of the Code of Ordinances (Grievance Procedure) of the City of Asheville.

Mayor Bissette said Section 19A-1 is being amended to clarify procedures for hearing group grievances because meeting with large groups can make it almost impossible to meet time deadlines of the present ordinance. This amendment would allow a department head the flexibility to meet with a group of employees if he/she so desires; however, it would clarify that it is not a requirement of the grievance procedure. Section 19A-11 will clarify who the department head must confer with prior to rendering a decision on a grievance as opposed to who must actually attend the grievance conference. Section 19A-11 also eliminates the time allotted for the City Manager to render his decision provided the conference is held within 10 days after the appeal is received by the City Clerk.

Mayor Bissette said this ordinance was previously read on first and second readings and will not be reread in its entirety.

At the request of the City Attorney, Councilman Price moved to amend Ordinance No. 1731 by deleting the last sentence of the first paragraph "Settlement of a grievance filed by one employee will be binding on all other employees who are affected in the same manner by the subject matter of the grievance." This motion was seconded by Vice-Mayor Michalove and carried unanimously.

David Anders, with the Asheville Fire Department, spoke in opposition to the ordinance amending the current grievance procedure. He said in his opinion the current ordinance is working satisfactorily. He said he also disagreed with the reasons for changing the ordinance just because it would take too much time to solve multiple grievances. He suggested that the proposed ordinance be voided or postponed and presented to a team for review and recommendation.

After discussion, Councilman Price suggested that the third reading of the ordinance be postponed until next week giving the City Attorney and the Personnel Director another opportunity to review the ordinance.

D. Ordinance No. 1727 - Third reading of an ordinance creating Article 6A of the Code of Ordinances of the City of Asheville providing standards for design review affecting property in and near downtown Asheville.

Mayor Bissette said Downtown Asheville is recognized as a special place to be protected as a community resource because it represents an important part of Asheville's heritage and because its unusual character creates an identity for Asheville. Downtown Asheville is also the major center of business and cultural activity. This ordinance will establish boundaries of the Downtown Design Review Area and will authorize the Planning and Zoning Commission to establish guidelines for new construction and rehabilitation in the Downtown Design Review Area. All construction work requiring a building permit, sign permit, or zoning review or a variance must be submitted to the Planning and Zoning Commission for review prior to the issuance of the permit. Routine maintenance will not be subject to review, but procedures for cleaning and painting buildings must be reviewed.

Vice-Mayor Michalove commented that if the projects meet all guidelines that it should not have to go through the Planning and Zoning Commission process.

Mayor Bissette said the ordinance was previously read on first and second readings and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1727 passed on third and final reading.

Ordinance Book No. 11 Page No. 381-384

IV. NEW BUSINESS:

A. Resolution No. 88-159 - Resolution relative to exchange of real property with Joseph C. Reynolds and Mountain Investment Company, Inc. for Beaverdam Water Reservoir Site.

Mayor Bissette said pursuant to the need to procure a new reservoir site in the Beaverdam Valley area, an Exchange Agreement has been initially agreed upon by and between the Buncombe County Water Authority

and Joseph C. Reynolds and Mountain Investment Company, Inc. for the exchange of certain properties off Pinecroft Road. The City would convey the current reservoir site, which is inactive, for a new site in the Reynolds subdivision for the placement of a new reservoir system.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Martin, seconded by Councilman Frank, Resolution No.88-159 was unanimously adopted.

Resolution Book No. 17 Page No. 252

B. **Ordinance No. 1732 - Budget ordinance amendment to appropriate funds received from land sales in the R-48 Urban Renewal area for property management costs.**

Mayor Bissette said this budget amendment is to appropriate funds received from land sales in the R-48 Urban Renewal area for property management costs. There is an immediate need to correct a drainage problem in Lyman Hollow.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1732. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1732 passed on first and final reading.

Ordinance Book No. 11 Page No. 392

C. **Ordinance No. 1733 - Budget ordinance amendment to appropriate funds from Arts Grants for after school program at Burton, Shiloh, Stephens-Lee, Reid and Montford Centers.**

Mayor Bissette said this budget amendment in the amount of $3,000 is from an Arts Grant for after school program at Burton, Shiloh, Stephens-Lee, Reid and Montford Centers.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1733. This motion was seconded by Councilman Bratton.

On a roll call vote of 6-0, Ordinance No. 1733 passed on first and final reading.

Ordinance Book No. 11 Page No. 393

D. **Ordinance No. 1734 - Budget ordinance amendment to appropriate funds provided by grant from N. C. Department of Community Development, Division of Aging for renovations to Senior Opportunity Center restroom to bring them up to handicapped code.**

Mayor Bissette said this budget ordinance amendment in the amount of $10,000 is for a grant from N. C. Dept. of Community Development, Division of Aging, for renovations to Senior Opportunity Center restroom to bring them up to handicapped code.

Councilman Price moved for the adoption of Ordinance No. 1734. This motion was seconded by Councilman Bratton.

On a roll call vote of 6-0, Ordinance No. 1734 passed on first and final reading.

Ordinance Book No. 11 Page No. 394

E. **Ordinance No. 1735 - Budget ordinance amendment to appropriate funds by grant from N. C. Department of Community Development, Division of Aging for outreach program to area senior clubs and housing projects.**

Mayor Bissette said this budget amendment in the amount of $15,000 is from a grant from N. C. Department of Community Development, Division of Aging, for outreach program to area senior clubs and housing projects.

Councilman Price moved for the adoption of Ordinance No. 1735. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1735 passed on first and final reading.

Ordinance Book No. 11 Page No. 395

V. CONSENT:

A. **Resolution No. 88-160 - Resolution authorizing the Purchasing Director to sell surplus motor vehicle and other surplus property at public auction.**

SUMMARY: The Motor Transport Superintendent has declared twenty-two cars, nine pickup trucks, two dump trucks, one 2 ton truck, one Ford F800 truck and one tractor, as surplus. Various City Departments have declared assorted office furniture, equipment and other miscellaneous items as surplus.

Resolution Book No. 17 Page No. 253

B. Motion approving the sale of Disposal Parcel 94 in the East End/Valley Street area.

SUMMARY: The Housing Authority has tentatively accepted a bid for Disposal Parcel 94 in the East End/Valley Street area for residential use for a bid of $200.00 from Myrtle D. Lee. Disposal Parcel 94 is a fragment left over after completion of Max Street improvements. It is only 2,178 sq. ft. and therefore not buildable. Mrs. Lee is the owner of adjacent property at 6 Circle Street and she plans to use the lot for additional yard space.

C. Resolution No. 88-161 - Resolution authorizing the City Manager to execute an agreement with Wheeler construction Company, Inc. for the construction of the Thompson Street Sanitary Sewer Relocation Project.

SUMMARY: This project involves the installation of approximately one thousand one hundred eighty linear feet of twenty-four inch sanitary sewer on Thompson Street. Bids were opened on this project on October 18, 1988 and the lowest responsible bidder was Wheeler Construction Company, Inc., in the amount of $83,955.00 It is recommended that the City Manager is authorized to execute an agreement with Wheeler Construction Company, Inc., for this project.

Resolution Book No. 17 Page No. 254

D. Resolution No. 88-162 - Resolution authorizing the City Manager of the City of Asheville to sign contract for grant funds from the North Carolina Arts Council.

SUMMARY: The North Carolina Arts Council and the Community Arts Council of Western North Carolina have funds available through the Grassroots Arts Programs for arts programming. The Parks, Recreation, and Public Facilities Department would like to utilize these funds to provide an after-school arts program at Burton Street, Shiloh, Stephens-Lee, Reid, and Montford Recreation Centers.

Resolution Book No. 17 Page No. 255

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

ANNOUNCEMENT - COUNCILMAN WALTER BOLAND - RESIGNATION

Mayor Bissette presented the following letter to members of Council:

October 26, 1988

Mr. Louis Bissette, Mayor
McGuire, Wood and Bissette, PA
P. O. Box 3180
Asheville, North Carolina 28802

Dear Louis:

I hereby submit my resignation from the Asheville City Council.

As you know I do this with considerable regret, but given the current circumstances in my life it seems the wise thing to do.

With warm personal regards.

Sincerely,

/s/ Walter R. Boland
Walter R. Boland

Mayor Bissette said Council will begin the process for replacement for Councilman Boland. He said the City Attorney would be recommending a procedure to follow but the main requirement is that the replacement must be from the same political party which would be a Democrat.

Steve Welborn said the process for the replacement should be fair and just. He said he felt this would be an excellent opportunity for Council to show a good faith effort to appoint a black to City Council.

ANNOUNCEMENT BY MAYOR - PACK PLAZA PROJECT CLOSING

Mayor Bissette announced that after many hours of negotiations the Pack Plaza Project was finally closed. He thanked the staff for their many hours of dedication in getting this project closed.

Members of Council also thanked Mayor Bissette for his efforts in getting the Project closed.

POLITICAL SIGNS - REMOVAL

Upon inquiry of Councilman Price, the City Manager said efforts would be taken to have all political signs removed as stipulated in the ordinance.

RESOLUTION NO. 88-163 - RESOLUTION APPOINTING MEMBER TO THE ALCOHOLIC BEVERAGE CONTROL BOARD

Councilman Frank moved for the adoption of a resolution appointing Helen Mitchell to the Alcoholic Beverage Control Board for a three (3) year term, term expiring November 13, 1991, or until her successor is duly appointed and qualified. This motion was seconded by Councilman Price and carried unanimously.

Resolution Book No. 17 Page No. 256

CLAIMS - GEORGE METHVIN (STREETS) - KIM JONES (WATER) - ARNOLD JONES (SEWER) - LENA WATERS (SEWER) - EMILY MOSS (WATER)

The City Manager presented claims received from George Methvin, Kim Jones, Arnold Jones, Lena Waters, and Emily Moss.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - LOTTERY SALES

Ralph Bishop again spoke to members of Council about the lottery sales in the City of Asheville.

ADJOURNMENT:

Mayor Bissette adjourned the meeting at 5:30 p.m.

MAYOR

CITY CLERK

Tuesday - November 15, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF MINUTES - NOVEMBER 8, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the November 8, 1988 meeting as submitted.

ANNOUNCEMENT - ARTHUR ROBERT "BOB" YORK - COUNCILMAN

Mayor Bissette said for the past two weeks members of Council have been discussing a replacement for Walter Boland as a member of the Asheville City Council. He said a number of names had been submitted to Council as a replacement for Walter Boland. He said all the candidates would have made an excellent replacement. He said after thoroughly discussing the matter it is felt that Council has now chose an individual to replace Walter Boland.

Vice-Mayor Michalove nominated Arthur Robert "Bob" York as a replacement for Walter Boland on the Asheville City Council.

Councilman Frank moved to accept Arthur Robert "Bob" York as a replacement for Walter Boland on the Asheville City Council by acclamation. This motion was seconded by Councilman Price and carried unanimously.

I. PROCLAMATIONS:

A. Resolution No. 88-164 - Resolution in memory of Charles A. Sammons

Mayor Bissette read a resolution in memory of Charles A. Sammons, owner of The Grove Park Inn and Country Club of Asheville.

Upon motion of Councilman Martin, seconded by Vice-Mayor Michalove, Resolution No. 88-164 was unanimously adopted.

B. Proclamation - Light Up Your Holidays - November 23 - December 31, 1988

Mayor Bissette read the proclamation and presented a copy to Curt Crowhurst, Festival Coordinator.

Curt Crowhurst said the Light Up Your Holidays Premier would be November 26, 1988 at 6:00 p.m. He said there would be over 450 events taking place over the holidays. He outlined the major events.

II. PUBLIC HEARINGS:

A. Public hearing relative to an ordinance amending Zoning Ordinance No. 322, Article II, Amendments, Section 30-11-5.

Ordinance No. 1736 - An ordinance amending Zoning Ordinance No. 322, Article II, Amendments, Section 30-11-5

Mayor Bissette said the Asheville Planning and Zoning Commission on September 21, 1988, discussed the need to amend the Asheville Zoning Ordinance to bring it into compliance with State Statutes regarding vested rights of individuals holding building permits when amendments are made to the Zoning Ordinance.

Mayor Bissette opened the public hearing at 4:40 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Attorney said the North Carolina General Assembly amended the General Statutes to provide for vested rights to individuals holding valid building permits. He said this amendment to the Zoning Ordinance is necessary with regard to that statutory change. He said amendments, modifications, supplements, repeal or other changes in zoning regulations and restrictions and zone boundaries shall not be applicable or enforceable without consent of the owner with regard to lots for which building permits have been issued prior to the enactment of the ordinance making the change or changes so long as the permits remain valid, unexpired and unrevoked.

Mayor Bissette closed the public hearing at 4:42 p.m.

Mayor Bissette said members of Council were furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1736. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1736 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1736. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1736 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1736. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1736 passed on third and final reading.

Ordinance Book No. 11 Page No. 396

III. OLD BUSINESS:

A. **Ordinance No. 1729 - Third reading of an ordinance rezoning property at 92 Congress Street - Petitioner - Dr. John Holt.**

Mayor Bissette said the Asheville Planning and Zoning Commission on October 5, 1988, reviewed and recommended approval of rezoning Ward 4, Sheet 11, Lots 34, 34-1/4, and 278, from R-3 Residential District to O-I Office-Institutional District. (Property is located at 92 Congress Street, Livingston Street and Pine Grove Avenue).

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

On a roll call vote of 6-0, Ordinance No. 1729 passed on third and final reading.

Ordinance Book No. 11 Page No. 387

B. Ordinance No. 1730 - Third reading of an ordinance rezoning property on North Louisiana Avenue - Petitioner - Ms. Jeanne Y. Palyok.

Mayor Bissette said the Asheville Planning and Zoning Commission on October 5, 1988, reviewed and recommended approval of rezoning Ward 12, Sheet 7, Lot 92, from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

On a roll call vote of 6-0, Ordinance No. 1730 passed on third and final reading.

Ordinance Book No. 11 Page No. 388

C. Ordinance No. 1731 - Third reading of an ordinance amending Section 19A-1 and 19A-11 of the Code of Ordinances (Grievance Procedure) of the City of Asheville.

Mayor Bissette said Section 19A-1 is being amended to clarify procedures for hearing group grievances because meeting with large groups can make it almost impossible to meet time deadlines of the present ordinance. This amendment would allow a department head the flexibility to meet with a group of employees if he/she so desires; however, it would clarify that it is not a requirement of the grievance procedure. Section 19A-11 will clarify who the department head must confer with prior to rendering a decision on a grievance as opposed to who must actually attend the grievance conference. Section 19A-11 also eliminates the time allotted for the City Manager to render his decision provided the conference is held within 10 days after the appeal is received by the City Clerk.

Mayor Bissette said the third reading of this ordinance was postponed giving the City Attorney and the Personnel Director an opportunity to look into several questions raised during the second reading. He said the City Attorney has requested that the third reading be postponed until November 29, 1988 since the Personnel Director has been out of town.

D. Resolution to close a portion of Cliff Street in the City of Asheville, North Carolina.

Mayor Bissette said a petition has been filed by Westgate Shopping Center of Asheville, Inc. requesting that a portion of Cliff Street which has

never been paved or otherwise utilized be permanently closed to the public use. This closing is in connection with the Westgate Shopping Center Expansion Project - Phase II. A public hearing was held on September 27, 1988.

Mayor Bissette said action on this resolution would be postponed until November 29, 1988.

E. **Sign permit for freestanding identification sign to be located on Patton Avenue for a Mini Storage Company.**

Mayor Bissette said Crawford Sign Company has requested approval of a sign permit for a 38' advertising sign to be located at I-240 and Westwood Place. This permit requires approval of Council since the sign will be situated closer than 600' from a limited access highway.

David Matney, attorney for George Morasoni, owner of the Mini Storage Company, showed members of Council a map of where the sign would be located. He said the sign would be approximately 12' above finish grade level of I-240 and about 2' to 3' above the grading line of the project.

Mr. Morasoni showed members of Council pictures of signs in the vicinity of the proposed Mini Storage Company.

Mr. Matney presented members of Council with several alternatives that his client could accept. He said their first choice of approval would be the sign 38' in height which would allow the use of a message board; the second would be 25' in height with the use of a message board; or a sign 38' in height with a time and temperature message; or a sign 25' in height with a time and temperature message; or a sign 25' in height with a non-electric message board with changeable letters.

Mr. Matney said the sign would be less than 250 square feet per side.

After discussion, Councilman Martin moved to approve the sign permit for the Mini Storage Company contingent upon the sign not exceeding 25' in height and not to exceed 438 square feet in size and that the message board be a time and temperature sign. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

F. Resolution No. 88-165 - Resolution authorizing the City Manager to execute a technical services contract with the Land-of-Sky Regional Council.

Mayor Bissette said the Land-of-Sky Regional Council operates to provide planning and technical services to local governments in Region B. This resolution will authorize the City Manager to execute a contract with the Land-of-Sky Regional Council for transportation planning assistance for the period October 15, 1988, and ending June 30, 1990.

Upon motion of Councilman Frank, seconded by Councilman Martin, Resolution No. 88-165 was unanimously adopted.

Resolution Book No. 17 Page No. 258

IV. NEW BUSINESS:

A. Ordinance No. 1737 - Ordinance amending Chapter 25 (Streets and Sidewalks) of the Code of Ordinance of the City of Asheville (Parade Permits)

Mayor Bissette said this ordinance will amend Section 25-16 (C) (1-5) by deleting same and inserting new language. The new language would require that a written application for a permit is to be filed not less than 72 hours in advance of such parade. It would also require that the applicant for a permit pay an administrative filing fee, to be set by the Council and included in the City's Fees and Charges Manual.

Councilman Frank moved for the adoption of Ordinance No. 1737. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1737 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of the ordinance. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1737 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third and final reading of the ordinance. This motion died for the lack of a second.

B. Amendment to Sign Package for River Ridge Shopping Center.

Mayor Bissette said the developer of River Ridge Market Place has requested that the sign package be amended to add one free-standing identification sign at a new entrance on U. S. 74 across from Oakley Plaza.

Carroll Hughes, representing River Ridge Shopping Center requested Council's approval on an additional free-standing identification sign for River Ridge Market Place for a lower entrance that was not originally anticipated. He showed members of Council a drawing of the proposed sign.

After discussion, Councilman Price moved to approve the amended sign package for the River Ridge Shopping Center for one additional free-standing identification sign for the lower entrance to River Ridge Market Place. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

V. CONSENT:

A. Resolution No. 88-165 - Resolution appointing members to the Drug Task Force.

Mayor Bissette said Resolution No. 88-154 established the Drug Task Force. This resolution will appoint the following members to the Task Force:

Judge Earl Fowler, Chairman; Peter Banyai, Vice-Chairman; George Morrison, Mike Begley, Bud Garland, Kevin Payne, Bob Fisher, Carl Johnson, Nilous Avery, III, Doug Jones, Max Haner, David Jones, Peggy Shook, William Young, Ralph Hammond, Sherry Davidson, Minnie Jones, Ellen Clark-Sayer, Peter Menedis

B. Motion to cancel City Council Meeting on November 22, 1988.

Mayor Bissette said this meeting is being cancelled due to Thanksgiving Holidays.

Upon motion of Councilman Frank, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

EASEMENT FOR CAROLINA POWER AND LIGHT COMPANY FOR PACK PLACE

Vice-Mayor Michalove moved to authorize the Mayor to sign easement agreements with Carolina Power and Light Company for electrical service in the alley in the Pack Place project. This motion was seconded by Councilman Martin and carried unanimously.

CITY MANAGER AUTHORIZED TO SIGN INDEMNITY AGREEMENT - PACK PLAZA ASSOCIATES LIMITED PARTNERSHIP - LIGHT UP YOUR HOLIDAYS FESTIVAL

Vice-Mayor Michalove moved to authorize the City Manager to execute an indemnity agreement with Pack Plaza Associates Limited Partnership for the use of the Commerce Building for a limited portion of the program for the Light Up Your Holidays Festival on Saturday, December 3, 1988 from 4:00 p.m. until 7:00 p.m. This motion was seconded by Councilman Frank and carried unanimously.

CLAIMS - FREDDIE MITCHELL (STREETS) - KENNY TREECE (STREETS) - STANLEY DILLS (WATER) - CHERYL FOWLER (WATER) - KEITH COCHRAN (SANITATION) - CHARLOTTE CLARK (SEWER) - HAROLD TALBERT (STREETS) - JUDY HOFFMAN (WATER) - GENE MITCHELL (PARKS)

The City Manager presented claims received from Freddie Mitchell, Kenny Treece, Stanley Dills, Cheryl Fowler, Keith Cochran, Charlotte Clark, Harold Talbert, Judy Hoffman, and Gene Mitchell.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:50 p.m.

MAYOR

CITY CLERK

Tuesday - November 29, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - NOVEMBER 15, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the November 15, 1988 meeting as submitted.

EMPLOYEES OF WATER AND SEWER DEPARTMENT - 1988 STATE CHAMPIONS IN TAPPING

The City Manager recognized employees of the Water and Sewer Department for becoming the 1988 State Champions in Tapping for the second year. He said the team beat the state and national record with a time of 1 minute 54.32 seconds. He said the team will be competing in the Nationals in Los Angeles in June, 1989.

PARKING VALIDATION STICKERS FOR LIBRARY PATRONS

The City Manager said due to a number of calls relative to repealing free parking in the Civic Center Parking Garage for residents of the City using the library facilities an interim solution has been decided upon. He said the City will issue to the Library validation stickers similar to the ones used by downtown merchants. He said the Library would have control of the parking stickers and this program would be monitored for several months to determine the usage of the Library and the cost involved and a determination can be made by Council whether to continue the program.

REGRETS EXTENDED TO FAMILY OF WARREN G. CABANISS

Mayor Bissette, on behalf of the Council, extended regrets to the family of Warren G. Cabaniss, former member of the Alcohol Beverage Control Board, upon his recent passing.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. **Resolution to close a portion of Cliff Street in the City of Asheville, North Carolina.**

SUMMARY: A petition has been filed by Westgate Shopping Center of Asheville, Inc. requesting that a portion of Cliff Street which has never been paved or otherwise utilized be permanently closed to the public use. This closing is in connection with the Westgate Shopping Center Expansion Project - Phase II. A public hearing was held on September 27, 1988.

Mayor Bissette announced that this matter would be postponed until December 20, 1988 meeting.

B. **Third reading of Ordinance No. 1731 - amending Section 19A-1 and 19A-11 of the Code of Ordinances (Grievance Procedure) of the City of Asheville.**

SUMMARY: Section 19A-1 is being amended to clarify procedures for hearing group grievances because meeting with large groups can make it almost impossible to meet time deadlines of the present ordinance. This amendment would allow a department head the flexibility to meet with a group of employees if he/she so desires; however, it would clarify that it is not a requirement of the grievance procedure. Section 19A-11 will clarify who the department head must confer with prior to rendering a decision on a grievance as opposed to who must actually attend the grievance conference. Section 19A-11 also eliminates the time allotted for the City Manager to render his decision provided the conference is held within 10 days after the appeal is received by the City Clerk.

Mayor Bissette announced that this matter would be postponed until December 20, 1988 meeting.

Mayor Bissette, on behalf of the Council, extended regrets to the family of Warren G. Cabaniss, former member of the Alcohol Beverage Control Board, upon his recent passing.

III. OLD BUSINESS:

duplicate page

A. Resolution to close a portion of Cliff Street in the City of Asheville, North Carolina.

SUMMARY: A petition has been filed by Westgate Shopping Center of Asheville, Inc. requesting that a portion of Cliff Street which has never been paved or otherwise utilized be permanently closed to the public use. This closing is in connection with the Westgate Shopping Center Expansion Project - Phase II. A public hearing was held on September 27, 1988.

Mayor Bissette announced that this matter would be postponed until December 20, 1988 meeting.

B. Third reading of Ordinance No. 1731 - amending Section 19A-1 and 19A-11 of the Code of Ordinances (Grievance Procedure) of the City of Asheville.

SUMMARY: Section 19A-1 is being amended to clarify procedures for hearing group grievances because meeting with large groups can make it almost impossible to meet time deadlines of the present ordinance. This amendment would allow a department head the flexibility to meet with a group of employees if he/she so desires; however, it would clarify that it is not a requirement of the grievance procedure. Section 19A-11 will clarify who the department head must confer with prior to rendering a decision on a grievance as opposed to who must actually attend the grievance conference. Section 19A-11 also eliminates the time allotted for the City Manager to render his decision provided the conference is held within 10 days after the appeal is received by the City Clerk.

Mayor Bissette announced that this matter would be postponed until December 20, 1988 meeting.

C. Ordinance No. 1737 - Third reading of an ordinance amending Chapter 25 (Streets and Sidewalks) of the Code of Ordinance of the City of Asheville (Parade Permits)

Mayor Bissette said this ordinance will amend Section 25-16 (C) (1-5) by deleting same and inserting new language. The new language would require that a written application for a permit is to be filed not less than 72 hours in advance of such parade. It would also require that the applicant for a permit pay an administrative filing fee, to be set by the Council and included in the City's Fees and Charges Manual.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1737 passed on third and final reading.

Ordinance Book No. 11 Page No. 397-398

IV. NEW BUSINESS:

A. Resolution No. 88-167 - Resolution providing for the issuance of $8,400,000 Public Improvement Bonds, Series 1988.

Mayor Bissette said this resolution will authorize the issuance of $5.4 million in Street and Sidewalk bonds and $3.0 million in Pack Place bonds.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Martin, seconded by Councilman Frank, Resolution No. 88-167 was unanimously adopted.

Resolution Book No. 17 Page No. 260 - 293

B. Resolution authorizing the City Manager to execute an agreement with Land-of-Sky Regional Council to provide technical support concerning the proposed Stormwater Management Program.

SUMMARY: Proposed agreement between the City of Asheville and the Land of Sky Regional Council to provide technical support to City staff in coordinating with the Citizen Advisory Committee and Public meetings concerning the proposed Stormwater Management Program.

Mayor Bissette said this resolution would be postponed until the December 20, 1988 meeting.

C. Ordinance No. 1738 - Ordinance amending Ordinance Nos. 1650 and 1674 providing for a Disability Review Board for members of the Asheville Policemen's Pension and Disability Fund.

Mayor Bissette said the proposed amendment clarifies the entitlement to benefits for former firefighters.

The City Attorney said it has become necessary to clarify the eligibility for benefits to former firefighters. He said the following sentence would be added to the ordinance: "No benefits shall be paid for any period of time prior to January 1, 1987, for former members of the Asheville Policemen's Pension and Disability Fund and for any period of time prior to January 1, 1988, for former members of the Asheville Firemen's Pension and Disability Fund."

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1738. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1738 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1738. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1738 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1738. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1738 passed on third and final reading.

Ordinance Book No. 11 Page No. 399-400

D. Ordinance No. 1739 - Ordinance directing the Director of Building Inspections to demolish and remove the dwelling known as 94 Houston Street, Asheville, North Carolina.

Mayor Bissette said this ordinance will direct the demolition and removal of the remains of the dwelling at 94 Houston Street, due to an imminent threat to life, safety, and health.

The City Attorney said this ordinance is being adopted due to an emergency situation and statements have been received from the Fire, Police, Building Inspections, and Health Departments outlining the status of 94 Houston Street.

Mayor Bissette and Councilman Price said there are two (2) dwellings on Starnes Avenue that should fall under the emergency ordinance and should be demolished. They indicated a desire to move faster on dwellings of this nature in order to eliminate such problems.

Vice-Mayor Michalove said he was under the impression that there is a procedure to follow to move ahead quickly on dwellings that are a threat to life, safety, and health without waiting on the process of adopting an ordinance.

Councilman Frank moved for the adoption of Ordinance No. 1739. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 6-0, Ordinance No. 1739 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1739. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1739 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1739. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1739 passed on third reading.

Ordinance Book No. 11 Page No. 401

E. **Resolution authorizing the transfer of a cable television franchise from American Cable TV Investors to Daniels & Associates, Inc., and/or its affiliates which are controlled by United Artists Communications, Inc.**

Mayor Bissette said this resolution will approve and consent to the transfer and assignment of the franchise to Daniels & Associates, Inc. and/or its affiliates which are controlled by United Artists Communications, Inc.

Mayor Bissette indicated that the City Manager and the City Attorney needs additional information prior to Council taking action on the resolution.

Joe Haight, General Manager of Asheville Cablevision, said this action is a continuation of a request sent to members of Council in June, 1988. He said United Artists Communication, Inc. purchased Daniels and Associates, Inc., a partnership which owned Asheville Cablevision. He said United Artists Communication, Inc. is buying out all the limited partnerships, closing out American Cable TV Investors, which is also a part of Daniels and Associates. He said there would be no effect on the local franchise.

The City Manager said Council would take action on this resolution in the next few weeks.

V. CONSENT:

A. **Resolution No. 88-168 - Resolution authorizing condemnation of Parcel 2 of property in the Thompson Street Bridge Replacement Project.**

SUMMARY: This resolution authorizes the Asheville Housing Authority to condemn Parcel No. 2, owned by Midwood Investment Company, in order to acquire the parcel for right-of-way required for the replacement of the Thompson Street Bridge. Numerous attempts have been made to locate and negotiate with Midwood Investment Company, (and it has been found that the company no longer legally exists).

Resolution Book No. 17 Page No. 294

B. **Resolution No. 88-169 - Resolution accepting Rhododendron Place as a City system street.**

SUMMARY: Property owners along Rhododendron Place, in the newly annexed area of Haw Creek, have petitioned the City to accept Rhododendron Place as a City system street. The street qualifies as a City System street

Resolution Book No. 17 Page No. 295

C. **Bids for a Communication Center for Fire Department consisting of two (2) status/control panels and ten (10) station transponders.**

SUMMARY: Recommendation to award bid for a communication center to the low bidder, Communication Service, Inc., Asheville, North Carolina.

D. Resolution No. 88-170 - Resolution appointing members to the Asheville Fair Housing Commission.

SUMMARY: The term of office of Dwight B. Mullen as a member of the Asheville Fair Housing Commission expires December 31, 1988. This resolution will reappoint Dwight B. Mullen for a three (3) year term, term to expire December 31, 1991 or until his successor has been duly appointed and qualified.

Resolution Book No. 17 Page No. 296

E. Resolution No. 88-171 - Resolution appointing members to the Board of Directors of the Victoria of Asheville, Inc.

SUMMARY: The terms of Matthew Bacoate, Jr., Darlene Wilkins, Dr. John P. Holt, Dorothy C. Maitland, and John F. Shuford have expired as a members of the Board of Directors of the Victoria of Asheville, Inc. It is necessary for Council to appoint someone to serve on the Victoria of Asheville Board of Directors. This resolution will reappoint Matthew Bacoate, Jr., Darlene Wilkins, Dr. John P. Holt, Dorothy C. Maitland, and John F. Shuford, terms expiring November 29, 1991 or until their successors have been duly appointed and qualified.

Resolution Book No. 17 Page No. 297

F. Resolution No. 88-172 - Resolution appointing members to the Asheville-Buncombe Community Relations Council.

SUMMARY: The terms of the Chief of Police and Dwight B. Mullen ave expired as a members of the Asheville-Buncombe Community Relations Council. It is necessary for Council to appoint someone to serve on the Asheville-Buncombe Community Relations Council. This resolution will reappoint the Chief of Police and Dwight B. Mullen to a 3-year term, terms December 31, 1991, or until their successors have been duly appointed and qualified.

Resolution Book No. 17 Page No. 298

G. Resolution No. 88-173 - Resolution appointing member to the Asheville-Buncombe Water Authority.

SUMMARY: The term of the Richard A. Wood, Jr. has expired as a member of the Asheville-Buncombe Water Authority. It is necessary for Council to appoint someone to serve on the Asheville-Buncombe Water Authority. This resolution will reappoint the Richard A. Wood, Jr., term expiring December 31, 1991, or until his successor has been duly appointed and qualified.

Resolution Book No. 17 Page No. 299

H. Resolution No. 88-174 - Resolution appointing member to the Asheville Transit Authority.

SUMMARY: The term of Tom Tomlin has expired as a member of the Asheville Transit Authority. It is necessary for Council to appoint someone to serve on the Asheville Transit Authority. This resolution will reappoint the Tom Tomlin, term expiring December 31, 1992, or until his successor has been duly appointed and qualified.

Resolution Book No. 17 Page No. 300

I. Resolution No. 88-175 - Resolution No. 88-176 - Resolution appointing members to the Asheville Area Civic Center Commission.

SUMMARY: Dianna Jackson and Joe Webster have resigned as members of the Asheville Area Civic Center Commission. It is necessary for Council to appoint two individuals to serve on the Asheville Area Civic Center Commission. This resolution will appoint Mrs. H. C. McQueen to serve the unexpired term of Joe Webster, term expiring June 30, 1989, or until her successor has been duly appointed and qualified and Debi Decker to serve the unexpired term of Dianna Jackson, term expiring June 30, 1991, or until her successor has been duly appointed and qualified.

Resolution Book No. 17 Page No. 302

J. Scheduling of public hearing relative to the implementation of zoning in the Montford area in accordance with the "Head of Montford Redevelopment Plan" for December 13, 1988.

SUMMARY: The Asheville Planning and Zoning Commission on November 2, 1988, considered the following recommendations from staff:

1) Amend the Asheville Zoning Ordinance by adding a new Section 30-5-16, NC Neighborhood Commercial District;

2) Rezoning certain lots in the Montford Area on Ward 3, Sheets 2, 10, 11, 13, and 16;

The Commission voted unanimously to recommend to City Council that the Asheville Zoning Ordinance be amended by adding a new NC Neighborhood Commercial District and that the existing zoning in Montford remain.

Upon motion of Councilman Bratton, seconded by Councilman Price, the consent agenda was unanimously adopted.

VI. OTHER BUSINESS:

ORDINANCE NO. 1740 - BUDGET ORDINANCE - TONE ALERT SYSTEM FOR FIRE DEPARTMENT

At the request of the City Manager, Councilman Bratton moved for the adoption of a budget amendment in the amount of $33,870 for a tone alert system in the Fire Department. This motion was seconded by Councilman Frank.

On a roll call vote of 6-0, Ordinance No. 1740 passed on first and final reading.

Ordinance Book No. 11 Page No. 402

COMMENTS RELATIVE TO COUNCIL'S SELECTION OF NEW COUNCILMEMBER

W. Steve Wilborn, President of the Asheville Branch of the NAACP, read the following prepared statement:

November 28, 1988

The Asheville Branch of the NAACP would like to go on record to express our objection to the process that City Council used to appoint Mr. Robert York to fill the unexpired term of former council member Walt Boland. While it is understood that Council

executed its duty in filling the vacancy, the nomination and appointment process was, in our opinion, done secretly and in a style reminiscent of back-room politics. Interested Asheville citizens should have been given an opportunity to comment, ask questions, and express their opinions about, 1) the process that would be used to nominate and appoint Mr. Boland's replacement, 2) the qualifications members of Council would be looking for in prospective candidates, in addition to the requirement that (s)he be a Democrat and, 3) when interviews would be held. As a result of your failure to fully disclose all the procedures surrounding this situation, there is and continues to be a great deal of discussion in the Greater Asheville community concerning the expeditious manner in which the appointment was made.

Those actions and inactions, coupled with your pro-business at the expense of neighborhood/city-wide problems have diminished our trust in your good-faith effort to represent all the people equally. Therefore, at this time, we formally request that you agree to voluntarily establish a district representative form of government for City Council. We also request that you give us an answer within six weeks from this date. Thank you.

W. Steve Wilborn, President Marilyn Bass, Secretary

J. Walter Hills, from the Interdenominational Ministerial Alliance of Asheville and Vicinity, read the following prepared statement:

Dear Mayor and Council Members,

It is with profound disappointment that we, the Interdenominational Ministerial Alliance of Asheville and Vicinity, address you concerning the recent appointment to City Council.

Our concern is twofold:

1. The strategy which the council choose to make the appointment secretive, without input or consideration of the community.

2. We feel that the appointment coupled with the ways & means that the appointment was made shows insensitivity to the Black Community.

The community-The Black Community has always supported in a large way is responsible for having a democratic controlled council. It is our opinion that this council missed a golden opportunity to show its appreciation for the support you have been given. Your disregard for our voice shall be remembered during the next election. During the ensuing years and the upcoming elections, we urge you to remember this act of insensitivity.

Respectfully Submitted,

J. Walter Hills

Reverend James E. Roberts
President

Reverend J. F. Wills
Secretary

Reverend O. T. Tomes
Treasurer

Brita Larsen Clark, with North Carolina Sane/Freeze, read the following prepared statement:

November 29, 1988

Asheville City Council
City Hall
Asheville, North Carolina

On behalf of the Asheville chapter of SANE/FREEZE I would like to join in protest regarding how a replacement for Dr. Boland was chosen. The process of choosing a replacement must be an open one in which all sectors have a voice.

We are particularly concerned that the Asheville Black community's legitimate call for more equitable representation was met with evasion and equivocation until they were presented with a fait accompli.

We cannot have a government that is responsive to all the people unless all parties are involved in its development. Under-the-table negotiations deny important constituencies their voice in a process that should be conducted in an open and forthright manner.

A more public process will benefit the entire community by helping us to recognize each other's strengths and needs, and teaching us to work together constructively.

Sincerely,

Brita Laren Clark
Route 1, Box 738
Candler, N. C. 28715

Dorothy Krisbaum spoke in support of the NAACP's position on the replacement of the Council member. She said she felt the concerns from the Black Community were ignored.

Mary Kay Larer speaking in support of the NAACP's position on the replacement of the Council member said she felt Council's quick

decision is a tragedy and Council was unfair to the Black Community.

Councilman Frank commented that this was the second time she had went through the process of selecting a Council member and in her opinion Council could not please everyone in their selection. She said it is a "no-win" situation for Council members.

COMMENTS BY BOB BROWN - ELECTION OF SCHOOL BOARD MEMBERS

Bob Brown, Chairman for the Citizens for a Vote in the Schools, read the following prepared statement:

Thank you for the opportunity to present this petition to you. It contains the signatures of eight hundred and fifty-six persons who request that the Council take the necessary steps to provide Asheville with an elected Board of Education.

This issue is not raised as a response to the performance of current or past Boards, but in the belief that the nature and importance of public education requires an elected Board.

An appointed Board by its character does not require or seek public involvement or approval. We find the Board, appointed in executive session, conducting the majority of its business in executive session. This kind of secrecy is more appropriate to foreign intrigue than to the education of children.

This Board should be elected by the public because the operation of the public schools is public business. It involves millions of tax dollars and our children's future.

Open government is good government. Thousands of men and women in Asheville join us in asking City Council for an elected Board of Education. We are not asking for unusual privileges. Of one hundred and forty school districts in North Carolina, only eleven fail to give the people a vote on their Board of Education. The people of Asheville can surely choose a Board wisely, and join residents of the great majority of school districts in North Carolina and the nation who see these elections as a simple instance of their rights as citizens.

Please consider this request. In the event that Council will not grant it, we ask that the Council members voice their objections publicly.

Thank you for your attention.

Bob Brown, Chairman, Citizens for a Vote in the Schools
79 Tacoma Circle
Asheville, N. C. 28801
phone: 253-6663

Upon inquiry of Councilman Bratton, Mr. Brown said it would be his preference that the election be by districts.

CLAIMS - THOMAS HUTCHISON (STREETS) - PAUL RENEAU (WATER) - DAVID HALL (WATER) - DIANE DEMARIA (SEWER) - SUSAN ROBINSON (WATER) - NORMAN WORLEY (PARKS) - RUTH E. BYRD (STREETS) - PETER FALCIGNO (SEWER) - C. RICHARD PARSONS (WATER)

The City Manager presented claims received from Thomas Hutchison, Paul Reneau, David Hall, Diane DeMaria, Susan Robinson, Norman Worley, Ruth E. Byrd, Peter Falcigno, and C. Richard Parsons.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - JACK MCCRAKEN, JACK WOODHOUSE AND LAWRENCE TRABER (BEAVERDAM ANNEXATION) - RUSSELL A. MATHESON AND WIFE, ELAINE R. MATHESON AND KAY LEE WRIGHT (BEAVERDAM ANNEXATION)

The City Manager said the city was served with lawsuits during the week of November 18, 1988 involving Jack McCraken, Jack Woodhouse, and Lawrence Traber (challenge to annexation of Beaverdam area by people living outside the annexation area) and Russell A. Matheson and wife, Elaine R. Matheson and Kay Lee Wright (challenge to annexation of Beaverdam area by people living inside the annexation area).

Mayor Bissette referred the lawsuits to the Corporation Counsel for investigation and recommendation.

VII. ADJOURNMENT

Upon motion of Councilman Price, seconded by Vice-Mayor Michaelove, the meeting adjourned at 5:35 p.m.

MAYOR

CITY CLERK

Tuesday - December 6, 1988 - 4:00 P.M.

Regular Meeting

Present: Vice-Mayor Kenneth M. Michalove, Presiding; Norma T. Price, Wilhelmina Bratton, and Russell Martin; Corporation Counsel William F. Slawter; Assistant City Manager Charles Penny and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor W. Louis Bissette and Councilman Mary Lloyd Frank; City Manager Douglas O. Bean;

INVOCATION

The invocation was given by Councilman Norma Price.

APPROVAL OF MINUTES - NOVEMBER 29, 1988 MEETING

Vice-Mayor Michalove announced the approval of the minutes of the November 29, 1988 meeting.

I. PROCLAMATIONS:

A. Proclamation - World Healing Day - December 31, 1988

Vice-Mayor Michalove proclaimed December 31, 1988 as World Healing Day. He said Gloria Free with the Planetary Commission had requested the proclamation and a copy would be forwarded to the Planetary Commission.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

IV. NEW BUSINESS:

V. CONSENT:

A. Resolution No. 88-177 - Resolution appointing member to the Alcohol Beverage Control Board.

SUMMARY: This resolution will appoint Eugene W. Ellison as a member of the Alcohol Beverage Control Board to serve the unexpired term of Warren G. Cabaniss, term expiring November 13, 1990, or until his successor is duly appointed and qualified.

C. Resolution No. 88-178 - Resolution appointing members to the Historic Resources Commission.

SUMMARY: This resolution will appoint Kenneth Wayne Robinson as a member of the Historic Resources Commission to serve the unexpired term of Carroll Hughes, term expiring July 1, 1989, or until his successor is duly appointed and qualified. It will also appoint Raymond Spells, Jr., as a member of the Historic Resources Commission to serve the unexpired term of John Nilsson, term expiring July 1, 1990, or until his successor is duly appointed and qualified.

Resolution Book No. 17 Page No. 304

D. Scheduling of two public hearings for the adoption of ordinances designating the Reed House, located at 119 Dodge Street; and the O. B. Wright House, located at 233-235 Pearson Drive as historic properties for December 20, 1988.

SUMMARY: The Historic Resources Commission has received approval from the State Historic Preservation Office to proceed with the designation of : 1) the Reed House (overlooking Biltmore Village); 2) the O. B. Wright House (important Montford House). These are all noncontroversial designations. The owners have pursued designation in each case. Property owners will received a 1989 property tax break if the buildings are designated by January 1, 1989.
The Reed House and Wright House have both undergone substantial rehabilitation recently.

Upon motion of Councilman Martin, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

ORDINANCE NO. 1741 - AN ORDINANCE OF THE CITY OF ASHEVILLE ("GRANTOR") AUTHORIZING THE TRANSFER OF A CABLE TELEVISION FRANCHISE FROM AMERICAN CABLE TV INVESTORS TO UNITED ARTISTS HOLDINGS, INC.

The City Attorney said this ordinance is necessary as a result of a change of ownership of the stock of Daniels & Associates, Inc. He said the majority of outstanding stock of

Daniels & Associates, Inc. is now held by United Artists Communications, Inc., and its subsidiary, United Artists Holdings Inc. He said pursuant to Section 23 of the franchise the City is required to approve of the transfer and assignment of the franchise to the transferee. He said United Artists Holdings Inc. is required to file an assumption agreement assuming all rights, obligations, privileges and liabilities granted by the franchise within sixty (60) days following the last reading and adoption of the ordinance or the ordinance is void.

Councilman Bratton moved for the adoption of Ordinance No. 1741. This motion was seconded by Councilman Martin.

On a roll call vote of 4-0, Ordinance No. 1741 passed on first reading.

CLAIMS - JACKIE SEARCY (SANITATION) - N.C. DEPARTMENT OF NRCD (SEWER)- BRUCE C. RIDDLE (TRAFFIC ENGINEERING) - MRS. WILLIAM DYCUS (WATER) - JOYCE COUTLAKIS (WATER) - JAMES BALDWIN (WATER) - WEAVER MATHIS (STREETS) - RHEA FERGUSON (WATER)

Claims were presented from Jackie Searcy, N. C. Department of NRCD, Bruce C. Riddle, Mrs. William Dycus, Joyce Coutlakis, James Baldwin, Weaver Mathis, and Rhea Ferguson.

Vice-Mayor Michalove referred the claims to the City Attorney for investigation and recommendation.

VII. ADJOURNMENT

Upon motion of Councilman Bratton, seconded by Councilman Price, the meeting adjourned at 4:17 p.m.

MAYOR

CITY CLERK

Tuesday - December 13, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin, and Arthur Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES - DECEMBER 6, 1988 MEETING

Mayor Bissette announced the approval of the minutes of the December 6, 1988 meeting as submitted.

Councilman Frank requested that the minutes show that she and Mayor Bissette were attending the National Leauge of Cities - Congress of Cities Conference in Boston, Mass. during last week's Council meeting.

I. PROCLAMATIONS:

A. Oath of office for Arthur Robert York as Councilman

Mayor Bissette said Councilman Walter Boland resigned as Councilman of the City of Asheville effective October 26, 1988. Arthur Robert York has been selected by the City Council to serve the unexpired term of Councilman Boland.

Judge Earl Fowler administered the Oath of Office as Councilman to Arthur Robert York.

B. Resolution No. 88-179 - Resolution of appreciation to Councilman Walter R. Boland

Mayor Bissette said Walter R. Boland resigned his office of Councilman on October 26, 1988. This resolution will express the City of Asheville's appreciation to Councilman Boland for his service to the City.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 88-179 was unanimously adopted.

Mayor Bissette presented the resolution to Councilman Walter Boland along with his name plate, a plaque, and a picture.

Resolution Book No. 17 Page No. 305

II. PUBLIC HEARINGS:

A. Public hearing relative to the implementation of zoning in the Montford area in accordance with the "Head of Montford Redevelopment Plan".

Ordinance No. 1742 - An Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended (Wording Amendment - Section 30-5-16. NC Neighborhood Commercial District)

Mayor Bissette said the Asheville Planning and Zoning Commission on November 2, 1988, considered the following recommendations from staff:

1) Amend the Asheville Zoning Ordinance by adding a new Sec. 30-5-16. NC Neighborhood Commercial District. (Copy of proposed ordinance attached.)

2) Rezoning certain lots in the Montford Area on Ward 3, Sheets 2, 10, 11, 13 and 16.

The Commission voted unanimously to recommend to City Council that the Asheville Zoning Ordinance be amended by adding a new NC Neighborhood Commercial District and that the existing zoning in Montford remain.

Mayor Bissette opened the public hearing at 4:24 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, from the Planning Department, said the recommendations were derived from the adoption of the Montford Redevelopment Plan in March, 1987. He said the recommendations are in two parts, the creation of the NC Neighborhood Commercial District and the rezoning of commercial areas on Broadway, Cherry Street facing Interstate 240, and the commercial district at the "head" of Montford near the Montford Bridge to Neighborhood Commercial. He said the zoning also calls for a change in the industrial zone to LI Light Industrial along

Riverside Drive at the westernmost portion of the redevelopment area. He said the purpose of the proposed rezoning is to stop encroachment of "high intensity" businesses and encourage neighborhood type shops and services designed specifically to serve residents of the community.

By the use of maps, Mr. Emrick showed the boundaries of the Montford Redevelopment Plan along with the current and proposed zoning of the area.

Mr. Emrick said the Planning and Zoning Commission recommended the creation of the Neighborhood Commercial District but recommended that the property proposed to be rezoned remain as it is presently zoned.

Mr. Emrick said the creation of the NC Neighborhood Commercial District would be applicable to all areas of the City. He outlined the purpose, the types of uses, and the development standards of the proposed new zone.

At the request of Council, Mr. Emrick showed the boundaries of the Montford Redevelopment Plan and outlined the plan's purpose. He said it is an urban renewal type area and the Housing Authority, serving as the Redevelopment Commission, can purchase the property in the area and sell it for rehabilitation for economic growth and stability.

Mr. Emrick said the City Clerk's office had received a protest petition in opposition to the rezoning which would require a 3/4's affirmative vote from Council before the property could be rezoned.

Mike Moser, Chairman of the Planning and Zoning Commission, said the Commission likes the Montford concept and supported the creation of the NC Neighborhood Commercial District. He said it was felt that the Montford Redevelopment Plan has not had time to be implemented and the zoning should remain as it is now zoned for the present time.

Mr. Vance Cline, representing Southern Bell Telephone, said his company has a service center in the area and he spoke in opposition to the rezoning of the property. He said if the service center had to move it would probably be moved to the county either west or south in order to connect to interstates. He said the rezoning would downgrade the property and the tax base in the area.

Douglas R. Bebber, President of the Asheville Board of Realtors, read a proclamation of the Board stating that it is the opinion of the Asheville Board of Realtors that such down-zoning of the area is not in the best interest of the residents and business owners of that area due to the fact that it would adversely effect the use of the area, lower the property value and also eventually result in destruction of business. He said they are of the opinion that this would be detrimental to individual property rights, by the taking of property without just compensation.

Bob Lawrence, Lawrence Equipment Company, 265 Broadway, spoke in opposition to the rezoning and requested that Council leave the property as it is currently zoned. He said the rezoning would down-zone the area and reduce property values.

Bert Stanford, with Jowers-Stanford Company, 183 Broadway, requested that Council accept the recommendation of the Planning and Zoning Commission. He said some of the businesses in the area are not neighborhood oriented.

June Grant, a local realtor, spoke in opposition to the rezoning and requested that Council leave the property as it is presently zoned. She also spoke in opposition to the rezoning of property along Riverside Drive. She said the City needs some junk yards for individuals to get parts for their cars.

Elizabeth Graham, a resident of the Montford area for 12 years, spoke in opposition to the rezoning. She said the businesses in the area did not have an opportunity to have input into the Montford Redevelopment Plan. She said when they tried to voice their opinions during the Montford meetings they were told "their comments were not welcome."

Larry Denny suggested that the Redevelopment Commission for the Montford Redevelopment Plan get greater involvement from the residents and businesses. He spoke in support of the NC Neighborhood Commercial District but stated that the district should not apply to the Montford area.

Mike Plemmons from the Council of Independent Business Owners said the public has been given notice of this hearing and requested that Council vote on the issue at today's meeting.

Mr. Eury, from Asheville Auto Parts, spoke in opposition to the proposed industrial zone for the

junk yard area. He said wrecked/junk car yards are needed in the City of Asheville for many reasons.

Tony Clarke-Sayre, Chairman of the Montford Advisory Council, which helped to establish the Montford Redevelopment Plan, said the Council had requested that Council not make a decision on the zoning at today's meeting in order to give the Council an opportunity to research the concerns expressed by the businesses in the area. He said the residents in the Montford area feel that the zoning change would help preserve the residential quality of the neighborhood while allowing businesses to enhance the community. He said the change to light industrial would be a step toward phasing out heavy industry and encourage lighter industry and manufacturing along what they hope will be a revitalized riverfront.

Shirley Dozier, owner of several lots on Montford Avenue and Short Street across from Randolph School, said they had objected to their property being downzoned three years ago to residential but Council rezoned it anyway. She said the property should be put back to CBD. She said the Housing Authority personnel has been harassing her tenants about buying their property. She said she did not want any more Housing Authority representatives on her property upsetting her elderly tenants.

Jackie Benning, a 32 year resident of Montford, said Council should consider this issue very carefully.

Bob Ray, Jr., 65 Flint Street, Carpet Services, Inc. spoke in opposition to the rezoning stating that this would downzone the property and lower property values. He said this would be a direct loss to the businesses in the area. He said the businesses in the area were not contacted for input into the Montford Redevelopment Plan. He requested that Council leave the property as it is now zoned and that Council take action on the issue at today's meeting.

Tony Clarke-Sayre said the Montford Advisory Council probably did not involve the businesses in the area as they should have. He said he would not object to Council not taking action on the proposed rezoning. He said the Montford Advisory Council would involve the businesses in future meeting if they are receptive to the idea.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1742, creating the NC Neighborhood

Commercial District. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1742 passed on first reading.

After discussion, Councilman Price moved to postpone action on the proposed rezoning until January 17, 1989 giving the Montford Advisory Council an opportunity to talk with the businesses in the area; further that the Planning and Zoning Commission convene a meeting of the neighborhood group to review the Montford Redevelopment Plan in detail. The motion died for the lack of a second.

After further discussion, Councilman Price moved to accept the recommendation of the Planning and Zoning Commission to leave the property as it is currently zoned and that the matter be referred back to the Planning and Zoning Commission for further consideration. This motion was seconded by Councilman Bratton and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1741 - Second reading of an ordinance of the City of Asheville ("Grantor") authorizing the transfer of a cable television franchise from American Cable TV Investors to United Artists Holdings, Inc.

Mayor Bissette said this ordinance will approve and consent to the transfer and assignment of the franchise to Daniels & Associates, Inc. and/or its affiliates which are controlled by United Artists Communications, Inc. This ordinance passed on first reading on December 6, 1988.

Mayor Bissette said questions had been raised relative to the ordinance which can be answered prior to the third reading of the ordinance.

On a roll call vote of 7-0, Ordinance No. 1741 passed on second reading.

B. Quarterly report on the 2010 Asheville City Plan.

Mike Moser, Chairman of the Planning and Zoning Commission, outlined the quarterly report of the 2010 Asheville City Plan. He said he is very proud to be a part of such a valid, productive, successful plan.

IV. NEW BUSINESS:

A. Bids for automobiles and trucks for City of Asheville.

Mayor Bissette said a recommendation has been received for the award of Bid Request No. 341-89 to Matthews Ford Inc., Asheville, North Carolina, for bid items A, B, D, E, H, I, J, for a total amount of $227,273.00, and to Carolina Truck and Body Company, Inc., Asheville, North Carolina, for bid items C, (base bid) F, and K for a total amount of $42,667.25.

Grand total, Bid Items A-K, as recommended - $269,940.25.

Bid tabulations are on file in the Office of the City Clerk.

The City Manager said the bids were reviewed and approved by the Vehicle Utilization Committee.

Councilman Martin moved to accept the bids as recommended. This motion was seconded by Councilman Price and carried unanimously.

B. Resolution No. 88-180 - Resolution authorizing the City Manager to execute on behalf of the City of Asheville a contract and any change orders within the budgeted amount with APAC Carolina, Inc. for the project known as Street and Sidewalk Improvements Contract No. 3.

Mayor Bissette said this resolution will authorize the City Manager to execute the contracts with APAC Carolina, Inc. for the projects to be completed the project known as Street and Sidewalk Improvements Contract #3. The citizens of Asheville approved a bond referendum to establish funds for the replacement and repair of streets and sidewalks which are in need of replacement.

The City Manager gave members of Council a list of streets involved in Contract No. 3.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 88-180 was unanimously adopted.

Resolution Book No. 17 Page No. 306

C. Resolution No. 88-181 - Resolution authorizing the City Manager to execute an agreement with Land-of-Sky Regional Council to provide technical support concerning the proposed Stormwater Management Program.

Mayor Bissette said this resolution is for the execution of an agreement between the City of

Asheville and the Land-of-Sky Regional Council to provide technical support to City staff in coordinating with the Citizen Advisory Committee and Public meetings concerning the proposed Stormwater Management Program.

The City Manager said the contract amount would not exceed $5,000.

Upon motion of Councilman Martin, seconded by Councilman York, Resolution No. 88-181 was unanimously adopted.

Resolution Book No. 17 Page No. 307

D. **Motion to approve Amendment No. 1 to the Agreement for CH2M Hill to furnish engineering services to the City of Asheville for the storm drainage improvement project.**

Mayor Bissette said On January 12, 1988, City Council authorized the City Manager to execute an agreement with CH2M Hill, Southeast, Inc., for engineering services for a drainage study. The purpose of this amendment is to inform the public through a Public Relations Campaign about the condition of the storm drainage system and the proposed method of addressing those concerns.

The City Manager said the contract amount would not exceed $18,637.

Councilman Martin moved to authorize the City Manager to execute Amendment No. 1 to the Agreement for CH2M Hill. This motion was seconded by Councilman York and carried unanimously.

E. **Resolution No. 88-182 - Resolution authorizing the Mayor to sign a lease for property owned by the City of Asheville and known as the Pack Place Project.**

Mayor Bissette said the City of Asheville has received an offer from Pack Place Education, Arts & Science Center, Inc. to lease the property known as the Old Pack Memorial Library Building, the property on which the former Plaza Theatre was located and other certain property adjacent thereto. Under the terms of the lease, the Pack Place Education, Arts & Science Center, Inc. will renovate the Old Pack Memorial Library Building and will construct upon all of Lot A and portions of Lots B and D a new museum and theatre building to be known as "Pack Place".

Upon motion of Councilman Bratton, seconded by Councilman Frank, Resolution No. 88-182 was unanimously adopted.

Resolution Book No. 17 Page No. 308

V. CONSENT:

A. Motion to cancel Council meetings of December 27, 1988 and January 3, 1989.

Councilman Price moved to cancel the Council meetings of December 27, 1988 and January 3, 1989 due to the holidays. This motion was seconded by Councilman Frank and carried unanimously.

VI. OTHER BUSINESS:

CLAIMS - MAC WRIGHTENBERRY (SEWER) - STEVE MAYNARD (WATER) - BOBBY PEEK (WATER)

The City Manager presented claims received from Mac Wrightenberry, Steve Maynard and Bobby Peek.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Patty Tallerday, Acting Director of Planning, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the new procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on December 7, 1988.

(1) INN AT THE RIDGE - HOUSING FOR THE ELDERLY - LOCATED ON RICEVILLE ROAD

Ms. Tallerday said the Asheville Planning and Zoning Commission on December 7, 1988, reviewed and recommended approval of the group development plans of the Inn at the Ridge - Housing for the Elderly, located on Riceville Road subject to the following conditions:

a) NCDOT approval of the project entrance off Riceville Road,

b) City Attorney approval of a document suitable for recording which provides an access easement to the proposed off-site parking area.

c) City Planning Department approval of landscape plan revisions showing note on the landscape plan that trees outside the "woods line" shall remain, and

d) City Council approval of a subdivision plat including the project parcel.

Council accepted the recommendation of the Planning and Zoning Commission relative to the Inn at the Ridge- Housing for the Elderly, located on Riceville Road.

(2) TAPS RV PARK - LOCATED ON U.S. 70, EAST (ADJACENT TO POSEIDON RESTAURANT)

Ms. Tallerday said the Asheville Planning and Zoning Commission on December 7, 1988, reviewed and recommended approval of the group development plans of the Taps RV Park to be located on U. S. 70, East (Adjacent to Poseidon Restaurant), subject to the following conditions:

a) A variance being granted by City Council which reduces the front setback to 10 feet.

b) City Attorney approval of an executed access easement or lease providing access between Highway 70 and the site.

c) Engineering Department approval of an erosion control plan.

d) Planning Director approval of any structure or office to be located on the premises for registration of guest if found to be necessary, and

e) City approval of any proposed subdivision.

After discussion, Councilman Price moved to schedule a public hearing on the group development plan for January 10, 1989. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

$8.4 MILLION IN BOND SALES

The City Manager said $8.4 million in bonds were sold today at an interest rate of 7.0891. He said there were nine (9) bidders which shows a great interest in the City of Asheville.

RESOLUTION NO. 88-183 - RESOLUTION APPOINTING MEMBER TO THE DRUG TASK FORCE (ANN VON BROCK)

Vice-Mayor Michalove moved for the adoption of a resolution appointing Ann Von Brock to the Drug Task Force. This motion was seconded by Councilman Price and carried unanimously.

Resolution Book No. 17 Page No. 309

DRUG TASK FORCE MEETING - DECEMBER 12, 1988

Councilman Martin said he had attended the Drug Task Force and they seem to making very productive progress.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:40 p.m.

MAYOR

CITY CLERK

Tuesday - December 20, 1988 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and Arthur Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent:

INVOCATION

The invocation was given by Vice-Mayor Michalove.

APPROVAL OF MINUTES - DECEMBER 13, 1988

Mayor Bissette announced the approval of the minutes of the December 13, 1988 meeting as submitted.

PRESENTATION OF COMPREHENSIVE ANNUAL FINANCIAL REPORT (CAFR) - ANNUAL REPORT - BOND PRESENTATION REPORT

The City Manager recognized Larry Fisher, Director of Finance, Charlotte Tell, Pat Lackey, Joe Elkins and Dottie Lawing from the Accounting Division for the hard work and dedication that went into the preparation of the Comprehensive Annual Financial Report. The employees presented members of Council with their personal copy of the report.

The City Manager recognized Robin Westbrook, Public Information Director and Peggy Gardner from the Public Response Division for their efforts in the preparation of the first Annual Report which includes a narrative about the City and a financial summary. He said this report can be distributed throughout the City to citizens and civic groups. The staff members presented members of Council with their personal copy of the annual report.

The City Manager recognized Bob Wurst, Audit and Budget Director, Debbie Taylor, and Tom Fitzpatrick, the Finance Department, and the Public Response Department for their efforts in the preparation of the Bond Rating Report. He said this Bond Presentation Report helped the city receive its recent "AA" Credit rating.

The City Manager said the covers of these reports would be the "new look for the City for the next year".

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Public hearing for the adoption of an ordinance designating the Reed House, located at 119 Dodge Street as local historic property.

Ordinance No. 1743 - An ordinance designating property known as the "Samuel Harrison Reed House" at 119 Dodge Street as a local historic property.

Mayor Bissette said the Historic Resources Commission has received approval from the State Historic Preservation Office to proceed with the designation of the Reed House (overlooking Biltmore Village). Property owner will receive a 1989 property tax break if the building is designated by January 1, 1989. The Reed House has undergone substantial rehabilitation recently.

Mayor Bissette opened the public hearing at 4:32 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Doug Swaim, Director of Historic Resources Commission, said this is a joint public hearing with City Council and the Historic Resources Commission. He said a quorum of the Commission is present for the hearing. He showed members of Council slides of the "Samuel Harrison Reed House" at 119 Dodge Street which they are recommending as a local historic property designation. He said the house is a rare and little altered remnant of the grand lifestyle associated with the seat of a pre-Biltmore country estate. He said the house was built on a hilltop overlooking the village of Best (later Biltmore) by Samuel Harrison Reed, a wealthy local attorney who represented the George W. Vanderbilt estate. He requested that Council pass the ordinance on three readings at today's meeting in order for the owner of the property to receive a 1989 property tax break.

A spokesman from the Preservation Society said they strongly supported the designation of 119 Dodge Street as a local historic property.

Mayor Bissette closed the public hearing at 4:38 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Bratton moved for the adoption of Ordinance No. 1743. This motion was seconded by Councilman York.

On a roll call vote of 7-0, Ordinance No. 1743 passed on first reading.

Councilman Frank moved to suspend the rules and proceed to the second reading of Ordinance No. 1743. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1743 passed on second reading.

Councilman Frank moved to suspend the rules and proceed to the third reading of Ordinance No. 1743. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1743 passed on third and final reading.

Ordinance Book No. 11 Page No. 409-411

B. **Public hearing for the adoption of an ordinance designating the O. B. Wright House, located at 233-235 Pearson Drive as local historic property.**

Ordinance No. 1744 - An ordinance designating the O. B. Wright House, located at 233-235 Pearson Drive as local historic property.

Mayor Bissette said the Historic Resources Commission has received approval from the State Historic Preservation Office to proceed with the designation of the O. B. Wright House, located at 233-235 Pearson Drive. Property owner will receive a 1989 property tax break if the building is designated by January 1, 1989. The Wright house has undergone substantial rehabilitation recently.

Mayor Bissette opened the public hearing at 4:41 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Doug Swaim, Director of Historic Resources Commission, said this is a joint public hearing with

City Council and the Historic Resources Commission. He said a quorum of the Commission is present for the hearing. He showed members of Council slides of the "O.B. Wright House and Carriage House" at 235 and 233 Pearson Drive which they are recommending as a local historic property designation. He said the "O.B. Wright House," was built around 1900 and is distinguished as one of Asheville's most carefully detailed examples of the Colonial Revival influenced variation of the Queen Anne style. He said the house is listed as a key building in Montford on the National Register of Historic Places. He said the large adjacent carriage house is essentially original in appearance and is an important adjunct to the Wright House. He said the house and carriage house comprise the original property of Osella B. Wright, early twentieth century Asheville businessman and proprietor of the Carolina Carriage House.

A spokesman from the Preservation Society said they strongly supported the designation of 235 and 233 Pearson Drive as a local historic property.

Mayor Bissette closed the public hearing at 4:45 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Martin moved for the adoption of Ordinance No. 1744. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1744 passed on first reading.

Councilman Martin moved to suspend the rules and proceed to the second reading of Ordinance No. 1744. This motion was seconded by Councilman York and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1744 passed on second reading.

Councilman Martin moved to suspend the rules and proceed to the third reading of Ordinance No. 1744. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1744 passed on third and final reading.

III. OLD BUSINESS:

A. Ordinance No. 1741 - Third reading of an ordinance of the City of Asheville ("Grantor") authorizing the transfer of a cable television franchise from American Cable TV Investors to United Artists Holdings, Inc.

Mayor Bissette said this ordinance will approve and consent to the transfer and assignment of the franchise to Daniels & Associates, Inc. and/or its affiliates which are controlled by United Artists Communications, Inc. This ordinance passed on first reading on December 6, 1988, and on second reading on December 13, 1988.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread.

Councilman York moved to amend Ordinance No. 1741 by striking the word "liabilities" from Section 4 and adding the words "equivalent to those transferred to American Cable TV Investors" in lieu of "now held by" and to insert the word "and" between obligations and privileges. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1741 passed on third and final reading, as amended.

Ordinance Book No. 11 Page No.

B. Ordinance No. 1742 - Second reading of an ordinance relative to an ordinance amending Ordinance No. 322, known as "An Ordinance providing for the zoning of the City of Asheville," as amended, (Wording Amendment - Section 30-5-16. NC Neighborhood Commercial District).

Mayor Bissette said the Asheville Planning and Zoning Commission on November 2, 1988, recommended that City Council amend the Asheville Zoning Ordinance by adding a new Sec. 30-5-16. NC Neighborhood Commercial District. This ordinance passed on first reading on December 13, 1988.

Mayor Bissette said this ordinance was previously read on first reading and the ordinance would not be reread.

On a roll call vote of 7-0, Ordinance No. 1742 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1742. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1742 passed on third and final reading.

Ordinance Book No. 11 - Page No. 405 - 408

C. **Ordinance No. 1731 - Third reading of an ordinance amending Section 19A-1 and 19A-11 of the Code of Ordinances (Grievance Procedure) of the City of Asheville.**

Mayor Bissette said Section 19A-1 is being amended to clarify procedures for hearing group grievances because meeting with large groups can make it almost impossible to meet time deadlines of the present ordinance. This amendment would allow a department head the flexibility to meet with a group of employees if he/she so desires; however, it would clarify that it is not a requirement of the grievance procedure. Section 19A-11 will clarify who the department head must confer with prior to rendering a decision on a grievance as opposed to who must actually attend the grievance conference. Section 19A-11 also eliminates the time allotted for the City Manager to render his decision provided the conference is held within 10 days after the appeal is received by the City Clerk.

Mayor Bissette said this ordinance was previously read on first and second reading and would not be reread.

At the request of the City Attorney, Councilman Price moved to amend Ordinance No. 1731 to provide that employees who file a group grievance shall select no more than six (6) employee representatives from among those filing the grievance prior to presenting their complaint to their supervisor. Supervisors shall hear a grievance through the group representatives, however, the supervisor may hear the grievance with the entire group of grievants. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1731 passed on third and final reading.

D. Resolution to close a portion of Cliff Street in the City of Asheville, North Carolina.

Mayor Bissette said a petition has been filed by Westgate Shopping Center of Asheville, Inc. requesting that a portion of Cliff Street which has never been paved or otherwise utilized be permanently closed to the public use. This closing is in connection with the Westgate Shopping Center Expansion Project - Phase II. A public hearing was held on September 27, 1988. Action on the resolution was continued until December 20, 1988.

At the request of the petitioner, Councilman Price moved to continue action on the resolution until January 31, 1989. This motion was seconded by Councilman Martin and carried unanimously.

IV. NEW BUSINESS:

A. Resolution No. 88-184 - Resolution authorizing the City Manager to execute utility agreement with the North Carolina Department of Transportation for the South Hominy Creek Bridge Improvement Project.

Mayor Bissette said this agreement provides for the N. C. Department of Transportation to relocate existing utility lines associated with the South Hominy Creek Bridge Improvement Project. Even though the Asheville-Buncombe Water Authority is responsible for the Water System, utility agreements with State agencies must be by and between the City of Asheville and the appropriate State agency; due to the City being the owner of the system.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, Resolution No. 88-184 was unanimously adopted.

Resolution Book No. 17 Page No. 310

V. CONSENT:

A. Scheduling of public hearing relative to the final subdivision plat for Inn at the Ridge for January 10, 1989.

SUMMARY: The Asheville Planning and Zoning Commission on December 7, 1988, reviewed and approved the preliminary subdivision plat subject to utility easements being added consistent with the Inn at the Ridge Group Development. This contingency has been complied with and the final plat is submitted for your approval.

B. **Scheduling of public hearing relative to amending Section 30-5-12. OI- Office Institutional District to permit banks for January 10, 1989.**

SUMMARY: The Asheville Planning and Zoning Commission on December 7, 1988, voted to approve staff's recommendation that Section 30-5-12, OI Office-Institutional District be amended to permit banks.

Upon motion of Councilman Martin, seconded by Councilman Frank the consent agenda was unanimously adopted.

VI. OTHER BUSINESS:

CLAIMS - KELLY BRYSON RHYMER (WATER) - DENISE WORLEY (SEWER) - JASPER PARTON (SEWER)

The City Manager presented claims received from Kelly Bryson Rhymer, Denise Worley and Jasper Parton.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUIT - R. L. COLEMAN & COMPANY - SUIT BY ASHEVILLE MALL

The City Manager said the City was served with a lawsuit on December 15, 1988 involving R. L. Coleman & Company relative to a suit by Asheville Mall regarding angle of intersection of Brackettown Road and White Pine Drive.

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Patty Tallerday, Acting Director of Planning, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance

with the new procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on December 13, 1988.

(1) LUSTAR SERVICE CORPORATION - ADDITION OF WAREHOUSE

Ms. Tallerday said the Asheville Planning and Zoning Commission on December 13, 1988, reviewed and approved the site plan of Lustar Service Corporation - Addition to Warehouse subject to erosion control plan approval by the Engineering Department. She said the erosion control plan has been submitted and approved and there were no public comments during the meeting.

Council accepted the recommendation of the Planning and Zoning Commission relative to the Lustar Service Corporation - Addition of Warehouse, to be located on Caribou Road.

(2) ADDITION OF MOTEL AT BLACK FOREST RESTAURANT ON U.S. 25

Ms. Tallerday said the Asheville Planning and Zoning Commission on December 13, 1988, reviewed and recommended approval of the group development plans of the addition of motel at Black Forest Restaurant on U. S. 25, subject to the following conditions:

1. Approval of the erosion control plan;

2. Receipt of a letter of approval on water and sewer services;

3. The City Council grant a variance to the number of parking spaces required for the Restaurant and Motel, with said variance in the amount of 48 parking spaces, due to the fact that the Black Forest Restaurant had only 90 parking spaces when it was annexed into the City which amounted to a shortage of 48 parking spaces being an existing condition when the property was annexed; and

4. The City Council grant a variance to the requirement that all of the parking area be paved since part of the parking area for the Black Forest Restaurant

was paved and part was graveled when the property was annexed into the City, thereby allowing an existing condition to remain; provided that all of the parking spaces for the Black Forest Motel be paved and provided that all of the parking spaces, including the graveled parking area, be separately designated.

After discussion, Councilman Price moved to schedule a public hearing on the group development plan for January 10, 1989. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

VIDEO SHOWN - 1988 BELLY FLOP

The City Manager presented a video tape of Mayor Bissette and Vice-Mayor Michalove during the 1988 Belly Flop Contest.

RALPH BISHOP - COMMENTS RELATIVE TO PARKING GARAGES - LOTTERY SALES IN THE CITY

Ralph Bishop requested information relative to the cost of operation for the two new parking garages. He also commented relative to the lottery sales in the City of Asheville.

Mayor Bissette informed Mr. Bishop that information relative to the cost of operation for the parking garages would be available next year during the budget process.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:10 p.m.

MAYOR

CITY CLERK

Tuesday - January 10, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and Arthur "Bob" York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF MINUTES - DECEMBER 20, 1988

Mayor Bissette announced the approval of the minutes of the December 20, 1988 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - Martin Luther King Day - January 16, 1989

Mayor Bissette read the proclamation and presented a copy to Oralene Simmons with the Parks and Recreation Department.

Ray Kisiah, Director of Parks and Recreation, reported that a member of the Parks and Recreation staff, Ms. Oralene Simmons, has received three major awards within the last three months in recognition of her service to this community in helping to create Martin Luther King Week activities, specifically the Martin Luther King Prayer Breakfast which will be held for the fifth consecutive year on Saturday, January 14, at the Asheville Civic Center. The awards were:

1. The Award of Excellence by Region IX of the North Carolina Recreation and Parks Society in October;

2. The Outstanding Achievement Award by the Municipal Division of the NCRPS was presented in High Point in November; and

3. The annual Human Rights Award for promotion and practice of social progress and protection of basic human rights was presented by the Asheville and Buncombe County Baha'i Community.

In addition to these awards, Oralene has been appointed a member of the N. C. Martin Luther King, Jr. Holiday Commission by Governor Martin. She was sworn in as a member of this state commission by Mayor Bissette in December.

Mayor Bissette and members of Council expressed appreciation to Oralene Simmons for her efforts in obtaining these awards and expressed that this recognition reflects upon the City of Asheville as well.

B. Proclamation - "Land-of-Sky Chess Week" - January 9 - January 15, 1989

Mayor Bissette read the proclamation and presented a copy to Wilder Wadford, President of the Asheville Chess Club, who outlined the activities of the Asheville Chess Club and the details of the Land of Sky Chess Grand Prix to be held on January 13- 16, 1989 at the Grove Park Inn.

II. PUBLIC HEARINGS:

A. Public hearing relative to the final subdivision plat for Inn at the Ridge.

Mayor Bissette said the Asheville Planning and Zoning Commission on December 7, 1988, reviewed and approved the preliminary subdivision plat subject to utility easements being added consistent with the Inn at the Ridge Group Development. This contingency has been complied with and the final plat is submitted for approval.

Mayor Bissette opened the public hearing at 4:33 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Tom Elmore, with the Planning Department, outlined the details of the subdivision plat, stating that this would be an 80 unit apartment complex behind the VA Hospital next to the Folk Art Center. He presented members of Council with a video of the location of the proposed complex. He said the plat has been reviewed and recommended for approval by all city departments.

Mayor Bissette closed the public hearing at 4:40 p.m.

Vice-Mayor Michalove moved for the approval of the final subdivision plat for Inn at the Ridge. This motion was seconded by Councilman Martin and carried unanimously.

B. Public hearing relative to amending Section 30-5-12. OI- Office Institutional District to permit banks.

Ordinance No. 1745 - An Ordinance amending Sections 30-5-12 and 30-7-1 of the Code of Ordinances of the City of Asheville

Mayor Bissette said the Asheville Planning and Zoning Commission on December 7, 1988, voted to approve staff's recommendation that Sec. 30-5-12, OI Office-Institutional District be amended to permit banks.

Mayor Bissette opened the public hearing at 4:41 p.m.

The City Clerk presented the notice setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, for the Planning Department, said branch banks have become more prevalent since the adoption of the Zoning Ordinance in 1977. He said Planning and Zoning Commission felt there is now a need to include branch banks as a conditional use in the Office Institutional zone. He outlined the specific requirements for banks as a conditional use in the Office Institutional zone.

Mayor Bissette closed the public hearing at 4:48 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman York moved for the adoption of Ordinance No. 1745. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1745 passed on first reading.

C. **Public hearing relative to TAPS RV Park, located on U. S. 70 - East.**

Mayor Bissette said the Asheville Planning and Zoning Commission on December 7, 1988, reviewed and recommended approval of the site plan subject to the following:

1) A variance being granted by City Council which reduces the front setback to 10 feet,
2) City Attorney approval of an executed access easement or lease providing access between Highway 70 and the site,
3) Engineering Department approval of an erosion control plan,

4) Planning Director approval of any structure or office to be located on the premises for registration of guests if found to be necessary, and

5) City approval of any proposed subdivision.

Mayor Bissette opened the public hearing at 4:50 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Tom Elmore, with the Planning Department, outlined the details of the group development plan for TAPS RV Park to be located on U.S. 70 adjacent to Poseidon Restaurant. He said the project would consist of 37 RV spaces. He said the developer is presently negotiating with the Cricket Inn for a "check-in/check-out" agreement for individuals using the park. He said if this negotiation proves successful the developer could use the Cricket Inn as an access or as an alternative they propose to access the property directly from Highway 70. He said the developer is leasing the property from the Poseidon Restaurant. He said they are requesting approval from the City for the park prior to signing a lease with Poseidon Restaurant.

Upon request by Mayor Bissette, Councilman Bratton moved to excuse Mayor Bissette from discussion and vote on this issue due to his law firm represents the Poseidon Restaurant. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

At the request of Councilman Martin, the City Attorney ruled that Councilman Martin did not have a conflict of interest in this matter due to his firm providing services to one of the individuals involved in this project.

Mr. Elmore presented members of Council with a video of the location of the proposed park. He also outlined the contingencies recommended by the Planning and Zoning Commission. He said the property is zoned Commercial Highway. He said at present there are no RV parks in the City of Asheville and no permanent spacings would be provided.

Upon inquiry of Councilman York, Mr. Elmore said he did not know whether the park would be subject to a "room tax".

Vice-Mayor Michalove closed the public hearing at 5:06 p.m.

Counciman Price moved for the approval of the Group Development plan for TAPS RV PARK to be located on U. S. 70 East, adjacent to Poseidon Restaurant with the contingencies specified by the Planning and Zoning Commission and further that the buffering be as indicated by the staff in that the trees along the river remain and be maintained. This motion was seconded by Councilman Frank and carried unanimously.

D. **Public hearing relative to an addition of the motel at the Black Forest Restaurant on U. S. 25.**

Mayor Bissette said the Asheville Planning and Zoning Commission on December 13, 1988, reviewed and approved the site plan subject to the following contingencies:

1. Approval of the erosion control plan;

2. Receipt of a letter of approval on water and sewer services;

3. The City Council grant a variance to the number of parking spaces required for the Restaurant and Motel, with said variance in the amount of 48 parking spaces, due to the fact that the Black Forest Restaurant had only 90 parking spaces when it was annexed into the City which amounted to a shortage of 48 parking spaces being an existing condition when the property was annexed; and

4. The City Council grant a variance to the requirement that all of the parking area be paved since part of the parking area for the Black Forest Restaurant was paved and part was graveled when the property was annexed into the City, thereby allowing an existing condition to remain; provided that all of the parking spaces for the Black Forest Motel be paved and provided that all of the parking spaces, including the graveled parking area, be separately designated.

Mayor Bissette opened the public hearing at 5:09 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Tom Elmore, with the Planning Department, outlined the details of the group development plan for the addition of the motel at Black Forest Restaurant on U. S. 25. He presented members of Council with a video of the location of the addition which is to include 20 additional motel units. He explained the variance requested to the number of parking spaces required for the Restaurant and Motel. He said the staff had recommended that the parking variance not be granted; however, the Planning and Zoning Commission felt the parking variance was in order.

A discussion was held relative to the paving of the parking spaces. Several members of Council felt that the areas should not be paved in order for the development to keep its natural character.

Councilman Martin said in his opinion the parking variance should not be granted.

Mr. Herbert Schlenker, owner of the Black Forest Restaurant, said it was his intention to pave all the parking spaces that he could but he could not pave all of them.

Kenneth Pankow, with Pankow Engineering Company, spoke in support of the project. He said they would be saving all the bigger trees and in his opinion a gravel parking lot would be in keeping the character of the restaurant.

Mayor Bissette closed the public hearing at 5:25 p.m.

Councilman Martin and Councilman Frank said they would be voting against the project because they felt the parking variance should not be granted and Council should accept staff's recommendation not to grant the variance.

Councilman Price moved for the approval of the group development plan for the addition to the motel at the Black Forest Restaurant on U. S. 25 as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman York and carried on a voice vote of 5-2, with Councilman Martin and Councilman Frank voting "no".

E. Public hearing relative to continuance of a moratorium on the issuance of permits for off-premise advertising signs within the zoning jurisdiction of the City of Asheville.

Ordinance No. 1746 - An ordinance extending a moratorium on the issuance of permits for off-premise advertising signs.

Mayor Bissette said on October 18, 1988 City Council adopted an ordinance imposing a moratorium on the issuance of permits for off-premise advertising signs within the zoning jurisdiction of the City of Asheville. The moratorium expires on January 16, 1989. The Sign Commission, the Asheville Planning and Zoning Commission and the Asheville City Council will conduct a joint work session regarding a proposed sign ordinance in the near future and thereafter the Planning and Zoning Commission and the City Council will consider action thereon. It is in the best interest of the City and all residents of the zoning jurisdiction of the City, as well as persons engaged in the sign business, that signs not be erected during said interim period which would not conform to the new ordinance.

Mayor Bissette opened the public hearing at 5:26 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Attorney said the current moratorium for off-premises advertising signs expires on January 16, 1989. He said this ordinance would extend the moratorium until May 17, 1989 giving the Sign Commission and Council ample opportunity to adopt a new ordinance regulating signs.

Mayor Bissette said he received a request from a local sign company that the ordinance be amended to allow a sign company to replace an existing sign if the need arose.

Albert Sneed, Attorney representing Summey Outdoor Advertising Company, requested that the ordinance be amended to allow a sign company to replace an existing sign. He presented suggested language to the City Attorney for an amendment to the ordinance. He said this amendment would not allow an increase in the number of signs in the City but would allow

for replacement. He said the present ordinance places a hardship on the sign companies in that there are leases involved with many of the off-premises advertising signs which from time to time have to be negotiated.

Frank Graham, Attorney representing Neagle Outdoor Advertising Company, made the same request as Attorney Albert Sneed.

Mayor Bissette closed the public hearing at 5:35 p.m.

The City Attorney suggested that the ordinance contain a new section as follows: "Provided that this moratorium shall not apply to the issuance of permit for the reconstruction of any sign legally existing on October 18, 1988, at the same site or at an alternate site otherwise allowed by the Code of Ordinances. Provided further, that such permit shall only be issued upon proof that the existing sign will be demolished, moved or removed and that any replacement sign shall not exceed the dimensions or height of the existing sign and shall otherwise comply with the requirements of the sign ordinance."

Councilman Price moved for the adoption of Ordinance No. 1746 adding the provision suggested by the City Attorney. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1746 passed on first reading.

Councilman Price moved to suspend the rules and proceed to the second reading of Ordinance No. 1746. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1746 passed on second reading.

Councilman Price moved to suspend the rules and proceed to the third reading of Ordinance No. 1746. This motion was seconded by Councilman Bratton and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1746 passed on third and final reading.

Ordinance Book No. 11 Page No. 417 - 418

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Report on the Certificate of Occupancy Inspections Procedure.

The City Manager reviewed the following report to Mayor Bissette and Members of City Council:

"MEMORANDUM TO: Mayor Bissette and Members of City Council

FROM: Douglas O. Bean, City Manager

DATE: January 6, 1989

SUBJECT: Certificates of Occupancy

Just before Christmas we became aware that the majority of units at Wind In The Oaks were occupied without a Certificate of Occupancy.

For some time, we had been working with Mr. David Lynn who is in a unit that not only does not have a Certificate of Occupancy but is actually unsafe for human habitation. We were in the process of working with Mr. Lynn when he went to Action Line about his particular problem. At that point in time, Action Line pursued this matter, and we have done further investigations into the Certificate of Occupancy procedure in the City of Asheville.

I think it is important that we clarify for you the current situation on enforcing Certificates of Occupancy.

A. North Carolina Building Code: The North Carolina Building Code requires that before any newly constructed unit is inhabited a Certificate of Occupancy must be obtained. Since the law states that the owner is responsible for a CO, the responsibility transfers with any change of ownership.

In most situations, the purchaser of a dwelling unit, the attorney representing the purchaser, the financial institution that is providing the financing, or the realtor who is representing the purchaser requires that the seller deliver the property in conformance with the terms of the building permits. This means that generally the seller is responsible at closing for providing the Certificate of Occupancy.

The situation at Wind In The Oaks, and at other places throughout the City, involves the purchase of property without obtaining a CO, which then constitutes a violation of the State Building Code.

The City is not aware of changes in ownership and is thus in the position of placing the code compliance burden on what may be an unsuspecting purchaser of a dwelling unit. The law does not allow the City to take any action against the previous owner, because it clearly states that a violation does not occur until the unit is occupied and that the owner at the time it is occupied is the individual who is responsible for code compliance. This is generally treated as a contractual obligation between the seller and the owner, and it is not a part of state law.

B. Minimum Housing Code: A similar situation involves the enforcement of the City's Minimum Housing Code. When a unit becomes vacant, a CO has to be obtained before it can be re-occupied. The same procedure is in effect with existing buildings since the owner is required to obtain a CO before a unit can be occupied.

C. Building Inspections Procedure: It has been the stated procedure of the Building Inspections Division that inspections are made when they are called for by a contractor or owner. There are several key times throughout the construction that inspections are required, and Building Inspectors will respond to requests for an inspection for footings, insulation, etc. up until the time a CO is requested.

Regular or follow-up spot inspections that are not called for by the owner or contractor have not been regularly performed by the Building Inspections Division since there is not an automated records keeping system currently in place.

D. Immediate Action:

1. At the present time, we have asked all of our Building Inspectors to search their personal inspection logs to determine if there are other structures throughout the City that they believe are occupied and do not have CO'S.

2. The owners of all units that are found to be occupied without a CO will be notified and times will be scheduled for an inspection of their units.

3. The Inspections Division staff will go over their inspection report with the owners to give advice and time schedules for correction of any violations of the State Building Code or Minimum Housing Code.

4. Building Inspectors, with their manual system, are to do a spot check of any new construction, even if an inspection has not been called for, at least every 30 days. This will not solve the problem of individuals violating the ordinance by occupying the dwelling, but it simply means that we will be able to determine a violation much sooner and take prompt action.

E. Long-Term Actions:

1. The staff will be working with Carolina Power & Light Company to determine if there is a way through electrical inspections to only give power on a temporary basis until such time as a CO is issued.

2. The staff will investigate ways that state law can be changed to reduce the possibility of violations of the ordinance through requirements that a CO be a condition of any property sale.

3. It is important that we move as quickly as possible to automate the Inspections Division recordkeeping system.

4. A public education campaign needs to be conducted that will provide information to realtors, attorneys, financial institutions, and the general public on the need for a Certificate of Occupancy.

F. Conclusion: It is unfortunate that a Wind In The Oaks situation took place. It is certainly incumbent upon the City to identify and take prompt action when a violation of the City Code is discovered. Internal steps will be taken to ensure that projects will be monitored more closely and that any violations will be promptly noted and rectified.

Like any other ordinance or law, there is still the possibility of violations. We cannot totally eliminate this possibility, and there is nothing under the law that would change the present situation that we have at Wind In The Oaks, that being an unsuspecting buyer purchased property without ensuring that a CO was in place. Unfortunately, the City should have discovered this violation earlier. We would still be in the position of having to be the bearer of bad news since state law requires us to enforce the ordinance on the owner.

WIND IN THE OAKS

Certificates of Occupancy Issued

Building Number	Total Number of Units	CO'S Issued

#1	3	3
#2	4 (Unit #204 - Condemned)	0
#3	5	0
#6	5	1 (#604)
#7	5	0

There are 22 total units at Wind In The Oaks, and four (4) units have Certificates of Occupancy. There are two other structures in the development, a club house and pool house, and neither have Certificates of Occupancy. In addition, two foundations have been built and the buildings are incomplete at this time.

To date, we have received calls to inspect 14 of the remaining 18 units that have not been issued Certificates of Occupancy.

John Walsh, a local resident, said in his opinion a building permit is a contract between the contractor and the City of Asheville, and in the case of the Wind in the Oaks the contractor broke the contract and could be held responsible for the violations.

Robert Newton, owner of one of the units at Wind in the Oaks, read an article from the Asheville Citizen-Times dated June 20, 1979 about the City rigidly enforcing the Certificate of Occupancy procedure and inspections. He said in his opinion the Certificate of Occupancy certifies safety of buildings. He criticized the City for not consistently implementing a plan for the issuance of Certificates of Occupancy. He said there are problems with every unit at Wind in the Oaks, even the four that Certificates of Occupancy have been issued. He said the Inspection Department is negating their responsibility by not complying with the law.

David Lynn, owner of one of the units at Wind in the Oaks, said the City has not enforced its own procedure for the issuance of Certificates of Occupancy or the state building code in that no inspection of any kind was made of his unit. He said he was surprised during a recent condemnation hearing that several documents regarding inspections of his unit are now materializing. He said the City is allowing "unethical contractors" to build without inspections.

Paul Robershire, owner of one of the units at Wind in the Oaks, said the builder's of the units are attempting to correct the problems at Wind in the Oaks. However, they have called for

inspections and can not get an inspector to talk with them or to come for an inspection.

Chief John Rukavina, Fire Chief and Director of Inspections, said he would check into the complaint that the inspectors are not talking with or making inspections for the builder's at Wind in the Oaks.

Robert Newton invited members of Council to attend David Lynn's condemnation hearing on January 18, 1989 in the First Floor City Hall Conference Room.

Mayor Bissette said he and members of Council are concerned about the problems at Wind in the Oaks and have instructed the City Manager to thoroughly investigate this complaint.

Councilman Price requested a follow-up report on this matter at next week's Council meeting.

V. CONSENT:

A. **Resolution No. 89-1 - Resolution authorizing the City Manager to execute a right-of-way agreement between Thomas John Craig and wife, Anne H. Craig, and the City of Asheville.**

SUMMARY: In order to be able to replace the sidewalk along Murdock Avenue in its present location at 132 Murdock will require the removal of three (3) trees. The additional right-of-way dedicated by Mr. and Mrs. Thomas John Craig will allow the sidewalk to be relocated in back of the trees and allow the trees to remain. This resolution will allow the City Manager to execute the necessary right-of-way agreement on behalf of the City of Asheville.

Resolution Book No. 17 Page No. 311

B. **Resolution No. 89-2 - Resolution authorizing the City Manager to execute utility agreement with the North Carolina Department of Transportation for the Sardis/Brevard Road Improvement Project.**

SUMMARY: The Asheville-Buncombe Water Authority at its special meeting of December 12, 1988 approved the installation of a water line associated with the Sardis Road/Brevard Road widening project. The Utility Agreement with the N. C. Department of Transportation must be between the City of Asheville, as owner of the Water System, and the North Carolina Department of Transportation.

C. Resolution No. 89-3 - Resolution of intent to close a portion of Centre Street and calling a public hearing on the question for February 14, 1989.

SUMMARY: A petition has been received from all property owners along the unopened right-of-way of Centre Street between Harnett Street and Clinton Avenue, requesting that the portion be closed. This portion has been reviewed by the Operational Departments of the City and no objections to closing the petitioned portion of Centre Street have been received.

D. Resolution No. 89-4 - Resolution authorizing the Mayor of the City of Asheville to accept real property located at 443 Broadway.

SUMMARY: The fee simple owners of 443 Broadway Avenue desires to sell the real property to the City of Asheville for the price of One Dollar ($1.00). The owners have executed a deed to the City as Grantee of the property located at 443 Broadway.

Upon motion of Councilman Martin, seconded by Councilman Frank, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

CLAIMS - SHARON FULLER (WATER) - MRS. JOHN REEVIE (SEWER) - EUGENE OCHSENREITER (STREETS) - TOM FRANCIS (WATER) - RITA METCALF (SEWER) - JERMAINE MOSLEY (PARKS) - GREG WATSON (INSPECTIONS) - CARLOS GOMEZ (SEWER) - PATRICIA COLE (POLICE) - DOROTHY OGLESBY (WATER) - DEWAYNE LITTLE (SEWER) - STEVE SAWYER (WATER) - TOM HICKMAN, JR. (POLICE) - DOROTHY GREEN (STREETS) - MICHAEL RAY (WATER) - DAWNWOOD HOMEOWNERS ASSOCIATION (PARKS) - JAMES MCLAIN (SEWER) - BETTY WILLIAMS (SEWER) - BARBARA PAGE (WATER)

The City Manager presented claims received from Sharon Fuller, Mrs. John Reevie, Eugene Ochsenreiter, Tom Francis, Rita Metcalf, Jermaine Mosley, Greg Watson, Carlos Gomez, Patricia Cole, Dorothy Oglesby, Dewayne Little, Steve Sawyer, Tom Hickman, Jr., Dorothy Green, Michael Ray, Dawnwood Homeowners Association, James McLain, Betty Williams, and Barbara Page.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

APPOINTMENT OF COUNCILMAN MARTIN TO ECONOMIC DEVELOPMENT PARTNERSHIP

Vice-Mayor Michalove moved that Councilman Russell Martin be reappointed to the Economic Development Partnership for a two (2) year term, term expiring December 31, 1990. This motion was seconded by Councilman Bratton and carried unanimously.

VII. ADJOURNMENT

Upon motion, the meeting adjourned at 6:30 p.m.

MAYOR

CITY CLERK

Tuesday - January 17, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, George Tisdale, and Walter Boland; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Councilman Bratton.

MINUTES - JANUARY 10, 1989

Mayor Bissette announced the approval of the minutes of the January 10, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. **Proclamation - McGruff the Crime Dog - "Asheville's Number One Crime Dog"**

Mayor Bissette read a proclamation proclaiming "McGruff-the Crime Dog" as Asheville's Number One Crime Dog and presented the proclamation to Major Beaver and "McGruff" of the Asheville Police Department.

Mayor Bissette expressed his appreciation to "McGruff-the Crime Dog" for his work in educating the public, especially school children, on what they could do to prevent crime.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. **Ordinance No. 1745 - An ordinance relative to amending Section 30-5-12. OI- Office Institutional District to permit banks.**

Mayor Bissette said this ordinance was previously read and would not be reread in its entirety unless there was a specific request to do so.

On a roll call reading of 7-0, Ordinance No. 1745 passed on second reading.

B. **Report relative to Inspections Division.**

City Manager Doug Bean said since the last meeting, he had followed up on two items that had come up with regard to issues concerning follow-up inspections.

1. Work presently being done at Wind-In-The-Oaks and the Developer can't get an Inspector up for a final inspection:

Mr. Bean said the reason for this was because the developer had taken out a permit to repair faulty attic firewalls and that the permit was for firewalls in all of the units rather than just one unit. Therefore, he said an inspection could not be made until all the work was done in all the units.

2. Inspections Division called twice to get an Inspector up to explain inspections finding to me and no one called back:

Mr. Bean said this did in fact happen in the case of a Mr. Robichaud. However, he said the reason for this mistake was due to the call being assigned to an Inspector who suffered a leg injury and had to go home before he could contact Mr. Robichaud. He said this was an oversight and has been corrected.

Mr. Bean said an Inspector has been assigned to this particular area to be sure everything is being done to assist the owners and occupants of the Wind-In-The-Oaks. To date, he said 14 inspections have been scheduled and certified letters will be mailed to those owners/occupants that we haven't heard from.

In addition, Mr. Bean said 40 other buildings throughout the City have been identified as being occupied without final inspections or CO's, and follow-up meetings with these owners have been scheduled.

Mr. Bean said a 30-day spot check is being instituted so that the City would not be put in the position of waiting a year or more to find out a CO had not been issued. Mr. Bean said the City's Industrial Engineer has been asked to conduct a study of the Building Inspections Division to determine how we can do a better job using the same number of people.

Mr. Bean said the following serious violations at Wind-In-The Oaks were found: Four of ten units have cracked foundation walls; in all units fire separation in attics was not finished to Code; fire separation in basement, where holes were put in walls for plumbing, was not finished to Code; and deck supports were not built to Code. He said some less serious problems noted were floor beams not breaking over support posts and inadequate basement ventilation.

IV. NEW BUSINESS:

A. Ordinance No. 1747 - Budget Ordinance Amendment for Pack Place and Street and Sidewalk Bond.

Mayor Bissette said this budget amendment is to reflect $8,400,000 bond sale and revisions to the Street and Sidewalk Plan to reflect 1988/89 funding.

Mayor Bissette said copies of the ordinance had been previously distributed, and the ordinance would not be read unless there was a specific request to do so.

Councilman Bratton moved for the adoption of Ordinance No. 1747. This motion was seconded by Councilman Martin.

On a roll call vote of 7-0, **Ordinance No. 1747** passed on first and final reading.

Complete text of **Ordinance No. 1747** will be found in **Ordinance Book No. 11, Page 419.**

B. Resolution No. 89-5 - Resolution authorizing submission of an application to the U. S. Department of Housing and Urban Development for Rental Rehabilitation Program Funds.

Mayor Bissette said this resolution will authorize submission of an application to HUD for funds in the amount of $63,000 for Rental Rehabilitation Program assistance for investor owners for deferred payment loans to rehab at least eight (8) units.

Mayor Bissette said copies of the resolution had been previously distributed, and the resolution would not be read unless there was a specific request to do so.

Complete text of **Resolution No. 89-5** will be found in **Resolution Book No. 17, Pages 315 and 316.**

V. CONSENT:

VI. OTHER BUSINESS:

CLAIMS - JUDY MERCHANT (SEWER), MICHAEL PONDER (WATER), TAMMY DODSON (SEWER), CLATIE THOMAS (WATER) AND SANDRA SMITH (STREETS)

The City Manager presented claims received from Judy Merchant (Sewer), Michael Ponder (Water), Tammy Dodson (Sewer), Clatie Thomas (Water) and Sandra Smith (Streets).

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

LAWSUIT - CAPPER TRAMM V. CITY OF ASHEVILLE

The City Manager said the City was served with a lawsuit on January 13, 1989, involving Capper Tramm who is suing the City to maintain a roadway.

Mayor Bissette referred the lawsuit to the City Attorney for investigation and recommendation.

REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Patty Tallerday said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the new procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on January 11, 1989.

SITE PLAN - PACK PLACE EDUCATION, ARTS & SCIENCE CENTER, INC. PHASE A

Ms. Tallerday said the Asheville Planning and Zoning Commission on January 11, 1989, reviewed and approved the site plan of Phase A of the Pack Place Education, Arts & Science Center, Inc. subject to all phases being consistent with the City Streetscape Plan as determined by the Planning Director prior to occupancy of the project; approval of water and sewer service; approval of rubbish removal plans, and erosion control and utility plans being approved by the Engineering Department prior to construction.

Council accepted the recommendation of the Planning and Zoning Commission relative to the site plan for Phase A of the Pack Place Education, Arts & Science Center, Inc.

INTRODUCTION - NEW PLANNING DIRECTOR

City Manager Doug Bean introduced Julia C. Cogburn as the new Planning Director. He said he was pleased that Mrs. Cogburn had decided to accept the position.

Mr. Bean thanked Patty Tallerday, who had served for the past four and one-half months as the Acting Director of Planning. He said Ms. Tallerday had done a superb job.

PAY ISSUES FOR CITY EMPLOYEES

Mr. Forrest Howard, resident of Riverview Drive, addressed the City Council relative to higher pay for members of the Asheville Police Department. Mr. Howard said he was a 5-year veteran of APD, but presently works for the U. S. Marshall's Office.

Officer Tom Aardema, President Lodge #1 of the Fraternal Order of Police, spoke in support of higher pay for police officers. He said the officers just can't live on what they are being paid. He said the officers need a 25% salary increase now to bring them up to what they should be. Officer Aardema said the Police Department is losing experienced officers as soon as they train them.

Mayor Bissette said the Council does want its employees to be compensated on a fair and competitive basis. He realizes it is almost indescribeable what police officers go though on one patrol, but that the City Council wants all City employees to be fairly compensated. He said this is why Council authorized the pay studies which compared the salary of City employees to other cities of our approximate size. Mayor Bissette said the City Council expects to receive a report on the pay study within the next month. He emphasized that the main purpose of the study was to be sure that the City of Asheville pay plan is competitive with other cities.

Officer Gary Rickman said he had followed the Grievance Procedure on a pay issue, but that he had not received any satisfaction. He said the Civil Service Board was supposed to write a letter to the City Council making a recommendation on his particular situation.

Mayor Bissette requested that City Manager Doug Bean give Council a report on Officer Rickman's Grievance in an Executive Session.

Upon inquiry of Councilman Frank, Assistant City Manager Charles Penny said as of November 16, 1988, there were 10 vacancies in the Police Department - 6 in patrol, 1 in C.I.D., 1 in Administration, 1 in Technical Services, and 1 in Support Services. At that time, he said three retirements were also anticipated. Mr. Penny said the next Cadet Class will begin in late February or early March of this year.

Mr. Arnold Cremer of the Traffic Engineering Division told Council that low morale was a problem in the Traffic Engineering Division due to low and inadequate pay.

Officer Randy Martin said the job of a police officer is very different in nature from jobs other City employees do. He said police officers' lives hang in the balance every time they respond to a call. For this reason, he said he felt police officers should be treated differently.

Officer Rick Matthews, 6-1/2 year veteran of APD, said he presently works alone with no back up and that he has to depend on other agencies.

Officer Paul Reno said there were 12 officers in his rookie class and that 12 graduated. However, he said two officers have quit due to low pay.

Officer Phillip Maxwell, 7-year veteran of APD, said he is currently assigned to Hillcrest - a job he didn't volunteer for. He said he would really have to concur with Mr. Howard's opinion on the shortage of manpower.

Ralph Bishop, speaking from a victim's viewpoint, said he felt police officers were not entitled to any raise in pay until they begin enforcing all of the laws of North Carolina, especially lottery peddling in the City of Asheville.

Officer Michael Lanning took exception to Mr. Bishop's remarks and said that on his second day on the job he was wounded when he responded to an armed robbery. He said the City of Greenville, SC, is currently paying their entry officers $22,000 and if they have a college education $23,000. He said people take forgranted what police officers do for a living.

Officer Rhonda Castlewitz also took exception to Mr. Bishop's remarks and challenged anyone to do what the officers are doing for what they are making.

JOHNNY BAXTER - YMI BUILDING REMAINING ON NATIONAL REGISTER

Mr. Johnny Baxter addressed the Council relative to the YMI Building remaining on the National Register of Historic Buildings. Mr. Baxter said the contract calls for the building to be restored to its original character and if this is not done, there is a chance that it will be taken off the National Register. He said there are three (3) serious violations of the contract. Also, he said the name of the auditorium has been changed and this also tales away from the original character of the YMI. He requested Council's assistance in enforcing the terms of the contract and getting the name of the auditorium changed back to its original name. He said the City of Asheville had granted an easement to the YMI; therefore, he felt the City had some authority to assist in this matter.

Mayor Bissette told Mr. Baxter he would have the City Attorney look into the situation and see what legal rights and responsibilities the City has, if any, with regard to the YMI Building.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:40 p.m.

MAYOR

CITY CLERK

Tuesday - January 24, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman York.

APPROVAL OF MINUTES - JANUARY 17, 1989

Mayor Bissette announced the approval of the minutes of the January 17, 1989 meeting as submitted.

I. PROCLAMATIONS:

ANNOUNCEMENT - ASHEVILLE TROLLEY CARS RETURNING

Karen Fields, Executive Director of Asheville-Buncombe Discovery, said several months ago she presented a proposal to Council for the acquisition of two (2) old Asheville Trolleys which were in Spindale.

She said an Asheville Trolley Committee was formed to raise funds for the acquisition and restoration of the Asheville Trolleys. She said a deadline of January 24, 1989 was set to raise $15,000 to buy the cars and $10,000 to transport them up the mountain. She said two weeks ago, the Asheville Trolley Committee began a final, intensive effort to find the money. She said on Monday, January 23, they were far short from their goal. However, Edna and Wayne Blanton from Blanton's Business College decided that the trolleys deserved to be brought home and took the necessary action to ensure their return by donating $15,000 for the Asheville Trolleys and offered to take care of the transportation. She said with the support of the Blantons in helping transport the cars and with the additional support of interested groups across the state, they now have a total of

Upon motion of Councilman Martin, seconded by Councilman Price, Resolution No. 89-6 was unanimously adopted.

Resolution Book No. 17 Page No. 317

V. CONSENT:

VI. OTHER BUSINESS:

A. Ordinance No. 1748 - Budget Ordinance amendment to provide funding for career development program in Police Department

The City Manager said a Career Development Plan was adopted by the Civil Service Board and put into effect in January of 1983 setting up four classes of Police Officers - Police Officer Trainee, Police Officer I, Police Officer II, and Police Officer III. He said in July of 1985, the City implemented a new pay plan City-wide and at that time the Police Office II and Police Officer III positions were combined into one class title - Police Officer Senior. He said the requirement for movement from Police Officer to Police Officer Senior was three continuous years and an accumulation of 25 education and training points. He said somewhere along the line this action was not taken and 27 officers are eligible for upgrading to Police Officer Senior. He said 12 of the officers have not yet met their training requirements (points); however it would be his recommendation that the 27 officers be upgraded and back pay benefits awarded from the time they became eligible and that the 12 that have not met their requirements also be given the back pay benefits and be given a period of two years to obtain the necessary training. He said the cost associated with this action would be $61,514.61. He said adoption of this budget amendment would allow this to take place.

Councilman York moved for the adoption of Ordinance No. 1748. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 7-0, Ordinance No. 1748 passed on first and final reading.

Ordinance Book No. 11 Page No. 420

REPORT - WIND IN THE OAKS UPDATE

The City Manager said, as of today, the City has been in contact with all but one property owner in the Wind-in-the-Oaks complex. He said either inspections and/or return visits for explanation and clarification have

$19,276 in a special trolley account with Asheville-Buncombe Discovery.

She said the cars should be ready for the journey to Asheville within two months and the committee will begin meeting immediately to determine a site for the cars during restoration and to begin work for a feasibility study on the best use of these trolleys for the people in Asheville.

Mayor Bissette introduced the members of the Asheville Trolley Committee in attendance and expressed the City's appreciation for their efforts, with particular appreciation to Edna and Wayne Blanton, who have made trolleys in Asheville a reality again.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance No. 1745 - Third reading of an ordinance relative to amending Section 30-5-12. OI- Office Institutional District to permit banks.

Mayor Bissette said the Asheville Planning and Zoning Commission on December 7, 1988, voted to approve staff's recommendation that Sec. 30-5-12, OI Office-Institutional District be amended to permit banks.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

On a roll call vote of 7-0, Ordinance No. 1745 passed on third and final reading.

Ordinance Book No. 11 Page No. 415 - 416

IV. NEW BUSINESS:

A. Resolution No. 89-6 - Resolution authorizing the City Manager to execute a contract with Matthews Ford, Inc. for the purchase of two (2) mid-size sedans for the Division of Engineering.

Mayor Bissette said bids for automobiles were received by the Purchasing Division in November, 1988. Included in these bids were two vehicles for the Division of Engineering as called for in the City of Asheville Capital Improvement Program. At the December, 1988 Asheville-Buncombe Water Authority meeting, it was decided not to fund these Engineering vehicles out of the Water Department Budget

been scheduled. He said no more major structural violations have been found. He said the City met with the Board of Directors at the Wind-in-the-Oaks and they have indicated a willingness to help get responses from all Wind-in-the-Oaks occupants.

The City Manager said a new procedure has been implemented for conducting final inspections for structural, electrical and plumbing code compliance at the same time, with a limited option for temporary CO's (for which a permit-holder must apply in writing) in cases where utilities are needed before a permanent CO can be authorized.

The City Manager took exception to a recent editorial in the newspaper regarding the issuance of Certificates of Occupancy. He said he realizes that editorials are only opinions but the information in the editorial was not factual. He stressed that a Certificate of Occupancy is not required prior to the sale of a structure but prior to occupancy.

COMMENTS BY PAT RITCHIE - PROPOSED TOWN OF FLETCHER

Pat Ritchie, Interim Mayor for Proposed Town of Fletcher, read the following letter and resolution.

January 23, 1989

Mr. Gerry Cohen, Director
Legislative Drafting Division
Room 100
2129 State Legislative Building
Raleigh, NC 27611-9184

Dear Mr. Cohen:

The Interim Board on behalf of the Fletcher Improvement Committee and the majority of the residents of the proposed Town of Fletcher request that the attached resolution or the intent there of be included in the charter of the Town of Fletcher. The intent being that Fletcher shall not annex into any portion of Buncombe County.

Respectfully,

Patricia G. Ritchie, Interim Mayor
Harold N. Conner, Interim Board Member
Byron M. Terrell, Interim Board Member
John F. Parris, Sr., Interim Board Member
Sara S. Waechter, Interim Board Member
Robert G. Parrish, Chairman of Fletcher Community Improvement Committee

PROPOSED TOWN OF FLETCHER
INTERIM GOVERNING BOARD
RESOLUTION

concerning encroachment upon bordering county lines

WHEREAS, the Fletcher Community Improvement Committee was formed in June, 1988 with its purpose being to incorporate the community of Fletcher; and

WHEREAS, the Interim Governing Board is made up of a five member team which is drawn from the Fletcher Community Improvement Committee and which shall be the governing body of the Town of Fletcher when incorporated until the first general election; and

WHEREAS, it is within the authority of the aforementioned board to resolve and present this in representation of the Fletcher Community Improvement Committee for the proposed Town of Fletcher and its residents.

NOW, THEREFORE BE IT RESOLVED, and hereby recorded that the Interim Governing Board of the Proposed Town of Fletcher shall not at any time encroach on any portion of the county lines which touch proposed boundaries before or after the incorporation of said town.

Adopted this 18th day of January, 1989.

Interim Governing Board
Proposed Town of Fletcher

Pat Ritchie, Interim Mayor
Harold Conner, Council Member
Byron M. Terrell, Council Member
John F. Parris, Sr., Council Member
Sara S. Waechter, Council Member

Fletcher Community Improvement Committee
Robert G. Parrish, Sr., Chairman

ANNOUNCEMENT - ESTABLISHMENT OF COMMISSION FOR THE BILTMORE VILLAGE HISTORIC MUSEUM

Robert Griffin appeared before Council to announce the establishment of a Commission for the Biltmore Village Historic Museum. He said the museum should be open in May, 1989 and is being established to collect, preserve, and catalogue the history of Biltmore Village. He said the museum would be located at 32 All Souls Crescent.

RALPH BISHOP - LOTTERY SALES IN THE CITY

Ralph Bishop again spoke to members of Council about the lottery sales in the City of Asheville.

ADJOURNMENT:

Upon motion of Councilman Martin, seconded by Councilman York, the meeting adjourned at 4:45 p.m.

MAYOR

CITY CLERK

Tuesday - January 31, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - JANUARY 24, 1989

Mayor Bissette announced the approval of the minutes of the January 24, 1989 meeting as submitted.

I. PROCLAMATIONS:

Resolution No. 89-7 - Resolution in memory of William F. Algary

Mayor Bissette read a resolution in memory of William F. Algary, a former member of the Council of the City of Asheville from September, 1955 until May, 1969.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 89-7 was unanimously adopted.

Resolution Book No. 17 Page No. 318

A. "Heart of Asheville Month" - February, 1989

Mayor Bissette said the "Heart of Asheville Month" is to celebrate the revitalization of downtown with fellow Ashevillians.

Mayor Bissette presented a copy of the proclamation to Mark Rosenstein, President of the Downtown Association, who explained the activities taking place during February, 1989 to celebrate the revitalization of downtown.

B. "American History Month" - February, 1989

Mayor Bissette read a proclamation proclaiming February, 1989 as "American History Month". He presented a copy to Clare McDowell with the Daughters of the American Revolution.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. **Resolution to close a portion of Cliff Street in the City of Asheville, North Carolina.**

Mayor Bissette said a petition has been filed by Westgate Shopping Center of Asheville, Inc. requesting that a portion of Cliff Street which has never been paved or otherwise utilized be permanently closed to the public use. This closing is in connection with the Westgate Shopping Center Expansion Project - Phase II. A public hearing was held on September 27, 1988. Action on the resolution has been continued on several occasions and until January 31, 1989.

The City Attorney said this resolution should be deleted since the petitioners have withdrawn their petition to close a portion of Cliff Street.

IV. NEW BUSINESS:

A. **Report relative to Pritchard Park Bus Transfer Point.**

Bob Carr, Chairman of the Asheville Downtown Commission, said efforts are being made to redesign Pritchard Park to facilitate multiple events in the park and to allow for a variety of functions necessary for revitalization efforts downtown. He said Pritchard Park is the anchor for downtown retail business and is to be known as the "hot spot" or "happening spot" in downtown.

Mr. Carr said in order to proceed with the redesign a study was conducted with the assistance of LDR, a consultant for downtown revitalization, to relocate the Pritchard Park Bus Transfer Point. He said meetings were held with the Asheville Transit Authority in a search for a better hub site for a bus transfer point close to downtown. He said after considering all factors involved a site on South Lexington Avenue was chosen as the best possible location. He said this site has advantages and disadvantages but the City already owns the property; it is located on a 2-way street and is 1-1/2 blocks from the present bus transfer point. He said the Downtown Commission and the Asheville Transit Authority would be considering the use of a motorized shuttle bus service to this location.

He said grant funds would more than likely be available to help with this project; however, they need Council's approval of this idea in order to continue with this project. He said it would cost approximately $8,000 but federal monies would be available next spring and the City could be reimbursed with grant funds through the Urban Mass Transportation Administration. He said in his opinion this is the next major step in encouraging reinvestment downtown.

Upon inquiry of Councilman Price, Carl Owenby with the Asheville Transit Authority, said the Authority also had some concerns about receiving input from individuals that presently use the bus system. He said the bus drivers have be interacting with the users and will be given "handouts" in order to receive comments about moving the bus transfer point.

Vice-Mayor Michalove said he would like to know what additional operational costs would be involved with relocating the bus transfer point.

Councilman York said he would like to know the present income the City receives from the existing parking lot on South Lexington Avenue.

Councilman Frank said some time ago she had requested that a survey be taken of the ridership to determine how many of these individuals are shoppers in downtown. She said she felt there would be a reluctance from the residents of Battery Park and Vanderbilt Apartments in moving the bus transfer point.

Carl Owenby and Mayor Bissette said they felt the implementation of the shuttle bus service would help.

John Daniel with the Downtown Commission, said in essence they are asking the City to appropriate $8,000 for this project. He said it would probably take two (2) years for implementation of the project.

After discussion, the City Manager was instructed to proceed with the preparation of a budget amendment in the amount of $8,000 for Council's consideration.

B. Resolution authorizing the condemnation of property in the Hazel Mill Bridge Replacement Project.

Mayor Bissette said this resolution will authorize the Asheville Housing Authority to condemn, if necessary, the C. G. Johnson Heirs property on Hazel Mill Road for the Hazel Mill Road Bridge Replacement Project. Offers and negotiations for the acquisition of this property have not resulted

in an agreeable settlement and condemnation appears to be the only remaining method of acquisition.

After discussion, it was decided to postpone action on this resolution in order for Council to receive additional information and to review the plans for the Hazel Mill Bridge Project.

Councilman Bratton also requested that the individuals involved in the condemnation be notified that Council is considering taking such action.

C. **Resolution authorizing the condemnation of property in the Murdock Avenue Bridge Project.**

Mayor Bissette said this resolution will authorize the Asheville Housing Authority to condemn, if necessary, the properties at 191 and 200 Murdock Avenue owned by the Congregation Beth Isreal and O'Donald for the Murdock Avenue Bridge Project. Offers and negotiations for the acquisition of this property have not resulted in an agreeable settlement and condemnation appears to be the only remaining method of acquisition.

After discussion, it was decided to postpone action on this resolution in order for Council to receive additional information and to review the plans for the Murdock Avenue Bridge Project.

Councilman Bratton also requested that the individuals involved in the condemnation be notified that Council is considering taking such action.

D. **Resolution authorizing the condemnation of property in the Chestnut Street Bridge Replacement Project.**

Mayor Bissette said this resolution will authorize the Asheville Housing Authority to condemn, if necessary, the properties on Broadway owned by Robert C. & Betty Lawrence and Maxine M. Klutts for the Chestnut Street Bridge Replacement Project. Offers and negotiations for the acquisition of this property have not resulted in an agreeable settlement and condemnation appears to be the only remaining method of acquisition.

After discussion, it was decided to postpone action on this resolution in order for Council to receive additional information and to review the plans for the Chestnut Street Bridge Project.

Councilman Bratton also requested that the individuals involved in the condemnation be notified that Council is considering taking such action.

V. CONSENT:

A. Resolution No. 89-8 - Resolution establishing and appointing members to a Citizen Advisory Committee for the Stormwater Management Program.

SUMMARY: This committee is being established to discuss the educational program for the Stormwater Management Program.

Resolution Book No. 17 Page No. 319-321

Resolution Book No. 17 Page No. 327

H. Scheduling public hearing relative to floodway revisions to Smith Mill Creek for project of Charles S. Livengood at 46 New Leicester Highway for February 14, 1989.

SUMMARY: Staff has reviewed the plans and calculations regarding this project. The plans indicate that no increase in flood levels will be caused by the project. Staff recommends approval of the project subject to the following contingencies: 1) Owner to obtain all appropriate Federal, State and local permits; and 2) Owner to meet all FEMA requirements, and to provide FEMA with all documentation and fees necessary pursuant to amending the Floodway Boundary and Floodway Maps, and Flood Insurance Rate Maps to the area affected by the project.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

WORKER'S COMPENSATION APPEAL - GEORGE WATKINS - RETAINING ATTORNEY WILLIAM RUSSELL

At the request of the City Attorney, Vice-Mayor Michalove moved to authorize retaining Attorney William Russell to represent the City in the Worker's Compensation Appeal for George Watkins. This motion was seconded by Councilman Bratton and carried unanimously.

WOODFIN WATER SYSTEM - MAJOR PROBLEMS

Vice-Mayor Michalove said the Woodfin Water System had major water problems this past weekend. He said these problems affect city residents and the residents would probably be asking the Asheville-Buncombe Water Authority to assume responsibility of these water lines.

CLAIMS - JAMES CHAPMAN (WATER) - SIDNEY FELDMAN (WATER) - LOUISE CONLEY (SEWER) - DENISE WORLEY (WATER) - CHARLES PATTON (STREETS) - MRS. HOWARD COLLINS (SEWER)

The City Manager presented claims received from James Chapman, Sidney Feldman, Louise Conley, Denise Worley, Charles Patton, and Mrs. Howard Collins.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

ADJOURNMENT:

Mayor Bissette adjourned the meeting at 5:30 p.m.

MAYOR

CITY CLERK

Tuesday - February 7, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma T. Price

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - JANUARY 31, 1989

Mayor Bissette announced the approval of the minutes of the January 31, 1989 meeting as submitted.

I. PROCLAMATIONS:

Resolution No.89-15 - Resolution in memory of James H. Parris, Jr.

Vice-Mayor Michalove read a resolution in memory of James H. Parris, Jr., a former employee of the City of Asheville from November 25, 1946 until his retirement on June 27, 1980.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, Resolution No. 89-15 was unanimously adopted.

Resolution Book No. 17 Page No. 328

A. "Salute to Hospitalized Veterans Week" - February 12 - 18, 1989

Mayor Bissette read a proclamation proclaiming the week of February 12 - 18, 1989 as "Salute to Hospitalized Veterans Week" and presented a copy to James Christian, Director of VA Hospital.

B. "Vocational Education Week" - February 12 - 18, 1989

Mayor Bissette read a proclamation proclaiming the week of February 12 - 18, 1989 as "Vocational Education Week". He said a copy would be forwarded to Carol Weir, Vocational Director for the Asheville City Schools.

C. Recognition of UNC-A Basketball Team.

Mayor Bissette read a proclamation proclaiming UNC-A's Basketball Team as "Asheville's Team".

Dr. David Brown, Chancellor for UNC-A, introduced Ed Ferrell, Athletic Director and UNC-A's new Basketball Coach Don Douchette. Coach Douchette and his assistant coaches introduced the team members.

Mayor Bissette and members of Council expressed appreciation to UNC-A and everyone associated with UNC-A's Athletic Department.

PUBLIC HEARINGS:

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Report from Economic Development Partnership.

Dr. David Brown, Chairman of the Economic Development Partnership, said the partnership was formed to focus, promote, and help implement public and private efforts toward assuring the continued economic vitality of the area. He presented members of Council with a report of the Economic Development activities during the last six months - July 1988 to January 1989.

Dr. Brown said the Chamber has hired a new Economic Development Director, Steve Jenkins, to help coordinate economic development activities. He said the Partnership would like direction from members of Council on actions they would like for the partnership to take as far as economic development.

B. Sale of Disposal Parcel 220-A in East Riverside Redevelopment Project.

Mayor Bissette said the Housing Authority has tentatively accepted a bid for Parcel 220-A in the East Riverside Redevelopment Project for the reuse of Office/Institutional at a bid price of $9,500 from Livingston Medical Partnership

Councilman Martin moved to accept the recommendation of the Housing Authority for the sale of Disposal Parcel 220-A. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

C. Approval of bond attorneys for Water Bonds.

Mayor Bissette said it is necessary to retain bond attorneys for work related to the bond sale and subsequent issues relating to the $40 million in Water Bonds.

Councilman Frank moved to accept the proposal from Kutak, Rock and Campbell, at an amount not to exceed $40,000 including all up front work for three (3) bond sales. This motion was seconded by Councilman Martin and carried unanimously.

D. Ordinance No. 1749 - Budget ordinance to establish a Capital Project for the Bus Transfer Center Relocation

Mayor Bissette said this budget amendment is to establish a capital project for the bus transfer center relocation and appropriate $8,000 to the project in order to proceed with a feasibility study of the site.

Councilman Bratton moved for the adoption of Ordinance No. 1749. This motion was seconded by Councilman York.

Ordinance Book No. 11 Page No. 421

V. CONSENT:

A. Resolution No. 89-16 - Resolution calling for a public hearing for the adoption of an ordinance directing the Director of Inspections to demolish the dwelling houses at 93 and 95 Starnes Avenue for March 14, 1989.

Mayor Bissette said the attached resolution will allow Council to consider the adoption of an ordinance to demolish the dwellings known as 93 and 95 Starnes Avenue, Asheville, North Carolina. Additionally, prior to the adoption of an ordinance, the resolution requires that notice be published calling for a public hearing on the question.

Resolution Book No. 17 Page No. 329-330

B. Resolution No. 89-17 - Resolution appointing a member to the Metropolitan Sewerage District Board.

Mayor Bissette said this resolution will appoint Diane McDonald as a member of the Metropolitan Sewerage District Board.

Resolution Book No. 17 Page No. 331

Upon motion of Councilman Frank, seconded by Vice-Mayor Michalove, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

JOINT CITY COUNCIL- COUNTY COMMISSIONERS MEETING

Mayor Bissette announced that the City Council members would be meeting with the Buncombe County Commissioners on Saturday morning at 8:30 a.m. at Mom and Pop's Restaurant on Tunnel Road.

REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Patty Tallerday, from the Planning Department, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the new procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on February 1, 1989.

THOMS REHABILITATION HOSPITAL - NORTH WING ADDITION

Ms. Tallerday said the Asheville Planning and Zoning Commission on February 1, 1989, reviewed and approved the site plan of Thoms Rehabilitation Hospital - North Wing Addition, off Bellview Road subject to compliance with the Erosion Control Ordinance. She said there were no public comments during the meeting.

Council accepted the recommendation of the Planning and Zoning Commission relative to Thoms Rehabilitation Hospital - North Wing Addition, off Bellview Road.

BILTMORE COMMERCE PARK LOCATED ON FAIRVIEW ROAD

Ms. Tallerday said the Asheville Planning and Zoning Commission on February 1, 1989, reviewed and approved the site plan of Biltmore Commerce Park located on Fairview Road subject to the following contingencies:

1) A 30' right-of-way from the center line of Fairview Road being dedicated to the City;
2) A 20' easement being dedicated for the sewer line serving houses to the east;
3) Evidence being presented to the Planning Director of the availability of City fire protection and permission to connect driveway to a City street;
4) Site plans being stamped by a registered professional;
5) A landscape plan being approved by the Planning Director which includes a buffer meeting the requirements of Section 30-3-14;

and
5) Compliance with Erosion Control Ordinance.

She said there were no public comments during the meeting.

Council accepted the recommendation of the Planning and Zoning Commission relative to the site plan for the Biltmore Commerce Park to be located on Fairview Road.

CLAIMS - PAUL GILSDORF (INSPECTIONS) - FRANKIE ARROWOOD (WATER)

The City Manager presented claims received from Paul Gilsdorf and Frankie Arrowood.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP - COMMENTS RELATIVE TO POLICE DEPARTMENT

Ralph Bishop again spoke to members of Council relative to the lottery sales in the City.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:10 p.m.

MAYOR

CITY CLERK

Tuesday - February 14, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Wilhelmina Bratton

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES - FEBRUARY 7, 1989

Mayor Bissette announced the approval of the minutes of the February 7, 1989 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Public hearing relative to closing a portion of Centre Street.

Resolution No. 89-18 - Resolution closing a portion of Centre Street

Mayor Bissette said a petition has been received from all property owners along the unopened right-of-way of Centre Street between Harnett Street and Clinton Avenue, requesting that the portion be closed. This portion has been reviewed by the Operational Departments of the City and no objections to closing the petitioned portion of Centre Street have been received.

Mayor Bissette opened the public hearing at 4:18 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Jim Ewing, Director of Public Works, said this portion of Centre Street is currently un-open and no objections have been received relative to the closing of the street. He said the street was posted with the notice of intent to close.

Mayor Bissette closed the public hearing at 4:20 p.m.

Mayor Bissette said members of Council were previously furnished with copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 89-18 was unanimously adopted.

Resolution Book No. 17 Page No. 332-333

B. **Public hearing relative to floodway revisions to Smith Mill Creek.**

Mayor Bissette said staff has reviewed the plans and calculations regarding this project. The plans indicate that no increase in flood levels will be caused by the project. Staff recommends approval of the project subject to the following contingencies:
1) Owner to obtain all appropriate Federal, State and local permits; and
2) Owner to meet all FEMA requirements, and to provide FEMA with all documentation and fees necessary pursuant to amending the Floodway Boundary and Floodway Maps, and Flood Insurance Rate Maps to the area affected by the project.

Mayor Bissette opened the public hearing at 4:21 p.m.

Mayor Bissette said the engineer for the property owner has requested that consideration of the floodway revisions to Smith Mill Creek be postponed for about a month.

Councilman Martin moved to continue the public hearing relative to floodway revisions to Smith Mill Creek until March 14, 1989 without further advertisement. This motion was seconded by Councilman Frank and carried unanimously.

III. OLD BUSINESS:

A. Resolution No. 89-19 - Resolution authorizing the condemnation of property in the Hazel Mill Bridge Replacement Project.

Mayor Bissette said this resolution will authorize the Asheville Housing Authority to condemn, if necessary,

the C. G. Johnson Heirs property on Hazel Mill Road for the Hazel Mill Road Bridge Replacement Project. Offers and negotiations for the acquisition of this property have not resulted in an agreeable settlement and condemnation appears to be the only remaining method of acquisition.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman York, seconded by Vice-Mayor Michalove, Resolution No. 89-19 was unanimously adopted.

Resolution Book No. 17 Page No. 334

B. **Resolution authorizing the condemnation of property in the Murdock Avenue Bridge Project.**

Mayor Bissette said this resolution will authorize the Asheville Housing Authority to condemn, if necessary, the properties at 191 and 200 Murdock Avenue owned by the Congregation Beth Isreal and O'Donald for the Murdock Avenue Bridge Project. Offers and negotiations for the acquisition of this property have not resulted in an agreeable settlement and condemnation appears to be the only remaining method of acquisition.

It was the consensus of Council to postpone action on this resolution until March 14, 1989 in order to obtain additional information about the project.

C. **Resolution authorizing the condemnation of property in the Chestnut Street Bridge Project.**

Mayor Bissette said this resolution will authorize the Asheville Housing Authority to condemn, if necessary, the properties on Broadway owned by Robert C. & Betty Lawrence and Maxine M. Klutts for the Chestnut Street Bridge Replacement Project. Offers and negotiations for the acquisition of this property have not resulted in an agreeable settlement and condemnation appears to be the only remaining method of acquisition.

It was the consensus of Council to postpone action on this resolution until March 14, 1989 in order to obtain additional information about the project.

IV. NEW BUSINESS:

A. **Ordinance No. 1750 - Budget Amendment for Emergency generators for White Fawn and Skyland Towers.**

Mayor Bissette said this budget amendment in the amount of $25,000 and will provide funding to bring new towers at White Fawn and Skyland on line. Generators will provide 24 hour back-up to public safety and commercial usage of sites.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1750. This motion was seconded by Councilman Martin.

Ordinance Book No. 11 Page No. 422

V. CONSENT:

A. **Bids for annual contract for bituminous concrete materials (asphalt).**

SUMMARY: Recommendation for award of a bid for an annual contract for bituminous concrete materials (asphalt) to Asheville Division, APAC- Carolina, Inc., Asheville, North Carolina in the amount of $176,425.00.

B. **Bids for one street sweeper and one street flusher for Public Works Department.**

SUMMARY: Recommendation for award of bid to North Carolina Equipment Company, Charlotte, North Carolina for a 1889 Johnston model 600 Sweeper mounted on a 1988 Ford model Cab and Chassis in the amount of $89,723.00 and to A. E. Finley & Associates, Inc., Charlotte, North Carolina for a 1989 Etnyre model Flusher mounted on a 1989 Ford model Cab and Chassis in the amount of $57,825.00.

Mayor Bissette summarized the consent agenda items and upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

ANTI-LITTER CAMPAIGN

Councilman Frank and Councilman Martin reported that they had been to the County Commissioner's meeting this afternoon to solicit their cooperation in an upcoming Anti-Litter Campaign.

Councilman Martin said he would like to get all governmental agencies in Western North Carolina involved in the project for an extensive Anti-Litter Campaign that would benefit not only Asheville but all of Western North Carolina.

RALPH BISHOP - LITTER ON KENILWORTH KNOLL

Ralph Bishop said he had previously told members of Council about the litter on Kenilworth Knoll around the Asheville Racquet Club. He said no one had checked into this complaint

ASHEVILLE SCHOOL BOARD APPOINTMENTS - DEADLINE FOR SUBMITTING APPLICATIONS

Council members agreed to set a deadline of Tuesday, February 21, 1989 at 5:00 p.m. for individuals to submit their applications for possible appointment to the Asheville School Board.

RESOLUTION NO. 89-20 - RESOLUTION AUTHORIZING THE CITY MANAGER OF THE CITY OF ASHEVILLE TO SIGN AN APPLICATION FOR GRANT FUNDS FROM THE NORTH CAROLINA ARTS COUNCIL

Mayor Bissette read a resolution authorizing the City Manager to sign an application for grant funds from the North Carolina Arts Council through the Grassroots Arts Program. He said these funds in the amount of $3,500 will be used to develop a children's Living The Dream Theatre and an adult celebration featuring minority artists in the literary and performing arts. He said in-kind contributions would be from the Parks, Recreation, and Public Facilities Department.

Upon motion Of Councilman Price, seconded by Councilman Martin, Resolution No. 89-20 was unanimously adopted.

Resolution Book No. 17 Page No. 335

CLAIMS - JACK MEADOWS (WATER) - JOYCE ELLIS (SEWER) - VELMA STANLEY (SEWER) - CALVIN PARTON (WATER) - JAMES AGNEW (WATER) - ARDEN TOWN VILLAS (WATER) - ALBERT ANDERSON (WATER) - AUDREY DOTSON (WATER) - NANCY RACE (WATER)

The City Manager presented claims received from Jack Meadows, Joyce Ellis, Velma Stanley, Calvin Parton, James Agnew, Arden Town Villas, Albert Anderson, Audrey Dotson, and Nancy Race.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

LAWSUITS - WAYNE E. WARREN (APPEAL OF CIVIL SERVICE BOARD DECISION) - JAMES LEE HARPER (COMPLAINT FOR RETURN OF PERSONAL PROPERTY)

The City Manager said the City was served with lawsuits involving Wayne E. Warren relative to an appeal of a Civil Service Board

decision and James Lee Harper involving a complaint for return of personal property.

Mayor Bissette referred the lawsuits to the City Attorney for investigation and recommendation.

RESIDENTS OF GRAYSTONE ROAD - REQUEST OF CITY TO TAKE OVER WATER AND SEWER LINES

Residents of Graystone Road off Stratford Road presented members of Council with a petition requesting that the City of Asheville assume responsibility of the water and sewer lines in the area which are presently serviced by the Woodfin Water District.

They indicated that the problems with the Woodfin Water System is as follows:

1. We are given no notice of pressure changes in our water. Low water pressure or no water at all has caused us a lot of inconvenience. High pressure surges recently, on the other hand, has resulted in blown pressure release valves on ten hot water heaters on Graystone Road in a five day time span despite numerous and constant phone complaints to the Woodfin Water Department. No attempt was made in the five day period to correct the problem or prevent further damage by issuing warnings to other customers on the same line. As a result, ten of us on Graystone Road have had plumbing bills, ruined carpets and flooded basements. Charles Anderson of the Woodfin Water District publicly announced that they would assume no responsibility for these damages.

2. We are given no notice of water quality changes or flushings which result in high sediment and iron content in the water. The result to our laundry and appliances is disastrous.

3. Leaks in service lines and water mains are not promptly repaired resulting in wasted water. In the recent pressure surge leaks in two service lines on Stratford Road and Graystone Road went un-corrected for five days despite repeated reports to the Woodfin Water Department about the problem. Thousands of gallons of water ran down Stratford and Graystone Roads. Corrective action came only after threats of legal action if the leaks weren't repaired. This wasted water came through the Woodfin water meter from the Asheville Water System and the cost will eventually have to be picked up by Woodfin customers.

4. Response to complaints is most unsatisfactory. Woodfin always puts the responsibility for the problem back on the customer: it's our location on the system; our hot water heaters are the problem; our plumbers are incompetent or that we have bad pipes. Other excuses we have received are that the weather is too cold, are we sure we are really having these problems and even their response of "I don't know".

5. We are concerned that water testing is not conducted in the proper manner. It is a weakness of the system in North Carolina that each District tests its own water at its own convenience. Independent tests in the last week has shown that Woodfin Water barely meets the minimum standards. Since iron dissipates chlorine, we fear that during times of high iron content, our water may fall below minimum standards.

6. We want fluoride in our water.

7. We feel that the Woodfin Water and Sewer District's financial status should be examined. Is ongoing maintenance and replacement of pipes being neglected and is there a financial plan for present and future problems?

8. Since Woodfin takes the position that they are not responsible for pressure and quality damages, must we assume that they would not be responsible for damages in the future? We must have someone to take responsibility for our water.

Mayor Bissette said it is his understanding that there are approximately 425 City of Asheville residents currently on the Woodfin Water System. He said the Asheville-Buncombe Water Authority would have to be in a position to accept and maintain these lines and the Woodfin Water District would have to agree to transfer the lines. He said the City staff would look into these requests and a report would be given during the Pre-Council work session next week.

Vice-Mayor Michalove requested that Council members be furnished a list of the citizens of Asheville that are currently on the Woodfin Water System.

RALPH BISHOP - FREEDOM OF SPEECH

Ralph Bishop spoke to members of Council relative to his right to address members of Council without interruption.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 4:50 p.m.

MAYOR

CITY CLERK

Tuesday - February 21, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice Mayor Michalove.

I. PROCLAMATIONS:

A. Presentation of United Way Plaques.

Mayor Bissette said seven City Departments or Divisions have been designated "Fair Share Award" winners by United Way of Asheville and Buncombe County.

John Rukavina, City-wide Coordinator for United Way, said the divisions being recognized today had contributed their "fair share," which is equivalent to at least one (1) hour's pay per month from each employee. He said he believed this reflects the employees' commitment to betterment of the community.

Mayor Bissette presented the plaques to the following employees on behalf of their divisions. Mayor Bissette expressed his appreciation to the employees for their contributions and noted that City Manager Doug Bean will be Chairman for the 1989 United Way Campaign in Asheville and Buncombe County.

1. Bob Wurst of the Audit and Budget Division of the General Administration Department.

2. Rae Ferguson and Steve Evans of the Asheville Police Department.

3. Ray Kisiah of the Recreation Cultural Programs of the Parks, Recreation and Public Facilities Department.

4. Noel Calloway of the Parking Services Division of the Downtown Development Department.

5. Harold Huff and Paul Gilewicz of the Bee Tree Reservoir Division of the Water and Wastewater Services.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Resolution No. 89-21 - Resolution approving the incorporation of the Town of Fletcher.

Mayor Bissette read the resolution. He said the Fletcher community has requested the Asheville City Council to support their efforts to become an incorporated area.

Vice Mayor Michalove said when representatives first came to City Council several months ago he voted against supporting Fletcher's request for incorporation and that he still cannot support the incorporation. However, he said he would like for the record to reflect the reasons he can't support the incorporation and the concerns he has.

Vice Mayor Michalove said if you look at the area on a map, Asheville is bordered on the North by the Towns of Woodfin and Weaverville, on the East by Swannanoa and Black Mountain, and on the South by Biltmore Forest. He said the philosophy of the State law is that metropolitan and urban needs are different from rural needs. He said in cities throughout the northeast township lines run right up against one another and this is causing jurisdictional problems. He said he felt today's vote on this issue should reflect a look at what lies ahead 10-15 years from now. He cited the Hendersonville Road project and participation in the project by the Town of Biltmore Forest as a prime example of the type of problems the City can run into when more cities are making decisions about roads.

Vice Mayor Michalove said the City limit line as of August 31, 1988 was 2 miles from the Fletcher Community identified for incorporation, and under the present study for annexation currently underway, the City limit line is approximately 1.2 miles from the proposed incorporation. He said Fletcher's proposed boundary would be contiguous to a proposed future City limit line on its northern boundary and a portion of its western boundary would be adjacent to the existing limits at the Asheville Airport. He quoted the following excerpt from the 1980 Joint Annexation Study Commission. "...by both Constitution and Statute, North Carolina has appropriately given preference to expanding cities as opposed to creating new ones. Both discourage incorporating new cities and towns near existing ones...and within five miles of one with over 50,000 population..."

Vice Mayor Michalove said the history of annexation in North Carolina had allowed for orderly growth of municipalities. He said the philosophy of annexation was to provide local governmental services to citizens in areas that are urbanely developed. He said numerous studies have upheld the fact of annexing urban areas as opposed to the creation of smaller

incorporated areas in a major urban environment. He said the law has been tested in a number of court cases and has withstood the scrutiny of numerous study commissions established by the General Assembly since 1959.

Vice Mayor Michalove said the history of incorporation in North Carolina was also addressed in the 1980 Joint Study Commission. He said the report cites the example of growth in the City of Raleigh. He said is 1900 Raleigh's population was 13,600 and today is estimated at 160,000. He said if Raleigh's boundaries had not been expanded over this period and the surrounding area had grown as it has, Raleigh could be encircled today with 12 cities equal to its 1900 size, by 15 cities the size of Garner, or even a larger number of overlapping special districts. He said the Joint Commission concludes on the subject of incorporation by stating "...the State's policy of encouraging annexation - which means enlarging the existing water plant rather than building a new one or enlarging an existing police force rather than creating a new one - seems clearly in the best interest of all citizens when done with the safeguards that are built into North Carolina's annexation statutes..."

Vice Mayor Michalove pointed out annexation across the Henderson County line could result in problems with overlapping legislative districts, judicial districts, school and tax districts. However, he said at the current time, there is not a prohibition of cities crossing county lines and cited several cities that are located in more than one county.

Vice Mayor Michalove said the Fletcher area has developed primarily because of money spent to develop the Airport, MSD sewer facilities, and services of Asheville water to the area.

Vice Mayor Michalove said if you look at terrain of area surrounding Asheville, there are few growth areas we can go into. For these reasons and concerns, he said he could not support the resolution supporting the incorporation of Fletcher.

Councilman Price encouraged those in attendance to continue to work toward improvements and to be active participants with the Land-of-Sky Regional Council.

Councilman Martin said when the issue was first addressed by Council, he had opposed the incorporation is because the City runs the risk of having our growth area to stop where it is now. He said another concern was that Fletcher would be trying to annex into Buncombe County. For this reason, he said the City Council is insisting on a provision in the Fletcher Incorporation Charter that prohibits Fletcher from annexing into Buncombe County at any time in the future or including any territory within the confines of Buncombe County. He said the City of Asheville has no intention of going into Henderson County, but wants the freedom of going to the county line.

Mayor Bissette said it is unrealistic for the City of Asheville to consider annexing across county lines. He wished those in attendance the very best on their incorporation efforts, and said the City of Asheville would be willing to give any help the community may need.

Councilman Bratton said she had supported the incorporation of Fletcher from the beginning. She wished the community well and said she looked forward to working with them and having them as a neighbor. Because of the problem with school district lines, she said it was just not feasible to move across county lines.

Councilman Bratton moved for the adoption of Resolution No. 89-21. This motion was seconded by Councilman York.

Resolution No. 89-21 was adopted on a 6-1 voice vote with Vice Mayor Michalove voting "no".

Mr. Robert G. Parrish, Sr., Chairman of the Fletcher Improvement Committee, thanked Council for adopting the resolution to allow their incorporation. He said Fletcher will have mutual concerns and interests and wants to cooperate with the City of Asheville.

Resolution Book No. 17, Page 336 and 337

IV. NEW BUSINESS:

A. Resolution No. 89-22 - Resolution authorizing the Director of Finance to apply to the Local Government Commission for approval of the City's proposed voted bond financing and to submit such application to the Local Government Commission.

Mayor Bissette said this resolution is the first step to begin the process for the $40,000,000 Water Bond Referendum and will authorize the Director of Finance to apply to the Local Government Commission for approval of the City's proposed voted bond financing and to submit such application to the Local Government Commission.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety.

Upon motion of Councilman Martin, seconded by Vice Mayor Michalove, Resolution No. 89-22 was unanimously adopted.

Resolution Book 17, Page 338

B. Resolution No. 89-23 - Resolution directing the publication of notice of intention to apply to the Local Government Commission for approval of bonds.

Mayor Bissette said this resolution will direct the City Clerk to publish the notice of intent to apply to the Local Government Commission for the approval of bonds.

Mayor Bissette said members of Council were previously furnished copies of the resolution, and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 89-23 was unanimously adopted.

Resolution Book 17, Page 339

C. Ordinance No. 1751 - Budget ordinance amendment for Downtown Development Budget.

Mayor Bissette said this budget amendment in the amount of $150,000 will increase the Downtown Development Budget to reflect revenues and expenses from 1988 festivals.

Mayor Bissette said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety.

Councilman York moved for the adoption of Ordinance No. 1751. This motion was seconded by Councilman Martin.

On a roll call vote of 7-0, Ordinance No. 1751 passed on first and final reading.

Ordinance Book No. 11, Page 423

D. Ordinance No 1752 - Budget Ordinance amendment appropriating $23,500 for a grant from the Z. Smith Reynolds Foundation for Victim Assistance.

Mayor Bissette said this budget amendment in the amount of $23,500 is to appropriate grant funds received from the Z. Smith Reynolds Foundation for Victim Assistance.

Mayor Bissette said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1752. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1752 passed on first and final reading.

Ordinance Book No. 11, Page 424

E. Ordinance No. 1753 - Budget Ordinance amendment appropriating $20,000 for a grant from the Janirve Foundation for Victim Assistance.

Mayor Bissette said this budget amendment in the amount of $20,000 is to appropriate grant funds received from the Janirve Foundation for Victim Assistance.

Mayor Bissette said members of Council were previously furnished copies of the ordinance, and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1753. This motion was seconded by Councilman Michalove.

On a roll call vote of 7-0, Ordinance No. 1753 passed on first and final reading.

Ordinance Book No. 11, Page 424

V. CONSENT:

A. Resolution No. 89-24 - Resolution authorizing the City Manager to apply for a victim assistance grant through the Z. Smith Reynolds Foundation.

Mayor Bissette said this grant in the amount of $23,500 will allow a volunteer program to assist victims of crime as they cooperate with the criminal justice system; specifically the Asheville Police Department. This will provide for the establishment of a volunteer program, thereby increasing the number of victims receiving the services in the areas of crisis intervention, information and referral, counseling and criminal justice support and will increase program awareness.

Resolution Book 17, Page 340

B. Resolution No. 89-25 - Resolution authorizing the City Manager to apply for a victim assistance grant through the Janirve Foundation.

Mayor Bissette said this grant in the amount of $20,000 will allow the Asheville Police Department to increase the number of victims receiving the services of the Victim Assistance Program and to improve the quality of service delivery. This will also provide for the professional services of a Victim's Case Manager and a Crime Victim's Counselor on a part-time basis.

Resolution Book 17, Page 341

C. Scheduling of public hearing relative to an UMTA Grant for the Bus Transfer Relocation for March 28, 1989.

Mayor Bissette said a motion is needed to schedule a public hearing on March 28, 1989 relative to an UMTA Grant for the Bus Transfer Relocation.

Mayor Bissette asked the City Manager to provide the Council with a time schedule on the current study and the grant application process for the Bus Transfer facility.

D. Resolution No. 89-26 - Resolution authorizing the City Manager of the City of Asheville to sign an agreement and commitments of site facility use for the nutrition program for older Americans at Reid Memorial, Senior Opportunity, and West Asheville Recreation Centers.

Mayor Bissette said the Buncombe County Council on Aging and the Asheville Parks, Recreation, and Public Facilities Department have been working cooperatively with this program at several recreation centers, and this cooperation has resulted in improved services for the elderly in Asheville and Buncombe County. This resolution will authorize the continuance of this program during the fiscal year of July 1, 1989 through June 30, 1990.

Resolution Book 17, Page 342

E. Resolution No. 89-27 - Resolution calling for a public hearing for the adoption of an ordinance directing the Director of Inspections to demolish the dwelling known as 20 Dallas Street for March 21, 1989.

Mayor Bissette said this resolution will call for a public hearing for the demolition of 20 Dallas Street, which has been totally destroyed by fire.

Resolution Book 17, Page 343 and 343.

F. Scheduling of public hearing relative to rezoning property located at 218 East Chestnut Street, petition of Chris Peterson, for March 21, 1989.

Mayor Bissette said this motion will schedule a public hearing on March 21, 1989, relative to rezoning property located at 218 East Chestnut Street, petition of Chris Peterson.

VI. OTHER BUSINESS:

CLAIMS - SLUDER FURNITURE (WATER), CHARLES WEBB (SEWER), FRANCES SHEARER (WATER), JERRY WISE (WATER), WILLIAM WILCOX (SEWER), JEFFREY SINGLETON (SEWER) AND JOSEPH MOORE (WATER)

The City Manager presented claims received from Sluder Furniture, Charles Webb, Frances Shearer, Jerry Wise, William Wilcox, Jeffrey Singleton and Joseph Moore.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

DAVID ANDERS - PRESIDENT OF ASHEVILLE FIRE FIGHTERS ASSOCIATION - PRESENTATION OF SALARY SURVEY

David Anders, President of the Asheville Fire Fighters Association presented the Mayor and City Council Members with a copy of a salary survey that was conducted by the Association. He asked that Council consider this material as they review the pay study information they will be receiving from Municipal Advisors, Inc.

Ralph Bishop spoke in support of a pay increase for the Fire Fighters.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:15 P.M.

MAYOR

CITY CLERK

Tuesday - February 28, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Acting Corporation Counsel Patsy Brison; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Mary Lloyd Frank and Corporation Counsel William F. Slawter

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF MINUTES - FEBRUARY 21, 1989 MEETING

Mayor Bissette announced the approval of the minutes of the February 21, 1989 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. **Resolution No. 89-28 - Resolution stating the intent of the City of Asheville to consider the annexation of an area known as Skyland II and fixing the date of a public hearing on the question of annexation.**

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Skyland II area as being under consideration for annexation. A report of the plans for extending services to said territory will be available for public inspection in the City Clerk's Office. A legible map of the area to be annexed and a list of persons holding freehold interest in property in the area will be posted in the City Clerk's Office. This resolution will set the date of the public hearing for 4:00 P.M. on April 18, 1989, in the Asheville Civic Center Banquet Room.

By the use of a map, Patty Tallerday with the Planning Department, outlined the area proposed to be annexed.

Upon motion of Councilman Bratton, seconded by Vice-Mayor Michalove, Resolution No. 89-28 was unanimously adopted.

Resolution Book No. 17 Page No. 345 - 346

B. **Resolution No. 89-29 - Resolution stating the intent of the City of Asheville to consider the annexation of an area known as Woods Edge and fixing the date of a public hearing on the question of annexation.**

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Woods Edge area as being under consideration for annexation. A report of the plans for extending services to said territory will be available for public inspection in the City Clerk's Office. A legible map of the area to be annexed and a list of persons holding freehold interest in property in the area will be posted in the City Clerk's Office. This resolution will set the date of the public hearing for 4:00 P.M. on April 18, 1989, in the Asheville Civic Center Banquet Room.

By the use of a map, Patty Tallerday with the Planning Department, outlined the area proposed to be annexed.

Upon inquiry of Ralph Bishop, Mayor Bissette said the taxes received from these annexed areas would not be used for downtown revitalization.

Upon motion of Councilman Martin, seconded by Vice-Mayor Michalove, Resolution No. 89-29 was unanimously adopted.

Resolution Book No. 17 Page No. 347 - 348

C. Resolution No. 89-30 - Resolution authorizing the City Manager to enter into an encroachment agreement with Peter D. Williams and Kathy M. Williams for encroachment on Westchester Drive.

Mayor Bissette said certain improvements on property owned by Mr. and Mrs. Williams encroach upon the right-of-way for the City of Asheville on Westchester Drive. This encroachment was made in error and was

unintentional. This resolution will authorize the City Manager to execute an encroachment agreement by and between the City of Asheville and Peter D. Williams and his wife, Kathy M. Williams, for encroachments on the right-of-way for Westchester Drive.

Upon motion of Councilman York, seconded by Councilman Price, Resolution No. 89-30 was unanimously adopted.

Resolution Book No. 17 Page No. 349

D. **Consideration of Preliminary Subdivision Plat - Sherwood Heights Extension - located on Elk Mountain Scenic Highway.**

Mayor Bissette said the Asheville Planning and Zoning Commission on February 12, 1989, reviewed and approved the preliminary plat of Sherwood Heights Extension, subject to the following contingencies:

1. City Council granting a variance from City subdivision street grade standards of 12% to 18%;

2. NCDOT approval of connection to Elk Mountain Scenic Highway;

3. Compliance with Erosion Control Ordinance; and

4. Provision of sufficient water pressure to support fire protection.

Tom Elmore with the Planning Department said this project is a 16 lot subdivision and is an extension of an existing subdivision. He presented maps showing the proposed extension of this subdivision. He said the Planning and Zoning Commission approved the preliminary plat contingent upon the City Council granting a variance from the roadway standards in the subdivision ordinance of a 12% street grade to a 18% grade. He said the Public Works Department reviewed the proposed street and recommended that the 12% street grade be met.

Gary Davis, with McGill Associates, Engineers for the site development, speaking in support of Council granting the street grade variance, showed several maps and outlined alternatives as to the reason the variance is requested. He explained the pros and cons of each alternative that was considered.

Chief John Rukavina, Asheville Fire Department, recommended that the 12% street grade standard be

met. He said the fire trucks are not built to deal with an 18% grade and this would cause a definite problem.

After discussion, Vice-Mayor Michalove moved to table action on the preliminary plat until March 7, 1989 giving members of Council an opportunity to visit the site in question. This motion was seconded by Councilman Price and carried unanimously.

V. CONSENT:

VI. OTHER BUSINESS:

CLAIMS - ROSELLA MANTOOTH (STREETS) - JAMES BLACKBURN (PARKS) - SHARON WOODY (WATER) - MELISSA HARRIS (STREETS)

The City Manager presented claims received from Rosella Mantooth, James Blackburn, Sharon Woody, and Melissa Harris.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

RALPH BISHOP- LITTER ON KENILWORTH KNOLL ROAD

Ralph Bishop again complained to Council about the litter on Kenilworth Knoll Road across the street from McGuffey's and the Sports Club of Asheville.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:15 p.m.

MAYOR

CITY CLERK

MICROFILMED BY N.C. DIV. OF ARCHIVES & HISTORY MAR 31 1989 J.G.

Tuesday - March 7, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Norma T. Price, Wilhelmina Bratton, and Russell Martin; Acting Corporation Counsel Martha McGlohon; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilmen Mary Lloyd Frank and A. Robert York; Corporation Counsel William F. Slawter

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - FEBRUARY 28, 1989 MEETING

Mayor Bissette announced the approval of the minutes of the February 28, 1989 meeting.

. PROCLAMATIONS:

A. Proclamation - "Hi-Neighbor Volleyball Week" March 6 - 12, 1989

Mayor Bissette read a proclamation proclaiming the week of March 6 - 12, 1989 as "Hi-Neighbor Volleyball Week."

Ray Kisiah, Director of Parks, Recreation, and Public Facilities reviewed the activities taking place during the Hi-Neighbor Volleyball Tournament Week.

Mayor Bissette presented the proclamation to Donny Luke, President of the Asheville Volleyball Club.

B. Proclamation - Women Voters' Day - March 8, 1989.

Mayor Bissette read the proclamation and presented a copy to Mrs. Shirley Berdie, President of the League of Women Voters.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Preliminary Subdivision Plat - Sherwood Heights Extension - located on Elk Mountain Scenic Highway.

Mayor Bissette said the Asheville Planning and Zoning Commission on February 12, 1989, reviewed and approved the preliminary plat of Sherwood Heights Extension, subject to the following contingencies:

1. City Council granting a variance from City subdivision street grade standards of 12% to 18%;

2. NCDOT approval of connection to Elk Mountain Scenic Highway;

3. Compliance with Erosion Control Ordinance; and

4. Provision of sufficient water pressure to support fire protection.

Mayor Bissette said this matter was continued from the February 28, 1989 meeting.

Tom Elmore, from the Planning Department, said this plat is still in the preliminary stage and Council's concern at this time is whether or not to grant a variance from city subdivisions street grade standards of 12% to 18%. He said during the Technical Review Committee the Fire Department and Public Works Department recommended that the 12% street grade standard be met due to the steepness and availability to access the site.

Upon inquiry of Council, Mr. Elmore said the Fire Department plans to acquire a four-wheel drive fire truck to access such sites.

Gary Davis, with McGill Associates, Engineers for the site development, said the variance requested is the most technical and reasonable alternative. He said the Public Works Department and the Fire Department did not directly turn down the variance but only expressed concerns about access availability in adverse weather conditions.

Vice-Mayor Michalove moved to approve the requested variance from City subdivision street grade standards of 12% to 18% for the Sherwood Heights Extension subdivision plat as shown in plans presented and dated December, 1988 from McGill Associates provided that the City Attorney can assure that the City would be under no liability by granting the variance. This motion was seconded by Councilman Price and carried on a voice vote of 4-1, with Councilman Martin voting "no". Councilman Martin said in his opinion there would be

potential problems with granting a variance for an 18% slope.

IV. NEW BUSINESS:

A. Resolution No. 89-31 - Resolution confirming and approving action taken by the Director of Finance to apply to the Local Government Commission for approval of the City of Asheville, North Carolina's proposed voted bond financing and to submit such application to the Local Government Commission.

Mayor Bissette said this resolution is required for the $40,000,000 Water Bond Referendum.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

Upon motion of Councilman Martin, seconded by Councilman Bratton, Resolution No. 89-31 was unanimously adopted.

Resolution Book No. 17 Page No. 350

B. Resolution No. 89-32 - Resolution calling a public hearing on bond order, directing publication of notice of public hearing and filing of a debt statement.

Mayor Bissette said this resolution is required for the $40,000,000 Water Bond Referendum.

Mayor Bissette said members of Council were previously furnished copies of the resolution and it would not be read in its entirety.

The Bond Order was introduced pursuant to N. C. Gen. Stat. sec. 159-54, a copy of the Bond Order being attached to Resolution No. 89-32.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Bratton, Resolution No. 89-32 was unanimously adopted.

Resolution Book No. 17 Page No. 351

V. CONSENT:

VI. OTHER BUSINESS:

RESOLUTION NO. 89-33 - RESOLUTION APPOINTING MEMBERS TO THE CITIZEN ADVISORY COMMITTEE FOR THE STORMWATER MANAGEMENT PROGRAM

Mayor Bissette presented a resolution appointing Gary Ashburn and Frank Smith as members of the Citizen Advisory Committee for the Stormwater Management Program. The resolution further appoints George Jensen as Chairman of the committee.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 89-33 was unanimously adopted.

Resolution Book No. 17 Page No. 352

RESOLUTION NO. 89-34 - RESOLUTION APPOINTING MEMBER TO THE ASHEVILLE FAIR HOUSING COMMISSION

Mayor Bissette presented a resolution appointing Claude Drake as a member of the Asheville Fair Housing Commission.

Upon motion of Councilman Bratton, seconded by Councilman Martin, Resolution No. 89-34 was unanimously adopted.

Resolution Book No. 17 Page No. 353

CLAIMS - LAVONDA WASHBURN (SEWER) - REBECCA BURNETTE (STREETS)

The City Manager presented claims received from Lavonda Washburn and Rebecca Burnette.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

COMMENTS BY CITY EMPLOYEES - CIVIL SERVICE LAW

David Anders, President of the Asheville Firefighters Association, appeared before Council to express their concerns relative to the proposed abolishment of the Asheville Civil Service Law. He said city employees want to keep the Civil Service Law. He said the law is unique and is envied by local government employees all over the State of North Carolina. He said he realizes there are some problems with the law, but these minor problems can be resolved without abolishing the law in its entirety. He said the Civil Service Law provides a check and balance system for officials and employees. He said the City's management staff should work with the employees to correct the problems in the Civil Service Law. He requested that members of Council consider this proposal carefully.

Tom Aardema, President of the Fraternal Order of Police, spoke in opposition to the abolishment of the Asheville Civil Service Law. He said City of Asheville employees are totally opposed to this proposal. He said he felt this matter is being "rushed into" and careful consideration should be given to this matter. He said management staff and employees should be given time to resolve any problems with the Asheville Civil Service Law. He said the problems can be fixed without abolishing the law in its entirety.

Alan O'Donnell, with the Asheville Police Department, said in his opinion the hiring/firing procedures in the Civil Service Law could be streamlined to eliminate so much "red tape" without abolishing the entire Civil Service System.

Bill Costello, retired Police Office since 1985, spoke in opposition to the abolishment of the Civil Service Law. He said he was speaking as a citizen and retired police officer that was under the Civil Service System for 27 years. He said the "Rule of 3" under the Civil Service System gives an individual the desire to work harder to reach the top three. He said he understands that procedures in the system can be improved but "if it is not broke there is no need to fix it. He said everyone should join together to work out the problems within the present Civil Service System. He said if the Civil Service Law is abolished one person would hold a lot of power which could be dangerous. He said the City employees need Council's support for the Civil Service Law.

The City Manager said he agrees with the employees that management and employees should work together and it would be best to discuss these concerns together rather than in a public forum. He said he understands that the employees have a concern for their jobs and are committed to the City of Asheville. He said management needs to hear this type of feed back from the employees. He said he was disappointed that the employees used the political and media route to express their concerns. He said he feels a merit type system is important for professional competence. He said in his opinion it would be better to have the merit system adopted locally rather than as a state law. He said he would meet with the employees to make sure they understand the proposed changes.

Mayor Bissette said he and the Council members understand that this issue is important to the employees as well as the City Manager and Council. He said it is his desire that everyone work together; however, under the law, the Mayor and Council members can not get involved with specific employee matters.

FAIR HOUSING LEGISLATION - REQUEST OF COUNTY OF BUNCOMBE

The City Manager said he had received a request from the Buncombe County Commissioners that the City support an amendment to the Fair Housing legislation to extend the legislation county-wide.

Councilman Price moved to support the County of Buncombe's request to amend the Fair Housing legislation to extend the legislation county-wide. This motion was seconded by Councilman Martin and carried unanimously.

ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:25 p.m.

MAYOR

CITY CLERK

Tuesday - March 14, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas C. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Wilhelmina Bratton

INVOCATION

The invocation was given by Councilman York.

APPROVAL OF MINUTES - MARCH 7, 1989

Mayor Bissette announced the approval of the minutes of March 7, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation -"School Social Worker's Week" - March 13 - 17, 1989

Mayor Bissette read the proclamation proclaiming March 13 - 17, 1989 as "School Social Worker's Week" and presented a copy to Sally Michalove, with the Asheville City School System.

B. Resolution No. 89-35 - Resolution honoring UNC-A's Basketball Team for winning the Big South Tournament.

Mayor Bissette read a resolution honoring UNC-A's Basketball Team for winning the Big South Tournament in Rock Hill, South Carolina on March 2-4, 1989.

Mayor Bissette recognized Athletic Director Ed Ferrell and Coach Don Doucette from UNC-A.

Upon motion of Councilman Martin, seconded by Councilman York, Resolution No. 89-35 was unanimously adopted.

Resolution Book No. 17 Page No. 374

C. Resolution No. 89-36 - Resolution supporting the Council of Asheville Independent and Parochial Schools.

Mayor Bissette read the resolution supporting the Council of Asheville Independent and Parochial Schools. He recognized the five headmasters from Asheville Country Day, Asheville Christian Academy, Christ School, Asheville School and Asheville Catholic who formed the Council.

Upon motion of Councilman Frank, seconded by Councilman York, Resolution No. 89-36 was unanimously adopted.

Resolution Book No. 17 Page No. 375

II. PUBLIC HEARINGS:

A. Public hearing for the adoption of an ordinance directing the Director of Inspections to demolish the dwelling houses at 93 and 95 Starnes Avenue.

Ordinance No. 1754 - An ordinance directing the Director of Building Inspections to demolish and remove the dwellings known as 93 and 95 Starnes Avenue, Asheville, North Caorlina

Mayor Bissette said this ordinance will direct the Director of Inspections to proceed with the demolition and removal of the dwellings known as 93 and 95 Starnes Avenue, Asheville, North Carolina and otherwise comply with the provisions of the Asheville Minimum Housing Ordinance.

Mayor Bissette opened the public hearing at 4:44 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Attorney outlined the N.C. General Statute that provides authority to cause the demolition of structures that are unfit for human habitation and the procedures to follow under that statute.

The City Attorney presented photographs of 93 and 95 Starnes Avenue which was condemned in September, 1988 and the Finding of Fact and Order for the Director of Building Inspections handed down in January, 1989 after a public hearing was held relative to the dwellings.

David Gaines of 30 Cumberland Avenue, representing the Montford Community Club, spoke in support of the ordinance to demolish 93 and 95 Starnes Avenue. He

suggested that Council produce a pamphlet stating the basic procedures for demolishing substandard dwelling; implement a method for keeping neighborhoods informed of the status of substandard dwellings; appoint a representative of the City for an individual to call about substandard dwellings; implement a method to speed up the demolition process for any buildings that become dangerous; and for the City to show more initiative in finding substandard conditions in the City.

Mayor Bissette said the Council would ask the City Manager to see what can be done about the suggestions offered by Mr. Gaines.

Roland Houser, 324 Oakland Street, Hendersonville, North Carolina, speaking for residents in the Montford Area, encouraged support from Council to get houses that have burned demolished.

Curtis Venable, Pisgah Legal Services, and a resident of Montford Avenue, said the process for demolition of substandard dwellings should be speeded up. He said there are three houses on Cumberland Avenue that have been condemned for over three years and nothing has been done about them. He said in his opinion there is not enough support from the Inspections Department and the residents are not getting the support due.

Scott Dedman, Pisgah Legal Services, and a resident of Cumberland Avenue, supported the ordinance to demolish 93 and 95 Starnes Avenue. He said these steps to demolish the houses should have been taken much earlier.

Mr. Kennedy, resident of Westover Drive, supported the ordinance to demolish 93 and 95 Starnes Avenue. He said other structures in the City need attention as well as abandoned cars. He said demolition is not always the answer to substandard conditions. He offered his time and help in dealing with these problems.

Helen Kennedy, of 221 Westover Drive, said she would like to join the City in efforts to help restore the Montford area.

Evelyn Wyatt said a list of abandoned cars that are on Westover Drive has been given to the City but nothing has been done. She said the ordinances should be enforced.

Lillian Johansen, a resident of the Montford area, said the City should take more initiative in dealing with substandard conditions at an earlier stage than demolition.

Richard Stiles of 34 Courtland Avenue, said the Neighborhood Housing Services now working in the Montford Area should be in a position to help individuals with substandard conditions.

Mayor Bissette said he was very positive about the efforts of the Neighborhood Housing Services in working with the City in the Montford area.

Mayor Bissette closed the public hearing at 5:26 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1754. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1754 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1754. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1754 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1754. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1754 passed on third reading.

Ordinance Book No. 11 Page No. 427-428

B. Public hearing relative to "Bond Order authorizing the issuance of $40,000,000 Water Bonds of the City of Asheville, North Carolina."

Ordinance No. 1755 - Bond order authorizing the issuance of $40,000,000 Water Bonds of the City of Asheville, North Carolina.

Mayor Bissette said this action is required for the $40,000,000 Water Bond Referendum.

Mayor Bissette opened the public hearing at 5:30 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Robert Long of 15 Sareva Place questioned whether or not the $40,000,000 Water Bonds would alleviate any of the problems the 400 City of Asheville residents are having with the Woodfin Water System.

Mayor Bissette said the Water Bonds would not affect these residents and their problems but Council is going to request that the Asheville-Buncombe Water Authority acquire the right to provide water services to these customers if at all possible.

Hazel Fobes ask for pertinent reasons for the Water Bonds. She asked if the Water Bonds would be dealing with distribution and water conservation. She also questioned the $40,000 that is being used for P/R for the Water Bond Issue. She said in her opinion that $40,000 could be used in better ways.

Mayor Bissette said the $40,000 being used for P/R is not public funds but from private donations.

Councilman Price, as a member of the Asheville-Buncombe Water Authority, addressed Ms. Fobes' questions relative to distribution and water conservation. She informed Ms. Fobes that the city staff is willing to give anyone research information relative to the need for the Water Bonds.

John Walsh asked if the $40,000,000 Water Bond Issue would make government entities enforce the DHS requirements for supplying water to individuals.

Mayor Bissette closed the public hearing at 5:44 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1755. This motion was seconded by Councilman Price.

On a roll call vote of 6-0, Ordinance No. 1755 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1755. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1755 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1755. This motion was seconded by Councilman York and carried unanimously.

On a roll call vote of 6-0, Ordinance No. 1755 passed on third reading.

Ordinance Book No. 11 Page No. 429

III. OLD BUSINESS:

A. Continuation of public hearing relative to floodway revisions to Smith Mill Creek.

Mayor Bissette said staff has reviewed the plans and calculations regarding this project. The plans indicate that no increase in flood levels will be caused by the project. Staff recommends approval of the project subject to the following contingencies:
1) Owner to obtain all appropriate Federal, State and local permits; and
2) Owner to meet all FEMA requirements, and to provide FEMA with all documentation and fees necessary pursuant to amending the Floodway Boundary and Floodway Maps, and Flood Insurance Rate Maps to the area affected by the project.

Mayor Bissette said this matter was continued from the February 14, 1989 meeting but since that time it has been determined that this matter is to be reviewed by the Board of Adjustment instead of the City Council.

B. Resolution No. 89-37 - Resolution approving the report of plans for extension of city services into the area proposed for annexation which is generally known as Skyland II.

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Skyland II area as being under consideration for annexation. A report of the plans for extending

services to said territory will be available for public inspection in the City Clerk's Office. A legible map of the area to be annexed and a list of persons holding freehold interest in property in the area will be posted in the City Clerk's Office. A public hearing has been scheduled for 4:00 P.M. on April 18, 1989, in the Asheville Civic Center Banquet Room. This resolution will approve the report of plans for the proposed annexation area.

Patty Tallerday with the Planning Department presented the report of plans and highlighted the details of the plan for services in the Skyland II area.

The City Attorney answered questions of Councilman York relative to procedures to be followed as far as private garbage haulers are concerned in the annexation areas.

Upon motion of Councilman Frank, seconded by Councilman Martin, Resolution No. 89-37 was unanimously adopted.

Resolution Book No. 17 Page No. 376

C. **Resolution No. 89-38 - Resolution approving the report of plans for extension of city services into the area proposed for annexation which is generally known as Woods Edge.**

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Woods Edge area as being under consideration for annexation. A report of the plans for extending services to said territory will be available for public inspection in the City Clerk's Office. A legible map of the area to be annexed and a list of persons holding freehold interest in property in the area will be posted in the City Clerk's Office. A public hearing has been set for 4:00 P.M. on April 18, 1989, in the Asheville Civic Center Banquet Room.

Patty Tallerday with the Planning Department presented the report of plans and highlighted the details of the plan for services in the Woods Edge area.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, Resolution No. 89-38 was unanimously adopted.

Resolution Book No. 17 Page No. 377

IV. NEW BUSINESS:

A. Resolution No. 89-39 - Resolution setting a special election on the bond order entitled "Bond Order authorizing the issuance of $40,000,000 Water Bonds of the City of Asheville, North Carolina", and directing the publication of notice of a special bond election and notification of the Buncombe County Board of Elections.

Mayor Bissette said this action is a requirement for the $40,000,000 Water Bond Referendum.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 89-39 was unanimously adopted.

Resolution Book No. 17 Page No. 378-379

B. Resolution No. 89-40 - Resolution recommending that the Asheville-Buncombe Water Authority acquire the right to provide water services to the Woodfin Water District customers located within the Corporate Limits of the City of Asheville.

Mayor Bissette said the Woodfin Water and Sewer District supplies water service to approximately 425 customers within the corporate limits of the City of Asheville. A number of these City of Asheville residents have recently approached the City Council about their dissatisfaction with the quality of water service they receive from the Woodfin Water and Sewer District. The City recommends acquiring those customers located within the Corporate Limits of the City of Asheville.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, Resolution No. 89-40 was unanimously adopted.

Resolution Book No. 17 Page No. 380

C. Scheduling public hearing relative to rezoning property located at 58, 60 and 62 Livingston Street - Mr. L. B. Jackson, Livingston Medical Partnership - for March 28, 1989.

Mayor Bissette said the Asheville Planning and Zoning Commission on March 1, 1989, reviewed and recommended approval of the request of Mr. L. B. Jackson that Ward 4, Sheet 11, Lots 22, 258 and 289, located at 58, 60 and 62 Livingston Street, be rezoned from R-3 Residential District to OI Office Institutional District.

Councilman Frank moved to schedule the public hearing relative to rezoning property located at 58, 60, and 62 Livingston Street for March 28, 1989.

This motion was seconded by Vice-Mayor Michalove and carried unanimously.

V. CONSENT:

VI. OTHER BUSINESS:

CLAIMS - ROBERT SLUDER (WATER) - MAURICE NOLAND (SEWER)

The City Manager presented claims received from Robert Sluder and Maurice Noland.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - DAVID AND LORNA LYNN (WRONGFUL ACT - INSPECTIONS DIVISION

The City Manager said the City was served with a lawsuit involving David and Lorna Lynn (wrongful act - Inspections Division).

Mayor Bissette referred the lawsuit to the Corporation Counsel for investigation and recommendation.

MOTION RELATIVE TO VARIANCE FOR SHERWOOD HEIGHTS EXTENSION SUBDIVISION

The City Attorney said he would have a complete report for members of Council next week relative to the language of the motion for the variance for the Sherwood Heights Extension Subdivision discussed at the March 7, 1989 meeting.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:15 p.m.

MAYOR

CITY CLERK

REVISED

Tuesday - March 21, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Price.

APPROVAL OF MINUTES - MARCH 14, 1989 MEETING

Mayor Bissette announced the approval of the minutes of the March 14, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - Post Anesthesia Nurses Day - March 27, 1989 - April 1, 1989

Mayor Bissette read the proclamation and presented copies to Kathy Wilborn, Recovery room Director, Memorial Mission Hospital; Mary Ann Epstein and Terry Scarborough from St. Joseph's Hospital.

B. Proclamation - "Community Development Week" - March 24 - 31, 1989

Mayor Bissette read the proclamation and presented a copy to Marvin Vierra, Community Development Director. Mr. Vierra highlighted the events taking place during "Community Development Week."

II. PUBLIC HEARINGS:

A. Public hearing relative to rezoning property located at 218 East Chestnut Street for Mr. Chris Peterson.

Mayor Bissette said the Asheville Planning and Zoning Commission on February 1, 1989, reviewed the request of Mr. Chris Peterson that Ward 2, Sheet 16, Lot 138, located at 218 East Chestnut Street, be rezoned from R-4 Residential District to CG Commercial General District. The Commission recommended denial of this petition and advised Mr. Peterson of his right to appeal to City Council.

Mayor Bissette opened the public hearing at 4:30 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carol Albrice, from the Planning Department, reviewed the report from the Planning and Zoning Commission and stated that the Planning and Zoning Commission recommended denial of the rezoning request. She said the Commission felt the rezoning would be an encroachment into residential property and further that the 2010 City Plan reveals that the north side of Chestnut Street be a low density area.

Mrs. Albrice said the Planning Department had received a letter from Mr. Joel Antal, property owner adjacent to Mr. Peterson, opposing the requested rezoning. She said his objections were based on the rezoning would carve the residential district between Madison and Charlotte Street in two places; this would create a public traffic corridor in the middle of a residential neighborhood, creating congestion, noise, danger and pollution; this would also raise the question about the availability of zoning preferences for some, and would belie the very purpose for zoning to begin with; and it would further despoil the architectural and historic ambiance which Asheville must nuture to enhance its uniqueness and tourist appeal.

At the request of Council, Mrs. Albrice read the allowable uses for the Commercial General District. She also reviewed the surrounding zoning and uses stating that the majority of the property in the area is used for office type development and residential.

Chris Peterson, petitioner, spoke in support of the requested rezoning. He presented pictures of the surrounding properties. He said his property is adjacent to Fuddrucker's Restaurant. He said this area shows business and residential working together. He said he proposes to spend in excess of $350,000 on this project which would create more jobs and more tax revenue.

Gene Ellison, Attorney for Chris Peterson, said the City rezoned property for the Fuddrucker's Restaurant and should also consider doing the same for Mr. Peterson, a local creative businessman. He said Mr. Peterson has a sincere interest in growth for the City of Asheville. He said no major objections have been received relative to the requested rezoning. He said his client proposes to construct a restaurant on this property.

Margaret Bridget, a resident of East Chestnut Street, said in her opinion Asheville's Zoning Ordinance needs to be rewritten. She said Commercial General has too broad of uses for this area. She said she would feel more secure if the owner of the property placed restricted uses for the property. She said she would be opposed to rezoning the property Commercial General.

June Grant, a local Realtor, speaking on behalf of Mr. McElduff who resides at 212 East Chestnut, said the rezoning would encroach upon residential property. She said perhaps Mr. Peterson could utilize the Historic Overlay zone. She said if Council rezones this property to Commercial General Mr. McElduff would like for his property to be rezoned to Commercial General.

Upon inquiry of Council, the City Attorney said the property owner has the right to place any kind of restrictive convenants on his own property.

Councilman York said he was concerned about the encroachment into residential property, particularly on Broad Street. However, the general character of the property in the area has changed to a non-residential area. He said it would be unrealistic to think that the property would ever be used for a single family residence and the current structure is not designed for multi-family units. He said a multi-family unit would not be a justifiable investment.

Councilman Bratton said she has some questions about the rezoning but they were legal questions and probably should be discussed in an executive session.

After discussion, Vice-Mayor Michalove moved to continue the public hearing until March 28, 1989 without further advertisement giving Mr. Peterson an opportunity to consider other alternatives and to give members of Council an opportunity to discuss the matter in more depth. This motion was seconded by Councilman Martin and carried unanimously.

Councilman Price suggested that in considering alternatives that the petitioner consider the possibility of a residential buffer along Broad Street.

B. Public hearing relative to an ordinance directing the Director of Inspections to proceed with the demolition and removal of the dwelling known as 20 Dallas Street or otherwise comply with the provisions of the Housing Code of the City of Asheville.

Ordinance No. 1756 - Ordinance directing the Director of Building Inspections to demolish and remove the

dwelling known as 20 Dallas Street, Asheville, North Carolina.

Mayor Bissette said this ordinance will direct the demolition of 20 Dallas Street which has been totally destroyed by fire.

Mayor Bissette opened the public hearing at 5:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication showing notification in the Asheville Times and the Sarasota Herald-Tribune in Tampa, Florida.

The City Attorney presented pictures of the dwelling known as 20 Dallas Street which was destroyed by fire in the latter part of 1988. He said all administrative hearings have been held and no steps have been taken by the owner to repair or demolish the dwelling.

Members of Council expressed that they would like to see a process implemented to take care of such dwellings in a shorter time period.

Mayor Bissette closed the public hearing at 5:26 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1756. This motion was seconded by Councilman Martin.

On a roll call vote of 7-0, Ordinance No. 1756 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1756. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1756 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1756. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1756 passed on third reading.

Ordinance Book No. 11 Page No. 430-431

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. **Ordinance No. 1757 - Ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville restricting truck traffic on Glendale Avenue between McArthur Lane and Fairview Road.**

Mayor Bissette said this action will include a portion of Glendale Avenue, between McArthur Lane and Fairview Road, in the ordinance regulating truck traffic on certain residential streets.

Vice-Mayor Michalove moved for the adoption of Ordinance No. 1757. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1757 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1757. This motion was seconded by Councilman Frank and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1757 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1757. This motion was seconded by Councilman Frank and carried on a voice vote of 6-1 with Mayor Bissette voting "no."

On a roll call vote of 7-0, Ordinance No. 1757 passed on third reading.

Ordinance Book No. 11 Page No. 432

B. **Resolution No. 89-41 - Resolution approving and endorsing the Asheville-Buncombe Water Authority Water System Master Plan for water improvements.**

Mayor Bissette said the Asheville-Buncombe Water Authority was formed and charged with certain duties and responsibilities by an Agreement between the City of Asheville and the County of Buncombe on October 29, 1981 and supplemented on August 18, 1987. This agreement states that "the Authority shall be responsible for developing a Master Plan for capital improvements and further states that "said plan shall be approved by the Authority acting as a body with one vote, the County Commissioners acting as a body with one vote, and the City Council acting as a body with one vote, each meeting in formal session and upon the affirmative vote of two of the three bodies."

Councilman Price noted that the Asheville-Buncombe Water Authority passed a similar resolution at their meeting this morning.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Frank, Resolution No. 89-41 was unanimously adopted.

Resolution Book No. 17 Page No. 381- 382

C. **Bids for one mobile stage for Parks, Recreation and Public Facilities Department.**

Mayor Bissette said staff has recommended the award to the low bidder, Wenger Corporation, Owatonna, Minnesota, in the amount of $44,834.00.

A copy of the bid summary is available in the City Clerk's Office.

Councilman Price moved to accept the bid of Wenger Corporation for one (1) mobile stage in the amount of $44,834.00. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

V. CONSENT:

VI. OTHER BUSINESS:

ASHEVILLE SCHOOL BOARD - NOTICE - INDIVIDUALS TO BE CONSIDERED FOR APPOINTMENT

Mayor Bissette said pursuant to N. C. Gen. Stat. sec. 143-318.11, notice is given that the following persons are under consideration by the City Council of the City of Asheville for appointment to the Asheville City School Board:

Charlotte V. Carlisle - J. R. Downs - Lee Loy - Carol Matthews - Dana Noblitt Sutton - J. Lyle West - John Quigley - Eleanor H. Franklin - Harriett N. Haith

Mayor Bissette said Council would be considering these appointments at next week's meeting.

RESOLUTION NO. 89-42 - RESOLUTION OF INTENT TO CONSIDER AN ORDINANCE AMENDING THE CHARTER OF THE CITY OF ASHEVILLE TO PROVIDE FOR NONPARTISAN ELECTIONS WITH TWO OR FOUR YEAR STAGGERED TERMS AND CALLING FOR A PUBLIC HEARING THEREON

Mayor Bissette read the resolution which scheduled the public hearing for 4:00 p.m. on Tuesday, April 4, 1989 in the Council Chambers.

Upon motion of Vice-Mayor Michalove, seconded by Councilman York, Resolution No. 89-42 was unanimously adopted.

Resolution Book No. 17 Page No. 383 - 384

CLAIMS - VIRGINIA JONES (WATER) - MICHELLE BROWN (PARKING) - ALLEN OWENS (WATER)

The City Manager presented claims received from Virginia Jones, Michelle Brown, and Allen Owens.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

GROUP DEVELOPMENT - OVERLOOK VILLAGE SHOPPING CENTER AMENDMENT

Carol Albrice, from the Planning Department, said the Asheville Planning and Zoning Commission at a special meeting on March 16, 1989 reviewed and recommended approval of an amendment to the site plan of Overlook Village Shopping Center on Tunnel Road. She said it is now Council's decision to accept the recommendation of the Planning and Zoning Commission or to schedule a public hearing relative to the amendment.

Mrs. Albrice reviewed the original motion to approve the Overlook Village Shopping Center with a list of contingencies. She said all the contingencies have been met as far as possible. She reviewed the requested changes to the original plans for the shopping center indicating that the major revision is the redesign of the proposed shops. She said the revised plans show the building to be built over a 40' Haw Creek Sewer Line. She said the Water and Sewer Department has indicated that this would be acceptable with an agreement with the owner for the repair of the sewer line if the need arises.

After discussion Council decided not to take action on the amendment indicating acceptance of Planning and Zoning's recommendation. However, Council did request that the Developer furnish the City of Asheville with a letter from the Engineers stating that the culvert would be inspected after the initial installation and that the culvert would be periodically monitored and that the inspection reports would be furnished to the City.

RESOLUTION NO. 89-43 - RESOLUTION APPOINTING MEMBER TO THE DOWNTOWN COMMISSION

Councilman Price moved for the adoption of a resolution appointing Don Martell as a member of the Asheville

Downtown Commission to serve until June 30, 1990. This motion was seconded by Councilman Bratton and carried unanimously.

Resolution Book No. 17 Page No. 385

RALPH BISHOP - LOTTERY SALES IN THE CITY - SELECTION OF NEW POLICE CHIEF

Ralph Bishop spoke to members of Council relative to the lottery sales in the City of Asheville and the process for the selection of the new Police Chief.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:25 p.m.

MAYOR

CITY CLERK

Tuesday - March 28, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Bratton.

I. PROCLAMATIONS:

A. Proclamation - "Trout Day" - April 1, 1989

Mayor Bissette read the proclamation and presented a copy to Rod Baird with Trout Unlimited.

II. PUBLIC HEARINGS:

A. Public hearing relative to UMTA Grant for Bus Downtown Transfer Site.

Resolution No. 89-44 - Resolution authorizing the filing of an application with the Department of Transportation, United States of America, for a grant under the Urban Mass Transportation Act of 1964, as amended

Resolution No. 89-45 - Resolution authorizing the filing of an application with the North Carolina Department of Transportation for state funds in support of the Planning Project.

Mayor Bissette said this public hearing will allow for public comments on an application to request funding from federal and state governments for the planning, engineering, and architectural design of the new downtown transit transfer site.

UMTA - $40,000
NCDOT- 5,000
Asheville 5,000

Total $ 50,000

Mayor Bissette opened the public hearing at 4:35 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carl Owenby, with the Planning Department and the Asheville Transit Authority said this application is for $40,000 in federal funds and $5,000 of state funds for the new downtown transit transfer site.

Bob Carr, Chairman of the Downtown Commission, said the Downtown Commission and the Asheville Transit Authority has been working on preliminary plans for the new site on South Lexington Avenue. He said with the money already appropriated preliminary drawings have been prepared by Spaceplan architects, for the new site to be located on South Lexington Avenue. He said the property has been appraised at $90,000. He said a Steering Committee has met twice for a needs assessment. He said a street survey has been taken as well as a ridership survey.

Mr. Carr said a cost estimate to rehabilitate Pritchard Park was received in the amount of $1.2 million. He said the purpose of moving the current transit transfer site is to rehabilitate the Park and encourage reinvestment in the downtown area.

Mr. Carr said the drawings for the new downtown transit transfer site indicates greatly improved amenities.

Carroll Hughes, with Spaceplan, said his staff has designed a preliminary site plan for the new transfer station as well as estimated costs.

Staff from Spaceplan presented the preliminary drawings for the new station as well as estimated costs.

A discussion was held relative to security for the new site as well as structure schedule.

Barry Olin and Dave Poteet, downtown merchants, spoke in favor of moving the transfer site to South Lexington Avenue.

Mark Rosenstein, Chairman of the Downtown Association, spoke in favor of moving the site to encourage development in downtown.

Tom Tomlin, Chairman of the Asheville Transit Authority, said he felt the South Lexington Avenue site is the best option. He expressed concerns about security for the station.

After discussion, Mayor Bissette closed the public hearing at 5:25 p.m.

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 89-44 was unanimously adopted.

Resolution Book No. 17 - Page 386 - 387

Upon motion of Councilman Bratton, seconded by Councilman Price, Resolution No. 89-45 was unanimously adopted.

Resolution Book No. 17 - Page 388

B. Public hearing relative to rezoning property located at 58, 60, and 62 Livingston Street - Mr. L. B. Jackson, Livingston Medical Partnership.

Ordinance No. 1758 - An ordinance amending Ordinance No. 322, known as "the Zoning Ordinance for the City of Asheville" as amended rezoning property located at 58, 60, and 62 Livingston Street for Mr. L. B. Jackson.

Mayor Bissette said the Asheville Planning and Zoning Commission on March 1, 1989, reviewed and recommended approval of the request of Mr. L. B. Jackson that Ward 4, Sheet 11, Lots 22, 258 and 289, located at 58, 60 and 62 Livingston Street, be rezoned from R-3 Residential District to OI Office Institutional District.

Mayor Bissette opened the public hearing at 5:26 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carol Albrice, from the Planning Department, said the Planning and Zoning Commission had recommended approval of the request to rezone three parcels. She outlined the zoning of the surrounding properties. She said the rezoning would be in accordance with the comprehensive plan and Livingston Street could adequately handle the medical facility. She said these parcels are owned by the Housing Authority and they are in support of the rezoning.

Carroll Hughes appeared on behalf of the petitioner in support of the rezoning stating that the use of this property is a continuation of what is being developed in this particular area.

Mayor Bissette closed the public hearing at 5:35 p.m.

Mayor Bissette said the ordinance was previously presented to members of Council and would not be read in its entirety.

Councilman Bratton moved for the adoption of Ordinance No. 1758. This motion was seconded by Councilman Martin.

On a roll call vote of 7-0, Ordinance No. 1758 passed on first reading.

III. OLD BUSINESS:

A. Continuation of a public hearing relative to an ordinance relative to rezoning property located at 218 East Chestnut Street for Mr. Chris Peterson.

Mayor Bissette said the Asheville Planning and Zoning Commission on February 1, 1989, reviewed the request of Mr. Chris Peterson that Ward 2, Sheet 16, Lot 138, located at 218 East Chestnut Street, be rezoned from R-4 Residential District to CG Commercial General District. The Commission recommended denial of this petition and advised Mr. Peterson of his right to appeal to City Council.

Upon request of the City Attorney, Councilman Bratton moved to go into executive session to discuss a legal matter relative to the rezoning of Mr. Peterson's property. This motion was seconded by Councilman Frank and carried unanimously.

Robert Dungan, 89 N. Liberty Street, spoke in opposition to the rezoning stating that this would be an encroachment into a residential area. He said any conditions the owner places on the property could be construed as contract zoning and would not be binding on a new owner. He said he felt this was a backyard approach for the destruction of a residential neighborhood.

Wallace Patterson, architect and resident in the area, spoke in opposition to the rezoning. He also presented a letter from Dr. Bates of 84 N. Liberty Street in opposition to the rezoning.

Neal Grant, of 76 N. Liberty Street, spoke in opposition to the rezoning stating that the area is designed for single family residential activity.

Susan Patterson also spoke in opposition to the rezoning.

Jean Warner spoke in opposition to the rezoning stating that the Commercial General zone would have a negative impact on the neighborhood. She also presented letters from Mary Carter, Bridget, Hendrix, and Hunter, residents in the area who are opposed the rezoning.

Marion Gebhardt of 81 N. Liberty Street spoke in opposition to the rezoning.

W. A. McElduff, of 218 E. Chestnut Street said if the Peterson property is rezoned he would also like his adjacent property rezoned.

Chris Peterson, petitioner for the rezoning, said his plans for the property is a restaurant adjacent to Fuddrucker's Restaurant. He said the neighborhood needs rehabilitating and he intends to keep the neighborhood historic. He said he proposes to invest over $350,000 in this property. He said this area is a commercial area and should not affect the residents on N. Liberty Street.

Larry Holt said he was rehabilitating 166 E. Chestnut Street and he is in opposition to the rezoning.

Gene Ellison, attorney for the petitioner, spoke in support of the rezoning. He said Mr. Peterson's plans for the property will not interfere with the residents on N. Liberty Street. He asked that if Council desires not to rezone the property that the city staff consider a conditional use permit for Mr. Peterson that would allow for a restaurant.

Mayor Bissette closed the public hearing at 6:25 p.m.

Mayor Bissette said members of Council turned down a request to rezone this property about one year ago. He said members of Council feel the Commercial General District is too broad of a zone for this area and would offer an encroachment into a residential area. He said Council does feel Mr. Peterson's proposal does have merit and that if the rezoning is not allowed that the city staff would work with Mr. Peterson for an alternative.

Councilman Price moved to accept the Planning and Zoning Commission's recommendation to deny the request

to rezone property located at 218 East Chestnut Street to Commercial General. This motion was seconded by Councilman Bratton and carried unanimously.

IV. NEW BUSINESS:

V. CONSENT:

A. Resolution No. 89-46 - Resolution authorizing the Mayor of the City of Asheville to execute a Drug-Free Work Place Act certification.

SUMMARY: The UMTA is requesting that all recipients of Federal funds must certify that they will comply with the regulations on a drug-free workplace.

Resolution Book No. 17 Page No. 389

B. Resolution No. 89-47 - Resolution authorizing the Mayor to sign an agreement with Buncombe County for Consolidated Transportation Services under Section 504 - Handicap Program.

SUMMARY: By agreement, the City would consolidate its funding for handicapped transportation services with Buncombe County. The County will provide all specialized transportation services under the UMTA 504 Handicap Program.

Resolution Book No. 17 Page No. 390

C. Sale of Disposal Parcel 49 in the East End/Valley Street Community Improvement Program.

SUMMARY: The Housing Authority has tentatively accepted a bid from Ms. Tabby Mpofu for Disposal Parcel 49 of the East End/Valley Street Community Improvement Program. Ms. Mpofu plans to build a 4 bedroom residence with the assistance of WNC Habitat for Humanity. The lot purchase will be under the Incentive Housing ($1.00 lot) program.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

Resolution No. 89-48 - Resolution appointing members to the Asheville School Board. (Harriett Haith, Carol Mathews, and J. R. Downs)

Mayor Bissette said there are three (3) member's terms on the Asheville School Board expire April 1, 1989. He read a resolution reappointing Harriett Haith and appointing Carol Mathews and J. R. Downs as members of the Asheville School Board to serve a four (4) year term, term expiring April 1, 1993.

Upon motion of Councilman Bratton, seconded by Councilman Frank, Resolution No. 89-48 was unanimously adopted.

Resolution Book No. 17 Page No. 391

At the request of Bob Brown, Mayor Bissette reviewed the resumes of Carol Mathews and J. R. Downs.

SHERWOOD HEIGHTS EXTENSION SUBDIVISION - VARIANCE GRANTED

In order to clear up a motion made on March 14, 1989 relative to the Sherwood Heights Extension Subdivision and a request for a street grade variance from the ordinance, Councilman Price moved to approve the request for a variance for a street grade of 18% due to the lack of feasible alternatives and due to the fact that similar streets are throughout the City. This motion was seconded by Councilman York and carried unanimously.

CLAIMS - ANN DEHART (STREETS) - JOHN MOYER (WATER) - CHRISTINE STARR (WATER) - WILLIAM BRADLEY (POLICE) - GARY CALDWELL (WATER)

The City Manager presented claims received from Ann DeHart, John Moyer, Christine Starr, William Bradley, and Gary Caldwell.

Mayor Bissette referred the claims to the Corporation Counsel for investigation and recommendation.

LAWSUITS - DAN C. WORLEY (APPEAL OF CIVIL SERVICE DECISION)

The City Manager said the city was served with a lawsuit on March 20, 1989 involving Dan C. Worley (appeal of Civil Service decision).

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:45 p.m.

MAYOR

CITY CLERK

Tuesday - April 4, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Councilman Bratton arrived at the meeting at 5:00 p.m.

Councilman Frank left the meeting at 5:55 p.m.

Absent:

INVOCATION

The invocation was given by Vice-Mayor Michalove.

APPROVAL OF MINUTES - MARCH 28, 1989

Mayor Bissette announced the approval of the minutes of the March 28, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Volunteer Week" - April 9-15, 1989

Mayor Bissette read the proclamation and presented a copy to Harriett Winner, Jean Moore, JoAnn Myers, and Bruce Peterson with the Volunteer Service Bureau.

B. Proclamation - "Victim Rights Week" - April 9-15, 1989

Mayor Bissette read the proclamation. He said a copy would be forwarded to Will Annarino and Jan Phillips with the Asheville Police Department, Victim Assistance Division.

C. Resolution No. 89-49 - Resolution commending Asheville High School for its participation in the International Exchange Program and recognizing the foreign exchange students and teacher from Japan and other exchange students from Ghana and Peru

Mayor Bissette read the resolution.

Upon motion of Councilman Price, seconded by Councilman Martin, Resolution No. 89-49 was unanimously adopted.

Resolution Book No. 17 Page No. 392

Mr. O. L. Sherrill, Principal of Asheville High School introduced the teacher from Kofu High School in Japan.

Mayor Bissette presented each student with a welcome letter and a copy of the resolution.

II. PUBLIC HEARINGS:

A. Public hearing relative to an ordinance amending the Charter of the City of Asheville to provide for nonpartisan elections with two or four year staggered terms.

Mayor Bissette said the North Carolina General Statute sec. 160A-101 provides that any city may change various aspects regarding its form of government, including the manner in which municipal primaries and elections are conducted. Municipal elections in the City of Asheville are currently conducted on a partisan basis and City Council members serve concurrent two year terms. The City Council intends to consider an ordinance amending the Charter to provide for nonpartisan elections.

Mayor Bissette opened the public hearing at 4:35 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Attorney outlined the process Council would have to follow in order to change the method in which municipal primaries and elections are conducted. He also explained the alternatives members of Council would have in deciding which method to use for the elections.

Rendell Davis, speaking on behalf of the Kenilworth Forest Homeowners Association, said the Executive Committee of the association met and discussed the proposed amendment for conducting municipal elections. He read a prepared statement opposing nonpartisan elections.

Louis Alexander, 125 Old Charlotte Highway, read a prepared statement stating that he did not wish to take a position on this issue. However, he said if either party comes out with party platforms that address a specific issue concerning this city he would favor partisan election of City Council and Mayor, but if neither party comes out with a platform that addresses a specific issue concerning this city then he would be against partisan election of City Council and the Mayor.

Ben McKenzie, a local businessman, spoke in favor of nonpartisan elections. He said he felt this method would enlarge the pool of men and women interested in serving on the City Council.

Harold Holcombe, a local businessman, spoke in favor of nonpartisan elections. He said he felt members of Council should concentrate on particular issues rather than on party politics.

Bob Lawrence, a local businessman, spoke in favor of nonpartisan elections. He said he also felt members of Council should address particular issues rather than party politics and they should work together on these issues.

George Tisdale of 65 Shorewood Drive and a former members of Council, spoke in opposition to nonpartisan elections. He said this method of elections had been tried once before and it did not work. He said a nonpartisan government would be laying the seeds for a clique-type government. He said even if the method of elections is changed he had never really met someone who is nonpartisan.

Susan Patterson of 70 N. Liberty Street, speaking on behalf of the League of Women Voters said a Task Force of their organization conducted a study on partisan and nonpartisan elections. She requested that the League of Women Voters be included in discussions relative to this proposed amendment.

Mel Thomason, a local businessman, spoke in support of nonpartisan elections. He said party labels obscures positions and puts forth elements of doubt.

Albert Sneed, Attorney, 11 N. Market Street, spoke in favor of nonpartisan elections. He said in his opinion there has been a breakdown of party systems in the last ten to fifteen years. He said he felt nonpartisan elections would allow more people willing to run for office to run. He said many individuals have suffered because of party affiliations. He said he would not be in favor of district representations or staggered terms at this time. He said Council should address one issue at a time.

Larry McDevitt, resident of Asheville and former Mayor of Asheville, spoke in favor of nonpartisan elections. He said this would encourage more people to run and that the partisan system seems to be discouraging rather than encouraging participation. He said having partisan elections suggests to the public that there is some partisan agenda to follow and that is misleading. He said neither party has articulated a philosophy of local government that divides them. He said the terms of office was not a concern to him but four years might be a better term. He suggested that Council not go to district representation at this time. He said he felt nonpartisan elections would take care of district representation.

Eugene Ochsenreiter, resident of Asheville and former Mayor of Asheville, spoke in opposition to nonpartisan elections. He said he felt political contacts are very important in dealing with specific issues concerning the City. He said it would be dangerous to change to nonpartisan elections at this time. He said political parties help stimulate interest and participation in elections and that the existing system should remain.

Councilman Bratton arrived at the meeting at 5:00 p.m.

Richard Wood, a local attorney and former Mayor of Asheville, said in his opinion the Council takes a nonpartisan approach to issues but he would not be in favor of nonpartisan elections. He said interest is low in elections right now and political parties help to stimulate interest. He said someone with no conduit for running for office would have a tough proposition particularly with minorities. He said in his opinion the city is small enough and broad based that a ward or district system would not be warranted. He said the existing system should remain.

Allene Highsmith, of Reynolds Place, said changing to nonpartisan elections would be a charade and that partisan politics is a privilege Americans should cherish. She said you can not take politics out of politics.

Gene Ellison, a local attorney, said he would like to hear each Council members views on this issue. He said he would also like to know the purpose for changing the system. He said in his opinion Council should consider changing to district representation. He said you can not change the name and think you are changing the game that there is no way to take politics out of politics. He said district representation would be fair instead of nonpartisan elections. He said party politics provide for a check and balance society.

Manuel Kutlokis of Pearson Drive spoke in opposition to nonpartisan elections. He said members of Council are only effective when politics are involved. He said the Democratic party has done much for individual members of Council and the City of Asheville.

Ernie Thurston of Panola Street spoke in opposition to nonpartisan elections. He said partisan elections help to build voter participation. He said many times partisan elections are the only time an individual

citizen is interested in a particular person running for office. He said Council should consider district representation rather than nonpartisan elections. He said if Council is serious about changing this method they should not make a decision on their own for such a controversial issue but to leave that decision to the voters in a referendum.

Florence Ryan of 301 E. Chestnut spoke in opposition to nonpartisan elections. She said this method was tried in 1933-35 and did not work.

Steve Welborn, of the NAACP, said he felt Council should consider district representation rather than nonpartisan elections.

Ralph Bishop spoke in opposition to nonpartisan elections. He said the system should remain partisan.

Mayor Bissette presented letters from the Democratic Women's Club and Mr. and Mrs. Ed James in opposition to nonpartisan elections.

Mayor Bissette commented that many people fear party affiliations. He said members of Council would be considering this proposal very carefully during the next week.

Councilman Price said she would strongly oppose members of Council making a decision on their own for nonpartisan elections.

Mayor Bissette closed the public hearing at 5:51 p.m. and said Council would consider this matter again at next week's meeting.

III. OLD BUSINESS:

A. Ordinance No. 1758 - Second reading of Ordinance rezoning property located at 58, 60, and 62 Livingston Street - Mr. L. B. Jackson, Livingston Medical Partnership.

Mayor Bissette said the Asheville Planning and Zoning Commission on March 1, 1989, reviewed and recommended approval of the request of Mr. L. B. Jackson that Ward 4, Sheet 11, Lots 22, 258 and 289, located at 58, 60 and 62 Livingston Street, be rezoned from R-3 Residential District to OI Office Institutional District. A public hearing was held on March 28, 1989, and this ordinance passed on first reading.

Mayor Bissette said this ordinance was previously read on first reading and would not reread in its entirety.

Ken Jackson, representing the Livingston Medical Partnership, requested that Council conduct the second and third reading of the ordinance at today 's meeting.

Upon inquiry of Council, Larry Holt, Deputy Executive Director of the Housing Authority, said the Housing Authority is the current owners of the three of the parcels involved in this project and the Housing Authority is in favor of the rezoning and the process being completed today.

Councilman Frank left the meeting at 5:55 p.m.

On a roll call vote of 7-0, Ordinance No. 1758 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third and final reading of Ordinance No. 1758. This motion was seconded by Councilman Martin and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1758 passed on third and final reading.

Ordinance Book No. 11 Page No. 433

IV. NEW BUSINESS:

A. Ordinance No. 1759 - Ordinance amending Section 28-52 (b) of Chapter 28 of the Code of Ordinances of the City of Asheville prohibiting truck traffic on Farrwood Avenue between Merrimon Avenue and Kimberly Avenue.

Mayor Bissette said this ordinance will include Farrwood Avenue, between Merrimon Avenue and Kimberly Avenue, in the ordinance regulating truck traffic on certain residential streets.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Price moved for the adoption of Ordinance No. 1759. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 7-0, Ordinance No. 1759 passed on first reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the second reading of Ordinance No. 1759. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1759 passed on second reading.

Vice-Mayor Michalove moved to suspend the rules and proceed to the third reading of Ordinance No. 1759. This motion was seconded by Councilman Price and carried unanimously.

On a roll call vote of 7-0, Ordinance No. 1759 passed on third and final reading.

Ordinance Book No. 11 Page No. 434

V. CONSENT:

A. Resolution No. 89-50 - Resolution authorizing the Mayor and City Clerk to execute a municipal agreement with the North Carolina Department of Transportation for the Hominy Creek Bridge Project.

Mayor Bissette said this resolution will authorize the Mayor to execute a Municipal Agreement between the City of Asheville and the N. C. Department of Transportation for the purpose of making improvements to the Hominy Creek Bridge on N. C. 191. The City will be responsible for relocation or adjustment of any municipally-owned utilities, exercise its rights to bring about any relocation or adjustment of franchised, private or publicly-owned utilities, and enforce all traffic operating controls established by the N. C. Department of Transportation.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, Resolution No. 89-50 was unanimously adopted.

Resolution Book No. 17 Page No. 393

VI. OTHER BUSINESS:

CARNIVAL - NEW ASHEVILLE SPEEDWAY - AMBOY ROAD - APRIL 6-15, 1989

Pursuant to the privilege license ordinance, Councilman Martin moved to approve a request of Nova Expositions for a carnival to be located at New Asheville Speedway on Amboy Road for April 6 - 15, 1989. This motion was seconded by Councilman Bratton and carried unanimously.

Robert McCurran, with Nova Expositions, said the hours of operation would be Monday through Friday from 6 p.m. to 11 p.m. and 1 p.m. to 12 p.m. on weekends. He said Nova Expositions would comply with all ordinances of the City of Asheville.

AUDIT SELECTION - ARTHUR YOUNG, GREENVILLE, SOUTH CAROLINA

Councilman York said he and Councilman Martin had been meeting with the City Manager and the Audit and Budget Department reviewing auditing firms. He said the they had reviewed ten auditing firms and is recommending Council's acceptance of the firm of Arthur Young from Greenville, South Carolina for a period of three years.

Councilman York moved to accept the firm of Arthur Young from Greenville, South Carolina as the City of Asheville auditor for a period of three years and that the Mayor be authorized to sign the contract on behalf of the City subject to the City Attorney's review. This motion was seconded by Councilman Martin and carried unanimously.

CLAIMS - RONALD BENNETT (WATER) - KAREN WELLS (SEWER) - SHEILA PENLAND (WATER) - HILLIARD ARROWOOD (SEWER) - JEFFREY JONES (POLICE) - JEREMY WILSON (SEWER) - MARTHA WATKINS (SEWER)

The City Manager presented claims received from Ronald Bennett, Karen Wells, Sheila Penland, Hilliard Arrowood, Jeffrey Jones, Jeremy Wilson, and Martha Watkins.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

REQUEST FOR SIGNS

Councilman Bratton asked the City Manager to look into the feasibility of installing a sign in the parking garage on Rankin Avenue coming onto College Street to turn right.

Upon inquiry of Councilman Price, the City Manager said a request was made of the state to install a lighted sign coming from the Airport onto I-26. He said the state approved the request; however, it is now in the federal process since this is a federal highway.

ROUND TABLE DISCUSSION - DRUG PROBLEMS

Mayor Bissette announced a Round Table Discussion to be held relative to drug problems on April 28, 1989 at the Haywood Park Hotel.

RALPH BISHOP - OBTAINING CITY RECORDS

Ralph Bishop commented on his previous request to obtain records relative to the new parking garages. He asked how the news media received a copy of the records when he was told they would not be available until June, 1989.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:25 p.m.

MAYOR

CITY CLERK

Tuesday - April 11, 1989 - 4:00 P.M.

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF MINUTES - APRIL 4, 1989 MEETING

Mayor Bissette announced the approval of the minutes of the April 4, 1989 meeting as submitted.

APPROVAL OF MINUTES - MARCH 21, 1989 MEETING

Mayor Bissette announced the approval of the minutes of the March 21, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Parkinson Awareness Month" - April, 1989

Mayor Bissette read the proclamation and presented a copy to Mrs. Samuel A. Bingham, President of Asheville Parkinsons Support Group.

B. Proclamation - "Optimist Bike Safety Week" - April 16 - 22, 1989

Mayor Bissette read the proclamation and presented a copy to John Teeter with the Asheville Optimist Club.

C. Proclamation - "Clean Streams Day" - April 15, 1989

D. Proclamation - "Glad Bag-A-Thon" - April 22, 1989

Mayor Bissette read the proclamations and presented them to Janie Wilson, Keep America Beautiful/Clean Community Coordinator with Quality Forward.

E. Proclamation - "Laboratory Week" - April 9 - 15, 1989

Mayor Bissette read the proclamation and presented a copy to Kathy Hill, from the Laboratory Department of the VA Medical Center.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

A. Ordinance amending the Charter of the City of Asheville to provide for nonpartisan elections with two or four year staggered terms.

Mayor Bissette said the North Carolina General Statute sec. 160A-101 provides that any city may change various aspects regarding its form of government, including the manner in which municipal primaries and elections are conducted. Municipal elections in the City of Asheville are currently conducted on a partisan basis and City Council members serve concurrent two year terms. A public hearing was held on this ordinance on April 4, 1989.

Mayor Bissette said members of Council discussed the issue of nonpartisan elections during their pre-council work session and reached a consensus to schedule a referendum on the issue of nonpartisan municipal elections. He said the tentative schedule for this process is as follows:

6/27/89	Adoption of Resolution of Intent
7/11/89	Publication of Notice of Public Hearing (must be at least 10 days before public hearing)

7/25/89	Pubic hearing (must be within 45 days of Resolution of Intent)
8/1/89	First reading of Ordinance (no earlier than next regular meeting after public hearing)
8/8/89	Second reading of Ordinance
8/15/89	Final adoption of ordinance (must be within 60 days after public hearing)
8/15/89	Adoption of Resolution scheduling referendum
8/22/89	Publication of Ordinance (must be within 10 days of adoption)
11/7/89	Referendum (must be within 90 days of adoption of Ordinance)

Herbert Hyde, Chairman of the Buncombe County Democratic Executive Committee, said in 1985 more than 100 members of the Buncombe County Democratic Party adopted a Statement of Principles, one of which stated that partisan political parties are necessary for good government. He said members of Council must have someone to answer to and the only way that can happen is through political government. He said nonpartisan elections would lower the esteem and accountability of government officials.

Shirley Birdie, President of the League of Women Voters, said they did not wish to take a position on the issue of nonpartisan municipal elections; however, they are strongly in favor of a referendum on the issue and the establishment of an educational forum on partisan/nonpartisan elections.

John Fobes said he was in favor of a referendum on the issue of nonpartisan elections and felt that more public discussion on the subject is needed.

Ralph Bishop said the City of Asheville needs honest people on Council and in government.

Vice-Mayor Michalove moved to postpone action on the issue of nonpartisan elections until June 27, 1989. This motion was seconded by Councilman York and carried unanimously.

IV. NEW BUSINESS:

A. Resolution No. 89-51 - Resolution endorsing the recommendations of the NC Highway Study Commission.

Mayor Bissette said this resolution was requested by the US 23/I-26 Corridor Association. The resolution will be presented, as part of a total Western North Carolina effort, to the Governor, the Secretaries of Transportation and Commerce and key legislators on April 12, 1989 in Raleigh.

Upon inquiry of Councilman Price, Mr. Burroughs from the Land-of-Sky Regional Council, outlined a portion of the recommendations of the NC Highway Study Commission. He said a complete list of the recommendations could be furnished to members of Council.

Councilman Frank commented that the proposed Highway Bill will increase Powell Bill funds by one-third and funds will be made available for unpaved secondary roads.

Upon motion of Councilman Frank, seconded by Councilman Martin, Resolution No. 89-51 was unanimously adopted.

Resolution Book No. 17 Page No. 394

V. CONSENT:

A. Bids for one truck mounted asphalt patching machine for Public Works Department, Street Division

SUMMARY: Recommendation for award of Bid Request No. 347-89 for one "Pro-Patch" model TCM 415-160 Asphalt Patching Machine mounted on a 1989 "GMC" model C7D042 Cab and Chassis with options as specified to the low bidder, H. D. Industries, Inc., Jacksonville, Texas, in the amount of $57,509.08.

B. Resolution No. 89-52 - Resolution endorsing the restated bylaws of the Economic Development Partnership of Asheville-Buncombe Area, Inc.

SUMMARY: The Chairman of the Economic Development Partnership has recommended that Council endorse the recommended revised bylaws. The only change is in the membership terms. Rather than July to June, the terms as proposed will run January to December. This allows the membership of the partnership to be reflective of November elections. It also allows continuity when proposing budgetary expenditures to each of the agencies. The recommendation come to Council with unanimous endorsement, after having been proposed by the partnership's legal advisor, Jack Stevens.

Resolution Book No. 17 Page No. 395

C. Resolution No. 89-53 - Resolution authorizing submission of an application to the Governor's Crime Commission for funding under the Victims Assistance Program.

SUMMARY: The grant will provide funding for the Housing Authority of the City of Asheville to administer a preventive victims assistance program. The program is designed to reduce crime in public housing through education and awareness programs for potential victims of crime.

Resolution Book No. 17 Page No. 396-397

Councilman Price said she would like to be assured that the funds from the Governor's Crime Commission for the Victims Assistance Program are going to be used for the victims of crime rather than just for personnel.

Marvin Vierra, Community Development Director, said it is his understanding that the funds were to be used mainly for educational purposes; however, David Jones, Executive Director of the Housing Authority could present members of Council with more information about the funds and there proposed use.

Councilman Bratton said there are strict federal guidelines that have to be met in receiving these grant funds.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

CLAIMS - BILLY HAGAN (WATER)

The City Manager presented a claim received from Billy Hagan.

Mayor Bissette referred the claim to the City Attorney for investigation and recommendation.

REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Carol Albrice, from the Planning Department, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on April 5, 1989.

KENNETH HAIR APARTMENTS OFF EDGEWOOD ROAD

Mrs. Albrice said the Asheville Planning and Zoning Commission on April 5, 1989, reviewed and approved the site plan of Kenneth Hair Apartments off Edgewood Road subject to the City sewer easement being shown on the site plan and compliance with the Erosion Control Ordinance. She said the project will consist of four two-story units. She said no public comments were received during the meeting.

Council accepted the recommendation of the Planning and Zoning Commission relative to the Kenneth Hair Apartments off Edgewood Road.

COUNTRY TOWNES OF HAW CREEK, PHASE II - WATERS ROAD

Mrs. Albrice said the Asheville Planning and Zoning Commission on April 5, 1989, reviewed and approved the site plan of Country Townes of Haw Creek, Phase II - Waters Road subject to buffering of development to comply with 1985 site plan and ordinance as approved by the Planning Director and compliance with the Erosion Control Ordinance. She said the project will consist of twenty-two residential duplexes. She said no public comments were received during the meeting.

Council accepted the recommendation of the Planning and Zoning Commission relative to the site plan for the Country Townes of Haw Creek - Phase II on Waters Road.

(3) LaPIER DEVELOPMENT - - PEARSON BRIDGE ROAD

Mrs. Albrice said the Asheville Planning and Zoning Commission on April 5, 1989, reviewed and approved the site plan of the LaPier Development on Pearson Bridge Road subject to the site being reduced to .99 acres as shown on the plan; buffer planted across east, north and south property lines; legal access being maintained from Pearson Bridge Road to LaPier Court; parking lot tree requirement being satisfied; and compliance with the Erosion Control Ordinance. She said the project will consist of five residential duplexes. She said no public comments were received during the meeting.

Council accepted the recommendation of the Planning and Zoning Commission relative to the site plan for the LaPier Development on Pearson Bridge Road.

COUNCILMAN BRATTON - REQUEST FROM RESIDENTS OF RECTOR STREET TO OPEN STREET

Councilman Bratton said she had received a petition from the residents of Rector Street requesting that the street be opened.

Mayor Bissette referred the petition to the City Manager for investigation and recommendation.

LITTER - COMMENTS BY COUNCILMAN PRICE

Councilman Price expressed thanks and appreciation to Assistant City Manager Charles Penny for his efforts in eliminating many of the litter problems this spring. She said even though the City of Asheville still has litter the City's appearance has improved this spring. She asked that these efforts be continued.

ANNOUNCEMENT OF BUDGET WORK SESSION BY COUNCIL

The City Manager announced that members of Council will be having a budget work session on Thursday, April 13, 1989 in the Asheville Area Chamber of Commerce Board Room beginning at 1:00 p.m.

RALPH BISHOP - OBTAINING CITY RECORDS

Ralph Bishop again spoke to Council relative to obtaining city documents relative to the new parking garages.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:20 p.m.

MAYOR

CITY CLERK

Tuesday - April 18, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF MINUTES - APRIL 11, 1989

Mayor Bissette announced the approval of the minutes of the April 11, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Asheville-Buncombe Community Christian Ministry Day" - April 23, 1989

Mayor Bissette read the proclamation and presented a copy to Scott Rogers with the Asheville-Buncombe Community Christian Ministry.

B. Proclamation - "Asheville Riverfront Design Week" - April 26 - 29, 1989

Mayor Bissette read the proclamation and presented a copy to Karen Cragnolin, with the Riverfront Planning Committee. Ms. Cragnolin spoke about the events that would be taking place during Riverfront Design Week.

II. PUBLIC HEARINGS:

A. Public hearing relative to annexation of an area known as the Woods Edge Apartments Area.

B. Public hearing relative to annexation of an area known as the Skyland II Area.

SUMMARY: Pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1989, the City of Asheville identified the Skyland II area and the Woods Edge Apartments Area as being under consideration for annexation. A report of the plans for extending services to these territories will be available for public inspection in the City Clerk's Office. Legible maps of the areas to be annexed and a list of persons holding freehold interest in property in the areas will be posted in the City Clerk's Office. On February 28, 1989, the City Council adopted Resolution Nos. 89-29 and 89-28 stating the intent of the City of Asheville to consider the annexation of Woods Edge and Skyland II and fixing the date of the public hearing.

Mayor Bissette opened the public hearings simultaneously at 4:23 p.m.

The City Clerk presented the notices to the public setting the time and date for the public hearing.

Patty Tallerday, with the Planning Department, outlined the boundaries proposed for annexation. She highlighted the plans for extending the services into the Woods Edge Apartments area and the Skyland II area.

Frank Mathis, Long Shoals Road, expressed concern about police protection and police response time. He cited a recent incident where it took city police 55 minutes to respond to a rear-end collision last month in the Skyland area and wanted to know that this type of service will improve.

Mayor Bissette told Mr. Mathis that the City Manager would look into that incident and that such response time is unacceptable.

Mrs. Frank Mathis, Long Shoals Road, requested information about maintenance of roads in the area, installation of sidewalks particularly near the schools, enforcement of speed limits, and the possibility of getting the speed limits reduced.

Mayor Bissette addressed Mrs. Mathis' concerns stating that many of the roads in the area are state maintained roads but the City works very close with the N. C. Department of Transportation and can make recommendations to the department.

Clifford Bletcher, Glenn Bridge Road, asked that the City help to have the speed limit controlled on Glenn Bridge Road. He also expressed concern that Carolina Power and Light Company rates will increase if the company has to pay higher taxes after their property is annexed.

Lynnwood Jackson, owner of a 22 unit apartment complex on Glenn Bridge Road said his major concern would be the speed limits in the area, sidewalks and street lights.

Bob Long, Long Shoals Road, said he was concerned about city police response time.

H.D. Smith, Edgewood Road Extension, asked about properties that would be taken in beyond Woods Edge Apartments.

Mayor Bissette said the City has to annex for more reasons than ad valorem taxes. He said the state shared revenues are based on assessed valuations or population and those revenues increase with annexations. He said properties are annexed under a strict procedure set forth by the North Carolina General Assembly.

A resident of 68 Ducker Road asked if the City would be paving dirt roads after the annexation.

Ann Carson, Beale Road, said annexation of their properties would not help the residents in the area.

Ralph Bishop spoke about enforcing the laws in the City and annexed areas.

Emily Smoat, Spring Hill Circle, expressed concern that Carolina Power and Light Company rates will increase if the company has to pay higher taxes. She said the city should get one area that they annex straightened out before trying to annex more property.

Frank Diamond, Hunters Trace Condominiums, asked if the City would be taking over maintenance of the roads in the condominium project. He was informed that the roads can be accepted by the City for maintenance if they are up to city standards and the residents petition to have the roads dedicated and the residents are willing to give the city dedicated rights-of-way.

Robert Hopefield, 53 Hunters Trace, asked about bus service to their area. He said the residents want full city services if they are going to be annexed. He was told that there would be no changes to school districts. He was also told that the city would take over maintenance of the street lights in the complex.

James Meece, 63 Rockwood Road, asked what percentage his taxes would increase after annexation. He also asked if he could still target practice on his property after it is annexed. He also asked if an on/off ramp to the interstate would be possible. He said residents on fixed incomes could not afford a new tax and the Council should put the annexation to a vote of the people.

Mr. Meece was informed about the percentage of taxes, and was told the discharge of firearms in the city is not allowed and that the ramp to the interstate would have to be addressed by the state.

Homer Smith, of Ducker Road, also spoke in opposition to the annexation.

R. D. Wexler, owner of propert in the area, asked general questions about annex on such as city bus service, car stickers, and s the people are being denied their constitutional ght not to vote on this issue.

Clark Lisenbee, asked ab zoning areas and whether they will match the exi ng county zones. He was informed that the zon g would match as closely as possible. He was also informed that the city would not pick up garbage dumpsters.

Jerry Chandler, Vice-President of Haywood Crossing Condominiums, asked if the city would take over their sewerage lift station. He was informed that the City would take over the station if it can be intergrated into the city system.

Francis Biggs, of Long Shoals Road, expressed concern that industries in the area may lay off employees or deny them raises in an effort to absorb the extra tax.

R. D. Whiterspoon also spoke in opposition to the annexation.

Mayor Bissette closed the public hearing at 6:21 p.m. and informed the audience that the first reading of the ordinances to annex the properties would be considered at the May 2, 1989 meeting.

SCHEDULING OF PUBLIC HEARING - TRAPPER'S RUN SUBDIVISION - HAW CREEK

Vice-Mayor Michalove moved to schedule a public hearing relative to Trapper's Run Subdivision in Haw Creek for May 2, 1989. This motion was seconded by Councilman Price and carried unanimously.

III. OLD BUSINESS:

IV. NEW BUSINESS:

V. CONSENT:

VI. OTHER BUSINESS:

COUNCIL MEETING OF APRIL 25, 1989 - EAST ASHEVILLE COMMUNITY CENTER

Mayor Bissette announced that the Council meeting scheduled for April 25, 1989 will be held in the East Asheville Community Center.

COMMENTS RELATIVE TO WATER BOND ISSUE

Margaret Mears appeared before Council and asked if the wording on the Water Bond issue ballot could be changed to reflect the French Broad River as a water source. The City Attorney said it was too late to change the wording that if the wording was changed the entire process would have to start over.

Ms. Mears asked if the Water Master Plan adopted by the Water Authority, the City, and the County could be altered as far as the French Broad River is concerned.

Councilman Price said the chances of the Water Master Plan being changed is not very good and the alternatives for water sources are not viable at this time.

Mayor Bissette suggested that Ms. Mears also express her concerns to the Asheville-Buncombe Water Authority.

Brian Peterson, 11 Highland, referring to the $40,000 fund set aside for Water Bond referendum, asked if any of these funds could be used by the opponents of the Water Bonds. He said if the funds are from tax sources that the opponents should be entitled to share the funds.

Mayor Bissette explained that the $40,000 fund, contributions from industry and private individuals, was a private fund with no city funds involved, and that it was unlikely that the opponents could use the funds.

Upon inquiry of Councilman Price, the City Attorney said the Asheville-Buncombe Water Authority, under certain guidelines, may have the authority to issue water bonds.

CLAIMS - RONNIE RIDDLE (STREETS) - JACK SIMONDS (SEWER)

The City Manager presented claims received from Ronnie Riddle and Jack Simonds.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:50 p.m.

MAYOR

CITY CLERK

Tuesday - April 25, 1989 - 4:00 P.M.

Community Meeting held at East Asheville Community Center

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Acting Corporation Counsel Patsy Brison; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Corporation Counsel William F. Slawter (attending to other City business)

INVOCATION

The invocation was given by Councilman York.

APPROVAL OF MINUTES - APRIL 18, 1989

Mayor Bissette announced the approval of the minutes of the April 18, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Child Abuse Awareness Month" - April, 1989

Mayor Bissette read the proclamation and presented a copy to Bob Clark and Jan Schmidt with the Western North Carolina Regional Child Abuse Center.

II. PUBLIC HEARINGS:

III. OLD BUSINESS:

IV. NEW BUSINESS:

A. Sign permit for freestanding identification sign for Asheville Mitsubishi Auto Dealership at 2 Kenilworth Knoll.

Mayor Bissette said pursuant to the Zoning Ordinance this sign permit requires approval of Council since the sign will be situated closer than 600' from a limited access highway.

Julia Cogburn, Planning Director, said a request has been received from Asheville Mitsubishi Auto Dealership for a sign permit to erect a 10' x 8' freestanding identification sign 36'8" in height. She said this permit includes the removal of an existing "Asheville Autohouse" sign and meets the requirements of the Sign Ordinance for the Commercial Highway zone.

Jerry Hobbs, President of Asheville Mitsubishi said the new sign would be an improvement over the existing sign. He said the 36'8" sign is a standard Mitsubishi sign.

Vice-Mayor Michalove moved for the approval of the sign permit for a freestanding identification sign for Asheville Mitsubishi Auto Dealership at 2 Kenilworth Knoll. This motion was seconded by Councilman Bratton and carried unanimously.

B. **Report on the Streets and Sidewalks Improvement Program.**

Jim Ewing, Director of Public Works, presented a status report on projects completed, scheduled and underway in the Street and Sidewalk Bond Program. He said the first contracts for work under the Bond Program were for sidewalk and/or curb replacement. He said beginning this summer, the contracts will revert to mostly street improvements, with only a few sidewalks being replaced.

He said four contracts for major reconstruction of streets will begin in the spring of 1989 which will include Beverly Road between U.S. 70 and New Haw Creek Road. He said work should begin shortly after July 1, 1989.

At the request of the Mayor, Mr. Ewing informed the audience about a recent study conducted by a consultant using infra red sensors to evaluate the condition of all the streets in the City. He said all the street were ranked according to condition. He said those streets receiving a ranking of 60-40 will be rehabilitated since their sub base has not been destroyed. He said streets with a ranking of 40 will be reconstructed. He said this would be a on going program in the Public Works Department.

Upon inquiry of Doyle Freeman of 93 Ambler Road, Mr. Ewing said the section of Beverly Road from Tunnel Road to N.C. 81 is not included in the contract for major reconstruction; the pot holes on Beverly Road would be fixed next week; and the Traffic Engineer would investigate the speed limits on Beverly Road.

Mr. Ewing said the Department of Public Works now has special equipment to repair pot holes in the streets.

V. CONSENT:

A. Resolution No. 89-54 - Resolution directing the City Clerk to investigate a petition received under G.S. 160A-58.1 to annex a noncontiguous area on U. S. 19-23 known as Pawn World Gun Supply.

SUMMARY: The City of Asheville has received a petition from Mr. DeWayne Roberson requesting annexation of a noncontiguous area known as Pawn World Gun Supply on Highway 19-23.

Resolution Book No. 17 Page No. 398

B. Resolution No. 89-55 - Resolution authorizing the Mayor to execute a lease with the Federal Aviation Administration.

SUMMARY: The current lease with the Federal Aviation Administration for the field office adjacent to the Airport has expired and the City and the FAA desire to enter into a new lease agreement for a period of one year.

Resolution Book No. 17 Page No. 399

C. Sale of Disposal Parcel 107 of East End/Valley Street and Disposal Parcel 178A of East Riverside.

SUMMARY: The Housing Authority has tentatively accepted bids from Ms. Peggy Dillingham for Disposal Parcel 107 of East End/Valley Street and from Mr. & Mrs. Roosevelt Wallace for Disposal Parcel 178A of East Riverside. Both Ms. Dillingham and the Wallaces plan to build single family homes with the assistance of WNC Habitat for Humanity. The lots will be purchased under the Incentive Housing Program ($1.00 lot). Ms. Dillingham's home will contain 4 bedrooms while the Wallace's will have 3 bedrooms.

D. Scheduling of public hearing relative to rezoning property for Mr. Ramsey for May 9, 1989.

SUMMARY: The Asheville Planning and Zoning Commission on April 5, 1989, reviewed and recommended approval of rezoning a portion of Lot 86, Sheet 17, Ward 6, from R-3 Residential District to CH Commercial Highway District.

E. Scheduling of public hearing relative to designating Albemarle Park as a historic district for May 9, 1989.

SUMMARY: The Asheville Planning and Zoning Commission on April 5, 1989 reviewed the request of the Albemarle Park-Manor Grounds Association, through the Historic Resources Commission, that their area be designated a local historic district. The Commission voted to recommend approval of the designation and to exclude the property on Charlotte Street south of the Gatehouse zoned CG Commercial General.

F. Scheduling of public hearing relative to rezoning property for Mr. Redmon for May 16, 1989.

SUMMARY: The Asheville Planning and Zoning Commission on April 5, 1989 reviewed and recommended approval of rezoning Lot 19, Sheet 6, Ward 6, from R-3 Residential District to CS Commercial Service District.

G Scheduling of public hearing relative to an ordinance regulating the operating or maintenance of automobile graveyards and junkyards in the zoning jurisdiction of the City of Asheville for May 16, 1989.

SUMMARY: The Asheville Planning and Zoning Commission on April 5, 1989 reviewed and recommended adoption of an ordinance for the operation or maintenance of automobile graveyards and junkyards in the zoning jurisdiction of the City of Asheville.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

Resolution No. 89-56 - Resolution authorizing the Mayor to execute an application and related documents for a grant from the North Carolina Department of Crime Control and Public Safety through the Governor's Crime Commission for the Western North Carolina Regional Child Abuse Center

Mayor Bissette read the resolution and stated that this a pass through grant and the City would have no responsibility for providing matching funds.

Upon motion of Councilman Price, seconded by Councilman Frank, Resolution No. 89-56 was unanimously adopted.

LETTER REGARDING FRENCH BROAD RIVERFRONT PLANNING COMMITTEE

Mayor Bissette read the following letter to be presented during the public hearings regarding the French Broad Riverfront:

April 25, 1989

Mr. Peter Batchelor, AIA/AICP
Director, NCAIA Urban Design Assistance Team
4233 West Rowan Street
Raleigh, North Carolina 27609

Ms. Karen Cragnolin, Executive Director
French Broad Riverfront Planning Committee
7 Cedarcliff Road
Asheville, North Carolina 28803

Dear Mr. Batchelor and Mrs. Cragnolin:

The Asheville City Council is honored that Asheville's urban riverfront is the focus of this week's planning charette in conjunction with the AIA/ASLA design team. The French Broad River is one of our area's greatest natural resources and one which has been neglected too long. Our riverfront needs the attention of professionals like you and the qualified design team which you have assembled to guide and augment our community's ideas and dreams for a revitalized riverfront.

Throughout the 2010 Asheville City Plan process, citizens spoke favorably of a redesign of the French Broad Riverfront incorporating mix-use development and a coordinated network of open spaces to protect the City's flood prone areas. We are pleased to learn of this continued broadbased citizen participation over the last eighteen months combining property owner surveys, numerous public hearings and public contests. This week's public hearings and Saturday's public presentation, to be held in conjunction with the planning process, continues to offer all citizens an opportunity to develop a plan for the urban riverfront. We wish you and all the participants of the planning process every measure of success.

The implementation of any comprehensive plan for the urban riverfront will need both public and private investment. As evidence of this City Council's anticipated involvement in the urban riverfront, we have included in our 5 year Capital Improvement Plan significant funding for river park and greenway developments.

We know the planning and development process is just beginning and will continue for many years. By working together with property owners, developers and recreation enthusiasts, we can produce a riverfront design surpassing its celebrated past. Thank you again for your time and efforts on behalf of our Community.

BARBARA MELTON - PRESIDENT OF HAW CREEK HOMEOWNER'S ASSOCIATION

Barbara Melton, President of Haw Creek Homeowner's Association, questioned when a new zoning ordinance would be in place.

Julia Cogburn, Director of Planning, said a new zoning ordinance is still several years away and that if the Haw Creek Homeowner's Association feels they need to present a proposal for tighter restrictions in the R-3 Residential District zone they should go ahead and present their proposal to the Planning and Zoning Commission.

Upon inquiry of Ms. Melton, Jim Ewing, Director of Public Works, said the intersection of Beverly Road and Haw Creek Road would be completely revamped.

WALTER KALES - HAW CREEK - COMMENTS REGARDING SPEED LIMITS AND DEVELOPMENTS

Walter Kales commented on the speed limits not being enforced from Tunnel Road to 74 East and requested that the speed limits be reduced.

Mayor Bissette informed Mr. Kales that this road is a state system road but Council would talk with the NCDOT about the speed limits in the area.

Upon inquiry of Mr. Kales, Mayor Bissette said the City has no control over developers beginning projects then declaring bankruptcy. He said the private marketplace should take care of these financial conditions.

DOYLE FREEMAN - CLOISTER PROJECT ON FAIRWAY DRIVE

Doyle Freeman asked whether or not the Cloister Condominium Project on Fairway Drive is conforming to the buffering requirements imposed on the development during the approval process.

Julia Cogburn, Director of Planning, said the Cloister Condominium Project is required to be in compliance by November, 1989. She said the project is inspected on a regular basis.

RALPH BISHOP - POLICE DEPARTMENT - LOTTERY SALES

Ralph Bishop again spoke to Council about the Asheville Police Department and the lottery sales in the City.

PROCESS FOR SELECTION OF POLICE CHIEF

At the request of the Mayor, the City Manager explained the process he would be using for the selection of a Police Chief for Asheville. He said this would be a very involved process. He said the administrative staff has been talking with employees in the Police Department as to what attributes they think Asheville needs in a Police Chief. He said they would be meeting with about forty community leaders involving a broad spectrum of the community on what attributes they feel Asheville needs in a Police Chief.

He said he would be using the Assessment Center system in selecting the chief. He said this system is a very intense process and would determine the strengths and weaknesses of a candidate. He said selected applicants will be required to go through a three-day assessment process.

He said the City has received about 120 applications and the deadline for submitting applications is two weeks away. He said the selection process should be completed by July 1, 1989.

Jerry Hobbs, President of Asheville Mitsubishi Auto Dealership, said he has dealt with the Police Department on several occasions regarding major vandalism and was not satisfied with the manner in which these incidents were handled. He said the Police Department should have some concern for the businesses in Asheville.

Mayor Bissette asked the City Manager to look into Mr. Hobbs' concerns.

CLAIMS - EVELYN CRAFT (WATER) - JAMES BOONE (STREETS) - CLINT GORMAN (SANTIATION) - RONALD BUTLER (SEWER)- JIMMY COLE (WATER)

The City Manager presented claims received from Evelyn Craft, James Boone, Clint Gorman, Ronald Butler, and Jimmy Cole.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:20 p.m.

MAYOR

CITY CLERK

((1))

Tuesday - May 2, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Price

INVOCATION

The invocation was given by Councilman Martin.

APPROVAL OF MINUTES - APRIL 25, 1989

Mayor Bissette announced the approval of the minutes of the April 25, 1989 meeting with minor corrections.

I. PROCLAMATIONS:

A. Proclamation - "Respect for Law Week" - May 1 - 7, 1989

Mayor Bissette read the proclamation and presented a copy to John Teeter with the Asheville Optimist Club. The Asheville Optimist Club annually sponsors "Respect for Law Week".

B. Presentation by Western North Carolina Development Association.

Patricia O. Brinkley, President of the Western North Carolina Development Association, Inc., read a resolution adopted by the Western North Carolina Development Association, Inc. Board of Directors expressing their sincerest appreciation to the City of Asheville for providing them office space for 40 years at a nominal fee. She said the City Hall Building Renovation necessitated that the Western North Carolina Development Association vacate the space it has occupied for 40 years.

II. PUBLIC HEARINGS:

A. Public hearing relative to final subdivision plat of Trapper's Run (submitted as Haw Creek Subdivision).

Mayor Bissette said the Asheville Planning and Zoning Commission on May 25, 1988, reviewed and approved the preliminary subdivision plat of Trapper's Run (submitted as Haw Creek Subdivision), subject to the following contingencies:
1) Compliance with the County's Erosion Control Ordinance;
2) Compliance with the County's Flood Plain Ordinance;
3) Variances by Board of Adjustment on front lot width for lots where required; and
4) 35' building setback line on Lots 1 and 34 along Haw Creek Road and 17-1/2' building setback line on corner lots 16, 26, 27 and 7.

These contingencies have been complied with and the final plat is submitted for your approval.

Mayor Bissette opened the public hearing at 4:30 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Tom Elmore, with the Planning Department, presented the final plat stating that the developer has resolved all the contingencies outlined by the Planning and Zoning Commission. He said the plat received reviews from city departments and the Public Works Department is concerned about the infrastructure not being completed to city standards before being annexed and accepted by the City.

Ron Brondyke, Attorney representing the developer, spoke in support of the final plat for Trapper's Run.

Mayor Bissette closed the public hearing at 4:34 p.m.

A discussion was held relative to the construction of streets in the subdivision. The developer, Lee Norwood, said the streets were being constructed to state standards.

After further discussion, Vice-Mayor Michalove moved to approve the final subdivision plat of Trapper's Run (submitted as Haw Creek Subdivision) as recommended by the Planning and Zoning Commission. This motion was seconded by Councilman York and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1760 - Ordinance relative to annexation of an area known as the Woods Edge Apartments Area.

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Woods Edge Apartments area as being under consideration for annexation. A public hearing was held on this proposed annexation on April 18, 1989

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1760. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0. Ordinance No. 1760 passed on first reading.

B. Ordinance No. 1761 - An ordinance relative to annexation of an area known as the Skyland II Area.

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Skyland II area as being under consideration for annexation. A public hearing was held on this proposed annexation on April 18, 1989.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1760. This motion was seconded by Councilman Martin.

On a roll call vote of 6-0, Ordinance No. 1760 passed on first reading.

IV. NEW BUSINESS:

A. **Resolution adopting Minority and Women Business Procurement Plan.**

Mayor Bissette said the Minority and Women Business Procurement Plan states the Policy of the City with regard to providing equal opportunity for minority and women owned business enterprises (M/WBE) in all aspects of City contracting and purchasing programs. The plan also includes goals for M/WBE participation in overall City contracting and procurement and describes responsibilities of the City and contractors to enhance efforts to meet the goals.

Mayor Bissette said members of Council have been requested to postpone action on this matter for two (2) weeks giving several groups an opportunity to review the proposed plan and to prepare their comments for Council.

Joe Webster, with the Asheville Chapter of the NAACP, said he would make his comments on the plan when Council considers the issue in two weeks. He said he felt the goals in the plan are too low and expressed concern that the plan is for only 1988-89.

Marilyn , encouraged Council to adopt the plan. She said a letter has been received from the National NAACP office relative to the proposed plan. She said this action may encourage women and blacks to bid on providing government services.

Ralph Bishop requested a copy of the proposed resolution and plan. (The City Manager furnished Mr. Bishop with a copy of the resolution and plan).

V. CONSENT:

A. Bids for two truck mounted aerial devices/bucket trucks for Parks, Recreation and Public Facilities Department and Public Works Department.

SUMMARY: Bid Item "A" - One (1) truck mounted aerial device/bucket truck for Parks, Recreation and Public Facilities Department Tree Crew. - Award to: Map Enterprises, Inc., Burlington, N. C., lowest bidder meeting bid specifications, in the amount of $67,332.00 for a "Holan" model 819-50-3 Aerial Device mounted on a 1989 "Chevrolet" model C7D042 Cab and Chassis.

Bid Item "B" - One (1) truck mounted Aerial Device/Bucket Truck for Public Works Department, Traffic Engineering Division. Award to: Map Enterprises, Inc., Burlington, N. C., low bidder, in the amount of $35,869.00 for an "Armlift" Model A36H Aerial Device mounted on a 1989 "Ford" model F-600 Cab and Chassis.

B. Sale of Disposal Parcel 137 of East End/Valley Street Community Improvement Program.

SUMMARY: The Housing Authority has tentatively accepted a bid from Larry Donahue for Disposal Parcel 137 of the East End/Valley Street Community Improvement Program. Mr. Donahue owns the adjacent property and plans to use the lot, which is too small to build on, to provide access to his rear yard for off street parking. The minimum price on Parcel 137 is $61.00. Mr. Donahue's bid is $61.00. The area of the lot is 610 square feet.

Upon motion of Councilman Frank, seconded by Councilman York, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

COMMENTS BY MEMBERS OF COUNCIL - RECTOR STREET - CRESCENT STREET

Upon inquiry of Councilman Bratton, the City Manager said the City staff is looking into the requests of the residents on Rector Street to have the street reopened.

The City Manager said he would also look into the request of the residents on Crescent Street to having the street made one-way since the street is extremely narrow. Mayor Bissette said he understands the residents are circulating a petition to have the street a one-way.

The City Manager asked members of Council to mark their calendars for Sunday, May 21, 1989 at 3:00 p.m. in the Council Chambers for a surprise ceremony.

RENDALL DAVIS - STATEMENT RELATIVE TO WATER BOND ISSUE

Rendall Davis read a prepared statement opposing the upcoming water bond issue. He said he had joined the Coalition for Safe Drinking Water in opposing the use of the French Broad River as a water resource.

CLAIMS - CLAUDE TAYLOR (SEWER) - JOE SIMPSON (SEWER) - G. S. KING (WATER/STREETS) - SHANDY NEWELL (WATER)

The City Manager presented claims received from Claude Taylor, Joe Simpson, G. S. King, and Shandy Newell.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

LAWSUIT - HARRY BRUMMER

The City Manager said the city was served with a lawsuit on April 26, 1989 involving Harry Brummer (improper denial of building and zoning permit).

Mayor Bissette referred the lawsuit to the City Attorney for investigation and recommendation.

RALPH BISHOP - SELECTION OF NEW POLICE CHIEF

Ralph Bishop made comments about the Asheville Police Department and the selection of the new Police Chief.

VII. ADJOURNMENT.

Mayor Bissette adjourned the Council meeting at 5:25 p.m.

MAYOR

CITY CLERK

Tuesday - May 9, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Deputy City Clerk Carol Hensley.

Absent: Associate City Manager/City Clerk William F. Wolcott, Jr.

INVOCATION

The invocation was given by Councilman Price.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of the minutes of the May 2, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - May 15 - 19, 1989 - "Law Enforcement Officers Week" and May 15, 1989 as "Peace Officers Memorial Day"

Mayor Bissette read the proclamation and presented a copy to Captain R. L. Carver with the Asheville Police Department.

B. Proclamation - May 9, 1989 - "Parks and Recreation Volunteer Recognition Day"

Mayor Bissette read the proclamation and presented a copy to Ray Kisiah, Director of Parks, Recreation and Public Facilities Department.

Mr. Kisiah recognized Dr. and Mrs. Lowell Orbison of the Asheville Tree/Greenway Commission as the "Outstanding Volunteer" for his effort in conducting a comprehensive survey of all trees within the City of Asheville from the curb line of the street to the front of each house.

II. PUBLIC HEARINGS:

A. Public hearing relative to an ordinance amending Article 13 of Chapter 30 of the Code of Ordinance of the City of Asheville to create the Albemarle Park Historic District.

Ordinance No. 1762 - An Ordinance amending Article 13 of Chapter 30 of the Code of Ordinances of the City of Asheville to create the Albemarle Park Historic District.

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989 reviewed the request of the Albemarle Park-Manor Grounds Association, through the Historic Resources Commission, that their area be designated a local historic district. The Commission voted to recommend approval of the designation and to exclude the property on Charlotte Street south of the Gatehouse zoned CG Commercial General.

Mayor Bissette opened the public hearing at 4:25 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Mayor Bissette said since the notice to the public contained only properties in Albemarle Park and not the six (6) properties on Charlotte Street, that the Commission recommended not be included in the Historic District, Council could not at today's meeting include the six (6) properties in the ordinance for inclusion in the Historic District.

Doug Swaim, Director of the Historic Resources Commission, gave a detailed historical background of Albemarle Park. He also presented slides of the area in consideration. He said there are 63 structures in Albemarle Park, 45 from the historical period. He said 71% of the structures were built before 1917.

Mr. Swaim said the procedural process involved in getting a favorable historic district designation was followed. He said the Planning and Zoning Commission recommended that the structures affronting on Charlotte Street south of the Gateway be excluded from the Albemarle Park Historic District. He said six (6) letters have been received in support of the district and one (1) against. He said a protest petition was also filed by R. L. Bailey, owner of property facing Charlotte Street. He said no objections have been received for the designation of the Albemarle Park excluding the six (6) properties affronting Charlotte Street.

Rich Matthews, of 12 The Circle in the Manor Grounds, speaking as President of the Albemarle Park-Manor Grounds Homeowners Association, spoke in favor of the historic district designation. He requested that the original boundaries of the Park, which included the property affronting Charlotte Street, be included in the designation. He said the residents in the area do not object to the commercial establishments and design guidelines could be drawn up to enhance the area both for the residents and the commercial businesses. He said the guidelines would not be detrimental to the businesses.

The following individuals spoke in support of the Albemarle Park Historic District and to include the six (6) properties affronting on Charlotte Street:

Frank Edwin - owner of property in Albemarle Park
Bernice Wolfe - Orchard Road
Lucille Barkley - Chipmunk Cottage
Jane Matthews - 12 The Circle
Carl Marvin - Itldo Cottage
Kate Matthews - Holly Hawk
Rob Pallin - Galax Cottage
Debra Bennett - Fox Hall - Cherokee Cottage - Fox Den
Tish Nelson
Jean Warner - President of Preservation Society and for
Max Haner - for Coalition of Neighborhoods
Mark Bennett - Fox Hall - Cherokee Cottage - Fox Den
Resident of Pine Tree Cottage
Resident of Alva Glen Cottage
Dr. Lowell Orbison - resident of North Asheville
Alan Shaw - Brownberry Cottage
Fred Warner - Raven's Nest
Renea Warner - Raven's Nest
June Grant - local relator

The following individuals spoke against inclusion of the six (6) properties affronting on Charlotte Street in the Albemarle Park Historic District. The reasons for not wanting the properties included in the district were the opposition to some level of control by the government and land use zoning of the area:

Jim Daniels - Owner of property affronting Charlotte
R. L. Bailey - Owner of property affronting Charlotte
John Powell, Attorney representing R. L. Bailey
Elizabeth Graham - 247 Charlotte Street
Ron Bailey - 247 Charlotte Street

Mike Moser, Chairman of the Planning and Zoning Commission, reiterated the positive recommendation of the Planning and Zoning Commission for the Albemarle Park Historic District and the recommendation to exclude the six (6) properties affronting on Charlotte Street. He said the vote of the Commission was 4-2.

Councilman Bratton said the residents and the owners of the six (6) properties affronting on Charlotte Street should have been involved with the Historic Resources Commission process in obtaining this designation in an effort to decrease the tension among the individuals.

Upon inquiry of Councilman Price, Mr. Swaim said there are no direct economic tax benefits for individuals in the historic district.

Mayor Bissette closed the public hearing at 6:25 p.m.

Mayor Bissette said copies of the ordinance were previously furnished to members of Council and the ordinance would not be read in its entirety.

Councilman York moved for the adoption of Ordinance No. 1762. This motion was seconded by Councilman Bratton.

On a roll call vote of 7-0, Ordinance No. 1762 passed on first reading.

Councilman Price moved that the six (6) properties affronting on Charlotte Street that were recommended by the Planning and Zoning Commission to be excluded from the Albemarle Park Historic District be remanded to the Planning and Zoning Commission for further consideration and that the property owners of the six (6) parcels be included in the preparation of the design guidelines for the Albemarle Park Historic District. This motion was seconded by Councilman Frank and carried unanimously.

B. **Public hearing relative to rezoning property at 371 North Louisiana Avenue from R-3 Residential District to CH Commercial Highway District for Mr. Emmett Ramsey.**

Ordinance No. 1763 - An Ordinance amending the Zoning Ordinance and Zoning Map to rezone a portion of a lot located on North Louisiana Avenue

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989, reviewed and recommended approval of rezoning a portion of Lot 86, Sheet 17, Ward 6, from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette opened the public hearing at 6:30 p.m.

The Deputy City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Don Sherrill, from the Planning Department, presented the requested rezoning and Planning and Zoning Commission's recommendation. He said there was no opposition to the rezoning request.

Mr. Emmett Ramsey, petitioner, spoke in support of the rezoning.

Mayor Bissette closed the public hearing at 6:42 p.m.

Mayor Bissette said copies of the ordinance were previously furnished to members of Council and the ordinance would not be read in its entirety.

Councilman Martin moved for the adoption of Ordinance No. 1763. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1763 passed on first reading.

III. OLD BUSINESS:

A. Ordinance No. 1760 - Second reading of an ordinance relative to annexation of an area known as the Woods Edge Apartments Area.

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Woods Edge Apartments area as being under consideration for annexation. This ordinance passed on first reading on May 2, 1989.

Councilman Price left the meeting at 6:45 p.m., unexcused, to attend another meeting.

Mayor Bissette said the ordinance was previously read on first reading and would not be read in its entirety.

On a roll call vote of 7-0, Ordinance No. 1760 passed on second reading.

B. Ordinance No. 1761 - Second reading of an ordinance relative to annexation of an area known as the Skyland II Area.

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Skyland II area as being under consideration for annexation. This ordinance was read on first reading on May 2, 1989.

Mayor Bissette said the ordinance was previously read on first reading and would not be read in its entirety.

Mrs. Flora Madison of Long Shoals Road spoke in opposition to the annexation.

On a roll call vote of 7-0, Ordinance No. 1761 passed on second reading.

IV. NEW BUSINESS:

A. Ordinance No. 1764 - Ordinance amending Ordinance No. 1690 known as "An Ordinance for the levy and collection of business license taxes."

Mayor Bissette said North Carolina General Statutes, Chapter 105, Section 53 addresses Peddlers, Itinerant Merchants, and flea market operators. Ordinance No. 1690 in its present form does not define these classes, or is vague in its description. The revision is consistent with North Carolina General Statutes. The ordinance also reaffirms the rates outlined in the ordinance.

The City Manager said Ordinance No. 1690 changed the Revenue Ordinance to reflect fees based on actual retail sales rather than fees on a categorical basis. He said the fees were to be phased in for a two (2) year period. He said this ordinance would reaffirm that change and a full rate of 50 cents per thousand would be included this year. He said this is a more equitable method of collecting the revenue for business license.

Vice-Mayor Michalove expressed concern about adopting the ordinance without the input from businesses. He said he felt businesses should have been informed that this matter would be on the agenda with enough notice that they could respond if they so desired.

Councilman York moved for the adoption of Ordinance No. 1764. This motion was seconded by Councilman Frank.

On a roll call vote of 7-0, Ordinance No. 1764 passed on first reading.

V. CONSENT:

A. Resolution No. 89-57 - Resolution approving signatories for checks or drafts on official city depositories.

SUMMARY: This resolution will bring the City of Asheville in compliance with North Carolina General Statute 159-25.

B. Scheduling public hearing relative to Community Development Objectives for FY 90 for May 23, 1989.

SUMMARY: This action will authorize submission of CDBG entitlement application for 1989-90.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Martin, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

SIGN PERMIT - 45 CHARLOTTE STREET - AMOCO

Julia Cogburn, Planning Director, presented a sign permit request for a sign package for 45 Charlotte Street Amoco. She said the sign package requires approval of Council pursuant to the Zoning Ordinance in that the sign will be situated closer than 600' from the right-of-way of a limited access highway.

She said the sign package consist of: (1) 35' x 4'3/4" single faced canopy sign facing on Arlington Street; (2) 35' x 4'3/4" single faced canopy sign, to face I-240 - Total square footage for both canopy signs 177 square feet. The owner will install one (1) 47.58' x 2.5' wall sign replacement for a total of 118.95 square feet. Total square footage of proposed sign package is 296 square feet. Total square footage of existing signage is 96 square feet. Total square footage of proposed and existing signage is 392 square feet.

Councilman Bratton moved for the approval of the sign package for 45 Charlotte Street. This motion was seconded by Vice-Mayor Michalove and carried unanimously.

CLAIMS - JOHN KLEDIS (SEWER)

The City Manager presented a claim received from John Kledis.

Mayor Bissette referred the claim to the City Attorney for investigation and recommendation.

LAWSUIT - DIXIE CONSTRUCTORS INC. V. CITY OF ASHEVILLE

The City Manager said the city was served with a lawsuit on May 4, 1989 involving Dixie Constructors, Inc. v. City of Asheville, et al. (Claim for balance due on contract and alleged delay damages.)

Mayor Bissette referred the lawsuit to the City Attorney for investigation and recommendation.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 7:05 p.m.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Mayor Bissette.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of the minutes of the May 9, 1989 meeting.

I. PROCLAMATIONS:

A. Resolution No. 89-58 - Resolution in support of Women in Fire Suppression.

Mayor Bissette read the resolution and presented a copy to Asheville Firefighter III Peggy Roberts.

II. PUBLIC HEARINGS:

A. Public hearing relative to rezoning property at 43 Oakley Place, petition of Darrell Redmond by Carla Taylor, Agent.

Ordinance No. 1765 - Ordinance amending Ordinance No. 322, known as "An Ordinance Providing for the Zoning of the City of Asheville," as amended, petition of Darrell Redmond by Carla Taylor, Agent, 43 Oakley Place.

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989 reviewed and recommended approval of rezoning Lot 19, Sheet 6, Ward 6, from R-3 Residential District to CS Commercial Service District.

Mayor Bissette opened the public hearing at 4:27 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Carol Albrice, from the Planning Department, reviewed the rezoning request. She said the lot is vacant and the rezoning is in accordance with the 2010 comprehensive plan. She reviewed the surrounding zoning of the property. She said a 5' buffering would be required to adjacent residential property. She said the Public Works Department recommends the closing of Oakley Place which is currently a right of way that is not maintained. She said no opposition was received relative to the rezoning.

Mayor Bissette closed the public hearing at 4:34 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Martin moved for the adoption of Ordinance No. 1765. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1765 passed on first reading.

B. Public hearing relative to an ordinance regulating the operating or maintenance of automobile graveyards and junkyards in the zoning jurisdiction of the City of Asheville.

Ordinance No. 1766 - An ordinance regulating the operating or maintenance of automobile graveyards and junkyards in the Zoning Jurisdiction of the City of Asheville.

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989 reviewed and recommended adoption of the ordinance.

Mayor Bissette opened the public hearing at 4:35 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Verl Emrick, from the Planning Department, presented the proposed ordinance to regulate automobile junkyards. He said notices of the hearing were given to property owners and operators by certified mail. He said the ordinance is mirrored the County ordinance adopted in 1983. He said principal landscaping requirements are in keeping with the landscaping ordinance adopted in

1988. He said property owners and operators would be given twelve (12) months to comply with the ordinance. He said in his opinion ninety (90%) percent of the businesses can comply with ordinance with very little difficulty.

Upon inquiry of Councilman Price, Mr. Emrick said variances to specific sections of the ordinance can be obtained through the Board of Adjustment.

Mayor Bissette closed the public hearing at 4:54 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1766. This motion was seconded by Councilman Price.

On a roll call vote of 7-0, Ordinance No. 1766 passed on first reading.

III. OLD BUSINESS:

A. Ordinance No. 1762 - Second reading of an ordinance amending Article 13 of Chapter 30 of the Code of Ordinance of the City of Asheville to create the Albemarle Park Historic District.

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989 reviewed the request of the Albemarle Park-Manor Grounds Association, through the Historic Resources Commission, that their area be designated a local historic district. The Commission voted to recommend approval of the designation and to exclude the property on Charlotte Street south of the Gatehouse zoned CG Commercial General.

Mayor Bissette said after further discussions relative to the designation of Albemarle Park Historic District, it has been recommended that action on the second reading of the ordinance be postponed for three (3) weeks.

Mayor Bissette said after consulting with the City Attorney, the City Council had three options: 1) proceed with second reading of ordinance; 2) remand entire district to Planning and Zoning Commission; or 3) postpone second reading until Planning and Zoning Commission reviews the six (6) additional properties. He said the City Attorney has advised that Council proceed with the third alternative.

Jean Warner and Rich Matthews requested that Council rescind the first reading of the ordinance and remand the entire district to Planning and Zoning Commission. They said they felt this action would avoid delays in getting the area designated.

Councilman York moved to postpone the second reading of the ordinance for three (3) weeks. This motion was seconded by Councilman Frank and carried unanimously.

B. Ordinance No. 1763 - Second reading of an ordinance rezoning property at 371 North Louisiana Avenue from R-3 Residential District to CH Commercial Highway District for Mr. Emmett Ramsey.

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989, reviewed and recommended approval of rezoning a portion of Lot 86, Sheet 17, Ward 6, from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette said the ordinance was previously read on first reading and would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1763 passed on second reading.

C. Resolution No. 89-59 - Resolution amending the report of plans for extension of city services into the Woods Edge Apartments Area proposed for annexation.

Mayor Bissette said N. C. Gen. Stat. 160A-49(e) authorizes the municipal government to amend the report required by N. C. Gen. Stat. 160A-47 to make changes in the plans for serving the area proposed for annexation.

D. Resolution No. 89-60 - Resolution amending the report of plans for extension of city services into the Skyland II Area proposed for annexation.

Mayor Bissette said N. C. Gen. Stat. 160A-49(e) authorizes the municipal government to amend the report required by N. C. Gen. Stat. 160A-47 to make changes in the plans for serving the area proposed for annexation.

Patty Fallerday, from the Planning Department, reviewed the major amendments to the plan.

Mayor Bissette said members of Council were previously furnished with copies of the resolution

and amended plan and it would not be read in its entirety.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 89-60 was unanimously adopted.

Resolution Book No. 17 Page No. 404

E. Ordinance No. 1760 - Third reading of an ordinance relative to annexation of an area known as the Woods Edge Apartments Area.

Mayor Bissette said pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Woods Edge Apartments area as being under consideration for annexation.

Mayor Bissette said the ordinance was previously read on first and second readings and would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1760 passed on third and final reading.

Ordinance Book No. 11 Page No. 435-437

A. W. Wexler, appearing on behalf of residents in the Woods Edge and Skyland II areas, presented a petition in opposition to the annexation of the Woods Edge and Skyland II areas. He said the petition contained approximately 300 signatures. He also requested the Council consider a 120 day delay in annexing these properties in order for the Buncombe County Commissioners to present the City with a proposal concerning this issue. He said the Commissioners are in the process of preparing this proposal.

Mayor Bissette said the Buncombe County Commissioners have not formally advised members of Council of a proposal relative to annexation and to his knowlege the Commissioners have not considered such a proposal. He said in order for the City of Asheville to grow on a reasonable basis the City must annex properties. He reminded Mr. Wexler that the City of Asheville operates under the same laws as any other city in North Carolina regarding annexation.

The City Attorney reminded members of Council that the annexation ordinance must be finally adopted today in order for the annexations to take effect June 30, 1989.

Jerry Chandler, Vice-President of Haywood Crossings Condominiums, spoke in opposition to the annexations. He said the residents are prepared to take legal action against the annexations.

At the request of the Mayor, Patty Tallerday said the area is being qualified for annexation through the density of lots rather than population.

At the request of Mr. Wexler, Mayor Bissette entertained a motion to delay the final action on the annexations for 120 days.

No motion was received to delay action on the annexations for 120 days.

Several members of Council expressed concern that citizens are aware of proposals by the County to the City prior to City Council members being informed of such proposals.

At the request of the Mayor, Patty Tallerday said consideration of these annexations began two years ago and formal proceedings began on February 28, 1989 with the adoption of the resolutions of intent to annex, adoption of the plans for services on March 14, 1989, and the public hearing on April 18, 1989. She said property owners were officially notified of these proposed annexations four weeks before the public hearing and the notice of the public hearing was advertised in the paper two weeks before the public hearing.

Several unidentified individuals from the proposed annexation areas spoke in opposition to the annexations.

Ralph Bishop commented that Council did not notify the residents of the proposed annexations.

F. Ordinance No. 1761 - Third reading of an ordinance relative to annexation of an area known as the Skyland II Area.

Mayor Bissette said Pursuant to Part 3 of Article 4A of Chapter 160A of the N. C. General Statutes, the City of Asheville has examined certain areas to determine if they qualify for annexation. By Resolution No. 87-99, adopted June 2, 1987, the City of Asheville identified the Skyland II area as being under consideration for annexation.

Mayor Bissette said the ordinance was previously read on first and second readings and would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1761 passed on third and final reading.

Ordinance Book No. 11 Page No. 438-440

G. Ordinance No. 1764 - Second reading of an ordinance amending Ordinance No. 1690 known as "An Ordinance for the levy and collection of business license taxes."

Mayor Bissette said North Carolina General Statutes, Chapter 105, Section 53 addresses Peddlers, Itinerant Merchants, and flea market operators. Ordinance No. 1690 in its present form does not define these classes, or is vague in its description. The revision is consistent with North Carolina General Statutes. The ordinance also reaffirms the rates outlined in the ordinance.

The City Manager said the Chamber of Commerce and the Council of Independent Business Owners were notified of the proposed ordinance and no adverse comments have been received. He presented members of Council with an example of the impact of the ordinance on different businesses.

On a roll call vote of 7-0, Ordinance No. 1764 passed on second reading.

H. Resolution adopting Minority and Women Business Procurement Plan.

Mayor Bissette said the Minority and Women Business Procurement Plan states the Policy of the City with regard to providing equal opportunity for minority and women owned business enterprises (M/WBE) in all aspects of City contracting and purchasing programs. The plan also includes goals for M/WBE participation in overall City contracting and procurement and describes responsibilities of the City and contractors to enhance efforts to meet the goals.

Mayor Bissette said after further discussions relative to the plan it has been recommended that the matter be remanded to the City's Minority and Women Enterprise (MEE/WEE) Advisory Committee for further study.

IV. NEW BUSINESS:

A. Approval of City of Asheville Classification and Pay Plan

The City Manager introduced John Maxwell, Vice-President of Municipal Advisors, Inc. who presented the new Classification and Pay Plan for City of Asheville employees.

Mr. Maxwell said the study received substantial employee involvement throughout the entire process. He said job description forms were completed, employee interviews were held and a salary survey was taken of other cities and the private sector.

Mr. Maxwell said it would be their recommendation to have 41 pay grades with a 5% difference between the grades; a 46% range between minimum and maximum; and the implementation of a longevity plan in order to conform competively. He also recommended a cost of living increase for employees. He said this plan would benefit longer term employees. He also suggested that the pay plan be updated yearly and a cost of living increase considered annually. He said cost of living increases and merit pay increases should be considered separately.

The City Manager presented members of Council with a plan to implement the recommendations presented by Municipal Advisors, Inc. He said the comprehensive package would include a merit plan and implementation of longevity. He said it would provide a combination of cost-of-living adjustment (COLA) and phasing individual employees into assigned pay range based on time in the classification; COLA applied to 6/30/89 base rate; assurance that all emplyees will make at least the minimum of the assigned pay range, effective 7/1/89; assurance that all full-time employees with a year or more in the classification will make at least a fixed percentage beyond the new minimum rate; 4% COLA; time in class assurance for at least 1-3-5-7 (or more) years (2.5%-5%-10%-20%). He said the steps would be to: 1) Apply COLA to employees 6/30/89 base pay; 2) Apply new minimum to employee's adjusted 6/30/89 base pay; 3) Apply time in class consideration to new minimum:

Years of Service	% Above Minimum
1 - 3	2.5%
3 - 5	5%
5 - 7	10%
7+	20%

Mayor Bissette said in his opinion this plan will meet the goals of the City of Asheville and he looked forward to implementation of the plan.

Ralph Bishop asked what the cost would be to implement the play and the cost to the taxpayers.

Council[illegible] moved to approve the Classification and Pay [illegible] as outlined by John Maxwell and the City Manager. This motion was seconded by Councilman Frank and carried unanimously.

Resolution No. 89-61 - Resolution authorizing the Vice-Mayor of the City of Asheville to execute a release and abandonment of easement for a water line easement located across the property of Centennial American Properties, Ltd.

At the request of Mayor Bissette, Councilman Price moved to excuse Mayor Bissette from participation and vote on Resolution No. 89-61 due to a conflict of interest. This motion was seconded by Councilman Martin and carried unanimously.

Councilman Price said this water line easement was for the 24" water main along Haw Creek behind K-Mart on South Tunnel Road. The water main was abandoned upon completion of the I-240 Tunnel Road Project which included re-routing of the 24" main down South Tunnel Road. The easement is no longer needed.

Upon motion of Councilman Martin, seconded by Councilman York, Resolution No. 89-61 was unanimously adopted.

Resolution Book No. 17 Page No. 405

V. CONSENT:

A. Resolution No. 89-62 - Resolution amending Resolution No. 88-120 appointing members to the City of Asheville Police Officers and Firefighters Disability Review Board.

SUMMARY: Resolution No. 88-120 appointed specifically Mayor W. Louis Bissette, Jr., to the Disability Review Board. The Vice-Mayor has been attending those meetings in place of the Mayor. It is, therefore, necessary to change the language of the appointment in the resolution. This resolution appoints the Mayor or the Vice-Mayor or the designee of either to be the appointment of the Asheville City Council to the City of Asheville Police Officers and Firefighters Disability Review Board.

Resolution Book No. 17 Page No. 406

C. Certification by the City Clerk as to the sufficiency of a petition to annex property located on U. S. 19-23

D. Resolution No. 89-63 - Resolution fixing date of public hearing on question of annexation of property located on U. S. 19-23 pursuant to N. C. Gen. Stat. Sec. 160A-58.2.

SUMMARY: The City of Asheville has received a petition from Mr. DeWayne Roberson requesting annexation of a noncontiguous area known as

Pawn World Gun Supply on Highway 19-23. The City Clerk has investigated the petition and has certified that it is sufficient.

Resolution Book No. 17 Page No. 407

E. Scheduling of public hearing relative to rezoning property on Buckstone Court at I-240 for June 6, 1989.

SUMMARY: The Asheville Planning and Zoning Commission on May 3, 1989, reviewed and recommended approval of rezoning Ward 8, Sheet 11, Lots 35-1/2 and 53 from R-3 Residential District to CH Commercial Highway District.

F. Scheduling of public hearing relative to amendment to sign package, Oakley Plaza Shopping Center Group Development for June 6, 1989.

SUMMARY: The Asheville Planning and Zoning Commission on May 3, 1989 reviewed the request of Crawford Sign Company to amend the sign package of Oakley Plaza Shopping Center to permit the Mandarin Plaza Chinese Restaurant to have a sign either 72 square feet, 40.25 square feet or 31.25 square feet. The Commission voted to recommend that the request be denied and that signage of 30 square feet be permitted in accordance with the original signage approval of 1 square foot of attached wall signage per linear foot of building frontage.

G. Scheduling of public hearing relative to amendment to sign package, Westgate Shopping Center Group Development for June 6, 1989.

SUMMARY: The Asheville Planning and Zoning Commission on May 3, 1989 reviewed the request of the Property Manager of Westgate Shopping Center to amend the sign package to permit the Spa Health Club to have a sign 31 square feet. The Commission voted to recommend that the request be denied and that signage of 25 square feet be permitted in accordance with the original approval which stipulated signage to conform with the Zoning Ordinance.

Upon motion of Councilman Martin, seconded by Councilman York, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

CLAIMS - TERRI PETTIS (POLICE) - TIM BECK (WATER) - OPAL LEE HILL (SEWER) - TED PEAY (SEWER) - DALE NEAL (SANITATION) - JOHN MILLER (SEWER)

The City Manager presented claims received from Terri Pettis, Tim Beck, Opal Lee Hill, Ted Peay, Dale Neal, and John Miller.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

LAWSUIT - ELMER O. BELLES V. CITY OF ASHEVILLE (SEWER BACK UP)

The City Manager said the city was served with a small claims action on May 11, 1989 involving Elmer O. Belles v. City of Asheville relative to a sewer back up.

Mayor Bissette referred the claim to the City Attorney for investigation and recommendation.

RALPH BISHOP - SELECTION OF NEW POLICE CHIEF

Ralph Bishop again made comments to members of Council relative to the selection of the new Police Chief.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 7:05 p.m.

MAYOR

William F. Wolcott
CITY CLERK

Tuesday - May 23, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: None

INVOCATION

The invocation was given by Vice Mayor Michalove.

MINUTES

Mayor Bissette announced the approval of the minutes of the Mayor 16, 1989 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. PUBLIC HEARING RELATIVE TO COMMUNITY DEVELOPMENT OBJECTIVES FOR FY 90

RESOLUTION NO. 89-64 - RESOLUTION AUTHORIZING SUBMISSION OF A FINAL STATEMENT OF COMMUNITY DEVELOPMENT OBJECTIVES AND PROJECTED USE OF FUNDS TO THE DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR COMMUNITY DEVELOPMENT BLOCK GRANT ENTITLEMENT FUNDS FOR 1989-90

Mayor Bissette said at the conclusion of today's public hearing, the City Council will adopt a resolution which will authorize submission of CDBG entitlement application for 1989-90. funding will be used as follows:

Hill/Cherry St. area (Head of Montford) Impvt.	558,000
Neighborhood Housing Services Loan Pool	100,000
City-wide Housing Rehabilitation	100,000
Provision of sites for low income single-family housing	66,500
A-B Community Relations Council (Fair Housing & Equal Opportunity)	14,500
M/WBE Procurements and contracting	16,000
Community Development Administration	123,000
Comprehensive Planning	50,000
Contingency	9,000
Total Budget	1,037,000

Mayor Bissette opened the public hearing at 4:15 P.M.

The City Clerk presented the notice to the public and the affidavit of publication.

Marvin Vierra, Director of Community Development, this year's application for CDBG funds is a four percent increase over the current year. He said City staff had been meeting with the Montford Advisory Commission since mid April, and that a public hearing had been held at the Montford Community Center on May 1st.

Mr. Vierra said two new projects have been included in this year's application - the provision of sites for low income single-family housing and the M/WBE Procurements and contracting. He said the site program will provide 10 sites to the Habitat for Humanity over a 2-year period upon which to build homes that would sell for approximately $30,000. He said should the City Council decide not pursue the Minority Procurement Program, the funding will be put into contingency and will not be used.

Mr. Vierra answered questions from the Mayor and Council Members relative to other projects to be included in the Community Development Program for Fiscal Year 1990.

Cindy Weeks of the Mountain Housing Opportunity, Inc., 41 Montford Avenue, spoke in support of the application for CDBG funds. She said Mountain Housing Opportunity had been in operation since August 1, 1988, and over this period had completed 14 rehabilitation projects at a cost of $289 each. She said all projects had been undertaken using volunteer labor, and that most improvements had consisted of plumbing, electrical or roof repairs. She said the cost of the repairs were not high, but that the need was great. She said they had received very much support from the Housing Authority in the use of the Emergency Assistance Program and also in locating an office for the corporation on Montford Avenue.

Mr. Scott Dedman, Communicator Educator with the Pisgah Legal Services, thanked the City Council and Community Development staff for placing a renewed emphasis on housing improvements for low-income people. He said he understood that $66,500 in this year's program has been appropriated for building sites to be used by Habitat for Humanity for 10 single-family homes. He said the people who buy these homes will have their first chance of coming out of poverty and owning a home.

Mr. Dedman said the $320,000 designated for housing rehabilitation and the $100,000 for Neighborhood Housing Services, to develop a neighborhood-based loan pool in Montford, are programs badly needed and should benefit low-income homeowners and tenants.

Mr. Dedman said much good is being done through our Community Development dollars, but that more needs to be done. He said we should see a much greater percentage of the Community Development dollars benefit low-income people and very low-income people - those whose incomes fall below 50% of the median income or about $11,000 for a 2-person household. He said he would not belittle the needs of moderate-income families, those earning $20,000 to $25,000, but feels we should make the funds and programs available for those who need the assistance most.

Mr. Dedman said improvements need to be made in the Dollar-A-Lot Program to ensure that the funds do not go to those not eligible as was found when HUD checked in the program in 1986 and found that 22 of the 23 participating households were not low or moderate income. In addition, he said it is very difficult for low-income homeowners to get help from the Housing Rehabilitation Program due to the red tape involved. He said the red tape alone would make the repairs on many of the homes. Also, he said lower income families cannot afford a second loan to make up the difference between the money available under the rehab program and the cost of repairs; therefore, more of these funds are going to moderate-income families while the poor are losing the roof off their heads. However, he commended the Housing Authority for proposing a new emergency rehab grant program to assist the low-income homeowners in repairing severe problems such as leaking roofs and broken furnaces.

Lastly, Mr. Dedman said we must have a much stronger enforcement of the Housing Code for rental properties. He said enforcement has improved, but that we still need substantial changes in the code and enforcement. He said rental properties should be inspected regularly and not just when the tenants or the community complains.

Councilman Bratton requested that Mr. Dedman provide the Council with a recommendation of things the Council can do they could help to eliminate the red tape.

Peter Mencuso addressed the Council on the need for more shelters for the homeless. Mr. Mencuso said that he was homeless and that this problem is greater than people think it is. He said the homeless feel separated from the community. He said low-income housing is very important and is needed to better the community as a whole.

Dick Jackson said he is also homeless and handicapped. He said since he is living on a fixed income, it is hard to find housing in his income range.

Mayor Bissette said there does appear to be a real need for transitional housing and giving support while people are getting back on their feet. He said he hopes this is something the City of Asheville will be able to help with.

Councilman Price said we need to be aware of and address the problems of the homeless.

Mayor Bissette closed the public hearing at 4:45 P.M.

Mayor Bissette said that copies of this resolution were previously distributed to members of Council and will not be read in its entirety.

Councilman Frank moved for the adoption of Resolution No. 89-64. This motion was seconded by Councilman Bratton and carried unanimously.

Resolution Book No. 17, Page 408 and 409

III. OLD BUSINESS:

A. ORDINANCE NO. 1765 - AN ORDINANCE RELATIVE TO REZONING PROPERTY LOCATED AT 43 OAKLEY PLACE, PETITION OF DARRELL REDMOND BY CARLA TAYLOR, AGENT

Mayor Bissette said the Asheville Plannning and Zoning Commission on April 5, 1989 reviewed and recommended approval of rezoning Lot 19, Sheet 6, Ward 6 from R-3 Residential District to CS Commercial Service District. A public hearing was held and this ordinance passed on first reading on May 16, 1989.

Mayor Bissette said this ordinance was previously read and will not be reread in its entirety unless there is a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1765 passed on second reading.

B. ORDINANCE NO. 1766 - AN ORDINANCE RELATIVE TO REGULATING THE OPERATING OR MAINTENANCE OF AUTOMOBILE GRAVEYARDS AND JUNKYARDS IN THE ZONING JURISDICTION OF THE CITY OF ASHEVILLE

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989 reviewed and recommended adoption of the ordinance. A public hearing was held and this ordinance passed on first reading on May 16, 1989.

Mayor Bissette said this ordinance was previously read and will not be reread in its entirety unless there is a specific request to do so.

Verl Emrick of the Planning Department requested that Council amend the ordinance by adding the following phrase after the word "vehicles" in the fifth line of the definition of Junkyard:

"boats, mobile homes, or trailers or parts thereof,"

Councilman Price moved to amend the ordinance as requested by Mr. Emrick. This motion was seconded by Councilman Martin and carried unanimously.

Mack H. Jones of Mack Used Auto Parts & Trust Parts at 1191 Sweeten Creek Road, addressed City Council about the necessity for the ordinance. He said he thought most, if not all, the junkyards in Asheville have fences around their property in Asheville, as well as making other beautification efforts. He pointed out to Council that they should consider the positive contribution junkyard dealers make to the City by providing a service to pick up junkcars. Otherwise, he said, junkcars would be everywhere. In addition, he said junkcar dealers save valuable space in the landfill. Mr. Jones said he had also participated last summer in a cooperative training effort where he donated 30 crushed junkcars to the Fire Department for use in a training program on removing wreck victims.

Mr. Jones said he believed most of the complaints being received are about junkcars at service stations and backyards. He said he objects to the ordinance, not because of the ordinance itself, but because he doesn't like government telling him what he can and cannot do with his property.

Mayor Bissette thanked Mr. Jones for his comments and also his contributions to the City of Asheville. However, he said, because some people may not have the same concerns expressed by Mr. Jones, there is a need for some type of minimal regulations.

On a roll call vote of 7-0, Ordinance No. 1766 passed on second reading, as amended.

C. ORDINANCE NO. 1763 - AN ORDINANCE REZONING PROPERTY AT 371 NORTH LOUISIANA AVENUE FROM R-3 RESIDENTIAL DISTRICT TO CH COMMERCIAL HIGHWAY DISTRICT FOR MR. EMMETT RAMSEY

Mayor Bissette said the Asheville and Planning Zoning Commission on April 5, 1989 reviewed and recommended approval of rezoning a portion of Lot 86, Sheet 17, Ward 6 from R-3 Residential District to CH Commercial Highway District.

Mayor Bissette said this ordinance was previously read and will not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1763 passed on third and final reading.

Ordinance Book No. 11, Page 445

D. ORDINANCE NO. 1764 - AN ORDINANCE AMENDING ORDINANCE NO. 1690 KNOWN AS "AN ORDINANCE FOR THE LEVY AND COLLECTION OF BUSINESS LICENSE TAXES"

Mayor Bissette said the North Carolina General Statutes, Chapter 105, Section 53 addresses Peddlers, Itinerant Merchants, and flea market operators. Ordinance No. 1690 in its present form does not define these classes, or is vague in its description. The revision is consistent with North Carolina General Statutes. The ordinance also reaffirms the rates outlined in the ordinance.

Mayor Bissette said this ordinance was previously read and will not be reread in its entirety unless there was a specific request to do so.

On a roll call vote of 7-0, Ordinance No. 1764 passed on third and final reading.

Ordinance Book No. 11, Page 446-448

IV. NEW BUSINESS:

A. PRESENTATION OF THE CITY OF ASHEVILLE BUDGET FOR FISCAL YEAR 1989/1990 - SCHEDULING PUBLIC HEARING

City Manager Doug Bean said the Budget for Fiscal Year 1989/90 is a balanced budget totalling $55,473,000. He said the 1989/90 budget reflects a recommended tax increase of two-cents ($.02) per $100 valuation, which would make an effective tax rate of $.70 per $100 valuation. However, he said, even with a $.70 tax rate, the City of Asheville will have one of the lowest effective taxes rates in the State for any city over 50,000 in population.

Mr. Bean thanked the Council for their time and input in the preparation of the budget and also thanked the Budget Director Bob Wurst and his staff - Vicki Hiedinger and Debbie Wilson for their long hours of work in putting the budget together.

The City Manager summarized the following budget letter addressed to the Mayor and Members of City Council:

May 23, 1989

The Honorable Mayor and
Members of City Council
City of Asheville
Post Office Box 7148
Asheville, North Carolina 28802

Dear Mayor and Members of City Council:

In accordance with the North Carolina Local Government Budget and Fiscal Control Act, the recommended budget for Fiscal Year 1989-90 is presented for your consideration. This budget contains adequate revenues to meet expenditures while continuing all existing city services for the coming year. The following statistical summary shows the proposed budget for each fund along with a comparison of the budget for Fiscal Year 1988-89:

	Actual 1987/88	Budget 1988/89	Estimated 1988/89	Recommend 1989/9
GENERAL FUND	$29,983,373	$34,154,756	$33,797,548	$37,199,900
ENTERPRISE FUNDS:				
Parking Services	313,447	1,153,768	1,169,451	1,195,700
Civic Center	1,100,732	1,523,636	1,464,244	1,532,600
Festival Fund	0	0	0	670,400
Water Fund	13,317,935	13,131,650	13,325,116	14,538,200
Wastewater Maintenance	1,347,644	1,524,091	1,577,244	1,575,000
INTERNAL SERVICE FUNDS:				
Data Processing	869,675	958,374	988,507	1,043,500
Print Shop	178,275	197,819	195,203	212,200
Engineering	565,529	659,100	635,311	623,300
Motor Transport	1,848,343	1,989,842	1,956,059	2,020,500
Purchasing/Warehousing	447,971	465,002	495,182	491,700
LESS: INTERFUND TRANSFERS	-4,184,652	-4,423,000	-4,544,301	-5,630,000
TOTAL ALL FUNDS	$45,788,272	$51,335,038	$51,059,564	$55,473,000

NOTE 1: WATER OPERATING FUND BUDGET IS PRESENTED SEPARATELY
NOTE 2: SIGNIFICANT INTERFUND CHARGES ARE ELIMINATED

Not included in the statistical summary are the ongoing capital funds, which include the General Capital Reserve Fund, Street and Sidewalk Improvement Fund, Downtown Development Fund, Community Development Fund, and other ongoing capital project funds. Each of these funds have revenues which were appropriated to the capital item when the project was authorized. These funds do not need to be reappropriated on an annual basis.

FISCAL YEAR	BUDGETED 1987/88	ESTIMATED 1987/88	RECOMMENDED 1988/89
GENERAL CAPITAL RESERVE FUND	$ 6,949,594	$ 4,503,094	$ 6,872,700
STREET/SIDEWALK IMPROVEMENT FUND	6,211,190	7,203,461	6,120,500
COMMUNITY DEVELOPMENT FUND	933,345	940,000	844,300
WASTEWATER MASTER PLAN	1,813,710	2,554,559	2,999,400
TOTAL	$15,907,839	$15,201,114	$16,836,900

Also, you will note in the statistical summary that Internal Service Funds are listed for illustrative purposes only. These activities provide a service to other departments and the actual expense is budgeted within the appropriate departmental or divisional budget. We have subtracted from the budget summary the amount of funding for those services which are reflected in operating budgets.

The statistical summary indicates a 8.1% total budget increase and a proposed tax increase of $.02 per $100 of valuation. A number of items out of our control have created this situation. The loss of significant revenues from Buncombe County's law enforcement reimbursement and the pending litigation involving the West annexation have had a dramatic effect on the revenue forecast for the coming year. The implementation of a new pay plan, the continued subsidy of the parking garages, a significant increase in tipping fees and increased service levels to meet community expectations are the major factors contributing to the increase in the operating budget. These items will be discussed in more detail later in this budget message.

GOAL SETTING

The primary objective in preparing this budget was to develop a plan of services to meet the City of Asheville Mission Statement "...to provide for the professional delivery of public services, while being good stewards of public resources, in order to enhance the quality of life in Asheville and Western North Carolina." A special emphasis was placed on providing for the achievement of the City Council's "Strategic Plan" which was adopted in February of 1989. These goals and objectives along with the "2010 Asheville City Plan", provide the city-wide directive for

the Management By Objectives system. With the City Council setting city-wide goals and objectives and with the city budget being the instrument that allocates resources, we hope that objectives can be met on both an organizational and individual basis. The goal setting process is an integral and essential element in budget preparation. The 1989-1990 Budget reflects a number of service enhancements that are directly attributable to the City Council's goal-setting process.

BUDGET PROCESS

Throughout the budget process, an emphasis was placed on maintaining the current level of services while at the same time improving the quality of operations. Budgets were prepared at existing service levels and any "service enhancements" were presented separately. The review of the base budget and the service enhancements began earlier this year in anticipation of what we expected to be a difficult budget process. Departmental budgets were reviewed in detail by the Audit and Budget staff prior to my review with each department head. The City Council's work sessions provided excellent direction to the city staff in preparing a budget that meets your policy objectives. Throughout the budget process, we have continued to strive to improve the utilization of our existing resources in order to meet the increasing demand for city services.

BUDGET FORMAT

All funds listed in the statistical summary, along with capital project funds, are accounted for on a self-supporting basis. Specifically earmarked revenues and user charges have been established to more appropriately relate revenues to expenditures. General government services are primarily funded from state and local revenue sources. Civic Center, water, sewer, festival and parking user fees are the primary revenue source for those enterprise funds, while earmarked state and local tax revenues provide for the capital funds. In addition, services provided by one fund to another fund are accounted for on a cost recovery basis so that the true cost of operations can be reflected in the appropriate budget.

GENERAL FUND

The General Fund for 1989/90 reflects an increase of 8.9% over the 1988/89 budget. This increase may seem rather large; however, when adjustments are made for the new pay package, service enhancements, the additional cost of tipping fees, and the subsidy for the parking garages, the actual base budget has increased only 3.3%. This very modest increase in the base budget reflects a concerted effort on the part of departments to find more and better ways to meet the increased demand for services while controlling expenditures.

Revenues: The major revenue source in the General Fund is the Ad Valorem Tax. The 1989/90 budget reflects a recommended tax increase of $.02 per $100 valuation in order to meet required expenditures. The last tax increase for general operations was the two cent tax increase that was reflected in the 1986/87 budget. Even with a $.70 tax rate, the City of Asheville will have one of the lowest effective tax rates in the state for any city over 50,000 in population. The last reevaluation in Buncombe County was in 1982 and we are scheduled for a new reevaluation in the 1990/91 budget. Property assessment is, therefore, considerably behind market rates. When adjustments are made for market rates, the city's effective tax rate continues to be extremely low in comparison to other cities.

The projected Ad Valorem Tax of $13,888,600 is based on a 95% collection rate and an assessed value of $2,002,209,415. Despite the repeal of the Inventory Tax, this reflects a 3.5% increase in total valuation. Not reflected in the Ad Valorem Tax revenue is the anticipated increase from annexations that are currently in litigation. Most of the operating costs for the West annexation have already been absorbed in the annual budget even though revenues in excess of $500,000 cannot be realized until there is a final disposition of this case.

We continue to be concerned with the estimated 95% collection rate for Ad Valorem taxes. Each percent that is collected yields $140,155. A 96% rate was projected for 1989/90 and this reduction can be reflected as a direct revenue loss in the 1989/90 budget.

The second largest revenue source in the General Fund comes from the Local Option Sales Tax. It is estimated that this revenue source will increase by 14% in 1989/90. The Local Option Sales Tax is distributed based on tax levy and not on point of sale. Even though the majority of sales tax is actually collected within the City of Asheville, the City's contribution is based on the relationship of its tax levy to the County's tax levy, and any time the County tax rate goes up, the City's amount of sales tax distribution is reduced. At the present time, the City receives one cent unrestricted sales tax. There are two additional authorizations of one-half cent sales taxes, with each having a restriction that 40% of the funds have to be used for water and sewer purposes for a period of 5 years. One of the one-half cent sales taxes will have its restriction removed as of June 30, 1989, and we have budgeted $531,200 additional revenue in the General Fund from this unrestricted sales tax. In prior years, these funds were accumulating in the Sewer Master Plan Fund. The increase of total retail sales in Buncombe County and the effects of our previous annexations have had a significant effect on this revenue that we estimate to be $6,786,000 for Fiscal Year 1989/90.

The third major source of revenue in the General Fund is the State Utility Franchise Tax. This tax is based on gross sales from regulated railroads and utilities within the city limits. We expect to receive $2,625,000 from this source in 1989/90, which reflects a 12% increase over the previous fiscal year. The State Utility Franchise Tax has

proven over the years to be a reliable source of revenue with a steady, moderate amount of growth. This particular tax was used to secure the Certificates of Participation for the two new city parking garages. The 12% increase is based on the continued steady increase of sales from these utilities in Buncombe County combined with the effects of our recent annexations.

A new major revenue source that was reflected in the 1988/89 budget was the Inventory Tax Exclusion Reimbursement. This state-shared revenue was to take the place of the loss in Ad Valorem taxes due to the repeal of the Inventory Tax. Even though the state provided for a replacement revenue source, the amount is a fixed amount that does not allow for any significant growth. In 1989/90 we anticipate that we will receive $1,180,700, which is virtually the same amount that was received in 1988/89. Hopefully in future years, the General Assembly will find a way in which this revenue source can increase in much the same manner that the Inventory Tax would have increased had it not been repealed.

The Intangibles Tax provides $1,023,000 of revenue to the General Fund. This state-shared revenue is anticipated to increase 12% over the amount that was received in the current budget year, based once again on normal steady growth and the effects of our recent annexations.

In 1988/89 the Privilege License Ordinance was significantly revised. The new ordinance calculates a privilege license based on retail sales. This is a much more progressive way of levying a business tax than the old regressive flat rate. In addition, this new method has proved much easier to administer since the previous 464 classifications have been reduced to 175 classifications. Most of the existing classifications are patterned after those in state law. When the City Council decided to change the method of calculating privilege licenses, it decided that the change would be phased in over a two-year period. During 1988/89, the amount collected for privilege licenses was essentially the same as for the previous year. The Council decided to implement only 50% of the total rate, with the remaining 50% to be implemented in the 1989/90 budget. The estimated revenue of $332,000 reflects an increase of $102,000 due to the proposed full implementation of the new schedule, to be effective July 1, 1989.

The reimbursement from Buncombe County for law enforcement is estimated to be $1,000,000 in the 1989/90 budget. During the current fiscal year, we received $928,480. It should be pointed out that, based on the formula that was used for the first five years of the Water Agreement, we should be receiving approximately $1,300,000 per year. Since the formula was changed for the 1987/88 fiscal year, we anticipate that we have lost approximately $885,000 from this revenue source.

The Powell Bill allocation is budgeted for $1,441,000. This is up 10% from the current fiscal year based on annexations and the normal growth of this revenue. Unfortunately, we have not been able to increase our transfer from the General Fund into the Street and Sidewalk Fund as was anticipated in our 5-year budget. At the present time, we are

transferring $529,000, and we will continue that in the coming year. We had hoped to be able to increase this transfer to $864,600, but due to revenue shortfalls in the General Fund, no increase is anticipated.

Fees and Charges continue to be an area where there is a potential for revenue growth. For example, at the present time our building permits and inspection fees yield a revenue of $170,000. The cost for providing these services, however, is estimated at $668,700. The soil erosion enforcement fees yield a revenue of $53,000 with an actual cost of performing these services of $236,000. Areas such as these should be reviewed very closely so that more of the cost of the service can be recovered through the fee structure. I am confident that there are other areas within the city operations where fees are not covering the majority of the cost for providing the service.

Unfortunately, additional Fund Balance is appropriated in the 1989/90 budget in order to provide sufficient revenues to meet anticipated expenditures. The appropriated Fund Balance of $1,537,500 should be reviewed very closely in light of the fact that this is a one-time revenue source. Should all other revenues be realized at the budgeted amount, and should departments spend allocated funds, the Fund Balance would be exhausted and would not be available for future years' appropriations. This would mean that immediately in next year's budget, an excess of $1,000,000 of new revenues would have to be found. It is important to know that appropriated Fund Balance is only the amount available after putting aside a reserve of 15% of our operating budget. The primary reasons for the need of such a large amount of Fund Balance are as follows:

1. The cumulative effect of the reduction in law enforcement reimbursement from Buncombe County, the loss of rents from Airport property, and the effect of litigation in the West annexation area amount to approximately $1,850,000 of unrealized revenue.

2. The parking fund is realizing only enough revenue to pay operating costs and not to recover debt service. The total amount of debt service of $611,500 is now coming from the General Fund.

All other general revenues remain stable and are adequate to provide for a balanced budget.

Appropriations: General Fund appropriations for 1989/90 are $37,199,900, which represents an increase of 8.9%. As previously mentioned, the base budget without service enhancements and the implementation of the pay plan is up only 3.3%. This budget provides appropriations for continuing all basic general fund city services, along with increased levels of services in order to meet the City Council's goals and objectives.

A total of $502,000 has been included in this year's budget for service enhancements. Some of these items include funding for the development of a Risk Management Office - $73,200; the expansion of the year-round

park maintenance function - $101,200; a continuation of the Street Pavement Management Program - $11,700; the authorization of three new positions in the Planning Department - $83,400; three new Telecommunicators in the Police Department - $58,500; an additional MEG Officer - $28,100; an additional DARE Office - $24,000; an Inspections Aid - $21,200; and appropriations for part-time staff in the Planning Department for a sign survey and extending the extraterritorial zoning limits - $42,800. With the exception of service enhancements and the pay package, the only other areas where we have recognized increases in appropriations are in the areas of tipping fees and the installation of a new data processing system. Buncombe County has informed us that tipping fees will increase by $231,000, which will make our total cost for tipping fees $531,000. While the one-time start-up cost for our new computer system will come from the capital funds, there will be additional operating expenses in all departments for new and enhanced software.

WASTEWATER MAINTENANCE FUND

All of the present owners of wastewater collections systems in Buncombe County are working diligently on a plan to consolidate all of these systems with the Metropolitan Sewerage District. A committee has been meeting on a weekly basis for the past two months to arrive at a consolidation agreement that can be approved by all owners. It is the goal of this committee to have an approved consolidation agreement in effect in early July of 1989. Should consolidation take place, the City of Asheville would continue its maintenance operations for the fiscal year 1989/90, with the actual consolidation and transfer to take place on July 1, 1990. One sewer rate would be established by MSD and there would be no need for the City of Asheville to have a separate rate. Should consolidation take place, MSD would contract with the City for maintenance during the coming fiscal year.

Revenues: The major revenue for the Sewer Maintenance Fund is from sewer user charges. Estimated revenue from this charge for 1989/90 is $1,520,000. This does not reflect any increase over the 1988/89 budget. Revenues are sufficient to pay for operations in the coming year but, very significantly, do not generate enough funds to pay for any capital improvements out of the user charge. We had anticipated that there would be a contribution from utility charges into the sewer capital fund, but the existing rate will not support such a contribution. The proposed 1989/90 budget should be viewed as an interim budget in that it is sufficient only to continue a basic maintenance function. Should consolidation not take place, the City will be in the position of having to raise rates and possibly issue debt for future needed capital improvements to our system. It is only for this reason that a rate increase is not recommended in the 1989/90 budget. The Sewer Master Plan continues to be funded with unappropriated fund balance and 40% of the one-half cent sales tax. The other one-half cent sales tax that had been allocated to the sewer fund is no longer restricted for sewer uses and is this year being allocated in the General Fund.

Appropriations: The sewer maintenance budget for 1989/90 is $1,575,000. This represents a 3.3% increase over the 1988/89 budget but is virtually the same as the estimated actual appropriations in the current fiscal year. Without being able to make a contribution to the Sewer Master Plan Fund, appropriations are being used almost exclusively for personnel cost, materials and supplies.

The Sewer Master Plan is the area where a major effect will be felt from the consolidation under MSD. Projects that need to be undertaken in 1989/90 include the continuation of rehabilitation projects - $938,300, contracting for the installation of lines in newly annexed areas - $272,100, the construction of the new South Swannanoa Interceptor - $800,000, and the replacement of sewer laterals in conjunction with the Street and Sidewalk Program - $622,000. The current proposal for consolidation calls for MSD to pay the total cost of interceptor and rehabilitation projects with the City paying 50% of the cost of annexation projects. Should consolidation take place, we will need to amend our budget to reflect these new amounts. Should consolidation not take place, we will need to diligently search for additional revenues to continue with major sewer improvements.

PARKING SERVICE FUND

Fiscal Year 1988/89 was the first year that the two new garages, Wall Street and Rankin Avenue, were in operation in the Parking Service Enterprise Fund. We would hope that in future years revenues will not only pay for operations, but will also pay a significant portion of debt service.

Revenues: Of the total revenues of $1,195,700, the largest source ($630,200) comes from a contribution from the General Fund. Revenues from the three parking garages, parking meters, other parking lot rentals, and parking violations make up just less than 50% of the total revenues. The Civic Center Garage continues to generate approximately $200,000 per year in revenues; however, the Wall Street and Rankin Avenue garages together in 1988/89 realized revenues in the amount of only $79,200. We hope that with additional utilization by both monthly and turnover parkers the amount for these two garages will increase to $139,000 for 1989/90. Parking violation fines have become a significant part of our budget since we are now more vigorously enforcing our parking regulations and since we have changed from a criminal to a civil offense that allows us to retain all of the parking fines. The 1989/90 budget reflects $126,000 from parking violation revenues.

We are not recommending any changes in fees for any of our parking functions. We believe the parking garage rates should remain the same in order to increase current utilization. It is our feeling that any increase in rates would have a drastic effect on garage usage. Even though our parking study from several years ago recommended the installation of parking meters, we feel that it is too early to evaluate the success of our two new garages and believe that any other changes in on-street parking would also create much confusion and difficulty in evaluating our current parking situation.

The parking validation system that was developed by the Downtown Association has been very helpful in promoting the use of our garages. For the first eight months that this program was in operation, 164 rolls of validation stickers were sold producing revenue of $7,882. Through this program, merchants buy validation stickers from the City and give them to their customers. This provides the City with an up front revenue source and involves the merchants in promoting the use of the garages.

Appropriations: There are no significant changes in any of the appropriations for the parking garages for the coming year. The largest expenditure continues to be debt service - $611,500. Even with the deficit in the fund, we do not feel it is prudent at this point in time to try to cut back on personnel or services. It is important that the attendants' booths be staffed as much as possible and that adequate security be visible at all times. We feel that any cutbacks in these areas could have an adverse impact on the willingness of customers to use our parking facilities.

CIVIC CENTER FUND

The City's fiscal policy states that the General Fund subsidy to the Civic Center should not exceed 10% in any fiscal year. It is anticipated that the General Fund subsidy for the 1988/89 budget year will be 8 percent and the budgeted subsidy for the coming year is 9.4%. A total budget of $1,532,600 is virtually at the same level as the 1988/89 budget.

Revenues: The major revenue for the Civic Center Fund comes from charges for services which amount to $1,192,000. These charges are in the form of rents and sales. During the current fiscal year, several events were sponsored by the Civic Center that resulted in significant new revenues. It is anticipated in the coming year that the promotions budget will once again be utilized to bring entertainment to the Civic Center that is not being provided by independent private promoters.

One other significant revenue source is the arts subsidy. The Water Agreement called for Buncombe County to pay to the City of Asheville a rental fee for the Asheville Art Museum and the Asheville Symphony. We have been receiving $160,800 since the inception of the Water Agreement even though the Agreement calls for increases based on the Consumer Price Index. We have budgeted an increase in 1989/90 to $187,000. Buncombe County was informed some time ago of the need for a recalculation of this rent and we are hopeful that the additional rental will be made available in the coming year.

Appropriations: Appropriations for the general operation of the Civic Center amount to approximately $1,003,800. The additional $528,800 of appropriations comes mainly from promotions - $233,600; concessions - $145,800; and advertising services - $26,000.

FESTIVALS FUND

All of the costs associated with festivals have been removed from the General Fund and established in a separate enterprise fund. The $670,400 budget is fully supported by revenues generated from the two major festivals - Bele Chere and Light Up Your Holidays.

Revenues: Revenues from Bele Chere basically come from three sources: token sales - $450,000; sponsors - $150,000; and sales of Bele Chere items - $20,400. Light Up Your Holidays generates revenues of approximately $50,000 with $40,000 coming from sponsors and $10,000 from event sales.

Appropriations: Approximately one-half of the total appropriation goes to payment to vendors through the token system and for entertainment. Other major expenditures are in the area of purchases for resale of Bele Chere items and refreshments.

WATER FUND

In accordance with the Water Agreement, the Asheville-Buncombe Water Authority's annual budget must be approved by both the City of Asheville and Buncombe County. The budget as presented to you from the Water Authority is $14,538,200, which is a 10.7% increase over the 1988/89 budget.

Revenues: The major source of revenues is utility charges. Budgeted for 1989/90 is $13,735,700 which reflects a 4% rate increase to be effective July 1, 1989. This increase is in accordance with the long-range funding plan for the Master Plan Improvements that calls for annual 4% rate adjustments. The other significant revenue source is $467,500 for tap and connection fees.

Appropriations: The appropriations in the Water Fund are primarily in the area of maintenance and repair - $4,316,448; water production - $2,075,792; customer services - $685,663; and transfer to capital reserve - $2,500,000. Other expenses include equipment purchases, in lieu of tax payments, cost allocation plan reimbursements, engineering services and debt service.

The Water Budget that is reflected in your statistical summary is the budget that was initially approved by the Water Authority and by the Buncombe County Board of Commissioners. Since the general obligation bond referendum was defeated, there may need to be amendments during the year or a delay in proceeding with any of the major capital improvements.

CAPITAL FUNDS

The City of Asheville Capital Improvements Plan was updated during 1988/89 so that it continues to be a full 5-year planning document. Sufficient revenues are anticipated to fund all projects throughout the life of the plan. The 1989/90 budget reflects a continuation of the funding for the third year of the Capital Improvements Plan.

Revenues: Nineteen cents ($.19) of the City's tax rate is a reserve for capital improvements. Twelve cents ($.12) of that amount is for general capital outlay and seven cents ($.07) is reserved for the Street and Sidewalk Improvement Fund. In addition to these revenues, 40% of the Powell Bill allocation will go toward the Street Fund, which is at the same level that it was for 1988/89. Our 5-year budget calls for the 1989/90 Powell Bill contribution to the capital fund to increase to 60%, but due to the revenue shortfall in the General Fund, it was felt that an increased contribution would not be wise next year. Sixty (60) percent of one of the one-half cent sales taxes is being allocated to the general Capital Improvements Plan. These revenues, along with interest earned, are sufficient to fund the 1989/90 projects and to meet all debt service requirements for the Street and Sidewalk and Pack Place Projects.

The Downtown Development Fund contains revenues from General Revenue Sharing, Community Development Block Grants, Urban Development Action Grants, and other earmarked revenues. The Community Development Fund is self-supporting with a $844,300 grant from the federal government, and appropriations have been reduced in accordance with the reduction in the federal grant from $997,000 to $884,300.

Appropriations: General Capital Fund appropriations come directly from the Capital Improvements Program and are primarily utilized for equipment replacement, building construction and maintenance. Significant projects in this fund for 1989/90 include the energy conservation and renovation project of the interior of City Hall and the replacement of the Public Works Facility on South Charlotte Street. The City Hall Project is expected to be under construction in late 1989and is budgeted at $4,500,000. The Public Works Facility is now in the design phase and is budgeted at $2,100,000. It is proposed that both of these improvements be undertaken with a financing mechanism similar to that which was utilized for the two parking decks. Tax exempt financing will be issued with a repayment schedule of 20 years as it is currently indicated in our CIP. Other appropriations are $396,300 for the lease of a new radio communications system; $250,000 for repairs and improvements to various city facilities; and $300,000 for a capital contingency. The balance of the $1,668,700 budget is primarily for equipment replacement.

In December of 1988, $8,400,000 of General Obligation Bonds were sold - $5,400,000 of these bonds is for additional Street and Sidewalk Projects and $3,000,000 is for the construction of the Pack Place Education Arts and Science Center. The Street and Sidewalk funds will

be used almost exclusively for street rehabilitation. Virtually all sidewalk replacement work has been completed, and we are now in the process of repaving and reconstructing streets based on our pavement management system. There is still $2,800,000 of authorized bonds for future Projects.

The Pack Place Education, Arts and Science Center is now under construction. We would anticipate the full $3,000,000 of bond funds will be spent during the coming fiscal year.

The Downtown Development Fund contains appropriations for the City's responsibility in the three major redevelopment areas: Wall Street, Pack Square, and the Haywood/Rankin Avenue area. The Wall Street Project is virtually completed with only a small amount of streetscape work still unfinished. In the Rankin Avenue Project, funds are still available to complete the connection between the Rankin Avenue parking garage and Haywood Street. We would hope that this pedestrian walkway can be completed during 1989/90. In the Pack Square Project, the City's responsibility falls in the area of loans, a UDAG grant and debt service reserves for the Pack Plaza private project.

The Community Development Fund reflects the City's commitment to continuing all existing programs. A major expenditure of $396,300 goes to the implementation of the Montford Redevelopment Plan. The Neighborhood Housing Program is now underway, and $125,000 for the administrative cost of this program is budgeted in the 1989/90 budget.

PERSONNEL

The City of Asheville is a service organization. We are in existence only to provide services to the public. Those services are provided through our employees. It should not come as any surprise that approximately one-half of the City's operating budget is for personnel-related expenses. Our employees are the most valuable asset to our organization and to the community. It is incumbent upon us to manage this resource in such a manner as to provide fair and equitable pay policies, benefits that are commensurate with those given in other businesses in our area, and a working environment that encourages pride in self, pride in work, and pride in community.

Compensation: We have proposed in the coming year a total compensation package that basically includes the following three areas:

A. Pay Plan Implementation - On May 16, 1989, the City Council adopted a new Classification and Pay Plan as presented by our consultants, Municipal Advisors, Inc. This new plan is designed to provide for the accurate classification of all city employees and to ensure that our pay grades are commensurate with other cities of our size and with the private sector in Buncombe County. It is essential when a new pay plan is adopted that it be implemented in such a manner as to ensure that all employees are paid at least the minimum of the new pay range and that existing employees not find

themselves at the minimum pay grade by virtue of the raising of minimum salaries. The 1989/90 budget reflects an appropriation of $1,068,000 for the implementation of the pay plan. Taking into account the recommendations of Municipal Advisors, the available funding will provide for the following implementation steps:

1. A 4% across-the-board pay plan adjustment will be given to all existing employees as of July 1, 1989. This increase will allow all employees to share in the adjustments that will be made to salary ranges and somewhat lessen the compression effect.

2. After the 4% across-the-board adjustment is made, any employees who remain below their existing minimum will be adjusted to the minimum salary for their salary grade. We will therefore ensure that no existing employee will be making below the minimum salary level.

3. After the adjustment to minimum, existing employees will be guaranteed that they will be placed in the pay plan based on their time in their present grade. This will be accomplished with the following schedule:

1 to 3 years	=	2.5% above minimum
3 to 5 years	=	5.0% above minimum
5 to 7 years	=	10.0% above minimum
7 or more years	=	20.0% above minimum

By ensuring that employees with longevity in a particular grade are spread within the pay plan, the compression effect through adoption of a new salary schedule will be mitigated.

B. Merit Pay Plan - A merit pay plan is included in the 1989/90 budget at a total cost of $424,000. Objective criteria have been developed for each employee so that evaluations will be based on job related criteria. The three levels of pay that an employee can earn based on performance are:

Standard	-	2.0%
Above Standard	-	4.0%
Outstanding	-	5.5%

All employees will be evaluated on their anniversary date and will be eligible for one of these levels of merit pay. Employees who are not working at their job level and receive no pay increase will be reevaluated in six months to determine if their performance has improved. This will be the third year of a merit pay plan that is structured in the described manner. Even though the percentages are somewhat lower than the percentages in the past two years, the funds allocated should be adequate for a merit plan. It is essential that this plan be continued in order to provide incentives for our employees and to provide a method to fully integrate our MBO system down to the individual employee level.

C. Longevity Pay - With the adoption of a pay plan in 1986, the existing longevity plan for City employees was eliminated and some compensation for years of service was rolled into base salaries. Municipal Advisors recommended that a longevity plan be reinstituted since most cities in the State of North Carolina provide some compensation for years of service. There is value in city employees who have been with the city for a long period of time and who have exhibited their loyalty and dedication to the city organization. A very modest longevity plan at a cost of $115,500 has been included as part of our total compensation package in the 1989/90 budget. Longevity will be paid to all employees who are employed as of December 1, 1989. The payment will be based on years of service and be paid in a lump sum amount in early December. The following schedule has been recommended for the longevity plan:

5 to 10 years	=	$100
10 to 15 years	=	$200
15 to 20 years	=	$300
20 or more years	=	$400

All of the above-mentioned three elements are essential to a fair and equitable, total compensation package. By using a combination of pay plan adjustments, merit pay, and longevity, employees will receive varying amounts based on their quality of work, years of service, and the value of the position to the City of Asheville.

Group Insurance: We have recently been informed by our group insurance administrator that a significant rate increase is needed in 1989/90. The 45% increase is extremely large but is in keeping with the increases that other employers are experiencing. In order to cope with these additional costs that must be absorbed by both the City and the employee, we are taking a comprehensive look at our total benefit package. We have not budgeted the full rate increase in the 1989/90 budget, but will rather budget a smaller increase that we hope will carry through the first six months.

The City staff is working at the present time on developing a cafeteria plan for benefits that would be in place by January 1, 1990. A cafeteria plan basically gives an allowance to all employees which they can use to purchase a benefit package that is most suitable to them. For instance, there may be a basic health care plan that does not have the benefits that we currently provide, but that is cheaper than what we are now paying. An employee could purchase the cheaper group health plan or they could purchase one of two or three options that would provide a higher level of care. Employees would also be able to purchase varying levels of life insurance, disability insurance, and other benefits that the City would make available. Such a plan is becoming prevalent in the private sector and allows each employee, based on their family situation and stage in life, to tailor their own benefit package to meet their needs. We feel that with this approach both the City and the employee will be able to receive more for their money. We intend to work with our consultants to have such a plan to the City Council in the Fall for implementation by the beginning of the calendar year.

SUMMARY

The City of Asheville's budget for 1989/90 provides a plan for the allocation of resources to continue all basic city services. In addition, the budget provides funding for an expansion of some specific services that will assist in the implementation of the "2010 Asheville City Plan" and the City Council's "Strategic Plan." These two planning documents are integral to the budgeting process.

This has been a very difficult year to prepare a budget due to the uncertainties of annexation, the loss of several significant sources of revenue, and the pressures brought on by additional fixed costs. When the budget is compared to the City's Fiscal Policy, it becomes apparent that we are entering the new year in excellent financial condition. This is accomplished, however, through a proposed two-cent tax increase and an appropriation of fund balance in the amount of $1,537,500. Nobody likes tax increases, but even with this first increase in four years, the City's effective tax rate continues to be one of the lowes in the State of North Carolina. The appropriation of fund balance i larger than what I generally believe to be a safe appropriation of n more than 50% of available fund balance after establishing an operating reserve. Fund balance is not a reoccurring revenue and once it is used, it is unavailable for future years. It is truly unfortunate that the use of fund balance and the need for a tax increase were brought about by actions beyond the city's control.

Even though this was a difficult budget to assemble based on the many uncertainties that face us, we have provided the resources to deliver the quality of services that the citizens of Asheville have come to expect. The city staff is dedicated to seeking out opportunities to better utilize the resources that we have at our disposal, continuing to provide essential services, and treating all of our public customers with dignity and respect.

The preparation of a budget involves a great many people. Department and Division Heads should be congratulated on the excellent budget requests they assembled. In addition to their work on this year's budget, much of the success in holding expenditures to a minimum is due to the work of the Department and Division Heads in their day-to-day operations. Their participation in cost-saving programs and their willingness to try new and innovative ideas is an indication of their professionalism. I would like to thank not only these Department Heads, but also the administrative staff who worked very hard assembling the budget. The Audit and Budget Department, Vicki Heidinger, Debbie Wilson and especially the Director Bob Wurst should be commended for their hard

work and dedication. I would also like to give a special thanks to the entire City Council who gave many hours of their time reviewing the budget. Your input during the preparation of this budget was essential in continuing the philosophy of providing the highest level of services at the lowest possible cost.

Sincerely,

s/

Douglas O. Bean
City Manager

DOB:msm

Councilman Bratton moved to schedule a public hearing on the Budget for Fiscal Year 1989/90 for June 13, 1989. This motion was seconded by Vice Mayor Michalove and carried unanimously.

Mayor Bissette said the City Manager and staff had done an excellent job in preparing the budget. He said this year's tax increase will be only the second tax increase Council has initiated since he 1983.

B. APPROVAL OF THE WATER FUND BUDGET FOR FISCAL YEAR 1989/1990

Mayor Bissette said the Water Agreement between the City of Asheville and Bucombe County provides that both governing bodies shall approve the annual Water Budget.

Mayor Bissette recognized Don Williams, Member of the Asheville-Buncombe Water, who presented and summarized the budget.

Mr. Williams said this year's budget had been prepared by the Water Authority Budget Committee Members - George Beverly, Dick Wood and himself. He said this committee had spent a lot of time reviewing with the staff the various requests. He said the budget, as presented today, was approved by the Water Authority and the Buncombe County Board of Commissioners on May 16, 1989.

Mr. Williams said the budget reflects a four percent (4%) increase which will be effective July 1, 1989.

Mr. Williams said since the water bond referendum had failed, the $534,000 appropriation for the French Broad River Treatment Plant, shown on page 40, will be taken out. He said the failure of the Bond Referendum will not have a financial impact on this year's budget, but there will be an impact beginning in 1991 and later years.

Councilman Frank left the meeting at 5:30 P.M.

After discussion, Councilman Martin moved to approve the Water Budget contingent upon the deletion of any reference to funding for the French Broad River Treatment Plant or any related facility. This motion was seconded by Councilman Bratton and carried unanimously.

Jeff Fobes, Citizens for Safe Drinking Water, said Council's decision to approve the Water Budget without appropriating money for the French Broad River Treatment Plant will be appreciated by the citizens of Asheville.

C. **REPORT BY CITY CLERK ON THE CANVASS OF THE SPECIAL WATER BOND ELECTION HELD ON MAY 16, 1989**

The City Clerk said the Buncombe County Board of Elections had provide him with a Certificate of Canvass of the special water bond election held on May 16, 1989. He said the total number of voters who voted "YES" was 2925 and the total number who voted "NO" was 4753. He said the total number of voters who were registered and qualified to vote was 33,743.

Councilman Price requested that a letter be sent to members of the Water Bond Committee thanking them for their service and assistance.

D. **ORDINANCE NO. 1767 - BUDGET ORDINANCE AMENDMENT TO APPROPRIATE ADDITIONAL FUNDS TO THE MAIL/MESSENGER DIVISION FOR POSTAGE**

Mayor Bissette said this budget amendment in the amount of $12,000 is necessary to appropriate additional funds for postage due to a substantial increase in the number of pieces of mail that is processed through the Mail Services Division.

Mayor Bissette said that copies of this ordinance were previously distributed to members of Council, and the ordinance would not be read in its entirety unless there was a specific request to do so.

Councilman Price moved for the adoption of Ordinance No. 1767. This motion was seconded by Councilman Martin.

On a roll call vote of 7-0, Ordinance No. 1767 passed on first and final reading.

Ordinance Book No. 11, Page 451

E. RESOLUTION NO. 89-65 - RESOLUTION ENDORSING THE FISCAL YEAR 1990 TRANSPORTATION IMPROVEMENT PROGRAM - ASHEVILLE URBAN AREA

Mayor Bissette said this resolution will endorse the recommendations of the Asheville Urban Area Transportation Advisory Committee and requests that the State of North Carolina include these priorities in the State of North Carolina Transportation Improvement Program. The Committee has recommended acceleration of the following projects:

1) The construction of a new interchange at &S 25A (Sweeten Creek Road) and I-40 <Project I-100>;

2) The construction of the I-26 Corridor <Project A-10>;

3) The widening of NC 63 (Leicester Hwy) from City Limits to Newfound Road (SR 1004) <Project U-2000> to parallel with the completion of Project U-529; and

4) The widening of Fairview Road (US 74) between I-40 and SR 3136 <Project R-2306>

Mayor Bissette said that copies of this resolution were previously distributed to members of Council, and the resolution would not be read in its entirety unless there was a specific request to do so.

Upon motion of Councilman York, seconded by Councilman Martin, Resolution No. 89-65 was unanimously adopted.

Resolution Book No. 89-65, Page 410

V. CONSENT:

VI. OTHER BUSINESS:

A. MOTION SCHEDULING PUBIC HEARING FOR A GRANT APPLICATION TO UMTA FOR OPERATING, PLANNING AND CAPITAL FUNDS UNDER SECTION 9 OF THE UMTA ACT

Mayor Bissette said this motion will schedule a hearing on the City's annual grant application to UMTA for the Asheville Transit Authority for operating, planning and capital funds under Section 9 of the UMTA Act.

Vice Mayor Michalove moved to schedule a public hearing for June 27, 1989. This motion was seconded by Councilman Price and carried unanimously.

B. CLAIMS - JODY PADGETT (WATER) AND KAREN WALLEN (WATER)

The City Manager presented claims received from Jody Padgett (Water) and Karen Wallen (Water).

Mayor Bissette referred to claims to the City Attorney for investigation and recommendation.

ANNOUNCEMENT BY MAYOR BISSETTE - CLEAR CUTTING AT NORTH FORK

Mayor Bissette said he understands the Water Authority is currently reviewing the policy to avoid future problems relative to clear cutting at North Fork.

PRESENTATION OF PETITION BY GARLAND WADE RELATIVE TO NOISE AT VME

Mr. Garland Wade presented a petition to the Mayor and Members of City Council relative to the noise at VME that is disturbing him and other residents who live on Atkins Street in Skyland. The petition requested enforcement of the City's Noise Ordinance. Mr. Garland said the noise from the heavy equipment starts around 5:15 A.M.

Mayor Bissette said the City would look into the problem.

REMOVAL OF TREES - PRIVATE PROPERTY - COUNCILMAN PRICE

Councilman Price said she had received a lot of letters concerning the trees that were cut down for the development taking place on Merrimon Avenue. She said she understood that the trees were on private property and inquired about the status of legislation to regulate trees on private property.

City Attorney William F. Slawter said the North Carolina Legislature had passed some limited legislation regulating trees on private property, which applied only to "Champion" trees only. However, he said there is currently a bill going before the General Assembly for the Town of Chapel Hill that is thought to be broader in providing more regulation.

There was a general discussion among the Council on available options and avenues that can be explored to regulate trees on private property. It was their consensus, however, that the City Attorney obtain a copy of the Chapel Hill Bill and provide the Council with a report on what they can or cannot do to regulate and protect trees on private property.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 6:00 P.M.

MAYOR

CITY

Tuesday - June 6, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent:

INVOCATION

The invocation was given by Councilman Frank.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of the minutes of the May 23, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Resolution No. 89-66 - Resolution in memory of Bob Waters.

Mayor Bissette read a resolution expressing Council's sorrow over the recent passing of Bob Waters, Western Carolina University's coach for more than twenty years.

Upon motion of Councilman York, seconded by Councilman Price, Resolution No. 89-66 was unanimously adopted.

Resolution Book No. 17 Page No. 411

B. Proclamation - "Management Week" - June 5 - 10, 1989

Mayor Bissette read the proclamation and presented a copy to Jim Tyson and Iris Wardlaw with the National Management Association.

C. Proclamation - "Rape Prevention Month" - June, 1989.

Mayor Bissette read the proclamation and presented a copy to Leigh Dudazik, Executive Director for Rape Crisis Center for Buncombe, Madison, and Henderson Counties.

D. Presentation of award by Quality Forward.

Susan Roderick with Quality Forward presented William F. Wolcott, Jr., Associate City Manager with an Environmental Excellence Award from Quality Forward for his outstanding efforts in the landscape work around the Municipal Parking decks. Mr. Wolcott was instrumental in the construction of these projects.

II. PUBLIC HEARINGS:

A. Public hearing relative to rezoning property located at Buckstone Court and I-240.

Ordinance No. 1768 - Ordinance rezoning property located at Buckstone Court and I-240.

Mayor Bissette said the Asheville Planning and Zoning Commission on May 3, 1989, reviewed and recommended approval of rezoning Ward 8, Sheet 11, Lots 35-1/2 and 53 from R-3 Residential District to CS Commercial Service District.

Mayor Bissette opened the public hearing at 4:20 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Don Sherrill, from the Planning Department, presented the recommendation of the Planning and Zoning Commission. He also reviewed the surrounding zoning and uses of property. He said the rezoning would be in accordance with the 2010 plan.

Mayor Bissette closed the public hearing at 4:26 p.m.

Councilman Martin moved for the adoption of Ordinance No. 1768. This motion was seconded by Vice-Mayor Michalove.

On a roll call vote of 7-0, Ordinance No. 1768 passed on first reading.

B. Public hearing relative to amendment to sign package - Westgate Shopping Center Group Development

Mayor Bissette said the Asheville Planning and Zoning Commission on May 3, 1989 reviewed the request of the Property Manager of Westgate Shopping Center to amend the sign package to permit the Spa Health Club to have a sign 31 square feet. The Commission voted to recommend that the request be denied and that signage of 25 square feet be permitted in accordance with the original

approval which stipulated signage to conform with the Zoning Ordinance.

Mayor Bissette opened the public hearing at 4:28 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Don Sherrill, from the Planning Department, presented the recommendation of the Planning and Zoning Commission that the request for a 6 square foot variance be denied and that signage of 25 square feet be permitted as original approved.

Richard Drexler, Property Manager for Westgate Corporation, said he had been with Westgate since March, 1989. He said the sign request is from a major tenant of Westgate, Spa Health Club.

Several members of Council expressed concern that the sign was erected without first obtaining a sign permit.

Mayor Bissette closed the public hearing at 4:40 p.m.

After discussion, Councilman Price moved to approve the request to allow for a 31 square foot sign for the Spa Health Club. This motion was seconded by Councilman Bratton.

On a voice vote of 4-3, Councilman Price's motion failed with Councilmen York, Price, and Bratton voting "aye" and Mayor Bissette, Vice-Mayor Michalove, Councilman Frank and Councilman Martin voting "no".

C. **Public hearing relative to amendment to sign package-Oakley Plaza Shopping Center Group Development**

Mayor Bissette said the Asheville Planning and Zoning Commission on May 3, 1989 reviewed the request of Crawford Sign Company to amend the sign package of Oakley Plaza Shopping Center to permit the Mandarin Plaza Chinese Restaurant to have a sign either 72 square feet, 40.25 square feet or 31.25 square feet. The Commission voted to recommend that the request be denied and that signage of 30 square feet be permitted in accordance with the original signage approval of 1 square foot of attached wall signage per linear foot of building frontage.

Mayor Bissette opened the public hearing at 4:42 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Don Sherrill, from the Planning Department, presented the recommendation of the Planning and Zoning Commission. He said since the Commission meeting Crawford Sign Company has agreed to accept the recommendation of the Planning and Zoning Commission. However, the request would still need to have Council's approval since it is different from the original sign package approved by Council.

Mayor Bissette closed the public hearing at 4:46 p.m.

Councilman Frank moved to amend the sign package of Oakley Plaza Shopping Center to permit the Mandarin Plaza Chinese Restaurant to have signage of 30 square feet in accordance with the original signage approval of 1 square foot of attached wall signage per linear foot of building frontage. This motion was seconded by Councilman Martin and carried unanimously.

D. Public hearing relative to annexing a noncontiguous area on U.S. 19-23 known as Pawn World Gun Supply.

Ordinance No. 1769 - An ordinance annexing a noncontiguous area on U. S. 19-23 known as Pawn World Gun Supply.

Mayor Bissette said the City of Asheville has received a petition from Mr. DeWayne Roberson requesting annexation of a noncontiguous area known as Pawn World Gun Supply on Highway 19-23. The City Clerk has investigated the petition and has certified that it is sufficient.

Mayor Bissette opened the public hearing at 4:47 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

Patty Tallerday, from the Planning Department, presented a detailed map of the property proposed for annexation. She said the property is within 1.98 miles to the nearest city limit line. She also presented a brief video of the property . She said the property is a one acre lot with mixed use.

Upon inquiry of Council, Ms. Tallerday said the petitioner wishes to be annexed into the City since he can not operate a pawn shop in the county. She said the State had first informed him that he could; the petitioner paid the state for his licenses and now they are saying that he can not operate in the county.

Ms. Tallerday said it would be in the best interest of the City to negotiate a contract with Enka Volunteer

Fire Department for fire services at a cost of $78.00 per year. She said the Buncombe County Sheriff's Department has agreed to continue furnishing police protection at no cost. She said the streets will become city system streets. She said revenues for the property will be $1,117.00 plus fees and licenses.

Councilman York suggested that prior to the third reading of the ordinance, the City Attorney come up with an agreement with the petitioner to waive garbage pick up pending the outcome of the entire annexation area which is in court at the present time.

Mayor Bissette closed the public hearing at 4:56 p.m.

Mayor Bissette said members of Council were previously furnished copies of the ordinance and it would not be read in its entirety.

Councilman Frank moved for the adoption of Ordinance No. 1769. This motion was seconded by Councilman York.

On a roll call vote of 7-0, Ordinance No. 1769 passed on first reading.

III. OLD BUSINESS:

A. **Ordinance No. 1765 - Third reading of an ordinance relative to rezoning property at 43 Oakley Place, petition of Darrell Redmond by Carla Taylor, Agent.**

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989 reviewed and recommended approval of rezoning Lot 19, Sheet 6, Ward 6, from R-3 Residential District to CS Commercial Service District.

Mayor Bissette said the ordinance previously passed on first and second readings and would not be reread in its entirety.

On a roll call vote of 7-0, Ordinance No. 1765 passed on third and final reading.

Ordinance Book No. 11 Page No. 449

B. **Ordinance No. 1766 - Third reading of an ordinance relative to regulating the operating or maintenance of automobile graveyards and junkyards in the zoning jurisdiction of the City of Asheville.**

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989 reviewed and recommended adoption of the ordinance. This ordinance previously passed on first and second reading.

Mayor Bissette said the ordinance previously passed on first and second readings and would not be reread in its entirety.

Mack Jones from Sweeten Creek Road spoke in opposition to the ordinance. He said he had also opposed the zoning of his property when it was originally zoned since the zoning made his business a nonconforming use. He said his property should be zoned to Heavy Industrial to allow for his junkyard.

Mayor Bissette told Mr. Jones that the staff would look into the zoning of his property.

On a roll call vote of 7-0, Ordinance No. 1766 passed on third and final reading.

Ordinance Book No. 11 Page No. 450

C. Ordinance No. 1762 - Second reading of an ordinance amending Article 13 of Chapter 30 of the Code of Ordinance of the City of Asheville to create the Albemarle Park Historic District.

Mayor Bissette said the Asheville Planning and Zoning Commission on April 5, 1989 reviewed the request of the Albemarle Park-Manor Grounds Association, through the Historic Resources Commission, that their area be designated a local historic district. The Commission voted to recommend approval of the designation and to exclude the property on Charlotte Street south of the Gatehouse zoned CG Commercial General.

Mayor Bissette said at the May 16, 1989 meeting Council remanded the six (6) properties on Charlotte Street to the Planning and Zoning Commission for further consideration. He said Council also postponed the second reading of the ordinance until June 6, 1989 to give the property owners an opportunity to meet with Jim Daniels and R. L. Bailey, owners of some of the lots facing on Charlotte Street.

Rich Matthews, property owner in Albemarle Park, said it is his understanding that R. L. Bailey and Jim Daniels still do not want their properties included in the historic district. He requested that Council remand the entire area to the Planning and Zoning Commission for further consideration and still give more time to work with Mr. Bailey and Mr. Daniels.

Vice-Mayor Michalove commented that Council has still reserved the right to consider including the six (6) lots at a later date by their previous action to remand the properties to the Planning and Zoning Commission.

He said Council, in his opinion, should still consider individual property rights. He said he would be in favor of continuing with the second reading of the ordinance.

Councilman Martin moved to remand the entire area to the Planning and Zoning Commission for further consideration. This motion was seconded by Councilman Frank and carried on a voice vote of 6-1, with Vice-Mayor Michalove voting "no".

IV. NEW BUSINESS:

A. **Resolution No. 89-67 - Resolution authorizing the City Manager to execute a contract on behalf of the City of Asheville with General Administrators, Inc. for Group Health Insurance.**

Mayor Bissette said General Administrators, Inc. proposes a rate considerably less than Blue Cross/Blue Shield to administer our plan at the same benefit level. In addition they agreed to a six months contract which would allow us to work toward the implementation of the cafeteria plan by January 1, 1990.

John Miall with the Management Services Division said the references received on General Administrators, Inc. was outstanding.

James Brunson, with General Administrators, Inc., said his company currently administers many plans and will provide no loss - no gain benefits to the employees.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 89-67 was unanimously adopted.

Resolution Book No. 17 Page No. 412

B. **Resolution No. 89-68 Resolution authorizing the condemnation of property in the Murdock Avenue Bridge Replacement Project.**

Mayor Bissette said the Asheville Housing Authority has been unsuccessful in negotiating a settlement with the owner of Parcel 4 of the Murdock Avenue Bridge Replacement Project. Condemnation of Parcel 4 is necessary to acquire the portion required for replacement of the Murdock Avenue Bridge.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, Resolution No. 89-68 was unanimously adopted.

Resolution Book No. 17 Page No. 413

C. Resolution No. 89-69 - Resolution authorizing the condemnation of property in the Hazel Mill Road Bridge Replacement Project.

Mayor Bissette said the Asheville Housing Authority has been unsuccessful in negotiating a settlement with the owner of Parcel 5 of the Hazel Mill Road Bridge Replacement Project. Condemnation of Parcel 5 is necessary to acquire the portion required for replacement of the Hazel Mill Road Bridge over Southern Railway.

Upon motion of Vice-Mayor Michalove, seconded by Councilman Price, Resolution No. 89-69 was unanimously adopted.

Resolution Book No. 17 Page No. 414

ACTION RELATIVE TO AMENDING SITE PLAN FOR OAKLEY PLAZA (FORMERLY THE CHEROKEE PLAZA)

Mayor Bissette was excused from participation and vote on the amendment to the site plan for Oakley Plaza due to a conflict of interest.

Vice-Mayor Michalove presided over the meeting during this issue.

Councilman Bratton moved to amend the site plan for the Oakley Plaza (formerly the Cherokee Place) Shopping Center, originally approved June 9, 1987, so as to provide for the developer's participation in sewer construction in the sum of $30,000.00, to provide for an expenditure of $6,000.00 by the developer in additional landscaping to be approved by City Planning Staff, and to delete the requirement that the developer participate in the construction of public sidewalks. In addition, the City Manager shall be authorized to execute an agreement with the developer providing for these improvements. This motion was seconded by Councilman Frank and carried unanimously.

VI. OTHER BUSINESS:

CLAIMS - KENNETH MCAFEE (WATER) - GENEVA LAMB (WATER) - MAXINE WEAVER (WATER)

The City Manager presented claims received from Kenneth McAfee, Geneva Lamb, and Maxine Weaver.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

LAWSUITS - PETER R. FALCIGNO, JOAN HOLMES VS. CITY OF ASHEVILLE (SEWER BACKUP)

The City Manager said the city was served with a small claims action on May 25, 1989 involving Peter R. Falcigno, Joan Holmes v. City of Asheville relative to a sewer backup.

Mayor Bissette referred the action to the City Attorney for investigation and recommendation.

STATEMENT BY PRESIDENT OF THE FRATERNAL ORDER OF POLICE - PAY PLAN

Tommy Aardema, President of the Fraternal Order of Police, read a prepared statement which in essence said the new pay plan is totally unacceptable to the members of the Fraternal Order of Police. He said the pay plan is an insult to members of the Asheville Police Department. He said they are requesting a 12.5% cost-of-living increase; merit pay of 4% - 6% - 7.5% and longevity in the amount of $250 for employees employed for five (5) years and $50.00 for each year thereafter. He said this plan would provide adequate pay for the police officers.

Mr. Aardema said the police officers scheduled a rally today in front of the City Building in opposition to the pay plan.

Ms. Lennie Sidnick, from the Grove Park area, spoke in support of the police officers proposal and in general.

The City Manager said that a City Council meeting was not the forum or the place for him to speak to employees about administrative issues. He apologized for the employees taking this approach to the pay plan issue. He commented that the pay plan is adopted every year when the budget is adopted and is subject to annual appropriations. He said $1 million has been put into the budget to implement the new pay plan. He again highlighted the new pay plan. He said every city employee would be attending sessions on the new pay plan and given a printout of the pay schedule.

Mayor Bissette said he wanted to be certain that pay plan is competitive. He said as long as he knows that every employee is on a competitive level with cities in this region he would be satisfied or at least as satisfied as he can be given the political reality that there is only so much money to go around. He said if the plan is competitive he feels the Council has fulfilled their responsibility.

Councilman Bratton said employees are the most valuable product and she expressed concern that the employees feel they can not express their concerns to management rather than Council.

Vice-Mayor Michalove said he was also concerned that the employees feel they have to bypass management. He said he felt this process is unhealthy and employees and managers should create a communication process. He asked that this process begin as quickly as possible.

Councilman Martin said in his opinion the employees have a right to object to the plan, however, procedures have not been followed to make those objections.

Councilman Frank said she felt the proposed pay plan is fair and reasonable.

Councilman York said he also felt the pay plan should be competitive and in his opinion it is fair and reasonable. He said he would like for the communication dialogue to improve between employees and management.

VII. ADJOURNMENT

At 6:15 p.m. Vice-Mayor Michalove moved to adjourn the meeting and for Council to go into executive session. This motion was seconded by Councilman Bratton and carried unanimously.

MAYOR

CITY CLERK

Tuesday - June 13, 1989 - 4:00 P.M.

Regular Meeting

Present: Mayor W. Louis Bissette, Presiding; Vice-Mayor Kenneth M. Michalove; Councilmen Mary Lloyd Frank, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; City Manager Douglas O. Bean; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Councilman Norma T. Price

INVOCATION

The invocation was given by Councilman Bratton.

APPROVAL OF MINUTES

Mayor Bissette announced the approval of the minutes of the June 6, 1989 meeting as submitted.

I. PROCLAMATIONS:

A. Proclamation - "Soap Box Derby Day" - Saturday, June 17, 1989

Mayor Bissette read the proclamation and presented a copy to Mike Ray and Peter Phelps with the West Asheville Rotary Club. The West Asheville Rotary Club is sponsoring the Soap Box Derby Day in cooperation with the Asheville Parks, Recreation, and Public Facilities Department.

II. PUBLIC HEARINGS:

A. Public hearing and adoption of the City of Asheville Budget for 1989-90.

Mayor Bissette said this public hearing will allow for public comments on the City of Asheville Budget for 1989-90. Funding is to be provided to operate city services for the period of July 1, 1989 to June 30, 1990.

Mayor Bissette opened the public hearing at 4:15 p.m.

The City Clerk presented the notice to the public setting the time and date for the public hearing and the affidavit of publication.

The City Manager said since the budget was presented it has been determined that the tax rate collection may be at 94 percent which would leave a $140,000 shortfall in the recommended budget since the budget was prepared anticipating a 95 percent collection rate on the 1988-89 levy. He said because the state law allows cities to budget only the amount of tax collection percentage that was achieved the year before, the city could lose another $140,000 in the coming year by projecting a 94 percent collection rate rather than the 95 percent rate that is now in the proposed budget.

He said the county officials have agreed verbally to reimburse the city $270,000 for law enforcement services city taxpayers paid for last year through their county tax bills but did not receive because the sheriff's department doesn't patrol inside the city.

He suggested that action on the budget be delayed until the county budget is adopted to see if the County appropriates the $270,000 as agreed upon and to determine whether the county tax office increases its collection rate, which directly affects the amount of tax revenue the city receives each year. He said the proposed budget includes a 2¢ tax rate increase and if the collection rate does not change and the county does not appropriate the $270,000 the city could be faced with an additional 1-1/2¢ tax rate increase.

Mayor Bissette said he was concerned about the tax collection rate since it would have a tremendous effect on the budget and most other cities in North Carolina have a collection rate of 97% - 98%.

Ralph Bishop commented on the law enforcement reimbursement from the County.

Councilman Martin moved to continue the public hearing on the budget for one week without further advertisement. This motion was seconded by Councilman Frank and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1768 - Second reading of an ordinance rezoning property located at Buckstone Court and I-240.

Mayor Bissette said the Asheville Planning and Zoning Commission on May 3, 1989, reviewed and recommended approval of rezoning Ward 8, Sheet 11, Lots 35-1/2 and 53 from R-3 Residential District to CH Commercial Highway District. This ordinance was read on first reading on June 6, 1989.

B. **Ordinance No. 1769 - Second reading of an ordinance relative to annexing a noncontiguous area on U.S. 19-23 known as Pawn World Gun Supply.**

Mayor Bissette said the City of Asheville has received a petition from Mr. DeWayne Roberson requesting annexation of a noncontiguous area known as Pawn World Gun Supply on Highway 19-23. The City Clerk has investigated the petition and has certified that it is sufficient. This ordinance passed on first reading on June 6, 1989.

Mayor Bissette said the ordinance was previously read on first reading and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1768 passed on second reading.

IV. NEW BUSINESS:

V. CONSENT:

A. **Approval of sale of Disposal Parcel 179 of the East Riverside Urban Renewal Project.**

SUMMARY: The Housing Authority has tentatively accepted a bid from Jennifer Scoville for Disposal Parcel 179 of the East Riverside Urban Renewal Project. Ms. Scoville owns the adjacent property and plans to use the lot, which is too small to build on in conjunction with her property. The minimum price of Parcel 179 is $530.00. Ms. Scoville's bid is $530.00. The area of the lot is 5,894 square feet.

B. **Approval of bids for automobile and trucks.**

SUMMARY: Pursuant to N. C. General Statute 143-129, sealed bids were invited to furnish (1) mid-size sedan for the Water Department, Wastewater Collection Division; (1) 1/2 ton pickup truck for the Civic Center, and (2) cab and chassis with dump body for the Public Works Department, Sanitation Division. Five bids were received. These bids were reviewed by the Purchasing Director and Department Heads, and they recommend awarding the bid to Matthews Ford, Inc., Asheville, N.C. for Items A (Midsize Sedan) and B (1/2 Ton Pickup truck) for a total amount of $21,074.00 and to Ken Wilson Ford, Inc., Canton, N.C. for Item C

(Cab and Chassis with Dump Body) for a total amount of $41,684.50.

C. Resolution No. 89-70 - Resolution appointing member to the Asheville-Buncombe Historic Resources Commission.

SUMMARY: The term of Kenneth Wayne Robinson expires on July 1, 1989, as a member of the Asheville-Buncombe Historic Resources Commission. This resolution will reappoint him for a 3-year term, term expiring on July 1, 1992, or until his successor is duly appointed and qualified.

Resolution Book No. 17 Page No. 415

D. Resolution No. 89-71 - Resolution appointing members to Board of Electrical Examiners.

SUMMARY: The terms of E. Frank Davis, Harvey Burleson, Walter J. Harlow, Jonathan D. Smith and Malachie Cromartie expire on July 1, 1989, as members of the Board of Electrical Examiners. This resolution will reappoint them for a 2-year term, term expiring on July 1, 1991, or until their successors are duly appointed and qualified.

Resolution Book No. 17 Page No. 416

E. Resolution No. 89-72 - Resolution appointing members to the Motion Picture Operators Board of Examiners.

SUMMARY: The terms of Roy B. Gibbs and William P. Sudderth expire on

July 1, 1989, as members of the Motion Picture Operators Board of Examiners. This resolution will reappoint them for a 2-year term, term expiring on July 1, 1991, or until their successors are duly appointed and qualified.

Resolution Book No. 17 Page No. 417

F. Certificate of appointment to Housing Authority of the City of Asheville.

SUMMARY: The term of Logan D. Delany expired on June 11, 1989, as member of the Housing Authority of the City of Asheville. This certificate will reappoint him for a 5-year term, term expiring on June 11, 1994, or until his successor is duly appointed and qualified.

Resolution Book No. 17 Page No. 418

G. Resolution No. 89-73 - Resolution appointing member to the Asheville Civic Center Commission.

SUMMARY: The term of Mrs. H. C. McQueen expires on June 30, 1989, as members of the Asheville Civic Center Commission. This resolution will reappoint her for a 3-year term, term expiring on June 30, 1992, or until their successors are duly appointed and qualified.

Resolution Book No. 17 Page No. 419

H. Resolution No. 89-74 - Resolution appointing members to the Recreation Board for Asheville.

SUMMARY: The terms of Carolyn Tingle, Marvin A. Nockow, and Bess Baird expire on June 30, 1989, as members of the Recreation Board for Asheville. This resolution will reappoint them for a 2-year term, term expiring on July 1, 1991 or until their successors are duly appointed and qualified.

Resolution Book No. 17 Page No. 420

I. Resolution No. 89-75 - Resolution calling for a public hearing for the adoption of an ordinance directing the Director of Building Inspections to demolish the dwelling known as 26 Mount Clare Avenue for June 27, 1989.

SUMMARY: Proceedings have heretofore been instituted in accordance with the City of Asheville Housing Ordinance No. 1370, Section 8-29(B)(2), as authorized by N.C. Gen. Stat. sec. 160A-443(2) and a condemnation hearing held on March 13, 1989. At said hearing, it was determined that the dwelling at 26 Mount Clare Avenue was unfit for human habitation. The owner(s) of this dwelling was given 10 days from receipt of the Order of Finding and Fact to either renovate or demolish the dwelling, and the owner(s) have not complied with said Order in any respect and no improvements are underway or being made upon the property. This resolution will schedule a public hearing on this matter as required by N. C. Gen. Stat. sec. 160A-364.

Resolution Book No. 17 Page No. 421

J. Scheduling of public hearing relative to continuing a moratorium on the issuance of permits for off-premise advertising signs within the zoning jurisdiction of the City of Asheville for June 27, 1989.

SUMMARY: On January 10, 1989, the City Council adopted an ordinance imposing a moratorium on the issuance of permits for off-premises advertising signs within the zoning jurisdiction of the City of Asheville. This motion will schedule a public hearing to extend the present moratorium.

Upon motion of Councilman Frank, seconded by Councilman York, the consent agenda was unanimously approved.

VI. OTHER BUSINESS:

REPORT OF GROUP DEVELOPMENT ACTIONS BY THE PLANNING AND ZONING COMMISSION

Carol Albrice, from the Planning Department, said the City Council adopted a procedure whereby the Planning Director reports final recommendations of the Planning and Zoning Commission relative to group developments at the next scheduled regular meeting of the City Council. She said in accordance with the procedure, the action of the Commission shall be final unless the City Council determines at their meeting to schedule a public hearing on the matter. She said the following action was taken by the Planning and Zoning Commission at their meeting on June 7, 1989.

CAROLEBROOK APARTMENTS - OLD HAW CREEK ROAD AND MIDDLEBROOK ROAD

Mrs. Albrice said the Asheville Planning and Zoning Commission on June 7, 19899, reviewed and approved the site plan of Carolebrook Apartments at the intersection of Old Haw Creek Road and Middlebrook Road subject to 1) Approval of an erosion control plan by the Planning Department prior to soil disturbance,2) Execution of an agreement between the City and the Developer providing for the proposed improvements to the Old Haw Creek Road and Middlebrook Road intersection, 3) Addition of a note to the site plan that the wooded areas indicated on the site plan will remain, and
4) An agreement being recorded which provides access to the Hendricks Heights properties.
She said comments were received from Ms. Hilda Gasperson and Mr. M. C. Walsh, Jr. both concerned about existing traffic on Old Haw Creek Road and impact of 200 units, back up of traffic at signal light on Tunnel Road and adequacy of sewer.

Council accepted the recommendation of the Planning and Zoning Commission relative to the Carolebrook Apartments to be located at the intersection of Old Haw Creek Road and Middlebrook Road.

ASHEVILLE MALL - REVISION TO SITE PLAN CONCERNING ENTRANCES OFF TUNNEL ROAD

Julia Cogburn, Planning Director, said the Asheville Planning and Zoning Commission on June 7, 1989, reviewed and approved a revised site plan which leaves the center entrance off Tunnel Road. This entrance had been deleted from an earlier submission. The neighborhood indicated at earlier public hearings that it preferred this access to remain open to take traffic off side roads. She said no public comments were received during the meeting.

Rendell Davis, President of the Kenilworth Forest Association, and Harold Payne, Past-president of the association, commented to members of Council that in their opinion Council should not revise the site plan until such time as the Asheville Mall Group Development plan is settled in the courts. They also expressed concern that the approved site plan for the Asheville Mall has not been adhered to. They also commented on the temporary Certificates of Occupancy that have been issued.

After considerable discussion, Mayor Bissette said the Kenilworth Forest Association would be presented with information relative to the pending lawsuits and the Certificates of Occupancy.

Council accepted the recommendation of the Planning and Zoning Commission relative to the revised site plan of the Asheville Mall concerning entrances off Tunnel Road.

CLAIMS - SHERRY THOMAS (WATER) - MIKE BRUCKNER (STREETS) - WILLIE CROUCH (WATER) - READER WATT (SEWER) - MARJORIE JOHNSON (STREETS) - BEVERLY CONGDON (STREETS) - HERBERT GRANT (SEWER) - JACK SMITH (PARKS) - JOHN SATER (SEWER) - EARL WILSON (PARKS)

The City Manager presented claims received from Sherry Thomas, Mike Bruckner, Willie Crouch, Reader Watt, Marjorie Johnson, Beverly Congdon, Herbert Grant, Jack Smith, John Sater, and Earl Wilson.

Mayor Bissette referred the claims to the City Attorney for investigation and recommendation.

LAWSUIT - CARL WILLIAMS V. M.H. WILSON, C.F. McBRIDE AND CITY OF ASHEVILLE - ALLEGED WRONGFUL ACT - ASHEVILLE POLICE DEPARTMENT

The City Manager said the city was served with a lawsuit on June 5, 1989 involving Carl Williams v. M.H. Wilson, C.F.

McBride and the City of Asheville - alleged wrongful act - Asheville Police Department.

Mayor Bissette referred the lawsuit to the City Attorney for investigation and recommendation.

ASHEVILLE FIREFIGHTERS ASSOCIATION - COMMENTS RELATIVE TO PAY PLAN

David McFee, President of the Asheville Firefighters Association, expressed their frustration over the proposed pay plan. He said the 4 percent across the board is not sufficient and requested a 6 per cent across-the board increase. He said the firefighters recently presented Council with a salary survey which would have been more in line with other cities. He also requested that the City stay with performance evaluation increases of 4 - 6 - 7-1/2 percent. He said under the proposed pay plan a 2 year veteran with the Fire Department will be making the same as a 5 year veteran. He said they would like to have a more honest and fair pay plan.

The City Manager again explained the elements of the total compensation package including time-in-grade and longevity. He said every effort was made to treat all city employees fair and equitable. He said cities with a population over 10,000 is giving an average of 4% for a cost of living increase. He said the proposed merit increases are greater than the average being given by other cities. He said 88-90 percent of city employees receive merit increases.

Mayor Bissette said he and members of Council have always tried to be sensitive to all city employees. He said his main concern is to have a pay plan that is fair and equitable and competitive.

Councilman Bratton again expressed concern about the employees not going through the management chain. She said evidently the system of Council/Manager is not working. She said the Council/Manager system is suppose to be a buffer between the political system.

The firefighters said it is difficult to have a one to one relationship with management.

A citizen spoke in support of the firefighters saying the pay plan should be put to a vote of the people. He said he would be willing to pay extra taxes for more pay for the firefighters.

Ralph Bishop spoke in support of the firefighters getting a salary increase.

RALPH BISHOP - COMMENTS RELATIVE TO FORMER POLICE CHIEF AND LOTTERY SALES

Ralph Bishop spoke to members of Council relative to compensation paid to the former Police Chief and the lottery sales in the City of Asheville.

VII. ADJOURNMENT

Mayor Bissette adjourned the meeting at 5:35 p.m.

MAYOR

CITY CLERK

Tuesday - June 20, 1989 - 4:00 P.M.

Regular Meeting

Present: Vice-Mayor Kenneth M. Michalove, Presiding; Councilmen Mary Lloyd Frank, Norma T. Price, Wilhelmina Bratton, Russell Martin and A. Robert York; Corporation Counsel William F. Slawter; Assistant City Manager Charles Penny; and Associate City Manager/City Clerk William F. Wolcott, Jr.

Absent: Mayor W. Louis Bissette and City Manager Douglas O. Bean (attending business meeting in Washington, D. C.)

INVOCATION

The invocation was given by Councilman York.

APPROVAL OF MINUTES

Vice-Mayor Michalove announced the approval of the minutes of the June 13, 1989 meeting as submitted.

I. PROCLAMATIONS:

II. PUBLIC HEARINGS:

A. Continuation of public hearing relative to City of Asheville Budget for 1989-90.

Vice-Mayor Michalove said this public hearing was continued from the June 13, 1989 meeting without further advertisement. He said since the Mayor and City Manager is out of town the public hearing should be continued for one more week.

Councilman Price moved to continue the public hearing until June 27, 1989 without further advertisement. This motion was seconded by Councilman York and carried unanimously.

III. OLD BUSINESS:

A. Ordinance No. 1768 - Third reading of an ordinance rezoning property located at Buckstone Court and I-240.

Vice-Mayor Michalove said the Asheville Planning and Zoning Commission on May 3, 1989, reviewed and recommended approval of rezoning Ward 8, Sheet 11, Lots 35-1/2 and 53 from R-3 Residential District to CH Commercial Highway District.

Vice-Mayor Michalove said the ordinance was previously read on first and second reading and would not be reread in its entirety.

On a roll call vote of 6-0, Ordinance No. 1768 passed on third and final reading.

Ordinance Book No. 11 Page No. 452

B. Ordinance No. 1769 - Third reading of an ordinance relative to annexing a noncontiguous area on U.S. 19-23 known as Pawn World Gun Supply.

Vice-Mayor Michalove said the City of Asheville has received a petition from Mr. DeWayne Roberson requesting annexation of a noncontiguous area known as Pawn World Gun Supply on Highway 19-23. The City Clerk has investigated the petition and has certified that it is sufficient.

Patty Tallerday, with the Planning Department, requested that the third reading of the ordinance be postponed until June 27, 1989 in order for a fire protection agreement to be completed prior to the third reading. She said the effective date of the annexation could be June 30, 1989.

Councilman Price moved to continue the third reading of Ordinance No. 1769 until June 27, 1989. This motion was seconded by Councilman Martin and carried unanimously.

IV. NEW BUSINESS:

V. CONSENT:

VI. OTHER BUSINESS:

Resolution No. 89-77 - Resolution authorizing the Mayor to execute on behalf of the City of Asheville a Federal Aviation grant agreement, Project No. 3-37-0005-10

Vice-Mayor Michalove read a resolution authorizing the Mayor to execute a Federal Aviation Grant Agreement, Project No. 3-37-0005-10 for improvements to expand and rehabilitate air carrier ramp; exit taxiway, taxi guidance signs and fixed distance markers - Runway 16-34. The grant is in the amount of $1,852,740. Since the City of Asheville and the County of Buncombe are cosponsors of the grant agreement, the FAA requires each sponsor to execute the grant agreement.

Upon motion of Councilman Frank, seconded by Councilman Price, Resolution No. 89-77 was unanimously adopted.
